### Chapter 5463

The Fire Spirit Star Lord took a deep breath and forced himself to calm down: “Fire Demon Lord, you... haven’t you been sealed in the Fire Prison of the Ninth Heaven a long time ago? How come you are here?”

The Fire Demon Lord laughed: “Seal? Those old guys want to seal me? How naive!”

He paused, a cold light flashed in his eyes: “Not only have I escaped, but my strength is even stronger than before! I came here today to settle accounts with you!”

“Settlement?”

The Fire Spirit Star Lord frowned, “I have no grudges or enmity with you in the past or present. What do you want to settle with me?”

“No grudges or enmity?” The Fire Lord sneered, “If you hadn’t teamed up with those old men to launch a surprise attack on me, how could I have been sealed in the Flame Prison for so many years? We must settle this score today!”

Everyone understood.

It turned out these two were both ancient, powerful beings from the Ninth Heaven, and they even had a hidden feud!

The Fire Spirit Star Lord’s expression changed. “You were the one who started it all back then! You slaughtered countless lives to cultivate your evil skills. We were enforcing justice!”

“Enforcing justice?”

The Fire Lord laughed wildly. “How ridiculous! The strong prey on the weak, and the fittest survive—that’s the law of heaven and earth! Those useless people died, so what does it have to do with me?”

A cruel glint flashed in his eyes. “Today, I will not only avenge you, but also make the entire Sixth Heaven pay for the suffering I endured!”

With that, the Fire Lord's gaze fell on the jade bottle in the Fire Spirit Star Lord's hand.

"Fire Spirit Star Lord, give me your jade bottle!"

The Fire Lord said coldly.

Fire Spirit Star Lord subconsciously tightened the jade bottle in his hand: "What do you want to do?"

"What?"

Lihuo Demon Lord said with a wicked smile, "Of course, release Soul Devourer! He is the son of a close friend of mine from many years ago. How can I watch him being sealed by you?"

"You..."

Fire Spirit Star Lord's face changed, "You want Soul Devourer to continue to wreak havoc on the world?"

"Wreckon the world?"

Lihuo Demon Lord said disdainfully, "This world is a place where the strong prey on the weak, and the strong are king! Soul Devourer has the power to rule this world; that's his ability! You so-called righteous people are just jealous of his strength!"

He paused, a cold light flashed in his eyes: "Fire Spirit Star Lord, I'll ask you one last time, are you going to hand over the jade bottle or not?"

Fire Spirit Star Lord held the jade bottle tightly, his face full of determination: "I will never hand it over to you! Soul Devourer has killed living beings, and his crimes are heinous. I will never let you release him!"

"Well! Such a righteous Fire Spirit Star Lord!"

The Fire Demon Lord laughed wildly. "Since you won't accept my toast, don't blame me for being rude!"

With that, the dark red flames surrounding the Fire Demon Lord suddenly surged, and his aura became even more terrifying.

Boom!!!!

With a resounding explosion, a terrifying aura erupted from the Fire Demon Lord, and the entire valley trembled violently.

The air around them seemed to ignite, the temperature instantly soaring to a terrifying level.

David and the others felt a suffocating sensation. They could sense that the Fire Demon Lord's power was definitely not inferior to that of the Fire Spirit Star Lord!

"Fire Spirit Star Lord, today, let's settle our scores!"

The Fire Demon Lord roared, and in a flash, he charged towards the Fire Spirit Star Lord.

Boom!!!!

With astonishing speed, the Fire Demon Lord was in front of the Fire Spirit Star Lord in almost an instant.

His right hand formed into a claw, blazing with terrifying dark red flames, and he clawed at the Fire Spirit Star Lord's chest.

The claw wind whistled, and wherever it passed, the air was torn apart, making bursts of sharp and piercing sounds.
