Chapter 5621

“That was exhilarating, let’s go again...”

David launched another attack, transforming into a streak of sword light and charging forward.

The three dark figures exchanged a glance and simultaneously muttered, “Pervert...”

They discovered that their swords were riddled with nicks and chips, likely from the damage inflicted by David’s Dragon-Slaying Sword during their recent battle.

Their swords were no ordinary weapons, yet they had been wounded in a single exchange.

However, even with their swords damaged, the three did not back down. Even with the Dragon-Slaying Sword and the power of the Divine Dragon, they remained confident they could defeat David. The three of them

soared into the sky together, clashing with David once more.

Under their combined assault, David was forced to retreat repeatedly, but he showed no fear.

Boom!

With a deafening roar, all the sword beams in the void shattered, and David’s body was sent flying thousands of feet away like a falling leaf!

The three black figures also retreated a hundred feet. Although they were uninjured, their internal energy began to churn, and their breathing became unstable.

“That was satisfying! Even if I can’t beat you today, I’ll still get my hands on your spot...”

David wiped the blood from the corner of his mouth and charged forward again.

This time, the three black figures frowned and looked at their leader, whose arm had been severed.

That's how fights are; they're not afraid of anything crooked or ruthless, but they're afraid of those who don't value their lives.

"What are you looking at? If the three of you can't take down David, we're all not going back!"

the leader of the black figures roared.

Hearing this, the three could only charge forward again, engaging David in a fierce battle.

But they discovered that David was getting stronger the more they fought, showing no signs of exhaustion.

Just as the three black figures were distracted, the Dragon-Slaying Sword in David's hand emitted a dragon's roar.

The three shadowy figures were startled and simultaneously raised their swords to defend.

But this time, they found they easily deflected David's sword light. Before

they could react, a figure appeared behind them. With a single swing of his sword, the three shadowy figures were terrified and instantly soared into the air. Even so, they were still injured by the sword energy, each with a deep bloody gash on their arm.

Although it was a minor injury, not fatal, for three peak ninth-grade Human Immortal cultivators, being injured by a third-grade Human Immortal cultivator was incredibly humiliating.

"Master, I think I'm alright?" Zhongli approached David, smiling. It turned out that the previous sword strike was merely a feint by David. He was using it to distract the opponent, allowing the sword spirit Zhongli within the Dragon-Slaying Sword to detach from the sword body, and then launch a surprise attack.

Although the attack wasn't fatal, injuring the opponent was still something to celebrate. Upon seeing the suddenly appearing sword spirit Zhongli, the leading black figure's eyes instantly gleamed with greed.

Although spirit swords were not uncommon in the Heavenly Realm, those that allowed their spirits to freely detach from the sword and aid in battle were extremely rare. Especially since this sword spirit possessed intelligence, functioning like a normal person. "A bunch of trash..."

A furious shout echoed from the sky, followed by a streak of black light hurtling towards David. David's eyes narrowed, and he immediately sent Zhongli back into the Dragon-

Slaying Sword. Only with Zhongli within the Dragon-Slaying Sword could it unleash its full power and reach its strongest.

Facing the meteor-like black light that hurtled towards him, David swung his sword to block. Boom! The Dragon-Slaying Sword trembled, the black light shattered, and David was blasted away, crashing to the ground, unable to get up for a moment.

“Damn it, these guys are shameless! So many of them bullying you! If I regain my physical body, I’ll definitely annihilate them!” the Crimson Cloud Demon Lord said angrily. David didn’t speak, but instead kept spitting out blood, almost vomiting out his internal organs. “Senior, do you recognize these people?” David asked.

After fighting for so long, David realized these people didn’t seem to be from the Evil Path Hall. But in the Nine Heavens, apart from the Evil Path Hall trying to capture him, he hadn’t had any contact with other sects. “I don’t know either, I’ve been away from the Nine Heavens for too long...” Crimson Cloud Demon Lord shook his head!

Chapter 5622

David looked up at the sky and saw a crack slowly opening in the void.

A man shrouded in black demonic energy slowly walked out.

The appearance of this man startled the four shadowy figures, who then stepped forward to pay their respects.

David, enduring his discomfort, slowly got up from the ground.

He stared intently at the man who had appeared, because this man gave him a strong sense of danger.

This man’s strength was definitely greater than the four shadowy figures; he must be a master of the Celestial Immortal Realm.

The difference in strength between even a single realm was immense.

The man glanced at the severed arm of the leading shadowy figure, his eyes filled with icy coldness: “Useless trash...”

With the man’s angry curse, the demonic energy on his body slowly disappeared, revealing a suit of black armor underneath.

The dark figure who had been insulted didn't dare utter a sound, head bowed, trembling all over, clearly terrified of the man. Only

then did the man slowly turn his gaze to David, a disdainful smirk appearing on his lips.

Whoosh!

The man suddenly vanished. At the same moment, David felt terrifying pressure bearing down on him from the surrounding void, like wheels crushing him.

David dared not be careless and quickly swung his Dragon-Slaying Sword.

The power of the Divine Dragon, the power of the three races, and the sword intent within his body all erupted in an instant.

His survival depended on this one strike.

Boom!

In a single instant, all of David's aura was crushed, and he was sent flying backward, his entire body cracking.

He was almost destroyed, his soul almost leaving his body.

The churning sensation within him made David gag.

"Not bad, you didn't die, and your body is still intact!"

The man seemed somewhat surprised to see David's condition.

"Even if you die, your grandfather won't die..."

David gritted his teeth and used his sword to

support himself as he stood up.

Not only did he stand, but he also charged straight at the man.

"So what if you're a Celestial Immortal? Today I'll definitely kill you..."

David roared, his eyes filled with intense fighting spirit.

Seeing David charging towards him, the man's eyes remained calm. With a slight flick of his wrist, David was instantly sent flying.

But even as he was thrown back, David charged at the man again.

This time, the man frowned, pressed his palm down, and David, who had been charging forward, felt as if his body was being crushed by ten thousand mountains, falling straight to the ground.

David gasped for breath, his eyes filled with fighting spirit, but he was utterly powerless.

“What kind of strength does this guy have? He’s so strong!”

David was speechless.

He wasn’t afraid of four peak ninth-grade Human Immortals; although he couldn’t defeat them, he shouldn’t be so suppressed, let alone able to retaliate and injure them.

Facing the man before him, David was utterly powerless.

“His strength is nothing...” the Crimson Cloud Demon Lord scoffed. “He’s just a newcomer to the Celestial Immortal Realm, trying to assert his dominance over you.”

“Just entered the Celestial Immortal Realm? How could this be?” David asked, puzzled.

“You’ve been fighting those four guys for half a day. Do you really think you can exhaust yourself indefinitely?”

“This guy is taking advantage of you, essentially using a tag-team strategy. If you were at your peak, you wouldn’t be so suppressed,”

the Crimson Cloud Demon Lord explained.

The Crimson Cloud Demon Lord’s explanation instantly gave David confidence, and he gritted his teeth and stood up again.

Seeing David stand up again, the man’s expression turned grim.

“Elder Fu, this kid is incredibly strange, and he has dragon blood,” the one-armed shadow said.

“Oh?” The man was taken aback, then looked David up and down again and said, “So you’re a hybrid of human and dragon, no wonder...”

After saying that, the man took a step forward, and in an instant, a terrifying pressure, like thunder, rushed towards David.

Chapter 5623

Holding the Dragon-Slaying Sword, David showed no fear in his eyes. The power of the divine dragon emanating from his body surged forth, and his sword intent flowed like a tidal wave, resisting the oppressive force.

Boom!

The collision of the two auras instantly sent David flying backward, blood spurting from his body in mid-air.

At this moment, David was already severely injured.

After landing, David still used the Dragon-Slaying Sword to forcefully prop himself up.

“Good lad, you’re still not dead after all...”

the man coldly sneered, then swung his claw towards him, distorting the entire void. David’s body involuntarily moved towards the man.

But just as David was about to be grabbed, a terrifying aura suddenly swept over him.

The man frowned and looked up at the sky.

A figure descended like a shooting star.

“This David, our Yama Heavenly Sect will protect him. Get out of here!”

The newcomer was Yan Nantian, who stood before David and said coldly to the man.

“Sect Master Yan, this David is someone the Soul Devouring Venerable wants. You dare to protect him?” the man questioned.

Upon hearing this, David realized that the people before him were not from the Evil Path Hall, but subordinates of the Soul Devouring Venerable.

David didn’t know if the Soul Devouring Venerable had fully recovered in the Nine Heavens.

If he had, then things would be troublesome.

Yan Nantian’s eyes narrowed: “Didn’t you hear me? My Yama Heavenly Sect will protect this David. Get out of here.”

“Don’t think that just because the Soul Devouring Venerable has returned to the Nine Heavens, you Earthly Fiend Alliance people are so great. In my Yama Heavenly Sect, you are still nothing but trash.”

Yan Nantian’s words were harsh, making the man and the several shadowy figures all turn ugly.

“Yan Nantian, your Yama Heavenly Sect isn’t what it used to be. Do you still think you’re the most powerful sect in the Nine Heavens?”

“Let me tell you, you...” *Boom! * Before the man could finish speaking, Yan Nantian raised his hand and pressed down. The man’s pupils contracted; he had no time to react before the immense pressure crushed his body, and his soul instantly flew out.

Yan Nantian had held back; otherwise, the man’s soul would have been completely annihilated. “What are you? Even your alliance leader wouldn’t dare speak to me like that. You, a mere elder, dare to threaten me?” Yan Nantian said disdainfully.

The man, now a spirit, glared angrily at Yan Nantian, saying, “Fine, since you’re not afraid of the Soul Devourer, I’ll tell him what happened today. I want to see your Yama Heavenly Sect destroyed with my own eyes.” “Don’t mention the Soul Devourer, so what if it’s the Blazing Fire Demon Lord? Those my Yama Heavenly Sect wants to protect, we will protect to the death.”

“If you’re not satisfied, you can call your men now and try to touch David again...” Yan Nantian said disdainfully. “You...” The man’s face darkened, but he was helpless. After all, their Earthly Fiend Alliance couldn’t compare to the Yama Heavenly Sect.

The Yama Heavenly Sect was one of the oldest sects in the Nine Heavens, and its power was second to none. Even though it was somewhat declining, its foundation remained, far surpassing the Earthly Fiend Alliance, a coalition of several small sects.

“Get lost!” Yan Nantian shouted coldly. The four black figures exchanged glances, but none dared to move, waiting for the man to speak. Even though the man was only a spirit, they still dared not overstep their bounds. The man stared intently at Yan Nantian.

Although Yan Nantian appeared calm, the man knew that if they didn’t leave, Yan Nantian would truly kill them. After all, in Yan Nantian’s eyes, the Earthly Fiend Alliance was nothing but a rabble!

“Let’s go...” the man finally waved his hand and left with the four shadowy figures. Seeing them leave, Yan Nantian turned to David and said, “I’m truly sorry to have startled you. I am Yan Nantian, the sect leader of the Yama Heavenly Sect. My subordinates abandoned you without permission; I will punish them.”

Chapter 5624

“Senior, you’re too kind. Your subordinates had no choice but to leave,” David quickly said.

“You don’t need to plead for them. Abandoning you is a violation of sect rules,” Yan Nantian said.

“Our sect never abandons those who have been kind to us. Since you have the golden scroll, no matter how you obtained it, it’s a promise from our Yama Heavenly Sect.”

“Even if the entire sect is destroyed, we will not break our promise,”

Yan Nantian said.

Hearing Yan Nantian’s words, David realized just how valuable this gift from the Crimson Cloud Demon Lord was.

He had initially thought it was useless, since Guan Jun had run away with his men, but now it seemed that obtaining the golden scroll from the Yama Heavenly Sect was no easy feat for the Crimson Cloud Demon Lord.

“Sect Master Yan, I’d like to ask, what exactly is this Earthly Fiend Alliance? How could they send so many experts at once?”

David asked.

Four peak ninth-grade Human Immortals, plus a Celestial Immortal elder—this organization must be incredibly powerful.

“It’s just an alliance formed by some small sects in the Ninth Heaven. These people are all the elites of the Earthly Fiend Alliance. Don’t worry, they’re nothing to be concerned about!”

Yan Nantian said, then led David to the Yama Heavenly Sect.

...

The Earthly Fiend Alliance!

In the main hall of the Earthly Fiend Alliance, three elders sat on either side, while a beautiful young woman sat in the main seat.

The young woman was dressed in white, her long, ink-black hair cascading over her shoulders, her fair face, and her red lips making her extremely alluring.

Despite her young age, the elders' eyes were filled with respect.

"Alliance Leader, it's an honor that Soul Devourer chose our Earthly Fiend Alliance. Now that Soul Devourer has been recuperating for so long, he should be recovering soon. Once he does, our Earthly Fiend Alliance will be the number one organization in the Ninth Heaven,"

an elder said. " Yes

, Soul Devourer ordered the capture of that guy named David. I reckon the Grand

Elder will bring him back soon." "I really don't know who David is, that Soul Devourer keeps thinking about him." The other

two elders echoed.

The woman didn't speak, but stared intently out the window, her eyes deep. She didn't know if the Soul Devourer's choice to recuperate in their Earthly Fiend Alliance was right or wrong, an opportunity or a disaster. "

Alliance Leader, the Grand Elder and the others have returned..."

At this moment, a disciple of the Earthly Fiend Alliance entered and said.

"Let him in..." the woman said.

Soon, the Grand Elder led four shadowy figures into the main hall.

As soon as they entered the hall, everyone was shocked.

The Grand Elder had become a soul body, and one of the shadowy figures had his arm cut off.

"Grand Elder, what happened? Is David very powerful?" an elder asked!

The Grand Elder shook his head: "No!"

"Then what happened? How did you all become like this?"

"Where is your physical body? Who destroyed your physical body?"

the other two elders asked in shock.

A Heavenly Immortal Realm cultivator's physical body being destroyed was a major event.

Although this is the Ninth Heaven, Celestial Immortals are extremely rare; not everyone can reach that level.

Aside from a few ancient sects in the Ninth Heaven, other sects almost never have a single Celestial Immortal.

"Shut up, all of you..."

the woman coldly shouted, and the three elders all fell silent.

"Elder, tell me what exactly happened?" the woman asked with a grim face.

The Elder nodded and recounted the events in detail to everyone.

At this, everyone began to frown.

"What exactly is going on with the Yama Heavenly Sect? Why are they protecting David? They..."

one elder asked, his face full of doubt, but before he could finish, seeing the woman looking at him, he quickly shut his mouth and stopped speaking.

Chapter 5625

"Elder, tell me, why is Yan Nantian protecting David?"

"David is only a third-grade Human Immortal. Even if he has exceptional talent and can fight beyond his level, he's still not a top expert in the Nine Heavens. Why is Yan Nantian protecting David when he's not even afraid of the Soul Devouring Venerable?"

The woman from asked the Elder.

The Elder shook his head: "I don't know either. I only know that the Evil Path Hall is also dealing with David, and that one of their Heavenly Venerables and one of their Dharma Kings have perished at his hands."

"What?" The three elders stood up abruptly, their faces filled with shock.

They knew that Heavenly Venerables and Dharma Kings of the Evil Path Hall were practically invincible in the Nine Heavens; how could they possibly die at the hands of a third-grade Human Immortal like David?

“The three vice-alliance leaders need not be alarmed. David is no match for me, so they couldn’t possibly have killed the Heavenly Venerable and Dharma King of the Evil Path Hall,” the Grand Elder said.

“You mean, there’s a powerful figure behind David?” the woman asked, her eyes narrowing slightly.

“Isn’t Yan Nantian protecting David? Isn’t he the powerful figure behind him?” an elder said.

“Could Yan Nantian have killed the Heavenly Venerable and Dharma King of the Evil Path Hall?” the woman angrily questioned.

The elder fell silent upon hearing this.

Even Yan Nantian didn’t possess such formidable strength to kill Heavenly Venerable and Dharma King level experts of the Evil Path Hall.

“Does the Alliance Leader mean that there’s someone even more powerful behind David?” the Grand Elder asked.

“Indeed.” The woman nodded. “When the Soul Devourer arrived here, he was clearly severely injured and had been extremely hostile towards David. However, David’s strength was far beyond that of the Soul Devourer, not even Yan Nantian’s.”

“This means that there must be someone even more powerful behind David, perhaps a powerhouse from the tenth heaven, or even a higher world.”

“In that case, the reason Yan Nantian wasn’t afraid of the Soul Devourer and wanted to protect David

must be because of that powerful figure?” an old man said. “Yes!” The woman nodded. “Yan Nantian, I know him too well. Although this guy is always benevolent and righteous

” Alliance

Leader, what should we do next? We’re afraid it’s difficult to deal with David, who is under Yan Nantian’s protection,” the Grand Elder said.

The woman gazed out the window, lost in thought for a moment, and slowly said, “Let’s temporarily stop targeting David. I also need to go to the Yanluo Heavenly Sect.”

“Alliance Leader, what are you going to the Yanluo Heavenly Sect for?” an old man asked.

“To apologize...” the woman said slowly.

“Alliance Leader, David injured our men and even cut off the arm of the leader of the Four Shadow Guards...” the Grand Elder hurriedly said.

“So what?” the woman retorted.

“If we spare David, or even apologize, won’t we be ridiculed by other sects?”

“Besides, the Soul Devouring Venerable will soon recover and emerge from seclusion. When he finds out we’ve done this, won’t he be unhappy?” the Grand Elder said.

“If the Soul Devourer can be injured once, then he can definitely be injured twice. We can’t put all our eggs in one basket.”

“What if David really has a powerful figure behind him, even surpassing the tenth or twelfth heaven?” the woman asked.

“That’s impossible, isn’t it?” an old man said, his face full of disbelief.

“Beyond the twelfth heaven? How is that possible? The twelfth heaven is considered the lower heaven, the thirteenth to twenty-fourth heaven is the middle heaven, and anything above the twenty-fourth heaven is the upper heaven.”

“To surpass the twelfth heaven, I don’t need to tell you how difficult it is. I’m sure the Alliance Leader knows. The powerful figure behind David is at most no higher than the twelfth heaven.”

another old man also didn’t believe it.

“Ignorant...” the woman slowly got up and walked towards the exit of the hall, saying as she walked, “A mere third-grade Immortal dares to provoke the Evil Path Hall, dares to provoke the Soul Devourer, and even dares to stroll around the Ninth Heaven. Just how powerful do you think the person behind him is?”

The three old men and the Grand Elder fell silent, because even with their strength, they didn’t have that kind of courage.
