

[The Man Decree] A Man Like None Other Chapter 3698

A Man Like None Other Chapter 3698—“Elder Xia is too polite. I wonder if Elder Xia invited people from the Liangyi Sect in the Central Region to set up the magic circle?”

Chen Ping asked!

He just wanted to know whether the identity the guy reported was true!

“That’s right. I didn’t expect to spend so much money and be deceived!”

Elder Xia looked angry!

“Zhongyu Liangyi Sect is also a well-known formation sect. I didn’t expect to do such a thing.”

When Sect Leader Jiang heard this, he couldn’t help but sigh!

“In this Heaven and Human Realm, nothing is unexpected. Among the five regions of the Heaven and Human Realm, only our Southern Region is relatively peaceful. I heard that the other four regions are in constant disputes.”

“I don’t know when the five great domain lords will appear and take care of the order in the heaven and human world!”

Elder Xia sighed softly!

“It’s no longer certain whether the five domain lords are there, they haven’t appeared for hundreds of years!”

Sect Leader Jiang also sighed!

“Don’t worry about this big thing anymore. Sect Master Jiang, come to my Wantong Pavilion. Are you okay?”

Elder Xia asked!

After all, if nothing goes wrong, there is no way that Sect Master Jiang would have traveled thousands of miles to come here!

“There are indeed some things that I want to inquire about from Wantong Pavilion!” Sect Leader Jiang said!

“What’s up?”

“Mr. Cheng wants to find Guanghai Palace, but he doesn’t know the specific location, so he wants to spend money to find out in Wantong Pavilion.”

“We’ve made a reservation, it’s our turn in the afternoon!”

Sect Leader Jiang said it truthfully!

“It turns out I’m trying to find out some information. This is easy to handle. I’ll take you there. If you have any questions, just ask. You don’t need to make an appointment.”

“I have a token here. If anything happens in the future, you can go to Wantong Pavilion to inquire at any time. As long as you have this token, you don’t have to wait!”

Elder Xia took out a dark token and handed it to Chen Ping!

Chen Ping was not polite and took the token. After all, he would inevitably have to find Wantong Pavilion to inquire about some things in the future!

But just when Elder Xia was about to take Chen Ping and the others to ask for the news directly, suddenly a disciple of Wantong Pavilion ran over!

“Elder Xia, someone is making trouble on the street, please go over and take a look!”

The Wantong Pavilion disciple said anxiously!

“How dare someone make trouble in Wantong Pavilion? I’m so tired of living.”

Elder Xia was angry, then looked at Chen Ping and Sect Leader Jiang and said, “You two, wait a moment, I’ll be back soon!”

Elder Xia hurried away with the Wantong Pavilion disciple!

Chen Ping and Jiang Sect Master had nothing to do, so they followed them, wanting to see who dared to cause trouble in Wantong Pavilion!

At this moment on the street, a group of people formed a circle!

Inside, more than a dozen Wantong Pavilion disciples surrounded a man and a woman!

Flames were rising from the man's body, his eyes were red, like a beast, he had lost his mind!

And the woman hugged the man tightly to prevent him from hurting others impulsively!

"You brave boy, you dare to cause trouble in my Wantong Pavilion. I think you are tired of living."

When Elder Xia arrived, he slapped him without hesitation!

"Elder Xia, please show mercy..."

At this time, Sect Leader Jiang and Chen Ping arrived!

After seeing that the man and woman turned out to be Jiang Yulian and Zhe Yan, they immediately rushed forward!

"Sect Master Jiang?" Elder Xia was stunned when he saw Sect Master Jiang rushing towards him!

"Elder Xia, these two are my disciples, please show mercy..."

Sect Leader Jiang said!

When Elder Xia heard this, he quickly took a closer look and found out that it was the person who had been with Sect Leader Jiang from the beginning!

When he invited Sect Master Jiang, the two of them were with Sect Master Jiang.

But now Zhe Yan's whole body was burning with flames, and the two of them looked a little embarrassed. Elder Xia couldn't tell the difference for a while!

"Sect Master Jiang, I'm really sorry, but what is the situation with your two disciples?"

Elder Xia asked with a slight frown!

A Man Like None Other Chapter 3699-“Elder Xia, let me ask...”

After Sect Leader Jiang finished speaking, he hurried over and asked Jiang Yulian, “Yulian, what’s going on?”

“Master, someone secretly attacked Brother Yan. The Supreme Fire Soul in Brother Yan’s body was taken away. I’m trying to suppress it, otherwise Brother Yan will go crazy.”

Jiang Yulian held on to Zhe Yan tightly and said anxiously!

“how so?”

Sect Master Jiang was stunned!

Chen Ping also stepped forward at this moment, and grabbed Zhe Yan with one hand. A wave of heat entered Zhe Yan’s body, and Zhe Yan slowly calmed down!

“Mr. Chen, I... the fire soul in my body was forced out and taken away...”

Zhe Yan said very weakly!

Zhe Yan is a demon cultivator of the Yan Demon lineage, and the supreme fire soul in his body can be said to be the most important. Without the supreme fire, it would be difficult for Zhe Yan to survive!

It seems that the other party knew Zhe Yan’s identity and did this on purpose!

“Who is the other party?” Chen Ping asked with a cold face!

“I don’t know him. He’s a young man. He seems to be practicing fire-based skills, but he’s not a demon cultivator.”

Zhe Yan said and suddenly fainted!

Seeing this scene, Sect Leader Jiang quickly took out a soul-fixing bead and stuffed it into Zhe Yan’s mouth!

Now Zhe Yan’s natal soul has been taken away. If he cannot retrieve it in a short time, Zhe Yan’s life will be in danger!

“This soul-fixing bead can only protect his life temporarily. We must find out who captured Zhe Yan’s soul.”

Sect Leader Jiang frowned and said!

Chen Ping was also very anxious at the moment. Where were they going to find the person who had captured Zhe Yan’s soul?

“Sect Master Jiang, I should know who the person who just mentioned practicing fire-based skills is.”

At this time Elder Xia spoke!

“who is it?”

Sect Master Jiang asked quickly!

“I’ll take you to find him. This guy hunts demon cultivators of the Balrog lineage everywhere and absorbs their fire souls to practice.”

“I didn’t expect that among your disciples, there are actually demon cultivators who possess the ultimate fire.”

Elder Xia said very puzzledly!

After all, Sect Leader Jiang’s Soul Demon Sect is a sect that specializes in soul cultivation. How can the disciples in the sect have demon cultivators of the Flame Demon lineage?

When Sect Leader Jiang heard this, he quickly explained awkwardly:
“Actually, this Zhe Yan is my disciple’s double cultivator...”

When Jiang Yulian heard this, her face immediately turned red!

Although she and Zhe Yan fall in love, the two have not officially become a Taoist couple yet!

There is no dual cultivation. Now that Sect Leader Jiang said this, Jiang Yulian was very shy!

But she was very happy, as it proved that Sect Master Jiang agreed with her following Zhe Yan!

“Oh, that’s it. Let’s go quickly without further ado!”

Elder Xia personally took Sect Leader Jiang and Chen Ping to find that person!

“Sect Master Xia, who is this person you are talking about?”

On the way, Sect Leader Jiang asked!

“This guy’s name is Mu Kui, the eldest son of the Mu family.”

Elder Xia said!

“A member of the Mu family?” When Sect Master Jiang heard this, he immediately exclaimed.

“What? Do you know Sect Leader Jiang?”

Elder Xia asked!

“Well, the Mu family also once allowed our Soul Demon Sect to reshape the body.”

“The Mu family specializes in practicing fire-based exercises, but this Mu family is very special. The men practice fire and the women practice ice, so the men and women of the Mu family practice together from time to time!”

“But if you don’t control it well, you will be counterattacked by the opponent, and your body will be destroyed, leaving only a residual soul. I will reshape the body of the Mu family.”

Sect Leader Jiang said!

When Chen Ping heard this, he was stunned!

Chen Ping said in disbelief: “Then the Mu family is in chaos...”

“That’s not true. The Mu family has a long history and many branches. Although many people are members of the Mu family, they have long been estranged by blood.”

“Although the world of heaven and humans is in chaos, human ethics and morality still exist...”

Sect Leader Jiang hurriedly explained, for fear that Chen Ping would misunderstand!

When Chen Ping heard this, he nodded slightly to understand. Didn't the houses of kings in the secular world also marry each other to ensure the purity of their bloodlines?

Even today's island nation's royal family still maintains this tradition!

Thinking of the island country, Chen Ping actually missed his days in the secular world. Now he has long been the god of the island country, and he doesn't know how much power of faith he has gathered!

A Man Like None Other Chapter 3700-Wantong Pavilion, in a corner courtyard!

Zheng Jian was chatting with a man at the moment, and there was a cloth bag hanging on the man's waist. Inside the bag was Zhe Yan's soul, struggling in pain!

This man is Mukui. In order to quickly improve his cultivation, this guy hunts down demon cultivators from the Balrog lineage everywhere. After all, the demon cultivators from the Balrog lineage are basically casual cultivators here, and few people care about them!

"Fellow Daoist Zheng, thank you very much. I really didn't expect that I could meet a demon cultivator with the ultimate fire in this Wantong Pavilion. It seems that I have a good chance of breaking through to the eighth level of the Daodu Tribulation Realm."

"When I break through to the eighth level of Tribulation Realm, I will go back and let my father take a good look at it. Even if I am wandering around, I can make my strength improve by leaps and bounds."

Mukui said with excitement on his face!

"Mr. Mu, our relationship is nothing more than just saying thank you. We are mutually beneficial. You get training resources, and I get rid of a love rival. If you dare to steal my junior sister from me, you are courting death."

After Zheng Jian finished speaking, he stared fiercely at the bag on Mu Kui's waist!

If Mu Kui hadn't needed Zhe Yan's soul, Zheng Jian would have wanted to whip Zhe Yan's soul to death right now!

Along the way, Zhe Yan could not stand the way Zhe Yan followed Jiang Yulian and kissed me!

"Hahaha, it's hard for a hero to be a beauty. Now Zheng Daoyou can go after your little junior sister with peace of mind."

Mu Kui laughed and patted Zheng Jian on the shoulder!

Zheng Jian also laughed, but soon frowned, and then said solemnly: "Oh no, my master and the others should be here. Mr. Mu, please don't say that we have met, let alone that I made you do this." made."

After saying that, Zheng Jian jumped up and disappeared!

When Mukui saw this, he wanted to run away, but at this moment the courtyard door was pushed open by him!

"Mr. Mu, you are causing trouble in our Wantong Pavilion and taking away other people's souls. Don't you take our Wantong Pavilion seriously?"

As soon as he entered the door, Elder Xia said with a gloomy face when he saw Mu Kui!

"Elder Xia, what are you talking about? Why can't I understand you?"

Mukui pretended to be dumbfounded and didn't understand, but he quietly put the bag behind his back with one hand!

Chen Ping had long noticed Mukui's little movements and had already sensed Zhe Yan's aura!

"Release my friend's soul, or die..."

Chen Ping looked at Mukui with murderous eyes!

"Hmph, who are you? You're here to scare me. Grandpa, I'm not scared. What's more, what's wrong with me killing the demon cultivator!"

Mukui snorted and suddenly jumped up!

Immediately, the whole person turned into a ray of fire and quickly swept away into the distance!

“Chase.....”

When Elder Xia saw this, he immediately waved his hand and led the people from Wantong Pavilion to pursue!

Of course Elder Xia had to give an explanation for doing such a thing in their Wantong Pavilion, not to mention that Sect Master Jiang and Chen Ping had just saved his daughter's life!

Mukui's figure was very fast, and his speed was extremely astonishing. He turned into a ball of flame in mid-air, like a shooting star. Elder Xia led his people to chase after him desperately, but he was left far behind by Mukui.

When Chen Ping saw this, he paused, his figure disappeared in an instant, and then appeared several miles away!

Two balls of flame were burning under Chen Ping's feet, and there was even more violent heat around his body. He surpassed Elder Xia and the others in the blink of an eye!

“It's so fast...”

Elder Xia looked at Chen Ping and couldn't help but be surprised!

I saw Chen Ping's figure rushing forward in leaps and bounds. Every time his figure disappeared and reappeared, he was already several miles away!

Chen Ping's Fire Control Step is an immortal technique, not something ordinary monks can compare to!

Chen Ping looked at Mukui not far away and felt very regretful in his heart. If his fire-bending steps were perfect now, he would only need two steps to catch up with this guy!

Mukui felt the breath behind him and couldn't help but look back, only to find that Chen Ping was quickly approaching him in a flash!
