Chapter 5466

Hu Mazi shook his head, his face filled with solemnity. “No, they’ve already given it their all! It’s just that they’re too powerful. The longer the battle, the more their potential will be unleashed!”

David also frowned, wondering if there was any way to stop this terrifying battle.

Boom!

Another loud bang echoed, and Fire Spirit Star Lord and Fire Demon Lord were simultaneously sent flying. Both retreated dozens of steps in the air before barely stabilizing themselves.

Fire Spirit Star Lord’s face was pale, a trace of blood oozing from the corner of his mouth. Clearly, the previous collision had taken a significant toll on him.

Fire Demon Lord was in a similar state, his face also pale, and the dark red flames on his body had dimmed slightly.

“Hahaha... Fire Spirit Star Lord, I didn’t expect you to be so powerful!”

The Fire Demon Lord laughed wildly. Though his face was pale, his eyes sparkled with excitement.

The Fire Spirit Star Lord wiped the blood from the corner of his mouth and said coldly, “Fire Demon Lord, you’re not bad either! After all these years, your strength has improved considerably!”

“Same here!”

The Fire Demon Lord sneered. “But this battle has only just begun! I’ll show you who is the true Lord of Fire!”

With that, the dark red flames surrounding the Fire Demon Lord surged again, and his aura became even more terrifying.

Not to be outdone, the Fire Spirit Star Lord took a deep breath, and the golden flames around him became even more dazzling.

Boom!!!

The two charged at each other again, and the golden and dark red flames collided again in mid-air.

Clang! Clang! Clang!!! The sound of metal clashing echoed, sparks flying everywhere

.

Golden flames and dark red flames intertwined and collided in the air, generating countless terrifying energy shockwaves. The surrounding space began to distort

, as if it would collapse at any moment. The dark red vortex in the sky grew more ferocious, and the black hole grew larger. Aa

... Wu Hao's face paled. "Too... too terrifying! This isn't a mortal battle anymore; it's a war between gods and demons!" Ling Yue gripped her staff tightly, her eyes filled with fear.

"If... if they keep fighting, the entire Sixth Heaven will be destroyed!" Hu Mazi shook his head, his face solemn. "We must find a way to stop them! Otherwise, the entire Sixth Heaven will be destroyed!" Ling Xi watched the fierce battle outside, her eyes filled with worry.

"But... but we're no match for them! How can we possibly stop them?" Everyone fell silent, knowing Ling Xi was right. Facing such a powerful being, they were powerless. BANG—!!!

Another loud bang echoed, and Fire Spirit Star Lord and Fire Demon Lord were flung back again. Both retreated dozens of steps before barely stabilizing themselves.

This time, their injuries were even more severe. Fire Spirit Star Lord's face paled even more, and more blood flowed from the corner of his mouth. The situation of the Fire Lord was similar. His face was even paler, and the dark red flames on his body became dimmer.

Chapter 5467

"Hahaha... Fire Spirit Star Lord, you're done!"

Lihuo Demon Lord laughed wildly. Despite his severe injuries, his eyes gleamed with excitement.

Fire Spirit Star Lord wiped the blood from the corner of his mouth and said coldly, "Lihuo Demon Lord, you're not much stronger! Our strengths are similar, neither of us can defeat the other!"

"Really?"

Lihuo Demon Lord sneered. "That's not necessarily true! I still have a secret weapon I haven't used yet!"

With that, Lihuo Demon Lord suddenly pulled a strange black token from his storage ring.

The token was engraved with a hideous skull, its eyes burning with dark red flames.

"What... what is this?"

Fire Spirit Star Lord's face changed. He could sense the terrifying power contained within the black token.

The Fire Lord laughed wildly, "This is a treasure I obtained in the Hell of Flames! With it, my strength can instantly increase severalfold!"

He then raised the Soul-Devouring Order above his head, muttering something to himself. A strange humming

sound

echoed, and the Soul-Devouring Order instantly erupted with a terrifying dark red light.

Within the light, countless shrill screams echoed, as if countless wronged souls were struggling within.

Even more shocking, the dark red vortex and black hole in the sky began to converge towards the Soul-Devouring Order!

Countless black demonic energy surged from the vortex and black hole, pouring into the Soul-Devouring Order.

The dark red flames surrounding the Fire Lord instantly surged, and his aura became even more terrifying.

His strength had actually increased instantly!

“What?”

The Fire Spirit Star Lord’s face changed drastically. He could sense that the Fire Lord’s strength had surpassed his own in an instant!

“Hahaha... Fire Spirit Star Lord, now you know how powerful I am!”

the Fire Demon Lord laughed wildly. “Prepare for death!”

With that, the Fire Demon Lord flashed and instantly rushed towards the Fire Spirit Star Lord. His speed was several times faster than before, and he was in front of the Fire Spirit Star Lord in an instant.

The Fire Spirit Star Lord’s face changed drastically. He tried to dodge, but it was too late.

BANG!!!

The Fire Demon Lord’s fist slammed into the Fire Spirit Star Lord’s chest, sending him flying.

Puff!!!!

The Fire Spirit Star Lord spit out a mouthful of blood in the air, his body flying backwards like a kite with its string cut, and fell heavily to the ground.

“Fire Spirit Star Lord!”

David and the others exclaimed in shock. They had not expected the Fire Spirit Star Lord to be defeated so miserably.

The Fire Lord slowly descended to the ground. Looking at the collapsed Fire Spirit Star Lord, a wicked smile curled his lips. “Fire Spirit Star Lord, is it time for you to hand over the jade bottle now?”

Fire Spirit Star Lord struggled to his feet, but his internal injuries were too severe, rendering him unable to move.

“You... you can’t even think about it!”

Fire Spirit Star Lord gritted his teeth.

The Fire Lord sneered, “Since you won’t hand it over, I’ll have to do it myself!”

With that, the Fire Lord flashed and instantly appeared before Fire Spirit Star Lord. He

extended his right hand and grabbed the jade bottle from Fire Spirit Star Lord's hand.

Fire Spirit Star Lord tried to resist, but his body was unable to move. With a soft sound, the jade bottle was snatched away by the Fire Lord. "Hahaha..."

"I finally got it!" The Fire Lord laughed wildly, holding the jade bottle, his eyes gleaming with excitement. The Fire Spirit Lord lay on the ground, his eyes filled with resentment and anger.

"Fire Lord, you... you will regret this!" "Regret?" The Fire Lord said disdainfully. "I've never known what regret is!" With that, the Fire Lord opened the lid of the jade bottle. Buzz! !!! An eerie humming sounded, and a terrifying black light instantly erupted from the jade bottle.

Chapter 5468

Amidst the light, countless shrill screams echoed as Soul Devourer's figure slowly emerged from the jade bottle.

However, Soul Devourer was no longer the solid form he had been before, having transformed back into a black demonic spirit.

"Hahahaha... I'm finally out!"

Soul Devourer's voice was filled with excitement and frenzy.

The Fire Lord looked at the Soul Devourer with a wicked smile. "Long time no see."

Soul Devourer looked back at the Fire Lord, a flicker of surprise in his eyes. "... Fire Lord? Why are you here?"

The Fire Lord laughed wildly, "Of course I came to save you! If I hadn't been sealed in the Flame Prison, you wouldn't have ended up like this!"

Soul Devourer said, moved. "Thank you, Demon Lord, for saving me! Your kindness is beyond words. I'm willing to go through fire and water for you!"

The Fire Lord nodded in satisfaction. "Alright! Your words are enough. Then we'll rule the Nine Heavens together!"

Soul Devourer said excitedly. "Alright! Let's join forces and make the entire Nine Heavens tremble at our feet!"

The two smiled at each other, their eyes gleaming with greed and cruelty.

BOOM! !!!

At that moment, a loud bang echoed, and the Fire Spirit Lord suddenly rose from the ground.

A terrifying golden flame erupted from his body, and his aura became even more terrifying.

“Fire Spirit Star Lord?” Lihuo Demon Lord’s face changed. He hadn’t expected the Fire Spirit Star Lord to be able to stand.

Fire Spirit Star Lord’s eyes burned with rage as he glared at the Fire Spirit Star Lord and Soul Devourer. “Fire Spirit Star Lord, you dared to release Soul Devourer? You’re courting death!”

Lihuo Demon Lord laughed wildly. “Courting death? Fire Spirit Star Lord, you’re no match for me now! If you know what’s good for you, get out of here! Otherwise, don’t blame me for being rude!”

Fire Spirit Star Lord said coldly, “You want me to get out? Only if I die!”

With that, Fire Spirit Star Lord took a deep breath, formed seals with his hands, and muttered something.

A solemn humming sound echoed, and the golden flames surrounding the Fire Spirit Star Lord instantly surged, his aura rising continuously.

Even more astonishing, countless golden rays of light suddenly appeared in the sky! These rays, like sunlight, streamed down from the sky and poured into the Fire Spirit Star Lord’s body.

“This... This is...” The Fire Demon Lord’s face changed, as he could sense the sacred and powerful power contained in these golden rays. The Fire Spirit Star Lord’s voice became solemn and sacred:

“Fire Demon Lord, today I will let you witness the true power of fire!” With this, an even more terrifying golden flame erupted from the Fire Spirit Star Lord.

These flames were no longer the warm gold of before, but a sacred and majestic golden color! His strength had suddenly reached a new level! “What?”

The Fire Demon Lord’s face changed drastically, as he could sense that the Fire Spirit Star Lord’s strength had instantly surpassed his own! “Impossible!” the Fire Lord cried frantically.

“How could you possibly possess such immense power?” The Fire Spirit Star Lord replied coldly, “This is the true essence of fire that I grasped many years ago! This flame contains the purest power in the universe, and it is the nemesis of you, the demons and heretics!”

With that, the Fire Spirit Star Lord flashed and instantly charged at the Fire Lord. BANG! ! ! With a resounding bang, the Fire Spirit Star Lord struck the Fire Lord in the chest.

The Fire Lord was instantly sent flying, a mouthful of blood gushing from his mouth. Puff! ! ! The Fire Lord fell heavily to the ground, his face as pale as paper. He hadn’t expected the Fire Spirit Star Lord to hold such a powerful trump card!

Chapter 5469

Upon seeing this, the Soul Devourer’s expression drastically changed. “Demon Lord!”

The Fire Lord slowly rose to his feet, his eyes filled with rage.

“You’ve completely enraged me...”The

Fire Lord’s body erupted in a blazing black flame, its four cores igniting.

Seeing this, the Fire Spirit Lord, unleashing all his might, showed no sign of weakness.

For a moment, the void began to warp, and the entire space was engulfed in turbulence.

Now, both men unleashed their most powerful attacks. After this single blow, the entire Sixth Heaven would likely cease to exist.

David and the others were also terrified. If the Sixth Heaven was destroyed, then even with the protection of the Dragon Pattern Bell, they wouldn’t survive.

Boom!!!

At this critical moment, a dazzling golden flame suddenly shot down from the Nine Heavens!

This flame was unlike any known flame. It held a supreme majesty, as if the very ancestor of flame had descended upon the earth!

Golden flames instantly erupted in mid-air, transforming into a gigantic flaming phoenix, emitting a cry that shook the heavens and earth!

“Buzz!”

The instant the phoenix’s cry rang out, the black flames of the Fire Demon Lord and the sacred golden flames of the Fire Spirit Star Lord were simultaneously suppressed!

Those once raging flames, like subjects encountering a sovereign before the golden fire phoenix, instantly became docile, then suddenly extinguished!

“What?”

The Fire Demon Lord and the Fire Spirit Star Lord were both horrified, their faces filled with disbelief.

They could sense the power contained within this golden flame far beyond their comprehension!

This was no mere force of fire, but a supreme power that controlled the very essence of fire!

“This... This is impossible!”

The Fire Demon Lord cried out, his eyes filled with shock and fear.

He had cultivated fire for years and believed his understanding of it had reached its pinnacle, but the golden flame before him made him feel an unprecedented sense of powerlessness.

The Fire Spirit Star Lord’s expression also changed drastically. The true meaning of fire he had just grasped seemed so insignificant before this golden flame!

“Who is it?”

The Fire Spirit Star Lord shouted in a deep voice, his eyes scanning the surroundings warily.

At this moment, an old and majestic voice echoed from the sky:

“Hehe... You two little bas***s playing with fire, dare you call yourself the Lord of Fire in front of me?”

Although the voice was old, it contained an unquestionable majesty, as if the heavens and the earth trembled at its words.

“Who are you?!” The Fire Demon Lord shouted fiercely, fear in his heart, but he forced himself to remain calm.

The voice echoed again, tinged with disdain and mockery:

“You little scoundrels, you don’t deserve to know my name! With your meager skills, you dare claim to control fire? How ridiculous!”

“When I was playing with fire, you didn’t even know where you were drinking milk!”

“Playing with fire? With your limited abilities, you’re not worthy?”

Every word was like a hammer, hammering down on the hearts of the Fire Demon Lord and the Fire Spirit Star Lord.

They could sense that the voice belonged to a vengeful old monster who had lived for countless years!

Moreover, their control over fire had reached a state of unparalleled mastery!

“You... what exactly do you want?”

the Fire Spirit Star Lord asked gravely. He could sense no hostility from the other party, but the sheer disparity in power left him feeling incredibly oppressed.

The voice chuckled,

“Nothing. I was just passing by and heard someone boasting about their unrivaled fire. I couldn’t help but come out to teach you ignorant little brats a lesson.”

Chapter 5470

“Remember, there are always mountains beyond your reach! Don’t assume you’re invincible just because you’ve mastered the basics!”

“The true way of fire is far more profound than you imagine!”

With that, the golden fire phoenix let out a cry, transformed into a stream of light, and vanished into the sky. Left Fire

Demon Lord and Fire Spirit Star Lord stared at each other, faces filled with shock and shame.

“Who... who is this?”

Li Fire Demon Lord muttered to himself, his eyes filled with fear.

He could sense that if the owner of that voice just now wanted to kill him, it would be easy!

Fire Spirit Star Lord's expression was also solemn. He took a deep breath and said in a deep voice,

"I don't know, but one thing is certain: this senior is definitely an old monster who has lived for countless years! His control over fire has reached a level we cannot even imagine!"

A trace of fear flashed in Fire Demon Lord's eyes. He glanced at Soul Devourer beside him, then at Fire Spirit Star Lord in the distance, and suddenly made a decision.

"Soul Devourer, let's go!" Fire Demon Lord said solemnly.

Soul Devourer was stunned. "Demon Lord, are we just leaving like this?"

Fire Demon Lord said coldly, "Why are you staying here if you're not leaving? Didn't you hear what that senior just said? We're just two pieces of trash in front of him!"

"If we stay here, what if that senior changes his mind and wants to deal with us? We won't even stand a chance!"

With that, Fire Demon Lord, without hesitation, turned and left with Soul Devourer.

They transformed into two streams of light and instantly disappeared into the sky.

Fire Spirit Star Lord watched the Fire Demon Lord and Soul Devourer flee in their direction but did not pursue them.

He knew that with his current strength, it was impossible to stop them.

Furthermore, the appearance of the mysterious and powerful figure had made him realize his own insignificance.

He needed time to digest his recent insights and reexamine his understanding of the Way of Fire.

Fire Spirit Star Lord took a deep breath, his eyes filled with fatigue.

David's brows were furrowed at this moment. He actually had a sense of déjà vu when he saw the flame just now.

Suddenly, David's body shook, and he remembered that it was the ultimate fire of the Flame Demon.

Thinking of the Flame Demon, David instantly put away the Dragon Pattern Bell and jumped up. He wanted to chase after him to see who this mysterious man was.

However, there was no trace of him in the sky.

However, there were three remaining auras.

Sensing the three auras, David's body shook even more violently.

Because he found that among these three auras, there were the auras of Sonya and Ning Zhi.

"Yuqi, Yuqi..."

David roared loudly, his voice full of helplessness.

Everyone didn't know what was wrong with David, so they gathered around him.

Only Hu Mazi, hearing David call out Sonya's name, was startled. "David, have you seen Yuqi?"

David shook his head. "I sensed her presence..."

"Do you know the owner of that flame?" Fire Spirit Star Lord asked, looking at David in shock.

David nodded. "If my guess is correct, that flame must be the Flame Demon's Ultimate Fire."

"Flame Demon?" Fire Spirit Star Lord frowned, the name sounding familiar.

"I've told you before that the Demonic Ultimate Fire in me is from this Flame Demon,"

David explained.

Fire Spirit Star Lord shuddered slightly at this, remembering how he had once mocked the Flame Demon's Ultimate Fire, calling it trash and claiming that only the Lihuo Demon Lord's Demonic Ultimate Fire was powerful.

Now, it seemed, this Flame Demon's Ultimate Fire was far more powerful than theirs.

Thinking of this, Fire Spirit Star Lord swallowed hard. Fortunately, the Flame Demon wasn't around when he boasted; otherwise, he would have been dead long ago.
