

The Mans Decree Chapter 2476 -

Chapter 2476 Insane Power

In the meantime, Kai was busy cultivating in Ethereal Realm by channeling his Focus Technique to absorb energy from the gold apatite.

Time passed by in the blink of an eye, and two weeks later, Kai had finished absorbing the last ounce of energy in the gold apatite.

The initially shiny and golden gold apatite had become as dull as an ordinary stone.

Seeing that Kai had woken up from his cultivation, Flaxseed quickly asked, “Kai, what cultivation level are you on now? I felt your aura change a few times.”

Kai let out a heavy sigh and felt the energy churning within his body. His eyes lit up as he replied emotionally, “I’m now a Sixth Level Manifestor. If I can get my hands on another gold apatite, I might become a Top Level Manifestor or even achieve the Breakthrough!”

Flaxseed pursed his lips when he heard that. “There’s something insane about your body. A gold apatite is filled with an enormous amount of power. However, you only went up several minor cultivation levels with it. I wonder how big of an amount of resources you’ll need to achieve Tribulator and become immortal. I think you’ll need more resources than what the entire Ethereal Realm can offer.”

Flaxseed was shocked to see the amount of resources Kai needed. Judging by his current progress in cultivation level, I’m sure he’ll need even more resources in the future. In other words, Ethereal Realm won’t be enough for him!

“I don’t know why I need more resources than others to cultivate. Nevertheless, my hand seals might be the reason. I’m now a Sixth Level Manifestor. I wonder if I can finally utilize Dragon Bell!” Kai wanted to know how much control he had over Dragon Bell. If I can control Dragon Bell as I wish, it’ll be my trump card and a way to protect myself!

Right when Kai was about to take out his Dragon Bell to test it out, Flaxseed quickly stopped him and warned, “Don’t test it out here! If you do that, its aura will spread all over the place and attract the attention of the other prestigious

families in Ethereal Realm. If that happens, we won't be able to leave! Try it out in the mundane world, okay? After all, you're not bound by the laws of nature."

Kai thought those words made sense, so he abandoned the idea.

After that, Kai whipped out his Divine Bow from his Storage Ring. With his right hand on the bowstring, he exerted strength and drew the bow to the fullest.

All of a sudden, all sorts of energy started to gather on the bowstring, and a golden arrow soon appeared.

Kai pulled the bowstring as hard as he could and held on to it. As he clenched his teeth, the golden arrow gradually became transparent.

Whoosh!

Kai released the bowstring, and the arrow pierced through the air to create a giant black hole.

The seemingly unstable black hole had a vortex inside of it.

Seeing that he had opened a passage to the mundane world, Kai shouted at Flaxseed in excitement, "All right. Let's get out of here!"

Zelda, the sword spirit, transformed into Dragonslayer Sword and entered Kai's body.

After all, passing through a passage like that would take a lot of energy because one needed to protect oneself from spatial turbulence.

After Kai and Flaxseed had leaped into the black hole, the black hole slowly disappeared.

Shortly after Kai and Flaxseed disappeared, an elderly with white hair arrived at the scene alongside a boy and a girl dressed as monks.

"Master, why did you bring us here? Aren't we supposed to go to Pentagon Monastery?" the female monk asked in puzzlement.

The elderly with white hair checked their surroundings and frowned. "This is rather peculiar... I thought I felt Divine Bow's aura. Did I make a mistake?"

With that, the elderly waved his cane, and the three of them vanished into thin air.

Upon returning to the mundane world with Flaxseed, Kai rushed straight toward Deragon Sect in Jadeborough.

Not only did Kai want to see if everything was okay in Jadeborough, but he also wanted to visit his mother. Ever since he rescued his mother, he hadn't spent much time with her.

Upon seeing Kai, Beatrice pretended to be angry and asked, "Kai, you were gone for so long, and I didn't hear a word from you! Fortunately for me, Cecilia and the others have been keeping me company. When are you going to give me a grandchild?"

"Mom, I've been very busy. Hence, you'll have to wait for a while before I can give you a grandchild." Kai squatted down to massage Beatrice's legs.

"Busy? Do you not even have time to sleep at night? Cecilia and the others are free all day long. You just have to spend time with them at night, and that's it. Besides, you don't have to do anything when they get pregnant. Once my grandchild is born, I'll be the babysitter!" Beatrice glared at Kai.

Well, I know it's every parent's dream to have grandchildren. Kai knew what was on his mother's mind. "Mom, give me a couple of days. After that, I'll—"

Before Kai could finish his sentence, Beatrice interrupted, "No. I want you to sleep with Cecilia and the others tonight. Otherwise, I'll disown you. I've already gotten someone to ask them to come here. Tonight, you'll all sleep here. No one is going elsewhere."

It seemed like Beatrice was determined to get her son to have s*x with Cecilia and the other women that night.

Soon, Cecilia and the others arrived, and they were delighted to see Kai there.

“Girls, come here.” Beatrice beckoned Cecilia and the others. In response, Cecilia, Lizbeth, Astrid, Evangeline, and Lyanna approached Beatrice and massaged her shoulders.

“Girls, listen up. You are all sleeping here tonight with Kai. No one is allowed to leave! Work hard tonight, okay? I want a grandchild,” Beatrice said to the girls.

Cecilia and the others blushed immediately when they heard those words. In fact, they were so embarrassed that none of them dared to lift their heads or utter a single word. However, their silence was tantamount to a tacit admission.

Meanwhile, Kai was rendered speechless. It’s true I’m no longer a virgin, so I’m not worried about doing the act itself. Still, why can’t I have s*x with them one at a time? It’s so embarrassing to sleep with all of them at once!

Right when Kai was at a loss, Flaxseed appeared at the door and waved at Kai. “Kai, come out. I need to talk to you about something!”

“Mom, Mr. Flaxseed is looking for me. I’m heading out!” Kai uttered and went outside.

“Remember what I said, Kai! If you don’t return tonight, I’ll disown you!” Beatrice warned.

“Don’t worry, Mom! I won’t run away. I’ll obey your words,” Kai promised.

After Kai left the room, Flaxseed dragged him out of there.

“Kai, you’re so lucky with the ladies! I’ve been fooling around with women all my life, but I’ve never had a reverse gangb*ng! If you were to die afterward, you would die a happy man!” Flaxseed remarked enviously.

“Touch wood. If anyone’s dying, it’s you! Mr. Flaxseed, what do you need to talk to me about?” Kai asked.

“I’m not the one looking for you. It was Godrick. He didn’t dare to show up because he knew your mother was lecturing you,” Flaxseed replied.

As soon as Flaxseed finished his sentence, Godrick arrived.

“What is it, Godrick?” Kai asked.

“Kai, someone came to Deragon Sect to look for you when you were away. That person said he had something important to tell you. However, I couldn’t reach you at that time. Thus, he left his name here and left,” Godrick answered.

“Did you say someone came looking for me?” Kai was puzzled. Who could it be? What was so important?

“He said his name was Quindon Yuchamore from Gate of Heaven’s secret realm. I told him to leave his address here so that you could look for him afterward. However, he left without doing so,” Godrick responded.

“Quindon Yuchamore?” Kai was stunned. Why did Quindon leave his secret realm to look for me in the mundane world? As a cultivator, leaving the secret realm for the mundane world can be a painful experience. Not only will he be restricted by the laws of nature, but his cultivation might even decrease in the more severe cases! I know he’s one of the purple-robed emissaries of Evil Heart Sect, but why did he seek me out in the mundane world? What could be so important? Regardless of the reason, I think it’s safe to assume that something is definitely up.

With that in mind, Kai instructed, “Godrick, stay alert. If Quindon comes again, report back to me immediately!”

“Okay!” Godrick nodded and left.

Right after Godrick left, Fernando hurried over. Upon spotting Kai, Fernando uttered anxiously, “Mr. Chance, Great Elder has been looking for you. When I heard that you were back, I came as quickly as I could. Please follow me.”

“Great Elder? Why is he looking for me?” Kai asked. Who would’ve known that so many people would look for me when I was gone?

“I’m not too sure, but Great Elder is waiting for you in the secret realm,” Fernando replied.

“Okay. Let’s meet him in the secret realm.”

With that, Kai whipped out Thousands of Miles Away and teleported himself and Fernando to the Gate of Fire's secret realm.

When Chester saw Kai, the former hurried toward Kai and said, "Mr. Chance, something big happened in the Eight Major Secret Realms!"

"What happened? Did the other secret realms attack Gate of Fire's secret realm?" Kai had only murdered the purple-robed emissaries in the secret realms of Gate of Fire and Gate of Thunder. Hence, he was certain that there were six other purple-robed emissaries still working for Evil Heart Sect in the other secret realms.

That was why Kai thought the other purple-robed emissaries had used Teleportation Array to bring men over to attack Gate of Fire's secret realm.

"No. As of now, only the people in the secret realms of Gate of Fire and Gate of Thunder remain. The residents of the rest of the secret realms have all disappeared. No one knows where they are. I strongly believe that something bad has caused the disappearance of those people," Chester revealed.

"What? Disappeared? Are you telling me those secret realms are now deserted?" Kai was bewildered. What happened to those people? Why are they all gone? They are all rather strong cultivators. In fact, Quindon of the Gate of Heaven's secret realm is very likely to have surpassed the Top Level of Manifestor! How did so many strong cultivators disappear? Where did they go?

"Could this be the reason Quindon came to look for me?" Kai murmured with his brows furrowed. Yes... Quindon must've sought me out because everyone in the secret realms has vanished.

"Did you say Quindon went to look for you, Mr. Chance?" Chester was caught by surprise.

Kai nodded. "He went to the mundane world to look for me, but I was away. Therefore, I don't know why he wanted to see me."

"That's strange. You ought to be more careful from now on, Mr. Chance," Chester urged.

"Got it!"

Kai then left the secret realm of Gate of Fire and returned to Jadeborough. Before he even stepped into Deragon Sect, he was stopped by Xavier.

“Kai, Mr. Sanders is inviting you over,” Xavier said.

Kai was filled with exasperation. I’ve only returned not long ago, and I haven’t even had time to rest! Why are so many people looking for me?
