

THE MAN'S DECREE

A Man Like None Other Chapter 3811-Chen Ping desperately wanted to escape from the magma envelope, but the magma was like a quagmire. No matter how hard Chen Ping struggled, he couldn't break free!

Chen Ping tried to use his fire origin to absorb the surrounding heat waves and flames!

But there is no way to absorb it at all, as if the flame in the magma is not one with my own ultimate fire!

Chen Ping's indestructible golden body actually began to fall off bit by bit under the heat wave!

Chen Ping knew that if the immortal golden body fell off, his physical body would not be able to withstand the magma flames!

But just when Chen Ping was desperate, suddenly there was a cool feeling around him!

I saw the Fire Essence obtained by Chen Ping flashing red!

The red light of the Supreme Fire Essence flashes, and the heat waves and flames in the magma are quickly absorbed into the Supreme Fire Essence!

This time, Chen Ping instantly became comfortable!

"Boy, this is a God-given opportunity. If you can refine the fire from the center of the earth, you will have an additional kind of supreme fire, which is much more powerful than your original supreme fire."

Demon Lord Chiyun said!

Chen Ping just wanted to feel comfortable. When Demon Lord Chiyun said this, his eyes suddenly lit up!

Now that there is a supreme fire spirit that absorbs the fire from the center of the earth, Chen Ping can take the opportunity to refine some of the fire from the center of the earth!

Without this supreme fire essence, with Chen Ping's current strength, let alone refining, he would have been burned to ashes!

Chen Ping closed his eyes slightly, feeling the flames all around him!

The fire in the core of the earth is bound and absorbed by the fire essence, so there is no way to cause harm to Chen Ping!

Chen Ping began to peel off traces of flames from the fire in the core of the earth absorbed by Zhihuo Essence, and slowly absorbed the flames into his body using the power of his own fire source stars!

Chen Ping didn't dare to be greedy. After all, with his current strength, he didn't even know if he could tame even a trace of the Earth's Fire!

If this cannot be tamed and refined, and the fire from the center of the earth is raging in Chen Ping's body, it will be in trouble!

Chen Ping was very careful and slowly refined the fire from the center of the earth!

At this time, Sect Leader Luo had already rushed out of the crack and returned to the ground!

Seeing Sect Master Luo, Sect Master Chen and the disciples of the sect were all very happy!

"Sect Master Luo, are you okay?"

Sect Leader Chen stepped forward and asked!

"I'm fine, it's just...it's just Mr. Chen Daoyou..."

Sect Master Luo looked at the bottomless crack, his expression became sad!

Seeing Sect Leader Luo's expression, everyone instantly knew what happened!

Everyone was silent!

They knew that if it weren't for Chen Ping, none of them would have survived!

But now, in order to save Sect Master Luo, Chen Ping stayed in this big crack forever!

“Our five major sects will always owe you a favor to Fellow Daoist Chen...”

Sect Master Luo said sadly!

“Sect Master Luo, the matter has reached this point, and we have nothing to do.”

“What should I do with the second elder of Guisha Sect?”

Zongzhu Chen asked!

Now the hunchbacked old man is still in their hands!

Sect Master Luo glared at the hunchbacked old man. If it weren't for the sneak attack by Gui Sha Sect, how could so many disciples of their five major sects have died!

Is it possible that Chen Ping is trapped in a large crack and his life or death is unknown?

“All the beasts of Gui Sha Sect deserve to die...”

“Throw him into the big crack and let him die without a burial place...”

Sect Leader Luo said through gritted teeth!

When the hunchbacked old man heard this, he was immediately frightened to pee.

“No, don't kill me. I know I was wrong. I promise I will never cause trouble to the five major sects again.”

“And as long as you let me go, I can be your spy. If the Ghost Demon Sect wants to deal with you, I will notify you in advance.”

The hunchbacked old man desperately begged for mercy!

After finally cultivating to the current state, he doesn't want to die!

Sect Master Luo wouldn't listen to all this. He wanted to direct all his anger at this hunchbacked old man!

But just when he was about to throw the hunchbacked old man into the big crack, the mountain suddenly shook!

A Man Like None Other Chapter 3812-Then, from the big crack, a ball of flame soared into the sky and shot straight into the sky!

The rolling heat wave made Sect Leader Luo and the others retreat one after another!

The snow on the ground also evaporated in an instant, revealing brown rocks!

Above the flames, a figure sat cross-legged!

As the flames fell, the figure also fell down with it!

"Fellow Daoist Chen..."

Sect Leader Chen saw that above the flame was Chen Ping!

On Chen Ping's palm, a red flame danced, like a dancing little person!

But soon, this red flame disappeared into Chen Ping's body!

Chen Ping finally refined the fire in the center of the earth and possessed the second kind of ultimate fire flame!

Even if there is only a small flame in the center of the earth, the heat wave that breaks out sweeps for dozens of miles!

All the snow was evaporated, and the cold air became dry and hot in an instant!

But as the flame entered Chen Ping's body, the cold air swept across again. The dry air collided with the cold air, and heavy snow fell like goose feathers!

"Fellow Daoist Chen, are you...are you okay?"

Sect Leader Luo asked with excitement!

“I’m fine!”

Chen Ping shook his head!

Seeing that Chen Ping was fine, Sect Leader Luo finally breathed a sigh of relief!

“Fellow Daoist Chen, you saved me this time and saved our five major sects. You are a great kindness that will never be forgotten.”

Sect Leader Luo is sincerely grateful to Chen Ping!

“Zect Leader Luo is too polite. It’s just a small effort. What’s more, the five major sects are well-known and upright sects who punish evil and promote good, so they should help.”

Chen Ping still recognized the character of Sect Master Luo!

After all, when he knew that the Demon Sealing Alliance was hunting him down with hundreds of years of offerings, Sect Leader Luo didn’t do anything to him because of profit!

“Fellow Daoist Chen, save me. I know I was wrong. I will never dare to do anything to you again.”

The hunchbacked old man followed Chen Ping and begged for mercy!

He knew that the people from the five major sects must hate him to death. If he really fell into the hands of the five major sects, he would probably be tortured to death!

Now he can only beg Chen Ping!

“What good will it do if I let you go?”

Chen Ping looked at the hunchbacked old man and asked!

“Yes, there must be. I will truthfully report it to the sect master, and I will never do anything to you again.”

“Actually, we don’t want to be the lackeys of the Demon-Sealing Alliance, but if we don’t obey, the Demon-Sealing Alliance will destroy us, and there’s nothing we can do about it.”

“If you let me go back this time, I will definitely persuade the sect leader to find a way to break away from the Demon-Sealing Alliance and stop being a dog to the Demon-Sealing Alliance.”

The hunchbacked old man was full of desire to survive and said to Chen Ping!

“Okay, I believe you for the time being. You are of the Yin Demon lineage and you have done such evil. When the Yin Demon returns to its true form, you will not get any good results.”

After Chen Ping finished speaking, he asked the five major sect disciples to release the hunchbacked old man!

The hunchbacked old man thanked him profusely, turned around and ran away!

Although Sect Master Luo and the people from the five major sects hated the people of Gui Sha Sect deeply, but now that Chen Ping wanted to release him, they didn't dare to say anything!

After all, Chen Ping also captured the person, and it was Chen Ping who had the final say whether he should be released or not!

“Fellow Daoist Chen, we are going back too. We have suffered such a big disaster this time, and our five major sects have to cultivate for a while.”

Sect Master Luo followed Chen Ping to say goodbye!

“Okay, please be safe on the road. In addition, let Sect Leader Chen take the soul-fixing bead and go to Soul Demon Sect to find Sect Master Jiang. When he sees the soul-fixing bead, he will reshape the body of Sect Master Chen.”

Chen Ping knew that when Sect Master Jiang saw this soul-fixing bead, he would know that Sect Master Chen had recommended it!

The Soul Demon Sect is still capable of reshaping the physical body!

After listening to Chen Ping's words, Sect Leader Chen said with gratitude: “Friend Daoist Chen, I cannot thank you enough for your kindness. I will remember this kindness and say goodbye!”

Sect Leader Luo and the others left, while Chen Ping went to find Binglu and the others!

A Man Like None Other Chapter 3813-When Chen Ping rushed to the place where Binglu and others were originally waiting, he found that there was no one there!

Chen Ping's brows frowned instantly. He had said that Binglu and others would wait here!

But now there is no one there.

This gave Chen Ping a bad feeling in his heart!

Chen Ping worked hard to emit his spiritual consciousness, hoping to find the whereabouts of Binglu and others!

But after searching for dozens of miles, there was still no trace of Binglu and the others!

Just when Chen Ping didn't know what to do, he suddenly discovered that there were blood stains on the pure white snow!

Following the blood stains, we found the bodies of several saints lying coldly on the ground!

Chen Ping was shocked and hurried over to check!

It was found that these saints were already dead, and there were still signs of being violated!

The most important thing is that the black tortoise shells on these saints have been broken, indicating that they have encountered masters.

Looking at the disheveled saint, Chen Ping felt murderous intent filling his heart.

Chen Ping didn't know who attacked Binglu and others, but he would never let these people go.

Even if I am the King of Heaven, he will not let me go.

Chen Ping hit the bodies of these saints with a ball of fire, and the bodies began to burn violently.

He couldn't let these saints die in the wilderness, otherwise they would become food for wild beasts.

After disposing of the saint's body, Chen Ping's figure disappeared instantly.

At this time, in the borderland of chaos hundreds of miles away from Chen Ping, Binglu and Lan Yingying were walking with difficulty with several saints.

Almost all of these people had injuries on their bodies, their breaths were very weak, and they were obviously unable to hold on.

"Sisters, hold on, even if you enter the land of chaos and are strangled by the turbulence of time and space, you must not fall into the hands of the Mu family."

"These beasts won't even spare the bodies of our dead sisters."

Binglu gritted her teeth and said with grief in her eyes!

"Yes, even if we die, we can't take advantage of these Mu family beasts."

Lan Yingying also nodded and said!

"good!"

The remaining saints also nodded in agreement!

You know, as the saints of Guanghan Palace, their chastity is the most important, and their lives are nothing!

But these beasts from the Mu family know what the Saint of Guanghan Palace cares about most, and they don't even let go of the corpse!

Therefore, even if Binglu and the others die, they will not die in the hands of these Mu family members.

Binglu and his party walked towards the borderland of chaos with determined eyes!

Not far behind Binglu and the others, Mu Yao and the Mu family were chasing after them.

Next to Mu Yao was a middle-aged woman.

This person is Mu Kui's aunt Mu Nai Yi, the eldest daughter of the Mu family.

If only Mu Yao had brought the Mu family, Binglu and the others would not have suffered such heavy casualties.

But who knew that this Mu Naiyi was here. As the elder of Guanghan Palace, Binglu and others knew that the Mu family was hostile to Guanghan Palace, but they were not prepared.

He was directly attacked by Mu Nayi and suffered heavy casualties. He had to fight to the death to escape here.

"Miss, these Saints of Guanghan Palace are rushing to the land of chaos on the border. Are they going to enter the land of chaos to seek death?"

Mu Yao looked at the direction in which Binglu and others were escaping and said.

"It's not that they want to enter the land of chaos, it's that we want to drive them in."

Mu Nayi said with a cold smile!

Mu Yao was stunned for a moment, with a puzzled face: "Miss, why are you driving them into the land of chaos?"

Mu Nayi didn't say anything, but pointed to the southwest not far away!

Mu Yao looked in the direction of his finger and found that there was a faint curtain of light flowing in that direction, and within the curtain of light, there seemed to be a towering mountain!

At this time, Mu Yao was confused, because he had never seen this light curtain in the past few days in the polar region, let alone such a high mountain!

The polar region is already in the Demonic Mountain. Isn't this mountain that suddenly appears now a mountain within a mountain?

A Man Like None Other Chapter 3814-"That's Ji Mountain. The real Ji Stone Mine is on top of Ji Mountain."

“It’s just that Jishan is blocked by a barrier and can’t be seen at all at ordinary times. It will only appear when the time and space in the borderland of chaos are distorted.”

“Only in this way can we have the opportunity to enter the Ji Mountain to collect the Ji Stone. This is what I just learned, so I came to the Ji Ji to look for you.”

Mu Nayi followed Mu Yao and explained!

Only then did Mu Yao understand and why Mu Nayi suddenly came to the Pole!

No wonder they have only found scattered pole stones in the past few days, but not the pole stone mine. It turns out that it was blocked by a barrier!

Moreover, this Jishan Mountain is located in the borderland of chaos. No one dares to get close to it, so no one discovered it!

“Miss, you drove these Saints of Guanghan Palace into the Land of Chaos just to distort the time and space of the Land of Chaos so as to create conditions for entering the Extreme Mountain, right?”

Mu Yao understood instantly!

“Yes, you are very smart!”

Mu Nayi smiled lightly!

At this time, Binglu and others have reached the edge of the Land of Chaos. If they move forward, they will be sucked into the turbulent currents of the Land of Chaos!

If you do that, you will definitely die, and you won’t even be able to keep your corpse!

“Sisters, let’s hold hands and don’t be afraid of anyone.”

“If you enter the land of chaos, you will be strangled by the turbulent currents instantly. There will be no pain.”

Binglu held everyone’s hands, and then walked towards the land of chaos with firm eyes!

“Don’t do anything stupid!”

At this time, Chen Ping’s voice came, and then he saw a figure, approaching like a leap!

“Mr. Chen...”

Binglu was overjoyed, but she didn’t expect Chen Ping to find this place!

Now that Chen Ping is here, they may be saved!

After all, they have all seen Chen Ping’s strength with their own eyes!

But just when they stopped and waited for Chen Ping, a huge suction force suddenly began to suck Binglu and the others into the chaotic land!

The two saints were sucked up and flew high into the air!

Fortunately, these people were holding hands and were not sucked in!

“Hurry up...”

Binglu gritted her teeth and held on tightly!

Everyone tried their best, but the huge suction force was still dragging Binglu and the others towards the land of chaos!

Seeing the ice dew, they couldn’t hold on anymore!

Chen Ping’s figure appeared instantly, and then a huge aura surged, knocking Binglu and the others away from the huge suction force!

But Chen Ping himself was instantly sucked in by the suction of the Land of Chaos!

“Mr. Chen...”

All the saints were shocked and could only shout, but no one had the ability to help!

Chen Ping’s body is like a small boat, swaying in the land of chaos!

With his indestructible golden body activated, Chen Ping resisted the turbulence in the land of chaos!

Along with Chen Ping's body, he was continuously dragged into the depths of the land of chaos by huge suction!

Chen Ping's indestructible golden body began to crumble!

All the power in his body was erupted by Chen Ping, forming layers of shields!

But it was of no use at all. It was instantly defeated by the turbulence of time and space!

Blood stains began to appear from Chen Ping's seven orifices!

"Are you really going to die here today?"

Chen Ping gave up resistance and fell into despair!

The dragon crystal on Chen Ping's chest exploded with light, and a golden dragon circled around Chen Ping!

But in that chaotic space, even the golden dragon is disappearing quickly!

But at this moment, Chen Ping discovered that through this chaotic space, he could see patches of snowfields and monster beasts 1

"What we see here is not the polar regions, this is... is this the Arctic ice sheet?"

Chen Ping was stunned immediately!

Those snow wolves are the monsters of the Arctic ice field!

Chen Ping did not expect that after passing through the polar border of the Southern Territory, he would reach the ice fields of the Northern Territory.

Put it this way, the entire world of heaven and humans is a closed loop!

No wonder Chen Ping found northern monsters like snow wolves in the polar regions!

A Man Like None Other Chapter 3815-Although he knew that the North Icefield was across the way, Chen Ping couldn't move at all!

The body seemed to be frozen there!

In the land of chaos, space began to twist, and the turbulence of time and space was like a sharp blade, constantly harvesting Chen Ping!

Chen Ping's body is already scarred!

The golden dragon surrounding its body is also slowly disappearing!

And Chen Ping found that a towering mountain became increasingly clear!

On that high mountain, patches of extremely rocky rocks radiated light!

"Polestone Mine?"

Chen Ping did not expect that a pole stone mine would be discovered in the land of chaos!

However, the Ji Stone Mine is not in the Land of Chaos, but is closely connected to the Land of Chaos!

"It's over, it's really over this time..."

Chen Ping sighed!

Now I find that the Jishi Mine is useless!

People are going to die!

At this moment, Chen Ping even felt the breath of death!

This is the closest he has been to death!

"Death may also be a relief."

"I just can't bear to leave the women around me..."

Chen Ping's thoughts fell into memories!

It's like showing a movie, starting from when I was in jail and released from prison, bit by bit!

Demon Lord Chiyun was also panicking in Chen Ping's sea of consciousness at this moment!

If Chen Ping died here, he would definitely be done with it!

"Don't give up, hold on, you can't die. What will I do if you die?"

Demon Lord Chiyun roared!

It's a pity that Chen Ping can't seem to hear it at all, and his survival outside the realm is getting lower and lower!

At this time, in a mountain forest mansion!

Mr. Shi suddenly frowned!

"Why did this guy go to the Land of Chaos? He's really looking for trouble!"

Mr. Shi muttered something, and his body disappeared instantly!

Just when Chen Ping's life was slowly disappearing and his thoughts began to become confused!

Suddenly a golden light shone on his body, followed by an unprecedented comfortable feeling that spread throughout Chen Ping's body!

In front of Chen Ping, Mr. Shi, dressed in plain clothes, was looking at Chen Ping quietly!

When Chen Ping opened his eyes and saw Mr. Shi, he was stunned!

"Mr. Shi, is it really you?"

"Am I dead? Are we in hell or heaven?"

"It must be heaven. Have I seen you in heaven?"

"Mr. Shi, do you know how much I miss you?"

Chen Ping started crying!

In fact, Chen Ping has always regarded Mr. Shi as his elder!

In the secular world, Chen Ping received Mr. Shi's meticulous care!

Without Mr. Shi, Chen Ping might have been assassinated to death by those from the Martial Arts Alliance in Kyoto!

Listening to Chen Ping's words, Mr. Shi was speechless for a while!

"Chen Ping, don't forget that you are a monk and a true immortal cultivator."

"What hell, what heaven, come out of your mouth, don't you think it's ridiculous?"

"Only a mortal would say this."

Mr. Shi said calmly!

Chen Ping fell into a daze after listening to Mr. Shi's words, but he quickly came to his senses!

"Mr. Shi, I'm not dead, and neither are you?"

"Right, right?"

Chen Ping hugged Mr. Shi excitedly!

Mr. Shi is not dead, and neither is he!

Because he could clearly feel Mr. Shi's breath at this moment!

Mr. Shi's body exudes golden light, and wherever the light shines, there is peace and tranquility!

The turbulence of time and space can't even get any closer!

"I originally wanted to leave you alone in the world of gods and humans, but you are seeking death on your own and dare to enter this land of chaos."

"I'm telling you, even though you know I'm still alive, I can't save you anytime and anywhere. You still have to walk the road ahead on your own."

"You kid is trying to kill yourself, I won't care about it anymore..."

After Mr. Shi finished speaking, he stared at Chen Ping!

This glance made Demon Lord Chiyun tremble in Chen Ping's consciousness!

Immediately after Mr. Shi waved his hand, a golden light flashed, and Chen Ping instantly appeared outside the chaos and fell into a coma!

And Mr. Shi's figure also disappeared!

A Man Like None Other Chapter 3816-"Mr. Chen, Mr. Chen..."

Binglu and Lan Yingying saw that Chen Ping had come out of the land of chaos, so they hurried over!

Several people shouted desperately for Chen Ping!

Chen Ping slowly woke up from his coma!

When he saw Binglu and others, he was also full of surprise!

"Am I not dead?"

Chen Ping took a look at himself. His body was originally covered in scars, but now there were no scars at all!

"Mr. Chen, you are not dead. You came out of that place of chaos."

"I'm afraid you are the first person to come out alive from the land of chaos."

Binglu said very excitedly!

Chen Ping frowned, suddenly remembered something, stood up and looked around.

"Mr. Shi, Mr. Shi..."

Chen Ping shouted, but there was no Mr. Shi around.

"Mr. Chen, who is this Mr. Shi you are talking about?"

Binglu asked doubtfully!

“Did you see anyone else around me?” Chen Ping asked quickly!

“No, I just saw you coming out of that place of chaos.”

Binglu shook her head!

At this moment, Chen Ping fell into deep thought. Could it be a dream?

Chen Ping couldn't figure out whether it was reality or a dream!

He only remembered that when he was about to die, Mr. Shi appeared!

“Boy, that was not a dream, someone did save you!”

Demon Lord Chiyun spoke.

When Chen Ping heard this, he asked excitedly: “Is that Mr. Shi? Have you seen him?”

“How do I know who it is? I can't remember who he is, but I only know that he is very powerful.”

“His look almost scared me to death.”

“Who is that of yours? You have such an expert guarding you, what are you afraid of?”

“Stomping your feet in the world of heaven and humans, wouldn't it mean that everyone will bow down to you!”

Demon Lord Chiyun does not remember Mr. Shi, nor can he remember Mr. Shi, but he can sense how powerful Mr. Shi is!

“he is.....”

Chen Ping was silent. He didn't know who Mr. Shi was!

He followed Mr. Shi, and it never seemed to matter!

But Mr. Shi was as loving as a father to him!

Chen Ping once suspected that Mr. Shi should be from the Dragon Clan, and he was both a Dragon Clan, so it was reasonable for Mr. Shi to take care of him.

But Mr. Shi himself never admitted it!

“No matter who he is, you have to protect me after I’m reborn physically!”

After Demon Lord Chiyun finished speaking, he stopped talking!

Chen Ping was also speechless for a while!

This was not what Demon Lord Chiyun said before. He said that when he reached the heaven, he wanted to cover himself!

Now he actually wants to cover him!

what is this?

“Mr. Chen, are you okay? If you are okay, let’s leave quickly. The Mu family will catch up.”

Binglu saw Chen Ping motionless, so she said!

Chen Ping followed Demon Lord Chiyun’s communication, but Binglu and the others couldn’t hear it!

“Okay, let’s go to Najishi Mountain...”

Chen Ping pointed at the mountains in the distance!

Because of Chen Ping, the chaos in the Land of Chaos surged, making the mountains more obvious and the surrounding halo becoming much darker!

Binglu and the others looked at the high mountain and asked in confusion: “Mr. Chen, it seems that I have never seen this mountain before? Why is it called Jishi Mountain?”

“This mountain peak should have been in the Land of Chaos, blocked by a barrier, and appeared for some reason.”

“This mountain is full of Jishi. It should be where the Jishi mine is. And Jishi Mountain is just a name I called casually.”

Chen Ping explained!

“What? There are all extremely rocks on this mountain peak?”

This time, Binglu and the others all had their mouths opened.

How many pole stones are needed? If these pole stones are given to Guanghan Palace, it won't take long for Guanghan Palace to dominate the entire heaven and human world without any problem!

A Man Like None Other Chapter 3817-When Chen Ping took Binglu and the others towards the Jishi Mountain, Mu Naiyi also took the Mu family to the mountain peak!

Their purpose is not to kill these saints, but to obtain the extremely stone mine!

Now that the turbulence is surging, the mountain peak is completely revealed. Of course, they must rush over as soon as possible!

At the same time, the sudden appearance of the mountain peak, coupled with the surrounding halo, made many people who entered the polar region excitedly move towards the mountain peak!

After all, they had not found the place where the immortal fell for so many days. Now a mountain suddenly appeared. Of course they had to go take a look!

Maybe this is the hidden place where the immortals fell!

For a moment, everyone was running towards the mountain peak that appeared!

Chen Ping and the others are closest to the Land of Chaos, so they act very cautiously!

There are too many turbulences in this land of chaos, and there is also a lot of suction. Anyone who is not careful will be sucked in!

Chen Ping knew that if he was sucked into the land of chaos again, no one would be able to save him!

Mr. Shi can't appear anytime and anywhere!

But Chen Ping was still very happy knowing that Mr. Shi was not dead!

Chen Ping walked on the innermost side, Tian Ming Eye opened, and everything in front of him became gray!

However, under Tian Ming's eyes, everything is invisible!

Even the scene in the Land of Chaos was clearly visible to Chen Ping!

No matter how distorted time and space is, Chen Ping can see it clearly!

As he got closer and closer to the rocky mountain, Chen Ping suddenly noticed an unusual aura!

These auras are huge and constantly gathering!

It was an extremely terrifying smell that made Chen Ping shudder!

"Mr. Chen, did you find anything?"

Binglu saw Chen Ping like that, so she asked carefully!

Chen Ping didn't speak, but Tian Ming's eyes were blinking rapidly!

Soon, Chen Ping discovered that in the land of chaos, countless small black dots were moving from far to near little by little!

And it's very fast, constantly traveling through the land of chaos!

When Chen Ping saw these black spots clearly, he took a deep breath!

I saw that these were all monster beasts, countless monster beasts running from the snowfields of the Northern Territory!

These monster beasts seemed to be attracted and summoned by something, and they rushed into the land of chaos with all their lives, and then ran towards the pole!

The monster beasts in the land of chaos seem to be unaffected by anything at all!

The direction in which these monster beasts were attacking turned out to be the Jishi Mountain!

The appearance of Jishishan also attracted countless monsters!

Even in the land of chaos across the border, these monsters are aware of it!

After all, for these monster beasts living in the snowfields, pole stones are also their cultivation resources!

Looking at the countless monsters, Chen Ping took a deep breath, and his whole body became extremely solemn!

“Speed up and go up the mountain immediately...”

Chen Ping knew that if they were here, they would be trampled to death by the monsters rushing out of the Chaos Land!

Countless monsters were like huge waves, and these few of them would definitely be drowned in an instant!

Only by quickly going up to Jishi Mountain can we avoid the impact of this large wave of monsters!

Chen Ping sped up, and Binglu and the others followed closely behind!

Although they cannot see the situation in the land of chaos, they obey Chen Ping's orders unconditionally!

Chen Ping's expression was very nervous, which also made the saints following behind him dare not breathe!

They have never seen Chen Ping so nervous!

Chen Ping and the others were getting closer and closer to Jishi Mountain. When they reached the foot of the mountain and looked at the halo around the masters, they realized that there was a formation at the foot of the mountain!

No wonder such a mountain peak can be blocked by a barrier and emit circles of light!

Chen Ping touched it tentatively and found that this formation was not an offensive formation!

It's just that when you walk into the formation, you can't mobilize any breath in your body, just like an ordinary person!

But after walking out of the formation and entering the mountain, you will recover!

A Man Like None Other Chapter 3818-After repeated trials several times, Chen Ping led Binglu and the others into the formation at the foot of the mountain!

Chen Ping didn't know who set up this formation, but with such a huge formation that could shield the entire mountain, the opponent must be a very powerful formation master!

After walking into the formation, Chen Ping and the others' footsteps became extremely heavy!

Not to mention flying, even walking is difficult!

After all, it would be very difficult for an ordinary person to walk on such a mountain road with snow on it!

But not long after Chen Ping and the others entered the formation, they discovered that not far away, a group of people were also moving forward with difficulty!

These people are the Mu family brought by Mu Nayi!

Now, when the two sides met, they were extremely jealous!

Especially Binglu and the others, all of them had scarlet eyes, wanting to rush forward and kill all the Mu family members!

On the way, Chen Ping also learned that the bodies of the saints were caused by the Mu family, and he was very angry.

These beasts of the Mu family can only kill people with a nod of their heads, but they also leave the corpses alone. They are worse than pigs and dogs!

Everyone in the Mu family was stunned when they saw Chen Ping and the others, and then there was murderous intent in their eyes!

Especially Mu Yao, after seeing Chen Ping, he wanted to take action immediately!

However, here, everyone has no cultivation. Even ordinary people, let alone fighting, would have difficulty walking on this mountain road!

The most important thing is that their weapons can't be used anymore!

"You beasts that are worse than pigs and dogs, God will not let you go."

Binglu gritted her teeth and cursed at everyone in the Mu family!

"Little girl, have you never tasted our power? Do you dare to curse and believe that I will take off your clothes?"

Mu Yao said with a vulgar expression!

This time, Ke Binglu was furious, but they were all girls, so it was impossible to take advantage of them verbally!

Chen Ping reached out and stopped Binglu from making any sound!

Chen Ping took a few steps forward and looked at Mu Yao coldly: "Did you forget about eating and not about beating? Have you forgotten how I beat you?"

Mu Yao thought of being beaten by Chen Ping, and felt a burst of fire in his heart: "Boy, why are you so awesome? If you have the ability, attack me now. Do you dare?"

"Boy, if you go against my Mu family, you are playing with fire. Now that you have become the prey of the Demon Sealing Alliance, why are you so arrogant?"

Mu Naiyi's eyes narrowed slightly, staring at Chen Ping and said!

Chen Ping killed her nephew, and Mu Naiyi had long wanted to kill Chen Ping for revenge!

"Old man, as an elder of Guanghan Palace, you have no shame in attacking the Saint of Guanghan Palace."

"Today I will avenge those dead saints."

Chen Ping gritted his teeth and his eyes were extremely sharp!

“Haha, just brag. Here you and I are just like ordinary people. We can’t mobilize the breath in our bodies at all. How can you take revenge?”

“Use rocks from the ground?”

Mu Nayi sneered, mocking Chen Ping!

Although they are now ordinary people, the Mu family is obviously very large, and they are all men!

Even with the power of the physical body, the Mu family cannot be afraid!

After hearing what Mu Nayi said, Chen Ping instantly bent down to pick up a stone and threw it hard!

The stone was like a cannonball, hitting Mu Nayi’s head directly!

He directly hit Mu Nayi’s head with a big blow!

“Hahaha.....”

When Binglu and the others saw this, they burst into laughter and finally let out a breath of bad breath!

Mu Nayi covered her head and roared at the top of her lungs: “Throw them to me and stone them to death...”

At this moment, everyone in the Mu family also picked up stones and threw them at Chen Ping!

Chen Ping, on the other hand, faced more than a dozen people from the Mu family without flinching, picking up rocks and throwing them at them!

A Man Like None Other Chapter 3819-You must know that Chen Ping’s physical body has been tempered many times in the secular world, and it is as strong as copper tendons and iron bones!

Even if he loses any spiritual power and becomes an ordinary person, Chen Ping’s physical body is not comparable to anyone!

When a stone hits Chen Ping, it feels like it's being tickled!

But Mu Yao and others are different. They live in the world of gods and humans. They focus on spiritual cultivation and the improvement of their realm. No one pays attention to the tempering of the physical body!

After all, in the eyes of these monks, the physical body is just a shell. If the physical body is destroyed, as long as the soul is still there, the physical body can be rebuilt!

It is very inappropriate to spend time tempering a body!

Because of this, the physical bodies of these people are the same as ordinary people!

Without the blessing of spiritual power, the physical body may not be as strong as ordinary people!

The stone in Chen Ping's hand was very accurate, and he kept hitting the Mu family members!

These guys who were hit directly screamed!

Big bumps formed on my body very quickly!

Soon, other monks entered, and they were all shocked when they saw the funny scene in front of them!

Who would have thought that in a world full of monks, the world of heaven and humans!

There is also this most primitive fight!

Everyone looked at the excitement!

"Mr. Chen, come on, come on..."

Binglu took the lead and started shouting "Come on!"

Lan Yingying and the others also shouted together, while Chen Ping raised his hands together, and the stones under his feet fell like raindrops towards everyone in the Mu family!

Everyone in the Mu family was beaten back and forth, and they were all in a state of panic!

When Munaiyi saw this, he was going crazy!

He yelled angrily, but was hit again by a stone, and he was bleeding!

“Let’s go, don’t fight with him. When we get out of this area, I will cut this kid into pieces!”

Mu Nayi knew that they couldn’t take any advantage here, and they were even laughed at!

Mu Yao and others wanted to leave a long time ago, so they all ran away holding their heads!

“Mr. Chen, you are amazing. It’s so refreshing to see those people in the Mu family in such a mess!”

Binglu stepped forward and said very happily!

But Chen Ping was not very happy. He knew that this was because of his physical strength and the restrictions on the formation here!

If he leaves this area and meets these people from the Mu family, Chen Ping is not sure!

Only Mu Yao and the Mu family could be dealt with by Chen Ping!

Now that Mu Nayi is here, Chen Ping may be difficult to deal with!

A great cultivator at the peak of the Tribulation Realm, and a ninth-level cultivator at the Tribulation Realm!

If these two people join forces, Chen Ping has no chance of winning!

What’s more, there are many other sect monks here. Although these people are coming to the place where the immortal fell, if they can’t find the immortal’s death but know their identity, there is no guarantee that these people will not It’s going to be weird!

Chen Ping knew that his current situation was difficult, but he couldn’t tell Binglu and others because he didn’t want to put too much pressure on them!

“Let’s leave as soon as possible...”

Chen Ping didn’t say anything more, but turned around and continued walking towards the mountain!

Chen Ping was afraid that these other sect monks would discover his identity!

“Fellow Taoist, stay!”

At this time, an old man in green shirt shouted to Chen Ping!

Chen Ping’s body shook slightly, but he still stopped!

After all, no one here has spiritual power. With Chen Ping’s powerful physical body, there is no need to be afraid of these people!

“What’s up?”

Chen Ping turned around and looked at the old man in green shirt!

The old man in green shirt stepped forward, walked to Chen Ping, and said very politely: “I, Ouyang Zhenhua, brought several juniors from the family to come to the polar regions to experience. I wonder if this fellow Taoist also came to the polar regions. Looking for the place where the immortals fell?”

Chen Ping looked at the old man. Because his spiritual power was sealed by the formation, he couldn’t tell how strong he was, but the look in his eyes suggested that his strength was not low!

A Man Like None Other Chapter 3820-“Senior, to be honest, there is no place where immortals fell in this polar region. This is all a lie.”

“There are many pole stones in the polar region, but this kind of thing is only helpful to the sect families who practice ice-based skills.”

“We at Guanghai Palace are practicing ice-based techniques, so we came here to look for the pole stone.”

“And the members of the Mu family just now, the female cultivators in their family also practice ice-based techniques, so the pole stone is also useful to them!”

“Seniors, if there is no one among you who practices ice skills, you should leave here quickly. It is too dangerous here.”

“It won’t take long before thousands of monsters will pour in here. I’m afraid they won’t be able to leave by then!”

Chen Ping told the truth just to make these monks leave!

After all, these monks are an uncertain factor for Chen Ping!

Ouyang Zhenhua frowned slightly, looking a little shocked!

“How is it possible? Do you want to deceive us and swallow the treasures of the place where the immortals fell?”

“There are many sects and aristocratic families who came to the polar region, as many as hundreds of them. Could it be that they were all deceived?”

A junior from the Ouyang family obviously didn’t believe Chen Ping’s words and retorted loudly!

“Believe it or not, I’m just telling you the truth!”

After Chen Ping finished speaking, he turned around and left!

“This guy thinks he can scare us!”

“Let’s go. There must be treasures in this mountain that suddenly appeared. Maybe this is the place where the immortal fell!”

“Only a ghost believes what he says. This mountain is surrounded by formations to protect it. I don’t believe there are no treasures here!”

“Walking up the hill...”

Among the many monks, no one believed Chen Ping’s words and started to go up the mountain one after another!

Ouyang Zhenhua hesitated, but still chose to continue going up the mountain!

They have been here for several days and have found nothing. Apart from hunting a few monster beasts and getting a few beast pills, there is no other treasure!

If I go back, wouldn't I be ridiculed by the family?

Regardless of whether what Chen Ping said is true, go up the mountain and take a look!

But just as they took a few steps, the mountain suddenly shook!

The whole mountain seemed to be shaking!

"Is there an earthquake?"

Someone said with shock on his face!

Then, in the land of chaos, countless monsters of all kinds rushed out and headed straight for the mountain!

These monsters are all very large in size and numerous in number!

The time and space in the land of chaos are disturbed by these monsters, causing time and space cracks to appear constantly!

From time to time, there will be cracks in time and space, sucking away the monsters!

But this can't stop these monster beasts at all!

Looking at the thousands of monsters, everyone was dumbfounded!

It seems that what Chen Ping said is true, there are really a large number of monsters!

Now in this formation, they have no spiritual power and are just ordinary people!

If you are caught up by these monsters, you will be trampled to pieces!

"Run quickly..."

Someone shouted and ran towards the mountain desperately, hoping to get out of the range of this formation as soon as possible!

Everyone is running hard, but every step is very difficult!

It's impossible to move on top of that snow!

Now, everyone began to believe what Chen Ping said!

Chen Ping just looked back at the monster beasts that rushed out of the land of chaos, without saying anything, and walked forward with his head buried in the ground!

Binglu and the others looked panicked and followed closely!

Without their spiritual power, they walked very hard, and everyone was out of breath!

Soon, Chen Ping suddenly felt spiritual energy flowing in his body, like a dry river bed. Finally, water flowed through him. His whole body suddenly felt comfortable and his steps became extremely light!

Binglu and the others felt relieved as well!
