Chapter 5471

“Fire Spirit Star Lord, are you alright?”

Lingxi noticed his expression and asked with concern.

He shook his head, his face solemn. “I’m fine, just a little exhausted.”

He paused, then continued, “However, the Fire Demon Lord has escaped with the Soul Devourer and must have returned to the Ninth Heaven. I’m afraid the Ninth Heaven will never be at peace again.”

Everyone’s faces grew even more solemn upon hearing this.

They couldn’t imagine that if these two controlled the Ninth Heaven, they would surely seek revenge.

“Then... what should we do now?” Ziyuan asked worriedly.

The Fire Spirit Star Lord took a deep breath and said, “The most important thing now is to recover our strength as quickly as possible. I’ll also contact those old friends from before to see if they can help!”

“Don’t venture into the Ninth Heaven without absolute strength...”

Everyone nodded. With their current strength, no one except Lingxi could reach the Ninth Heaven.

“Alright, I’ll have to return as soon as possible. I’m afraid it will take at least ten or eight years to recover from this battle...”

The Fire Spirit Star Lord finished speaking, then instantly transformed into a streak of flame and vanished!

“Let’s go too...”

Lingxi said!

Everyone nodded and followed Lingxi into the distance.

As soon as they emerged from the valley, they were stunned by the scene before them.

A thousand miles around them had been reduced to a dead, silent ruin.

The earth had cracked into bottomless chasms, mountains had collapsed, rivers had dried up, and the air was filled with a burning smell.

Even more shocking was the faint lingering glow of dark red and gold in the sky!

These rays, like colorful ribbons, slowly drifted across the sky.

“Is this... is this the power of a battle between ancient powerhouses?” Wu Hao exclaimed in shock, his voice trembling.

Ling Yue’s face paled. “Too... too terrifying! The aftermath alone is enough to destroy everything!”

Hu Mazi shook his head, his face filled with solemnity. “If... if we hadn’t had the protection of the Dragon Pattern Bell, we would have been vaporized by this terrifying energy surge!”

Zi Yuan gazed at the ruins before her, her eyes filled with fear. “This... this is pure hell!”

Ling Xi, observing the scene before her, her eyes filled with worry. “If... if more demon lords truly descended upon the Sixth Heaven, the entire Sixth Heaven would be reduced to this!”

Everyone returned to the Divine Capital. Although the Divine Capital was also in ruins after the battle, it was still in much better condition than other places.

This time, most of the Divine Kingdom cultivators had perished, and they needed to rest and recuperate.

“I’m also returning to the Eighth Heaven. The changes in the Ninth Heaven will undoubtedly affect the Divine King Palace,”

Ling Xi declared upon returning to the Divine Capital.

“Fourth Palace Master, thank you for your help. My Divine Kingdom will never forget it!”

Wu Hao said to Ling Xi!

Ling Xi said nothing, but looked at David with a serious expression, “You must be careful in the future. The Third Palace Master is determined to deal with you. And the

treasures on you, don't show them to others casually in the future, otherwise it will easily lead to fatal disaster."

"Thank you for the reminder, Fourth Palace Master..." David nodded!

"And the Evil Dao Hall, they..."

Ling Xi had just started to speak when David was suddenly startled and asked, "Has anyone seen the Evil Dao Hall elder Xue Wuying?"

Everyone shook their heads. In the chaos just now, no one had noticed.

David frowned, knowing that if Xue Wuying escaped, he would be in even greater danger. After all, this guy knew that he had many treasures on him.

"In the future, you should avoid provoking evil organizations like the Evil Path Palace. The Evil Path Palace has influence everywhere, and now they have extended their tentacles to our temple."

"Even the God King is worried about this matter. With your current strength, you are no match for the Evil Path Palace."

Ling Xi warned David.

Chapter 5472

David remained silent. After all, the Evil Dao Palace was linked to Hu Mazi's clan. If they didn't provoke them, what would become of Hu Mazi's souls?

Seeing David's silence, Ling Xi stopped trying to persuade him. Instead, she waved, opening a void passageway and led the golden-armored guards through.

Soon, the void passageway closed, and Ling Xi and the others departed.

David remained in the Sixth Heaven, helping Wu Hao rebuild the Divine Capital and cultivating in the Demon Suppression Tower.

He sensed the enemy's growing strength, and his strength was truly insufficient.

While in the Sixth Heaven, Ling Yue, accompanied by disciples from the Medicine King Sect, would periodically seek out David to fuse their bloodlines.

Zi Yuan also offered herself to David, truly becoming his woman.

Taoist Wuji, observing David's constant play with women, was helpless; after all, it was all for his cultivation.

Time flies, the years pass by like a shuttle.

Three full months have passed since that earth-shattering battle.

David stood in the Demon Suppression Tower, his eyes closed, surrounded by the rich spiritual energy of heaven and earth. After three months of arduous training

, his strength had already made a qualitative leap.

"Boom!"

A soft, muffled sound emanated from David's body, and his aura instantly surged. As if drawn by an invisible force, the surrounding spiritual energy gushed madly into his body. "Fifth level of the Earthly Immortal Realm!" David slowly opened his eyes, a glint of insight in his eyes. For the past three months, he had cultivated almost daily in the Demon Suppression Tower.

Three months in the Demon Suppression Tower is equivalent to decades. If the resources within the Demon Suppression Tower hadn't been exhausted, David would have cultivated for a while longer. After all, his current strength wasn't enough to reach the Ninth Heaven. Even surviving the Eighth Heaven would have been difficult.

"The fusion of the Supreme Fire is becoming increasingly pure!" David extended his right hand, a ball of black and white flame slowly burning in his palm.

The flames seemed gentle, yet they held the power to annihilate the heavens and earth. At this moment, a familiar voice suddenly echoed in David's mind. "Boy, you've finally broken through to the fifth level of the Earthly Immortal Realm. Not bad, not bad."

"Senior? You're awake?" David exclaimed in surprise.

For the past three months, the Scarlet Cloud Demon Lord had been in a deep sleep, and David had assumed he'd met with some kind of accident. "Well, after resting for so long, it's time to wake up." Scarlet Cloud Demon Lord's voice was tinged with fatigue.

"But, you must be careful, young man."

Although your strength has increased significantly, it's still far from enough to deal with those truly powerful ones." "I know." David nodded. "The Fire Demon Lord and the Soul Devouring Lord have escaped, and Xue Wuying of the Evil Path Hall is also missing."

These people are my biggest concerns.” “It’s not just them.” Scarlet Cloud Demon Lord’s voice grew serious. “Your Demon Suppression Tower is already the envy of many powerful ones. Now that it’s exposed, the road ahead will be difficult.” “I know.”

A glint of determination flashed in David’s eyes. “But I will not give up. One day, I will surpass all the powerful and become the true master!” David said, and walked out of the Demon Suppression Tower. Meanwhile, the reconstruction of the Divine Capital was proceeding in an orderly manner.

Wu Hao stood on the Divine Capital’s city wall, gazing at the bustling scene before him, feeling a surge of emotion. The great battle three months ago had nearly razed the Divine Capital to the ground. Countless buildings collapsed, and countless people were displaced.

However, thanks to the efforts of Wu Hao and other cultivators, the Divine Capital is gradually regaining its former glory. “Lord, the eastern city wall has been repaired.”

A cultivator said respectfully. “Excellent.” Wu Hao nodded. “Tell everyone to ensure quality and not make any mistakes.” “Yes!” Wu Hao’s eyes swept across the entire Divine Capital, his eyes full of relief.

Chapter 5473

After three months of hard work, the Divine Capital had recovered to about 70% of its original state.

The streets were bustling again, and the people were gradually returning to their normal lives.

However, Wu Hao harbored a lingering worry.

The Fire Demon Lord and the Soul Devourer had escaped, and these two would definitely not give up.

Once they regained their strength, they would surely return.

Then, the Divine Capital would likely face another catastrophe.

“Lord, what are you thinking about?” a familiar voice called out.

Wu Hao turned and saw Ling Yue standing behind him, holding a report.

“Nothing,” Wu Hao smiled. “Just thinking about something. By the way, how’s the Medicine King Sect doing?”

“Everything is fine,” Ling Yue nodded. “After three months of blood fusion, the strength of all the Medicine King Sect disciples has greatly increased. Furthermore, we’ve trained a new group of disciples, waiting for Mr. Chen to fuse them. I believe it won’t be long before these new disciples’ strength will also increase significantly.”

Wu Hao was at a loss for words after hearing Ling Yue’s words. He now completely regarded David as a stud. If it weren’t for David’s strength in this area, the over 300 female disciples of the Medicine King Sect would have drained him dry long ago.

Ling Yue and Zi Yuan, in particular, were secretly competing with each other. As David’s blood fusion took longer and longer, they gritted their teeth, trying to surpass the other. This took a toll on David, keeping him busy all day.

At that moment, David emerged from the Zhongzhen Demon Tower.

Seeing David, Ling Yue was overjoyed and hurried over. “Mr. Chen, I’ve recruited some new disciples. They’re all stunningly beautiful, and all of them are well-bred. I hope...”

“Let me rest. I can’t handle it anymore...”

David waved his hands repeatedly, refusing before Ling Yue could finish.

Ling Yue was about to say something, but Wu Hao spoke up, “Sect Master Ling, you should let David rest. He’s lost weight.”

“That’s right. David is alone, and you have hundreds of people ordering him around. How could he not lose weight...”

Zi Yuan hurried over, looking at David with concern.

“Officer Zi Yuan, you’ve been pestering Mr. Chen for three days and three nights without letting go. Aren’t you afraid he’ll get tired?”

Ling Yue said coldly!

“What about you? Didn’t you also pester him for three days and three nights?” Zi Yuan demanded! Soon

, Ling Yue and Zi Yuan began arguing over David.

Speechless for a moment, David winked at Wu Hao and quickly left.

He had planned to meet Hu Mazi to discuss the search for the Evil Dao Temple.

But when David followed Wu Hao to Hu Mazi's residence, he found him gone.

Only a letter had been left in Hu Mazi's room.

It read:

"David, by the time you read this, I will have already left the Sixth Heaven and am traveling to the Seventh Heaven to search for clues to my clan's souls.

I know the Evil Dao Temple is formidable, so I don't want you to risk it with me. Your current strength isn't strong enough; you need to continue your cultivation.

When you gain sufficient strength, we'll go together to settle accounts with the Evil Dao Temple. Remember, protect yourself and don't trust anyone easily."

After reading the letter, David felt a mixture of emotions.

He knew Hu Mazi was doing this for his own good, but he was also worried about his safety.

"Master Hu, you...!" David couldn't help but curse.

"Do you think I'll be grateful for doing this? Do you know how worried I am about you?"

Although he said this, David's heart was filled with emotion.

Hu Mazi was one of his few friends in this world. From the secular world to the secret realm, to the celestial realm, and now to the heavenly realm, Hu Mazi had helped David a lot.

He absolutely couldn't let Hu Mazi get hurt.

After some thought, David made a decision: to go to the seventh heaven to find Hu Mazi.

Chapter 5474

He knew the dangers of the Seventh Heaven far exceeded those of the Sixth, but he had no choice.

Hu Mazi was his friend, and he couldn't just stand by and watch him take risks.

“Senior, do you think I should go to the Seventh Heaven?” David asked the Scarlet Cloud Demon Lord.

“It’s up to you,” the Scarlet Cloud Demon Lord’s voice echoed. “But you have to think clearly. The dangers of the Seventh Heaven are far greater than those of the Sixth Heaven.

With your current strength, you should be able to survive in the Seventh Heaven.”

“I understand.” David nodded.

He was currently a fifth-grade Earth Immortal Realm cultivator. Although he hadn’t yet experienced actual combat, he should have no problem dealing with a third-grade Human Immortal Realm cultivator.

The highest level of a Seventh Heaven cultivator was estimated to be no higher than a fifth-grade Human Immortal Realm cultivator. As long as he didn’t encounter a pervert like that, he shouldn’t have much of a problem.

If he reached the Eighth Heaven, with Lingxi’s help, David would be able to make it. There was no need to be afraid!

“David, are you going to the Seventh Heaven?” Wu Hao asked.

“Yes, I can’t watch Master Hu take such a risk on his own.” David nodded.

“Since you’ve made up your mind, I won’t stop you.” Wu Hao said solemnly, “But you must be careful. The Seventh Heaven is a dangerous place. You must not be careless.”

“I will.” David nodded.

A golden light flashed from David’s palm, and a void passage leading to the Seventh Heaven opened.

David’s current strength could easily tear through the void passage leading to the Seventh Heaven.

Following Wu Hao’s wave, David entered the void passage.

He didn’t say goodbye to Lingyue and Ziyuan, because he knew the two women wouldn’t let him go easily.

They might even squeeze him before leaving.

He was almost drained dry.

In the void passage, David remained calm and composed. With his current strength, there was no danger at all in this void passage leading to the Seventh Heaven.

The moment David stepped into the void passage, the surrounding space began to distort.

With his current strength at the fifth level of the Earthly Immortal Realm

, he had thought he could easily cross to the seventh heaven. However, he underestimated the dangers of the void passage.

Right in the center of the passage, a terrifying turbulent flow of energy erupted without warning!

“Not good!” David’s face drastically changed, and he quickly channeled all his magic power to resist.

The turbulent flow of energy was like a raging tsunami, containing a terrifying force that could tear everything apart.

Even David, a fifth-level Earthly Immortal, seemed insignificant before this mighty force of heaven and earth.

“Puff—”

A mouthful of blood spurted from David’s mouth, and he felt as if his internal organs were shifting.

The Dragon Pattern Bell automatically flew out, emitting a brilliant golden light to protect its owner. However, before the turbulent flow of energy, even the Demon Suppression Tower began to tremble violently, as if it would be torn apart at any moment.

“Boy, hold on tight! This is a rare void storm!”

The voice of the Scarlet Cloud Demon Lord echoed in David’s mind, his tone filled with unprecedented solemnity.

David gritted his teeth and tried his best to maintain consciousness.

He felt like a small boat in a violent storm, completely out of control, being swept by the turbulent currents of the void in an unknown direction.

Time and space lost their meaning at this moment. David didn’t know how long he had been swept up, nor where he was swept to.

After an unknown amount of time, when David regained consciousness again, he found himself lying on a desolate piece of land.

“Where... is this?”

David looked around in confusion.

He immediately used his spiritual sense to explore the surrounding environment, but discovered a fact that shocked him.

This world does not have the slightest fairy energy, only spiritual energy!

“How is this possible?” David’s heart was filled with shock, “Isn’t this the heaven?”

“Have I returned to the world of the gods?”

Chapter 5475

But he quickly rejected this idea.

The scene before him was completely different from the world of heaven and man in his memory.

He stood up and found himself in a huge canyon.

The cliffs on both sides of the canyon were covered with dense mines.

And at the bottom of the canyon, countless figures were busy.

When David saw those figures clearly, his pupils suddenly contracted!

There were countless human monks and beast monks, wearing tattered clothes, with scars all over their bodies. Some monks even had no complete limbs.

They were holding simple chisels and hammers in their hands, desperately mining the hard rocks.

The sun was scorching and the temperature was astonishingly high, but these monks had no time to rest.

Exhaustion and despair were written all over their faces. Sweat mixed with blood dripped down their faces, dripping onto the scorching rocks and evaporating instantly.

“Hurry! Hurry!”

A demon cultivator in black armor wielded a whip and lashed out at an elderly human cultivator.

The old man let out a shrill cry and fell to the ground.

He didn't dare pause, struggling to get up and continuing to mine spirit stones.

“You old bas***, you dare to be lazy!” The demon cultivator snorted and lashed out again.

A deep bloody mark instantly appeared on the old man's back, soaking his tattered clothes with blood.

But he didn't dare to resist, only silently enduring it all.

Not far away, a young beast cultivator, exhausted, slowed down his mining.

Seeing this, a demon cultivator rushed over and kicked him to the ground.

“Waste! If you can't even mine this little ore, what's the point of keeping you!”

the demon monk said viciously, raising his mace to strike down.

“No! Please don't kill him!”

A human woman threw herself on the beast monk, protecting him with her body.

“Hmph, since you're so determined to protect him, then die together!” the demon cultivator said with a sinister grin.

Seeing this, David's heart surged with nameless fury.

He hadn't imagined such barbaric and cruel slavery existed in this world!

These demon cultivators were simply ruthless!

“These beasts!”

A cold, murderous glint flashed in David's eyes.

Just then, he noticed a row of massive buildings at the end of the canyon.

These structures, hundreds of feet tall, resembled alchemy furnaces, but were vastly larger than any he had ever seen.

Even more astonishing, these enormous furnaces were operating, emitting a blazing heat. Countless

spirit stones were continuously fed into the furnaces, and after refining, they were transformed into extremely pure immortal stones!

“What?”

David exclaimed in shock. “They’re actually refining spirit stones into immortal stones?”

He finally understood!

Although this world only possessed spiritual energy, not immortal energy, the demon cultivators here had mastered the technique to refine spirit stones into immortal stones!

“Where exactly is this place?”

David was filled with confusion. “How could the chaotic flow of the void have brought me to such a strange world?”

At that moment, the demon cultivator, holding a mace, advanced on the pair of human women and the beast cultivators.

“Prepare to die!”

the demon cultivator sneered, raising his mace to strike.

“Stop!”

A cold shout suddenly rang out, echoing through the canyon like thunder.

Everyone stopped what they were doing and looked toward the source of the sound.

A young man in a white robe had appeared in the canyon at some point, gazing coldly at the demon cultivators.
