## Chapter 5464

The Fire Spirit Star Lord's expression changed. He hadn't expected the Fire Demon Lord to be so fast!

He quickly dodged to the side, waving his right hand. A golden flame flew out from his hand, blasting towards the Fire Demon Lord.

**BANG!!!**

The golden flames of and the dark red flames collided with each other, emitting a resounding, earth-shattering roar. A

terrifying energy surge, centered on the two men, spread out in all directions.

Crack! Crack!

The surrounding mountains began to crumble under this terrifying energy surge, and the earth split open into bottomless chasms.

The clouds in the sky were shaken apart, revealing a hideous dark red vortex.

David and the others felt their world spinning, and they quickly channeled their spiritual power to resist the terrifying shockwave.

However, even more shocking was the fate of the surrounding demon cultivators and demon souls. A sharp scream echoed as the demon cultivators and demon souls that had been surrounding the valley were instantly vaporized by the terrifying energy surge! Not even a trace remained!

"Not good!" David's face changed. He realized that if the two ancient powerhouses were allowed to continue fighting, not only would they be affected, but the entire Sixth Heaven could be destroyed! "Everyone, hide in the Dragon Pattern Bell!" David shouted, simultaneously pulling it out from his storage ring. A clear chime echoed, and the Dragon Pattern Bell instantly grew larger, emitting a golden glow that enveloped David and the others. Protected by the Dragon Pattern Bell, David and the others felt the pressure on them suddenly ease. But they could sense that the battle outside was intensifying. Boom! Boom! Boom! Boom! Loud noises echoed continuously, and the entire valley trembled violently.

The scene outside grew even more terrifying. Mountains collapsed, the earth cracked, and the dark red vortex in the sky grew even more ferocious.

David and his companions peered through the cracks in the dragon-patterned bell and saw the Fire Spirit Star Lord and the Fire Demon Lord engaged in a fierce battle in mid-air. Golden

flames and dark red flames intertwined in mid-air, forming dazzling yet dangerous streaks of light.

Each collision produced a deafening roar and terrifying surge of energy.

The Fire Spirit Star Lord wielded a golden flaming sword, his swordsmanship graceful and swift.

Each strike carried devastating might. The golden flames in his hands seemed to come alive, sometimes transforming into a giant dragon, sometimes a phoenix, striking at the Fire Demon Lord.

The Fire Demon Lord was unarmed, but each move imbued him with terrifying power.

His hands, enveloped in dark red flames, transformed into claws, sometimes fists, clashing fiercely with the Fire Spirit Star Lord's flaming sword.

Clang! Clang! Clang!!!

The sound of metal clashing continued to ring out, and sparks flew everywhere.

Golden flames and dark red flames continuously intertwined and collided in the air, generating countless terrifying energy shock waves.

The surrounding space began to distort, as if it would collapse at any time.

The distant mountain was easily destroyed like tofu under this terrifying energy wave.

Ah——!!!

Another scream rang out, and a mountain not far away was instantly razed to the ground by the terrifying energy shock wave!

All the creatures on the mountain, whether they were demon cultivators or ordinary beasts, were instantly vaporized!

David and others were stunned. They had never seen such a terrifying battle scene! This was no longer a battle between humans, but a war between gods and demons!

“Too... too terrifying!”

Zi Yuan said in shock, her voice trembling.

Wu Hao’s face also turned pale: “This... is this the power of an ancient strongman? It’s simply terrifying!”
