

[The Man's Decree] A Man Like None Other

A Man Like None Other Chapter 3936-When he reached the fire, Lu San stopped and then a sneer appeared on his face!

“You are too young to fight with us. Senior Brother Liu has been prepared for this.”

Lu San raised the corner of his mouth, with a smug look on his face!

As Lu San gently pointed the bronze mirror at the fire, the fire soon burned more vigorously, and fierce heat waves continued to attack Chen Ping and the others!

Chen Ping didn't care, but the other monks obviously couldn't bear it!

“Just wait patiently for your defeat...”

After Lu San succeeded, he wrapped the bronze mirror again, put it in his arms, and slowly retreated.

The heat wave from the fire was getting stronger and stronger, but Lu San and the others seemed to be unaffected at all!

“Ah...I quit, I quit...”

Finally, one of the monks couldn't bear it anymore and started screaming!

Accompanied by a ray of light, the monk was teleported out!

Seeing this, Chen Ping hurriedly used the extremely cold ice flame to cover the entire area where they were!

The extremely cold ice flame is also a kind of ultimate fire, so it will not be rejected in the assessment!

But the extremely cold ice flame emits cold air!

At this moment, Qian Xiu and the others all felt their bodies suddenly become cool, and then the scorching heat wave disappeared!

This feeling was so comfortable that everyone was puzzled!

But they couldn't see or feel anything, so they could only make random guesses!

While Chen Ping was helping everyone resist the heat wave, his spiritual consciousness slowly entered the center of the flames!

In the center of the flame, a ball of brown fire was dancing.

If Chen Ping refined and absorbed this supreme fire at this moment, the assessment would definitely be terminated, and Zi Yan Sect would also definitely know about it. After all, the supreme fire suddenly disappeared. It was such a big thing that Zi Yan Sect could not have been unaware of it!

If there were more supreme fire here, Chen Ping could refine some of it, but there was only such a small ball of supreme fire here. If Chen Ping was not careful, it would all be refined.

He came here to learn the technique of fusing the ultimate fire. If he came here just for this ultimate fire and made Zi Yan Men doubt his identity, then it would be a waste of time!

However, if Chen Ping did not refine an unknown ultimate fire in front of him, he felt it would be a waste!

After thinking for a moment, Chen Ping seemed to have thought of something!

Just now, Lu San used the bronze mirror in his hand to make the fire suddenly become more vigorous, and the heat wave became much stronger!

It seems that the source of the Zi Yan Sect's ultimate fire should also be contained in the bronze mirror, otherwise the ultimate fire here would not suddenly become so strong!

As long as he can get the bronze mirror, Chen Ping can try to refine the ultimate fire inside the bronze mirror!

But at this time, Lu San had already returned to his own area, and Chen Ping had no way to get the bronze mirror!

After much deliberation, Chen Ping decided to snatch the bronze mirror from Lu San's hand!

The whole area is now cordoned off, and everyone is trying so hard to resist the raging heat wave that no one will notice!

As for the impenetrable formation, it would be very easy for Chen Ping to break it!

Chen Ping's palm was shining, and he gently moved the white area in front of him. Soon, the white area formed a corridor!

Chen Ping walked out easily and slowly came to the front of the fire.

Chen Ping looked at the area where Lu San and others were, and kept getting closer!

But if Chen Ping directly enters Lu San's area and forcibly snatches it, it will definitely cause fluctuations in the assessment formation, and Lu San will definitely be able to discover it!

Now the only way he could do was to lure Lu San out. As long as he left his area, Chen Ping would use the magic array to fascinate Lu San, and then he could take the bronze mirror from Lu San's hand!

However, it is not easy to let Lu San leave the area by himself. After all, this guy has just done something wrong and it is impossible for him to leave openly again!

A Man Like None Other Chapter 3937-Chen Ping looked at the fire in front of him and suddenly had an idea. He saw the fire of the earth's core dancing on Chen Ping's fingertips, and then he gently waved it towards the area in front of him!

Soon, a heat wave surged out and headed towards Lu San and others!

In just a moment, I heard a few screams and curses not far ahead!

"What the hell is this? It's too hot. I'm going to be roasted!"

"Quit, I quit, it's so hot..."

Among the new master's disciples, many chose to quit because they couldn't bear it!

Lu San was also sweating profusely, and his expression became confused.

"What's going on? Did I make a mistake in my operation and draw the heat wave to my side?"

Lu San suspected that he might have made a mistake in operation just now!

After all, in the entire assessment site, except for him, no one can move around freely and control the fire!

Lu San stood up, holding the bronze mirror and walked towards the fire again!

When Chen Ping saw Lu San coming, the corner of his mouth suddenly raised, and then he created an illusion!

Lu San walked into the illusion without any precautions. The scene in front of him did not change, but he could not find the location of the fire!

Lu San's face was full of confusion as he kept searching for the Supreme Fire. He even took out the bronze mirror and felt the heat waves emitted by the Supreme Fire, hoping to find the location of the Supreme Fire in this way!

"It's really strange, why is the Supreme Fire gone?"

Lu San frowned. How could he know that he had already fallen into the illusion set up by Chen Ping and was spinning in circles!

Lu San walked for a long time but still didn't find the fire, which made Lu San start to panic!

"What's going on? Why am I lost? I can't go back?"

"Could it be that there was a malfunction in this assessment?"

Lu San discovered that not only could he not find the Fire, he couldn't even find the way back!

He no longer suspected that he was trapped in an illusion, but rather that there was something wrong with the examination venue!

With no other choice, Lu San stopped moving and sat down cross-legged, injecting a stream of spiritual power into the bronze mirror!

The array pattern on the bronze mirror flickered, and then a ray of brown fire jumped out!

It seems that this guy wants to use the ultimate fire in the bronze mirror to find the ultimate fire in this assessment place!

There will be connections between the same kind of ultimate fire, and you can use this connection to find the direction of the test fire!

But just as the supreme fire just jumped on the bronze mirror, Chen Ping swung out a sharp sword energy, and then split the supreme fire into two!

Lu San was stunned. Before he could react, a huge suction force instantly sucked away the fire!

"this....."

Lu San was confused, he had no idea what was going on!

Chen Ping could see Lu San in front of him, but Lu San couldn't see Chen Ping at all. He was being manipulated by Chen Ping like a fool!

The ultimate fire was absorbed into Chen Ping's body, and in an instant, the brown ultimate fire was surrounded by the three ultimate fires in Chen Ping's body!

The fire that had just been inhaled was still struggling and running wild in Chen Ping's body!

Before it could even jump out, it was suppressed by Chen Ping's three kinds of ultimate fire, and was finally completely refined by Chen Ping!

The fire-type origin star in Chen Ping's body became brighter!

"The Purple Flame Sect's Ultimate Fire is really a bit weak. It's so easy to refine it."

Chen Ping was speechless!

He also thought that it would take a certain amount of time to refine the Purple Flame Sect's ultimate fire!

Seeing that he had refined the ultimate fire, Chen Ping waved his hand to dispel the illusion!

At this moment, Lu San looked at the bronze mirror in his hand and his face turned green!

He originally wanted to rely on the supreme fire in the bronze mirror to find the supreme fire in the examination venue!

Now, the ultimate fire in the bronze mirror has disappeared!

And the ultimate fire in the assessment area also appeared in front of Lu San at this moment!

Just when Lu San was puzzled, the ultimate fire in the assessment area suddenly exploded!

A Man Like None Other Chapter 3938-The huge impact force caused Lu San to be knocked flying instantly!

And under this huge heat wave, the disciples of the new master's lineage all expressed their desire to participate!

Many disciples were directly burned, and some even fainted!

boom!

With a roar of the ultimate fire, the entire assessment site shook instantly!

The white area in front of everyone's eyes was slowly dissipating, and the aura of fire in the entire assessment site became increasingly violent!

"Something happened, it got really bad..."

Seeing this, Lu San yelled!

At the moment, Liu Shitong, who was sitting outside, was also shocked!

He also felt that something had happened at the test site, and hurriedly began to manipulate the formation, trying to open the test site!

If something happens at the assessment site and many disciples die there, he, as the chief judge of the assessment, cannot be free from responsibility!

Although he can use some tricks to prevent the disciples of the old master's lineage from passing the assessment!

But we don't dare let these people die in the assessment site, as that would cause a major accident!

If things go wrong, the Zi Yan Sect may suffer from internal strife or even face the risk of destruction!

Liu Shitong opened the formation, and the assessment site instantly became bright, and the white area disappeared!

At this moment, Lu San's face was burned black, and many of the disciples he brought with him were injured, and some even fainted.

"Junior brother, junior sister....."

Wei Qing also ran over in panic, shouting at Chen Ping and Qian Xiu!

In this situation, he was also afraid that someone would get hurt!

"Senior Brother..."

Chen Ping showed up with Qian Xiu and others.

They all looked so relaxed, no one was injured at all!

Only Lu San and others were in a miserable state, and many disciples were injured!

“Why would the fire suddenly explode out of nowhere?”

Wei Qing was relieved to see that Chen Ping and the others were fine. He then looked at Liu Shitong and asked!

He thought that Liu Shitong was up to something again!

“Wei Qing, don’t ask me. I don’t know. You don’t think it was me, do you?”

“I tell you, no one dares to make such a big noise. It could be fatal.”

Liu Shitong said with a serious face!

He was telling the truth, he didn’t dare to do that!

Wei Qing also believed that Liu Shitong did not have the courage!

“What’s going on?” Liu Shitong looked at Lu San and asked!

“I...I don’t know either...”

“I just wanted to use the supreme fire in the bronze mirror to find the supreme fire in the assessment area, but the result was...”

Lu San told Liu Shitong about his experience in detail!

After hearing this, Liu Shitong became so angry that his face turned blue and he slapped Lu San hard!

“Fuck you, you idiot. Who told you to do this?”

“I just asked you to use the supreme fire in the bronze mirror to increase the aura of the supreme fire so that they can’t bear it.”

“You actually released the ultimate fire without permission. How could it not explode when two ultimate fires collide with each other?”

“This testing area is strictly controlled. In order not to hurt the test students, the extreme fire is also calculated.”

“You actually allowed two supreme fires to fuse together. Can the formation of this test site withstand it?”

Liu Shitong cursed loudly and started punching and kicking Lu San!

He wanted to beat this idiot to death!

Lu San's face was full of grievance. He didn't know what was going on. The fire in the bronze mirror disappeared, and then an explosion occurred!

Seeing this, Chen Ping laughed secretly in his heart. Now that he had stolen the ultimate fire from the Zi Yan Sect and had not been discovered, Lu San had to take the blame!

“what happened?”

At this time, an old man with a stern face came quickly!

When they saw the person coming, the expressions of Liu Shitong, Wei Qing and others changed obviously!

“Elder Cui, there was a malfunction in the explosion of the ultimate fire in the assessment area. Fortunately, no disciples were in danger of death.”

Liu Shitong hurriedly stepped forward and said to the old man!

A Man Like None Other Chapter 3939—“How could this be? This assessment formation was set up by me personally?”

Elder Cui frowned!

Seeing that Liu Shitong seemed to be very afraid of Elder Cui, Chen Ping asked in a low voice: “Brother, is this Elder Cui the new sect master's man?”

Wei Qing shook his head and said, “No, this Elder Cui is not the new sect master's man, nor is he the old sect master's man.”

“In Ziyan Sect, only Elder Cui does not take sides, and he is selfless. Everyone is afraid of him.”

“The entire Ziyan Sect's formation was set up by Elder Cui. No matter who is the Sect Master, no one dares to offend Elder Cui.”

After listening to Wei Qing's words, Chen Ping realized that Elder Cui was actually a high-level formation master!

After all, in the world of celestial beings, formation masters are very scarce. If a sect has a high-level formation master, that would be a treasure.

No wonder Liu Shitong is so afraid!

Elder Cui casually drew a few array patterns, and then the test site flashed with white light!

Soon, Elder Cui's face turned very ugly and he said, "The power of the fire in the test area suddenly increased, which proves that someone has increased the power of the fire in the test area. Who did it?"

After saying that, Elder Cui swept a sinister gaze across everyone's faces, because only those who participated in the assessment could increase their fire aura, and it could not be controlled outside!

Liu Shitong couldn't help swallowing his saliva when he heard what Elder Cui said, and his expression became a little unnatural!

And Lu San's body was trembling slightly!

He is just an outer disciple, he can't afford such a big thing!

When Elder Cui's gaze fell on Lu San, Lu San immediately peed!

Seeing Lu San's expression, even a fool would know who did it!

However, Lu San was an outer sect disciple, and he obviously had not yet fully mastered the Zi Yan sect's ultimate fire. It was impossible for him to increase the ultimate fire at the test site!

"May I have your name?"

Elder Cui looked at Lu San and asked coldly!

"Disciple...My name is Lu San..."

Lu San trembled and spoke haltingly!

"Do you know why this fire exploded?" asked Elder Cui!

Lu San was stunned and glanced at Liu Shitong secretly, while Liu Shitong was desperately following Lu San's eyes!

He absolutely cannot let Lu San tell the truth!

Seeing Liu Shitong's expression, Lu San shook his head and said, "Disciple doesn't know. Disciple's Ultimate Fire has not yet been fully comprehended, and the Ultimate Fire aura is also extremely weak. It is impossible to increase the Ultimate Fire in the test area."

Lu San directly told the truth that he had not yet mastered the Ultimate Fire!

Elder Cui looked at Lu San. He knew that Lu San was not lying. This guy just couldn't cultivate the ultimate fire. That's why he was still an outer disciple even though he was at the sixth level of the Tribulation Realm!

This time, I have just cultivated some fire aura, so I am testing the inner disciples!

"Elder Cui, the disciples who have taken the entire test do not have much fire energy under their control. It is impossible for the fire energy in the test to suddenly increase."

"However, there is one person who has already mastered a large amount of the Ultimate Fire Aura, and is even in the inner sect disciple assessment."

After Liu Shitong took a look at Qian Xiu, a plan suddenly came to his mind: he wanted to frame Qian Xiu!

"who is it?"

Elder Cui frowned and said!

"That's her, Qian Xiu, the beloved disciple of Elder Hu."

"She is the assessment steward and is fully capable of quickly passing the inner disciple assessment stage ahead, but she is dithering and following those who are taking the inner disciple assessment."

"I think she must have some ulterior motive. Maybe the sudden increase in the explosion of the Earthly Fire during this assessment was caused by her!"

Liu Shitong pointed at Qian Xiu and turned the tables on him!

This operation made Qian Xiu confused, and even Wei Qing was shocked!

Chen Ping's eyes narrowed slightly. He didn't expect Liu Shitong to be so shameless!

A Man Like None Other Chapter 3940—"You are talking nonsense and slandering me. I didn't increase the Ultimate Fire at all. I don't know why the Ultimate Fire exploded."

When Qian Xiu saw that he was being wronged, he immediately roared in anger!

“You said there is no evidence? What evidence do you have?”

“Among all the disciples taking the test, you are the only one who has the ability to increase to the level of fire. If not you, who else could it be?”

Liu Shitong questioned Qian Xiu!

“It was her. I saw her sneaking up to Zhihuo. Moreover, she was not in a hurry at all as she was taking the deacon assessment. It was obvious that she was up to something bad!”

Seeing this, Lu San also blamed Qian Xiu!

At this point, Qian Xiu was speechless, his face turned red with anger, but he didn't know how to refute!

Because she didn't know why this fire suddenly exploded!

Finally, Qian Xiu started crying out of grievance!

Looking at Qian Xiu's expression, Liu Shitong and Lu San were filled with pride!

Chen Ping couldn't help but shook his head. It really was true that the person who wronged you knows how wronged you are better than you do!

“Junior Sister Qian, did you do this?”

When Wei Qing saw that Liu Shitong and Lu San both said that it was Qian Xiu who did it, he also asked!

After all, among these people, only Qian Xiucai is capable of doing such a thing!

It is possible that Qian Xiu was afraid of losing in the end, so he simply disrupted the assessment so that the winner could not be determined!

Hearing Wei Qing's question, Qian Xiu looked at Wei Qing aggrievedly and said, “You... do you also think it was me who did it?”

“Junior Sister Qian, that's not what I meant. I was just asking. If it's really you, don't be afraid. I won't let the sect punish you.”

Wei Qing said hurriedly!

“Get out of here, you bastard. It wasn't me who did it.”

Qian Xiu roared angrily, and he was really about to collapse!

Seeing Qian Xiu's collapse, Wei Qing was also a little scared!

"If it's not you, then who could it be? The assessment formation I set up will definitely not have any problems. Who on earth suddenly increased the power of the Ultimate Fire?"

Elder Cui asked Qian Xiu!

This time, Qian Xiu really couldn't clear himself even if he jumped into the Yellow River. He had no idea who did it, and in the entire assessment, he was the only one who had this ability!

Moreover, she follows these inner sect disciples everywhere, she must have some ulterior motive!

How else could she explain it?

Qian Xiu just wanted to take care of Chen Ping, but who knew things would turn out like this.

"It's not me, it's really not me... Do you think you can only believe me if I die?"

Qian Xiu was driven crazy and completely collapsed!

And now Chen Ping finally understood that many people committed suicide because they were wrongly accused. That was really their limit!

"If you die, we will believe you!"

Lu San said to Qian Xiu with a proud look on his face!

As long as Qian Xiu committed suicide, we can directly put the blame on Qian Xiu. It was she who did something wrong and committed suicide!

"ah....."

Qian Xiu screamed in desperation, and suddenly slapped his own forehead with his palm!

However, Chen Ping on the side was quick-witted and quick-handed. He stepped forward and grabbed Qian Xiu's wrist!

"Sister Qian, you didn't do it, why did you commit suicide?"

“If you do this, won’t you let those who secretly do evil get away with it?”

Chen Ping said to Qian Xiu!

“No one believes me, no one believes me...”

“Little Junior Brother, do you believe me?”

Qian Xiu looked at Chen Ping and asked!

“I believe you!” Chen Ping nodded!

Of course he believed that it was Chen Ping who did it, and of course he believed that it was not Qian Xiu who did it!

“Wuwuwu...”

Qian Xiu threw herself into Chen Ping’s arms and burst into tears!

This made Chen Ping a little overwhelmed!
