

## [The Man's Decree]

**A Man Like None Other Chapter 3891**-Chen Ping looked at the flame girl's ultimate fire, suddenly opened his mouth, and actually swallowed the flame girl's ultimate fire into his stomach!

This time, Yan Nu was shocked!

At the same time, the three other people were also shocked. They knew Yan Nu's methods, but they didn't expect Chen Ping to be able to swallow the flame girl's ultimate fire!

"Who are you?"

Yan Nu looked at Chen Ping in shock and asked!

"My name is Chen Ping!"

Chen Ping said calmly!

"Chen Ping?"

Yan Nu frowned slightly!

"I know, he is the guy who was rewarded by the Demon Sealing Alliance with a hundred years of sacrifice. Today we are rich."

The strong man suddenly remembered and said loudly!

Upon hearing this, everyone became excited!

Four people surrounded Chen Ping!

"Boy, I didn't expect that you, Chen Ping, could actually let the Demon-Sealing Alliance offer a reward of a hundred years. It shows that you are also exceptional."

"But if you meet the four of us, you are unlucky. Don't even think about leaving today!"

The old man said with a cane in his hand!

“You want four people to deal with me together?”

Chen Ping said with a faint smile!

“Yes, we just want to bully the few with the more. As long as we catch you, the four of us can go directly to seclusion.”

The young man holding the folding fan said with excitement!

“Don’t you feel ashamed of bullying the few by bullying them?”

Chen Ping asked deliberately!

“shameful?”

“Hahaha, we four famous arresters have always bullied the smaller ones, and we have never felt shameful.”

“If you just surrender, we can make your death a little more pleasant!”

The strong man laughed and said!

“Since you like bullying the minority so much, let me try what it feels like to bully the minority!”

After Chen Ping finished speaking, he said to the airship: “Everyone, come down and stretch your muscles...”

As Chen Ping finished speaking, the airship’s hatch slowly opened!

Luo Shouhai and the others all walked out of the airship!

Dozens of people surrounded the four famous arresters!

Seeing the scene in front of them, the four people were stunned!

They never expected that there would be so many people in the airship, and they were all together!

“Misunderstanding, I think there is a misunderstanding...”

Seeing this, Flame Girl hurriedly approached Chen Ping, hoping to use her figure to calm Chen Ping’s anger!

Seeing Yan Nu posing in front of Chen Ping, Bai Qian and Huo Feng got angry!

The two of them took action together, grabbed the flame girl and ran away!

“Damn it, you slut, you dare to seduce our men, you’re tired of living...”

Bai Qian and Huo Feng spared no effort and beat the flame girl until her nose was bruised and her face was swollen!

Chen Ping was speechless when he saw this scene!

Unexpectedly, these female cultivators in the heavenly world would fight just like the old women in the secular world.

“Mr. Chen, what should we do with the remaining three?”

Luo Shouhai asked!

“Clean up. If you dare to block our airship, you must be taught a lesson.”

Chen Ping said!

After Chen Ping spoke, Luo Shouhai and others rushed forward!

When the airship slowly took off and slowly moved away, the four famous arresters were lying on the ground. Each of them was seriously injured. I am afraid that they will never be able to rob on the road again for the rest of their lives!

The airship continued to fly forward, and everyone was talking and laughing inside the airship.

Ji Yun was driving the airship, constantly correcting its direction!

But just as evening approached, several figures suddenly appeared in front of the airship!

Ji Yun quickly stopped the airship and said a little depressed: “This airship is really eye-catching, why do you always encounter dangers?”

Everyone looked ahead and saw seven people lined up in front of the airship!

These people were all wearing the costumes of Wantong Pavilion, and one of them shouted to the airship: "Who are you? Why are you flying the airship on my territory of Wantong Pavilion? Are you tired of living?"

**A Man Like None Other Chapter 3892**-In this area, the airships of Wantong Pavilion were operating. Suddenly another airship appeared. Wantong Pavilion thought someone was robbing business, so they sent people to intercept it!

When he heard that it was someone from Wantong Pavilion, Chen Ping was not worried, but opened the hatch and flew out!

Arriving in front of everyone in Wantong Pavilion, Chen Ping said politely: "Fellow Taoists, I am a friend of Elder Xia of Wantong Pavilion, and your Elder Sun, we are also very familiar with each other."

"This airship is private to us and is not operated. The people on it are all my friends. We are going to Nanjing City. I hope it will be convenient."

"If you say you are a friend of Elder Xia, then you are a friend. What proof do you have?"

The Wantong Pavilion disciple asked!

Chen Ping quickly took out Elder Xia's token. When he saw Elder Xia's token, these disciples of Wantong Pavilion got out of the way!

The road ahead was smooth sailing. At midnight, the airship slowly landed in Nanjing City!

But as soon as the airship landed, it was surrounded by people!

"Surround this airship and see who it is."

Someone was shouting loudly!

This shocked everyone inside the airship!

When Chen Ping heard this voice, he actually laughed and said with everyone: "Don't be afraid, this is also from Wantong Pavilion, the master of Wantong Pavilion in Nanjing City."

“It seems that Wantong Pavilion is very concerned about grabbing business. It is indeed a business specialist.”

Chen Ping walked towards the airship first, then looked at Pavilion Master Qian who was speaking and said, “Pavilion Master Qian, don’t be nervous. This is my own airship. Because I have to bring many people this time, I brought the airship here.”

Seeing that it was Chen Ping, Pavilion Master Qian’s face, which was still a little angry just now, softened a lot!

“It turns out to be Mr. Chen, why did you bring so many friends to Nanjing City at once? There is nothing interesting in Nanjing City!”

Pavilion Master Qian asked curiously!

Chen Ping did smile slightly but did not answer. He didn’t know how to answer, and he didn’t want the Mu family to know that he had summoned so many people!

Seeing Chen Ping smile, Pavilion Master Qian said, “Did you bring someone to deal with the Mu family?”

“A large number of people came to Nanjing City in the past two days. In such a remote town, so many people suddenly poured in. I think they were all brought by Mr. Chen, right?”

Pavilion Master Qian said!

Chen Ping could only admit and nodded: “There is no way. The Mu family is too powerful and has many people. I heard that the Mu family has gathered people from all over the country. To deal with Guanghan Palace, I can only think of a way. Call in more people.”

“I really didn’t expect Mr. Chen to have such strength and summon so many people. They should be people from several sect families.”

“There are humans, beasts and demons. Mr. Chen’s face is really familiar with all three races!”

Pavilion Master Qian said with envy!

“My friend is just helping me, but it’s Pavilion Master Qian who personally leads the team here at such a late hour. He is also dedicated to his job!”

Chen Ping said with a smile!

“Hey, I am seeking my own position. Who makes me the master of this pavilion? Then there will be no airships other than Wantong Pavilion in Nanjing City.”

“But Mr. Chen’s airship is quite high-end, even more powerful than our Wantong Pavilion airship!”

Master Qian Pavilion looked at Chen Ping’s airship and said!

“To be honest, I have a friend who also engages in airships, but they are in the Northern Territory and there is no interest in following Wantong Pavilion!”

Chen Ping said!

“No wonder!” Pavilion Master Qian nodded!

After chatting for a few words, Pavilion Master Qian took the people away, and Chen Ping also took everyone to have a rest!

Chen Ping plans to wait until early tomorrow morning to gather everyone and head to Guanghan Palace together!

Various formations must be deployed in Guanghan Palace in advance, and defensive tasks must be assigned at the same time!

### **A Man Like None Other Chapter 3893-Guanghan Palace!**

The palace owner stayed up all night after Chen Ping left!

No one knows when the Mu family’s revenge will come, and the palace owner has been worried about it!

Although she kept saying that she was not afraid of the Mu family’s revenge, she was still worried in her heart!

The palace master who has reached the Mahayana realm is not afraid of the Mu family. At worst, he will just run away. It is easy to save his life.

But Guanghai Palace, which he had worked so hard to support, was about to suffer!

The disciples of Guanghai Palace are not very strong, and they lost so many saints and outer disciples during the trip to the polar regions!

Now, apart from the palace master himself, Guanghai Palace is probably not even strong enough to be considered a second-rate sect.

If the Mu family came to take revenge, how could they resist?

And the Ji Stone Mine, which was finally found, is it going to be handed over to the Mu family?

The Palace Master of Guanghai Palace looked out the window, her eyes full of worry!

“Does God have to destroy our Guanghai Palace? Can’t we let Guanghai Palace flourish again?”

The Palace Master of Guanghai Palace murmured to himself!

“Palace Master, you haven’t rested yet?”

At this time, Binglu came in and said!

“Have everything been arranged?” the palace master asked!

“The arrangements have been made, and several more magic formations have been set up at the front door. Now our Guanghai Palace is like an iron bucket, and no one can come in.”

Binglu said very confidently!

But the Palace Master of Guanghai Palace smiled and shook her head, because only she knew that these formations were vulnerable to the Mu family!

“Go and rest. Tell all the disciples to seize the time to practice. Maybe it won’t be long before there will be a fierce battle!”

The Palace Master of Guanghan Palace said!

“Okay!” Binglu nodded!

Although Binglu didn’t know what this fierce battle would be, she felt the oppressive feeling of approaching danger from the palace master!

at the same time!

In the Mu family, the lights are also brightly lit!

The head of the Mu family has not yet left seclusion, and everything is being taken care of by the chief steward of the Mu family!

Mu Kui is dead!

Munayi is dead!

Everyone in the Mu family is wearing white clothes.

Hundreds of people stood in the square of the Mu family. These people were all the Mu family!

All the disciples have been called back!

“Manager Liu, everyone in the Mu family has been summoned back. We are just waiting for the order from Manager Liu.”

A member of the Mu family stepped forward and said!

“Everyone is waiting where they are. The head of the family will probably be able to leave seclusion in a day or two.”

The butler waved his hand, and everyone in the Mu family was waiting in the square!

Even if these people didn’t move, they could tell that the Mu family’s hierarchy was very strict.

But this Butler Liu, who has a foreign surname, is able to take charge of everything in the Mu family, and it can be seen that the head of the Mu family trusts him.

.....

Early the next morning!

Chen Ping personally went to find people from the five major sects, the Sheng family and the Soul Demon Sect.

All of a sudden, there were thousands of people in a large house in Nanjue City!

In the hall of the house, Luo Shouhai, Song Tianhai, Sheng Bushi, Jiang Yulian, Sect Master Luo, Sect Master Chen, Lion King and other leaders of the major sects were sitting together!

Chen Ping looked at these people in front of him and felt very grateful in his heart!

Although these people have all been favored by Chen Ping, in this world of heaven and earth, many people are selfish and driven by interests!

Even if Chen Ping helped them, there are still many people who are treacherous!

Chen Ping asked the major sects and families to get to know each other, so as to avoid a real scuffle and accidental injuries caused by not knowing each other!

At this moment, in this house, it is the first time that the three tribes of humans and monsters have cooperated!

And all of this happened because of Chen Ping!

Chen Ping explained the matter simply to everyone again!

This gave everyone another chance. After all, in a fierce battle with the Mu family, many people would definitely die!

If someone quits at this time, Chen Ping will not be resentful!

However, these people are surprisingly unanimous, and they all obey Chen Ping's orders!

**A Man Like None Other Chapter 3894**-Seeing that no one was flinching, Chen Ping led everyone to Guanghan Palace!

However, when Chen Ping led everyone to leave Nanju City, a young man looked at the leaving figures of Chen Ping and others, and a sneer suddenly appeared at the corner of his mouth!

Soon, the young man's figure disappeared, and Chen Ping and others did not notice some observations!

Thousands of people began to walk up the mountain on the snow!

On the way, there are monks in the sky rushing towards Guanghan Palace!

When approaching Guanghan Palace, the guards in Guanghan Palace also discovered this scene.

Looking at the dark crowd in the sky and on the ground, many disciples of Guanghan Palace were stunned.

“Enemy attack, enemy attack, hurry up and notify the palace master...”

Immediately, a disciple of Guanghan Palace shouted!

The Palace Master of Guanghan Palace was notified and rushed to the door. When she looked at the dark crowd in the distance, she was instantly confused.

She never expected that the Mu family could gather so many disciples.

Everything flying in the sky and walking on the ground are all human beings. It's so shocking that they cover the sky and the sun!

“Palace...Palace Master, this...”

Binglu looked at this scene and felt a little embarrassed when speaking.

The Palace Master of Guanghan Palace had helplessness in his eyes, and he sighed softly: “Binglu, take all the disciples of Guanghan Palace and leave from the back mountain. The farther you go, the better.”

“If it is possible, I hope you will continue to promote Guanghan Palace. If it is not possible, then keep your name anonymous and don’t say that you are a disciple of Guanghan Palace.”

The Palace Master of Guanghan Palace gave up. There was really no other way. Facing the attack of so many people, Guanghan Palace was afraid that it would fall apart in an instant!

It is simply not worth it to have so many disciples die together.

Also, these disciples of Guanghan Palace are too weak and have a weak foundation. It will be very difficult for them to carry forward Guanghan Palace.

“Palace Master, I won’t leave, I want to accompany you.”

Binglu shook her head and said.

“Palace Master, we are not leaving. We are willing to accompany you and die together with Guanghan Palace.”

Many Guanghan Palace disciples all said with firm eyes.

“It’s not necessary. If you leave, Guanghan Palace will not be destroyed. Maybe many years later, Guanghan Palace will reappear.”

“If they all die here, then Guanghan Palace will really be finished.”

The Palace Master of Guanghan Palace sighed, and then said in a commanding tone: “I order you to leave Guanghan Palace immediately. It will be too late...”

Binglu wanted to say something else, but looking at the Palace Master’s decisive expression, she finally nodded helplessly and prepared to lead everyone away!

But just when Binglu was about to leave with the other Guanghan Palace disciples, Lan Yingying suddenly shouted!

“Palace Master, look, look, Mr. Chen, it’s Mr. Chen...”

Lan Yingying’s shout was full of excitement!

When the Palace Master of Guanghan Palace and Binglu heard this, they quickly looked around and found that the figure at the front was approaching quickly, and it turned out to be Chen Ping!

Chen Ping was afraid that so many people would scare everyone in Guanghan Palace, so he ran in front of everyone so that he could inform everyone in Guanghan Palace in advance.

Seeing that it was Chen Ping, the master of Guanghan Palace finally had a smile on his face.

Binglu cried excitedly.

“open the door.....”

The Palace Master of Guanghan Palace ordered the palace door to be opened, and then led people to greet him!

“Palace Master, I’m back again...”

Chen Ping looked at the Palace Master of Guanghan Palace and smiled slightly.

Although Chen Ping did not have in-depth and intimate communication with the master of Guanghan Palace, the two of them had kissed each other and had skin-to-skin contact, so their relationship became subtle.

“You...why are you back? Those people are...”

The palace owner looked at the dark crowd behind Chen Ping and asked in shock.

“I brought them all. I know that the Mu family will definitely not let Guanghan Palace go, and Guanghan Palace is no match for the Mu family, so I contacted a group of friends to come and help.”

Chen Ping said with a smile.

**A Man Like None Other Chapter 3895-**“Friend?” The palace owner was stunned.

All the disciples in Guanghan Palace looked on in disbelief.

You must know that in this world, the human world is all egoistic and puts interests first. There is very little friendship and it is all about the exchange of interests!

But Chen Ping called so many friends at once, why didn't this shock everyone.

"Mr. Chen, you...how do you have so many friends?"

Binglu asked puzzledly.

"These are just friends from the Southern Region. If you include those from other regions, I have more friends."

Chen Ping said with a slightly bragging tone.

However, Chen Ping was indeed able to contact more people, including Yihe, Jade Cauldron Sect, Ji Family...

These people estimate that if Chen Ping says anything, they will go through fire and water without hesitation!

The Palace Master of Guanghan Palace looked at Chen Ping crazily. She found that she liked Chen Ping more and more!

If it weren't for the rules of Guanghan Palace, she would have given it to Chen Ping right away!

This kind of man is worth every woman's effort!

Soon, Luo Shouhai and others also arrived in front of Guanghan Palace!

Chen Ping introduced these people to the Palace Master of Guanghan Palace one by one!

"This is the Lord of Blood Spirit Valley Luo Valley."

"This is the Master Song of the Soulless Palace."

"Sect Master Luo and Sect Master Chen of the five major sects."

"The head of the Sheng family."

“Jiang Yulian and Zhe Yan from the Soul Demon Sect.”

“Among the three emperors and four kings of the beast tribe, the lion king, the monkey king, the leopard king, and the thousand-faced monster king, this is the fox princess.”

After Chen Ping finished speaking, Bai Qian stepped forward and said to the Palace Master of Guanghan Palace: “Welcome to join Chen Ping’s ranks of women...”

The Palace Master of Guanghan Palace was stunned, and then his face turned red!

Chen Ping coughed awkwardly!

“Bai Qian, don’t talk nonsense. What is the identity of the palace master of Guanghan Palace? Can you talk nonsense? There are rules.”

Chen Ping glared at Bai Qian!

“Master, stop hiding it. There must be something going on between you two. You can see it from your eyes. You have to trust us women’s intuition.”

Huofeng laughed from the side.

“That’s right, you were still hiding, and you just did it. The eldest lady of the Sheng family looked at you all the way. Although you two didn’t speak, you were definitely asleep.”

“Are I right, the Sheng family girl...”

Bai Qian looked at Sheng Jiahui and asked!

Sheng Jiahui blushed and quickly lowered her head, feeling very embarrassed!

Huofeng said: “Don’t be embarrassed, being able to become the master’s woman is a blessing that has been cultivated for thousands of years.”

“The master has many women, and we are not the only ones.”

“Ahem, cough, cough, let’s go in and talk, and then discuss how to defend ourselves against the enemy.”

Chen Ping hurriedly interrupted Huofeng, and then called everyone into Guanghan Palace!

If this continues, I don't know what these two women will say!

Everyone looked at Chen Ping's embarrassed look and burst into laughter!

A beauty paired with a hero makes the world happy!

Chen Ping is a hero, so he should be surrounded by beauties!

When everyone entered Guanghan Palace, the palace owner immediately ordered people to close the palace door!

Chen Ping began to assign tasks!

Although the Mu family has not attacked Guanghan Palace yet, no one knows when the Mu family will come back, so they must prepare in advance!

Chen Ping asked Sheng Bushi to take the Sheng family to draw more talismans, while he himself set up a large number of defensive and offensive arrays in front of the Guanghan Palace!

The Palace Master of Guanghan Palace also used all the resources of Guanghan Palace. Since everyone is here to help, Guanghan Palace cannot be stingy!

Just when Chen Ping led everyone to build a large number of defenses in Guanghan Palace!

Everyone in the Mu family is also quietly looking forward to the return of the head of the Mu family!

"Steward Liu, why didn't you send someone to notify me of such a big matter?"

At this time, a voice of reproach came!

**A Man Like None Other Chapter 3896**-Hearing this sound, Butler Liu's body trembled slightly, and then he hurriedly looked in the direction of the sound!

I saw a figure slowly appear, it was the young man who was watching Chen Ping and the others leaving the city in Nanjing City!

“Second Young Master, you...why are you back?”

Seeing this young man, Butler Liu’s face was full of disbelief!

This person is none other than Mu Qing, the second son of the Mu family!

“My eldest brother and aunt were killed, and all the children of the Mu family were recalled. Can’t I come back?”

“Am I not a descendant of the Mu family?”

Mu Qing said with a cold face!

“No, no, that’s not what I meant. It’s just that the second young master is studying abroad, and I won’t let you know.”

“What’s more, we are enough to deal with Guanghan Palace, and we don’t need the Second Young Master to step forward.”

Facing Mu Qing, Butler Liu had a slavish look on his face. He never had the domineering look he did when facing other members of the Mu family!

“Humph, don’t you know? I saw Chen Ping leading thousands of monks to Guanghan Palace.”

“Obviously they were already prepared.”

Mu Qing said coldly!

“Thousands of monks?”

Butler Liu was shocked, his face full of disbelief!

He didn’t expect that Chen Ping could summon thousands of monks in such a short period of time!

“Second Young Master, we are waiting for the master to come out of seclusion. As long as he comes out of seclusion, no matter how many people there are, it will not help.”

After being shocked, Butler Liu said!

After all, in the face of absolute strength, quantity is not that important!

“How long will it take for my father to be released from confinement?”

Mu Qing asked!

“I don’t know. It must have been in the past few days. In the meantime, the master’s soul left his body once and caused some damage, so the retreat time may be longer.”

Butler Liu said!

“No need to wait for my father, I will take you to get revenge!”

Mu Qing said!

“Second Young Master, you must not do this. You just said that Chen Ping has brought thousands of monks to Guanghan Palace. We will be in danger if we don’t wait for the master to come out of seclusion.”

“And the princess of Guanghan Palace is in the Mahayana realm, so she is not that easy to deal with.”

“And that Chen Ping, even though he is not very high-level, he is very powerful. Both the eldest young master and the eldest young lady died in his hands.”

“The eldest lady is no match even at the peak of the Tribulation Realm. If you want to defeat Chen Ping, I’m afraid you will have to reach the Mahayana Realm.”

Butler Liu quickly tried to dissuade him!

“Mahayana Realm...”

Mu Qing smiled coldly, and then the aura on his body exploded instantly!

For a moment, the sky and the earth were dark, and boundless black fog filled the sky over the Mu family, as if it was the end of the world!

And in the dark mist, balls of flames continued to fall, and then attached to Mu Qing's body!

In just an instant, Mu Qing turned into a burning man!

With Mu Qing's wave of his hand, the vision of heaven and earth disappeared instantly, and even the flame disappeared!

"Second Young Master, you...you actually broke through to the Mahayana realm?"

Butler Liu said incredulously!

"If I didn't break through to the Mahayana realm, how could I dare to go home?"

"This time, can I go to Guanghan Palace to take revenge?"

Mu Qing smiled coldly!

Butler Liu hesitated for a moment, then nodded and said: "Okay, I will take someone to follow the second master. Although the master of Guanghan Palace is powerful, I still have the confidence to deal with it."

"Second Young Master just needs to kill Chen Ping!"

Mu Qing nodded: "Don't worry, I will definitely kill that Chen Ping to avenge my eldest brother and aunt."

"So what if he finds thousands of monks? They are all little rubbish in the Tribulation Realm!"

Mu Qing had just broken through to the Mahayana realm, so he called the Tribulation realm garbage!

Mu Qing and Butler Liu, with hundreds of members of the Mu family, headed towards Guanghan Palace!

They didn't wait for the head of the Mu family to come out of seclusion!

**A Man Like None Other Chapter 3897-Guanghan Palace!**

Chen Ping follows the master of Guanghan Palace to take charge!

He directed everyone to set up layers of defenses, and everyone was full of energy and ready for battle!

At this moment, they are only waiting for the arrival of the Mu family!

“Mr. Chen, Palace Master, someone from the Mu family is here!”

Binglu walked into the hall and said with a slightly nervous expression!

As soon as they heard that the Mu family was coming, Chen Ping and the Palace Master of Guanghan Palace stood up at the same time, and then they disappeared in the blink of an eye!

When they appeared again, the two of them had arrived at the door of Guanghan Palace!

His body was suspended in the air, looking at the dark crowd of people rushing towards Guanghan Palace!

“Lord Valley Master Luo, please go down and prepare to fight!”

Chen Ping looked at the Mu family members who were about to arrive, and said to Luo Shouhai!

“Okay!” Luo Shouhai nodded!

Soon, all the sects and aristocratic families, as well as several great beast kings, were ready!

A breath of soaring energy erupted from Guanghan Palace and soared straight into the sky!

The aura erupted by thousands of monks was absolutely terrifying!

Feeling the aura erupting from Guanghan Palace, many people in the Mu family began to be frightened!

After all, the head of the family has not left seclusion, and they are following Mu Qing to crusade, and it is really uncertain whether they will win or lose!

Mu Qing felt the aura erupting from Guanghan Palace and frowned slightly!

But it's already here, no matter what, it's impossible to go back quietly!

Wouldn't that be so embarrassing!

Manager Liu felt the terrifying aura, and his expression changed slightly!

"Where did this Chen Ping find so many monks, and they are all so strong?"

Butler Liu frowned and said!

From these auras, most of them turned out to be masters of the Tribulation Realm, including many great monks at the eighth or ninth level of the Tribulation Realm!

Originally, he thought that even if Chen Ping summoned thousands of monks, they would still be trash in the Fusion Realm!

Who can imagine that many of them are monks in the Tribulation Realm, and they are also powerful!

"Now that you're here, why don't you come over and take a look!"

After Mu Qing finished speaking, he led everyone to Guanghan Palace!

At a glance, Guanghan Palace was surrounded by rays of light. It was obvious that formations had been set up all around!

At the same time, Chen Ping and the others were all suspended in mid-air, all ready to fight!

When Mu Qing saw this, he jumped up!

There are also more than a dozen monks from the Mu family floating in the air!

"Mr. Liu, what do you mean by bringing so many people to my Guanghan Palace?"

The Palace Master of Guanghan Palace asked Manager Liu!

She doesn't know Mu Qing. After all, Guanghan Palace was just established here, and Mu Qing has been away from home for many years!

It's normal that the Palace Master of Guanghan Palace doesn't know him!

"You know what your Guanghan Palace has done. We are here today to avenge the eldest young master and the eldest young lady."

"In addition, I would also like to advise other fellow Taoists that it is best for you not to step into the muddy waters that our Mu family is following Guanghan Palace."

"It would be inappropriate to put your own life on the line simply for some benefit."

Manager Liu is threatening others!

He thought that Chen Ping was able to find so many people, many of whom were here for profit!

"Do you think they came to help us in Guanghan Palace because of their own interests?"

The Palace Master of Guanghan Palace said with a smile!

"Of course, otherwise who would work for you in Guanghan Palace?"

"But if your Guanghan Palace hands over Chen Ping and lets our Mu family handle it, we may be able to bypass your Guanghan Palace."

Manager Liu said!

"Bah, who do you think you are? If you still want to deal with Mr. Chen, you have to ask us first if we agree!"

The old devil mountain ghost spat hard and cursed loudly!

Manager Liu's face turned cold, and his eyes began to show murderous intent!

Mu Qing, who had been silent all this time, said: "Fellow Taoists, I am Mu Qing, the second son of the Mu family. If you give my Mu family a face and leave today, my Mu family has decided to give resources to everyone."

"But if you insist on going your own way, then report your name and don't blame our Mu family for killing them all!"

Mu Qing is using both soft and hard tactics. He hopes that someone will give in and give up!

**A Man Like None Other Chapter 3898**-Although Mu Qing's abacus is loud, it is useless. After all, these people are not here for profit!

"I, the master of the Blood Spirit Valley, Luo Shouhai, will not leave today. I will see how your Mu family destroys my Blood Spirit Valley."

"We won't leave even the five major sects. If they can, they will kill us all."

"And my Soulless Palace..."

"And my Sheng family..."

"And my Soul Demon Sect..."

"I am the Demon Mountain Ghost..."

"And the three emperors and four kings of our beast tribe..."

"If we don't leave, let's see how awesome your Mu family is and kill all the sects like us."

"I think you Mu family are just bragging. If you have the ability, go ahead. Stop talking!"

Everyone moved forward one by one, not afraid of the Mu family at all!

After listening to everyone's introduction, Butler Liu and Mu Qing's expressions changed!

It turns out that these monks are all from sect families and are not casual practitioners!

Especially the Demon Mountain Ghost Elder, he is considered a very famous celebrity in the entire Tianmo Mountain area!

They couldn't understand how Chen Ping invited these people here!

How many resources and benefits are needed to attract people from these sects and aristocratic families!

Looking at the people in front of them, Mu Qing and Manager Liu looked solemn. If they launched a forceful attack at this time, they would definitely suffer heavy losses!

Even if they can win and take revenge, the Mu family will suffer heavy casualties and eventually become a small family!

But if you don't attack or take revenge, and just leave in such a dejected manner, then the Mu family will be too shameless!

The two sides were in a stalemate, and no one made the first move!

After all, it is a fierce battle!

There will definitely be countless casualties, and the entire world of heaven and humans has never seen such a large-scale melee since the war between gods and demons!

Moreover, they are all great monks in the Tribulation Realm. The destructive power of this kind of melee is extremely terrifying!

Maybe, half of Tianmo Mountain might be sold off!

About an hour later, Manager Liu spoke first!

“Chen Ping, you killed our eldest son and eldest lady, but in the end you found so many people. Do you want to let everyone die with you because of your own fault?”

“You should know that once the melee begins, countless people will be killed or injured, and you will be a sinner by then.”

“Our Mu family is just looking for revenge on you. If you leave Guanghan Palace now, we will never touch Guanghan Palace.”

“You can't be too selfish as a person. These people are willing to sacrifice for you, but you can't let these people sacrifice their lives for you to save your own life, right?”

Manager Liu stood on the moral high ground and began to mock Chen Ping!

In order to make Chen Ping feel guilty, he left Guanghan Palace!

What the Mu family needs is revenge, not fighting with these people in front of them!

When the time comes, you will kill a thousand enemies and lose eight hundred, and the gains outweigh the losses!

“Mr. Chen, don’t listen to his nonsense. They have hundreds of people and are looking for revenge on your own.”

“Isn’t this bullying the minority with more? They are obviously deceiving you!”

Luo Shouhai hurriedly said to Chen Ping!

“It’s just the two of us competing. If I can’t kill you, I can accept my fate and take people away immediately. I will never harass Guanghan Palace.”

“Do you dare to compete with me? Then I won’t have to fight with others!”

Mu Qing knew that Chen Ping could not be fooled, so he said!

Chen Ping raised the corner of his mouth slightly!

“Yes, it depends on whether you dare. The two of us will fight to the death in exchange for the safety of others.”

Mu Qing said.
