Chapter 5461

Even more shocking was the rapid dissipation of the soul threads on the demonic sword, as if it had met its nemesis.

“What... what kind of power is this?”

Soul Devourer despaired.

He finally realized the vast difference between himself and the white-haired old man before him!

“Do you understand the difference now?”

Fire Spirit Star Lord said calmly. “Before me, you’re nothing but a clown.”

With that, he gently clenched his right hand.

“Bang!”

With a resounding bang, Soul Devourer’s Soul Devourer Demonic Sword shattered instantly, transforming into countless black demonic energy that dissipated into the air.

Soul Devourer himself was also thrown back by the immense recoil, gushing out a mouthful of blood. “Puff

!”

Soul Devourer stumbled back a few steps, his face as pale as paper, his eyes filled with fear and disbelief.

He had never imagined that he would be defeated so completely, so utterly and utterly humiliatingly!

“No... Impossible! I’m Soul Devourer! How could I possibly lose!”

Soul Devourer screamed frantically.

He refused to accept this fact, unwilling to believe that he was so vulnerable.

“Alas, stubborn,”

Fire Spirit Star Lord sighed softly.

With another wave of his right hand, a golden flame flew from his hand, instantly catching up with Soul Devourer.

“Ah!”

Soul Devourer screamed, his body engulfed in golden flames.

Under the golden flames, the demonic energy within Soul Devourer began to rapidly dissipate, and his body gradually shrank in the flames.

“No! I won’t accept this! I won’t accept this!”

Soul Devourer screamed frantically, but there was nothing he could do.

Finally, under the golden flames, Soul Devourer transformed into a black ball of light, which Fire Spirit Star Lord casually collected into a jade bottle.

David and the others were completely stunned by this scene.

They had never imagined that such a powerful Soul Devourer would be so vulnerable before this white-haired old man. It was like an adult bullying a child!

“This... This is too powerful!”

Zi Yuan exclaimed in shock, her voice trembling.

Wu Hao nodded, his face filled with disbelief. “Yes, I’ve never seen such a powerful being! Soul Devourer is like an ant before him!”

Ling Yue looked at the Fire Spirit Star Lord with awe in her eyes. “Who is this senior? His strength is so terrifying!”

Hu Mazi also shook his head, his face filled with shock. “I don’t know, but judging by his strength, he’s definitely a legendary being!”

Everyone was deeply shocked by the scene before them, unable to recover for a long time.

They had never imagined that such a powerful being could exist in the world!

David, looking at the Fire Spirit Star Lord, was also incomparably shocked.

Although he knew that the Fire Spirit Star Lord was powerful, he had never imagined he was so powerful!

“It seems that I still underestimated this senior.” David thought in his heart.

Fire Spirit Star Lord put away the jade bottle and turned to look at everyone.

“How is your Fire Control Step practice going?”

Fire Spirit Star Lord walked up to David and asked!

“I...” David was a little embarrassed. He had not practiced the Fire Control Step to purity and could not reach a hundred miles in one step.

Seeing David’s look, Fire Spirit Star Lord knew that David had not practiced much, but he was not angry.

“Okay, the matter has been resolved, and it’s time for me to leave...”

Fire Spirit Star Lord said lightly!

“Farewell, Star Lord...”

Ling Xi was the first to salute Fire Spirit Star Lord.

Seeing this, the others knelt on the ground and thanked Fire Spirit Star Lord for saving their lives.

If it were not for Fire Spirit Star Lord, they would have become the dead souls of Soul Devouring Lord’s men long ago.

David also bowed to Fire Spirit Star Lord and said, “Thank you, Star Lord, for your help. I am grateful for your kindness...”

Chapter 5462

Just as the Fire Spirit Star Lord was about to turn and leave, the previously clear sky suddenly changed color.

Boom!!!!

A deafening roar echoed from the heavens above, as if the world itself were collapsing.

The dark clouds that the Fire Spirit Star Lord had dispersed not only gathered again but grew even denser, instantly shrouding the entire sky in an eerie, dark red hue.

“Hmm?”

The Fire Spirit Star Lord paused, his previously calm face grimacing for the first time.

He slowly turned and looked up at the sky, a subtle flicker of surprise in his eyes.

David and the others also looked up, seeing the dark red clouds in the sky swirling rapidly, forming a massive vortex.

Within the vortex, countless dark red lightning bolts danced wildly, emitting bursts of heart-pounding thunder.

Even more shocking was the sudden appearance of a massive black hole at the center of the dark red vortex!

Within the black hole emanated a suffocating, terrifying aura, as if swallowing even light.

“What... what’s happening?”

Zi Yuan exclaimed in shock, her voice trembling.

Wu Hao’s face paled. “What... what’s so terrifying! Even more terrifying than the Soul Devourer!”

Ling Yue gripped her staff tightly, her eyes filled with alarm. “Is another powerful demon about to appear?”

Hu Mazi shook his head, his face solemn. “I don’t know, but judging by this aura, it’s definitely an extremely terrifying being!”

Everyone felt an inexplicable fear. Even those who had just experienced a life-or-death battle felt an unprecedented pressure in the face of this sudden and bizarre phenomenon.

Swoosh! !!!

At that moment, a dark red beam of light shot out from the black hole and instantly reached the sky above the valley.

Within the beam of light, a figure could be vaguely seen slowly emerging.

of light gradually dissipated, a middle-aged man in a crimson robe appeared before them.

He looked to be about forty years old, his face handsome yet possessed a hint of evil. His eyes were like two burning flames, emitting an eerie red glow.

His hair was jet-black, with hints of dark red at the tips. A

faint crimson flame enveloped him, and he exuded an indescribable, terrifying aura, as if even the air itself was ignited.

Most shocking of all, a strange fire totem appeared on his forehead!

The totem, like a living being, slowly wriggled and exuded a terrifying, sinister aura.

“Who... who is this...”

Lingxi exclaimed in shock. She could sense that the middle-aged man before them was undoubtedly as powerful as the Fire Spirit Star Lord!

David and the others were stunned. They had never seen such a terrifying being before.

The aura emanating from this middle-aged man was even more terrifying than that of the Soul Devourer!

However, what shocked them most was Fire Spirit Star Lord’s reaction.

His previously calm face was now filled with solemnity. He clenched his fists tightly, a flicker of disbelief in his eyes.

“Li... Lihuo Demon Lord?”

Fire Spirit Star Lord’s voice trembled, evidently recognizing the man before him.

Lihuo Demon Lord?

Everyone was puzzled; they had never heard of the name.

But judging by Fire Spirit Star Lord’s reaction, this Lihuo Demon Lord was clearly an extremely terrifying being. Lihuo Demon

Lord slowly opened his eyes, his gaze sweeping across the room like two streaks of flame, finally resting on Fire Spirit Star Lord.

“Hehe... Fire Spirit Star Lord, long time no see.”

Lihuo Demon Lord’s lips curled into a wicked smile, his voice a raspy yet magnetic voice.
