Chapter 5481

David thought about it and felt it made sense.

Although in the Celestial Realm, David's strength was always suppressed, here, he was the master, the king of heaven.

You can call yourself whatever awesome name you want.

"So where is Immortal Yun Miao now?" David asked.

"I don't know."

Mo Xuanzi shook his head. "He only occasionally appears in our Moshi Sect, and each time he does, he takes away a large amount of immortal stones. His last appearance was a month ago."

David pondered for a moment. It seemed that Immortal Yun Miao must have some hidden secret.

"So how do you refine spirit stones into immortal stones?" David continued.

"This is a secret method taught to us by Immortal Yun Miao. It requires specific formations and equipment," said Mo Xuanzi.

"Take me to see it," David said.

Mo Xuanzi hesitated for a moment, then finally nodded. "Okay, I'll take you there."

With that, he led David toward the massive buildings at the end of the canyon.

When David saw the massive furnaces, a flicker of surprise crossed his eyes.

"Is this the equipment you use to refine spirit stones into immortal stones?" David asked.

"Yes,"

Mo Xuanzi nodded. "These furnaces were personally crafted by Immortal Venerable Yun Miao. They're called 'Spiritual Transformation Alchemy Furnaces,' and are specifically designed to refine spirit stones into immortal stones."

David approached a furnace and examined it closely.

He found it truly unique, engraved with intricate runes and emitting a faint celestial aura.

"It seems this Immortal Venerable Yun Miao is quite capable," David thought to himself.

Just then, Mo Xuanzi suddenly attacked, a beam of black demonic light shooting towards David's back!

"Be careful!" Li Qingshan shouted.

However, David remained motionless in the face of Mo Xuanzi's sneak attack.

When the black magic light was about to hit David, it was suddenly blocked by an invisible barrier.

"What?" Mo Xuanzi's face paled. He hadn't expected his sneak attack to be blocked!

"Do you think your little trick can hurt me?" David sneered. "You're too naive."

He turned, a cold murderous intent flashing in his eyes.

"Since you're not honest, I'll have to resort to force."

David waved his hand, and a powerful force surged towards Mo Xuanzi.

Mo Xuanzi's face paled, and he quickly used his magic to resist.

However, his resistance seemed futile in the face of David.

With a loud bang, Mo Xuanzi was struck by the powerful force, flying backward like a kite with a broken string, falling heavily to the ground, spitting blood.

David refrained from killing him because he had questions for him.

"Grand Elder!" the disciples of the law enforcement team exclaimed.

"Come on, all of you," David said coldly. "It saves me having to fight them one by one."

The disciples of the law enforcement team exchanged glances, then rushed towards David.

However, they were far too weak for David.

With a casual wave of his hand, the charging disciples vanished in a puff of smoke, as if these elite law enforcement disciples had never appeared.

Mo Xuanzi, stunned by this scene, paled to the ground. He knew he had faced an unprecedentedly powerful foe.

“Now, can you tell me more about Immortal Master Yun Miao?” David said coldly to Mo Xuanzi.

“I... I’ve told you everything I know,”

Mo Xuanzi trembled. “Immortal Master Yun Miao’s power is unfathomable. We dare not inquire about him.”

“Since you truly don’t know, there’s no point in living,”

David said, turning and walking away.

A powerful aura emanated from his body, and Mo Xuanzi bled to death under the pressure.

Chapter 5482

Li Qingshan and the others were shocked upon seeing this, and then hurriedly followed David towards the Demon Stone Sect.

Meanwhile, Mo Tianxiong was in the main hall, feeling uneasy and his eyelids twitching, sensing something was about to happen.

“Come here, activate the sect’s restrictions to prevent anyone from breaking in...”

Cautiously, Mo Tianxiong ordered the restrictions to be lifted.

These restrictions had been personally set by the Immortal Venerable Yun Miao, so no one could break them.

But just as the restrictions were being activated, David, Li Qingshan, and the others arrived.

Mo Tianxiong frowned at Li Qingshan and said, "Li Qingshan, why are you here when you're not working in the quarry? Are you looking for death?"

Then, Mo Tianxiong turned his gaze to David, for David was the only one he didn't recognize.

Moreover, he had no way of detecting David's realm strength.

Upon hearing Mo Tianxiong's words, Li Qingshan was immediately enraged. He pointed at Mo Tianxiong's nose and cursed loudly: "Mo Tianxiong, you beast! You have enslaved us human and beast cultivators for a hundred years, causing us torture and suffering! Today, someone is finally here to deal with you!"

Mo Tianxiong's face darkened: "Li Qingshan, you are so bold! How dare you talk to me like that! It seems that you haven't suffered enough over the years!"

"Suffering? Haven't we suffered enough?"

Li Qingshan said excitedly, "A hundred years ago, our human and beast races shed blood under your butcher knife!

For a hundred years, our compatriots were tortured in the quarry, some died, some were maimed! Do you think we will let you slaughter us like before?"

Mo Tianxiong sneered: "Let you slaughter us? Just because you are useless? If it weren't for the fact that you still have some value, I would have killed you all long ago!"

"You... You devil!" Li Qingshan was so angry that he was shaking all over.

At this time, Li Qingshan turned around and said to everyone present: "Listen everyone! This is David'enren, an immortal from heaven! He has come specifically to punish these evil demon cultivators and save us from suffering!"

Upon hearing Li Qingshan's words, the demon cultivators present were stunned, and then burst into laughter.

"Hahaha! A celestial immortal? Just him?" Mo Tianxiong pointed at David and said disdainfully, "Li Qingshan, have you been tortured silly? Just a young boy like this dares to call himself a celestial immortal?"

The other demon cultivators also followed suit and sneered:

"That's right! Judging from his young age, he probably hasn't even reached the immortal realm!"

"Li Qingshan, where did you find this actor? Are you trying to scare us?"

“That’s really funny! Would a celestial immortal come to our little world?”

Mo Tianxiong walked up to David, looked him up and down, his eyes full of disdain: “Boy, I don’t care who you are or where you come from, if you dare to break into our Demon Stone Sect, you will die!”

David smiled faintly: “Dead end? Just a bunch of trash like you?”

“You...”

Mo Tianxiong was furious at David’s words. “Boy, do you know where this is?

This is the headquarters of our Demon Stone Sect! We have restrictions set up by Immortal Yun Miao himself. Even if a true celestial being comes, don’t even think of breaking in easily!”

Mo Tianxiong paused and continued, “Besides, I have activated the highest level of defensive restrictions. You can’t leave now even if you want to!”

David looked around and indeed felt a powerful restriction.

However, this power seemed like child’s play to him.

“Restriction?” David sneered, “In my eyes, any restriction is just for show!”

“Hahaha! How shameless!”

Chapter 5483

Mo Tianxiong laughed heartily, “Boy, I don’t think you know how to spell the word ‘death’! Do you know who set up this restriction?

It was set up by Immortal Yunmiao himself! Immortal Yunmiao is a true celestial being, his power is unfathomable! How dare you, a young boy, act so presumptuously here?”

Mo Tianxiong’s words intensified the demon cultivators present:

“That’s right! Immortal Yunmiao is our backer!”

“Boy, if you know what’s good for you, kneel down and beg for mercy. Perhaps our sect leader will spare your life!”

“Otherwise, you will surely die today!”

Li Qingshan and the others’ expressions darkened upon hearing Mo Tianxiong’s words.

Although they believed in David’s strength, Immortal Yunmiao was, after all, a true celestial being, and the restriction he had set up might not be so easy to break.

Li Qingshan quietly approached David and whispered, “My benefactor, this restriction is indeed powerful. We’d better be careful.”

David waved his hand, signaling Li Qingshan not to worry.

Seeing David’s composure, Mo Tianxiong felt a flicker of doubt, but this was quickly replaced by disdain: “Boy, you’re quite calm! But I want to see if you can still remain so calm when the restriction is activated!”

Mo Tianxiong paused, then continued, “Boy, I’ll ask you one last time. Who are you? Why are you meddling in other people’s business?”

David looked at Mo Tianxiong and remembered what the Red Cloud Demon Lord had said before: When you’re out in the world, your identity is self-determined, especially in this low-level world, it’s important to give yourself a prestigious title.

Clearing his throat, David spoke in a commanding tone: “I am the Supreme Lord of the Celestial Realm, commanding all the cultivators of the Celestial Realm! Even the Immortal Yun Miao, as you call him, would kneel and kowtow to me and call me Grandpa!”

Everyone present was stunned by David’s words.

A moment later, Mo Tianxiong was the first to react. He pointed at David and laughed, “Hahaha! The Supreme of Heaven? Commanding all the cultivators in Heaven? Boy, are you crazy? How dare you say such big words!”

The other demon cultivators also laughed: Pinshu.com <https://www.fastla5100.xyz>

“Hahaha! This kid must be scared silly!”

“Supreme of Heaven? Who does he think he is?”

“I think he is looking for death!”

Mo Tianxiong laughed for a long time before stopping. He looked at David with his eyes full of ridicule: “Boy, do you know what the concept of the Supreme of Heaven is? That is a legendary existence! Even the Immortal Master Yun Miao is just an ordinary

immortal in the Heaven. How dare you call yourself the Supreme of Heaven? You really don't know your place!"

Mo Tianxiong paused and continued, "Boy, I think you are tired of living! Today I will let you know what true strength is!"

As he said that, Mo Tianxiong was about to take action.

"Wait!"

David suddenly said. "Before we proceed, I have a question for you."

"Any last words?" Mo Tianxiong said with disdain.

"I want to know: what makes you think this restriction can hold me?" David said calmly.

Mo Tianxiong sneered, "Why? Because it's the restriction placed by Immortal Yun Miao himself! Immortal Yun Miao is a true Celestial Immortal, his power is unfathomable!

Even other Celestial Immortals wouldn't be able to break his restriction easily! You, a young boy, think you can break it? You're simply wishful thinking!"

"Really?"

David's lips curled into a cold smile. "Then I'll show you what true strength is!"

With that, David gently waved his hand.

A golden light emanated from David's hand, instantly enveloping the entire Demon Stone Sect headquarters.

Then, everyone present felt the surrounding restriction's power rapidly dissipate!

Chapter 5484

Mo Tianxiong's face drastically changed as he stared at the scene in disbelief. "No... Impossible! How is this possible?"

He hurriedly channeled his magical power, attempting to maintain the restriction, but found he had no control over its power.

Soon, the restrictions throughout the Demon Stone Sect's main altar vanished!

Mo Tianxiong stood there stunned, his eyes filled with shock and fear.

He simply couldn't believe that this young man had actually broken the restriction set by Immortal Venerable Yun Miao!

The other demon cultivators present were also dumbfounded, their mouths gaping, speechless.

Li Qingshan and the others were thrilled; they hadn't expected David to be so powerful!

David looked at Mo Tianxiong and said calmly, "Now, do you still think this restriction can hold me?"

Mo Tianxiong came to his senses and stared at David, his eyes filled with fear. "You... who are you?"

"Didn't I tell you already?"

David said calmly, "I am the Supreme Being of the Celestial Realm, commanding all the cultivators in the Celestial Realm!"

"How is that possible? You don't look impressive at all..."

Mo Tianxiong was still a little skeptical.

Hearing Mo Tianxiong's words, David sneered and immediately summoned the Dragon Slaying Sword.

Wherever the Dragon Slaying Sword was, a golden light enveloped the area for a hundred miles.

The sword energy emanating from the Dragon Slaying Sword made everyone breathless.

Seeing such a divine weapon, whether human, beastman, or demon, all stared wide-eyed, faces filled with shock.

Amidst everyone's astonishment, David, holding the Dragon Slaying Sword, lightly slashed at the Moshi Sect before him.

Boom!

A beam of sword light shot out from the Dragon Slaying Sword, instantly disappearing into the mountain.

The sword light disappeared, and the scene was deadly silent, as if David's sword strike had never been swung.

Just as everyone was stunned, wondering what David was doing,

suddenly, the ground shook

Everyone felt the ground begin to collapse, floating in mid-air.

Looking down, they discovered that the Demon Stone Sect's peak had been split open by a single sword strike, its entire peak collapsing.

The Demon Stone Sect, atop the peak, had long since been buried, vanishing without a trace. “

Hiss...”

Everyone gasped at this sight.

A single sword strike destroyed an entire sect and a mountain—such power was unmatched in the Yuande Realm.

This time, Mo Tianxiong dared not doubt David's words.

To be able to easily break the restrictions set by the Immortal Yunmiao and destroy a mountain with a single sword strike—such power could only be possessed by the legendary Supreme Beings of the Celestial Realm!

Mo Tianxiong's legs began to tremble. He wanted to kneel and beg for mercy, but he couldn't bring himself to do so.

The other demon cultivators were also terrified and retreated, attempting to escape.

“Want to leave?”

David said coldly. “None of you will leave today!” With a

gentle wave of his hand, David

instantly enveloped the entire Demon Stone Sect headquarters, trapping all the demon cultivators within.

Mo Tianxiong's face paled. He knew he had encountered a truly powerful opponent today, and if he wanted to survive, he had no choice but to beg for mercy.

With a thud, Mo Tianxiong fell to his knees and kowtowed repeatedly to David:
“Immortal Venerable, please spare my life! Immortal Venerable, please spare my life! I was blind and didn’t realize it was you, Immortal Venerable, who had come to visit. Please, have mercy and spare my life!”

Seeing this, the other demon cultivators also knelt and kowtowed to David.

“Immortal Venerable, please spare my life!”

“Immortal Venerable, please spare our lives!”

“Immortal Venerable, please spare our lives!”

Li Qingshan and the others were overjoyed to see this scene.

They had never imagined that these demon cultivators, who usually acted with such arrogance, would end up like this!

Chapter 5485

David looked at the demon monks kneeling on the ground, without a trace of pity in his eyes.

These demon monks had committed countless evil deeds, their hands stained with the blood of human and beast monks. Today was their death!

“Spare you?”

David said coldly. “You have enslaved human and beast cultivators for centuries, killing countless innocent lives! Do you think you still have the right to live in this world?”

Mo Tianxiong quickly said, “Immortal Venerable, we know we were wrong! We are willing to compensate! We are willing to offer all our immortal stones to you! Please spare our lives!”

“Immortal stones?” David said disdainfully. “In my eyes, those things are worthless!”

Mo Tianxiong added, “Immortal Venerable, we also know Immortal Venerable Yun Miao’s secret! We can tell you! Please spare our lives!”

Upon hearing Immortal Venerable Yun Miao’s secret, David’s eyes flashed with interest.

He truly wanted to know why this Immortal Venerable Yun Miao had allowed the demon cultivators to refine spirit stones into immortal stones.

So, David said, "Oh? What secrets do you know about Immortal Venerable Yun Miao? Tell me about it. If the secrets you share are valuable, I might consider sparing your lives."

Mo Tianxiong quickly said, "Immortal Venerable, the reason Immortal Venerable Yun Miao asked us to refine spirit stones into immortal stones is because resources are scarce where he lives, and he needs a large amount of immortal stones!

Moreover, it seems that he was instructed by someone to come to our small world!"

"Instructed by someone?"

David frowned. "Do you mean there's a force behind him?"

Mo Tianxiong nodded. "Yes, but we don't know what force it is. But we often see him sighing, and his demands on us are getting more and more stringent, and the amount of immortal stones he needs is increasing!"

"I guess the tasks he's given are getting heavier, so he's forcing them on us."

David pondered for a moment. It seems that the power behind Immortal Venerable Yun Miao is not small. He actually knows how to refine spirit stones into immortal stones.

This way, they could dispatch a large number of personnel to those lower-level spiritual worlds, enslave the local cultivators, mine spirit stones, and refine them into immortal stones.

"So where is he now?" David asked.

Mo Tianxiong said, "I don't know exactly where he is. He only occasionally appears in our Moshi Sect, taking away large quantities of immortal stones. The last time he appeared was a month ago."

"There are thousands of such quarries in this Yuande Realm. I don't know exactly which one Immortal Venerable Yunmiao will appear at."

David nodded. It seemed that finding this Immortal Venerable Yunmiao would take some time.

"Alright, your secrets are finished,"

David said calmly. "Now, you can die!"

Mo Tianxiong's face changed drastically. "Immortal Venerable, didn't you say you would spare our lives if the secrets we revealed were valuable?"

"I did,"

David said. "But your secrets are of no value to me. So, you may as well die!"

With that, David gently waved his hand.

A flash of golden light passed by, and all the demon monks who had fallen to the ground instantly turned into ashes and disappeared without a trace.

Li Qingshan and the others were overjoyed to see this scene.

They had finally escaped the slavery of the demon monks and regained their freedom!

"Thank you, Immortal Venerable! Thank you, Immortal Venerable!" Li Qingshan and the others kowtowed to David repeatedly.

David waved his hand: "No need to be so polite. I just did what I should do."

Li Qingshan stood up and looked at David, his eyes full of gratitude: "Immortal Venerable, we will never forget your great kindness! From now on, we are willing to follow you and serve you!"
