Chapter 5619

Boom!

Before Guan Jun could finish speaking, a terrifying aura pressed down on her, the powerful pressure forcing her to her knees.

Guan Jun was completely stunned.

Yan Nantian stared intently at Guan Jun, his voice icy cold: "Our Yanluo Heavenly Sect only recognizes the Golden Scroll, not people..."

"Our sect has existed for ten thousand years, and we've only issued three Golden Scrolls. We can be destroyed, but we cannot break our promises."

"This is our foundation, and today, you secretly left David behind and escaped back?"

"Do you know what you're doing?"

Yan Nantian's words made Guan Jun tremble, her face turning grim.

"Sect Master, David not only offended the Evil Path Hall, but also has grudges against the Soul Devourer and the Blazing Fire Demon Lord."

Guan Jun hurriedly mentioned the Soul Devourer and the Blazing Fire Demon Lord, trying to exonerate himself.

Upon hearing these two names, Yan Nantian was visibly taken aback, his brows furrowing tightly. Seeing

this, Guan Jun finally breathed a long sigh of relief.

"These two have been missing for ten thousand years, how could they have grudges against David?" Yan Nantian was somewhat skeptical.

"Sect Master, it's absolutely true, David told me himself." Guan Jun said.

Yan Nantian hesitated for a moment, then said firmly, "Even so, it's not a reason for you to escape. You will all die..."

Thump...

Upon hearing this, the disciples behind Guan Jun were so frightened that they immediately knelt down.

"Sect Master, it was Senior Sister Guan Jun who told us to abandon David. She said bringing David here would bring our Yama Heaven Sect the danger of annihilation."

One disciple hurriedly shifted the blame, placing all the responsibility on Guan Jun! Sect

Master, it was indeed my idea. David has offended the Soul Devouring Venerable and the Blazing Fire Demon Lord. The Soul Devouring Venerable already wielded immense power in the Ninth Heaven ten thousand years ago. Even our Yama Heavenly Sect had to retreat in fear of him, daring not to fight him."

"Not to mention the Blazing Fire Demon Lord, who has long since disappeared. Our Yama Heavenly Sect simply cannot help David deal with these two."

"And then there's the Evil Path Hall. Although the Evil Path Hall's power in the Ninth Heaven isn't great, its influence extends across multiple worlds. I've heard that the Evil Path Hall still has disciples in the Twelfth Heaven. How can we protect David?"

Guan Jun knelt on the ground, saying helplessly.

She was also thinking of the sect. If they really helped David and offended these people, then their Yama Heavenly Sect would truly be finished.

Yan Nantian's face was cold, and he did not waver because of Guan Jun's words.

"Remember, if anything happens to David, you will all die!"

After Yan Nantian finished speaking, his figure instantly disappeared from the hall.

"Sigh..."

Guan Jun sighed as he watched Yan Nantian disappear. "If only the old sect master were still here. Thousands of years have passed since he vanished."

...

Nine Heavens, somewhere in the void!

David was still battling the black shadow. The two had been fighting for an unknown amount of time, but David still hadn't used the Dragon-Slaying Sword, relying solely on his sword intent.

David already had wounds, but he didn't care, because he could feel that with each battle, his strength was increasing.

Moreover, the sword intent within his body was also constantly increasing, without being depleted by the battle.

This discovery delighted David.

He knew that spiritual power, divine dragon power, and even supreme fire would be greatly depleted after a long battle, eventually leading to exhaustion and death.

But this sword intent seemed to grow stronger with each fight, making it inexhaustible.

The black shadow continued to fight David, gaining the upper hand each time, but David was like an unkillable cockroach.

Chapter 5620

The shadowy figure began to have second thoughts, no longer daring to underestimate David.

With a wave of his palm, ten thousand sword beams shot towards David, while he simultaneously retreated rapidly.

This guy wasn't going to fight David anymore; the longer he fought, the more apprehensive he became.

David simply shattered the ten thousand sword beams with a tremor.

"What? Afraid to fight?" David looked at the shadowy figure and asked with a cold smile.

"Kid, I'm not afraid of you, I just don't have time to play with you!"

With that, the shadowy figure waved his hand, and the remaining three shadowy figures vanished simultaneously.

The four of them were about to join forces against David.

"Damn it..."

David frowned. "You shameless people! Four peak ninth-grade Human Immortals dared to attack me, a mere third-grade Human Immortal! You're ganging up on me,

showing no martial ethics!” “Ridiculous! This is the Heavenly Realm, the Ninth Heaven, a world where the strong are respected! What the hell are you talking about martial ethics here!”

The leading black figure sneered, then instantly unleashed countless sword beams!

The entire void around David was filled with those black sword beams.

Seeing this, David’s eyes narrowed, his killing intent rising.

The sword he held, solidified with sword intent, had transformed into the Dragon-Slaying Sword, the dragon crystal on his chest shimmering with golden light.

The power of the divine dragon surged within him, continuously flowing into the Dragon-Slaying Sword.

The Dragon-Slaying Sword emitted roars that echoed throughout the entire Ninth Heaven.

David swung the Dragon-Slaying Sword.

Whoosh!

A golden light suddenly erupted around David, and the countless black sword beams instantly vanished upon touching it.

Seeing this, the four black figures’ expressions changed drastically, and they all retreated.

They saw a gigantic golden dragon roar out from behind the golden light.

Sword light transforming into a golden dragon? They had never heard of such a thing, nor

had they ever seen anything like it.

“Everyone be careful, this kid’s identity is extraordinary...” the leading black figure shouted, urging the others to retreat quickly, while he used his intent sword to fiercely slash at the golden dragon!

Boom!

The golden dragon vanished, and the leading figure’s sword also disappeared, along with his entire arm.

Blood gushed from the severed arm like a fountain.

The leading figure stared at his severed arm, his eyes filled with shock, instinctively retreating backward! The

other three were also shocked!

How could David, who had just been suppressed, suddenly become so powerful?

With a single sword strike, he severed their leader's arm.

"Your turn..."

David, unleashing the power of the divine dragon, was filled with confidence, wielding the Dragon-Slaying Sword as he charged towards the remaining three.

A third-grade Human Immortal cultivator fighting four peak ninth-grade Human Immortal cultivators, and even gaining the upper hand and taking the initiative.

If they hadn't witnessed it with their own eyes, no one would believe it.

"That sword is extraordinary, be careful!"

the leading figure warned.

Seeing this, the remaining three suddenly drew solid swords from their waists.

Each sword was shrouded in black demonic energy.

The three of them took a step forward simultaneously, and three terrifying auras instantly condensed together, forming an immense pressure.

While using this pressure to intimidate David, the three of them also instantly drew their swords!

Swish swish swish...

In the entire void, terrifying sword energies crisscrossed, and the entire void began to shatter. Beneath

these countless sword energies, a golden sword light kept darting through.

That was David!

Wherever the golden sword light passed, all the sword energies disappeared.

The three black figures stopped, and David, while wielding the Dragon-Slaying Sword in his hand, was also enveloped by the immense pressure, his body constantly retreating.

It wasn't until he had retreated a thousand feet that David's figure stabilized.

At this moment, David's face was bloodless, and blood was still spilling from the corner of his mouth, but the dragon crystal on his chest shone even brighter.

A surge of divine dragon power, making his blood boil, coursed through his entire body.

David was now like someone injected with adrenaline, unable to stop.
