Chapter 5618

With just one opportunity, they could ascend to the Celestial Immortal realm.

Although they already valued David highly, his performance still shocked them!

“You don’t need to worry about him, I’ll handle this kid myself!”

said the black figure leading the group.

As soon as he finished speaking, the black figure vanished again. In an instant, tens of thousands of sword beams appeared out of thin air in the void surrounding David, shooting towards him.

Seeing this, David’s eyes narrowed, and he unleashed his sword intent, which transformed into countless sword beams, shooting outwards like a torrential rain.

Instantly, the entire void resounded with a dense rumble, and the recently restored void began to tremble and distort once more.

Golden and black sword beams collided repeatedly in mid-air!

It was like cruise missiles colliding with interceptor missiles in mid-air.

Cruise missiles continuously targeted their objectives, while interceptor missiles were constantly launched to intercept them!

In just a few breaths, David’s sword intent had solidified into hundreds of thousands of sword beams, like a dense array, completely enveloping him!

Even with such a dense array of sword beams, some still slipped through, and streaks of black sword light struck David’s face!

Relying on his powerful physique, David withstood the attacks of the black sword beams.

A trickle of blood slowly flowed from the corner of his mouth.

However, David’s eyes were still filled with fighting spirit. He didn’t know if the black figure had used its full strength, but David knew that it had held back.

He hadn't used the Dragon-Slaying Sword, the Divine King Bow, or even his own dragon bloodline.

He had only used his sword intent, and he could already fight a peak ninth-grade Human Immortal to this extent; he was already very satisfied.

Although David was currently at a slight disadvantage, it didn't matter. As long as David used some more techniques, he was absolutely confident that he could defeat his opponent.

"Again..."

David, his face beaming with excitement, charged towards the dark figure. This time, he was going to take the initiative.

The dark figure was clearly taken aback, not expecting David to dare to attack even when facing four of them.

"Boy, you've surprised me a bit..." The leading

figure in black snorted coldly, then charged forward!

The two clashed instantly, countless sword beams crisscrossing the void.

...

Yanluo Heavenly Sect!

Guan Jun led the remaining disciples back to the Yanluo Heavenly Sect. What should have been a day's journey took Guan Jun and his men several days.

This was to mislead the sect leader into believing they had done their best.

In the main hall of the Yanluo Heavenly Sect, Sect Leader Yan Nantian sat upright!

Seeing Guan Jun and the others return, Yan Nantian frowned slightly: "Where are they?"

"Sect Leader, David was being hunted by the Evil Path Hall. We were no match for them and lost several disciples, so we had to return first!"

Guan Jun said.

Yan Nantian was taken aback, his face turning cold as he looked at Guan Jun: "You mean, you abandoned David?"

“We had no choice. The people sent by the Evil Path Hall were too strong; four of them were at the peak of the ninth rank of the Human Immortal Realm. We were no match for them.”

“If we had forcibly brought David to the Yama Heavenly Sect, I’m afraid none of us would have returned.”

Guan Jun quickly explained.

“I ask you, do you know what the Golden Scroll represents in our Yama Heavenly Sect?” Yan Nantian’s voice was filled with intense anger.

Guan Jun was stunned, because she could already sense Yan Nantian’s rage.

“This disciple understands, but we...”

“Shut up! You can die, but you cannot abandon him, understand?” Yan Nantian’s eyes began to fill with killing intent. “

Sect Master, that Golden Scroll originally belonged to the Crimson Cloud Demon Lord, not to David. Perhaps he found it; in that case...”
