

A Man Like None Other Novel

Chapter 5540

The Scarlet Cloud Demon Lord sneered and said, "I am the Scarlet Cloud Demon Lord! How dare you trespass into my territory and attempt to absorb David's soul? You are simply courting death!"

Xue Wuying was shocked. He had never expected such a powerful being to be sealed within David's sea of consciousness.

"The Scarlet Cloud Demon Lord?" Xue Wuying was stunned. He had heard of this name during his time in the Sixth Heaven. Back then, David battled the Soul Devourer, and the Soul Devourer had called him by this name.

"So you are the Scarlet Cloud Demon Lord! Why are you in David's sea of consciousness?" Xue Wuying asked.

"That's none of your business!" the Scarlet Cloud Demon Lord snorted coldly. "You dare harm my host? Today, I'll teach you a lesson!"

With that, the Scarlet Cloud Demon Lord flashed before Xue Wuying, unleashing a powerful punch.

Xue Wuying's expression drastically changed, and he quickly cast a defensive spell.

However, his defenses were like paper against the Scarlet Cloud Demon Lord's attack, instantly shattered.

"Bang!"

Xue Wuying was struck by the Scarlet Cloud Demon Lord's punch, flying backward like a kite with its string cut, landing heavily on the ground.

"Puff!"

Xue Wuying spat out a mouthful of blood, his face paler still.

He hadn't expected the Scarlet Cloud Demon Lord to be so powerful that he couldn't even withstand a single blow from him.

The Scarlet Cloud Demon Lord slowly approached Xue Wuying, looking down at him, and said, "With your meager strength, you dare to act so arrogantly before me?"

Xue Wuying struggled to his feet, but the Scarlet Cloud Demon Lord's punch was too powerful, immobilizing him. "You... don't be so proud. I am an elder of the Evil Path Hall. We in the Evil Path Hall specialize in collecting souls. You are now also a soul body. If you dare to touch me, you will be in big trouble!"

The Red Cloud Demon Lord laughed and said, "The Evil Path Hall? In front of me, they are nothing but a group of jumping clowns!"

After saying this

, the Red Cloud Demon Lord attacked again, punching and kicking Xue Wuying.

Xue Wuying screamed in agony, but was unable to resist.

Just as Xue Wuying was nearing death, a golden light suddenly shone from the chaos.

Seeing the golden light, the Red Cloud Demon Lord shuddered slightly and hid instantly, seemingly terrified.

The golden light directly enveloped Xue Wuying.

Xue Wuying looked up and saw an ancient golden book suspended in mid-air, emitting a dazzling light.

It was the Daluo Golden Classic!

The golden light emanating from the Daluo Golden Classic grew stronger, and Xue Wuying could feel his soul being pulled by a powerful force, as if it were being sucked into the Daluo Golden Classic.

"No! No!"

Xue Wuying screamed in despair, but was unable to resist the Daluo Golden Classic's suction.

Xue Wuying had spent his entire life absorbing the souls of others, never realizing he would become a lamb to be slaughtered within someone else's sea of consciousness.

Eventually, Xue Wuying's soul was completely absorbed by the Daluo Golden Code, and his body transformed into a sky of blood-red dots, dissipating into David's sea of consciousness.

As the golden light slowly faded, the figure of the Red Cloud Demon Lord reappeared. Looking at the now-vanished Xue Wuying, the Red Cloud Demon Lord sneered, "You idiot! You dared to absorb David's soul? You're courting death..." The

Red Cloud Demon Lord remained obedient within David's sea of consciousness. After all, the Daluo Golden Code within David's sea of consciousness was too powerful, especially against spirits, where it was simply crushing.

Simultaneously, the blood-red formation outside began to crumble.

The blood-red chains that bound David and Hu Mazi seemed to lose their power, breaking one after another, transforming into a sky of blood-red dots that dissipated into the air.
