

## THE MAN'S DECREE

**A Man Like None Other Chapter 3961**-"I accepted this disciple in Huhuang City. I didn't expect him to be so powerful!"

After Elder Yu finished speaking, he left in a hurry!

He just took the money to do the job and had no idea that Chen Ping was so awesome!

However, it is not a good thing for Chen Ping to be too awesome. After all, the first bird to stick its head out gets shot. It would not be good for Chen Ping to be too conspicuous at that time!

At this moment in the elder's mansion, Chen Ping was surrounded by Wei Qing, Qian Xiu and others and was treated like a great hero!

"Junior brother, you are so awesome. I, your senior brother, feel ashamed in front of you."

"This is the spiritual currency I won from Liu Shitong. Check to see if the number is correct!"

As Wei Qing spoke, he placed two large bags of purple gold spirit coins in front of Chen Ping!

These are all the things Liu Shitong lost to Chen Ping in a bet!

Chen Ping didn't even look at it. He just put away his bag of purple gold spirit coins, then returned the remaining bag to Wei Qing and said, "Brother, share this bag of purple gold spirit coins with the brothers."

"During the competition just now, everyone was worried about me!"

A bag of purple gold spirit coins, more than a hundred in total. Even ordinary sects don't have this kind of generosity!

Wei Qing took the purple gold spirit coin with trembling hands and nodded, "Okay, I'll give them some right away!"

The other fellow disciples were all excited and kept praising Chen Ping!

Some of them wanted to kowtow to Chen Ping. After all, many of them were outer disciples with low status. Not to mention having so many spirit coins, they had never even seen them before!

It's like going from a beggar to a millionaire all of a sudden!

The reason why Chen Ping did this was to win people's hearts so that he could move freely in Zi Yan Sect!

"Junior brother, this is the first time I've seen a man like you. You are powerful, rich, and humble."

"You don't know, I was so scared just now. I thought you were going to die."

Qian Xiu took Chen Ping's hand and said with concern!

Qian Xiu's hands were soft and boneless, constantly rubbing Chen Ping!

When Wei Qing saw this, although he felt a little unhappy, he secretly liked Qian Xiu, but now that Qian Xiu treated Chen Ping like this, Wei Qing could only watch and dared not say anything!

You know, compared to women and money, Wei Qing likes money more!

It was impossible for him to offend Chen Ping for Qian Xiu, not to mention that it was Qian Xiu who took the initiative to seduce Chen Ping!

Chen Ping pulled his hand back and said, "Senior sister, I will need your care in Ziyan Sect in the future!"

"Don't worry, Junior Brother. If you have any problems in Ziyan Sect in the future, just come to me."

"If I can't do it, then let Senior Brother Wei Qing step forward. We won't agree to anyone who dares to bully me!" Qian Xiu said, patting his chest!

"Yes, if we don't agree, we will just follow Junior Brother from now on!"

Everyone said in unison!

"Thank you very much, senior sister!" Chen Ping smiled slightly when he saw the look on everyone's faces!

"Junior brother, you just arrived, and there should be no place to rest yet. There are many disciples in Elder Yu's mansion, and there may be no empty rooms."

"If you don't mind, I'll take you to my place. My master is locked up now, and I have the final say in the entire mansion."

"Besides, I can always talk to my junior brother..."

Qian Xiu actually wanted to call Chen Ping to live with her!

This was already a blatant seduction, but no one else laughed at Qian Xiu!

After all, if they were women, they would throw themselves into the arms of a man like Chen Ping without hesitation!

“Junior Sister Qian, I can give up my room so that Junior Brother can rest. You don’t need to worry about it.”

“I guess the master will be back soon. When he comes back, he will definitely talk to me. It will not be convenient for him to go to your place.”

Wei Qing stopped Chen Ping from going!

### **A Man Like None Other Chapter 3962-“Hmph, stingy...”**

Qian Xiu gave Wei Qing a cold look!

At this time, Elder Yu came back. Seeing Elder Yu coming back, Qian Xiu hurried forward and said, “Elder Yu, I wonder if my master’s matter was mentioned in this council meeting?”

“He just said a few words to Master Huo, but he has to be imprisoned for thirty years. This is too severe!”

“We can’t do anything about this matter. Huo Yuanting is very determined. But we will still plead for mercy to Elder Hu. You guys go back first.” Elder Yu said!

Qian Xiu nodded, then left with several disciples!

After Qian Xiu left, Elder Yu asked Wei Qing to take his men away as well, leaving only Elder Yu and Chen Ping in the hall!

“If you make such a big noise, someone will notice you.”

“Learn to be more low-key in the future, so that no one will find out!”

Elder Yu reminded Chen Ping!

“Don’t worry, I know my limits!”

Chen Ping nodded!

Elder Yu did not ask about Chen Ping's identity, nor did he ask about Chen Ping's strength!

Since the money has been collected, Elder Yu also knows that he should ask what he should ask and not ask what he shouldn't ask!

This is a matter of principle!

Take money from others and help them get rid of their troubles. Only in this way will there be more cooperation in the future!

Nowadays, there are constant internal struggles in Zi Yan Sect, and Huo Yuanting is eliminating dissidents. Elder Yu doesn't know how long he can stay in Zi Yan Sect.

Taking advantage of this time, making a lot of money is the most important thing!

"It's good to be sensible, but you have to be careful. Liu Shitong is not a generous person."

"You still have to pass the inner sect's disciples. Now you have to go to the Cliff of Repentance to practice hard for a month. It has just been announced. I don't know if you need to go!"

"I will try my best to persuade you. Don't go to the Cliff of Repentance. It's called a place for hard training, but it's actually a place for brainwashing. It might turn people into fools."

Elder Yu said to Chen Ping!

"Practice hard for a month?" Chen Ping was stunned when he heard it. He didn't have time to waste a month here!

What's more, he had a bet with Mu Qing, so it was impossible for him to stay in Zi Yan Sect for a month!

"Elder Yu, I am now an inner sect disciple, and I hope you can arrange for me to meet the old sect master as soon as possible."

Chen Ping said!

"I will arrange it, but Huo Yuanting is keeping a very strict watch on the old master. Even the descendants of the old master's family find it very difficult to meet him now."

"Don't worry. If possible, I'll let you meet the old sect master's daughter first. If the old sect master's daughter knows how to transcend the calamity with fire, you don't have to meet the old sect master."

“Finish your business and leave Zi Yan Men as soon as possible, otherwise it will be very troublesome if you are targeted by others!”

Elder Yu also didn't want Chen Ping to stay in Zi Yan Sect for too long. After all, if the people he brought in for money were found out, it would be difficult for him to deal with them!

“Okay, I'll follow the elder's instructions!”

Chen Ping nodded.

Now that he is here, Chen Ping can only listen to Elder Yu, otherwise Chen Ping will not recognize the old sect leader even if he sees him!

Elder Yu left, and Wei Qing walked in, very curiously asking: “Junior brother, what did the master say to you?”

“Nothing. Master told me to keep a low profile, and he also wanted me to meet the old sect master's daughter.”

Chen Ping smiled slightly and said!

“What? Master asked you to see Senior Sister Zhu Ling?”

Wei Qing's eyes were full of surprise: “Junior brother, you don't know that Senior Sister Zhu Ling is a rare beauty. She usually stays at home and rarely goes out. Even among the disciples of Zi Yan Sect, not many people have seen her.”

“I heard that if a man is looked at by her, his soul will be seduced away. I have never had the chance to see it.”

“I didn't expect that Master would ask you to go see her just after you entered the inner gate. I want to see her too!”

**A Man Like None Other Chapter 3963**-“Senior Sister Zhu Ling? Could she be the old sect master's daughter?”

Chen Ping asked doubtfully!

“Yes, this is our old sect master's only daughter. She has inherited the old sect master's true teachings. Many sects and noble families in the Central Region wanted to propose marriage, but they were all rejected by Senior Sister Zhu Ling.”

“I heard that Senior Sister Zhu Ling doesn’t like any man, and there are rumors that she is a lesbian and only likes women...”

Wei Qing lowered his voice and spoke softly to Chen Ping!

After hearing this, Chen Ping couldn’t help laughing!

Because she is aloof and looks down on men, rumors spread that she is a lesbian.

What is the logic?

“Brother, I’m a little tired and want to take a rest. You should take me to a resting place!”

Chen Ping doesn’t want to listen to Wei Qing’s gossip anymore!

As for whether Zhu Ling is a lesbian, Chen Ping doesn’t care at all, it has nothing to do with him!

“Okay, I’ll take you there and you can stay in my room!”

Wei Qing nodded!

Wei Qing took Chen Ping to his own courtyard. Because Wei Qing was a deacon disciple, unlike ordinary inner disciples, he had his own separate courtyard!

Although the courtyard is not big, it is very exquisite. There are many magical flowers and herbs planted in the courtyard, and the spiritual energy is very rich!

Moreover, there are formation patterns around the courtyard, which were also set up by someone!

It is estimated that when you reach the level of deacon disciple, you can enjoy benefits that ordinary disciples cannot enjoy!

“Brother, although my courtyard is not as good as Liu Shitong’s, it is still pretty good among the deacons and disciples of Zi Yan Sect. You can live here, and I will go outside to live with other brothers!”

Wei Qing said!

“Brother, there are several rooms in this yard, enough for the two of us to live in. Why do you still want to go outside? Just live together!”

Chen Ping said!

“Junior brother, although there is a room, living together will inevitably cause disturbances and affect your cultivation. It is also good for me to live with other junior brothers.”

Wei Qing smiled and then walked out!

Chen Ping didn't say much, then closed the door and took a rest!

Chen Ping took out the two kinds of ultimate fire that he had just absorbed and refined, and began to temper them!

Especially the top-secret fire of Zi Yan Men. Because Liu Shitong didn't have much fire on him, and Chen Ping absorbed it secretly after separating it, it was very weak.

Chen Ping slowly nourished and tempered the two kinds of ultimate fire, causing the two kinds of ultimate fire to slowly become stronger!

The five kinds of ultimate fire make Chen Ping's fire stars exceptionally bright!

As Chen Ping waved his hand gently, five kinds of supreme fire jumped out beside Chen Ping. The supreme fires of various colors were flashing with light, and the aura of each supreme fire was completely different!

For a moment, Chen Ping's body was illuminated by the fire in various colors, and from the outside, it looked like the room was lit up with colorful lights!

Chen Ping circulated the ultimate fire and then let it flow through various parts of his body. Then Chen Ping relaxed his mind and let the ultimate fire burn his body!

Chen Ping was planning to use the ultimate fire to temper his body. When he was fighting with Liu Shitong, the reason why Chen Ping was not afraid of Liu Shitong's ultimate fire was because he possessed the extremely cold ice flame, so Chen Ping was not burned!

It's not that Chen Ping's body is not afraid of the ultimate fire, so Chen Ping plans to use the ultimate fire to temper his body. If he can achieve a body that is not afraid of the ultimate fire, that would be really awesome!

However, Chen Ping had just relaxed and let himself be burned by the fire. The severe discomfort made Chen Ping almost cry out!

This kind of body tempering by extreme fire has no defense at all, it is just like throwing an ordinary person into a fire!

Chen Ping could not use his spiritual power to form a protection, nor could he use other skills to offset the power of the fire!

All Chen Ping needs to do is grit his teeth and persevere. Only after going through the most severe tempering can Chen Ping's body become fearless of fire!

Chen Ping gritted his teeth and felt like his body was about to be burned!

**A Man Like None Other Chapter 3964**-Cold sweat was pouring down my body, and my eyes were red!

Although in pain, Chen Ping didn't say a word!

The tempering of the physical body is the most painful thing, so for many cultivators, no matter how high their realm is, only the aura of their skills becomes more sophisticated!

The physical body is still as fragile as before. After all, few cultivators would temper their physical bodies!

But Chen Ping is different. Chen Ping has been tempering his body from the very beginning. As his realm improves, the tempering of Chen Ping's body has continued!

Although every time is very painful, the rewards are also huge!

Since Chen Ping's body is not destroyed, he does not need to reshape his body or revive through another corpse like other cultivators!

I don't know how long it took, but Chen Ping could no longer feel the heat!

At this moment, the bones in Chen Ping's body had already become as crystal clear as jade, and his body exuded the aura of an ancient sage from the inside out!

"You kid, cultivation is not like this. Whether it is tempering the body or practicing the skills, it must be done gradually."

"You have been using the ultimate fire to temper your body for a whole day and night. If your body was not strong enough, it would have been burned to ashes. Maybe even your soul would have been burned to ashes!"

"If your soul is burned away, where do you want me to go? You've made me live in fear for a whole day and night!"

Demon Lord Chiyun said to Chen Ping with some anger!

"one day one Night?"

Chen Ping was surprised. He didn't expect that he would have to temper himself for such a long time!

"While I am tempering my body, no one will come to disturb me, right?"

Chen Ping asked hurriedly!

It would be troublesome if people found out that he actually possessed five kinds of ultimate fire, especially since he possessed the ultimate fire of Zi Yan Sect and even the top-secret ultimate fire of Zi Yan Sect. If this were discovered, Chen Ping would have no way to defend himself!

"Don't worry, no one has come. They probably think you need a few days of rest to recover."

The Red Cloud Demon Lord said!

"That's good!" Chen Ping breathed a sigh of relief!

Then I walked out of the room and saw that it was already late!

The bright moonlight sprinkled on Chen Ping's body, making him appear to have a faint white glow!

This is the result of tempering the body with extreme fire!

"This desert area in the Central Region has a very high temperature during the day, but I didn't expect it to be so mild at night."

Chen Ping felt the moonlight and the breeze, and felt indescribably comfortable all over!

Slowly walking out of the courtyard gate, Chen Ping planned to take a good look around Zi Yan Gate!

He is now an inner sect disciple, so he can go to all these inner sect places.

There were no disciples guarding the inner gate, so Chen Ping could walk around freely and no one stopped him!

Soon, Chen Ping unknowingly walked to a quiet courtyard!

However, there was a large amount of spiritual energy rising from this courtyard, and this spiritual energy was even mixed with fairy energy!

"This courtyard is much better than Senior Brother Wei Qing's!"

Chen Ping took a look and actually pushed the door open and walked in!

I saw various fairy trees and plants growing in the courtyard, and in the middle of these plants was a spirit pool filled with spiritual liquid and emitting white mist!

The spiritual energy turns into mist, which is enough to show how rich the spiritual energy in the spirit pool is, and there is also some fairy energy mixed in this spirit pool!

“Whose courtyard is this? There’s a spirit pond there. What a luxury!”

Chen Ping thought to himself, then looked around, but didn’t see anyone!

I couldn’t even detect the presence of anyone!

“Since no one lives here, I might as well take a bath in this spirit pond!”

As Chen Ping spoke, he began to take off his clothes and finally jumped into the spirit pool!

A large amount of spiritual mist wrapped around Chen Ping, making him feel comfortable all over!

Chen Ping activated the Concentration Heart Technique without hesitation, and a large amount of spiritual energy and immortal energy was absorbed by Chen Ping!

Since Chen Ping has discovered this spiritual pool, he will not be polite!

You must know that Chen Ping’s advancement to a small realm requires a lot of resources, and Chen Ping needs to make use of all available resources!

**A Man Like None Other Chapter 3965**-Chen Ping lay quietly in the spirit pool, the moonlight shining on his body, and Chen Ping’s body almost became translucent!

Around Chen Ping’s body, countless small whirlpools continuously absorbed the spiritual energy from the spirit pool!

The thick spiritual mist was visibly decreasing!

If someone saw Chen Ping’s absorption speed, they would probably be shocked!

Just as Chen Ping closed his eyes slightly, his body floated in the spirit pool, absorbing the spiritual energy, feeling extremely comfortable!

Several bubbles emerged from the bottom of the water, and then a girl with long hair emerged from the water!

The girl's skin was as smooth as mutton-fat jade, without a single flaw, as if it had been soaked in milk!

“Why does the spiritual energy in this spiritual pool dissipate so quickly?”

The girl was full of confusion, she emerged from the water and looked around!

But when she set her eyes on Chen Ping, she was stunned for a moment, her mouth opened wide, her eyes widened, and she looked completely dumbfounded!

At this time, Chen Ping was floating naked on the spirit pool, and his body, illuminated by the sunlight, was emitting a faint white light!

Chen Ping's entire body was exposed to the girl's eyes!

But Chen Ping didn't know it at all and still closed his eyes and enjoyed it!

“ah.....”

Accompanied by the girl's scream, Chen Ping was so scared that he opened his eyes!

Chen Ping quickly looked up and saw the naked girl!

The two people looked at each other!

The two strangers, a man and a woman, were actually being frank with each other at this moment. The atmosphere was both awkward and subtle!

Chen Ping looked at the girl's jade-like skin and graceful figure, and his heartbeat began to accelerate!

You should know that there is no shortage of women around Chen Ping, and there is no shortage of beautiful women.

Now Chen Ping can remain calm when facing women!

But at this moment, Chen Ping's heartbeat began to accelerate and his breathing became heavy!

Because this girl's skin is so good, her whole face looks like it was deliberately carved!

Among the women around Chen Ping, the only one whose skin could compare with the girl in front of him was probably Ji Ruxue!

But Ji Ruxue is in the secular world, and Chen Ping hasn't seen her for several months!

"Rogue, bastard..."

After a brief eye contact, the girl suddenly sank into the water and slapped Chen Ping!

Chen Ping leaped straight onto the shore, grabbed his clothes and put them on while running!

At this moment, Chen Ping was afraid that he would not be able to explain himself clearly no matter how hard he tried!

Late at night, he ran into someone else's yard, took off all his clothes and jumped into the spiritual pond to take a bath!

There's no point in saying this!

Chen Ping ran away and the girl did not chase him!

Chen Ping finally breathed a sigh of relief after returning to his own courtyard. Fortunately, no one saw him. It would have been so embarrassing if someone had thought he was a pervert!

Forget about learning any fire fusion technique, I'm afraid I can't stay in Zi Yan Sect anymore!

But when he thought of the girl's figure and skin, a smile appeared on Chen Ping's lips!

Even though I saw it unintentionally, I still saw it after all!

"Junior brother, it's so late and you haven't rested yet. Were you also woken up?"

At this time, Wei Qing came over and asked Chen Ping!

Seeing Wei Qing asking this, Chen Ping immediately reacted and nodded, "Well, I just heard some noise, so I came out to take a look!"

"I don't know who it is, but he was yelling so loudly in the middle of the night. I will find out tomorrow and punish him severely!"

Wei Qing said angrily!

"Brother, maybe you are too depressed. Let's vent your emotions at night. I don't think you need to be so strict."

Chen Ping said hurriedly!

He didn't want Wei Qing to investigate tomorrow. If he found out what was going on, how would he stay here?

"Junior brother, I didn't expect you to be rich, powerful, and kind-hearted. Good men like you are rare!"

Wei Qing praised Chen Ping!

**A Man Like None Other Chapter 3966**-“I'm afraid there aren't many men like my junior brother in the entire world of celestial beings!”

At this time, Qian Xiu walked in!

Seeing that it was Qian Xiu, Wei Qing was stunned and asked, “Junior Sister Qian, why are you here so late at night instead of staying in your own residence?”

“Brother, I came to see how Junior Brother is recovering. I also brought him some fruit!”

As he spoke, Qian Xiu took out a few bright red spiritual fruits from his arms!

You know, it is very difficult to eat fruits in a desert place like Zi Yan Men, let alone these are spiritual fruits!

“Junior Sister Qian, you...did you steal Elder Hu's spiritual fruit?”

Wei Qing looked at those spiritual fruits and said in surprise!

“How can it be considered stealing? Now that my master has been imprisoned for thirty years, I have the final say over the entire mansion, and these things are distributed by me.”

“I was worried that Junior Brother wouldn't be able to recover, so I brought it to him!”

“Little Junior Brother, eat quickly. Only elders can see this kind of thing!”

Qian Xiu handed some spiritual fruits to Chen Ping!

Chen Ping was not polite: “Thank you, Senior Sister!”

“Why are you being so polite to me, Senior Sister? Just tell me what you want and I will satisfy you!”

Qian Xiu said with a smile!

This made Wei Qing standing by so envious that he almost cried!

Chen Ping was also speechless. He could see that Qian Xiu wanted to sleep with him!

But Chen Ping didn't have any feelings for Qian Xiu!

Although Qian Xiu is good-looking and can be considered a beauty, she is still not as good as the women around Chen Ping!

If compared with the girl I just saw in the spirit pond, she is even worse!

"Brother, did you know that Huo Dong is back today?"

Qian Xiu said to Wei Qing!

"What? Why is he back? Wasn't he expelled from the sect?"

Wei Qing asked with a puzzled look!

"Who knows? Now that his father is the sect leader, he must have called him back."

"Besides, Liu Shitong was almost beaten to death by Junior Brother. Master Huo must find a capable helper!"

Qian Xiu said!

"Brother, who is this Huo Dong?"

Chen Ping asked curiously!

"This Huo Dong is the son of Sect Master Huo. He was kicked out of the sect and no one knows where he went."

"I didn't expect you to be back now!"

Wei Qing explained!

"Why was he kicked out of the sect?" Chen Ping was puzzled. After all, Huo Yuanting was an elder before, so why was the elder's son kicked out of the sect?

"Little Junior Brother, you don't know that Huo Dong is a big pervert. Many female disciples in the sect were abused by him at that time."

"As a result, there were fewer and fewer female disciples in Ziyan Sect. However, because his father was an elder, no one cared about him."

“But I didn’t expect this guy to be so bold and actually attacked Senior Sister Zhu Ling. He almost raped Senior Sister Zhu Ling. Fortunately, he was discovered.”

“When the old sect master saw that his daughter was almost raped, he was furious and wanted to kill Huo Dong. However, after several elders pleaded for him, he expelled Huo Dong from the sect!”

“Now that the old sect leader has abdicated and Huo Yuanting has become the sect leader, he unexpectedly called his own son back. This time, the female disciples in the sect are going to be in trouble again.”

Wei Qing sighed and said!

After Wei Qing finished speaking, Chen Ping couldn’t help but look at Qian Xiu. After all, Qian Xiu was also a female disciple!

Seeing Chen Ping looking at him, Qian Xiu hurriedly explained: “I have never been touched by Huo Dong, I am still innocent!”

“Junior Sister Qian has never been touched. Elder Hu was watching her closely at the time, so Huo Dong couldn’t find any chance to make a move.” Wei Qing also hurriedly said!

“Senior Sister Qian, now that Huo Dong is back, you have to be careful. Elder Hu is locked up now, and there’s no one to take charge of you. If Huo Dong messes up, can you beat him?”

Chen Ping reminded Qian Xiu!

**A Man Like None Other Chapter 3967**-Upon hearing this, Qian Xiu shook his head and said, “When Huo Dong left, he had already reached the eighth level of the Tribulation Realm. I don’t know how much he has improved to now.”

“If he does something wrong, I will just commit suicide. Even if I die, I can’t let him ruin me.”

When Qian Xiu said this, her face was full of determination, and it was obvious that if the moment really came, she would really dare to commit suicide!

“Senior Sister Qian, even if you committed suicide, if Huo Dong is still interested in your corpse, wouldn’t that be.....”

Chen Ping didn’t finish his words, he believed Qian Xiu knew what he meant!

Qian Xiu's face turned very ugly. She had never thought about this matter!

It's impossible for Huo Dong to be so perverted, right?

But no one can tell!

Qian Xiu is in trouble!

"Junior Sister Qian, if Huo Dong causes you trouble, tell me and I will protect you!"

Wei Qing looked at Qian Xiu's embarrassment and quickly expressed himself!

"Senior brother, can you beat Huo Dong?" Qian Xiu asked!

"I....."

Wei Qing was speechless. Of course he couldn't win!

"Sister, why don't you come live with me? If he comes here to cause trouble for you, I won't let him leave this door."

Chen Ping said to Qian Xiu!

When Qian Xiu heard this, he nodded excitedly: "Okay, okay, I'll sleep with my junior brother, I'll go get the bedding now..."

After Qian Xiu finished speaking, she ran to get the bedding!

Chen Ping looked at Qian Xiu and gave a bitter smile. He really just wanted Qian Xiu's safety, so he asked her to sleep here!

There is absolutely no other meaning, but Qian Xiu probably doesn't think so!

Wei Qing also looked at Chen Ping with envy: "Little Junior Brother, you actually don't know that Junior Sister Qian is usually quite aloof, but now in front of you, she has become a little fangirl!"

"You are blessed tonight, enjoy it, I won't disturb you!"

"Senior Brother, you misunderstood. I am really just worried about Senior Sister Qian's safety. I don't have any other thoughts, and I will not touch Senior Sister Qian." Chen Ping hurriedly followed Wei Qing to explain!

"Okay, you don't have to explain. Even if you don't have any ideas, can you guarantee that Junior Sister Qian doesn't have any ideas?"

“Look at her, she might eat you tonight, so take care of yourself!”

After Wei Qing finished speaking, he turned and left!

Soon Qian Xiu came with bedding and pulled Chen Ping into the room without saying a word!

Chen Ping hurried into the room and closed the door!

“Senior Sister Qian, there is a room next door. You should go over there and sleep there. I am used to sleeping alone!”

Chen Ping doesn't let Qian Xiu enter his room!

Qian Xiu tried to persuade Chen Ping for a long time, but seeing that Chen Ping was unmoved, she could only go to the next room angrily!

Seeing Qian Xiu went to the next room, Chen Ping finally lay down on the bed and fell asleep peacefully!

At this time, in the residence of the leader of Zi Yan Sect!

Several disciples of Zi Yan Sect were standing in front of a tall building!

Inside this building, Huo Yuanting was sitting in the main seat in the hall, and below him sat several elders, all of whom were from his lineage!

These elders all followed him, so Huo Yuanting summoned them late at night!

However, the say of these elders in Zi Yan Sect is not as important as that of Elder Yu and Elder Hu!

After all, Elder Yu, Elder Hu and others were all highly respected elders of Zi Yan Sect, and they were trained during the time of the old sect master!

Moreover, Elder Yu, Elder Hu and the others have the same status in Zi Yan Sect as before Huo Yuanting!

It's just that Huo Yuanting used some tricks to make the old sect leader abdicate, and he became the sect leader. His status was lower than that of Elder Yu and Elder Hu!

This is also the reason why Elder Hu would contradict him and refuse to submit to him as the sect leader!

Today, Huo Yuanting summoned several elders under his command to discuss how to consolidate his position!

**A Man Like None Other Chapter 3968**-Behind Huo Yuanting was Huo Dong, who had long been expelled from the sect. At this moment, Huo Dong was wearing a black brocade robe and a jade crown on his head. He had deep eyes and a look of arrogance on his face.

Even though he was expelled from the sect, even when facing these elders, Huo Dong remained expressionless!

“Master, now that you hold great power and have welcomed the young master back, anyone who disobeys you can be locked up directly, just like Elder Hu, who was locked up for thirty years.”

At this time, a thin elder stood up and flattered Huo Yuanting!

“Yes, now the entire Ziyang Sect is under the control of Sect Master Huo. Even if Elder Yu and the others are unhappy, they dare not do anything. Do they dare to rebel?”

Another elder agreed!

After hearing this, Huo Yuanting did not say anything, but looked at the last elder, who had a bloated figure and slightly closed eyes!

“Elder Tian, do you have any comments?”

Huo Yuanting asked!

Elder Tian then slowly opened his eyes and said, “As long as the Divine Fire Seal is not obtained, Sect Master Huo’s position will not be stable. Although the old Sect Master abdicated due to illness, he still has a daughter.”

“If the Divine Fire Seal falls into Zhu Ling’s hands, I’m afraid there won’t be many people in the entire Zi Yan Sect who will obey Sect Master Huo.”

“Moreover, the young master was expelled from the sect, and now he has been welcomed back by the sect master. Many people will have complaints in their hearts, and these resentments are bound to explode at some point.”

Elder Tian’s words made everyone shut up!

Huo Yuanting also had a solemn expression on his face. He knew how he got the position of the sect leader.

The old sect leader was secretly drugged by him and became a little crazy. He would have attacks from time to time, so he had to abdicate!

Although he is the sect leader now, he is only the acting sect leader and has not really secured the position of sect leader!

If you want to secure the position of the sect leader, you must obtain the Divine Fire Seal before you can command the Zi Yan Sect!

This Divine Fire Order is like the imperial seal!

Only when you get this thing can you be considered legitimate!

“Old man Zhu placed the Divine Fire Seal into the Divine Fire Mountain many years ago. I guess he wanted to prevent anyone from coveting the position of the sect leader.”

“Now he is often crazy and can’t even open the Divine Fire Mountain. How can we get the Divine Fire Seal?”

Huo Yuanting sighed softly!

“Master, Elder Cui can use the array to open the God Mountain Fire, but this guy is stubborn and won’t listen to us.”

The thin elder said!

“There is no need to beg Elder Cui. As long as the sect master convenes a meeting of elders and all the elders agree to open the Divine Fire Mountain, Elder Cui will have no choice but to open it. Can he dare to violate the sect’s rules?”

An elder said!

“That’s easy to say. How could Elder Yu and the others agree to it? They are probably thinking about how to push Zhu Ling to the top.”

The thin elder retorted!

“Okay, stop arguing. We’ll talk about the elders’ decision in a few days. But you all must raise your hands to agree to my son Huo Dong’s return to the sect.”

“As for other people’s objections, I will just pretend I don’t see them. There is no room for negotiation on this matter anyway!”

Huo Yuanting knocked on the table and said!

“Dad, I’m going back to the sect only to help you secure your position in the sect. I don’t want to stay in the sect at all. The world outside is more exciting.”

“And when I come back this time, I must kill Zhu Ling. It was because of her that I was kicked out of the sect.”

“As long as Zhu Ling becomes my woman, no one in the entire Zi Yan Sect will be a threat to you.”

Huo Dong raised the corner of his mouth slightly and said with his eyes slightly focused!

“Young Master, you must not be impulsive. I heard that Zhu Ling does not go out all day and has been practicing. It is estimated that her strength has reached the ninth level of the Tribulation Realm.”

The thin elder hurriedly persuaded Huo Dong!

**A Man Like None Other Chapter 3969**-He just came back and he's already playing with the old sect leader's daughter. This is not a good thing!

If things go wrong, the internal strife within the Zi Yan Sect might get out of control!

“Hahahaha, the ninth level of the Tribulation Realm is nothing!”

Huo Dong laughed loudly, and his aura suddenly burst out, and black flames continued to burn around Huo Dong's body!

“The ultimate fire of the demon race?”

Everyone was shocked, except Huo Yuanting, who had no expression on his face. It seemed as if he had known for a long time that Huo Dong had practiced magic!

Immediately afterwards, the supreme fire around Huo Dong's body turned brown and then into light purple. As the supreme fire changed, Huo Dong's aura continued to rise!

“The peak of the Tribulation Realm?” All the elders were stunned!

None of them expected that Huo Dong, who had left the Tribulation Realm at the eighth level, had actually reached the peak of the Tribulation Realm after returning!

With just a small opportunity, Huo Dong would be able to become a master of the Mahayana realm!

It was simply incredible, especially since Huo Dong's body actually possessed three kinds of ultimate fire!

“My elders, with my strength, if I want to play with Zhu Ling, no one will stop me, right?”

Huo Dong smiled faintly!

Everyone was silent. With this kind of strength, even Elder Yu would not be able to stop him!

“In fact, there is another reason why my son came back this time, and that is to use the Divine Fire Seal as an opportunity to break through the Tribulation Realm and ascend to the level of a Mahayana master.”

“So in the next few days I will find a way to open the Divine Fire Mountain and expose the Divine Fire Seal.”

Huo Yuanting said!

At this moment, everyone understood why Huo Yuanting suddenly called Huo Dong back from outside!

If the Divine Fire Seal could be used as an opportunity to allow Huo Dong to break through the Tribulation Realm and advance to the Mahayana Realm, then it would truly be worth it!

“Master, I have an idea that I think will get Elder Yu and the others to agree to open the God Mountain Fire.”

Elder Tian spoke!

“What idea?” Huo Yuanting asked with interest!

Elder Tian has always been considered Huo Yuanting’s think tank, which is why Huo Yuanting specifically asked Elder Tian at the beginning!

Moreover, Elder Tian dared to close his eyes and pretend to sleep in front of Huo Yuanting, all because of his brain!

Elder Tian’s strength is not that high, but he is very smart!

In the world of celestial beings, strength is respected, and many people practice desperately, which results in low IQs!

Anyone with a little bit of brains can become a think tank!

“Master, Elder Yu and others have been dissatisfied with Elder Hu being imprisoned for thirty years.”

“We can use Elder Hu as a bargaining chip. As long as Elder Yu and others agree to open the Divine Fire Mountain, we can release Elder Hu and not lock him up for thirty years.”

“If they don’t agree, then keep them locked up. These elders from the old sect master’s lineage have a deep friendship. I think they will definitely agree for Elder Hu.”

Elder Tian analyzed carefully!

“Yeah, why didn’t I think of that?”

Huo Yuanting slapped the table and stood up, his face full of excitement and said: “Then use this method. If Elder Yu and others don’t agree, I will lock Elder Hu up for a few more decades to see if they agree!”

“Father, I heard that Elder Yu accepted a new disciple. In the inner sect martial arts test, he defeated Liu Shitong and even asked Liu Shitong to call him big brother?”

Huo Dong asked Huo Yuanting!

“Yes, I don’t know where this guy found this disciple from. He looks like he is only at the fourth level of the Tribulation Realm, but in the end he actually defeated Liu Shitong.”

“In the end, Liu Shitong sacrificed the Black Demon Lotus and exposed our Purple Flame Sect’s top-secret Ultimate Fire, but he still couldn’t defeat that guy.”

“That guy doesn’t seem to be afraid of fire, how strange.”

When Huo Yuanting mentioned this matter, his brows furrowed!

His most proud disciple was defeated, but he still called him “big brother”. How shameful!

The main thing is that Chen Ping is not afraid of fire, which makes Huo Yuanting very strange!

**A Man Like None Other Chapter 3970**—“Not afraid of fire?” Huo Dong also frowned: “Could it be that the guy is a real fire tyrant?”

“How is that possible? A True Fire Tyrant Body requires ten kinds of fire tempering, and one must be able to endure it to develop a True Fire Tyrant Body.”

“That guy obviously can’t be a True Fire Tyrant. I suspect he has some treasure that can restrain the fire.”

Huo Yuanting shook his head and said!

Huo Yuanting was right, Chen Ping did not have a true fire body, he just used his own extremely cold ice flame to protect his body!

If someone with stronger fire than Chen Ping comes and directly breaks through Chen Ping's extremely cold ice flame, there is no way Chen Ping will not be burned to death!

"I'll meet this guy sometime."

Huo Dong is very interested in Chen Ping!

"Son, you need to keep a low profile these days. If a conflict arises and we can't get Elder Yu and the others to agree to open the God Mountain Fire, it will be troublesome."

Huo Yuanting reminded!

"I understand!" Huo Dong nodded!

The secret meeting lasted until midnight before it was disbanded!

Elder Yu and the others had no idea about the secret meeting that Huo Yuanting had convened in the middle of the night!

The next morning!

Wei Qing arrived at Chen Ping's courtyard very early. He wanted to see if Chen Ping had slept with Qian Xiu!

However, when he saw Chen Ping and Qian Xiu coming out of two different rooms, he felt a little happy in his heart!

It seems that Chen Ping is really a gentleman. He didn't take the opportunity to sleep with Qian Xiu!

"Brother, why are you here so early?"

When Chen Ping saw Wei Qing, he asked in confusion!

What was Wei Qing doing here so early in the morning?

"Junior brother, Master asked me to come find you. He wants to take you to meet Senior Sister Zhu Ling!"

Wei Qing said!

When Chen Ping heard this, he nodded happily!

If Chen Ping could learn the method of ultimate fire fusion from Zhu Ling, he wouldn't have to stay in Zi Yan Sect in hiding!

"You want to take Junior Brother to see Senior Sister Zhu Ling?"

When Qian Xiu heard this, he was surprised!

"Yes, my master wants to take me there. Not everyone has this opportunity. I really envy you, my brother."

Wei Qing said!

Qian Xiu stopped talking, but it was obvious that she didn't look very well!

Because she knew that compared to Zhu Ling, she was far inferior!

If there were no comparison, Zhu Ling could still slowly seduce Chen Ping!

But if Chen Ping were to meet Zhu Ling, I'm afraid he would only think about Zhu Ling and would not even look at Qian Xiu!

Chen Ping also saw what Qian Xiu meant, but he didn't say anything, because he really had no feelings for Qian Xiu!

You can't just sleep with her just to please Qian Xiu without any feelings at all!

After all, she is still a grown girl, it is irresponsible to do this!

Chen Ping followed Wei Qing to meet Elder Yu!

After meeting Elder Yu, Elder Yu said, "I have already greeted them. I will take you to meet your Senior Sister Zhu Ling today."

"Wei Qing, come along too. It seems like you haven't met your senior sister Zhu Ling yet!"

"What? I can also meet Senior Sister Zhu Ling? That's great!" Wei Qing shouted excitedly!

Seeing Wei Qing's disgraceful look, Elder Yu hurriedly coughed twice!

This is so embarrassing!

Only then did Wei Qing put away his excitement and tried hard to control his emotions!

The two followed Elder Yu out of the mansion and headed towards the depths of the Zi Yan Sect!

The deeper you go into Zi Yan Sect, the stricter the security becomes, and the disciples are all very powerful!

“Junior brother, even if you are an inner sect disciple, you can’t easily get in here.”

Wei Qing whispered to Chen Ping!

But Chen Ping was a little confused, because he found that he seemed to have walked this road before!

Especially the surrounding buildings, I seemed to have seen them when I was strolling around last night!

“Master, after meeting Senior Sister Zhu Ling, can we meet the old sect master?”

Chen Ping asked!
