

## [The Man Decree] A Man Like None Other

**A Man Like None Other Chapter 3681**-"Mr. Chen, how about I take the lead for you and explore the way..."

Seeing that Chen Ping insisted on entering the cave, Zhe Yan planned to explore the way!

After all, they didn't know anything about the situation in the cave. In Chen Ping's current situation, it would be dangerous if he entered rashly!

"No, it will be dangerous if you enter the cave with your strength..."

Chen Ping shook his head!

"Mr. Chen, let me go explore the way..."

Upon seeing this, Sect Master Jiang spoke louder and louder!

Since Zhe Yan's strength is too low, as the leader of the Soul Demon Sect, he can enter the cave to explore the way!

"Sect Master Jiang, although there are taboos in this cave, it is not a dangerous place. If you can't break the taboos, you will be knocked out by a mysterious force. There should be no danger to your life. You also Don't worry too much."

"However, there are more than a dozen taboos in this cave. If you don't have the confidence to rush through them all, don't waste time ahead. Many people break through the first few taboos and directly lose their physical strength and are knocked away. Come out."

Zeng Nian'an said!

"What? A dozen taboos?"

Sect Master Jiang said with shock on his face!

If there is a taboo here, you can still think of a way, try your best to break the taboo, and get the intensive technique!

But these are more than a dozen taboos. How can Chen Ping be confident in his current situation?

After Chen Ping heard more than a dozen taboos, he frowned and looked a little surprised!

Who is it that set up so many taboos and sealed away the Heavenly Demon Sect's intensive skills?

"But there are so many taboos. Now that you're here, you have to give it a try. Someone has already rushed in and hasn't come out for a long time. Without further ado, I'm going to take action now." After

Chen Ping finished speaking, he moved toward that place . Go to the cave!

With a ray of light rising into the sky, Chen Ping's figure disappeared into the cave!

Sect Leader Jiang and Zhe Yan were all sweating for Chen Ping!

And Zeng Nian'an looked appreciative!

A second-grade monk in the Tribulation Realm was not afraid at all and entered this cave alone. It was really awesome!

After Chen Ping entered the cave, he felt his eyes blurred, everyone behind him disappeared, and he seemed to have entered a void space!

The surroundings were so gray that it was impossible to see the end, nor to see anything, nor to feel the breath of people!

"What a strange aura, this space seems to have been created separately."

Demon Lord Chiyun felt the aura of this space and couldn't help but say!

"The space created? Isn't this an illusion?"

When Chen Ping first entered, he thought it was an illusion. If the other party had set up an illusion array in the first step, he would have fallen into an illusion after entering. , and you can't get out!

I believe that if this is an illusion, many people can be eliminated, and those who can set up such an illusion circle will definitely not survive!

There are not many people in the world of gods and humans who know this kind of magic circle!

But now Demon Lord Chiyun actually said that it was a created space, which made Chen Ping's heart pick up in his throat!

You must know that those who can open up a space alone must have reached the Mahayana realm, or even higher!

A mere cultivator in the Tribulation Realm cannot tear apart the void and open up space alone!

"Senior, are you sure this is a separate space and not an illusion?"

Chen Ping asked Demon Lord Chiyun!

He couldn't believe that the other party had gone to great lengths to lay down so many taboos just to seal the Heavenly Demon Sect's intensive skills?

Who could be that boring?

"Boy, I have lost my memory, not become a fool. I can't tell the difference. Isn't my name as Demon Lord a waste of money?"

Demon Lord Chiyun said angrily!

**A Man Like None Other Chapter 3682-**"Senior, calm down, I didn't mean that, I believe you!"

Chen Ping apologized again and again!

While apologizing, Chen Ping quickly moved forward. Since this was the opened space, Chen Ping wanted to see how big it was!

After all, the larger the space you open, the more strength you need and the more spiritual power you consume!

But just as Chen Ping took a few steps forward, he suddenly froze!

In front of him, a white light slowly appeared, followed by countless light spots flashing!

With the appearance of the light spots, Chen Ping suddenly felt that the atmosphere here was very familiar, but he couldn't remember it for a while!

While Chen Ping was meditating, the countless light spots began to slowly merge and soon turned into a human form!

At first, the human form was blurred, and the appearance could not be seen clearly!

But as the human form became more and more solid, Chen Ping was stunned for an instant!

"Holy shit, why is it you?"

Chen Ping cursed when he saw the person with solid light spots!

"Hahaha, I had expected that your boy would come!"

The solid phantom laughed and said to Chen Ping!

"No wonder I felt that this breath was familiar just now. I couldn't remember it for a moment. It turned out to be Senior Blood Demon. Could it be that you set this taboo?"

Chen Ping's face was full of excitement, and he happily stepped forward to give Blood Demon a hug!

It's a pity that the Blood Demon's is just a phantom and cannot be held at all!

"I just left a trace of my soul behind just to meet you, kid. I didn't expect you didn't keep me waiting for long."

The Blood Demon said with a smile!

"Senior Blood Demon, tell me, what is going on?"

Chen Ping felt relieved after knowing that this taboo was set by the Blood Demon, so he wanted to know what happened after the Blood Demon returned to the world of heaven and man. What on earth have you experienced!

"Okay, I will tell you something..."

The Blood Demon smiled and then started talking. Chen Ping listened quietly, regardless of whether anyone was breaking the taboo.

It turns out that after the Blood Demon returned to the world of heaven and humanity with the soul of the Saint of Guanghan Palace, he found the Heavenly Demon Sect and prepared to obtain the Heavenly Demon Stone to help the Saint of Guanghan Palace reshape her body!

Only in this way can the Saint of Guanghan Palace truly come to life and recreate Guanghan Palace!

However, when the Blood Demon came to ask for the Heavenly Demon Stone, Zeng Nian'an gave him a slap in the face. In a fit of anger, the Blood Demon hid the Heavenly Demon Sect's skills in the cave, and laid down more than a dozen taboos!

And directly took away most of the Heavenly Demon Stones from the Heavenly Demon Sect, leaving only one Heavenly Demon Stone for the Heavenly Demon Sect!

Zeng Nian'an was dumbfounded. He didn't dare to stop it, and he didn't have the ability to stop it!

Fortunately, the blood demon was not a murderer. He only taught the Heavenly Demon Sect a lesson and destroyed the bodies of several Heavenly Demon Sect disciples, but he did not destroy their souls together!

While the soul was still there, Zeng Nianan went to Sect Leader Jiang to help the disciples of the Tianmo Sect reshape their bodies, which was equivalent to coming back to life!

Later, Zeng Nian'an began to use the Heavenly Demon Stone as a heavy gift, trying to get people to use the intensive techniques, but unfortunately they all failed!

"Senior Blood Demon, how did you know that I would come to the Heavenly Realm? How could I definitely come to the Heavenly Demon Sect? How did you know that I would break into your taboos?"

Chen Ping was very puzzled, how did the Blood Demon know? of.

“You kid, you forgot, I told you a long time ago that we will meet in the heaven and human world. The secular world cannot accommodate a real dragon like you.” “

Don’t talk about the secular world, even the heaven and human world can’t accommodate it. Yours, you will be honored in the heaven sooner or later.” “

As for why I know you came to the Heavenly Demon Sect, it is because I know that the old man Feng Mo’s remnant soul will definitely possess other people after he returns to the Heavenly Realm. There is no way to reshape the body.”

“And if he wants to reshape the body, he must use the Demon Stone. This guy can’t find anyone to help find the Demon Stone. He can only find you, so I left myself in this taboo. A ray of soul has been waiting for you!”

**A Man Like None Other Chapter 3683-**“There is only one Heavenly Demon Stone left in the Heavenly Demon Sect. Whether you can get it or not is not certain...”

the blood demon said with a smile!

“Senior Blood Demon, since you have more than a dozen Heavenly Demon Stones in your hand, I still want one from the Heavenly Demon Sect. I can just ask you for one directly.” “

Where are you now? I’ll go find you right away. , just give me a Heavenly Demon Stone!”

Since Chen Ping knew that all the Demon Sect’s Heavenly Demon Stones were taken away by the Blood Demon that day, why should he ask for it from the Demon Sect?

“No, I don’t care about that old boy Feng Mo. If he begs me in person, maybe I will be merciful and give him one!”

Blood Demon said with a playful expression!

Chen Ping heard this and then said, "Since you won't give it, let me break the taboo, get the Tianmo Sect's intensive skills, and follow the Tianmo Sect to exchange for the Heavenly Demon Stone." "

You have to rely on your own ability to break the taboo. Ah, what's the point of asking me to help you? Besides, I'm just a ray of soul now, how can I help you."

The Blood Demon said waving his hands!

"It's okay if you don't give me the Heavenly Demon Stone, but you still don't help me break the taboo you set yourself. Then you left this ray of soul just to see my joke?"

Chen Ping was a little angry!

Seeing that Chen Ping was angry, the Blood Demon smiled and said, "Then just think that I am laughing at you. Now that I have seen you, I can travel with peace of mind..."

After the Blood Demon finished speaking, his figure began to look more and more... The lighter it gets, the sooner it will disappear!

"Senior Blood Demon, Senior Blood Demon, don't just leave like this..."

Upon seeing this, Chen Ping shouted loudly!

"Stop shouting, let me tell you, the Saint of Guanghan Palace re-established Guanghan Palace in Tianmo Mountain, and I put all the Heavenly Demon Stones with her."

"If you have the ability, just ask her for it, but You have to find Guanghan Palace first."

The Blood Demon's voice sounded, but the voice became farther and farther away, and finally disappeared!

"Senior, senior..."

No matter how Chen Ping shouted, there was no news from the Blood Demon.

Chen Ping fell into deep thought. Should he go to the Saint of Guanghan Palace for a Heavenly Demon Stone, or should he continue to break through the taboos, obtain the Heavenly Demon Sect's intensive skills, and follow the Heavenly Demon Sect in exchange for the Heavenly Demon Stone?

"What? Are you afraid and don't dare to break this taboo?"

Demon Lord Chiyun's voice sounded!

"What am I afraid of? Then break this taboo. I also want to see who is in front of me!"

Chen Ping snorted coldly and ran forward!

Chen Ping easily passed through the first layer of taboos. It seemed that the first layer of taboos set up by the Blood Demon was not to block everyone, but to see Chen Ping!

Chen Ping then continued to break through the taboos at the back. Many of these taboos relied on formations to move far away. If he tried to break open by force, he would definitely be knocked away with great force!

Chen Ping can easily find the location of the formation, then break the formation, and the power of the taboo will disappear!

In about one stick of incense, Chen Ping broke several taboos in succession and eliminated all the formations, so if anyone entered later, these taboos would no longer exist!

With a flash in Chen Ping's eyes, he actually appeared in a huge cave, but there were countless threads densely packed in the cave!

Chen Ping saw that in the middle of these threads, a figure was frowning, as if he was thinking of a way to solve it!

"Ancestor of the Ning family?"

Chen Ping exclaimed in surprise after seeing that person!

He never expected that the person in this cave would be the ancestor of the Ning family!

Ning Caichen died tragically in the Demon Swallowing Cave, but the ancestor of the Ning family actually appeared here!

The most important thing is that the ancestor of the Ning family came to the Demon Sect with Qi Peijia.

After hearing Chen Ping's exclamation, Ning Zhi instantly turned around and saw Chen Ping!

### **A Man Like None Other Chapter 3684-**"Why are you here?"

Ning Zhi was also very shocked when he saw Chen Ping. He never expected that Chen Ping would come back here!

Moreover, Chen Ping was hunted by the Demon Sealed Alliance, and they even designed to frame Chen Ping, but now Chen Ping still appeared in front of him intact!

"Why are you here? Don't you know that the head of the Ning family has died tragically?"

Chen Ping also asked with confusion on his face!

But just as he finished speaking, Chen Ping's eyes were already staring at Ning Zhi!

Because he discovered that Ning Zhi was actually emitting the peak of the Tribulation Realm at this moment. In a short period of time, the ancestor of the Ning family had been promoted to the peak of the Tribulation Realm. It was simply outrageous!

What's even more outrageous is, how can the ancestor of the Ning family have the aura of the demon clan on his body?

Chen Ping knew that the Ning family were not demon cultivators, but all human cultivators!

Looking at Ning Zhi in front of him, and thinking of him and Qi Peijia together, and the tragic death of Ning Caichen, Chen Ping seemed to understand something!

“Who are you? Are you not the ancestor of the Ning family?”

Chen Ping looked at Ning Zhi warily and asked!

Ning Zhi saw that Chen Ping had doubted him, so there was no need to pretend. Chen Ping was just a second-grade monk in the Tribulation Realm!

And Ning Zhi is now at the peak of the Tribulation Realm. It is easy to kill Chen Ping, so there is no need to hide his identity!

“Hahaha, Chen Ping, you are still so smart. You are right. I am not the ancestor of the Ning family. I just used this old guy’s body.”

Ning Zhi laughed and said!

Listening to Ning Zhi’s voice, Chen Ping fell into deep thought and asked sharply again, “Who are you?”

“Chen Ping, don’t you even remember your old friends? You all thought I was dead, but it’s a pity that I am Come back to life.”

“As long as I get the Heavenly Demon Stone and reshape my body, I will become my original self again.”

Ning Zhi said with a sneer!

“Ning Zhi?” Chen Ping was stunned. Ning Zhi’s figure flashed in his mind instantly!

But at that time, he did see that Ning Zhi was dead. Later, he himself was sucked into the heaven and human world. However, Ning Zhi’s remnant soul was also sucked into the heaven and human world later. Chen Ping didn’t know!

“Congratulations on your correct answer, but there is no reward, but I can make your death less painful!”

Ning Zhi said with a smile!

“I didn’t expect that you are still alive and have been hiding in the body of the ancestor of the Ning family. However, in the secular world, you are my defeat, and it is the same in the heaven and human world.”

“You can now reach the peak of the Tribulation Realm. How about it? Your old and broken body probably won’t let you use your full strength.” “

What’s more, there are taboos everywhere here. I’m not afraid of you at all. I can kill you once, that’s all. I can kill you a second time!”

Chen Ping said nonchalantly!

Although Ning Zhi has reached the peak of the Tribulation Realm, his current body cannot allow him to unleash his full strength, and if he exerts too much force, his body cannot bear it and may self-destruct!

When the time comes, Ning Zhi becomes a remnant soul again, how can he kill Chen Ping!

Ning Zhi himself knew this, so he never made a move against Chen Ping. After he needed to reshape his body, he would be sure to make a move against Chen Ping!

“Chen Ping, you are too arrogant. Even if my body is old and broken, it is more than enough to deal with a second-level Tribulation Realm like you!”

Ning Zhi gritted his teeth and said mockingly!

“Really? Let’s give it a try...”

Chen Ping said, and the God King’s Bow instantly appeared in his hand!

There are only two of them in this cave, so Chen Ping can take out the God King Bow without hesitation!

Now this God King Bow is also Chen Ping’s most powerful weapon!

**A Man Like None Other Chapter 3685**-After fighting with Qi Peijia, Chen Ping suffered a lot of losses. If he fought with Ning Zhi again now, Chen Ping wouldn’t be able to last for more than a few rounds!

So as soon as he took action, he took out the most powerful God King Bow!

When the God King took action, the cave was filled with the majesty of a superior!

Looking at the Divine King Bow in Chen Ping's hand, Ning Zhi frowned. He knew the power of the Divine King Bow and how powerful it was!

And in this cave, if two people fight, the entire cave may collapse. In addition, there are taboos all around. Ning Zhi is still thinking about how to break through. If they fight, they may be banned by the taboos. hurt!

"Chen Ping, this cave is full of taboos. If the two of us fight, we will both be injured, and we will all be buried in this cave." "

I don't care what you came in for, we are each How about we break this taboo with our own abilities and settle our grudges after we leave this cave?"

Ning Zhi was a little scared. He managed to survive until now. As long as he gets the Heavenly Demon Stone and rebuilds his body, he will be able to reach the Mahayana realm. Got it!

Mahayana monks were existences that he had never dared to imagine before!

At this point, Ning Zhi doesn't want to lose everything just to fight with Chen Ping!

"Okay, let's wait until we get out and fight again..."

Chen Ping put away the God King Bow!

In fact, Chen Ping didn't want to fight. He was just using the Divine King Bow to take advantage of the situation. Fortunately, he scared Ning Zhi so that this guy didn't dare to take action now!

If Ning Zhi really takes action now, Chen Ping won't be able to hold on for long even with the Divine King's Bow. After all, he is very weak now!

When Ning Zhi saw Chen Ping put away the God-King Bow, he once again focused on those taboos!

Now that he has broken through to the middle position, as long as he breaks through a few taboos, he can see the secret realm of Tianmomen's skills!

When the time comes to get the secret realm of the skills, you can exchange it for the Heavenly Demon Stone and rebuild your physical body!

Ning Zhi carefully observed the thousands of threads in front of him, and then moved forward cautiously!

When Chen Ping saw Ning Zhi's cautious look, he sneered at the corner of his mouth, and then waves of golden light erupted around his body, and he turned a blind eye and turned towards the perfect thread!

Chen Ping was very fast, surpassing Ning Zhi in an instant and walking in front of him!

When Ning Zhi saw this, he was immediately shocked, but when he saw that Chen Ping was not blocked by this taboo, he was very angry!

“Explosion...”

Ning Zhi roared, his eyes turned red, and a black mist instantly burst out in front of him!

As the black mist erupted, all the taboos around him shook!

Originally, Ning Zhi wanted to break through the taboo steadily and obtain the secret realm of the Heavenly Demon Sect's skills in exchange for the Heavenly Demon Stone!

But now that Chen Ping appears, he can no longer break through the taboo slowly!

Ning Zhi began to use violence to attack!

Chen Ping used his body skills and understanding of the Blood Demon to keep making breakthroughs!

The two people broke forward one after the other!

Soon they came to the place where the exercises were stored intensively!

When Chen Ping saw the Jade Slip of the Kung Fu right in front of him, a burst of spiritual energy flew out and wanted to take the Jade Slip of the Kung Fu in his hand!

But this spiritual energy was directly defeated before it touched the Jade Slip of the Kung Fu, and Chen Ping felt the presence of an aura around the Jade Slip of the Kung Fu!

This is the breath of the Blood Demon, but Chen Ping can conclude that this breath is definitely not a taboo set by some kind of magic circle!

Chen Ping rushed forward, planning to try again!

“Go to hell...”

When Ning Zhi saw that Chen Ping was about to take away the jade slip of the martial art, he suddenly had a ferocious look on his face, and a black mist came towards Chen Ping!

When Chen Ping saw this, he instinctively rushed forward to avoid the black mist!

Even if Chen Ping was a fool, he couldn't resist a blow from the peak of the Tribulation Realm!

Besides, he is very weak now!

**A Man Like None Other Chapter 3686**-Chen Ping's body rushed forward, as if he had penetrated a layer of ripples, and stood in front of the Jade Slip of the Kung Fu Technique!

Immediately afterwards, Ning Zhi's blow also arrived!

But this black mist suddenly dissipated just a few steps away from Chen Ping!

Ning Zhi was stunned for a moment, and then he waved out several black mist again, but the result was the same, it collapsed in front of Chen Ping!

Seeing this, Chen Ping looked around carefully and found that there was a forbidden power around the jade slip. Although he could not see or touch it, Chen Ping could feel it!

Just now, Chen Ping's spiritual energy collapsed when it came into contact with this taboo power!

Seeing that Ning Zhi could not break through the power of the taboo, Chen Ping felt relieved a lot, so he reached out to pick up the jade slip of the martial arts!

But just as he stretched out his hand, a golden light burst out from the Jade Slip of the Kung Fu. Chen Ping's body seemed to be pressed down by the mountain in an instant, and he fell to the ground with a thud!

"What's going on?"

Chen Ping was shocked. This was all happening before his eyes. Why couldn't he get the Jade Slip of the Kung Fu Technique?

There's no way that the blood demon even placed taboos on the jade slip of this technique!

Just when Chen Ping didn't know what was going on, a scent that Chen Ping was very familiar with slowly emanated from the Jade Slip of the Kung Fu!

This is the aura that the Blood Demon exudes when he is resurrected!

These breaths surrounded Chen Ping. Chen Ping felt extremely comfortable and began to greedily absorb this breath!

"With your current strength, I'm afraid you won't be able to break the taboo on this martial art jade slip. Unless you borrow the power of thunder and calamity, you may be able to break this taboo!"

Demon Lord Chiyun said!

"The power of thunder and calamity? What do you mean, I have to break through here and induce thunder and calamity to break the taboo on this jade slip?"

Chen Ping asked in surprise!

"That's right, not to mention your strength, even if you are at the peak of the Tribulation Realm, you can't break this taboo, so even if you rush to the end, you won't be able to get this skill jade slip, unless you can break through here and attract Lei Jie, help!"

Demon Lord Chiyun nodded and said!

When Chen Ping heard this, he was immediately speechless. What was this blood demon doing? No wonder the Tianmo Sect had found so many masters, but all of them failed in the end. Who would have thought that there would be such a taboo on this jade slip of the Kung Fu!

If it weren't for Demon Lord Chiyun, Chen Ping wouldn't know how to break this taboo power!

But it is easier said than done to break through now. Chen Ping's breakthrough in each small realm requires huge resources!

But absorbing the aura emanating from the jade slips of the Kung Fu, Chen Ping thought of the Heavenly Demon Dragon Ginseng in the storage ring!

Perhaps taking Heavenly Demon Dragon Ginseng can bring your strength to the critical point of breakthrough!

Chen Ping took out the Heavenly Demon Dragon Ginseng and began to absorb it!

With the power of taboo around him to protect him, Chen Ping was not afraid that Ning Zhi would be detrimental to him!

With Ning Zhi's ability, he might not be able to break the taboo deliberately set by the Blood Demon!

Chen Ping sat cross-legged and began to practice quietly!

When Ning Zhi saw this scene, he was stunned for a moment. He didn't understand if Chen Ping had been kicked in the head by the stove. Why did he suddenly start practicing in a place like this?

Ning Zhi rushed towards Chen Ping!

Bang!

With a loud noise, Ning Zhi's whole body seemed to be knocked away by a huge force!

Then his whole mind went blank!

When Ning Zhi saw clearly, he found that he had arrived outside the cave!

At this time, outside the cave, Sect Leader Jiang, Zeng Nianan and others were all waiting anxiously!

Hearing a sudden loud noise and someone flying out of the cave, Sect Leader Jiang and Zhe Yan rushed over quickly. They all thought it was Chen Ping who was knocked out!

After all, with Chen Ping's weak body, it would be impossible to break through the taboos in the cave and obtain the intensive skills!

### **A Man Like None Other Chapter 3687-"Who is this?"**

Jiang Yulian asked in confusion when she saw Ning Zhi!

Sect Leader Jiang was also full of doubts. He saw that it was not Chen Ping who was knocked out, but a stranger!

When Zhe Yan saw Ning Zhi, he was slightly startled. He knew Ning Zhi, but how could this ancestor of the Ning family appear here?

"Sect Master, this is the person who started the challenge. Now he was knocked out by the ban and failed..."

The elder of the Tianmo Sect said to Zeng Nian'an after seeing Ning Zhi!

When Zeng Nian'an heard this, he felt despair. Originally, he had hoped that Ning Zhi could help them get out the intensive technique, but now it failed!

Zeng Nian'an didn't put his hope in Chen Ping at all. After all, Chen Ping was very weak when he entered the cave. He had just experienced a fierce battle and there was no way he could break through the cave. Taboo!

Ning Zhi also looked ugly at this time. He had just been knocked out by an inexplicable force, which made him feel a little uncomfortable!

Ning Zhi was very puzzled, why could Chen Ping get close to the jade slip easily, but he was directly knocked away?

In terms of strength, he is much stronger than Chen Ping!

Ning Zhi, who was puzzled, simply stopped thinking about it. Even if he didn't get the intensive technique, he still had to get the Heavenly Demon Stone, otherwise he wouldn't be able to reshape his physical body. In his current

state, if he wanted to reshape his physical body, he had to get it. Just the magic stone.

Chen Ping glanced at Sect Leader Jiang and others, but said nothing. He didn't know these people either!

But Ning Zhi knew the elder of Tianmo Sect, after all, it was the elder who brought them here!

So Ning Zhi walked towards the elder of Tianmomen!

"Fellow Taoist, can you successfully obtain the intensive technique?"

the elder of the Tianmo Sect asked Ning Zhi!

Ning Zhi shook his head and said, "No..."

"I'm sorry, if you don't succeed, our Tianmo Sect won't have anything to give you." "

Please leave..."

the elder of the Tianmo Sect said politely!

But Ning Zhi took a step forward and said with a bit of coldness in his eyes, "Even if I don't succeed, I still want the Heavenly Demon Stone, so I hope you can give me the Heavenly Demon Stone!" The

elder of the Heavenly Demon Sect was startled, and then looked at Congratulations to Zeng Nian!

"Fellow Taoist, our Heavenly Demon Sect has the rules of the Heavenly Demon Sect. If you don't succeed, how can you want the Heavenly Demon Stone?"

Zeng Nian'an snorted coldly!

"Who are you?" Ning Zhi looked at Zeng Nian'an!

"This is our Heavenly Demon Sect's Master Zeng!" the elder of the Heavenly Demon Sect introduced!

When Ning Zhi heard this, he took a careful look at Zeng Nian'an, who was at the eighth level of the Tribulation Realm. This made Ning Zhi's lips curl up!

"Why is it impossible?"

After Ning Zhi finished speaking, he suddenly took action against the elder of the Heavenly Demon Sect in front of him.

The elder of the Heavenly Demon Sect had no time to react at all, and was sent flying away by Ning Zhi's palm!

With just this palm, the body of the elder of the Heavenly Demon Sect exploded in mid-air, scattering a rain of blood!

Seeing this sudden situation, everyone was stunned!

No one expected that this guy Ning Zhi would suddenly take action, and every time he takes action, it will be a killing move, without mercy!

Zeng Nian'an saw his elder being killed. After being stunned for a moment, he became furious and the aura on his body continued to rise!

Many disciples of the Tianmo Sect seemed to feel Zeng Nian'an's aura, and they also ran over!

Dozens of Heavenly Demon Sect disciples surrounded Ning Zhi, but there was no trace of panic on Ning Zhi's face!

"Give me the Heavenly Demon Stone, and your Heavenly Demon Sect will live well. If you don't give it to me, that person just now will be the fate of your Heavenly Demon Sect!"

Ning Zhi said calmly!

"Our Heavenly Demon Sect is not a place for you to run wild!"

Zeng Nian'an was furious, and a shadow slowly appeared behind him, and then the shadow solidified into a giant several feet tall!

**A Man Like None Other Chapter 3688**-The giant holds a vajra and wears a purple gold crown. His face is very ferocious, just like a big devil!

“The Demonic Transformation...”

Sect Master Jiang couldn't help but exclaimed when he saw this scene!

“Master, what is the Demon Transformation?”

Jiang Yulian asked curiously!

“This is the secret skill of the Heavenly Demon Sect. The Heavenly Demon Sect has always survived in the Heavenly Demon Mountain. It has been able to exist in the depths of the Heavenly Demon Mountain for thousands of years because of the Heavenly Demon Transformation.” “

According to legend, the devil who appeared in this Heavenly Demon Transformation is the Heavenly Demon. The guardian of the gate is also the demon that was suppressed in the Heavenly Demon Mountain. Because of the guardianship of the demon, the Heavenly Demon Gate can exist for thousands of years.” “

Zeng's master has a unique move when he makes a move. It seems that he knows that the other party is not good. Deal with it...”

Sect Leader Jiang explained!

After Zhe Yan heard this, he couldn't help but smile inwardly. How could this big devil be the one who was suppressed by the Heavenly Demon Mountain, let alone the guardian of the Heavenly Demon Sect!

The demon suppressed under this Demonic Mountain is the Demon Lord Chiyun in Chen Ping's mind!

However, this kind of legend should have been spread by the Tianmo Sect itself, just to improve the reputation of their sect!

“Boy, you killed my Heavenly Demon Sect elder and tried to snatch the Heavenly Demon Stone. You deserve to be damned. Let our Heavenly Demon Sect guardian trolls come and take your life today!” After

Zeng Nian'an finished speaking, the troll behind him jumped up. He stood up and slammed the vajra in his hand towards Ning Zhi!

With a body of several feet, Ning Zhi was like an ant in front of this giant monster!

But Chen Pingping actually laughed when facing the troll!

“What a fucking guardian, it’s just a trick. Is this how your Heavenly Demon Sect survives?”

Ning Zhi sneered, his body disappeared in an instant, and then appeared in mid-air!

Ning Zhi’s thin body faced the troll directly, with disdain and contempt in his eyes!

Then a black mist appeared in Ning Zhi’s hand, and bursts of shrill screams rang out from the black mist!

This black mist was thrown away by Ning Zhi and instantly turned into a fierce ghost!

This fierce ghost was like a shooting star, heading towards the chest of the troll!

Whoosh...

just for a moment, the vajra in the troll’s hand was still in the air, but his body had been penetrated by the evil ghost!

After a slight pause, the troll suddenly let out a roar!

Then the huge body thanked him loudly, and then disappeared!

Ning Zhi fell back to the ground and looked at Zeng Nianan quietly!

At this time, Zeng Nian’an had blood flowing from the corner of his mouth. He did not expect that Ning Zhi could not resist even one of his unique skills!

“Hand over the Demonic Stone, I don’t have to kill you, otherwise I will leave the Demonic Mountain completely intact...”

Ning Zhi’s heart was extremely swollen at this moment!

If he knew that the Tianmo Sect only had this ability, he would have used force from the beginning and snatched it directly, so why bother to get some intensive skills!

“You...”

Zeng Nian'an was about to refuse, but Ning Zhi's figure suddenly appeared in front of him!

I saw Ning Zhi pinching Zeng Nian'an's neck, and said with fierceness in his eyes, “Hand over the Heavenly Demon Stone, or die, you choose...”

Zeng Nian'an felt the terrifying aura on Ning Zhi's body, and his body trembled involuntarily. stand up!

He believed that as long as he dared to say the word “no” now, Ning Zhi would kill him without hesitation!

After hesitating for a moment, Zeng Nian'an sighed, and then loudly ordered, “Go and get the Demon Stone...”

With Zeng Nian'an's order, the Demon Stone was quickly brought!

When Ning Zhi saw the Heavenly Demon Stone, he smiled and put the Heavenly Demon Stone away!

After letting go of Zeng Nian'an, Ning Zhi turned around and left!

Before recovering his body, Ning Zhi didn't want to make too many enemies, so after getting the Heavenly Demon Stone, Ning Zhi really let go of the Heavenly Demon Sect!

Seeing Ning Zhi taking away the only Heavenly Demon Stone from the Heavenly Demon Sect, Sect Leader Jiang and Zhe Yan were all anxious, but no one dared to stop it!

**A Man Like None Other Chapter 3689**-After all, with their strength, there was no way they could stop Ning Zhi!

“Chen Ping, when I regain my physical body, I will come to you again...”

Ning Zhi glanced at the cave and disappeared in an instant!

He will not wait here for Chen Ping to come out, and then follow Chen Ping in a life-and-death battle. He is not that stupid!

Ning Zhi's goal is to get the Heavenly Demon Stone. Now that he has the Heavenly Demon Stone, the rest is not important!

As for killing Chen Ping, there will be plenty of time when he recovers his physical body!

Ning Zhi, this guy, has a very flexible mind. It is precisely because of this that he has repeatedly caused great difficulties to Chen Ping!

After Ning Zhi left, Zeng Nianan sighed helplessly!

He was not in charge of Chen Ping in the cave, but left with the disciples of the Heavenly Demon Sect!

He knew that it was impossible for Chen Ping to bring out the intensive skills!

What's more, the only Heavenly Demon Stone is gone now. What will the Heavenly Demon Sect take as reward in the future to find someone to take out the intensive technique?

Soon, only Sect Master Jiang and the others were left in front of the cave, waiting hard for Chen Ping!

But this wait is just one day and one night!

"Master, it's been so long and Mr. Chen hasn't come out yet. Could something have happened inside?"

Jiang Yulian said worriedly!

Sect Master Jiang frowned, he didn't know what happened to Chen Ping!

"I'm going to find Mr. Chen..."

Zhe Yan couldn't wait any longer. He wanted to go in to find Chen Ping. No matter whether Chen Ping was dead or alive, he had to go and see!

"Brother Yan, you can't go. With your strength, you are seeking death if you go in!"

Jiang Yulian stopped Zhe Yan!

Seeing this, Zheng Jian on the side quickly said, “Junior sister, if he wants to go in and take a look, just let him go. If there is danger, just come out as soon as possible. Besides, Master Zeng also said that he will only be knocked away by Taboo, no It will be life-threatening.”

Zheng Jian wants Zhe Yan to go in, so it’s best to die inside!

“Then why don’t you go in and take a look...”

Jiang Yulian looked at Zheng Jian and said angrily!

Zheng Jian was speechless and didn’t know how to answer!

At this moment, the color of the sky and the earth suddenly changed, and a large number of black clouds came from a distance!

This sudden change shocked Sect Leader Jiang and the others!

I thought some master was coming!

But when these black clouds gathered above his head, Sect Master Jiang realized that these were thunder clouds!

The thunder tribulation cloud covered the entire Heavenly Demon Sect, and within the thunder tribulation cloud, one could clearly see streaks of lightning flashing across!

“Who in the Heavenly Demon Sect is trying to break through? Is it Master Zeng?”

Sect Leader Jiang looked at the dark thunder cloud and asked with some confusion!

The higher the realm, the stronger the Thunder Tribulation Cloud will be, and the more powerful the Thunder Tribulation will be!

Looking at this thunder tribulation cloud, it should be a master of the Tribulation Realm making a breakthrough!

At the same time, in the main hall of the Heavenly Demon Sect, Zeng Nianan was drinking decadently. The only Heavenly Demon Stone was also taken away. The Heavenly Demon Sect may not be able to survive in the future.

“Master, someone is making a breakthrough, and there are many thunder clouds floating in the sky...”

A disciple of the Heavenly Demon Sect ran over and said to Zeng Nian'an!

“Who is making a breakthrough?”

Zeng Nian'an was stunned and hurried out to check!

After all, he is the sect leader, and he knows who is trying to break through the Heavenly Demon Sect, but he has not discovered that there are disciples of the Heavenly Demon Sect who want to break through!

Looking at the black thunder clouds in the sky, Zeng Nian'an was also stunned!

He really couldn't figure out who was making a breakthrough in his Heavenly Demon Sect?

And looking at the scale of this Thunder Tribulation Cloud, it should be a master of the Tribulation Realm who is making a breakthrough!

All the disciples of the Tianmo Sect ran out and looked at the sky in disbelief!

At this time, the entire Heavenly Demon Sect became extremely dark!

Within the thunder tribulation cloud, countless lightning bolts shuttled back and forth, as if they were gathering strength, waiting for the thunder tribulation to arrive!

Rumble...

Suddenly, a deafening sound came from the sky, and then countless lightnings in the thunder cloud began to gather together!

**A Man Like None Other Chapter 3690-**“Thunder calamity is coming...”

Seeing this scene, Jiang Yulian shouted!

Everyone was staring closely at the thunder tribulation, wanting to see where it was striking, so they would know who was breaking through!

Zeng Nian'an and all the people in the Tianmo Sect were also staring at Lei Jie. They were also very curious and wanted to know who made a breakthrough in the Tianmo Sect!

Rumble.....

Suddenly there was a deafening sound, and everyone couldn't help but cover their ears!

I saw a bolt of lightning striking down from the thunder cloud!

And the place where the lightning struck turned out to be the mountain peak in front of Sect Master Jiang and the others!

Lightning struck the mountain peak instantly, and a crack opened in the huge mountain peak, and the lightning followed the crack all the way down!

“this.....”

Jiang Zongzhuang opened his mouth with disbelief on his face!

“Mr. Chen, it's Mr. Chen, he made a breakthrough...”

When Zhe Yan saw this, he immediately roared with joy!

None of them thought that Chen Ping would break through in that cave!

When Zeng Nian'an saw the lightning strike, he jumped up and went straight to the place where the thunder disaster fell!

Other Tianmomen disciples also ran away!

When they saw the thunder calamity falling on the mountain behind the Heavenly Demon Gate, they were stunned for a moment!

“Sect Master Jiang, what's going on?”

Zeng Nianan asked Sect Leader Jiang!

“It's Mr. Chen, Mr. Chen made a breakthrough...”

Sect Leader Jiang explained.

“How is it possible to break through in this cave? There are many restrictions here!”

Zeng Nianan’s face was full of shock!

At this moment, Chen Ping was in the cave, his body suspended, and countless golden lights radiated from all sides of his body!

Accompanied by a bolt of thunder, it struck Chen Ping!

Chen Ping didn’t resist at all, but instead caused the thunder to pass through his body, and then hit the jade slip of the martial art!

With the bombardment of thunder and calamity, the restrictions on the jade slip of the skill became weaker!

Nine thunder tribulations struck in a row, and the clouds of thunder tribulation slowly dissipated!

The whole world fell into silence!

“How could a second-level monk in the Tribulation Realm break through nine such terrifying thunder tribulations? How could he withstand such a terrifying thunder tribulation?”

Zeng Nian’an looked at the dissipating thunder clouds and said in shock!

You must know that there are many monks who failed to break through, and they all died under the thunder!

“Master, will Mr. Chen be okay?”

Jiang Yulian couldn’t help but worry when she saw that there was no movement in the cave after the thunderstorm!

“Don’t worry, Mr. Chen will be fine. I have confidence in him!”

Zhe Yan said it first!

He has followed Chen Ping for such a long time and knows Chen Ping’s strength!

Just when everyone was quietly looking at the mountain peak in front of them, suddenly the mountain peak collapsed to both sides!

The towering mountain peaks were razed to the ground in just a short moment!

At the moment the mountain collapsed, a golden light shot into the sky, and then everyone saw a figure rushing into the sky, and then suspended in mid-air!

“Mr. Chen, it’s Mr. Chen...”

Zhe Yan shouted!

At this time, Chen Ping’s body was wrapped in golden light and suspended in mid-air, like a god descending from the sky!

Especially the vast aura on his body makes people dare not look directly at him!

“A breakthrough. I didn’t expect that such a big change would happen in Mr. Chen after breaking through a small realm. He is a genius. What a genius!”

Sect Leader Jiang felt the change in Chen Ping’s aura and couldn’t help but sigh!

Zeng Nian’an also stared at Chen Ping with his eyes widened!

He wasn’t looking at Chen Ping, but at the jade slip of martial arts in Chen Ping’s hand. This was the intensive martial arts of their Tianmo Sect!

“Sect Master, jade slip, the jade slip of our Tianmo Sect’s martial arts!”

A disciple of the Demon Sect shouted excitedly!

“Shut up, I saw it!”

Zeng Nian’an gave the disciple a cold look!
