

[The man decree] A man like none other

A man like none other chapter 3651-Chen Ping's eyes gradually lost their luster, and his whole body began to be controlled by the old man!

Seeing that Chen Ping's sea of consciousness was about to be occupied by the old man, there was a sudden explosion!

A bright light burst out from Chen Ping's sea of consciousness, instantly defeating the old man's light blue aura!

The old man was overwhelmed by the light, his eyes full of fear!

"What...what is this?"

The old man looked at the light in front of him in shock!

When the light slowly faded, the old man discovered that there was a book among Chen Ping's books. There were four gilt characters in the book called Da Luo Jin Dian!

"This...how is this possible? How come there is a heavenly book in your sea of consciousness?"

The old man suddenly panicked!

Although he has lost his memory, he is extremely familiar with the light emanating from Daluo Golden Code. It is a power that only exists in the heaven!

Chen Ping saw that the old man was afraid of the Daluo Golden Code, so he controlled his consciousness to slowly open the Daluo Golden Code!

As the Great Luo Golden Code was opened, rays of light shone towards the old man!

The old man exclaimed, and then the power in his body disappeared instantly, and his whole person curled up into a ball!

"Don't kill me, don't kill me, I won't dare to snatch your body anymore..."

The old man began to beg for mercy!

This remnant of his soul has struggled to survive for thousands of years, just so that one day he can see the light of day again!

But I didn't expect that today I finally encountered a body that could carry me, but I encountered a problem!

He never imagined that there would be a heavenly book in the sea of consciousness of a young monk in the Tribulation Realm!

When Chen Ping saw the old man like that, he closed the Daluo Golden Code. The golden light disappeared, and the old man let out a long breath!

"Who are you? Why is there a heavenly book in your consciousness?"

the old man asked incredulously!

"You don't even know who I am and you dare to snatch my body. Are you a little reckless?"

Chen Ping said!

"It is indeed a bit reckless. It is unreasonable for you to have such a powerful body without being a monk in the Tribulation Realm. It's a pity that I have lost most of my memory, otherwise I would definitely know who you are." "

Today, I am I'm sorry, but thank you for your kindness in not killing me. I will definitely repay you when I can see the light of day again..." After the old man

finished speaking, he was about to leave Chen Ping's sea of consciousness!

But as the old man thought, Chen Ping's sea of consciousness burst out with golden light again!

This light directly blocked the old man's remaining soul, making it impossible for him to leave!

"You...what are you going to do?"

the old man asked in panic!

“Don’t you want to leave this broken cave? I can take you out to see the outside world, but you can only stay in my sea of consciousness.” “Maybe I have a

way to help you recover your memory. When you recover your memory, you can always You have to do something for me before I can let you go!”

Chen Ping had no intention of letting this old man leave. After all, this guy came from the heaven. Although he has lost his memory, he knows some things that are definitely not those of these people in the heaven and human world. All you can know!

“You really take me away?”

the old man asked in surprise!

“Of course, I’m different from you. I’m a guy who doesn’t keep his word!”

Chen Ping said coldly!

This made the old man look so ashamed that he stopped speaking!

“Mr. Chen, Mr. Chen...”

Suddenly, Zhe Yan’s voice sounded in Chen Ping’s ears!

Chen Ping was in a trance for a while, and then he saw Zhe Yan next to him, and there were still the skills carved on the stone wall!

Zheng Jian and Jiang Yulian used the stones in the cave to build tombs for their dead brothers!

Even in the cave, they don’t want their senior brothers to die here!

Chen Ping looked at the cave as it had returned to before, frowned slightly and said, “Zhe Yan, have I left this cave just now?” “

No, Mr. Chen has been standing here motionless. I feel a little strange, so I Yelled twice!”

Zhe Yan said!

A man like none other chapter 3652-“Is it all an illusion?”

Chen Ping frowned, and then his consciousness instantly sank into the sea of consciousness!

When he saw the old man, he realized that it was not an illusion at all.

“Mr. Chen, what do you mean by hallucination? I just practiced the exercises on the stone wall. I feel that these exercises are very special. Some places don't seem to make sense at all. I wonder if Mr. Chen can explain it to me?”

Zhe Yan asked Chen Ping for advice!

“Take these skills first and I'll tell you about them later!”

Chen Ping asked Zhe Yan to rub the skills on the stone wall!

Then he looked at Jiang Yulian and Zheng Jian, who were piling up graves for their senior brothers, and said to them, “People cannot be resurrected after death. Since they are already dead, there is no use even piling up graves. It is better to burn them.” , to prevent the body from becoming food for wild beasts!”

After hearing Chen Ping's words, Zheng Jian and Jiang Yulian both stopped!

If all the dozens of Soul Demon Sect disciples piled stones tombs, it would take a long time!

The two of them did not speak, while Chen Ping fired a burst of fire and set the corpses of the disciples of the Soul Demon Sect on fire!

Even Ning Caichen's body was burned by Chen Ping. Rather than rotting a little bit, it would be better to have a fire!

After doing all this, Zhe Yan also imprinted the skills around the stone wall!

Chen Ping took them out of the Demon Swallowing Cave!

But just when Chen Ping and the others stepped out of the Demon Swallowing Cave, the entire Demon Swallowing Cave suddenly collapsed!

In an instant, the Demon Swallowing Cave was submerged and disappeared without a trace!

Looking at the collapsed Demon Swallowing Cave, Jiang Yulian and the others were all confused!

“Mr. Chen, did you find anything in the Demon Swallowing Cave? Apart from the exercises on the stone wall, there seems to be no treasures.”

Zhe Yan asked Chen Ping!

“It’s a worthwhile trip...”

Chen Ping smiled slightly. He got the old man’s remnant soul, which is better than any other treasure!

It would be even better if the old man could regain his memory!

Chen Ping took Zhe Yan and the others back to the Soul Demon Sect. Along the way, Jiang Yulian followed Zhe Yan and kissed each other, making Zheng Jian anxious and angry!

Returning to the Soul Demon Sect, Chen Ping immediately found Sect Master Jiang. He hoped that Sect Master Jiang could help the old man regain his memory!

The other thing is to see if Sect Leader Jiang can remove the shackles on the old man’s remnant soul!

After all, Sect Leader Jiang’s research on souls is much higher than Chen Ping!

“Mr. Chen, I heard that you gained a lot from your trip to the Demon Swallowing Cave?”

Sect Leader Jiang looked at Chen Ping and asked!

“There is nothing to gain. There are only a few techniques on the stone wall, which are meaningless to me!”

Chen Ping smiled lightly. His own Heart Condensation Technique is stronger than any other technique, so for the Demon Swallowing Cave Chen Ping doesn’t like his skills at all!

However, Chen Ping changed the subject and said, “Although I didn’t get any treasure, the trip was worth it...”

Looking at Chen Ping's smile, Sect Leader Jiang also smiled slightly and said, "Mr. Chen, are you saying that you know the sea?" That remnant soul that suddenly appeared in the middle?"

Chen Ping was stunned and looked at Sect Master Jiang in surprise!

He didn't follow Sect Leader Jiang to talk about the remnant soul, but he didn't expect to be seen through!

Sure enough, Sect Leader Jiang's research on souls has reached the ultimate level!

Chen Ping smiled awkwardly and said, "Sect Master Jiang, to tell you the truth, I did rescue a remnant soul in the Demon-Swallowing Cave, and it is now in my sea of consciousness." "

Mr. Chen, the Demon-Swallowing Cave is so powerful, I think it must be The remnant soul inside is by no means an ordinary person, I wonder which demon lord's remnant soul it is?"

Seeing Chen Ping's admission, Sect Master Jiang asked curiously!

"I don't know either. This remnant soul has lost its memory and doesn't even know who it is. So I want to ask Sect Master Jiang to see if I can help this remnant soul recover its memory." "

As long as the memory is restored, maybe we can From the mouth of this remnant soul, I learned many things that I have never heard before."

Chen Ping wanted Sect Master Jiang to restore the memory of the old man's remnant soul.

A man like none other chapter 3653–

"I'll give it a try, but I've never helped a soul recover its memory, so I'm not completely sure!"

Sect Leader Jiang couldn't guarantee it, after all, he had never done this before!

"Okay, thank you very much, Master Jiang!"

Chen Ping nodded!

Since he wanted to help the old man restore his memory, Chen Ping temporarily stayed in the Soul Demon Sect!

Zhe Yan is also in the Soul Demon Sect, following Jiang Yulian and kissing me!

This made Zheng Jian's anger grow stronger and stronger!

After Chen Ping stayed in the Soul Demon Sect for three days, Sect Master Jiang found Chen Ping and then took Chen Ping into an underground secret room!

In this secret room, four incense burners are emitting green smoke, and the whole room is filled with this green smoke!

Although the green smoke filled the entire room, Chen Ping did not feel choked. On the contrary, the green smoke had a faint fragrance and smelled very comfortable!

"Mr. Chen, let the remaining soul out of your body, and I'll see if I can help him regain his memory!"

Sect Leader Jiang said to Chen Ping!

"Do you still need to let it out?"

Chen Ping was stunned!

This old man's remnant soul has always wanted to leave in Chen Ping's sea of consciousness. Since he can't control Chen Ping, he doesn't want to stay in Chen Ping's sea of consciousness and become Chen Ping's puppet!

It's just that there is Daluo Jindian in Chen Ping's sea of consciousness, which makes it impossible for the residual soul to escape!

Now if the remnant soul is released directly and it doesn't return to Chen Ping's body, wouldn't Chen Ping's work be in vain?

Sect Master Jiang saw Chen Ping's concerns, so he said: "Mr. Chen, the soul is extremely mysterious. If it is in your body, I can't operate it. But don't worry,

even if the remnant soul leaves your body, it will still be inseparable.” Open here.”

“What is burned in these four incense burners is soul pollen. It took thousands of years of collection to obtain these. The remaining souls may be able to restore some memories after being edified by the soul pollen.”

“If you leave this room, the remaining soul will dissipate quickly, so Mr. Chen can rest assured...”

Hearing what Sect Leader Jiang said, Chen Ping felt a little more relieved!

“Boy, since I agreed to live in your body, I will not run away. If you really help me restore my memory, I will also give you a great opportunity.”

The old man’s remnant soul said in Chen Ping’s sea of consciousness!

“Okay, you just heard it, don’t think about escaping from here, otherwise your remnant soul will dissipate and you will truly disappear forever.”

Chen Ping said to the old man!

“Don’t worry, although I have lost my memory, I am not stupid...”

The old man couldn’t wait!

He also wanted to regain his memory quickly so he could understand why he was trapped in a broken cave!

Chen Ping let go of his consciousness and let the old man’s remnant soul escape from his body!

Seeing the remnant soul appearing, Sect Master Jiang was stunned for a moment, his face full of disbelief!

“Why...how does this remnant soul still have shackles on it? Are there any shackles that trap souls in this world?”

Sect Leader Jiang was very puzzled. After all, the soul is a spiritual body and cannot be trapped except by special formations!

“Sect Master Jiang, can you unlock this shackles for him first?”

Chen Ping asked!

“I’ll give it a try. I’ve never encountered anyone whose remaining soul is bound by shackles.”

“It seems that the other party wants to prevent him from resurrecting forever, and also makes him suffer all kinds of torture. What kind of deep hatred is there that would chain his soul?”

Sect Master Jiang said with emotion!

“When I regain my memory and know who tortured me, I will make him pay back a hundredfold!”

The old man snorted coldly!

“Even if you recover your memory, it’s just a ray of soul. Since the other party can kill you and put your soul in chains, it proves that he is stronger than you. You should think about how to repay me in the future! “

Chen Ping couldn’t help but roll his eyes at the old man!

Even though he’s like this, he’s still thinking about revenge.

A man like none other chapter 3654—“Don’t worry. Although I have lost my memory, my strength is definitely not comparable to that of your little Tribulation Realm monk. As long as I restore my memory and help you advance to the Mahayana Realm, it won’t be a problem!”

The old man said very confidently!

“What else should I use you for when I am promoted to the Mahayana realm? What I need is your help in the heaven. When I get to the heaven, you can be my advisor.”

If Chen Ping only wanted to advance to the Mahayana realm, he wouldn’t have paid any attention to the old man’s remnant soul!

As long as he has enough resources, Chen Ping can definitely be promoted to the Mahayana realm!

“What? You have just passed through the tribulation realm, and now you are thinking about the heaven? Do you really think you can ascend?”

“Although I have lost my memory, I also know that even if the monks in the lower realm have practiced for thousands of years, only a few can ascend to the heaven.”

“Although your kid’s physical body is indeed unique and extremely powerful, are you so sure that you can ascend to heaven?”

Seeing that what Chen Ping said was a bit big, the old man snorted coldly!

“Whether you can ascend or not is not your concern. Don’t forget, you are my prisoner now. If you make me unhappy, I will make your soul fly away and disappear forever...”

Chen Ping threatened the old man and said!

“You...” Although the old man was dissatisfied, he did not dare to say anything. After all, what Chen Ping said was true!

Now he is just a remnant soul, and Chen Ping can make him disappear at any time and disappear forever!

“I’d better remove the shackles of this senior first!”

Seeing that Chen Ping was about to start a quarrel with the old man, Sect Leader Jiang hurriedly said!

Seeing the looming remnant soul, Sect Master Jiang did not dare to be careless at all. Then he waved his hand, and a large amount of green smoke surrounded the old man’s remnant soul!

The old man’s figure gradually became apparent, and on his withered face, his two big eyes were particularly bright!

As the green smoke became thicker and thicker, the old man’s remnant soul began to struggle violently, and his gradually obvious figure began to become more and more blurry!

“Sect Leader Jiang, what’s going on? Don’t kill him...”

Chen Ping saw this and asked quickly!

“Mr. Chen, the shackles on this remnant soul are not real objects, but a false thing. They are trapped in the remnant soul, making it impossible for the remnant soul to break free. Therefore, if you want to remove the shackles, you must directly attack the remnant soul’s heart. OK!”

Sect Master Jiang explained to Chen Ping!

“You mean, these shackles don’t exist at all, but are just a figment of imagination?”

Chen Ping said with shock on his face!

“Yes, that should be it. Just like a person with hallucinations, he imagines that someone is chasing him, so he falls into an endless escape. Although no one is chasing him in reality, in his world, The hunt is real.”

“I only discovered it through careful observation just now!”

Sect Master Jiang followed Chen Ping and explained in detail!

Chen Ping suddenly realized that after all, the remnant soul is a spiritual body, and it is obviously impossible to rely on physical shackles to restrain it!

Just as Chen Ping and Sect Master Jiang were talking, a green light suddenly flashed in the thick green smoke!

As the green light passed through the old man’s remnant soul, the old man let out a series of low roars!

Soon, the shackles on the old man’s remnant soul slowly disappeared. As the shackles disappeared, the aura of the old man began to fill the air!

Even if it was just a trace of the remnant soul, the aura on the old man’s body horrified Chen Ping and Sect Master Jiang!

“Which demon lord in heaven is this?”

Sect Master Jiang said with shock on his face!

After all, it is impossible for a wisp of remnant soul to exude such aura, it is a fallen monk from the heaven and human world!

“Roar.....”

Just when Chen Ping and Jiang Sect Leader were shocked by the aura of the old man's remnant soul, a beast roar suddenly sounded!

Sect Master Jiang was stunned: "Where did the sound come from?"

Chen Ping was also stunned. Before he could react, the sky-swallowing beast actually ran out of the storage ring on its own!

Now only this sky-swallowing beast can enter and leave the storage ring at will without Chen Ping's mental summons!

A man like none other chapter 3655-"This... what kind of monster is this?"

Sect Leader Jiang was shocked when he saw the Sky-Swallowing Beast!

He still doesn't know that it was precisely because of the Sky-Swallowing Beast that he survived the thunder tribulation and extended his life span!

"Sect Leader Jiang, don't be afraid, this is the Sky-Swallowing Beast, it won't hurt you!"

Chen Ping hurriedly explained, but he was also very curious as to why the Sky-Swallowing Beast suddenly ran out on its own!

He saw the sky-swallowing beast heading towards the old man's remnant soul, which shocked Chen Ping!

The sky-swallowing beast can swallow all things. If it swallows the old man's remaining soul into its belly, it will be over!

"Little guy, come back, come back..."

Chen Ping yelled, but the sky-swallowing beast didn't seem to listen to Chen Ping at all!

After seeing the sky-swallowing beast, the old man's remnant soul was slightly startled, and then he stretched out his hand and stroked the sky-swallowing beast!

The Sky Swallowing Beast lay on the ground obediently and did not attack the old man's remnant soul!

This scene left Chen Ping stunned!

“It’s such a familiar aura, the aura on this monster beast is so familiar…”

the old man murmured to himself!

The Sky-Swallowing Beast stuck out its tongue, preparing to lick the old man, but found that it couldn’t lick it at all. The old man was a remnant soul. Although he could see it, he couldn’t touch it!

“Mr. Chen, why does your spirit beast seem to be very familiar with this senior?”

Sect Master Jiang also saw that the sky-swallowing beast seemed to be very familiar with the old man, so he asked curiously!

Chen Ping didn’t speak, but stared closely at the Sky-Swallowing Beast and followed the old man!

Suddenly, Chen Ping seemed to have thought of something, and said with a shocked expression, “Demon Lord Chiyun, are you the Demon Lord Chiyun from the Ninth Level of Heaven?”

“The Sky-Swallowing Beast is your mount, so you feel familiar. Moreover, the Sky-Swallowing Beast is also familiar with your aura, so it ran out of the storage ring after your aura erupted!”

Chen Ping remembered when he met the Fire Spirit Star on the battlefield of gods and demons. What happened at that time, Lord Huo Lingxing said that the Sky-Swallowing Beast is the mount of Demon Lord Chiyun, but Demon Lord Chiyun has never been found to have come to the world of heaven and humans. How come the beast elixir of the Sky-Swallowing Beast appears in the world of heaven and humans? boundary!

It seems that the Red Cloud Demon Lord was beheaded by someone, and his remaining soul was suppressed in Tianmo Mountain and trapped in the cave. His mount, the Sky-Swallowing Beast, must also be dead!

The Sky-Swallowing Beast egg that Chen Ping got should be an egg laid by the Sky-Swallowing Beast before its death. By chance, Chen Ping got it!

Obviously, Demon Lord Chiyun was suppressed at the foot of the Demon Mountain, probably before the war between gods and demons.

From this point of view, the legend of Tianmo Mountain should be true. This Red Cloud Demon Lord should be the big devil who was said to be suppressed under Tianmo Mountain!

As for what level of strength the Red Cloud Demon Lord is, Chen Ping doesn't know, and the Fire Spirit Star Lord hasn't told him either!

But living in the ninth level of heaven, one's strength will definitely not be too weak!

"Demon Lord Chiyun? What kind of devil is this, Mr. Chen? I've never heard of it..."

Sect Leader Jiang asked curiously!

And the old man himself looked confused, "You said I am Demon Lord Chiyun, living in the ninth level of heaven? How did you know?" The

old man couldn't remember who he was at all. When he heard the name Demon Lord Chiyun, The name is also very unfamiliar!

"When I was in the battlefield of gods and demons, I heard a man named Huo Lingxingjun say that the Sky-Swallowing Beast is your mount. Now that the Sky-Swallowing Beast is so close to you, then you should be the Red Cloud Demon. You are the king!"

Chen Ping told the old man what he had heard!

The old man thought for a moment, but still couldn't think of anything, so he shook his head and said, "I don't know who Lord Fire Star is, and I don't know who I am!"

After saying that, the aura on the old man's body gradually converged, and he swallowed the sky. After the beast circled around the old man's remnant soul, it then ducked back into Chen Ping's storage ring!

A man like none other chapter 3656-"Sect Master Jiang, you should restore his memory first. Once the memory is restored, everything will be known!"

Chen Ping can't wait now!

If this old man is really Demon Lord Chiyun, a great demon who lives in the ninth level of heaven, then it would be a great joy for Chen Ping!

There is a big demon living in the sea of consciousness. Is Chen Ping still afraid that he will not be able to eat enough in heaven?

“Okay, I'll try...”

Sect Leader Jiang nodded, but at this time he had no confidence at all!

Knowing that the other party is a big devil from heaven, even if it is just a remnant soul, it is not that easy to help the other party recover his memory!

“Senior, I'm going to help you restore your memory. There may be some discomfort during the process. I hope you can bear with it and don't get angry!” *M. MOD W.COM*

Sect Master Jiang became even more humble after knowing the old man's identity. Get up, this is the big devil in heaven!

If he was really offended, then there would be no need for his Soul Demon Sect!

“You can come on, I'm not that squeamish...”

Demon Lord Chiyun nodded and said!

I saw Sect Master Jiang's face serious, and he used his hands to cast a large number of spells. Then the surrounding smoke turned into thin lines. As Sect Master Jiang lowered his hands, countless thin lines began to drill towards Demon Lord Chiyun's head!

The remnant soul of Demon Lord Chiyun trembled slightly, and strange cries rang out!

Immediately afterwards, a line of light blue breath condensed from Sect Master Jiang's fingers, and as the light blue breath entered the remnant soul of Demon Lord Scarlet Cloud, Demon Lord Scarlet Cloud shook even more fiercely!

Soon, Sect Master Jiang's forehead was covered with cold sweat, and his eyes were as wide as bells!

boom!

Suddenly, the remnant soul of Demon Lord Chiyun burst out with a golden light, instantly defeating all the aura of Sect Master Jiang, and the huge power caused Sect Master Jiang to fly backwards!

"Sect Master Jiang..."

Seeing this, Chen Ping hurriedly stepped forward to help Sect Master Jiang up!

Sect Leader Jiang was pale and weak at the moment and said, "This senior's strength is too terrifying. Even if there is only one remnant soul left, he has the ability to fight back automatically. With my level of cultivation, there is no way I can help him regain his memory!"

"If we can find someone who is stronger and understands souls, we may be able to help him retrieve his memory..."

After hearing this, Chen Ping was speechless. Where could he find someone stronger than Demon Lord Chiyun?

Even if he ascends to heaven now, he probably won't be able to meet someone as powerful as Demon Lord Chiyun in a short time. After all, he is a person living in the ninth level of heaven!

"It seems we can only wait slowly..."

Chen Ping glanced at Demon Lord Chiyun helplessly!

Originally, Chen Ping wanted Demon Lord Chiyun to restore his memory, which would be of great help to him!

Now it seems that there is no hope and I can only rely on myself!

Demon Lord Chiyun looked at Chen Ping like that and knew what he was thinking, so he said, "Even if I don't recover my memory, some instinctive things are enough for you to learn. I won't live in your sea of consciousness in vain. Look, You look so lost!"

“Now that you have no shackles, maybe you can slowly recall some things, so you can just stay in my sea of consciousness with peace of mind!”

After Chen Ping finished speaking, his consciousness brought the Red Cloud Demon Lord The remnant soul shrouded him, and then he returned to his sea of consciousness again!

“Mr. Chen, I’m really sorry that I couldn’t help you...”

Sect Master Jiang said to Chen Ping with some shame!

“Sect Master Jiang, you have helped me a lot. I have been harassing you in the Soul Demon Sect for many days. It’s time for me to leave!”

Since Demon Lord Chiyun’s memory cannot be restored, there is no need for Chen Ping to stay in the Soul Demon Sect. Now, he wants to find the Heavenly Demon Stone to help Feng Mo reshape his body!

“Mr. Chen, there are many dangers in the depths of the Demon Mountain today, and there are no rules at all. Moreover, you have been ordered to kill by the Demon Sealing Alliance. It is estimated that many people want to take your life!”

“I, the Soul Demon Sect, still want to kill you!” It’s safe, why don’t Mr. Chen stay a little longer?”

Sect Master Jiang said to Chen Ping!

A man like none other chapter 3657-“Sect Master Jiang, the reason why I entered the depths of the Demonic Mountain is that in addition to exploring the Demon Swallowing Cave, I also have a more important thing to do, which is to find the Demonic Stone.”

Chen Ping stated his purpose!

“The Heavenly Demon Stone?” Sect Master Jiang was stunned. “Mr. Chen, the Demonic Stone was used to reshape the body. I wonder what you are doing with the Heavenly Demon Stone?” “

Your friend, haven’t I helped him reshape his body? Besides, you My friend’s realm is too low, so there is no need for the Heavenly Demon Stone.”

“Only monks who are above the Tribulation Realm need the Heavenly Demon Stone to reshape their bodies, so that they can maintain the strength of their bodies to the greatest extent, and prevent their bodies from becoming too weak. A mismatch in strength will lead to a decrease in strength or physical damage.”

Sect Leader Jiang followed Chen Ping to explain the use of the Demonic Stone, and he thought Chen Ping didn't know it!

“Sect Master Jiang, I know that I am looking for the Heavenly Demon Stone for another friend. He has taken a body now, but it limits his strength, so if he wants to rebuild his body, he must find the Heavenly Demon Stone.”

“My friend must be above the Tribulation Realm. As for the specific realm, I don't know exactly...”

Chen Ping followed Sect Leader Jiang and said!

When Sect Master Jiang heard this, he couldn't help but smile bitterly and said, “Mr. Chen, how many friends do you have, only the soul body is left? And each one is higher than the last...”

Chen Ping was also helpless, like the wind demon and the Yin demon. It's a remnant soul, and only the Blood Demon is its true form, but Chen Ping doesn't know where the Blood Demon has gone!

“Sect Master Jiang, I am entrusted by others to be loyal. Since my friend asked me to find the Heavenly Demon Stone, I must go find it, so I can only say goodbye!”

Chen Ping said with his hands raised towards Sect Master Jiang!

“Mr. Chen, that day's magic stone is an extremely precious thing, and in the entire world of heaven and humanity, there are only heavenly magic stones deep in the Tianmo Mountain. It is very difficult to find,” said Sect Leader Jiang!

“I know, but you have to look for it even if it's difficult. I believe that as long as you work hard, you can eventually find it.”

Chen Ping said confidently!

Seeing that Chen Ping insisted on looking for the Heavenly Demon Stone, Sect Leader Jiang was silent for a moment and said, "Mr. Chen, I know where the Heavenly Demon Stone is..."

When Chen Ping heard this, he immediately said excitedly, "Sect Master Jiang, where is the Heavenly Demon Stone?"

"According to this, thousands of miles southwest of the country. Outside, there is a Heavenly Demon Sect. It is said that this Heavenly Demon Sect has been living on the Heavenly Demon Mountain since the existence of the Heavenly Demon Mountain, so there must be a Heavenly Demon Stone in this Heavenly Demon Sect." "

I have some friendship with the Heavenly Demon Sect. I used to be a member of the Heavenly Demon Sect. , let our Soul Demon Sect reshape several disciples, so we have always been in contact." "

I can go and try to see if I can get a piece of Heavenly Demon Stone for Mr. Chen." "

But this Heavenly Demon Stone is extremely precious, so I'm not sure that the Heavenly Demon Sect will give it to me, so I can only try my luck."

Sect Master Jiang said!

"Sect Leader Jiang, thank you so much. I can follow you to the Heavenly Demon Sect. Then I can exchange it with spiritual coins, resources or other treasures."

Chen Ping was very happy. As long as he knew where the Heavenly Demon Stone was, he could Got it!

In this way, Chen Ping no longer has to search aimlessly. No matter how much it costs, Chen Ping will get the magic stone that day!

"Mr. Chen, your current status is not suitable for public appearances. I think you should wait in our Soul Demon Sect!"

Chen Ping is now a walking resource library. People who have received the killing orders of the Demon Sealing Alliance, see Chen Ping I'm afraid there are few who won't be tempted!

“Sect Leader Jiang, don’t worry, I have the breath-taking technique, just change my appearance!”

Chen Ping said, his body shape was changing rapidly, and he soon turned into a middle-aged man with a beard!

Seeing this, Sect Master Jiang could only nod in agreement with Chen Ping!

A man like none other chapter 3658-Sect Master Jiang briefly arranged the affairs of the sect, and then took Chen Ping to prepare for the Heavenly Demon Sect!

Zheng Jian, Jiang Yulian and Zhe Yan also went with them!

“Master, the Demon Sect never walked around with other sects that day. If you went to ask for the Demon Stone from the Demon Sect, wouldn’t that be a setback?”

Zheng Jian started to talk in frustration before he even set out!

In fact, Sect Leader Jiang himself knows that he is not sure, but even if there is a glimmer of hope, he still has to give it a try. It is much better than Chen Ping aimlessly looking for the magic stone!

“Even if there is only one ten thousandth chance, let’s give it a try!” Sect Leader Jiang said!

“If the Demon Sect doesn’t give it to you, I can exchange it for something else!”

Chen Ping also said!

Chen Ping will not ask for other people’s things for nothing. He currently has a lot of fairy grass, spiritual stones and other resources in his storage ring, which he can exchange!

“Exchange? Do you know how precious the magic stone was that day? It can’t be exchanged for ordinary items.”

Zheng Jian snorted coldly!

Ever since Zhe Yan reshaped his body and followed Jiang Yulian to kiss me, Zheng Jian's attitude towards Chen Ping has also changed!

Deep in his heart, he began to hate Chen Ping. If Chen Ping hadn't brought Zhe Yan's remnant soul, he and Jiang Yulian would still have been childhood sweethearts.

He has already planned to propose to Jiang Yulian. When the time comes, it will be great for the two of them to cultivate together!

But with the arrival of Chen Ping, all this came to nothing!

Chen Ping himself didn't know that Zheng Jian had begun to hate him because of what happened with Zhe Yan and Jiang Yulian!

"Master, do you still remember that the Heavenly Demon Sect promised that whoever can obtain their Heavenly Demon Sect's intensive skills will be given the Heavenly Demon Stone?"

At this time, Jiang Yulian said!

"Of course I remember, but that is impossible. I don't know how many masters have tried it in the past six months, but it is impossible to do it, so don't think about it."

Sect Master Jiang waved his hand!

"Sect Master Jiang, what's going on with Xu Yitian's magic stone from the Heavenly Demon Sect?"

Chen Ping asked curiously!

"Mr. Chen, six months ago, the Heavenly Demon Sect was responsible for an expert. I heard that this expert went to the Heavenly Demon Sect to look for the Heavenly Demon Stone. As a result, the Heavenly Demon Sect not only refused to give it to him, but also attacked the expert!" "

As a result, I was annoyed. The master, who was punished by the opponent, directly threw the Heavenly Demon Sect's skills into a cave, set up taboos, and even took away a Heavenly Demon Stone." "The

Heavenly Demon Sect tried hard, but they couldn't do it. After taking out the Buddha's power density, there was no other way, so he used the magic stone

to find experts to help him take out the power power. At first, many people tried it, and some experts at the peak of the Tribulation Realm also went. They all failed, and now half a year has passed, and no one is talking about it.”

“Our Soul Demon Sect followed the Tianmo Sect and had contact at that time. The master killed several disciples of the Tianmo Sect, but he didn’t Instead of killing them all, but leaving their souls behind, the Heavenly Demon Sect found us, and then reshaped the bodies of their disciples, allowing several disciples to be reborn.” “

Mr. Chen, it’s better not to think about the Heavenly Demon Sect’s promise of the Heavenly Demon Stone. It’s over, if the Heavenly Demon Sect really doesn’t give face, I can ask the disciples of the Soul Demon Sect to help Mr. Chen find the Heavenly Demon Stone!”

Sect Master Jiang followed Chen Ping and explained in detail!

“Thank you...” Chen Ping smiled slightly!

Even the masters at the peak of the Tribulation Realm have nothing to do, so Chen Ping doesn’t want to think about it anymore. His current strength is not as good as the peak masters at the Tribulation Realm!

When Chen Ping followed Sect Leader Jiang and the others to the Heavenly Demon Sect, on a ridge hundreds of miles away from them, Ning Zhi and Qi Peijia were looking for the Heavenly Demon Stone!

The two of them had been searching hard for several days, but still could not find the shadow of the Demonic Stone. This made Ning Zhi lose his patience!

A Man Like None Other Chapter 3659-“Damn it, Heavenly Demon Mountain is so big, where can I find the Heavenly Demon Stone? Do you know where the Heavenly Demon Stone is?”

Ning Zhi looked at Qi Peijia with anger on his face and asked!

Qi Peijia looked sad and said cautiously, “I... I only know the approximate location, it should be right here...”

Qi Peijia was just a little-known casual cultivator in the past, and he didn't know much about Tianmo Mountain!

How could he possibly know the exact location of the Demonic Stone!

"We have been searching for so many days, but we haven't found any sign of the Demonic Stone. Could it be that you deliberately made up this Demonic Stone to deceive me?"

Ning Zhi waited for Qi Peijia and asked sternly!

Ning Zhi knew nothing about Tianmo Mountain, let alone the existence of Tianmo Stone, because Qi Peijia said so!

If Qi Peijia deliberately fabricated the magic stone to protect himself, it is not impossible!

"No, I will never lie to you. What I said is true. There really is a magic stone!"

Qi Peijia was so scared that she cried when she saw Ning Zhi looking at him fiercely!

"Whether it's true or not, I don't want to look for it anymore. Now I'm about to break through. As long as I absorb the death energy in your body, I can break through to the Mahayana realm." "

After I break through to the Mahayana realm, I will find an opportunity to rebuild my body. Let's make do with this old man's body first!"

Ning Zhi lost his patience and didn't want to look for it anymore. After saying that, he looked at Qi Peijia with murderous eyes!

Qi Peijia panicked, he could really feel Ning Zhi's murderous intention!

"Don't, don't kill me, I...I know where the magic stone is!"

Qi Peijia begged loudly with a pale face!

"I don't want to know anymore..."

After Ning Zhi finished speaking, the aura on his body slowly rose and began to surround Qi Peijia!

“I really know, Tianmo Sect, there must be Tianmo Stone in Tianmo Sect, we can go to Tianmo Sect to find it!”

Qi Peijia suddenly thought of Tianmo Sect, so he said loudly!

“Tianmomen?” Ning Zhi was stunned!

“Yes, it’s the Heavenly Demon Sect. This Heavenly Demon Sect has existed since the existence of the Heavenly Demon Mountain. It is the oldest sect on the Heavenly Demon Mountain. They must have the Heavenly Demon Stone in their hands.”

Qi Peijia seemed to have grasped a life-saving straw and shouted loudly said!

“There is a Heavenly Demon Stone in the Heavenly Demon Sect, will he give it to me?”

Ning Zhi was right. This Heavenly Demon Stone was so precious, why would he give it to me?

And Ning Zhi doesn’t want to fight now, even though he has reached the peak of the Tribulation Realm and will soon break through to the Mahayana Realm!

But his physical body is too weak. If a fight breaks out and the physical body is destroyed, it will be in trouble!

What’s more, Ning Zhi doesn’t know what the strength of this Tianmo Sect is.

“Yes, the Heavenly Demon Sect has always wanted to get their technique concentration. As long as you help the Heavenly Demon Sect get the technique concentration, let alone one Heavenly Demon Stone, even if it is ten, I think they will give it to you.”

Qi Peijia told Ning Zhi everything about the Heavenly Demon Sect in detail!

After hearing this, Ning Zhi pondered for a moment, then nodded and said, “Okay, let’s go to the Heavenly Demon Sect, but you better not lie to me, otherwise I won’t be able to spare you!” “Don’t

dare, absolutely don’t dare!” Qi Peijia wiped his hands. There was cold sweat on his forehead, and he breathed a long sigh of relief. His life was finally saved for the time being! .

.....

Tianmomen!

This is a sect that has been established for thousands of years. Since the existence of Tianmo Mountain, Tianmo Sect has been living deep in Tianmo Mountain!

Although the disciples of the Heavenly Demon Sect are all demon cultivators, they have not been affected by the war between gods and demons!

The Heavenly Demon Sect has never formed a clique, and has always lived in the deepest and most dangerous place of the Heavenly Demon Mountain. The entire Heavenly Demon Sect relies on the resources on the Heavenly Demon Mountain for cultivation!

With the start of the war between gods and demons, after the demons suffered heavy losses, the Demonic Mountain became a paradise for the demons!

A Man Like None Other Chapter 3660-Therefore, many demon cultivators rushed to Tianmo Mountain to survive, which invisibly began to squeeze the living space of Tianmo Sect!

Especially in the past few hundred years, the outer area of Tianmo Mountain has been occupied by major demon sects and human families, and a certain alliance has been formed. This has made the resources of the Tianmo Sect even more scarce. In addition, the sects' cultivation techniques are intensive. Being thrown into a cave and unable to be retrieved puts the Heavenly Demon Sect into a huge crisis!

If things continue like this, the Heavenly Demon Sect will slowly disappear, and I am afraid there will no longer be a Heavenly Demon Sect in the entire heaven and human world in the future!

“Hey, is this God's will, is God going to destroy my Heavenly Demon Sect?”

At the entrance of the cave, the leader of the Heavenly Demon Sect, Zeng Nian'an, looked up to the sky and roared!

In front of Zeng Nian'an, there were more than ten people lying in a mess. These were all disciples of the Tianmo Sect, who had entered the cave to gain intensive skills!

No matter how many people entered, they were all knocked out in the end, and each one was seriously injured!

Zeng Nian'an sent countless disciples to try, but the results were the same!

The masters who came from all over the place before were also directly knocked out.

"Master, give up. All the disciples in our sect are injured now, so we can't try anymore..."

An elder came over and advised Zeng Nian'an!

Zeng Nian'an's eyes were full of melancholy, and two lines of tears slowly flowed out!

"I'm sorry for Liezu Liezong, I'm sorry for the ancestors of my Heavenly Demon Sect. Our Heavenly Demon Sect has been through for thousands of years, but I didn't expect it to be destroyed in my hands." "

You think I was such an idiot at that time that I had to deal with that high-ranking person? What if someone did it? If he had been given a magic stone at that time, it would not have been like this." "

Today I am going to get back the power density in person. If I can't succeed, then let me die to apologize..."

Zeng Nian'an said After that, we have to rush into the cave!

"Sect Master, don't do anything stupid. If you have an accident, our Tianmo Sect will really be doomed..."

The elder hugged Zeng Nian'an tightly and persuaded loudly!

Other Tianmo Sect disciples also ran over and pulled Zeng Nian'an back to the sect's main hall!

"Sect Master, there are two people outside, saying they are here to help us get back the powerful skills."

At this time, a Tianmo Sect disciple came forward to report!

Zeng Nian'an didn't speak and closed his eyes slightly, because in the past six months, people would come to Tianmomen from time to time to challenge and get back the intensive skills, but they all ended in failure!

So Zeng Nian'an has no hope now!

"Why should I report such a trivial matter? Just take them to the cave and tell them that life or death has nothing to do with our Heavenly Demon Sect!"

The elder waved his hand and said!

Now that Zeng Nian'an is in a bad mood, there's no need to bother with such a trivial matter!

"Yes!" The Heavenly Demon Sect disciple turned and left!

At this moment, outside the gate of Tianmomen, Qi Peijia was following Ning Zhi, waiting for the report!

Soon, the disciples of the Demon Sect came back and said to the two of them, "Come with me..."

Qi Peijia and Ning Zhi followed the disciples of the Demon Sect to the cave!

"The strength of our Heavenly Demon Sect is concentrated in this cave. You can go in and try it. However, if any problems arise, it has nothing to do with our Heavenly Demon Sect!"

said the Heavenly Demon Sect disciple!

Qi Peijia and Ning Zhi looked at the dark cave in front of them, and then looked at it carefully!

Ning Zhi even sent out his spiritual consciousness, wanting to explore the situation inside the cave, but as soon as his spiritual consciousness reached the entrance of the cave, it seemed to be blocked by a force!

"It seems there is something in this cave. I'll go in and take a look. You wait outside..."

Ning Zhi said to Qi Peijia, and then entered the cave!

With a flash of light, Ning Zhi's figure disappeared into the cave, and not even a sound could be heard!
