

[The Man Decree] A Man Like None Other

A Man Like None Other Chapter 3701-"Holy crap, what kind of magic is this?"

Mu Kui was shocked and his body fell rapidly!

When Chen Ping saw this, he also rushed down directly!

The two people landed on a barren mountain a hundred miles away from Wantong Pavilion!

"Who are you? What spell did you use just now?"

Mu Kui asked with a slight frown!

"What kind of magic did I use? Why should I tell you? Who do you think you are..."

Chen Ping snorted coldly!

"Boy, don't think that I don't know. You also have the aura of supreme fire in your body. If that's the case, then I will force out your supreme fire soul so that it can become my cultivation resource!"

Mukui raised the corner of his mouth, and then waved his palm toward the ground!

Flames instantly rose from the ground, and these flames quickly formed a Bagua figure!

In this Bagua graphic, a humanoid monster appears, and these humanoid monsters are all burning with flames!

Chen Ping glanced at these humanoid monsters and couldn't help but frown!

"These are not monsters, but human souls. I didn't expect you to turn other people's souls into murderous puppets."

Chen Ping glared at Na Mukui!

“The fire energy of these souls has been absorbed by me, so they have no value. Wouldn’t it be better to make them into murderous puppets?”

Mukui raised the corner of his mouth: “Don’t worry, your soul will become one of them soon.”

As Mu Kui finished speaking, Chen Ping was surrounded by souls burning with flames, and there was a live connection between these souls!

“Do you think you can kill me with just your skills?”

Chen Ping asked calmly!

“It seems that your aura is only at the third level of the Tribulation Realm. I am now at the seventh level of the Tribulation Realm and will soon be able to break through to the eighth level. What do you want to fight with me?”

“Is it just the aura of extreme fire in your body? It seems that you are not a demon cultivator, and you should not be of the flame demon lineage, so where does the aura of extreme fire in your body come from?”

Mukui asked!

“Call grandpa and I will tell you...”

Chen Ping said with a playful smile!

After breaking through to the third level of the Tribulation Realm, Chen Ping is no longer afraid of the seventh level monks of the Tribulation Realm!

What’s more, he has many life-saving means, including the God King’s Bow, the Dragon Pattern Clock, and the time magic weapon clock, any of which can save the day!

And now he has opened the Tianming Eye again, and there is a little guy named Sky-Swallowing Beast in the storage ring. Although he doesn’t know when the Sky-Swallowing Beast will appear, but every time Chen Ping is in the most critical moment, the little Sky-Swallowing Beast will appeared!

“you wanna die.....”

Mu Kui was angry and made a hand seal, and immediately those souls covered in flames rushed towards Chen Ping!

These souls were burning with blazing flames, bursting out with great strength!

And the flames formed a ring, and the hot air began to tremble and make a crackling sound!

Chen Ping remained motionless. The indestructible golden body on his body suddenly activated, and golden scales covered Chen Ping's whole body!

"Do you still want to use armor to resist my flames? It's a joke. These are the ultimate fire, not ordinary flames!"

Mu Kui sneered!

Chen Ping did not finish speaking, but suddenly waved his palms, and two flames burst out instantly from his palms!

The stars of the fire element in Chen Ping's body began to flash rapidly!

Flames also rose around Chen Ping!

Waves of heat rolled in, and several souls surrounding Chen Ping actually flew out under the heat wave!

"Play with fire with me, I am your ancestor..."

Chen Ping smiled coldly, and the fire-bending steps appeared. His body disappeared in the blink of an eye, and then appeared in front of a soul. With a grasp of his hand, the flames on the soul were extinguished instantly, and the soul screamed and turned into nothingness!

A Man Like None Other Chapter 3702-Chen Ping's figure disappeared again, and then appeared in front of a soul!

In this way, in the blink of an eye, these souls burning with flames all disappeared!

"This...how is this possible?"

Mukai's eyes widened with horror!

He simply didn't believe that Chen Ping, who was in the third level of the Tribulation Realm, could be so powerful?

You must know that these souls were all refined by him, and the ultimate fire on his body was also a terrifying existence. How could he be easily extinguished by a guy at the third level of the Tribulation Realm?

Looking at the soul that was beheaded by Chen Ping softly, Mu Kui panicked in his heart, jumped up, and then ran away into the distance!

He knew that as long as he returned to his home, no matter how powerful Chen Ping was, there would be nothing he could do to him!

"Humph, want to escape?"

Chen Ping snorted coldly and immediately chased after him!

When it comes to playing with fire, Chen Ping is really not afraid of this guy. After all, Chen Ping now has the origin of fire, not to mention that he has more than one kind of ultimate fire in his body.

As for the fire-bending step that Chen Ping was performing at this moment, the flames under his feet were something that no one in the world of heaven and earth could possess!

Chen Ping's figure was looming, but in just the blink of an eye, he caught up with Na Mukui!

Immediately, Chen Ping pointed his claw towards the void, and a huge suction force caused Na Mukui's figure to stand still in mid-air!

"Don't you like playing with fire? Then I'll let you taste the feeling of being roasted by fire..."

A ball of flame danced in the palm of Chen Ping's hand, and then headed straight for Na Mukui!

boom!

The surrounding area of Mukui's body instantly burst into flames.

Logically speaking, it is normal for Mukui to practice fire-based skills and have flames burning around his body!

But at this moment, the flames around Mukui's body seemed to have life, constantly penetrating through the skin and drilling into Mukui's body!

"ah....."

A scream came from Namukui's mouth, and his body fell directly from the air!

"Friend Taoist, have mercy on me, Taoist friend, have mercy on me, I can return your soul to you!"

Mu Kui struggled desperately, but he couldn't get rid of Chen Ping's extreme fire!

A seventh-level monk in the Tribulation Realm was beaten until he was begging for mercy from a third-level Tribulation Realm. It was a great spectacle!

Chen Ping waved his hand, and the flames on Mu Kui disappeared instantly!

Looking at Mu Kui again, he was in an extremely embarrassed state, and he still looked like a young master!

Chen Ping stretched out his hand and said: "Hand over your soul..."

Although Mukui was reluctant to give up, he still handed the bag around his waist to Chen Ping!

Chen Ping opened the bag and took a look, and found that it was indeed Zhe Yan's soul, so he put the bag away!

"I gave my soul to you, can you let me go?"

Mukui asked cautiously!

"Let you go?" Chen Ping snorted coldly: "You took away my friend's soul and almost killed him. Do you think I will let you go?"

"I will kill you today to save you from harming others..."

After Chen Ping said that, he slapped Mu Kui with one palm!

Mu Kui was shocked, but under Chen Ping's palm, he found that he had no way to escape!

“Mr. Cheng, please show mercy...”

At this time, Elder Xia and his men hurriedly chased after him!

Chen Ping stopped, looked at Elder Xia and said, “Elder Xia, this guy caused trouble in Wantong Pavilion and almost killed my friend. Wouldn’t it be a good idea to kill him? Why did you stop me?”

“Mr. Cheng, I hope you can give me a face and let me take him back to Wantong Pavilion to punish him, so as to scare other people.”

Elder Xia said to Chen Ping very politely!

Seeing that Elder Xia had said this, Chen Ping could only nod his head in agreement!

Soon, Chen Ping and the others flew back to Wantong Pavilion!

Chen Ping opened the bag and released Zhe Yan’s soul. After the soul returned to his body, Zhe Yan immediately woke up!

Because of the soul-fixing bead, Zhe Yan is not a serious problem!

At this time, Zheng Jian, who was on the side, saw that Mu Kui was captured, his face became extremely ugly, but he still pretended to be calm!

A Man Like None Other Chapter 3703-“You guy almost killed Brother Yan. I’m going to kill you...”

Seeing Mu Kui being captured, Jiang Yulian became furious and wanted to kill him!

“Yulian, stop!”

Sect Leader Jiang stopped Jiang Yulian. After all, this guy was the son of the Mu family. If he really killed him, the Mu family would definitely not follow their Soul Demon Sect and give up!

“Mr. Mu, our Soul Demon Sect has some friendship with your Mu family. Why do you want to attack my disciples of the Soul Demon Sect?”

“If you don’t make it clear today, then our Soul Demon Sect will never be finished, and our Soul Demon Sect will not allow others to bully us.”

Sect Leader Jiang looked at Mukui very angrily and asked!

It was impossible for Mu Kui not to know someone from their Soul Demon Sect, and it was impossible for him to be Jiang Yulian!

Now Mu Kui has taken action against Jiang Yulian, injured Jiang Yulian, and captured Zhe Yan’s soul. It is obvious that he does not take their Soul Demon Sect seriously!

Mu Kui felt the anger in Sect Master Jiang’s eyes. He knew that it would be difficult for him to escape if he didn’t explain clearly today, so he said: “Sect Master Jiang, in fact, this matter...”

“Master, don’t listen to his sophistry, just kill him...”

When Zheng Jian saw that Mu Kui was about to betray him, he immediately panicked, so he slapped Mu Kui with the intention of killing him and silencing him!

Fortunately, Elder Xia reacted quickly and stood directly in front of Na Mukui, blocking the blow!

“Zheng Jian, you are so bold, stand down!”

When Sect Master Jiang saw that Zheng Jian did not obey orders and dared to take action privately, he immediately became angry!

When Mu Kui saw that Zheng Jian wanted to kill him, he was also furious, and immediately cursed: “Zheng Jian, you despicable villain, didn’t you tell me this?”

“Sect Leader Jiang, it was your disciple who found me and asked me to do this. He said that there was a guy competing with him for his junior sister, so he asked me to kill him.”

“I was just bewitched by him. It was not really aimed at your Soul Demon Sect...”

Mu Kui simply said it all, after all, it was already this time!

When Sect Leader Jiang heard this, he was stunned. He had never thought that Zheng Jian would do this!

Sect Master Jiang looked at Zheng Jian angrily. Zheng Jian suddenly panicked and knelt down in front of Sect Master Jiang!

“Master, I was wrong, I was wrong. I was my childhood sweetheart with my little junior sister, but my love was snatched away by this Zhen Yan. I am unwilling to accept it!”

Zheng Jian’s body was trembling and he kept admitting his mistake!

“Senior brother, you...why are you such a person? I have always treated you as a brother. I only have family affection for you, not love.”

Jiang Yulian also looked at Zheng Jian in disbelief!

Sect Leader Jiang gritted his teeth and looked at Zheng Jian coldly. He didn’t know what to say for a moment!

At this time, Chen Ping on the side said: “On the way, when we met that Divine Doctor Liu suddenly attacked us, you should have told them, right?”

Hearing what Chen Ping said, Sect Master Jiang suddenly realized. He remembered that after meeting Divine Doctor Liu on the way, Zheng Jian said that he had a stomachache and wanted to go for a while, so he asked them to go first!

But when Zheng Jian caught up with him, he met Divine Doctor Liu and his people who stopped them!

During this period of time, it is very likely that Zheng Jian went to inform and reveal Chen Ping’s identity!

“Master, I was wrong, I was really wrong, please go around me this time!”

Zheng Jian desperately begged for mercy without refuting, proving that Chen Ping’s guess was right!

“You beast, you ruined the reputation of my Soul Demon Sect, I will kill you...”

Sect Leader Jiang raised his hand to slap Zheng Jian!

At this moment, Zheng Jian became crazy when he saw that Jiang Sect Master insisted on killing himself regardless of the relationship between master and disciple!

“Kill him, I’m not afraid, but before I die, I will tell everyone that Mr. Cheng’s surname is not Cheng at all, his name is Chen Ping, and he is Chen Ping who has been hunted down by the Demon Sealing Alliance with a hundred-year reward.”

“Whoever can kill him or capture him to the Demon-Sealing Alliance will be able to receive a hundred years of worship from the Demon-Sealing Alliance...”

Zheng Jian roared loudly and looked at Chen Ping angrily. If it weren’t for Chen Ping, Zhe Yan would not have appeared.

A Man Like None Other Chapter 3704-“Zheng Jian, you beast...”

When Sect Master Jiang saw that Zheng Jian had exposed Chen Ping’s true identity, he immediately became angry and slapped him down without hesitation!

With this slap, Zheng Jian died instantly!

Seeing the dead Zheng Jian, Sect Master Jiang was stunned for a moment, with a mixed expression on his face. After all, he was the disciple he raised, but now he died in his own hands!

Jiang Yulian looked at Zheng Jian’s body and had mixed feelings. She didn’t know what to do!

Zheng Jian’s words also made many people around him look at Chen Ping instantly!

Especially Elder Xia and that Mu Kui!

The two people looked at Chen Ping in disbelief!

Mu Kui was filled with shock at this moment. He finally understood why Chen Ping, who was in the third level of the Tribulation Realm, was able to face his seventh level of the Tribulation Realm with ease and was not afraid at all!

It turned out that he was the person who was ordered to kill by the Demon-Sealing Alliance with a hundred-year tribute. Chen Ping must have some skills, otherwise the Demon-Sealing Alliance wouldn't have come up with a hundred-year tribute!

"Elder Xia, let's go to your house. Let me explain some things to you!"

Sect Leader Jiang knows that if many people know Chen Ping's identity while staying on this street, then Chen Ping will be in danger!

Now he can only bet that Elder Xia will not do anything to Chen Ping. After all, Chen Ping just saved Elder Xia's daughter!

Elder Xia also understood what Sect Leader Jiang meant, so he nodded, and then told his subordinates: "Keep an eye on Mukui, don't let him run away..."

While instructing his men, Elder Xia glanced at him quietly!

The subordinates immediately understood. For what Mu Kui did in Wantong Pavilion, Wantong Pavilion could only teach him a few words. If he really wanted to kill Mu Kui, Wantong Pavilion didn't want to cause trouble!

Even if Chen Ping kills Mu Kui, it is estimated that the Mu family will still find trouble in Wantong Pavilion. After all, the cause of the incident is in Wantong Pavilion!

After Elder Xia brought Sect Leader Jiang and others back to his home, Mu Kui was released by the people from Wantong Pavilion!

"Elder Xia, I did deceive you. This is Mr. Chen Pingchen, the one who issued the killing order from the Demon Sealing Alliance. However, we did not hide it deliberately. After all, in this situation, if Chen Ping's identity is not hidden, Sir is very dangerous."

Sect Leader Jiang followed Elder Xia truthfully and said!

Chen Ping also changed his aura at this moment and returned to his original appearance!

Elder Xia looked at Chen Ping, looking up and down, with curiosity in his eyes, so he asked Chen Ping: "Mr. Chen, I really want to know what on earth you

did to make that demon alliance spend hundreds of years.” Will I sacrifice you to kill you?”

Although many people know about the Demon Sealing Alliance’s murder of Chen Ping, not many people know the specific reason for it!

Elder Xia was also very curious. Seeing as Chen Ping had not reached the third level of the Tribulation Realm and was still very young, how could he provoke the Demon Sealing Alliance?

“It’s nothing, I just killed the son of the leader of the Demon Alliance...”

Chen Ping said lightly!

“What?”

Elder Xia suddenly took a breath of air: “Isn’t this nothing? No wonder the Demon Sealing Alliance used such great force to kill you!”

“But don’t worry, I, Wantong Pavilion, don’t lack resources, so I won’t do anything to you for the hundred years of worship from the Demon Sealing Alliance, not to mention that you saved my daughter.”

“But you can’t stay in our Wantong Pavilion for too long. After all, your identity has been exposed. I believe many people are ready to make a move on you. After all, there are many other monks in our Wantong Pavilion.”

“I will take you to inquire about the Guanghan Palace now. If you find out anything about it, please leave Mr. Chen immediately!”

Elder Xia seems to be doing it for Chen Ping’s good, but actually he doesn’t want to cause trouble to Wantong Pavilion!

If everyone knew that Chen Ping was in Wantong Pavilion, I believe many people would flock to Wantong Pavilion to take action against Chen Ping. It would be very difficult for Elder Xia to do it then!

A Man Like None Other Chapter 3706-“My little fellow Taoist, Guanghan Palace is located in the extreme south of Tianmo Mountain. It is covered with snow all year round and the temperature is extremely cold. To go there, you

have to pass through the deepest part of Tianmo Mountain. The road is chaotic.”

“If you want to go alone, I’m afraid you won’t be able to reach Guanghai Palace and you will be killed. There are many demon cultivators in the depths of Tianmo Mountain, and there are also many casual cultivators, which are not as safe as here.”

“Besides, you only have a third-level cultivation in the Tribulation Realm. Let alone going to the depths of the Heavenly Demon Mountain, even if you are at the foot of the Heavenly Demon Mountain, you may die. You have to think clearly.”

“If Elder Xia hadn’t brought you here, I wouldn’t have told you this...”

Elder Sun persuaded Chen Ping!

After hearing this, Chen Ping frowned slightly. He didn’t expect that the southernmost point of the human world was also an extremely cold place. Just like the secular world, the Antarctic and North Pole of the secular world were covered with snow all year round, which could freeze people to death. Existence is just that the area of the heavenly and human world is many times that of the secular world.

Chen Ping also knew that there were many demonic cultivators deep in the Heavenly Demon Mountain, and they were indeed dangerous, but he couldn’t wait here for a few days just to take the airship!

“Old Sun, to be honest, Mr. Chen has just cured my daughter and can be regarded as my daughter’s savior. Please free up a seat on the airship!”

Elder Xia looked at Chen Ping like that and said!

When Elder Sun heard this, he was a little surprised and said: “Lao Xia, you said your daughter is fine, is she okay?”

“Well, that’s what this Mr. Chen did!” Elder Xia nodded.

However, he did not tell Chen Ping’s true identity. Although he could not deal with Chen Ping for the centenary sacrifice of the Demon Sealing Alliance, he could not guarantee that others would do the same!

Elder Sun looked at Chen Ping in disbelief, and his eyes clearly changed when he looked at Chen Ping!

“Since you are the savior of Lao Xia’s daughter, I will make arrangements for you. There will be an airship heading to Guanghan Palace in a moment. You can follow me. I will personally be in charge of the airship heading to Guanghan Palace.”

“After all, there are many dangers in the depths of Tianmo Mountain. Many demon cultivators are eyeing our airship in Wantong Pavilion. I must ensure the safety of the airship!”

Elder Sun said to Chen Ping!

“Thank you, Elder Sun!” Chen Ping quickly thanked him!

Elder Xia also stepped forward and patted Elder Sun on the shoulder and said, “Thank you, Old Sun. When you come back, come to my house for a drink.”

“Hahaha, definitely...”

Elder Sun laughed and said!

“Mr. Chen, why don’t we go with you...”

Sect Leader Jiang approached Chen Ping and whispered!

After all, the southernmost part of Tianmo Mountain is an extremely harsh place. It is covered with snow all year round and is very difficult!

“Yes, let’s go with you so we can take care of you!”

Zhe Yan also spoke!

But Chen Ping shook his head and said: “Sect Leader Jiang, this journey has been troublesome enough for you. The Soul Demon Sect cannot be left alone to manage. I can just go by myself.”

Chen Ping spoke, then looked at Zhe Yan and said: “Zhe Yan, you have been with me for such a long time, and now your physical body has finally recovered and you can live a normal life. If you follow Miss Jiang, you are in love, so you can stay in the Soul Demon Sect. !”

“If there is a chance, we can meet again...”

“Mr. Chen.....”

Zhe Yan burst into tears all of a sudden, even though Chen Ping destroyed Zhe Yan’s body and imprisoned his soul in the sea of consciousness!

But Zhe Yan did not blame Chen Ping. On the contrary, he was very grateful to Chen Ping!

Following Chen Ping during this time, Zhe Yan has indeed grown a lot!

Now, with the help of Chen Ping, he has recovered his physical body, and his strength has also increased a lot. He has also found a Taoist couple to practice together. Zhe Yan is very lucky!

“Why is a grown man still crying?”

Chen Ping patted Zhe Yan on the shoulder and smiled slightly!

A Man Like None Other Chapter 3707-“Mr. Chen, if you can use me to get my hands on Zhe Yan, I will die without mercy.”

“Can you give me some jade slips for sound transmission, so I can contact you when I have something to do?”

Zhe Yan followed Chen Ping and said!

After all, things like the Sound Transmission Jade Slips are rare in the eyes of others, but in Chen Ping’s eyes, they are worthless!

He can easily refine many sound-transmitting jade slips!

“No problem!” Chen Ping casually took out a dozen sound transmission jade slips from the storage ring and handed them to Zhe Yan!

Zhe Yan smiled and put away the jade slip of the sound transmission!

Seeing this scene, Sect Master Jiang and Elder Xia were stunned!

You must know that this sound transmission jade slip is the most convenient means of communication in the heaven and human world, but it is too expensive and cannot be used by ordinary monks!

But Chen Ping took out more than a dozen sound-transmitting jade slips at once and gave them to others as if they were worthless!

“Mr. Chen, this... these sound transmission jade slips are very expensive. Why do you have so many of them?”

Sect Leader Jiang asked in shock!

If Jiang Yulian and the others were being hunted at that time, if the jade slips were transmitted in the future, they could immediately notify Sect Master Jiang to lead people to rescue them!

It's just that they don't have jade slips for sound transmission. Let alone them, even the entire Soul Demon Sect doesn't have jade slips for sound transmission!

“I have a lot of this stuff. If Sect Leader Jiang likes it, I'll give you some too!”

As Chen Ping said, he took out more than a dozen jade slips for sound transmission and handed them to Sect Leader Jiang!

Sect Master Jiang was stunned when he held the jade slip for transmitting messages!

Elder Xia and Elder Sun also looked on in shock. They couldn't figure out why Chen Ping got so many jade slips for transmitting messages?

“Mr. Chen, I don't know how many you can give me. I don't want it in vain. Your consumption at Wantong Pavilion and the airship ride are all free of charge.”

“And with my token, you can pass through Wantong Pavilion for free. As long as I, Wantong Pavilion, can go, you can go!”

Elder Xia followed Chen Ping tentatively and asked!

“Of course, I have a lot of this!”

Chen Ping directly gave Elder Xia a dozen jade slips for transmitting messages.

Elder Sun on the side was licking his lips, his eyes full of envy!

If he has this thing, he can always contact his family when running outside!

After all, Elder Sun spends a lot of time outside, so communicating with his family is very troublesome!

But with the Jade Slip of Sound Transmission, you can contact us anytime and anywhere!

Seeing Elder Sun like that, Chen Ping smiled, took out a dozen jade slips of sound transmission and said: "Elder Sun, I have trouble taking care of you along the way, so I will give you these jade slips of sound transmission!"

Elder Sun was immediately overjoyed. He held the sound transmission jade slip and nodded desperately: "Don't worry, Mr. Chen, I will arrange a first-class cabin for you, with a room, and you will have a room by yourself!"

"Mr. Chen, you... how on earth did you get so many jade slips for transmitting messages? You must know that not many people can refine this thing, and it is expensive!"

Sect Leader Jiang asked in confusion!

"Sect Master Jiang, Mr. Chen is a spell master. Not to mention low-level spells like the Sound Transmission Jade Slips, even high-level spells can be easily refined by Mr. Chen."

Zhe Yan said with a smile!

"What?"

Sect Leader Jiang was stunned!

You must know that spell masters, formation masters, including pharmacists, are very rare in the world of gods and humans!

But he didn't expect that Chen Ping could combine all these things into one person. Not only was he an array master, but he was also a medicine master and a spell master!

Isn't this too outrageous?

Moreover, Chen Ping is at the third level of the Tribulation Realm, but he is not afraid of the seventh level of the Tribulation Realm. This kind of leapfrog fighting is rarely seen in the world of heaven and humans!

From this point of view, Chen Ping is a genius among geniuses!

Elder Xia was also surprised. He saw with his own eyes that Chen Ping recognized the Ten Thousand Souls Formation, broke the formation, and rescued his daughter's soul!

Now Chen Ping is still a spell master, which is so shocking!

A Man Like None Other Chapter 3708-Soon, it's time for the airship to set off!

Elder Sun personally took Chen Ping to the place where the airship was parked!

Zhe Yan bid farewell to Chen Ping with tears. He also knew that after this farewell, he didn't know when he would be able to see Chen Ping again!

With Elder Sun personally leading him, Chen Ping walked directly onto the airship without anyone checking!

But Chen Ping didn't pay attention. A pair of eyes secretly saw him boarding the airship and then left quickly.

"Mr. Mu, the guy named Chen Ping has already boarded the airship heading to Guanghan Palace."

As soon as Chen Ping got on the airship, someone immediately reported it to Mukui!

Mukui had already left the Wantong Pavilion territory at this moment, with a gloomy look on his face!

Although Elder Xia of Wantong Pavilion deliberately let him go, Mu Kui was still dissatisfied!

What's more, Chen Ping was killed by the Demon Sealing Alliance with a hundred years of tribute. If he could kill Chen Ping, he would get a hundred years of worship from the Demon Sealing Alliance!

"I see....."

A sneer appeared at the corner of Mukui's mouth, and then quickly disappeared!

At this time, Chen Ping was looking at the airship of Wantong Pavilion in shock. The airship of Wantong Pavilion was very large and could accommodate hundreds of monks!

Elder Sun led Chen Ping all the way to the first-class cabin, then opened a door and said: "Mr. Chen, you can rest here. I will provide personal service along the way. If Mr. Chen needs anything, just ask him." "

Elder Sun was very polite. It seemed that Chen Ping's dozens of jade slips for transmitting messages were not in vain!

"Thank you very much, Elder Sun!"

Chen Ping said politely!

"Mr. Chen, you're welcome. Even though I'm personally on duty along the way, it's inevitable that someone will take advantage of this airship."

"If you hear any noise, Mr. Chen, just rest and I will deal with it."

Elder Sun reminded!

It seems that Elder Sun often runs this route, so he is very confident!

"Understood!" Chen Ping nodded!

Even if Elder Sun doesn't tell, Chen Ping will not show his face easily. If he meets someone who knows him, his identity will be exposed, which will be troublesome!

As soon as he arrives at Guanghan Palace and gets the Heavenly Demon Stone, Chen Ping will leave immediately!

Chen Ping locked the door, then carved a small formation and started practicing by himself!

The airship slowly took off, and then quickly headed towards the southernmost part of Tianmo Mountain!

Chen Ping entered a state of cultivation and didn't know the passage of time!

I don't know how long it took, but the airship suddenly stopped. Chen Ping didn't care. After all, Elder Sun also said that Chen Ping didn't have to worry about anything!

At this time, around the airship, a dozen monks with powerful auras were surrounding the airship, each with a fierce look!

"Everyone, this is the airship of Wantong Pavilion. Please show your respect. If you need resources, I can give you a token. With the token, you can go to any branch of Wantong Pavilion to receive resources."

Elder Sun jumped out of the airship, followed by a dozen Wantong Pavilion disciples behind him!

Going to Guanghan Palace is the most dangerous route, so every time we set out, Elder Sun will bring more disciples!

"Elder Sun, the resources we need today are not something your Wantong Pavilion can afford."

A man with only one eye said with a sneer.

The man's aura surged, and his strength at the eighth level of the Tribulation Realm was clearly revealed!

The other people behind the man were all holding various treasures, and they were all at the fifth or sixth level of the Tribulation Realm!

Elder Sun frowned slightly. He was only at the eighth level of the Tribulation Realm. Most of the Wantong Pavilion disciples behind him were at the second or third level of the Tribulation Realm!

If there were a fight, they would have no chance of winning!

But if all the monks on the airship help, there may be hope of victory!

But will anyone help?

A Man Like None Other Chapter 3709-At this moment, many monks on the airship were terrified when they felt the cultivation of this group of people!

Most of the people in Guanghai Palace are young monks, just to catch a glimpse of the disciples of Guanghai Palace, and also to find Taoist companions!

Most of these young monks are not very strong, and most of them are in the second or third level of the Tribulation Realm!

Now suddenly encountering such a powerful monk blocking their way, these young monks are of course afraid!

“Fellow Taoist, since you dare to stop our Wantong Pavilion airship, you must also know the strength of our Wantong Pavilion. Do you think you can ignore our Wantong Pavilion?”

Elder Sun suppressed the anger in his heart and said after the other party!

It's better not to take action if you can. After all, these people have been operating deep in the Demon Mountain all year round. If they really form a deadly feud and the other party often harasses them, they will also bring a lot of unnecessary trouble to Wantong Pavilion!

“Elder Sun, I didn't say I would ignore you at Wantong Pavilion, but today I just want one person from Elder Sun. As long as you hand over this person, I can let you go without robbing you of any resources. “

The one-eyed monk said coldly!

“Who are they?” Elder Sun was stunned. He didn't expect that these guys were not blocking the road to steal money, but robbing people!

“A guy named Chen Ping, hand him over!”

The one-eyed monk said!

“Mr. Chen?”

Elder Sun frowned: “Does Mr. Chen have any grudge against you? Why are you looking for him?”

When the one-eyed monk heard this, he burst into laughter and said: “Elder Sun, are you pretending to be confused or you really don’t know? Chen Ping was the one who was ordered to be killed by the Demon Sealing Alliance with a hundred years of worship. As long as I kill Chen Ping, , you can go to the Demon Sealing Alliance to receive the reward.”

“I think it’s impossible for you not to know. You must want to monopolize the Demon-Sealing Alliance’s hundred-year tribute, right?”

Elder Sun was stunned by the one-eyed monk’s words. He really didn’t know about this!

At this moment, Chen Ping, who was in the luxurious private room, also heard the one-eyed monk’s words, and his heart suddenly tightened. He did not expect that the news that he got on the airship and went to Guanghan Palace would also be known!

At the same time, there was a commotion on the airship, and many monks were shocked when they heard what the one-eyed monk said!

Many of them also knew about the killing order issued by the Demon Sealing Alliance, but they didn’t know Chen Ping, so even if Chen Ping got on the airship, they didn’t know!

But now that the one-eyed monk said that Chen Ping was on the airship, these monks instantly exploded!

“Who is Chen Ping and which one is Chen Ping?”

A fifth-level monk in the Tribulation Realm, who was considered to be a powerful monk among the many young monks, stood up, glanced at it and asked loudly!

But no one dared to speak, after all, these people are not Chen Ping!

“This Chen Ping is worth a hundred years of worship from the Demon Sealing Alliance. He will definitely not sit with me. It is likely that he will be in the luxurious first class cabin.”

Someone said loudly!

“Yes, I saw Elder Sun personally taking him to the first class cabin. That must be the guy named Chen Ping.”

Someone else said!

Upon hearing this, the fifth-level cultivator in the Tribulation Realm rushed towards the first-class cabin without hesitation!

Now Elder Sun led everyone outside the airship. There was no one in charge of the airship. The fifth-level monk in the Tribulation Realm quickly arrived at the first-class cabin. He was about to kick open the door, but found that the door opened by itself!

Chen Ping walked out of the first-class room, and then looked coldly at the fifth-level monk in the Tribulation Realm!

This guy was so excited when he saw that Chen Ping was only at the third level of Tribulation Realm!

He kills Chen Ping now, and the hundred-year enshrinement of the Demon Sealing Alliance is his!

“Your name is Chen Ping?”

The monk asked Chen Ping!

“Yes!” Chen Ping nodded!

When the fifth-level cultivator in the Tribulation Realm heard this, he was extremely happy. Just as he was about to attack Chen Ping, he heard someone say: “This guy must be a fake. With a third-level cultivation in the Tribulation Realm, how can the Demon Sealing Alliance spend hundreds of years to enshrine it?” We’re being chased!”

“Just send a few people to kill this guy. Are you going to issue a killing order with a hundred years of sacrifice as a reward?”

A Man Like None Other Chapter 3710-When the fifth-level cultivator in the Tribulation Realm heard this, he felt that this was also true, so he frowned

slightly and said, “Are you the Chen Ping who was enshrined by the Demon Sealed Alliance for hundreds of years and issued a killing order?”

“Yes, it’s me. If you kill me, you can get the Demon-Sealing Alliance to enshrine it for a hundred years!”

Chen Ping nodded and admitted without hesitation!

At this time, everyone was confused and didn’t understand how Chen Ping dared to admit it?

Doesn’t he know that if he admits it, he will die?

He is only at the third level of the Tribulation Realm. There are many people present who can kill him!

“Okay, since you admit it, don’t blame me. You would rather kill by mistake than let go!”

Seeing Chen Ping’s admission, the fifth-level cultivator in the Tribulation Realm no longer hesitated and took action directly!

I saw this guy slapping Chen Ping with one palm!

The gap between the two realms, in his opinion, only requires one palm to kill Chen Ping on the spot!

But just when this guy slapped his palm, Chen Ping also moved!

Chen Ping also slapped him out!

But Chen Ping is faster!

Snapped!

With one slap, the fifth-level cultivator in the Tribulation Realm was instantly thrown away, and then he fell heavily in front of everyone!

Then he vomited blood and lost his breath!

With the death, a ray of soul from the monk’s body slowly came out, trying to escape from the airship!

Chen Ping flicked his finger, and a burst of fire instantly ignited the monk's soul!

Amidst the shrill screams, the monk's soul was burned to pieces!

The body dies, and the soul is burned to the ground!

There is no chance of survival anymore!

On the airship, all the monks looked at Chen Ping in shock, dumbfounded.

They never expected that Chen Ping, a third-level monk in the Tribulation Realm, would slap a fifth-level monk in the Tribulation Realm to death!

Is this too outrageous?

Chen Ping glanced at everyone, and then said with an indifferent expression: "Who else wants the hundred-year enshrinement of the Demonic Alliance? You can take action now!"

Facing Chen Ping's cold eyes, many people lowered their heads.

They finally understood why Chen Ping only had a third-level cultivation in the Tribulation Realm, but the Demon Sealing Alliance was offering a hundred-year offering as a reward!

Chen Ping saw that many monks on the airship were restrained by him, so he walked towards the outside of the airship!

Since these people are here to find him, Chen Ping will always have to face them!

But relying on Elder Sun and the others, I am afraid they are no match for these people!

Outside the airship, the one-eyed monk lost his patience and said coldly to Elder Sun: "Hand over the people. If you don't call them out, I will kill everyone."

"You, Wantong Pavilion, can't protect the safety of passengers. Let's see if there are still people riding on your Wantong Pavilion's airship..."

As the one-eyed monk spoke, a murderous aura continued to fill the air, and the pressure on his body shook even more!

More than a dozen demon cultivators, all with killing looks on their faces, are ready to take action at any time!

The young monks on the airship felt this murderous aura and were all sweating. They wanted to go to Guanghan Palace to be cool, but they were about to die on the way!

“Fellow Taoist, do you really want to fight to the death? If there is a fight, I’m afraid you won’t be able to take advantage.”

Elder Sun said with cold eyes!

Although Elder Sun was surprised when he learned Chen Ping’s identity, there was no way he would hand Chen Ping over!

Not to mention that Chen Ping gave him more than a dozen jade slips for transmitting messages and also saved Elder Xia’s daughter!

Even if Chen Ping was an ordinary passenger of this airship, Elder Sun would not be able to hand him over!

If it is handed over, how will Wantong Pavilion do business in the future?

“Elder Sun, you are the one who wants to defeat the enemy. I just asked you to hand over Chen Ping. Why are you so reluctant to do so?”

“Are you also spying on the Demon-Sealing Alliance’s century-old offerings?”

The one-eyed monk asked!
