Chapter 5566

“Prince Wu, I think we shouldn’t underestimate the Divine King’s Palace. While the Fourth Palace Master is not a threat, the Divine King’s Palace itself is far from simple!”

said the Third Palace Master

. “How is it not simple?” Prince Wu asked.

“Although the Fourth Palace Master is in charge of the Divine King’s Palace, the truly formidable forces are its four guardians. Even we Palace Masters have never witnessed their strength.”

“In fact, we’ve never even seen their faces; we’ve only heard the Divine King mention them. They’re said to have been the guards of the first Divine King.”

“With the change of divine authority, the four guards of the first Divine King became the guardians of the Divine King’s Palace, and no one has seen them since.”

“However, whenever the Divine King’s Palace faces trouble, these four guardians will definitely appear,”

the Third Palace Master added, following Prince Wu’s words.

“So, none of you have ever seen the Four Guardians?”

Prince Wu smiled.

“That’s right!” The Third Palace Master nodded.

“Hahaha...” Prince Wu suddenly laughed: “How can you be so sure that the Divine King’s Palace definitely has Four Guardians?”

“Couldn’t it just be bragging, a lie to you, made up to prevent you from rebelling?”

The Third Palace Master was stunned: “.....”

At this moment, the Third Palace Master just wanted to curse.

Although the people of the Divine Race are arrogant and look down on everyone, they don't have the habit of lying.

Who would make up Four Guardians to protect the Divine King's Palace?

"Third Palace Master, you are too cautious, and too naive..."

The Grand Elder slowly glanced at the void: "Don't talk about Four Guardians, even if your first Divine King were here, I could slap him to death..."

"Bragging..." The Third Palace Master opened his mouth, but didn't say anything, cursing in his heart.

In the boundless void, the man suddenly sneezed.

After glancing at David, the man frowned slightly: "After all these years, is anyone still talking about me?"

At this moment, David, wielding the Dragon-Slaying Sword, was constantly fighting against the countless fire meteors.

Now, David could carve a path through the sky full of fire meteors.

After an unknown amount of time, the countless fire meteors disappeared, and David stood in the void, his body now engulfed in raging flames.

These were the energy of the fire meteors. David closed his eyes slightly, letting the flames burn his body, but soon the flames gradually disappeared.

These flames not only didn't incinerate David's body, but instead absorbed his energy!

During this time, David had been fighting against the fire meteors and absorbing their energy, and his physical body had reached a new level.

Not only his physical body, but even David's strength had increased rapidly.

Although there were no resources or immortal energy here, these fire meteors became resources for David's cultivation.

Suddenly, the fire meteors that had disappeared reappeared from the end of the void, this time coming from the unfathomable Land of No End.

Looking at the countless fire meteors before him, David's eyes burned with fervor. He was no longer afraid, no longer terrified, but filled with endless longing.

These fire meteors were no longer terrifying things, but excellent resources.

David, wielding the Dragon-Slaying Sword, instantly lunged towards the fire meteors. Streaks

of sword light tore countless fire meteors to shreds.

The man watched David silently, neither speaking nor making a move.

He discovered that David's comprehension was very high; he had only given him a few pointers, yet David had already grasped many of his own insights.

Especially David's sword intent, which became increasingly pure with each swing of his sword.

"Fire meteors from the Land of No End, let's see how long you can last!"

the man muttered to himself, watching the increasingly excited David!

Chapter 5567

Eighth Heaven!

Inside the Divine King's Palace, Fourth Palace Master Lingxi was still searching for a way to rescue David.

Her maid, Yunxiu, hurried in and said to Lingxi, "Fourth Palace Master, the Third Palace Master has arrived with his men. They're at the palace gate. Should we let him in?"

"What is he doing here?"

Lingxi frowned.

The Third Palace Master had his own palace and didn't need to come to the Divine King's Palace. Moreover, after the Divine King took the First and Second Palace Masters to the Ninth Heaven, he entrusted the Divine King's Palace to Lingxi's care. Other members of the Divine King's Palace were not allowed to enter without permission.

Now that the Third Palace Master had suddenly arrived with his men, Lingxi knew this guy was up to no good.

"The Third Palace Master said he's here to discuss important matters with the Fourth Palace Master,"

Yunxiu said.

“Come, follow me to see...”

Lingxi said, then led Yunxiu and several guards towards the palace gate!

Lingxi arrived at the gate of the Divine King’s Palace with Yunxiu and the guards, where they saw the Third Palace Master standing there with dozens of disciples and guards, exuding an imposing aura.

The Third Palace Master’s face was gloomy, his eyes revealing greed and calculation. His disciples and guards behind him also wore arrogant expressions, as if victory was already assured.

“Third Palace Master, what brings you to the Divine King’s Palace with so many people?”

Lingxi asked coldly. Her posture was upright, her eyes revealing determination and unyielding spirit. Despite facing the numerical advantage of the Third Palace Master’s side, she showed no sign of backing down.

The Third Palace Master stepped forward, his gaze fixed intently on Ling Xi, as if trying to see right through her. “Fourth Palace Master,” he said

, “I heard that you recently led your divine guards to the Sixth Heaven without authorization, resulting in the injuries of many. Is this true?” His voice was accusatory, as if he were certain Ling Xi harbored a secret. Ling Xi frowned, secretly thinking that the Third Palace Master had clearly come prepared, deliberately provoking trouble.

But she didn’t panic. Instead, she calmly replied, “This matter is none of your business. I have my reasons for leading the Divine Guards on this mission.” “Reasons?” The Third Palace Master sneered, his laughter filled with mockery. “As the Fourth Palace Master, instead of staying in the Eighth Heaven, you privately dispatched the Divine Guards to the Sixth Heaven, all for a man. This violates the rules of the Divine Palace!

More importantly, you caused the Divine Guards to be injured for nothing. How will you settle this score?” He deliberately amplified the issue, trying to incite the dissatisfaction of the other Divine Guards to achieve his ulterior motives. Ling Xi’s face darkened, her heart burning with anger, but she still suppressed her rage and said,

“Third Palace Master, are you questioning me? Don’t forget, I am now in charge of the Divine King’s Palace. I have the right to mobilize the Divine Guards on missions.” She knew that the Third Palace Master had always coveted the power of the Divine King’s Palace, and this deliberate provocation was an attempt to seize control of the Divine King’s Palace while the Divine King was away. “Guard?”

A greedy glint flashed in the Third Palace Master's eyes, a gaze that seemed to want to possess everything in the Divine King's Palace. "I think you're trying to seize the Divine King's Palace! The Divine King isn't here, so you've become so lawless?" "For David, you mobilized the Divine Guards, and even injured them. These Divine Guards are supposed to protect the Divine King's Palace."

"You care so much about David, are you having an affair with him? Don't forget, female cultivators of the Divine Race cannot marry men of other races." "If you've already been used by that David, then your body is defiled, you're unworthy to be a woman of the Divine Race, unworthy to be a Palace Master."

He deliberately steered the conversation towards the rules of the Divine Race, trying to incite the others. "What nonsense are you spouting!" Ling Xi shouted angrily. She hadn't expected the Third Palace Master to be so shameless, openly slandering her.

Chapter 5568

As the fourth temple master, Lingxi naturally knew the rules of the gods. How could she easily allow David to possess her body?

The third temple master was now slandering her, deliberately smearing her.

The divine guards behind Lingxi also showed angry expressions, gripping their weapons tightly, ready to protect her at any moment.

Yunxiu was even more furious, her eyes filled with murderous intent. If she could defeat the third temple master, she would have killed him long ago.

The third temple master waved his hand behind him, and the disciples of the three temples immediately stepped forward, assuming fighting stances.

They were all eager to fight, their eyes revealing ferocity and provocation, as if they couldn't wait to make their move.

"I'm taking my men into the Divine King's Palace today to check it out and see if you truly consider it your territory!"

the Third Palace Master said, his voice filled with threat, attempting to force Ling Xi into submission.

"Insolence!"

Ling Xi shouted sharply, her voice booming like a bell, making everyone around her ears ring. "The Divine King's Palace isn't a place you can just walk into! Without the Divine King's order, no one is allowed to enter!"

She knew the Divine King's Palace was the core of the temple, containing many secrets and treasures; she couldn't allow someone with such ill intentions as the Third Palace Master to enter.

"Hmph, the Divine King is far away in the Nine Heavens now; I'm in charge here!"

the Third Palace Master said, preparing to force his way in.

His disciples and guards surged forward, trying to break through Ling Xi's defenses.

Ling Xi and her guards immediately drew their weapons, blocking the Third Palace Master's path.

Their eyes revealed unwavering resolve, as if telling the Third Palace Master that to enter the Divine King's Palace, one must first step over their corpses. "Third Palace Master, you're leading men to force

your way into the Divine King's Palace. Are you planning a rebellion?"

Ling Xi asked coldly, a hint of murderous intent flashing in her eyes. She knew the Third Palace Master's actions had severely violated the rules of the Divine Palace, and if allowed to continue, the consequences would be unimaginable. The Third Palace Master's expression changed, but he quickly regained his composure: "A rebellion? I'm upholding the rules of the Divine Palace! You've privately dispatched the Divine Guards and prevented us from entering the Divine King's Palace to investigate. Who knows what you're up to in there?" He tried to find an excuse for his actions, but it sounded so weak and powerless. Just as tensions were high and a great battle was about to erupt, a dark shadow suddenly appeared in the sky.

The shadow grew larger and larger, gradually revealing two figures. Everyone looked up and saw the Crown Prince and the Grand Elder slowly descending from the sky. They exuded a powerful aura, carrying an invisible pressure that made everyone present feel a chill.

"Heh, it seems we've arrived just in time," the Prince of Wu said with a smile, his laughter revealing a smug and cunning, as if he had already anticipated the situation. Ling Xi coldly stared at the Prince of Wu and the Grand Elder: "People of the Evil Path Hall, what are you doing here?"

Ling Xi's face was extremely ugly; she didn't understand why the people of the Evil Path Hall had come to the Divine King's Palace. The Divine King's Palace and the Evil Path

Hall had never had any conflicts or dealings. However, as soon as she finished speaking,

Ling Xi immediately looked at the Third Palace Master, her brows furrowing; she seemed to understand something. “Third Palace Master, you brought these people from the Evil Path Hall here, didn’t you? You actually colluded with the people of the Evil Path Hall! Aren’t you afraid of being punished?” Ling Xi questioned the Third Palace Master.

The Third Palace Master hadn’t expected the Prince of Wu and the Grand Elder to arrive so quickly. They had already agreed that after he entered the Divine King’s Palace, the two of them would appear and then attack the Divine King’s Palace. The matter is not yet settled, and the Third Palace Master does not want to expose his collusion with the Evil Path Palace too early.

Chapter 5569

“Fourth Palace Master, stop talking nonsense! I think you’re the one who brought this here!”

The Third Palace Master directly denied it, refusing to admit it at all.

But to everyone’s surprise, the Prince of Wu smiled slightly and said, “Fourth Palace Master, I advise you to be sensible and get out of the Divine King Palace so that the Third Palace Master can go in and investigate...”

Prince of Wu’s words directly stated his attitude, making the Third Palace Master extremely embarrassed.

“Prince of Wu, how dare your Evil Path Palace interfere in the internal affairs of our Divine Palace? Are you trying to provoke a war between the two palaces?”

She knew that the appearance of Prince of Wu and the Grand Elder this time was definitely for ulterior motives.

The Grand Elder took a step forward, and a powerful aura was instantly released, making Ling Xi and the divine guards behind her unable to breathe.

That aura was like an invisible mountain, pressing down on people, making them almost suffocate.

“Little girl, don’t push your luck!”

the Grand Elder said coldly. "We are determined to enter the God King's Palace today. If you know what's good for you, get out of our way, or don't blame us for being impolite!"

His voice was icy and ruthless, as if declaring the fate of Ling Xi and the others.

Ling Xi gritted her teeth, enduring the pressure emanating from the Grand Elder. Her body trembled slightly, but her eyes remained resolute: "If you want to enter the God King's Palace, you'll have to step over my dead body!"

She knew this was a battle concerning the dignity of the God King's Palace and the future of the temple, and she could not back down.

"Heh, since you're so ungrateful, then we'll have no choice but to take action!"

The Grand Elder finished speaking, a hint of killing intent flashing in his eyes.

"Wait," the Prince of Wu stopped the Grand Elder,

saying, "Grand Elder, leave this Fourth Palace Master to me. I want to fight her one-on-one. After defeating her, I want to use her to vent my lust..." He then looked at the Third Palace Master and said, "Third Palace Master, you won't mind, will you? I've never played with a woman of the Divine Race before."

The Third Palace Master's face twitched twice, and he shook his head: "If the Prince of Wu likes it, go ahead and play..."

Although the Third Palace Master didn't want to expose his collusion with the Evil Path Palace, the Prince of Wu was clearly trying to drag him down, so the Third Palace Master couldn't say anything more. It

seemed that today, he could only succeed, not fail! "Third Palace Master, you are despicable and shameless, actually colluding with the people of the Evil Path Palace!" the Fourth Palace Master, Ling Xi, cursed. "Fourth Palace Master, stop cursing. Save your energy for my lustful fire later!" the Prince of Wu sneered. "Defeat me first..." The Fourth Palace Master, Ling Xi, trembled and soared into the sky! Prince Wu turned to the Grand Elder and said, "Grand Elder, calm down.

Once I've crippled these Fourth Palace Masters, the Divine King Palace will be mine." "Prince, be careful..." the Grand Elder warned. Prince Wu nodded, transforming into a sharp streak of light and soaring into the sky, instantly meeting the Fourth Palace Master, Ling Xi, high above.

Both were surrounded by powerful spiritual energy fluctuations, seemingly distorting the surrounding space. Ling Xi held a longsword, its blade gleaming with a cold light; her

eyes were sharp as an eagle's, locked tightly on Prince Wu. Prince Wu clenched his fists, black demonic energy swirling around them, radiating a sinister aura.

"Fourth Palace Master, today is the day you fall!" Prince Wu roared, launching the first attack. Like a black meteor, he charged towards Ling Xi, his fists whistling through the air as he slammed into her. Ling Xi snorted coldly, her figure flashing as she easily dodged the attack.

Simultaneously, she swung her longsword, unleashing a sharp sword aura towards the Prince of Wu. The sword aura was like frost, cutting tiny cracks in the space it passed through.

The Prince of Wu was startled and quickly dodged to the side. The sword aura grazed his clothes, tearing a gash. He inwardly cursed, realizing that this Fourth Palace Master was far more troublesome than he had imagined.

Chapter 5570

Below, watching the battle, Yunxiu clenched her fists, her eyes filled with worry, but even more so with trust in Lingxi, repeatedly chanting, "Fourth Palace Master, you must win!"

The guards behind her were also tense, their eyes fixed on the battle high in the sky.

The Third Palace Master of LIFE.COM, however, had a grim expression. He hadn't expected the Prince of Wu to be at a disadvantage from the start.

His disciples whispered amongst themselves, their faces showing worry. One muttered, "Is this Prince of Wu any good? What if he drags us down with him?"

The Third Palace Master glared at the man, who quickly shut up.

The Grand Elder of the Evil Path Palace stood to the side, his brows slightly furrowed. He hadn't expected Fourth Palace Master Lingxi to be so powerful and was somewhat dissatisfied with the Prince of Wu's performance, but he remained silent, simply watching.

Seeing his attack miss and Lingxi counterattack instead, Prince Wu grew anxious.

He launched another attack, his feet kicking through the air, propelling him like a cannonball towards Lingxi. Simultaneously, his hands rapidly formed hand seals, and

he chanted incantations. Streams of black demonic energy surged from his body, transforming into ferocious demonic dragons that lunged at Lingxi.

Lingxi remained unmoved. Her longsword danced swiftly, weaving a vast net of sword energy that shattered the demonic dragons.

The shattered dragons turned into black smoke, but quickly reformed, charging towards Lingxi once more.

“Hmph, is that all you’ve got?”

Lingxi said coldly. She flashed behind Prince Wu, her sword aimed straight for his back.

Prince Wu felt a chill run down his spine and lunged forward, barely dodging the sword, but a bloody gash appeared on his back from the blade’s energy.

“Damn it!”

Prince Wu roared, feeling completely outmatched and suppressed by Lingxi. He was extremely anxious. If he couldn’t turn the tide quickly, he

might perish here today. He took a deep breath, forcibly calming his mind, then pulled a black pill from his robes and swallowed it without hesitation. The pill melted instantly in his mouth, and a powerful force erupted within him. His body swelled instantly, his muscles bulged, and his eyes turned bloodshot, radiating a frenzied aura.

“Fourth Palace Master, prepare to die!” the Prince of Wu roared, charging towards Ling Xi again. His speed was more than twice as fast as before, and the power in his fists had increased significantly. Seeing the Prince of Wu’s transformation, Ling Xi felt a slight chill, but she didn’t back down. She flicked her longsword, and dazzling sword light bloomed from its blade like blooming lotus flowers.

She charged towards the Prince of Wu, sword and fist clashing once more, producing a deafening sound. This time, although Prince Wu’s strength had increased considerably, Ling Xi, with her superb swordsmanship and agile movements, still held the upper hand. Her sword moved like a nimble snake, constantly leaving wounds on Prince Wu’s body.

Prince Wu’s wounds multiplied, blood flowing incessantly, staining his clothes red.

“Impossible! How could I lose to her!” Prince Wu screamed inwardly, his eyes filled with resentment and rage. He launched another frenzied attack, but Ling Xi deflected them all. The Third Palace Master below, witnessing this scene, turned extremely pale.

He knew that if Prince Wu lost, his collusion with the Evil Path Palace would be exposed, and he would face severe punishment from the Temple. He clenched his fists tightly, his nails digging into his palms, yet he remained oblivious. Meanwhile, the

people on the Temple's side cheered, their hearts filled with pride and joy at seeing the Fourth Palace Master's valor.
