### Chapter 5491

Compared to the aura of Immortal Yunmiao, this one was more than a degree stronger. It was a terrifying force that seemed capable of easily crushing mountains and rivers, tearing the sky apart.

This power filled them with a deep sense of powerlessness, as if they were an ant facing a towering mountain.

“Benefactor... this aura... I’m afraid it belongs to a powerhouse of even higher realms!” Li Qingshan’s voice trembled, each word coming out through clenched teeth.

He stared at the sky, his eyes filled with worry and fear. “The Earthly Immortal Realm is a legendary existence in the Yuande Realm. You... you must be careful!”

The other rescued cultivators also showed signs of worry, their eyes revealing awe for the unknown powerhouse and concern for David’s safety.

Some even subconsciously took a half step back, a small movement that betrayed their deepest fear.

In their eyes, Immortal Master Yun Miao was an impassable chasm, an insurmountable chasm.

And now, a being even more powerful than this one had arrived. David’s previous victory over Immortal Master

Yun Miao had been a miracle among miracles, but now, facing a powerhouse from the Earth Immortal Realm, they were filled with despair, believing that David had no chance of victory.

The clouds, whipped by the fierce wind, surged violently like surging waves.

A black-robed figure slowly descended from the clouds, his presence seeming to darken the entire world.

He was towering, like a towering mountain, shrouded in a black mist that twisted and swirled like life, emitting a sickening, sinister aura.

With every step, the ground beneath his feet cracked, as if cut by an invisible blade.

The spiritual energy in the air seemed to be polluted by the evil aura on him, becoming turbid. The originally fresh and pleasant air was now filled with a pungent stench of decay.

He swept the room condescendingly, his icy gaze like two sharp daggers, making anyone afraid to look directly at him.

Finally, his gaze fell on Yun Miao, the Immortal Venerable held in David's arms. His gaze was as cold as a knife, as if it could instantly freeze anyone. "

Yun Miao, who told you to talk so much?" The black-robed figure's voice was hoarse and raspy, like two pieces of rusted metal rubbing violently together. Every word carried an unquestionable authority, as if he were the master of this world, and no one could defy his will.

Yun Miao's body trembled violently at the sound of this voice, as if struck by lightning.

His mouth, which had been about to speak, clamped shut, his head lowered even lower, as if burying himself in the ground.

He dared not even breathe, and beads of sweat streamed down his forehead, soaking his clothes. The fear on his face was even more intense than when he faced David, as if the black-robed figure before him were a demon ready to crush him to ashes at any moment, a god of death from hell.

David raised an eyebrow, a flicker

of disdain flashing across his once calm eyes. With a flick of his wrist, he threw Immortal Yun Miao to the ground, who landed like a torn sack with a dull thud.

David stared directly at the black-robed man, his eyes revealing a fearless courage: "Who are you? You dare to stop me? Aren't you afraid of death?"

The black-robed man laughed wildly, as if he had heard a huge joke. He threw his head back and laughed wildly, his laughter like the cry of a night owl, sharp and piercing.

Black mist swirled with his laughter, like a group of angry demons roaring.

"Death? In this Yuande Realm, no one has dared to say that word to me! Boy, do you think you're so great just because you've eliminated a piece of trash from the Sanxian Realm?"

The black-robed man's face was filled with disdain, his eyes filled with contempt for David.

## Chapter 5492

He took a step forward, a step that seemed to weigh on everyone's heart.

His aura suddenly surged, like a raging tsunami, sweeping towards David.

The pressure of a second-grade Earthly Immortal Realm cultivator was like a thousand-pound burden, suffocating him. The

surrounding demon cultivators fell to their knees, their bodies trembling uncontrollably. They didn't even have the strength to lift their heads, as if pinned to the ground by an invisible force.

Li Qingshan and the others were even paler, as pale as a sheet of paper. Stifled by the pressure, they could only barely hold themselves together, their legs feeling heavy as if they were filled with lead.

"Listen up!"

A fierce glint flashed in the black-robed man's eyes, a glint as venomous as a snake, chilling everyone to the bone. "I am the law enforcement officer of the Evil Dao Hall, tasked with overseeing the refining of immortal stones in the Yuande Realm! You've sabotaged our plans and even dared to attack Yun Miao. You're simply courting death!"

"He paused, his tone thick with disdain, as if David were nothing more than an ant to be crushed to death. "If you know what's good for you, get out of the Yuande Realm and leave behind all the immortal stones you've taken! Otherwise, I'll turn you to ash today, leaving you no chance for reincarnation!"

The demon cultivators trembled with excitement at the mention of "Evil Dao Hall." Their eyes blazed with fervor, as if they saw a glimpse of their own vengeance.

"It's the Evil Dao Hall! The legendary Evil Dao Hall that rules over the lower realms!"

"Your Excellency is mighty! Kill this brat and avenge us!"

"He's no match for the Evil Dao Hall masters! We're saved!"

They chanted, their voices filled with admiration for the black-robed man and hatred for David.

David was slightly taken aback. He hadn't expected the Evil Dao Hall to be involved, and judging by the reactions of these demonic cultivators, it seemed they were no strangers to the Evil Dao Hall. The fact

that the monks from the Divine Temple followed the monks from the Evil Dao Hall and simultaneously controlled the Yuande Realm was intriguing.

Li Qingshan and the others' hearts sank. They had long heard of the Evil Path Hall, a force feared by countless, a presence even the Celestial Immortals held in awe. The

Enforcer before them was only a second-rank Earthly Immortal. In their view, no matter how powerful David was, how could he possibly defeat such a formidable foe?

Their eyes were filled with despair, as if they had already foreseen David's defeat.

"Evil Path Hall?"

David suddenly smiled, his smile relaxed and natural, as if he had heard something amusing, as if the black-robed figure before them was merely a clown.

"I thought he was some formidable figure, but it turns out he's just a pawn of the Evil Path Hall."

The black-robed figure's expression darkened instantly, like the sky before a storm, thick with dark clouds.

Murderous intent shone in his eyes, a glare that threatened to slice David into pieces: "Boy, you dare insult my Evil Dao Palace? I'll teach you a lesson!"

He raised his hand abruptly, and black mist instantly coalesced into a massive claw, the size of a mountain. With a whistling sound, it clawed towards David.

This claw embodied the full power of a second-grade Earthly Immortal, virtually unstoppable in the Yuande Realm.

The surrounding space was twisted and distorted, like a crumpled cloth.

Wherever the claw passed, the air ignited, crackling with a clattering sound, as if a terrifying storm was brewing.

The demon cultivators' expressions of excitement flared, their eyes wide as if they were about to witness David's shreds.

Cruel smiles graced their faces, as if they had already witnessed David's bloody wreckage.

Li Qingshan and others closed their eyes, not daring to watch the following scene. Their hearts were filled with worry and fear, as if David was about to face an inescapable disaster.
