

[The man decree] A man like none other chapter 3634

A man like none other chapter 3634—“What do you want to do?” Su Yuqi hurriedly stepped forward to block Su Wenzong, but Chen Ping had already stopped.

However, after Chen Ping hit a few acupoints, Su Wenzong immediately felt his breathing became smoother and his face became much rosier.

“I have only temporarily controlled your injury. It will take some time to heal. Your hidden disease needs to be treated slowly because of its age!”

Chen Ping said calmly.

“Thank you little brother for helping me, thank you so much...” Su Wenzong stepped forward and grabbed Chen Ping’s hand excitedly, thanking him constantly.

Su Yuqi was also very surprised when she saw that her father’s face was obviously rosy and his health was much better.

“I rescued you because I know that you often do good deeds and donated to more than a dozen primary schools. I should rescue you both emotionally and rationally!”

Chen Ping saved Su Wenzong because he knew that Su Wenzong was a great philanthropist. , if it were someone who met by chance and didn’t know each other, Chen Ping would not necessarily come to the rescue. What’s more, Su Yuqi just said bad words to him and almost killed him. Chen Ping is not a virgin bitch, he will save anyone!

When Su Wenzong heard this, he looked slightly embarrassed, “What I have done is not a good deed. It is far from good. My little brother saved my life. Just say whatever you want. It is almost noon now. I will invite my little brother to go to Fuhao.” How about a meal at the grand hotel?”

“No, I still have some things to deal with!”

Chen Ping shook his head and refused. He still wanted to see Geng Shanshan to ask for clarification.

Seeing Chen Ping's refusal, Su Wenzong was a little surprised. As the richest man in Hongcheng, there were countless people who wanted to invite him to dinner. Those who could sit with him for dinner were all powerful people.

Now he took the initiative to invite Chen Ping to dinner. Unexpectedly, Chen Ping refused. This was a bit unexpected!

"Little brother, no matter what, we have to sit down and have a meal together to express my gratitude!"

Su Wenzong firmly held Chen Ping's arm.

Chen Ping could tell that Su Wenzong was desperately trying to treat him to a meal because he just wanted to know about the follow-up treatment of his disease. However, seeing that Su Wenzong was sincere, Chen Ping nodded and said, "Okay, I'll deal with the matter first. I'll go to the Regal Hotel to find you then!"

Seeing Chen Ping say this, Su Wenzong let go of his hand, "Okay, it's a deal, the little brother is here, just call me!"

Chen Ping nodded and couldn't wait. He left and rushed towards the Geng family!

.....

"Where is Geng Shanshan? I want to see her!"

Chen Ping said to the middle-aged woman in front of a slightly old villa!

This middle-aged woman is Geng Shanshan's mother Jia Meili. If it were before, Chen Ping would never dare to speak to Jia Meili in this tone. But now after listening to his mother's words, Chen Ping was already very angry and did not take action directly. Even if it's not bad.

Jia Meili was wearing a cheongsam, arrogant, with her hands folded on her chest, looking at Chen Ping with disdain, "Get out of here quickly, my daughter is getting married today, you, a reform-through-labor prisoner, are too unlucky to be here..."

"Marry?"

Chen Ping frowned, it seemed that what the bald man said was true!

“Where is Geng Shanshan? Who is she married to? Let her come out to see me and explain clearly...”

Chen Ping rushed towards the villa with a cold face!

“Hey...you madman, why do you just break into other people’s yards?”

Jia Meili desperately pulled Chen Ping!

But she was not as strong as Chen Ping. She was dragged into the yard by Chen Ping!

Chen Ping was about to rush in with his eyes open, when a girl in a wedding dress walked out with a gloomy face!

When he saw the girl, Chen Ping stopped suddenly.

“Geng Shanshan, what’s going on? What’s going on? Tell me clearly?”

Chen Ping looked at Geng Shanshan angrily and asked!

“Chen Ping, please go, don’t come looking for me, I have decided to marry Xiao Lei!”

Geng Shanshan looked at Chen Ping expressionlessly and said!

Chen Ping’s eyes narrowed and he clenched his fists tightly. Although he already knew it, when Geng Shanshan said it herself, Chen Ping’s heart still twitched violently.

He was imprisoned because of Xiao Lei, but now his girlfriend wants to marry him?

This is so ironic!

Suddenly, Chen Ping gave a self-deprecating smile. He felt that he was really too cheap...

“Is this what you mean?”

Chen Ping looked at Geng Shanshan, the anger on his face was gone, and his hands slowly relaxed. .

“Yes!” Geng Shanshan clicked. “I want to live a rich life, but you can’t give it to me.” “

And you are still a prisoner in the reform-through-labor camp. Even if you are released, it will be difficult for you to support yourself. How can I support you?”

“For the sake of our previous relationship, you can take these hundreds of dollars and save yourself from sleeping on the street!”

After Geng Shanshan finished speaking, she took out a few hundred-dollar bills from her bag and threw them on Chen Ping’s face. superior!

At this moment, Chen Ping looked at Geng Shanshan and completely gave up. The person in front of him was no longer his girlfriend.

“You will regret it!”

Chen Ping turned around and left without taking Geng Shanshan’s money.

“Bah, I will regret marrying a poor guy like you!”

Jia Meili spat fiercely from behind!

A man like none other chapter 3635-Jiang Yulian pursed her lips and smiled and said, “Mr. Cheng, I don’t mean to blame your friend. Let’s go...”

Jiang Yulian walked forward, with Chen Ping following behind.

Soon, they arrived at a land of flowers and grass. They saw that this patch of flowers and grass had a strange fragrance. This smell made Chen Ping feel very comfortable!

Not only the body, but also the soul seemed to have been baptized. Chen Ping couldn’t describe that comfortable feeling!

“This flower is so weird. Why do I feel so powerful?”

Zhe Yan, who was in the sea of consciousness, suddenly screamed!

Chen Ping’s spiritual energy surged, and he made a move, and then a flower flew towards Chen Ping and was caught in Chen Ping’s hand!

The flower is pink with four separate petals and a stamen in the center.

“What a unique flower...”

Chen Ping sighed!

“Mr. Cheng, these are soul flowers. These flowers can strengthen the soul and help shape the soul.”

“If the soul is incomplete, if you stay here for a few days, the soul can be restored.”

Jiang Yu Lian is telling Chen Ping!

When Zhe Yan heard about Soul Body Shaping, his whole body was filled with excitement!

He has always lived in Chen Ping’s sea of consciousness. If he wants to return to real life, he needs to reshape his body or take someone else’s body!

When it comes to reshaping the body, Zhe Yan doesn’t have the ability, and Chen Ping can’t help!

The only thing that can be done is to find a suitable body and then seize the body, but that will require living in the face of others for the rest of your life!

Now Zhe Yan became a little excited when he heard that the soul flower in front of him could actually help the soul shape his body!

Chen Ping also felt something strange about Zhe Yan, and then said to Jiang Yulian, “Miss Jiang, what do you mean, this soul flower can help the soul shape its body?” “

Of course, but the strength of the residual soul cannot be too high. , otherwise the failure rate is very high, and the remaining soul may be wiped out.”

Jiang Yulian nodded and said!

“Then my friend, can he reshape his physical body? He is only in the Fusion Realm.”

Chen Ping asked quickly!

Zhe Yan has been following him for a while, and he has helped Chen Ping a lot during this time. He learned a lot about demon cultivators through Zhe Yan!

Now if there is a chance, Chen Ping still hopes to be able to reshape Zhe Yan's body and give him freedom!

As long as he has a physical body, Zhe Yan can pursue his own happiness!

"Of course, it's just that my master can complete the matter of reshaping the body."

"But you are the savior of me and my senior brother. My master should agree,"

Jiang Yulian said!

"Master will definitely agree. My master doesn't like to owe favors the most. I'll ask you about it when we have dinner in the evening."

Zheng Jian also said!

"Thank you both very much!" Chen Ping quickly thanked him!

However, Chen Ping knew that Sect Leader Jiang would not live for many days. If he spent his spiritual power on helping Zhe Yan reshape his body, he would probably die faster!

Hearing that Chen Ping asked about reshaping his body, Zhe Yan was very moved and said, "Mr. Chen, thank you..."

"You have been with me for so long, it's time to set you free."

Chen Ping smiled lightly!

He followed Jiang Yulian and Zheng Jian around the Soul Demon Sect for a long time. Although the Soul Demon Sect did not have particularly beautiful buildings and pavilions, Chen Ping also gained a deeper understanding of the soul by following the conversations between Jiang Yulian and Zheng Jian!

It wasn't until after dark that a member of the Soul Demon Sect came to call them to eat. Chen Ping and the three of them went to a hall of the Soul Demon Sect together!

Food is of no use to monks like them in the Tribulation Realm. Even if they don't eat or drink, they won't starve to death!

But even if you are a monk and you are hungry, you still have to experience the joy of tasting delicious food!

Meals are no longer for food and clothing, but for enjoyment!

A man like none other chapter 3636-During the dinner, Sect Leader Jiang was in high spirits, and the entire Soul Demon Sect was immersed in joy!

Now that Sect Leader Jiang has recovered, it is a matter of joy!

Sect Leader Jiang was very grateful to Chen Ping. No matter what Chen Ping said, he rescued Jiang Yulian and Zheng Jian, so they should be treated with courtesy!

"Master, there is still a residual soul residing in Mr. Cheng's body. That is Mr. Cheng's friend. Mr. Cheng would like to ask if it is possible to reshape his friend into a physical body?"

Zheng Jian asked Sect Leader Jiang. !

Sect leader Jiang smiled slightly and said, "The residual soul in Mr. Cheng's body is just in the body state. Of course, it can reshape the body. However, I have just recovered from a serious illness. I don't know how many days I can wait?"

Sect Leader Jiang could tell at a glance the strength of Zhe Yan in Chen Ping's sea of consciousness, which showed that his research on souls was even more in-depth!

But when Chen Ping heard that Sect Leader Jiang actually had to wait for several days, he couldn't help but frown slightly!

Because Sect Leader Jiang is burning his true energy to maintain his current life. How can he reshape Zhe Yan's body after everyone dies in a few days?

Seeing Chen Ping's expression, Jiang Yulian hurriedly explained, "Mr. Cheng, Master has just recovered from a serious illness. He needs to recover before

he can be more confident. You must know that there is a chance of failure in rebuilding the physical body.”

“And to rebuild the physical body, We also need to prepare a lot of things, and it won’t be done overnight.”

Jiang Yulian thought Chen Ping was unhappy!

“Miss Jiang misunderstood. Since Sect Master Jiang has agreed, it doesn’t matter if we wait for a few days...”

Chen Ping hurriedly squeezed out a smile and said!

After dinner, Chen Ping was arranged in the largest room. Although the room was a bit crude, it was the best for the Soul Demon Sect!

“Mr. Chen, the life span of Sect Leader Jiang is about to decline. You said he won’t live for three days, then...”

Zhe Yan was a little worried. If Sect Leader Jiang couldn’t live for three days, how could he reshape his body?

“Don’t worry, let alone the decline of his life, even if he dies, I will take him back from the underworld and reshape his body for you.”

Chen Ping said with a smile!

“Mr. Chen, do you have a way to end the decline of Sect Master Jiang?”

Zhe Yan said in surprise!

“How can I change the way of heaven and stop the decline of lifespan, but I can help Sect Leader Jiang improve his cultivation realm. As long as his realm improves, the decline of lifespan will naturally end and his lifespan will increase a lot.”

Chen Ping explained!

“Improve your cultivation level?” Zhe Yan said speechlessly, “Then Sect Master Jiang should be at the seventh level of the Tribulation Overcoming Realm. It’s not easy to improve his cultivation level...” “

Then Sect Master Jiang is indeed at the seventh level of the Tribulation Overcoming Realm, and he is also at the level of Overcoming the Tribulation Realm. He has reached the peak of the seventh level. With a little improvement, he can break through to the eighth level.”

“It’s just that his current physical condition cannot withstand thunder tribulation at all. Even a small level of thunder tribulation can make him disappear. .”

“Now we can only find ways to help him improve his realm and at the same time enable him to resist the attack of thunder tribulation. As long as he survives the thunder tribulation, the decline of Jiang Sect Master’s life span will naturally disappear.”

Chen Ping said calmly. !

When Zhe Yan heard that Chen Ping had already figured out a solution, he felt relieved. After all, it was very rare to find an opportunity to reshape his body!

Chen Ping started refining the elixirs overnight. He wanted to prepare all the elixirs he needed when Sect Leader Jiang’s lifespan declined!

For two days, Chen Ping refined a lot of elixirs. These elixirs can completely increase the strength of Sect Master Jiang to the eighth level of Daodu Tribulation Realm!

“Mr. Cheng, Mr. Cheng...”

Just two days later, Jiang Yulian suddenly found Chen Ping anxiously!

Chen Ping opened the door and saw Jiang Yulian’s face full of tears. She had already cried!

“Miss Jiang, is Sect Master Jiang ill again?”

Chen Ping had already guessed it when he saw Jiang Yulian arriving!

A man like none other chapter 3637—“Yes, Master, he is in a coma. His whole body has aged, and his hair has turned white again. Mr. Cheng, please go and have a look quickly...”

Jiang Yulian was very anxious and started crying again.

“Miss Jiang, don’t worry, I’ll go and have a look with you...”

After Chen Ping finished speaking, he followed Jiang Yulian and left quickly!

When Chen Ping arrived at Sect Master Jiang’s room, he found that it was full of people. Sect Master Jiang was lying on the bed. He was extremely thin and his hair was gray!

Chen Ping stepped forward and immediately poured in a burst of spiritual energy, and then Sect Leader Jiang slowly woke up!

“Master...”

Seeing that Sect Master Jiang was awake, Jiang Yulian, Zheng Jian and others all shouted!

“Miss Jiang, if you two stay, let the others leave. Too many people will affect the treatment!”

Chen Ping frowned slightly when he saw the room full of people crying. !

Jiang Yulian nodded and hurriedly drove everyone out!

“Sect Master Jiang, how do you feel?”

Chen Ping asked Sect Master Jiang!

Sect Leader Jiang glanced at Chen Ping, and then lamented, “It seems that my life is really declining. Mr. Cheng is right. My Yang Yuan is about to expire and I am dying. It is not because of illness.” “

Then Divine Doctor Liu lied to us. , I also deceived the Heavenly Demonic Dragon Ginseng, and I can feel that my end is coming.”

After speaking, Sect Master Jiang glanced at Jiang Yulian and Zheng Jian and said, “Listen, you two, after I die, I will take it with me right away.” The Soul Demon Sect has moved to a more remote place, and there is no need to track down any traitors. We were all deceived by that Divine Doctor Liu.”

“He must have leaked your whereabouts and then gave the soul-fixing beads to the other party. He Knowing that I am suffering from longevity, I deliberately

said that the Heavenly Demon Dragon Ginseng can cure it, just to get the Heavenly Demon Dragon Ginseng!"

"Master..." Jiang Yulian and Zheng Jian knelt on the ground and started crying!

Jiang Yulian even saved Chen Ping's legs, "Mr. Cheng, please, please save my master. As long as you can cure my master, I can do anything you ask..."

Chen Ping changed at this moment. As a middle-aged uncle, Jiang Yulian can still say such things, which proves that she cares too much about her master!

"Miss Jiang, I will try my best to restore Sect Master Jiang, don't worry!"

Chen Ping helped Jiang Yulian up, then looked at Sect Master Jiang and said, "Sect Master Jiang, I have known for a long time that your life expectancy is approaching, so this I have specially refined a lot of elixirs in two days, you can take these elixirs."

Chen Ping took out the elixirs he refined and handed them to Sect Master Jiang!

"Mr. Cheng, thank you for your kindness. It's just that my life is declining because of heaven. It's due to the end of my Yang Yuan. No pill can stop it." "

Everyone has to die. Even monks can't avoid it. This It's the law of heaven and cannot be changed. It's just a pity that I can't help your friend reshape his body!"

Sect Master Jiang is dead, but he is still considering reshaping Zhe Yan's body!

"Sect Leader Jiang, the law of heaven cannot be violated, but if your realm improves, your lifespan will also increase. This does not violate the law of heaven."

Chen Ping said!

"Mr. Cheng, I know what you mean, but even if I improve my realm now, I won't be able to withstand the thunder tribulation at all. When the time comes, I will be wiped out in ashes and not even a whole corpse will be left. I might as well die slowly like this!"

Sect Leader Jiang He shook his head slowly and said!

“Sect Master Jiang, I can find a way to help you survive the thunder tribulation. Now your level improvement is your only chance to survive. Although the thunder tribulation cannot be passed 100%, there is always a chance.”

“But you are like this. If you continue to waste it, you will definitely die without any chance...”

Chen Ping persuaded Sect Master Jiang!

After all, this kind of thing can only be done if Sect Leader Jiang agrees and he has a strong desire to live. If he wants to die, there is nothing Chen Ping can do!

A man like none other chapter 3638-Listening to Chen Ping's words, Sect Master Jiang hesitated, but at this time Jiang Yulian and Zheng Jian hurriedly said, “Master, just listen to Mr. Cheng. Maybe it can really succeed. If you continue to use it now, I'm afraid it will be a success.” There's really no chance!”

“Okay, let's try...”

Sect Leader Jiang nodded and said!

Since it's all about death, let's treat a dead horse as a living horse doctor!

When Chen Ping saw that Sect Master Jiang had agreed, he stepped forward and put his hand on Sect Master Jiang's wrist. A stream of spiritual energy entered Jiang Sect Master's body instantly, and then began to quickly circle around Sect Master Jiang's body!

“The internal organs have decayed, and there is a strong sense of death in the body. What's even more difficult is that the soul has also shown signs of dissipating.”

Chen Ping frowned and said calmly!

“Mr. Cheng, our Soul Demon Sect has soul-enhancing elixirs, so you don’t have to worry about the soul. We have ways to protect the master’s soul from dissipating.”

“Please also ask Mr. Cheng . Don’t let Master’s body decline and Shou Yuan disappear...”

Jiang Yulian said to Chen Ping!

“Well, Miss Jiang, please go get the elixir. Without further ado, I will let Sect Master Jiang achieve a breakthrough now.”

Chen Ping said to Jiang Yulian!

Jiang Yulian nodded and quickly went to get the elixir, while Chen Ping asked Sect Master Jiang to take the elixir he had refined in the past two days!

After Sect Leader Jiang took the elixir, a breath began to surge in his body, and the bottleneck of his realm was about to be broken through!

But this is also the most dangerous time. When the bottleneck breaks through, there will definitely be a thunder disaster!

With Sect Master Jiang’s current physical condition, he is afraid that the first lightning tribulation will wipe him out!

Jiang Yulian also brought the elixir to protect the soul from being dissipated and asked Sect Leader Jiang to take it!

“Mr. Cheng, can master in this situation be able to block the thunder tribulation? You must know that thunder tribulation cannot be directly replaced by others. If it can be replaced by others, dozens of disciples of our Soul Demon Sect are willing to block the thunder tribulation for the master. It’s a robbery.”

Zheng Jian asked Chen Ping in confusion!

He didn’t understand what method Chen Ping used to allow his master to survive the terrifying thunder catastrophe in such a weak condition?

“My method is not 100%, but there is always a chance!”

After Chen Ping finished speaking, he looked at Sect Master Jiang solemnly and said, "Sect Master Jiang, how long will it take to break through the realm?"

"It can be done at any time, I just We are trying our best to control it, otherwise the thunder calamity will strike down at any time."

Sect Leader Jiang was also panicking at the moment. Although his life span was over, no one wanted to die!

If there is a chance to live, I will seize it!

"Sect Master Jiang, please break through. It's a blessing, not a disaster, but you can't avoid it..."

After Chen Ping finished speaking, he grabbed Sect Master Jiang with one hand, and a dragon's power poured into Sect Master Jiang!

"This... this power..."

Sect Master Jiang suddenly opened his eyes and looked at Chen Ping in disbelief!

He felt that this place was so strange that Sect Leader Jiang's voice trembled!

"Sect Master Jiang, my power may be able to help you, but you must rely on your own thoughts and your belief in living."

Chen Ping said to Sect Leader Jiang!

"I understand..."

Sect Leader Jiang nodded vigorously!

At this moment, Sect Leader Jiang's eyes were full of hope, and he seemed to be energetic instantly!

Regarding the changes in their master, Jiang Yulian and Zheng Jian were very curious about what kind of power Chen Ping used on their master!

While Chen Ping was injecting the power of the dragon into Jiang Sect's main body, he also used his spiritual consciousness to look at the little sky-

swallowing beast in his storage ring. This little guy was sleeping soundly and sweetly.

Chen Ping knew that his divine dragon power could not completely help Sect Master Jiang block the thunder tribulation. Sect Master Jiang would eventually need to use his own body to resist!

A man like none other chapter 3639-But this little sky-swallowing beast is different. If this little guy is willing to help, even this little thunder calamity will be swallowed by it!

At that time, Demon Mountain Ghost Lao met Demon Jie Yun, and he was swallowed directly by this little guy!

This little sky-swallowing beast is a magical beast from the heavenly world. Its strength is beyond the reach of monks like the heavenly and human world!

What's more, Sect Master Jiang is breaking through to a small realm, so the thunder tribulation will not be as fierce as when breaking through to a big realm!

For this little sky-swallowing beast, this kind of thunder disaster is like drizzle!

But Chen Ping is not sure now whether this little guy is willing to help, and Chen Ping can't control it, it all depends on his mood!

The reason why Chen Ping inspired the power of the divine dragon and injected it into Sect Master Jiang was so that he could exude the aura of the divine dragon when the thunder calamity bombarded him!

You must know that the dragon is the master of all beasts in the heaven. This little sky-swallowing beast may feel the dragon's breath and help!

Chen Ping also used the power of the divine dragon when he helped the Demon Mountain Ghost Elder, but Chen Ping was not sure whether this little guy helped because of the power of the divine dragon!

Now I can only try it!

"Mr. Cheng, no matter whether the farmer escapes this disaster today, you are the benefactor of our Soul Demon Sect."

“Yulian, Zheng Jian, listen carefully. Even if you die serving as your teacher, you must entrust Mr. Cheng to As a guest, there must be no slight or resentment.”

Sect Leader Jiang explained!

He was afraid that he would die in a thunderstorm, and many disciples of the Soul Demon Sect would complain about Chen Ping.

“Master, I will obey my instructions!”

Jiang Yulian and Zheng Jian said as they knelt on the ground!

“Sect Master Jiang, don’t be so pessimistic and start making breakthroughs!”

Chen Ping said to Sect Leader Jiang!

Sect Master Jiang nodded, and then suddenly a breath rose from his body to the sky. This was a breath that broke through the realm!

As this aura rose, thunder clouds began to gather in the sky!

When Chen Ping saw this, he closed his eyes slightly, putting himself in a state of complete meditation, and the power of the dragon continued to enter the body of Sect Master Jiang!

Rumble...

Suddenly, a thunder catastrophe crashed down, and the thunder tribulation shuttled through the clouds, it was very scary!

The first thunderstorm hit Sect Leader Jiang!

Jiang Yulian and Zheng Jian were kneeling on the ground, extremely nervous!

As the thunder tribulation hit Sect Master Jiang, Sect Master Jiang remained motionless, but it was obvious that the aura in his body had weakened a lot. As the aura weakened, Yang Yuan was losing more rapidly, and the death energy in his body continued to grow!

Sect Leader Jiang’s breathing began to become rapid, and his body had aged a lot again!

The current Sect Leader Jiang is like a corpse, with only weak breathing and a mouthful of Yang Yuan hanging from it!

Although this first thunder tribulation did not wipe out Sect Master Jiang, it did make Sect Master Jiang seem to be dead!

Even with the blessing of Chen Ping's divine dragon power, Sect Master Jiang's fragile body simply cannot withstand the complete thunder tribulation!

Seeing this scene, Jiang Yulian and Zheng Jian panicked!

If another lightning disaster strikes now, their master will definitely be wiped out in ashes!

Chen Ping also frowned, and then stared closely at the little sky-swallowing beast!

But the little guy was still sleeping soundly, and there was no movement at all!

Chen Ping was a little anxious!

"Little bastard, wake up and do me a favor..."

Chen Ping shouted in his heart, hoping that the little swallowing beast would wake up and do a favor!

He could help Sect Leader Jiang barely resist the first thunder catastrophe, but he was incapable of resisting the second one!

Chen Ping no longer injects the power of the divine dragon into Sect Master Jiang's body. The power of the divine dragon has also dissipated under the thunder tribulation just now!

Now Chen Ping can only bet on whether this little sky-swallowing beast can wake up and eat the thunder calamity!

Rumble...

In an instant, a red light flashed through the thunder cloud, followed by another thunder strike!

A man like none other chapter 3640-Feeling the thunder tribulation crashing down, Chen Ping was instantly discouraged. He bet that the little sky-swallowing beast could help, but he was afraid he would lose the bet!

Jiang Yulian and Zheng Jian even looked ashen!

Seeing the thunder calamity falling from the sky, they had no choice but to watch their master disappear into ashes in front of them, not even a body left behind!

Seeing the thunder calamity reaching the top of Sect Master Jiang's head!

Suddenly, a golden light emanated from Chen Ping!

Then the golden light went straight towards the Thunder Tribulation, but in the blink of an eye, the Thunder Tribulation suddenly disappeared!

Jiang Yulian and Zheng Jian were both dumbfounded!

They have never seen a thunder calamity disappear halfway!

And Chen Ping looked up, with a smile on his face!

In the astonishment of Jiang Yulian and Zheng Jian, the golden light shot straight into the sky and headed towards the thunder cloud!

The originally dark sky became clear in an instant after the golden light shot into the thunder clouds!

And the black thunder cloud disappeared!

"The Thunder Tribulation Cloud is gone?"

Zheng Jian's face was filled with surprise. "This...there were only two Thunder Tribulations. Why did the Thunder Tribulation Cloud disappear?" "

What happened? What was that golden light that burst out of Mr. Cheng's body just now? "

Jiang Yulian also looked confused!

Chen Ping also showed a slightly surprised expression. He didn't expect that this little sky-swallowing beast would actually swallow the Thunder Tribulation Cloud!

Being able to swallow thunder calamity is enough of a pervert, but I didn't expect that he would even swallow the thunder calamity cloud!

Even the old nest was taken away, and the thunder calamity disappeared directly!

With the disappearance of the Thunder Tribulation Cloud, Sect Master Jiang had finally passed through the Thunder Tribulation. His whole body was instantly full of vitality. He no longer looked like he had declined before. He was full of energy and his cultivation aura was much stronger!

The white hair has turned black again, and there are no wrinkles on his face, as if he has returned to middle age!

Breaking through a small realm in the Tribulation Realm and increasing your lifespan by hundreds of years is nothing!

If you can ascend to immortality, you don't have to worry about longevity. Very few immortals die because their longevity is exhausted!

"Master, Master..."

Jiang Yulian and Zheng Jian were so excited that they shouted loudly!

Sect Master Jiang slowly opened his eyes. He could feel that his body was full of vitality. As for what method Chen Ping used to help him survive the thunderstorm, he didn't know, but he knew that it was all Chen Ping's credit!

"Thank you, Mr. Cheng..."

Sect Master Jiang said and knelt down in front of Chen Ping!

"Sect Master Jiang, I am just doing something with my hands. This is why Sect Master Jiang's life should not be cut off..."

Chen Ping hurriedly helped Sect Master Jiang up and said!

"Mr. Cheng, I'm very curious, how did you help me block the thunder disaster?"

Sect Master Jiang asked very curiously!

“Master, Mr. Cheng didn’t help you block the thunder tribulation, but directly dispersed the thunder tribulation clouds and made the thunder tribulation disappear.”

Jiang Yulian said quickly!

“What? Dispel the thunder tribulation clouds?”

Sect Leader Jiang’s eyes widened. “I have never heard that the thunder tribulation clouds can be dispelled...”

“Master, it’s true. After the first thunder tribulation, The second thunder tribulation, but before that thunder tribulation hit you, you were directly hit by a golden light from Mr. Cheng’s body. The thunder tribulation disappeared, and then the golden light went straight into the thunder tribulation cloud!”

“It was only a blink of an eye. In just a short time, the Thunder Tribulation Cloud disappeared, and you also survived the Thunder Tribulation...”

Zheng Jian also said quickly!

This shocked Sect Leader Jiang. He had never heard of such a situation before!

“Mr. Cheng, can you tell me what magical power you used to disperse the thunder clouds?”

Sect Leader Jiang asked very curiously!

Chen Ping could only smile awkwardly and said, “Sect Master Jiang, there are some things that I can’t tell you. Please don’t take offense, Sect Master Jiang!”

Chen Ping couldn’t tell them that the Thunder Tribulation Cloud was not dispelled, but was eaten by the Sky-Swallowing Beast. ?

I guess these people won’t believe it either!
