

The Mans Decree - The Mans Decree Chapter 3501

“Hmph, a mere Seventh Level Tribulator dares to challenge me. We’ll see about that,” Zayan scoffed upon seeing Montane Daemon.

With a thunderous roar, Montane Daemon unleashed waves of sound that formed tides, like a surging river, rushing toward Zayan with an unstoppable force.

Horried by the attack, Zayan struck out with his palm. The blast collided with the sound wave head-on but shattered instantly, completely overwhelmed.

Zayan was dumbfounded at the sight. While Zayan was momentarily stunned, Montane Daemon launched a claw attack across the space. The entire area shook incessantly as a massive claw print hurtled toward Zayan.

Zayan’s pupils rapidly contracted as he continuously retreated backward. At the same time, he did not stop unleashing waves of spiritual energy that shook the void, barely managing to block the claw strike from Montane Daemon.

At that point, Zayan was already panting heavily, drenched in sweat, his eyes filled with disbelief.

“No, this... How is this possible? You’re just a Seventh Level Tribulator. How can you possess such terrifying power?”

Zayan wore an expression of disbelief across his face.

“As expected of someone who has overcome the demonic tribulation cloud, not only is Mr. Daemon invincible among his peers, but he can even fight those beyond his level!” Igor exclaimed, his eyes filled with admiration despite his injured body.

“Demonic tribulation cloud? Was it you who overcame the demonic tribulation cloud?”

Zayan was taken aback. He had always thought it was Kai who had overcome the demonic tribulation cloud.

“Now you know, but I’m afraid it might be too late.”

Montane Daemon gave a cold laugh, then emitted a terrifying aura once again.

Zayan furrowed his brows, exerting all his strength to resist.

However, a surge of aura sent Zayan flying and crashing heavily into the ground dozens of meters below.

Zayan crawled out from the crater, his eyes filled with terror, and blood streaming from the corner of his mouth.

“Disrespect towards Mr. Chance will only lead you to death!” Montane Daemon shouted coldly.

“I’m an elder of the Demon Seal Alliance! How dare a mere Demonic Cultivator like you oppose us? Our leader will never spare you,” Zayan vowed through gritted teeth.

“Hmph, Mr. Chance has already killed Mr. Xavion of the Demon Seal Alliance. Do you really think Mr. Talcott will just let the matter slide? Killing you isn’t going to make much of a difference!” Montane Daemon bellowed loudly.

“Don’t be so smug. Do you really think I can be killed that easily?”

Once Zayan finished speaking, he suddenly curled his fingers into his palm. A gust of unique aura began to coalesce around him. Gradually, a black hole formed.

“It’s teleportation magecraft! This guy plans to use teleportation magecraft to escape!” Kai exclaimed at the sight.

Montane Daemon was about to make a move. However, Zayan was suddenly sucked into the black hole by a tremendous suction force and subsequently vanished.

“Ah, he still managed to escape,” Montane Daemon sighed.

Upon seeing Zayan flee, the remaining members of the Demon Seal Alliance were terrified and immediately turned tail as well.

However, Montane Daemon wouldn’t give them a chance and leaped up into the air to strike.

At that moment, Catina also began to attack with her whip in hand.

The remaining members of the Demon Seal Alliance were all vanquished under the combined efforts of the two.

“Dad!”

“Mr. Lothian!”

All members of the Demon Seal Alliance were killed, and only Zayan managed to escape.

Rosetta and Dalton raced toward Igor with concern.

Just a moment ago, Igor was harshly slapped by Zayan, so he must have been seriously injured.

Coughing up a few mouthfuls of blood, Igor smiled slightly and assured, “I’m fine. This won’t kill me. I’ve just broken a few ribs, that’s all. I’ll be all right after getting some rest.”

Rosetta and Dalton finally breathed a sigh of relief once they saw that Igor was not on the verge of death.

“Mr. Chance” At that moment, Xanthus from the Soulless Hall approached Kai .

Before Xanthus could speak, Kai took out a pill and tossed it at him. “This is the antidote. You’ll be fine after taking it. Thanks for your help earlier.”

The Mans Decree - The Mans Decree Chapter 3502

Kai was aware that Xanthus had only helped him to save his own life.

“Thank you! Thank you very much!”

Xanthus took the antidote and swallowed it, then turned and left. He wanted to find a secluded spot and minimize his ventures into the world in the future. After all, he had betrayed the Demon Seal Alliance, and there was always the looming threat that they might kill him one day.

The Demon Seal Alliance had branches throughout the entire Ethereal Realm, making its power and influence incredibly vast.

“Congratulations, Mr. Daemon, on successfully overcoming the demonic tribulation cloud! Your strength surpasses anyone’s!” Igor said with admiration as he approached Montane Daemon.

“Thank you and Mr. Chance for helping me this time. Otherwise, I would have been wiped out by now. Since I’m on my own, just let me know if the Blood Spirit Valley needs any assistance within Demonica Mountain. I’ll definitely lend a hand without question!”

Montane Daemon acknowledged that his breakthrough was owed to Kai and Igor.

Without Kai ’s assistance, he wouldn’t have been able to withstand the demonic tribulation cloud. Additionally, without Igor and his companions intercepting the members of the Demon Seal Alliance, he wouldn’t have been able to overcome the tribulation smoothly.

Igor was overjoyed at Montane Daemon’s words. Despite his seemingly low cultivation level, Montane Daemon held a certain degree of prestige. With Montane Daemon’s abilities, his status would undoubtedly rise even higher.

In time, Blood Spirit Valley could firmly establish itself in Demonica Mountain, and they would no longer be subjected to bullying with Montane Daemon’s help.

“Since you’re injured, Mr. Lothian, it’s not advisable for you to travel. I suggest we rest at Mr. Daemon’s place for a while. I also need time to recover, then I’ll prepare some pills to aid in your healing, Kai said to Igor.

Upon hearing his suggestion, Igor nodded and turned to Montane Daemon, saying, “I’m afraid I’ll have to trouble you further, Mr. Daemon.”

“Haha! What are you talking about, Igor? You’re not troubling me at all. I’m feeling lonely anyway, living all by myself. Having you guys around actually livens things up!” Montane Daemon laughed heartily.

Everyone temporarily rested at Montane Daemon’s abode. Seizing the opportunity, Kai also began to gradually regain his strength. While regaining his strength, Kai also experienced the formidable power of teleportation magic.

If Zayan wasn’t skilled in teleportation magic, he wouldn’t have been able to escape at all!

Kai felt overwhelmed at the thought. The more elite opponents he encountered, the more pressure he faced.

Teleportation magic, time spells, along with the recently acquired Impersonation Technique and the Blazing Stride.

Kai had to navigate these skills blindly, taking one step at a time to master them. If he had proper guidance, he might have been able to grasp the techniques more quickly. Unfortunately, no one around Kai knew about them, so he had to rely on his own understanding.

The Celestial Battlefield gradually closed while Kai rested and regained his strength.

A large number of cultivators had been dispatched to the Celestial Battlefield.

Originally, Pablo had intended to leave early but ended up staying at the Celestial Battlefield for a few more days after encountering Skylar and Cameron.

“Mr. Quimar, where is Dimas? Did Kai really kill him?” Helmut hurriedly asked as he saw Pablo emerge.

Even now, Helmut clung to hope, wishing that Kai was deceiving him, that his disciple was not truly dead.

Seeing Helmut, Pablo feigned sadness and said, “Mr. Koritnik, it’s true that Kai killed your disciple. He took advantage of my absence to assassinate him.”

Helmut felt something explode in his head. His hopes had been completely shattered.

“Kai , I will completely destroy you!” Enraged, Helmut let out a roar and then turned and left!

A slight smile crept up on Pablo's mouth at Helmut's furious expression.

"Where are our disciples? Where are they?" Members of the Five Great Sects shouted in panic when they didn't see the Five Elites come out.

The Mans Decree - The Mans Decree Chapter 3503

Upon witnessing this, others also joined in the search, but they couldn't find any trace of the Five Elites.

"The Five Elites are incredibly powerful. There's no way they were harmed in the Celestial Battlefield, right?"

"Exactly. Given the Five Elites' reputation, no one would dare to harm them. Besides, they had the support of the Five Great Sects."

"The Celestial Battlefield is closed. They must have been killed. The Five Great Sects are going to be humiliated this time."

Everyone engaged in a heated discussion!

Upon hearing the crowd's conversation, Pablo exchanged a glance with Skylar. Shortly after, Skylar left. A moment later, Pablo found the members of the Five Great Sects.

Pablo approached the members of the Five Great Sects and said, "Ladies and Gentlemen, the Five Elites from the Five Great Sects have indeed been harmed. Furthermore, I know that they were murdered."

One of the members from the Five Great Sects asked, "Who did it?"

Pablo replied, "It was a man named Kai Chance!"

"Kai Chance?"

The members of the Five Great Sects were unfamiliar with Kai's name.

On the other hand, the leader of Creston Sect, Artan, spoke up. "Kai is only a First Level Tribulator. How could he have possibly killed the Five Elites? It's clearly impossible!"

"It was impossible for him to do it alone, but he had assistance. In the Celestial Battlefield, five of the three kings and four archons from the beast race were on his side. With such support, it wouldn't be impossible for him to deal with the Five Elites, Pablo said calmly.

Someone from the Five Great Sects asked, “Why? We have no grudge against Kai , so why would he want to kill our people?”

“Of course, it was all for the sake of obtaining magical items. Personal grudges didn’t matter in the Celestial Battlefield. Regardless, I’ve told you everything. It’s up to you whether to believe it or not.” After Pablo finished speaking, he turned around and left immediately.

The members of the Five Great Sects looked at each other in dismay, unsure whether to believe Pablo’s words or not.

“Ladies and gentlemen, you may return for now.

When the time comes, you can inquire about this matter with Igor. Kai left with Igor, but it’s true that the Fox Queen was with him. She’s one of the three kings and four archons from the beast race,” Artan said to the members of the Five Great Sects.

He was deeply afraid that the members of the Five Great Sects would cause trouble in Creston Sect. His Creston Sect primarily focused on conducting business. If there were fights and killings here, it would affect his own business.

“After hearing your words, Mr. Solavar, I’m starting to remember some details about Kai . We’ll go to Blood Spirit Valley to clarify this matter.” Lauden Delacroix, a silver-haired elder from the Five Great Sects with a red face and long beard, spoke.

Subsequently, the members of the Five Great Sects left Creston Sect.

Just as they stepped out of Creston Sect, they unexpectedly ran into Pablo. Whether it was a coincidence or Pablo was waiting for them, the representatives of the Five Great Sects had indeed encountered Pablo.

However, the members of the Five Great Sects didn’t pay any attention to him. After all, Pablo was just a Demonic Cultivator, not to mention a wandering cultivator.

Although he had a stroke of luck and became an Eight Level Tribulator, he still lacked power or influence. Some of the major sects still looked down on him.

When Pablo saw the members of the Five Great Sects, he addressed the red-faced, long- bearded elder who was leading them, “Mr. Delacroix, Kai is right in front of you. You can question him in person.”

“That brat is still here?”

Lauden was taken aback for a moment, then quickly led his men to chase after Kai .

They did find Kai as Pablo had mentioned. However, when Kai saw the members of the Five Great Sects, he quickly fled.

Upon seeing Kai flee, the members of the Five Great Sects became even more certain that something was wrong with Kai . Consequently, they quickly pursued him.

In the blink of an eye, Kai had already disappeared without a trace.

“This is so strange. This guy ran so fast. How did he vanish in an instant?” A member of the Five Great Sects voiced his confusion.

“Mr. Delacroix, come and take a look at this. What is it?” At that moment, someone picked up five incredibly exquisite item pouches from the ground.

“Aren’t these the item pouches of the Five Elites? How did they end up here?” Lauden frowned.

“Damn it. It must have been that guy named Kai who dropped these. He must be the one who killed the Five Elites!” someone exclaimed angrily.

The Mans Decree - The Mans Decree Chapter 3504

Lauden furrowed his brow as he examined the item pouches. He was certain that these items belonged to the Five Elites.

Now that Kai had dropped the pouches, Lauden concluded that Kai must have taken all the magical items inside and discarded the pouches.

The more Lauden thought about it, the angrier he became. In a cold tone, he declared, “Let’s go. We’re heading to Blood Spirit Valley. We must find Kai and demand an explanation!”

The individuals from the Five Great Sects all stormed off towards Blood Spirit Valley, filled with frustration.

After the individuals from the Five Great Sects had departed, Pablo and Skylar emerged.

“Hahaha! I bet Kai won’t be able to escape unharmed this time. With the Five Great Sects after him, he’s in for a world of trouble,” Pablo burst into hearty laughter.

“It’s just a shame that I couldn’t personally eliminate Kai ,” Skylar’s eyes burned with a cold intensity.

After battling Kai for such a long time, Kai had become the inner demon in Skylar’s heart. He desperately wanted to kill Kai with his own hands.

However, given Kai ’s current strength, along with those around him, it seemed unlikely that Skylar would be able to personally kill Kai .

Nevertheless, with the help of others, it was possible to have Kai killed!

“I never expected your Disguising Technique to reach such an unparalleled level. When you transformed into Kai earlier, even I was fooled!” Pablo spoke to Skylar with great admiration.

“It’s just a simple skill. Compared to you, Mr. Quimar, I am significantly inferior, Skylar spoke with utmost humility.

What Skylar used was not just any Disguising Technique. There was no such exquisite Disguising Technique in the world. It was the Impersonation Technique. At that time, Skylar had also seen the contents within.

Although Skylar couldn’t yet master the Impersonation Technique perfectly, he could flawlessly mimic Kai ’s aura.

He could still deceive those who were unfamiliar with Kai .

“I will take you to a great place where your cultivation will yield twice the result with half the effort. You don’t have to return to the northern region in the future. Stay here, and together, we can achieve great things! Wouldn’t that be better?” Pablo held Skylar in high regard.

“That sounds wonderful!” Skylar was extremely excited as he knew that Pablo had encountered something fortunate.

Skylar, being the curious person he was, was eager to find out exactly what kind of fortunate encounter Pablo had stumbled upon.

Skylar also wanted to experience that encounter that could significantly enhance one’s abilities within a short period.

Upon hearing that Skylar intended to stay, Cameron suddenly felt somewhat reluctant. “Elder Nesser, we-”

Although the Nesser family was not a prominent household in the northern region, Cameron, as the head of the family, could still live a life free of worries and filled with indulgences.

At that moment, he was hesitant to abandon the Nesser family, stay in Demonica Mountain, and allow himself to be manipulated by others.

Skylar turned to Cameron and asked, “Enough talk. Imagine us ruling over the entire Demonica Mountain. Wouldn’t that be far superior to our position in the northern region? Don’t you want to increase your power and ascend to immortality?”

Upon hearing that, Cameron quickly shook his head. “I will follow whatever arrangements you make, Elder Nesser.”

“Follow me, and we will not only conquer Demonia Mountain, but my aim is to seize control of the entire Ethereal Realm. I intend to have the Five Great Governors as my subordinates.”

Pablo’s eyes sparkled with enthusiasm. He felt a surge of passion within him.

Skylar looked at Pablo, secretly revealing a hint of a cold sneer.

Although Pablo was quite capable, he was a reckless man who acted without thinking. No matter how skilled he was, it was impossible for him to control the entire Ethereal Realm.

The reason Skylar was following Pablo now was to leverage Pablo’s power. Given Pablo’s low intelligence, it would be easy for Skylar to manipulate him.

“Let’s go. I will take you to the Demon Devouring Cave. Once we arrive there, you will discover the gateway to a new world!”

Pablo had completely let his guard down, eagerly leading Skylar and Cameron towards the Demon Devouring Cave.

The Mans Decree - The Mans Decree Chapter 3505

In a mansion nestled deep in the mountains, Arthur was engrossed in his writing. However, his complexion revealed the toll that his recent battle with Rudy had taken on him. Losing one of his shadow clones had greatly drained Arthur’s vitality.

But after a period of rest and recovery, he had made significant progress. Suddenly, a young woman dressed in a white gown entered to deliver a report, “Mr. Sanders, Kai has killed the son of the leader of the Demon Seal Alliance...”

Arthur paused in his writing, leaving an ink blot on the word he had just written.

“That guy hasn’t been here for long, and yet he’s already caused such a huge disturbance?” Arthur said with a bitter smile. “What level of cultivation has Kai reached now?”

“He’s only a First Level Tribulator, but he possesses several divine weapons. Even when he fought against those Sixth Level Tribulators, he showed no

fear. Moreover, he has obtained a Celestial Devourer from the ancient ruins of the Celestial Battlefield... the young woman explained.

"A Celestial Devourer? The mount of the Vermilion Demon Lord?"

A hint of surprise crossed Arthur's face. Clearly, these were unexpected developments!

"It's a newly hatched Celestial Devourer, so I presume it may not be of much use yet," the woman hastily clarified.

Upon hearing this, Arthur had a sudden realization and asked, "I knew that old fellow couldn't possibly appear in the Ethereal Realm. Has there been any recent activity from the Fire Incineration Sect?"

"No, everything seems very peaceful!" The young woman shook her head.

"That's good news. It seems I can enjoy a few more days of peace..."

Arthur picked up another piece of paper and resumed writing.

"Mr. Sanders, what should we do about Kai ? The Demon Seal Alliance will likely launch a relentless pursuit against him soon. Do you think..." she hesitated.

"No need to worry. I believe he can handle it. Besides, he's not alone right now. Doesn't he have quite a few friends?"

"Let him stir things up in the Ethereal Realm. The more chaotic this realm becomes, the more likely the corrupt individuals will reveal themselves. Besides, it's high time the order in the Ethereal Realm was restored."

After Arthur finished speaking, he once again began to write in silence.

Observing Arthur's demeanor, the woman quietly left the room.

At Blood Spirit Valley, since the valley's leader, Igor, was absent, all the disciples were peacefully cultivating. Compared to the disciples of Bloodroot Peak, those from Blood Spirit Valley were much more composed.

However, while the disciples of Blood Spirit Valley were engrossed in their cultivation, Helmut arrived with a large group of disciples from Bloodroot Peak.

Upon learning that his disciple had indeed been killed by Kai , Helmut couldn't contain his anger. Knowing that Kai was with Igor, he had come here to confront them.

"Igor, come out immediately!"

Helmut stood at the entrance of Blood Spirit Valley and shouted loudly.

Upon seeing the situation, two disciples from Blood Spirit Valley hurriedly approached. "Mr. Koritnik," they said, "our master is not in the valley. May we ask why you are looking for him?"

Since Helmut and Igor had both studied under the same master, the two disciples from Blood Spirit Valley treated him with relative politeness.

"He's not here?" Helmut's eyes filled with murderous intent. "Is he truly not here, or is he hiding from me?"

"Mr. Koritnik, Master is really not here!"

The two disciples from Blood Spirit Valley spoke sincerely.

"I refuse to believe it. He must be avoiding me, and I'm certain that Kai is here as well."

As Helmut spoke, he was about to charge into Blood Spirit Valley.

"Mr. Koritnik, you..."

The two disciples from Blood Spirit Valley tried to stop him, but Helmut swiftly struck them with both palms, instantly killing them!

"Kill them all! If Igor doesn't show himself today, I will annihilate all his disciples! They will pay with their blood for what they have done!"

With a sweeping motion of his hand, Helmut ordered his disciples to attack.

"Attack!"

Numerous disciples from Bloodroot Peak rushed forward.

As the battle cry echoed through the air, the disciples of Blood Spirit Valley were caught off guard.

Combined with the fact that they were currently without a leader, it took only half an hour for the disciples of Blood Spirit Valley to be completely wiped out!
