Chapter 1019 Decisive And Ruthless

As Sylvester channeled his internal energy, a strong wind began blowing through the living room.

With a swift rotation of his palm, Kai unleashed a golden beam of light that held Sylvester in place. With his body completely immobilized by the golden beam, the aura around Sylvester vanished without a trace in an instant.

The pressure from the beam was so intense that it felt like he was being crushed between two cars.

Sylvester clenched his teeth as he tried his best to resist it, but it wasn't long before he started bleeding from all orifices while his body began to contort.

Boom!

With a deafening noise, Sylvester's entire body exploded like a balloon that had been popped.

All the members of the Cooper family were so terrified that they ran off on the spot, leaving the high-ranking members of the Bailey family behind.

"Mr. Bailey, now that the Cooper brothers are dead, I hope you will take over their family businesses as quickly as possible," Kai said.

Having been snapped out of his daze, Samuel quickly nodded and replied, "S-Sure thing..."

"From now on, the Bailey family shall be my spokesperson in the business industry. I will make an official announcement about this soon. If you have any questions, please raise them now. The consequences will be a lot harsher if you wait till after the announcement, Mr. Bailey," Kai continued without any hesitation.

I'll have to make my stance incredibly clear from the get-go if I am to take on the Warriors Alliance. I can't risk having such betrayals happen to me during critical moments!

"No questions here, Mr. Chance. It is a great honor for the Bailey family to work under you!" Samuel replied readily.

Having personally witnessed Kai's development over the past few months, he had seen how Kai went from a mere nobody to someone powerful enough to challenge the Warriors Alliance.

Kai nodded in satisfaction before shifting his gaze toward the high-ranking members of the Bailey family, causing them to fall on their knees in fear.

Treyson had tears in his eyes as he pleaded with Samuel, "I'm sorry, Mr. Bailey! Sean left me with no choice! Please forgive me!"

Samuel's expression was extremely vicious as he glared at the high-ranking members kneeling before him. If there was one thing he hated the most in the world, it was those who betrayed their own people.

"How should we deal with them, Mr. Chance?" he asked.

Since Kai had regained control over the Bailey family, Samuel decided to let him make that decision.

"I'll leave that up to you," Kai replied calmly.

Samuel's eyes narrowed as he turned to look at Treyson. "Men, take this traitor outside and club him to death! As for the others, I want their businesses confiscated before removing them from the Bailey family!"

Despite his old age, Samuel was still decisive and ruthless in his ways.

After all, that was the only way for a man like him to manage such a huge family.

Having taken care of the high-ranking members, Kai retrieved a tiny bottle from his pocket and handed it over to Tristan.

"Here you go, Tristan. You need to take these body pills and strengthen yourself as much as you can."

Kai knew full well that he couldn't protect the Bailey family all the time, so he needed to provide them with a way to defend themselves during his absence.

"Thank you, Mr. Chance! Thank you so much!" Tristan exclaimed excitedly as he took the pills over.

"From now on, I'll have Medicine God Sect routinely deliver pills over to your household. Mr. Bailey, you will need to pick out a few talented and reliable members of your family and have them strengthen themselves as much as possible. Another bloody battle is about to begin," Kai said with a vicious glint in his eyes.

It'd take too long to save my mother all on my own, and I can't afford to wait that long. I need to build up my forces as best I can and take out the Deragons in a battle to the death! Too bad I've only found three of Dragon Sect's thirteen regiments... I wonder where the others are...

Chapter 1020 Bring Her To Me

Warren's wounds had mostly healed up after spending an entire day recovering, but the look on his face was still twisted with rage.

Ryker, too, had a gloomy expression as he sat down nearby. Not only did Kai have Shadow Estate acquire Thunderstorm Sect and the Shalvis family, but the Bailey family had also acquired the Cooper family on the very same day.

With both Shadow Estate and the Baileys on his side, Kai's influence in Jadeborough had increased tremendously.

While Warren and Ryker were sulking in frustration, Zion came into the lobby all of a sudden.

"President Zeigler!" Warren leaped to his feet upon seeing him.

He was about to say something, but Zion cut him off with a wave of his hand.

"I know what happened. Kai can have those little sects if he likes them so much. If he thinks that's all it takes for him to gain a foothold in Jadeborough, then he is gravely mistaken!" Zion let out a disdainful chuckle as he continued, "Warren, do you remember the woman you told me about?"

Warren nodded. "Yes, I do."

"Gather your men and bring her to me. However, you are not to hurt her even in the slightest, let alone kill her. Otherwise, none of you will live to see the next day!" Zion ordered sternly.

Judging by how serious Zion was, Warren could tell that Josephine must've been very important to the Warriors Alliance.

"Understood!"

Warren then picked out a few Eighth Level Martial Arts Grandmasters and headed off to capture Josephine.

Zion waited till he was gone before turning toward Ryker. "Is there something I can help you with, Mr. Deragon?"

"President Zeigler, we can't just sit by and do nothing after Kai beat my son up like that! Would you please allow us to punish him for what he has done?" Ryker explained.

Of course, Ryker wasn't actually doing this for the sake of revenge. He was just afraid that the Warriors Alliance would torture Kai to death if they caught him. Ryker needed Kai alive so that he could threaten Beatrice into telling him the secrets he wanted.

That was why he wished to get his hands on Kai before anyone else.

"Since you've mentioned it, I suppose I'll have to grant you the honor of teaching Kai a lesson. However, Mr. Sanders has specifically instructed us to leave Kai be for the time being. Rest assured that his time will come soon enough, though," Zion replied with an awkward look on his face.

Ryker frowned when he heard Zion mention Mr. Sanders, but he could only nod helplessly as he said, "Looks like we'll just have to let Kai enjoy a few more days of freedom, then... I still can't accept what he has done to my son, though!"

"Mr. Deragon, there is actually something you can do about that..."

Ryker's eyes lit up as Zion leaned in and whispered into his ear.

"W-What if Edgar is no match for Kai? I'd just be embarrassing myself, then!"

"Don't worry. Kai may be quite talented, but his capabilities do not surpass that of Edgar's. Besides, I know you Deragons have secret weapons up your sleeves. In the worst-case scenario, you can just have Edgar offer up the secret weapon! I'm sure Kai wouldn't kill him," Zion replied with a smile.

Ryker nodded. "I guess you're right! In that case, I'll go prepare the challenge invitation on the forum!"

Zion gave him a reassuring pat on the shoulder. "Don't worry. I'll be sure to prepare a huge gift for Edgar on the day of the fight."

"Thank you very much, President Zeigler!" Ryker said happily before leaving.

Zion then slowly made his way to the top floor of the Warriors Alliance headquarters where he could see all of Jadeborough from.

“If that woman really has a fiery constituent, then I would surely be able to boost my powers greatly...” he mumbled under his breath.

Chapter 1021 Going Shopping

Leviathan and the others gathered at Shadow Estate.

With Josephine and Lizbeth’s help, Leviathan only took one day to take over the Thunderstorm Sect and the Shalvis family’s authorities.

“Mr. Chance, Ms. Sullivan and Ms. Grange are amazing. These two young ladies are no less powerful than us. It is incredible that they can attain such powers despite their young age!” Leviathan kept praising Josephine and Lizbeth after witnessing their abilities.

Meanwhile, Josephine and Lizbeth were a little embarrassed by his fervent praises.

“Did you come across any resistance from the Warriors Alliance when claiming authority from the Thunderstorm Sect and the Shalvis family?” Kai asked.

“No, there was no trouble from them at all. It wasn’t just the Warriors Alliance. We didn’t even encounter any other sects. That does seem strange now that you mentioned it. These sects are usually very alert about such matters. If they knew what we were doing, they would get involved to garner some benefits for themselves,” Leviathan replied and seemed puzzled.

Kai sank into deep thoughts. We carried out a large-scale operation, so there is no way that the Warriors Alliance knows nothing. But why didn’t Zion, Warren, or any other people stop us? It seems they don’t regard us as a threat. Still, it is good that they are looking down on us. That will give us an advantage. I will also have more time to cultivate and grow my power.

“I will go into seclusion for a few days, so don’t disturb me unless there is something urgent. You can wake me up after General Jackson has finished contacting the reporters,” Kai instructed Leviathan.

Since everything was relatively peaceful now, Kai wanted to grab the chance to cultivate.

Furthermore, Kai had the Thousands of Miles Away painting in his possession. Thus, he no longer had to worry about his depleting spiritual energy. However, he was unsure whether the spiritual energy in Thousands of Miles Away painting was inexhaustible.

“Understood!” Leviathan nodded.

Then, Kai turned to Josephine and Lizbeth and said, “Josephine, Lizbeth, both of you should cultivate with me too!”

“You go ahead. Lizbeth and I want to go shopping to buy something,” Josephine replied.

“You’re going shopping now? It’s already late!” Kai asked.

“We want to shop for some ladies’ things and will return soon. You can start cultivating without us,” Josephine answered and dragged Lizbeth with her out of the Shadow Estate.

Kai felt uneasy as he watched Josephine and Lizbeth leave.

“My Lord, please don’t worry. Ms. Sullivan and Ms. Grange are more than able to protect themselves. Ordinary people would not even be able to come near them,” Leviathan said when he saw Kai’s worried expression.

Kai realized that Leviathan was right. At Josephine and Lizbeth’s level of abilities, they could easily defeat a Level Seven Martial Arts Grandmaster.

Thus, Kai instructed Leviathan to arrange a room for him to enter seclusion. Then, he took out the Thousands of Miles Away painting from his Storage Ring. He went into the said painting using his spiritual sense and began to cultivate.

Meanwhile, Josephine and Lizbeth walked hand in hand and arrived at Jadeborough’s bustling street. They were happy to see the gorgeous night scenery.

Although they had been to Jadeborough a few times, they never had the chance to walk around its streets.

“Lizbeth, there’s a pedestrian street ahead. Let’s go there to have a look.” Josephine saw the crowd ahead and pulled Lizbeth toward them.

“Josephine, won’t Kai be worried if we return late?” Lizbeth asked.

She was worried that Kai was waiting for them.

“He should have started cultivating by now, so why would he worry? It will be fine.”
Josephine dragged Lizbeth over to the crowded street.

Then, they entered Jadeborough’s most bustling street. There were numerous things to shop for and various restaurants selling delicacies.

Josephine and Lizbeth’s eyes brightened upon seeing the vast choices of food.

They dined at various restaurants along the street for more than two hours. In the end, they patted their full bellies and decided to head home.

Chapter 1022 They Abducted Her

Josephine and Lizbeth had just come out of the pedestrian street when six youngsters came to them. The youngsters looked like they had been drinking and were drunk.

One of the youngsters wore a plaid suit and had his hair parted in the middle. He kept leering at Josephine and Lizbeth the moment he noticed them.

Josephine and Lizbeth noticed the youngster’s leering gaze and looked at him with disgust. Then, they walked past the group of youngsters and continued ahead.

The youngster in a plaid suit blocked Josephine and Lizbeth’s way and said with a lecherous expression, “Hey, pretty ladies. Where are you going? I have a car, so let me send you...”

Then, he pressed his car key, causing a nearby Ferrari to flash its light.

Josephine frowned and said with a disgusted tone, “Scram...”

“Whoa, you are feisty. Just the type I like...” said the man in a plaid suit as he reached out to grab Josephine.

Josephine snorted and exerted a wave of aura from her body.

Before the man in the plaid suit could react, a colossal force suddenly sent him flying more than ten meters away, causing him to fall heavily onto the ground.

Seeing this, the other youngsters instantly woke up from their drunkenness. They looked at Josephine and Lizbeth in shock.

Each youngster rubbed their eyes and could not believe what they witnessed.

None of them had seen Josephine move her hands. Yet, she managed to fling their friend away. They were frightened by what they saw.

Thus, they ran to help the youngster in a plaid suit up before looking at Josephine and Lizbeth with terror in their eyes.

Meanwhile, Josephine and Lizbeth sneered at those youngsters and continued walking forward. Josephine patted the Ferrari as they walked by.

The Ferrari collapsed instantly as if an immense weight pressed down on it.

The youngsters were stupefied by what they saw and did not dare to move until Josephine and Lizbeth had disappeared from their sight.

“Hahaha, that feels amazing. Did you see those idiots’ faces? They were so funny.” Josephine laughed.

Lizbeth looked at Josephine and asked worriedly, “Josephine, didn’t Kai say not to use your aura against ordinary people, especially on busy streets? How can you forget that?”

“It’s fine. I didn’t kill anyone. All I did was teach those idiots a lesson!” Josephine seemed unconcerned.

However, when Josephine and Lizbeth left the busy downtown and came near the suburbs, a few auras suddenly appeared and surrounded them.

Then, four masked men in black clothes blocked their path.

Josephine and Lizbeth’s expressions darkened as they sensed the aura of these masked men.

Lizbeth glared at them and asked, “Who are you?”

They ignored Lizbeth’s question. One of the masked men looked at Josephine and asked, “You have to come with us.”

“Who are you? Why should she go with you?” Lizbeth stood before Josephine and shielded her from them.

“We would prefer not to use force. Thus, coming with us quietly is your best choice,” said the leading masked man.

A cold glint flashed in the leading masked man's eyes. His aura grew multifold. Suddenly, Josephine and Lizbeth found themselves unable to move as if someone had used Body Locking Technique on them. It felt like a mountain was pressing on them.

"Don't hurt Lizbeth. I will go with you!" Josephine said urgently.

Josephine knew she and Lizbeth were no match against the four masked men. There was a wide disparity between their powers.

Hearing her, the leading masked man waved his hand, and two other masked men instantly came forward to grab hold of Josephine. Then, they jumped and disappeared into the darkness.

After they left, Lizbeth finally felt the immense pressure lifted from her. She immediately ran toward Shadow Estate.
