Chapter 5617

David then began to cultivate rapidly using the resources within the forbidden area!

He didn't know how long he had been cultivating, but he had completely exhausted all the resources of the forbidden area.

This vast amount of resources also simultaneously raised David's strength to the peak of the third rank of the Human Immortal Realm!

The entire clan's resources had only allowed David to raise his level by one small rank...

Feeling his increased strength, David didn't know whether to laugh or cry.

How many resources would he need for cultivation in the future?

"Senior, how long have I been cultivating?" David asked the Crimson Cloud Demon Lord.

"More than three years..."

the Crimson Cloud Demon Lord replied.

David frowned. Three years was more than a thousand days, which meant more than ten days had passed in the outside world.

Emerging from the Demon Suppression Tower, David looked at the crystal coffin, and with a wave of his hands, a barrier appeared, enveloping the crystal coffin.

"Senior, I've already set up a barrier; ordinary people can't find this place."

"Contact Mr. Shi and ask him to revive Fairy Lingyue."

"We should leave now. If we attract the people from the Evil Path Hall, even this crystal coffin might be lost."

David said to the Crimson Cloud Demon Lord.

"Okay..." The Crimson Cloud Demon Lord only said "okay."

However, David knew how much the Crimson Cloud Demon Lord desperately wanted to revive Fairy Lingyue, but he also knew he couldn't revive her or protect her remains.

David left the forbidden area and then set up an illusion array around it, making it even more difficult for others to find the sect's ruins—a double insurance.

But shortly after David left, several terrifying auras locked onto him.

“Damn, so fast?”

David hadn't expected these people to find him so quickly.

David's eyes narrowed slightly, then he transformed into a beam of light and vanished instantly.

Behind David, four black beams chased after him.
David was caught up, and

four dark figures blocked his path.

David, holding the Dragon-Slaying Sword, stared at the four figures before him.

Four terrifying pressures simultaneously pressed down on David, a test of his strength.

It was clear that the four figures were extremely cautious, not underestimating David despite his apparent power level.

Seeing the four pressures approaching, David didn't dodge or retreat. Instead, he swung his Dragon-Slaying Sword, shattering the pressures with a single sword beam.

The four figures were slightly taken aback, their eyes clearly showing shock.

The leader suddenly moved, like a shooting star, rushing towards David.

Looking at the approaching figure, David wasn't afraid; instead, he felt a surge of excitement.

He too transformed into a sword beam and charged towards the figure!

One-on-one, David wasn't afraid. *

Whoosh!*

Both drew their swords simultaneously.

However, the opponent's sword was formed from the demonic energy surrounding him!

David didn't use the Dragon-Slaying Sword either, but instead used the sword intent within his body, directly transforming it into a sword.

This one-on-one fight, without using physical swords, could be considered fair.

Boom!

A deafening roar erupted, instantly changing the color of the heavens and earth. In a single instant, the void within a thousand miles shattered!

Then, under the laws of heaven and earth, the void began to rapidly recover!

David's body retreated repeatedly, while the black shadow also swayed, taking several steps back!

"Big Brother..."

The remaining three black shadows rushed forward upon seeing this.

They hadn't expected that David, in this fair one-on-one situation, wouldn't be at a disadvantage at all.

It should be noted that David was only at the third rank of the Human Immortal Realm, while they were all at the peak of the ninth rank of the Human Immortal Realm!
