

[The Man's Decree] A Man Like None Other

A Man Like None Other Chapter 3941—"You're a newcomer, you don't know shit. Apart from Qian Xiu, there's no one else who can do this!"

Liu Shitong might quickly pin the blame on Qian Xiu, so that he wouldn't have to take any responsibility!

"Why is it that only Senior Sister Qian can do it?"

Chen Ping asked back!

"Nonsense, only she has the current strength to make the fire in the test area surge and cause an explosion. No one else has that ability."

Liu Shitong snorted coldly!

"Even if you don't have that kind of strength, it doesn't necessarily mean you can't make the aura of the Ultimate Fire explode. For example, if someone enters with a treasure containing the Ultimate Fire, and then releases the Ultimate Fire to fuse, can it also cause the aura to surge and explode?"

Chen Ping looked at Liu Shitong coldly and asked!

When Liu Shitong heard this, his brows immediately frowned, and there was a bit of panic in his eyes!

And Lu San opened his eyes wide and looked at Chen Ping in disbelief!

No one saw him when he took action, but how did Chen Ping know about it?

"It is indeed possible..."

Elder Cui nodded!

"Elder Cui, don't listen to the nonsense of this newcomer. They are just outer disciples. How could they possibly have a treasure with the ultimate fire?"

Liu Shitong hurriedly said to Elder Cui!

"Whether it is there or not, we will know if we search his body. I now suspect that Lu San must have the treasure with the ultimate fire on him."

Chen Ping kept talking to Lu San!

“I didn’t, I didn’t...”

Lu San shook his head hurriedly, his expression becoming extremely panicked!

“No?” Chen Ping looked at Lu San with a teasing look in his eyes: “If you say no, then search your body and let us see...”

“You bastard, who do you think you are? Lu San is the outer disciple with the longest seniority after all. Is it your turn to search me if you want to?”

Liu Shitong scolded Chen Ping!

If the bronze mirror is found during the body search, we will be in trouble!

“Little Junior Brother, do you know something?”

Seeing that Chen Ping insisted on searching him, Wei Qing asked!

“Brother, that Lu San has something on him. I saw him use it during the assessment. It seems to contain the Ultimate Fire.”

“I guess he wants to increase the aura of the Ultimate Fire so that we can’t bear it and retreat.”

“As a result of an operational error, the Fire exploded!”

Chen Ping whispered to Wei Qing!

When Wei Qing heard this, he was immediately furious, because these guys were cheating.

“Liu Shitong, the fire exploded for no reason, so we must find out the reason. Junior brother’s request for a body search is also a reasonable request.”

“Are you too guilty to allow a body search?”

Wei Qing questioned Liu Shitong!

“I have nothing to feel guilty about. Just search me, but everyone must be searched.”

Liu Shitong said while pretending to be calm!

“Of course, all those who are being examined will be subject to body searches.”

Wei Qing nodded!

“Ouch...”

Lu San suddenly covered his stomach with his hands, and said with a ferocious expression: “My stomach hurts, I need to go to the bathroom, you search others first!”

After Lu San finished speaking, he was about to leave. It seemed that he wanted to get rid of the bronze mirror!

Wei Qing jumped up, stopped Lu San, grabbed his collar and said, “Stop pretending, kid. Do you want to secretly get rid of the things on you?”

“I didn’t, I just had a stomachache!”

Lu San said stubbornly!

“Stomach upset? You can come up with such an excuse. Who do you think would believe it?”

Wei Qing sneered!

Liu Shitong was so angry that he glared at Lu San. How could he come up with such a childish excuse!

As a cultivator in the Tribulation Realm, you say your stomach hurts and you need to go poop!

Who the hell could believe that?

This is not an ordinary person!

It seems that Lu San was so frightened that his brain became dull!

“Senior Brother Liu, he.....”

Lu San wanted to follow Liu Shitong to ask for help, but Liu Shitong glared at him and said, “Shut up, shut up!”

He was really afraid that Lu San would betray him!

A Man Like None Other Chapter 3942-You have to know that Elder Cui is selfless and will not listen to the Sect Master at all. It is useless even if Liu Shitong’s master is the new Sect Master!

Lu San is just an outer disciple, so it doesn't matter what kind of punishment he receives. The most he will receive is expulsion from Zi Yan Sect!

But Liu Shitong is different. He is now also a deacon disciple and the sect master's favorite disciple. He has a bright future ahead of him!

"Lu San, if you take out the things and explain clearly, Elder Cui might be able to spare your life."

Wei Qing said to Lu San!

"I...I have nothing!"

Lu San said stubbornly!

Wei Qing's eyes narrowed slightly, and then he grabbed into Lu San's arms!

Before Lu San could react, the bronze mirror had already appeared in Wei Qing's hands!

"What is this?"

Wei Qing asked!

"This..." Lu San was a little panicked and didn't know how to answer for a moment!

"Let me see....."

Seeing this, Liu Shitong stepped forward and tried to snatch the bronze mirror.

Wei Qing flashed and looked at Liu Shitong coldly: "Liu Shitong, are you trying to snatch it away and then destroy the evidence?"

"What evidence did I destroy?"

Liu Shitong pretended to be innocent and said, "This is just a bronze mirror, what's so great about it? I don't think I detected any breath of fire from this bronze mirror!"

The ultimate fire in the bronze mirror was all absorbed and refined by Chen Ping, so there was no ultimate fire left!

It is precisely because of this that Liu Shitong refused to admit it!

"Yes, this is an ordinary bronze mirror I use for practicing martial arts. It doesn't contain any ultimate fire at all!"

Seeing this, Lu San reacted and spoke loudly!

Wei Qing tried to inject a spiritual power into the bronze mirror, but although the mirror's array pattern flickered, no fire appeared!

This made Wei Qing feel embarrassed and at a loss!

"Show me this bronze mirror..."

Elder Cui stretched out his hand and said!

"Elder Cui, please take a look. I think it must be this Lu San who did this with the bronze mirror!"

Wei Qing handed the bronze mirror to Elder Cui respectfully!

After Elder Cui saw the bronze mirror, his brows instantly frowned and his expression became extremely ugly!

"You guys stay here, and the rest of you leave here quickly!"

Elder Cui pointed at Wei Qing, Liu Shitong and Lu San, and asked everyone to leave!

"Senior Sister Qian, you're okay now, stop crying."

Chen Ping gently comforted Qian Xiu!

Since Elder Cui asked everyone to leave, it proves that the fire explosion has nothing to do with the people who left!

"Go wait for me outside. I believe Elder Cui will make a decision soon!"

Wei Qing asked Chen Ping and the others to leave!

After everyone had left, Elder Cui casually waved his hand and directly set up a formation so that no one could see what was happening inside the formation!

Seeing this scene, Liu Shitong and Lu San's expressions suddenly changed!

You know, Elder Cui is selfless. He suddenly set up a formation. If he were to attack them and punish them directly according to the rules of Zi Yan Sect, then they would be helpless!

"Liu Shitong, what's the matter with this bronze mirror?"

Elder Cui asked Liu Shitong with a gloomy face!

“Elder Cui, I...I don't know either.”

“Isn't this Lu San's own thing, used for practicing martial arts?”

Liu Shitong said in a pretentious manner!

Snapped!

Elder Cui slapped Liu Shitong in the face, and then said viciously: “You are talking nonsense, the formation on this bronze mirror was carved by me personally, and the ultimate fire is sealed inside this bronze mirror.”

“It is to allow talented disciples to use the bronze mirror to practice, so that they can comprehend and master the ultimate fire of our Purple Flame Sect more quickly.”

“How could such an important thing fall into the hands of an outer disciple?”

When Elder Cui said this, Liu Shitong was so scared that his face changed color!

A Man Like None Other Chapter 3943-He didn't expect that this bronze mirror was made by Elder Cui himself!

This bronze mirror was also given to Liu Shitong by his master, so that Liu Shitong could use it to help him practice. After all, with this bronze mirror, he could be in contact with the ultimate fire at all times, and could practice faster!

But unexpectedly, Liu Shitong actually took out the bronze mirror and used it to cheat during the test!

Plop!

Liu Shitong suddenly knelt down in front of Elder Cui and said with tears in his eyes: “Elder Cui, I was wrong. This bronze mirror was given to me by my master for my cultivation.”

“It's just that because Lu San is now at the sixth level of the Tribulation Realm and has not yet been able to master the aura of the Ultimate Fire and has not been able to pass the assessment to become an inner sect disciple, I lent him the bronze mirror.”

“I didn't expect that Lu San would actually use this bronze mirror to cheat during the test, causing the fire at the test site to explode and damage the test formation!”

Liu Shitong's brain was quite flexible. Unexpectedly, he reacted so quickly and found a way to shirk responsibility!

Lu San looked at Liu Shitong in shock. He never expected that Liu Shitong would react so quickly and put all the responsibility on him!

“Are you telling the truth?” Elder Cui asked!

“Every word I said is true. I would never dare to deceive Elder Cui...”

Liu Shitong knelt on the ground and said!

“Lu San...”

Elder Cui shouted, and Lu San was so scared that he fell to his knees on the ground!

At this moment, Liu Shitong kept winking at Lu San!

Now, as long as Lu San takes responsibility for everything, it will have nothing to do with him!

Looking at Liu Shitong’s eyes, Lu San knew that he could only fight to the death. Even if he gave Liu Shitong up, it would do him no good!

Maybe if I can save Liu Shitong, I will still have a chance in the future!

“Elder Cui, I was possessed by a ghost for a moment and used the supreme fire in the bronze mirror to increase the supreme fire aura in the test site.”

“I just want to increase my fire energy so that everyone else will fail the test and only I can pass the inner sect test. This way I can show off.”

“I didn’t expect that due to an operational error, all the supreme fire in the bronze mirror escaped and merged with the supreme fire in the assessment area, causing an explosion.”

“This disciple deserves to die. This disciple deserves to die. Elder Cui, please punish me!”

Lu San took care of everything himself!

When Liu Shitong heard this, he immediately breathed a sigh of relief!

“Elder Cui, this must have been instigated by Liu Shitong, otherwise Lu San would not dare to do it. Liu Shitong must be punished.”

Upon seeing this, Wei Qing hurriedly spoke to Elder Cui!

It is clear that it was Liu Shitong who instructed Lu San to do this!

“Wei Qing, stop slandering me. What evidence do you have that I ordered you to do this?”

Liu Shitong yelled at Wei Qing angrily!

“It’s you. Lu San doesn’t have the courage.”

Wei Qing said!

“It’s not me!” Liu Shitong argued!

The two people argued until their faces turned red and they couldn’t stop!

“alright.”

Elder Cui shouted angrily, and the two men shut their mouths instantly!

“Since there is no evidence to prove that Liu Shitong was behind this, then there is no need to argue any more.”

“Lu San will be held responsible for this incident. From now on, Lu San will not be allowed to take on any inner sect disciple assessments for the next thirty years.”

“Liu Shitong is the chief examiner of the assessment. If something like this happens, he will be fined for three years.”

Elder Cui’s words made Liu Shitong and Lu San kneel down and kowtow repeatedly!

For something like this to happen, this punishment is definitely light!

Although Wei Qing was unhappy, there was nothing he could do!

“Elder Cui, what should we do about this assessment?”

Wei Qing asked!

“The assessment is invalid. I will continue the assessment after I repair the assessment formation!”

After Elder Cui finished speaking, he turned and left, and the formation was automatically eliminated!

Liu Shitong and Lu San’s foreheads were covered with cold sweat and they let out a long sigh!
