Chapter 5465

Ling Yue gripped her staff tightly, her eyes filled with fear. "If... if we didn't have the protection of the Dragon Pattern Bell, we'd have been vaporized by this terrifying energy surge!"

Hu Mazi shook his head, his face filled with solemnity. "These two are too powerful! I'm afraid the entire Sixth Heaven won't be able to withstand it!"

Ling Xi watched the fierce battle outside, her eyes filled with worry. "This can't go on! Their fight will destroy the entire Sixth Heaven!"

Everyone fell silent. They knew Ling Xi was right, but facing such a powerful being, they were powerless.

Boom! !!!

Another loud bang echoed, as the attacks of the Fire Spirit Star Lord and the Fire Demon Lord collided again.

This time, the collision was even more terrifying than before. Golden flames and dark red flames formed a huge energy ball in the air.

Crack! Crack!

Cracks began to appear in the surrounding space, as if poised to collapse at any moment. The dark red vortex in the sky grew more ferocious,

and the black hole grew even larger.

The Fire Spirit

Star Lord's swordsmanship grew increasingly fierce, the golden flames morphing into various forms in his hands.

Sometimes it transformed into a roaring dragon, into a dancing phoenix, sometimes into a ferocious tiger descending the mountain. Each move and form contained terrifying power.

"Flame Dragon Roar!"

The Fire Spirit Star Lord roared, swung his flaming sword fiercely, and a massive golden fire dragon flew from it, roaring towards the Fire Demon Lord with devastating force.

Wherever the fire dragon passed, the air ignited, emitting a series of piercing crackling sounds. The

Fire Demon Lord's expression changed, sensing the terrifying power of the attack. But he didn't retreat; instead, a flicker of excitement flashed in his eyes.

"Well-timed!"

The Fire Demon Lord laughed wildly. "Let me show you the fruits of my labor over the years!"

With that, he formed seals with his hands, and the dark red flames surrounding him instantly surged, transforming into a gigantic flaming phoenix.

"Fire Phoenix!"

The Fire Demon Lord roared, and the huge fire phoenix let out a shrill cry and rushed towards the golden fire dragon.

Boom—!!!

The golden fire dragon and the fire phoenix collided with each other, making a loud noise that shook the earth. The terrifying energy fluctuations spread in all directions, centered on the two.

Ah—!!!

Countless screams rang out at the same time, and in the distance, dozens of mountains were instantly razed to the ground by this terrifying energy shockwave!

David and others watched with fear and trepidation. They could feel that the strength of these two ancient masters was still increasing!

"This... How is this possible?"

Wu Hao said in shock, "Their strength is still increasing?"

Ling Yue's face also turned pale: "Could it be... Could it be that they haven't used their full strength yet?"
