Chapter 5486

The other cultivators also said,

“We are willing to follow the Immortal Venerable!”

“Please take us in!”

“We are willing to do anything for you!”

David looked at these cultivators, feeling deeply moved. Although these cultivators were not strong, their hearts were kind.

So, David said, “Okay, since you are willing to follow me, I will take you in. But I have one condition: you must swear that from now on, you will never do evil again and will do more good!”

“We swear!”

Li Qingshan and the others said in unison. “From now on, we will never do evil again and will do more good!”

David nodded with satisfaction. “Okay, if that’s the case, then you can stay here for now. I have some things to take care of.”

With that, David turned and was about to leave.

“Immortal Venerable, where are you going?” Li Qingshan asked hurriedly.

David said, “I’m going to find that Immortal Yun Miao. I want to see what he’s up to!”

Li Qingshan said, “Immortal Yun Miao is very powerful, you must be careful!”

David smiled slightly: “Don’t worry, I’ll be fine. Besides, I have a feeling that he will come to me soon.”

Li Qingshan asked doubtfully, “Immortal Yun Miao, why do you say that?”

David said, “Because I’m going to do something that will force him to show up.”

Then David turned to Li Qingshan and others and said, "Li Qingshan, are you willing to come with me to rescue the cultivators in other quarries?"

Li Qingshan said without hesitation, "We are willing! Immortal Yun Miao, wherever you go, we will go!"

The other cultivators also said,

"We are willing to follow Immortal Yun Miao!"

"Please lead us to rescue more compatriots!" Pinshu.com <https://www.fastla5100.xyz>

"We are willing to serve the Immortal Venerable!"

David nodded with satisfaction. "Alright! If so, let's set off now!"

With that, David, along with Li Qingshan and the others, leaped into the sky and disappeared.

Their first stop was Quarry No. 8, the closest to the Demon Stone Sect.

When they arrived at Quarry No. 8, they saw a scene identical to Quarry No. 7.

Countless human and beast cultivators toiled under the scorching sun, while demon cultivators supervised, occasionally whipping those who were slow.

Li Qingshan and the others, enraged by this scene, wanted to rush to rescue the cultivators.

But David stopped them, "Wait!"

Li Qingshan asked, puzzled. "Immortal Venerable, why wait? Let's go and rescue them now!"

David replied, "No rush. I want to show these demon cultivators the true meaning of strength!"

With that, David leaped and flew to the center of the quarry.

"Stop!"

A commanding shout echoed through the quarry, and everyone stopped what they were doing and looked toward the source of the sound.

A young man in a white robe was seen floating in mid-air. It was David!

“Who are you? Why are you meddling in other people’s business?” a demon cultivator in black armor shouted coldly.

David said calmly, “It doesn’t matter who I am. What matters is that from today on, the cultivators here are free!”

“How dare you!” the demon cultivator roared. “Do you know where this is? This is our Shuangji Village’s territory! How dare you act so presumptuously here? You’re courting death!”

The other demon cultivators also gathered around, eager to demonstrate their strength in front of their leader.

“Kid, if you know what’s good for you, get out of here! Otherwise, don’t blame us for being rude!”

“That’s right! We in Shuangji Village are not to be trifled with!”

“Today, I’ll show you how powerful we are!”

Chapter 5487

“How dare you!”

the demon cultivator roared, his voice resonating through the air like thunder, his face filled with ferocity and rage.

“Do you know where this place is? This is our Shuangji Village’s territory! How dare you act so presumptuously here? You’re courting death!”

In his hand, he held a demonic sword radiating a cold glow, its blade engraved with eerie runes that spoke of endless slaughter.

Other demon cultivators gathered around him, each tall and muscular, their faces fierce, eager to demonstrate their prowess before their leader.

Some brandished maces, their spikes gleaming with a cold light; others gripped their demonic hammers, their blades emitting a heavy, oppressive feel.

“Kid, if you know what’s good for you, get out of here! Otherwise, don’t blame us for being rude!”

a demon cultivator shouted fiercely, his eyes wide as bells, a bloodthirsty gleam in his eyes. "That's right! We, Shuangji Village, are not to be trifled with!" "Today, I'll show you how powerful we are!" The other demon cultivators joined in, and for a moment, shouts rose and fell, seemingly threatening to overturn the very sky.

David smiled coldly, his eyes like a deep, cold pool, revealing endless indifference and disdain. These demon cultivators were even weaker than those of the Demon Stone Sect, the highest being only at the seventh level of the Transformation Realm.

In his eyes, they were no different from ants. Clad in a long white robe that fluttered gently in the breeze, he looked like a banished immortal, a stark contrast to the ferocious demon cultivators around him.

"Since you so desire death, I will grant your wish!" David's voice was calm yet filled with authority, like a pronouncement of fate. As soon as David finished speaking, he disappeared from the spot. His figure was like a ghost, disappearing from everyone's sight in an instant, leaving only a faint afterimage. "What?" "Where are they?"

Before the demon cultivators could react, they felt a chill on their necks, as if an icy breath instantly pierced their throats.

Then, they lost consciousness, their bodies collapsing like puppets with their strings cut. In the blink of an eye, all the

demon cultivators collapsed to the ground, lifeless.

Their eyes remained wide open, filled with fear and resentment, as if they would never understand how they had been defeated.

"This... How is this possible?"

"How could he be so fast?"

The enslaved cultivators were stunned upon seeing this.

They had already despaired, believing themselves to perish in this endless enslavement, but they had not expected this suddenly appearing young man to be so powerful!

Their eyes widened, their mouths wide enough to fit an egg, their faces filled with shock and disbelief.

Li Qingshan and the others hurried forward, their faces brimming with excitement, to share the good news with the cultivators.

"Don't be afraid! This is Immortal Master David, he's here to rescue us!"

“From now on, we are free!”

Li Qingshan’s voice boomed and powerful, like a ray of dawn, illuminating the darkened hearts of the enslaved monks.

Upon hearing this news, the monks burst into tears of joy.

Some had been enslaved for centuries, enduring torture and humiliation. Now, finally freed from the thrall of the demonic monks, they had regained their freedom!

Some knelt on the ground, hands clasped together, thanking David for saving their lives;

others embraced each other, weeping with joy, as if releasing through their tears the pain and grievances of the years.

“Thank you, Immortal Master! Thank you, Immortal Master!”

“Long live the Immortal Master! Long live the Immortal Master!”

A mingled cry of joy echoed throughout Shuangji Village.

Chapter 5488

David waved his hand, signaling everyone to be quiet.

His movements were graceful and calm, as if everything was under his control.

“No need to be so polite. I’m just doing what I should do.” David’s voice was gentle and firm, giving people an inexplicable sense of security.

After David finished speaking, he walked towards the warehouse of Shuangji Village.

His steps were steady and powerful, and each step seemed to tread on the hearts of the people.

He knew that there must be a large number of immortal stones stored there, and these immortal stones were of vital importance to him.

Sure enough, when he opened the door of the warehouse, he saw mountains of immortal stones. These immortal stones exuded a rich immortal aura and shone brightly, purer than any immortal stones he had seen in the heavens.

Each immortal stone seemed to contain endless energy, making people yearn for it.

“Great! Excellent!”

David exclaimed excitedly, his eyes gleaming with excitement. “These immortal stones will be perfect for increasing my strength!”

He knew full well that in this world where the strong reigned supreme, only by constantly improving his own strength could he better protect himself and those around him, and fulfill his mission.

David unceremoniously stored all the immortal stones in his storage ring.

His movements were skillful and swift, as if he had done this countless times.

Then, he turned to Li Qingshan and the others and said, “Let’s go! To the next quarry!”

His eyes revealed a firmness and determination, as if no obstacle could stop him.

In the days that followed, David, leading Li Qingshan and the others, swept through the quarries of the Yuande Realm.

They were like a sharp knife, piercing the heart of the demon cultivators, crushing them wherever they went.

In every place they reached, they slew all the demon cultivators there.

David wielded the Dragon Slaying Sword, its blade gleaming with a cold light. Each swing could slay several demon cultivators.

His swordsmanship was sharp and precise, as if honed through countless times, each stroke unleashing its full power.

Li Qingshan and the others, unwilling to be outdone, each unleashed their own unique abilities, engaging in a fierce battle with the demon cultivators.

During the battle, they rescued enslaved cultivators.

Having lost hope, the enslaved cultivators, upon seeing David and his companions, welcomed them as saviors and joined their ranks.

David would seize all the immortal stones, crucial not only for increasing their strength but also for weakening the demons.

Suddenly, David’s fame spread throughout the Yuande Realm.

Everyone knew that an immortal from the heavens was rescuing them from their suffering.

His deeds spread far and wide, becoming a legend.

The monks who were rescued spread his story to everyone, letting more people know about the existence of this hero.

When the demon monks heard David's name, they were scared out of their wits.

They originally thought they could do whatever they wanted in the Yuande Realm, but they didn't expect to encounter such a powerful opponent.

They hid themselves, not daring to come out and do evil again. Some hid in the deep mountains and old forests, while others fled to remote corners, just hoping to avoid David's pursuit.

Soon, thousands of quarries in the Yuande Realm were left unattended.

The monks who were rescued regained their freedom, and they joined David's team one after another, wanting to follow him to rescue more compatriots.

Their team grew stronger and stronger, from the initial few people to thousands of people, forming a force that could not be ignored.

Just when the demon monks felt desperate, a figure suddenly appeared in the sky above the Yuande Realm.

Chapter 5489

This figure emanated a powerful aura, like an insurmountable mountain.

"It's Immortal Master Yun Miao!"

"Immortal Master Yun Miao has finally appeared!"

"We're saved!"

The hiding demon cultivators, upon seeing this figure, were instantly overwhelmed with tears of excitement.

It was as if they had found their last straw, pinning all their hopes on Immortal Master Yun Miao.

They knew that only Immortal Master Yun Miao could save them!

Immortal Master Yun Miao hovered in mid-air, his gaze sweeping across the entire Yuande Realm.

When he saw the abandoned quarries, his expression suddenly darkened.

His eyes revealed anger and resentment, as if his territory had been invaded.

“Who is it? Who dares to run wild on my territory?”

Immortal Yun Miao cried angrily, his voice resounding like a bell, echoing throughout the Yuande Realm.

He clenched his fists, emanating a powerful aura, as if he intended to rip anyone who intruded upon his territory into pieces.

Just then, David, along with Li Qingshan and the others, arrived before Immortal Yun Miao.

Their steps were firm and calm, without a trace of fear.

“Are you Immortal Yun Miao?”

David said calmly, his eyes calm and confident, as if the formidable opponent before him wasn't enough to frighten him.

Immortal Yun Miao turned around, and when he saw David, his expression suddenly grew solemn.

He could sense the immense strength of the young man before him, even beyond his wildest dreams.

A hint of wariness flickered in his eyes, and he began to reassess his opponent.

“Who are you? Why are you sabotaging my plans?”

Immortal Yun Miao demanded coldly, his voice tinged with menace, attempting to overwhelm David with his presence.

David smiled faintly, his smile revealing a calm and composed expression. “Who I am is not important. What matters is why you enslaved these cultivators and refined spirit stones into immortal stones?”

A sharp gaze pierced Yun Miao Immortal Venerable's heart. Yun

Miao Immortal Venerable snorted coldly, "This is my business, not yours! If you know what's good for you, leave immediately, or I'll be rude!"

A powerful aura emanated from him, as if poised to attack at any moment.

David said disdainfully, "You're rude? With your eighth-rank Loose Immortal Realm strength, you dare to be so presumptuous in front of me?"

David's voice was calm yet brimming with confidence, as if his eighth-rank Loose Immortal Realm strength was nothing to him.

Yun Miao Immortal Venerable's face paled immediately upon hearing David's words.

He hadn't expected the young man before him to be able to see through his strength!

Fear welled up in his heart, and he began to doubt his ability to defeat this opponent.

"You... who are you?"

Yun Miao Xianzun said tremblingly, with a hint of fear in his voice, and his body couldn't help but tremble slightly.

David said calmly: "My name is David."

When Yun Miao Xianzun heard the two words "David", his face suddenly became even paler.

He seemed to have heard a terrible name, and his heart was filled with fear.

He turned and ran, wanting to escape from here, as if David was an invincible demon.

"What?"

"Why did Yun Miao Xianzun run away?"

"Shouldn't he teach that kid a lesson?"

Seeing this, the demon monks were stunned.

They didn't expect that Yun Miao Xianzun, who had always been omnipotent, would be so afraid of a young man!

Their eyes were full of despair, as if they saw their own final end.

David snorted coldly: "Want to run? It's not that easy!"

Chapter 5490

His figure flashed, instantly catching up.

His speed was so swift, like a bolt of lightning, that he instantly caught up with Yun Miao Xian Zun.

David used his Fire Control Step and caught up with Yun Miao Xian Zun in just two steps.

The Fire Control Step instantly boosted his speed, so how could Yun Miao Xian Zun escape?

Then, he lifted Yun Miao Xian Zun back like a chicken.

His movements were effortless and casual, as if Yun Miao Xian Zun had no power to resist in his grasp.

"Ah!"

"This... How is this possible?"

Seeing this, the demon cultivators' faces paled.

They knew that even Yun Miao Xian Zun was no match for this young man. They would surely die today!

Their hearts were filled with despair, as if they had already seen death approaching.

David threw Immortal Yun Miao to the ground and said coldly, "Tell me! Why are you running?"

His eyes revealed a stern gaze, as if he were judging a criminal.

Immortal Yun Miao trembled, "I... I know you."

A hint of fear lingered in his voice, and his body involuntarily curled up.

David asked in confusion, "You know me?"

His eyes shone with curiosity, wanting to know why Immortal Yun Miao knew him.
Immortal Yun

Miao nodded, "Yes. When I was in the Temple, the Sixth Palace Master mentioned you. He said you were a very dangerous person and told us to be very careful of you."

There was a hint of awe in his voice, as if David was someone he feared. David suddenly realized, "So you're from the Temple!" His eyes shone with a sharpness, as if he had seen through the forces behind Immortal Yun Miao.

Immortal Yun Miao quickly said, "Yes! I'm a subordinate of the Sixth Palace Master of the Divine Temple! I've been ordered here to refine spirit stones into immortal stones and hand them over to the Sixth Palace Master!" His voice was filled with resignation, as if he were forced to do this. David coldly asked, "How could the Sixth Palace Master know how to refine spirit stones into immortal stones?" His eyes betrayed suspicion, wondering what secrets the Divine Temple was hiding.

Immortal Yun Miao was about to speak when the distant sky suddenly became overcast with dark clouds, and an even more powerful, sinister aura overwhelmed them. Like an ancient beast, this malevolent aura surged forward with devastating force, enveloping the entire Yuande Realm in the blink of an eye.

The once stagnant air seemed to be gripped by an invisible hand, making breathing incredibly difficult. The demonic cultivators, who had been struggling in the abyss of despair, suddenly saw a bright light in the darkness. They all raised their heads and cast their gazes towards the sky. The ecstatic glint in their eyes burned like flames, instantly dispelling the previous fear and despair.

"It's... it's a higher-level Immortal Venerable!" A demon cultivator's voice trembled with uncontrollable excitement, as if they had seen a savior arrive. "We're saved! This lord's aura is far stronger than Immortal Venerable Yunmiao!" Another demon cultivator echoed, his face brimming with joy at having survived a catastrophe.

"It must be the powerful figure behind Immortal Venerable Yunmiao! Only such a powerful figure could possess such a terrifying aura!" Yet another demon cultivator declared with certainty, his eyes filled with awe and anticipation. Meanwhile, Li Qingshan and the others' faces instantly turned pale as paper, as if covered in a thick layer of frost.

They clenched their fists tightly, their knuckles turning white from the strain, and their bodies trembled involuntarily, like leaves in a gust of wind. They could clearly sense the endless malice and chilling pressure emanating from the aura that blew towards them.
