Chapter 5626

At the Yama Heavenly Sect,

David followed Yan Nantian. Guan Jun and the others were still trembling in the main hall.

They all prayed that David wouldn't get hurt, otherwise Yan Nantian wouldn't let them off.

Several disciples looked at Guan Jun with cold eyes.

If Guan Jun hadn't abandoned David, things wouldn't be like this.

Now they all blamed Guan Jun, knowing that Yan Nantian was the strictest enforcer of the law, and he meant what he said.

If David had been hurt, they would all be dead.

"Don't look at me like that. I'll take responsibility for my actions. When the sect leader returns, I'll say I made the decision myself, and it has nothing to do with you,"

Guan Jun said coldly, unable to bear the disciples' stares.

"Can you take responsibility?" Yan Nantian's voice came from behind.

Guan Jun looked up and saw that Yan Nantian had returned, followed by David, who was covered in wounds, indicating he had been through a fierce battle.

"Sect Master, I..." Guan Jun didn't know what to say.

"Hmph, it's fortunate David is alright, otherwise even killing you wouldn't make up for the losses of my Yanluo Heavenly Sect." Yan Nantian sneered, "Quickly apologize to David."

"Mr. Chen, I'm sorry..."

Guan Jun hurriedly apologized to David.

At this moment, Guan Jun also regretted not bringing David back with her. She just hadn't expected Yan Nantian to care so much about David.

David merely glanced at Guan Jun, saying nothing, neither forgiving nor refusing to forgive.

"David, I also bear some responsibility for this. If I had personally gone to fetch you, this situation wouldn't have occurred,"

Yan Nantian said apologetically.

"Sect Master Yan, you're too kind. It's just that my enemy was too powerful, which is why your disciples were afraid."

David smiled faintly.

"They're all here. You can do with them as you please," Yan Nantian said. Hearing

Yan Nantian's words, Guan Jun and the other disciples all trembled.

"Mr. Chen, we're so sorry. We were just following our senior sister's orders

. We didn't mean to be unwilling to help you." The disciples all begged David, essentially betraying Guan Jun.

Guan Jun's face was incredibly pale, her eyes filled with pleading as she looked at David.

"Mr. Chen, it was all my own doing. It's not about following others, and it's certainly not the sect leader's intention. If you want to punish someone, punish me."

"No matter how Mr. Chen punishes me, I will have no complaints. Even if Mr. Chen needs my body, I'll do it willingly."

Guan Jun didn't want to die, so she wanted to use her body to save her life.

She hoped David was a lecher who coveted her body, so she wouldn't have to die.

David glanced at Guan Jun. Although he liked to play with women, he wouldn't play with just any woman.

David was indeed very angry when Guan Jun left with her men.

However, now that Guan Jun had shown responsibility and was quite a tough woman, David didn't want to do anything to her.

If Guan Jun dared to shirk responsibility, David wouldn't let her live.

"Alright, don't be afraid, I won't do anything to you. In the face of danger, your choice was right."

"After all, I have no relation to you, there's no need for you to risk your lives for me,"

David said calmly.

Yan Nantian smiled with satisfaction after hearing David's words and said, "Since David has spared you, you can all get up and take him to recuperate."

Guan Jun and the others all got up, and then disciples took David to recuperate. Of course, all the resources would have to be provided by the Yanluo Heavenly Sect.

After David left, Yan Nantian looked at the bowed Guan Jun and coldly smiled, "Do you think I went a bit too far? To gamble the fate of the entire Yanluo Heavenly Sect for a promise?"

Chapter 5627

Guan Jun glanced at Yan Nantian, then shook her head: "This disciple wouldn't dare..."

"That's what you're thinking, don't think I don't know. You've followed me for so long, do you think I don't know what you're thinking?"

Yan Nantian said.

Guan Jun fell silent. She truly couldn't understand why Yan Nantian would do this.

What abilities did that David possess that made the Yama Heavenly Sect risk their lives for him?

Just for a golden scroll? For

a promise from many years ago?

Guan Jun found it hard to believe.

"Have you investigated that David?" Yan Nantian asked.

Guan Jun shook her head: "No..."

“Then do you know why David, a mere third-grade Human Immortal, can come to the Ninth Heaven?”

“Do you know why he offended the Evil Path Hall but is still alive?”

“Do you know how a third-grade Human Immortal could have a grudge against the Soul Devouring Venerable?”

Yan Nantian’s series of questions stunned Guan Jun; she really didn’t know.

She only knew that David himself said he had a grudge against these people, but as for the specifics, Guan Jun truly didn’t understand. “Let me tell you, this David is only at

the third rank of the Human Immortal Realm, yet he can defeat cultivators at the peak of the ninth rank of the Human Immortal Realm, and even hold his own against four peak ninth-rank Human Immortal Realm cultivators.”

“Let me tell you, this David not only offended the Evil Path Hall, but he even killed an elder, a Dharma King, and a Heavenly Venerable of the Evil Path Hall...” “Let me tell you, when the Soul Devouring Venerable returned to the Ninth Heaven, he was severely injured, and that was done by David.”

“Do you really think David is just an ordinary cultivator? How could an ordinary cultivator possibly obtain the golden scroll from the Crimson Cloud Demon Lord?” Yan Nantian said.

Guan Jun was stunned, his expression one of utter shock: “Sect Master, do you mean that David has a powerful force behind him?”

“Nonsense, otherwise how could he have survived the Evil Path Hall’s pursuit until now, and even caused the Evil Path Hall to lose high-level experts like a Dharma King and a Heavenly Venerable?”

Yan Nantian smiled faintly.

He saved David, even risking the fate of the entire Yanluo Heavenly Sect, precisely because of this, not for a golden scroll or a promise. ” Sect

Master, how powerful must the force behind David be? Is it even stronger than the Evil Path Hall?”

Guan Jun asked incredulously.

“I don’t know how strong it is, but I’m sure it’s stronger than the Evil Path Hall.”

“Our Yanluo Heavenly Sect’s influence in the Nine Heavens is dwindling. If we want to regain our strength, we must find a powerful backer.”

“The old sect master has been missing for so long. If we can’t find a powerful backer, our Yanluo Heavenly Sect will only become more and more marginalized, eventually being swallowed up by other sects.”

Yan Nantian looked out the window with a deep gaze.

How powerful the Yanluo Heavenly Sect used to be in the Nine Heavens, but now it has fallen to this state.

“I understand!” Guan Jun nodded.

Only now did she realize how foolish she had been, almost ruining the entire sect’s grand plan.

“Now that you understand, you know what to do!” Yan Nantian said.

“I know!” Guan Jun replied, turning and leaving.

She went directly to David’s room where he was recuperating.

At this time, David was slowly recovering using the resources provided by the Yanluo Heavenly Sect.

Seeing Guan Jun suddenly walk in, David was somewhat surprised.

“Miss Guan, is there anything I can help you with?”

David asked.

Guan Jun took out her storage bag and tossed it to David: “Mr. Chen, these are the resources I’ve accumulated. You can take them and use them...”

“No need, your sect leader has already sent someone to deliver the resources.”

David waved his hand.

“Mr. Chen, this is my sincere apology. Please accept it.” Guan Jun said.

Chapter 5628

“Alright!” David put away Guan Jun’s storage bag.

In truth, Guan Jun’s resources were a drop in the ocean for David.

Seeing David put the storage bag away, Guan Jun didn’t leave, but quickly took off her clothes.

“Miss Guan, what are you doing?”

David stared wide-eyed at Guan Jun.

“Mr. Chen, I know you’re badly injured. If someone cultivates with you, it can help you recover faster.”

After saying this, Guan Jun sat down next to David.

“Sigh...” David sighed softly. To recover quickly, he had no choice but to do what he loved.

Meanwhile, in the main hall of the Yanluo Heavenly Sect,

Yan Nantian wanted to rest for a while, but a disciple quickly entered.

“Sect Master, the leader of the Earthly Fiend Alliance has arrived...” the disciple reported.

“Why is she here?”

Yan Nantian frowned.

He didn’t believe the Earthly Fiend Alliance would dare to cause trouble at his sect. Even if they

had a hundred lives, they wouldn’t dare.

“How many people did they bring?” Yan Nantian asked.

“Only the Earthly Fiend Alliance Leader came alone!” the disciple replied.

Hearing that it was only one person, Yan Nantian was even more puzzled, but he still waved his hand: “Let her in...”

The disciple withdrew and quickly led the Earthly Fiend Alliance Leader in.

“Alliance Leader Liu, why have you come to my Yanluo Heavenly Sect today? It’s not to demand an explanation for your Grand Elder, is it?”

Yan Nantian asked the Earthly Fiend Alliance Leader coldly.

“Sect Leader Yan misunderstands. Our Grand Elder was disrespectful to you. You only destroyed his physical body; that was already showing mercy. How could I possibly demand an explanation?”

Alliance Leader Liu smiled slightly.

Yan Nantian was taken aback, but seeing that Alliance Leader Liu was not joking, his attitude softened considerably. “Alliance Leader Liu, please

sit down...” Yan Nantian said.

“Thank you!” Alliance Leader Liu sat down slowly, displaying the demeanor of a refined lady.

“Alliance Leader Liu, what brings you to our Yanluo Heavenly Sect today?” Yan Nantian asked.

“Sect Leader Yan, I wish to see that Young Master Chen today and apologize to him,” Alliance Leader Liu said.

“Apologize?” Yan Nantian was bewildered.

The Earthly Fiend Alliance had sent elite experts to capture David, so why the sudden apology?

“Our Earthly Fiend Alliance’s Grand Elder privately brought several experts who disrespected Young Master Chen. I was deeply ashamed when I learned of this, so I came here specifically to apologize,”

Alliance Leader Liu said with a smile.

Yan Nantian was even more bewildered, looking at Alliance Leader Liu with confusion: “Weren’t you ordered by the Soul Devourer to capture David?”

“I think there are many misunderstandings here. Is Young Master Chen at your residence? I’d like to clarify things in person.”

Alliance Leader Liu wanted to see David.

“Alright, I’ll have someone summon David, but he’s injured, and quite badly so,” Yan Nantian said.

Upon hearing this, Alliance Leader Liu quickly said, “Then don’t let Young Master Chen escape. I’ll go see him myself. I hope Sect Leader Yan can lead the way.”

Yan Nantian nodded and then led Alliance Leader Liu towards David's room.

But just as they reached the door, they heard a soft, panting sound coming from inside.

The sound was intense and rhythmic, the breathing heavy and labored.

Alliance Leader Liu couldn't help but laugh: "I didn't expect Young Master Chen to have this hobby..."

Yan Nantian quickly explained, "I saw that David's injuries were too severe, so I had a female disciple cultivate with him, hoping it would help him recover quickly..."

Alliance Leader Liu smiled slightly and said nothing more.

He waited quietly outside the door, not wanting to rush in and disturb David's good time.

Several hours later, David's door opened!

Guan Jun, his face flushed, staggered out. When he saw Yan Nantian and Alliance Leader Liu standing at the door, he was completely stunned.

Chapter 5629

"Sect Master..." Guan Jun's face flushed red, unsure what to say.

"Go, get some rest."

Yan Nantian waved his hand.

Guan Jun said nothing, enduring the pain as he quickly left.

When Yan Nantian led Alliance Leader Liu into the room, David had just finished dressing!

Seeing that Yan Nantian had brought in another woman, and this woman was dressed in white with long, flowing hair, looking very dignified and elegant, her appearance a level above Guan Jun's.

"Sect Master Yan, I appreciate your kindness, but I'm really not up to the task of finding another woman to cultivate with."

"Tomorrow, tomorrow I'll cultivate with this young lady, what do you think?"

David thought Yan Nantian had sent him another woman.

Upon hearing this, Yan Nantian quickly explained, "David, you've misunderstood. This is the leader of the Earthly Fiend Alliance..."

"The leader of the Earthly Fiend Alliance?" David was taken aback; he hadn't expected the other party to be a woman.

Leader Liu looked at David and smiled slightly, saying, "Young Master Chen is indeed a man of exceptional talent, not only outstanding in appearance but also skilled in martial arts. That Miss Guan was truly fortunate."

"I'm so sorry, please excuse my rudeness!" David said apologetically.

"Young Master Chen, my name is Liu Xue, leader of the Earthly Fiend Alliance. I know we've had some misunderstandings with you, so I've come to express my apologies."

Liu Xue bowed deeply to David as she spoke!

This scene surprised even Yan Nantian.

David was also stunned, wondering what Liu Xue was up to.

"I can accept your apology, but you people from the Earthly Fiend Alliance injured me like this, isn't that..."

"I've brought resources specifically for Young Master Chen to make up for our mistake." Before David could finish speaking, Liu Xue tossed out a storage bag.

David opened the storage bag and found it filled with high-purity immortal stones, immortal herbs, and immortal crystals.

"If Young Master Chen feels his sincerity isn't enough, then what Miss Guan can do, I can do too." "I can also cultivate with Young Master Chen to

help him recover quickly."

Liu Xue openly discussed cultivation.

It seemed cultivation was nothing special to her.

David looked at Liu Xue with some surprise, put away his storage bag, and shook his head, saying, "Cultivation is out of the question, I'm afraid Alliance Leader Liu..."

"I've never cultivated with anyone before, don't worry..."

Liu Xue knew what David was worried about, so she said.

Yan Nantian, standing to the side, looked at David with envy in his eyes.

Liu Xue became the leader of the Earthly Fiend Alliance at such a young age, relying on her strength and methods.

Every man wants to conquer such a woman, but none has the ability.

Now, Liu Xue, upon meeting David, actually took the initiative to propose cultivation; how could anyone not envy her?

“David, Alliance Leader Liu is considered a great beauty in the Nine Heavens. Many dream of cultivating with her, but none have the fortune. Now that Alliance Leader Liu has offered, shouldn’t you seize the opportunity?”

Yan Nantian said to David.

However, David still shook his head, saying, “While I like beautiful women, I won’t coerce them. I accept Alliance Leader Liu’s apology, but as for the matter of cultivation, let’s forget about it!”

Liu Xue was slightly taken aback; she had never imagined a man would refuse to cultivate with her.

At this moment, Liu Xue’s gaze towards David was filled with a desire to explore.

“Since Young Master Chen has accepted my apology, I feel much more at ease.”

Liu Xue smiled slightly, not dwelling on the matter of cultivation, and continued, “I’ve heard that Young Master Chen possesses a spirit sword, the kind whose spirit can leave its body. May I see it?”

David casually grabbed, and the Dragon-Slaying Sword appeared in his hand.

Chapter 5630

“Alliance Leader Liu, you can take a look, but you need information. This sword recognizes its master; don’t let it harm you.”

David handed the Dragon-Slaying Sword to Liu Xue.

Liu Xue held the Dragon-Slaying Sword, feeling the aura emanating from it, her eyes filled with affection.

“Young Master Chen, if I wanted to exchange this sword for yours, would you?” Liu Xue asked.

“What would you exchange it for?”

David smiled playfully.

“I would. I can become your woman, and I can cultivate with you anytime...” Liu Xue said!

Yan Nantian was stunned by Liu Xue’s words. Who would exchange themselves?

Did Liu Xue want to become David’s maid?

“Hahaha...” David laughed, “What Alliance Leader Liu can give me, this Dragon-Slaying Sword can also give me.”

“But what Alliance Leader Liu can’t give, this Dragon-Slaying Sword can also give...”

Liu Xue was stunned, not understanding what David meant, so she asked curiously, “Could this sword also be used for dual cultivation with you, allowing you to enjoy the pleasures of a man?”

David didn’t speak, but silently glanced at the Dragon-Slaying Sword! The

Dragon-Slaying Sword instantly emitted a buzzing sound, followed by a flash of white light, and the sword spirit Zhongli appeared from within the Dragon-Slaying Sword.

“Hmph, my master isn’t someone anyone can just take a liking to.”

Zhongli rolled her eyes at Liu Xue.

“Alliance Leader Liu, this is the sword spirit Zhongli within that Dragon-Slaying Sword. Do you think she can give you what you can?”

David raised his hand and pulled Zhongli into his arms.

Zhongli’s docile, dependent manner made it clear to anyone with eyes that David had already been intimate with her.

Yan Nantian couldn’t help but sigh, realizing his own ignorance.

He hadn’t expected David to be able to wield a sword.

She had hoped Guan Jun would charm David, thus creating an opportunity for the Yanluo Heavenly Sect.

Now, it seemed this sword spirit was superior to Guan Jun in both appearance and physique.

Liu Xue hadn't considered this, and her face flushed with embarrassment. She could only return the Dragon-Slaying Sword to David.

"Young

Master Chen, I've been a bit presumptuous. As the saying goes, a gentleman doesn't take what others love. This sword is Young Master Chen's prized possession; how could I possibly covet it?"

Liu Xue said.

David took the Dragon-Slaying Sword, and Zhong Li returned to the sword.

"Alliance Leader Liu, you're targeting me on the orders of the Soul-Devouring Lord. Is the Soul-Devouring Lord with you?" David asked.

Liu Xue hesitated for a moment, then nodded: "The Soul-Devouring Lord is indeed with us, but he's sealed himself in a cave to recover, so we can't get close."

"David, are you going to settle accounts with the Soul-Devouring Lord?" Yan Nantian asked worriedly.

David shook his head: "I was just asking; I haven't planned to settle accounts with him yet."

David wasn't stupid. With his current strength, he had no way to settle accounts with the Soul-Devouring Lord.

Besides, his main task now was to find the God King and see what had happened to him in the Nine Heavens.

As long as the Soul Devourer and the Evil Path Hall didn't cause him trouble, David didn't want to bother with them for the time being.

"Young Master Chen, since you're not interested in me, to show my sincerity, I know of a ruin that I hope to explore with you," Liu Xue said.

"A ruin?" David was taken aback.

Ruins are often accompanied by various resources and treasures, but they also come with danger.

“Alliance Leader Liu, are you referring to the Tianmen Mountain ruins?” Yan Nantian asked, somewhat surprised.

“That’s right!” Liu Xue nodded.

“So many people have searched for the Tianmen Mountain ruins, all returning empty-handed. Even many cultivators from the Eighth Heaven have come to search for these ruins.”

“Unexpectedly, it was finally discovered by your Earthly Fiend Alliance,” Yan Nantian said enviously.

“Sect Leader Yan, what are these Tianmen Mountain ruins?” David asked.

“This Tianmen Mountain Ruins was once a sect on par with my Yama Heavenly Sect in ancient times. However, Tianmen suddenly vanished overnight.”

“Legend has it that Tianmen was destroyed in a single night by an enemy from a higher world, or that the entire sect was taken to a higher world.”

“Anyway, it disappeared. From then on, Tianmen Mountain, where Tianmen was located, became a place for people to search for treasures, thus becoming the Tianmen Mountain Ruins.”

“However, over the years, only some broken fragments of magical artifacts have been found at the Tianmen Mountain Ruins; nothing else has been discovered.”

Yan Nantian explained in detail to David.
