

A Man Like None Other

Novel

Chapter 5539

They collapsed to the ground, gasping for breath, unable even to lift their hands.

Seeing the two men unable to resist, the blood-red chains stopped attacking and instead wrapped them tightly, forming two enormous blood-red cocoons.

"Hahaha, you're finally done?"

Xue Wuying's voice rang out again, tinged with a hint of triumph and cruelty.

Then, a blood-red figure slowly emerged from the formation.

It was Xue Wuying!

He looked at David and Hu Mazi, wrapped in blood-red cocoons, a cruel smile playing on his face.

"David, weren't you very powerful? Why are you no longer able to fight?" Xue Wuying's face was full of mockery.

David struggled to stand, but his strength had been completely drained, and he couldn't move at all.

Xue Wuying slowly walked up to David, extended his right hand, and pressed it against the blood-red cocoon enveloping him.

"Your talent is indeed remarkable, but unfortunately, you've offended someone you shouldn't have."

"But don't worry, I won't let you die easily. I will absorb your soul bit by bit, making you experience unprecedented pain!"

With that, Xue Wuying closed his eyes and began rapidly forming hand seals.

Blood-red runes flew from his hands, merging into the blood-red cocoon surrounding David.

"Blood God Soul Devouring Technique!" Xue Wuying shouted.

Instantly, the blood-red cocoon enveloping David began to shrink, emitting an eerie red glow.

David could feel his soul being pulled by a powerful force, as if it were being torn from his body.

"Ah!"

David screamed in agony. The feeling of his soul being pulled was a thousand times more excruciating than any physical pain.

"David..."

Hu Mazi, seeing this, tried to struggle to help David, but he, too, was encased in the blood-red cocoon, unable to move.

Xue Wuying opened his

eyes and looked at David, who was struggling in agony, a satisfied smile playing on his lips.

"How was it? Doesn't this feel wonderful?"

"Don't worry, this is just the beginning. There are more exciting things to come!"

With that, Xue Wuying closed his eyes again and increased the power of his spell.

David could feel his consciousness gradually fading, the pull on his soul growing stronger and stronger.

Just as his soul was about to be completely ripped from his body, a golden light suddenly burst out from his sea of consciousness.

"Hmm?" Xue Wuying frowned, as if sensing something.

Then, a powerful suction force surged from David's sea of consciousness, sucking Xue Wuying's consciousness in as well.

"What?"

Xue Wuying's face changed drastically. He tried to withdraw his consciousness, but it was too late. His consciousness was instantly sucked into David's sea of consciousness, as if falling into a bottomless abyss.

When Xue Wuying regained consciousness, he found himself in an unfamiliar space.

The place was in chaos, a golden glow permeating the air, and the air was filled with powerful and pure energy.

"Is this... the sea of consciousness?"

Xue Wuying said in surprise.

He had not expected to be sucked into David's sea of consciousness.

At this moment, a majestic voice rang out from the chaos.

"You bold lunatic, how dare you trespass on my territory!"

Xue Wuying looked in the direction of the voice and saw a figure in a crimson robe slowly emerging from the chaos.

This figure was tall, with a dignified face, and exuding a powerful aura. It was none other than the Red Cloud Demon Lord in David's sea of consciousness!

Xue Wuying's face changed. He could sense that the crimson-robed figure before him was powerful, far surpassing his own.

"Who are you?" Xue Wuying asked in shock.
