

[The Man's Decree]

A Man Like None Other Chapter 3976

A Man Like None Other Chapter 3976—“Senior sister, you should just admit defeat. You are no match for me.”

“If you admit defeat now, perhaps the conditions I propose will not embarrass you.”

“If you keep pestering me, once I win, I’ll make you take off all your clothes and dance in front of me.”

Chen Ping looked at Zhu Ling and persuaded her with a smile on his face!

But in Zhu Ling’s eyes, this smile was just a mockery!

Especially the part where she stripped naked and danced, she thought Chen Ping was humiliating her!

“Don’t be so proud. I haven’t shown my true abilities yet.”

Zhu Ling gritted her teeth and then jumped up!

Zhu Ling’s body leaped into the air, and then she threw the magic sword in her hand. As flames shot up into the sky from the magic sword, a roar sounded!

A giant dragon with flames burning all over its body and a bloody mouth appeared!

Just now it was a spirit snake, and this time it turned out to be a fire dragon!

Each time is more clever than the last!

Seeing this, Chen Ping’s face finally showed a trace of solemnity!

If Chen Ping did not hide his identity and directly unleashed the power of the dragon to make the golden dragon appear, Zhu Ling’s transformed fire dragon would be completely vulnerable!

But Chen Ping cannot be exposed. If he unleashes the power of the dragon, his identity will no longer be concealed!

In the entire heaven and human world, he is the only one who can unleash the power of the dragon and make the golden dragon appear!

Chen Ping swung the branch in his hand with all his strength, and a beam of white light went straight towards the fire dragon!

However, the moment the branch collided with the fire dragon, it turned into powder!

After all, it was just a branch. Although Chen Ping had injected spiritual power and a trace of extremely cold ice flame into it, it was still a branch!

Seeing the branches turn into powder, Zhu Ling's mouth curled up!

He wanted to make Chen Ping regret having to fight with him using only a branch!

The fire dragon roared, and its claws burning with flames slapped directly towards Chen Ping!

Wei Qing and Elder Yu were both shocked when they saw this scene. Elder Yu began to exude his aura, ready to stop it at any time!

But Chen Ping showed no fear at all. Even though he had no branches, Chen Ping just slapped out with his palm, and it collided with the fire dragon's claws!

There were also flames on Chen Ping's palms, and even in the flames, one could clearly see flashes of lightning!

Chen Ping used the Thunder Palm, but he did not fully display it. He did not want to expose too much to the Zi Yan Sect!

After Chen Ping's palm collided with the fire dragon, they all retreated!

Seeing this scene, Elder Yu, who was originally planning to take action, suppressed his breath again!

He also didn't expect that Chen Ping didn't use any weapons and actually fought the fire dragon with his bare hands!

And it looks like he didn't suffer any harm!

It was just that when Chen Ping's palm strike just now occurred, there was a flash of lightning in the burning flames, and Elder Yu saw it clearly!

"This boy actually knows the art of thunder and lightning. It seems that he really has hidden a lot of things."

Elder Yu was even more interested at this moment!

Although Elder Yu loved money, he accepted Chen Ping's money and brought him to Zi Yan Sect to meet the old leader and learn the art of fire fusion!

But he is not stupid, and he will not let Zi Yan Men fall into danger!

Elder Yu has been secretly observing Chen Ping's intentions!

If Chen Ping really had intentions of harming Zi Yan Sect, Elder Yu would definitely take action!

You can make money, but there must be a bottom line!

Elder Yu will not earn any money that is detrimental to the Zi Yan Sect!

"Now you know the consequences of looking down on me, right? I allow you to take out your weapon, otherwise the next fire dragon attack will be your death."

Although Zhu Ling was also surprised by Chen Ping's palm, she was very confident that Chen Ping would not be able to block the next attack!

"It's unnecessary to use a branch to deal with you. I can just use my bare hands!"

Chen Ping waved towards Zhu Ling, and his teasing intention was very obvious!

"snort....."

Upon seeing this, Zhu Ling snorted coldly, then her hands were burning with flames, and she kept pinching them, and flames poured into the fire dragon in the air!

In an instant, the flames on the fire dragon became even more intense!

A Man Like None Other Chapter 3977-The flames on the fire dragon were burning fiercely, and it opened its bloody mouth and rushed towards Chen Ping again. Chen Ping was unarmed and looked at the rushing fire dragon quietly!

Until the fire dragon was right in front of him, Chen Ping didn't even have any intention of dodging or fighting back, which made Elder Yu and Wei Qing a little confused!

"Brother, what are you doing?"

Wei Qing shouted loudly!

But at this time, the fire dragon had already swallowed Chen Ping in one gulp and was directly wrapped in flames!

Just when Wei Qing was nervous and ready to help Chen Ping, he was stopped by Elder Yu!

“Don’t worry about it. This little flame may not hurt him.”

Elder Yu finally understood that Chen Ping did it on purpose!

Think about what happened yesterday when Liu Shitong used the Black Magic Lotus, but in the end the flames didn’t hurt Chen Ping at all!

And now Zhu Ling’s extreme fire should not be able to hurt Chen Ping!

Although Elder Yu was more and more confused as to what method Chen Ping used to not be afraid of the extreme fire, he knew that since Chen Ping dared to stand still, he must be confident!

Seeing Chen Ping being swallowed by the fire dragon, Zhu Ling sneered!

“You don’t know what’s good for you, and you dare to ask me for a bet.”

Zhu Ling smiled coldly, looked at Elder Yu and said, “Elder Yu, I have already won. I don’t care whether your disciple lives or dies!”

“Miss, the outcome is still undecided. It’s a bit early for you to say that now.”

Elder Yu said!

“Elder Yu, your disciple has been devoured by my Ultimate Fire. Do you still dare to say that the outcome is undecided?”

“If you don’t save him, your apprentice will be burned to ashes!”

Zhu Ling didn’t understand why Elder Yu dared to say that the outcome was undecided and was not in a hurry to save people?

“Burned to ashes? Can I be burned to ashes so easily?”

At this time, Chen Ping’s voice came from the blazing flames!

Immediately afterwards, the flames around Chen Ping were seen quickly extinguishing, and the fire dragon disappeared without a trace in an instant!

Chen Ping stood quietly in front of Zhu Ling, without any signs of burns on his body!

“This...how is this possible?”

Seeing that her fire dragon disappeared and Chen Ping was not hurt at all, Zhu Ling was a little confused!

“Why not? Your fire is too weak, it can’t hurt me at all!”

“I’m going to fight back now, so you better pay attention!”

After Chen Ping finished speaking, a ball of fire began to dance on his palm!

Seeing the supreme fire in Chen Ping’s palm, everyone looked at it in disbelief, because they could feel the horror of Chen Ping’s supreme fire!

The crimson fire radiates an alarming temperature. Even if there is only a small ball, the temperature around it will rise instantly!

Even the air made a crackling sound due to contact with the fire!

Chen Ping just waved his hand, and the fire started burning around Zhu Ling!

Zhu Ling screamed, but there was no way to escape!

“Stop, don’t hurt the young lady...”

Upon seeing this, Elder Yu hurriedly spoke to Chen Ping!

“Don’t worry, she can’t be hurt.”

Chen Ping smiled, then looked at Zhu Ling and said, “Do you admit defeat? If not, I will let the fire burn off your clothes, leaving you naked in front of everyone.”

When Zhu Ling heard what Chen Ping said, she was so angry that she almost died.

When Wei Qing heard Chen Ping’s words, his face was full of excitement, and he whispered: “Junior brother, burn it, hurry up and burn my clothes...”

If Wei Qing could see Zhu Ling without clothes, he would probably be willing to die!

Although Wei Qing spoke in a low voice, Elder Yu still heard it, so he glared at Wei Qing fiercely, scaring Wei Qing so much that he dared not speak anymore!

“I lost, I give up...”

Zhu Ling said helplessly!

She herself knew that she could not beat Chen Ping, and even Zhihuo was no match for Chen Ping!

Seeing Zhu Ling admit defeat, Chen Ping pulled off Zhihuo and walked towards Zhu Ling!

A Man Like None Other Chapter 3978-But just as he arrived in front of Zhu Ling, a hint of ruthlessness suddenly flashed in Zhu Ling's eyes, and she slapped Chen Ping!

This guy actually attacked Chen Ping!

Chen Ping was stunned, and immediately became angry. He reached out and gently grabbed Zhu Ling's wrist, then used his backhand to control Zhu Ling!

Bang bang bang!

Chen Ping directly hit the bulge on Zhu Ling's back!

The slaps were loud!

"Ah... let me go, let me go..."

Zhu Ling was controlled by Chen Ping and couldn't break free at all.

She didn't expect that Chen Ping would hit her sensitive spots, and she had no ability to defend herself at all!

Wei Qing and Elder Yu were both stunned. None of them had expected that Chen Ping would dare to hit Zhu Ling there!

"You big pervert, let me go, I'm going to kill you..."

Zhu Ling was both embarrassed and annoyed, and yelled at Chen Ping!

Chen Ping didn't care and just started beating him!

"I'm going to teach you a lesson. You should be upright. Since you've already lost, you still dare to launch a sneak attack. If it weren't for the Purple Flame Sect, you would have died long ago."

Chen Ping was also angry and didn't stop at all!

Wei Qing and Elder Yu were both shocked and anxious.

"Brother, stop fighting, stop fighting..."

Wei Qing looked at Chen Ping with envy and said!

Although he said that, Wei Qing wished he could step forward and slap Zhu Ling!

It was a sneak attack, that was really not fair!

“Stop, stop now...”

Elder Yu also shouted, but Chen Ping didn't listen at all!

In the end, Zhu Ling couldn't help it anymore, burst into tears, and began to admit her mistakes!

“I was wrong, I admit defeat, stop fighting...”

Zhu Ling said crying!

After hearing what Zhu Ling said, Chen Ping finally let go of her hand. Zhu Ling's face was full of grievance, and she felt a burning pain in her back!

You have to know that you are the eldest daughter of Zi Yan Sect. Everyone respects her, and those disciples tremble all over when they look at her!

Zhu Ling has always been a cool goddess, but now, she was caught and beaten!

And he did it in front of others!

This psychological gap made Zhu Ling feel very wronged!

However, while feeling aggrieved, Zhu Ling actually developed a strange emotion towards Chen Ping!

A fourth-grade cultivator in the Tribulation Realm was able to pin down and beat a ninth-grade great cultivator in the Tribulation Realm.

And the fire was so strong, mainly because Chen Ping didn't lick himself at all, as if he was not affected by his beauty at all!

You know, all the inner disciples would drool when they saw her and kneel down to lick her!

But Chen Ping didn't lick her, which made Zhu Ling feel that Chen Ping was different from others!

So the more this happened, the more Zhu Ling felt differently about Chen Ping!

“Miss, are you okay? I will definitely punish Cheng Ping severely when I get back if he does this.”

Elder Yu hurriedly walked towards Zhu Ling and said!

Zhu Ling glanced at Elder Yu and said, "Who told you to punish him? We are fighting, so it's inevitable that someone will get hurt. Don't punish him."

Elder Yu was dumbfounded. He didn't understand. Zhu Ling was beaten, but she was still trying to excuse Chen Ping. What was going on?

Women are so hard to understand!

After Zhu Ling finished speaking, she looked at Chen Ping and said, "I lost. Just tell me what you want..."

"I want a way to fuse the ultimate fire..."

Chen Ping said directly!

Just now, Chen Ping said that Zhu Ling should strip naked and dance, but he was just trying to scare him. Chen Ping is not that boring!

He came to Zi Yan Sect to seek a method to fuse the ultimate fire. If Zhu Ling knew it, then there would be no need to meet that crazy old sect leader!

"How to fuse the ultimate fire?"

Zhu Ling was stunned, then smiled bitterly and said, "Aren't you trying to embarrass me? How could I know how to fuse the Ultimate Fire? You saw that just now my two Ultimate Fires were separated from each other. If I knew how to fuse the Ultimate Fires, maybe I could defeat you!"

Chen Ping knew that Zhu Ling was telling the truth. The two kinds of fire that Zhu Ling had just used were also separate, but due to their rapid rotation, they looked like they were fused together!

A Man Like None Other Chapter 3979- "If you don't understand, forget it!" Seeing that Zhu Ling didn't understand at all, Chen Ping could only wait for an opportunity to meet the old master!

"Don't you have any other requests?"

Seeing that Chen Ping seemed very disappointed, Zhu Ling asked!

You know, she is a rare beauty, and now when she asked Chen Ping to propose conditions, he only mentioned the fusion of fire, and seemed to mention nothing else!

Is it because I'm not charming enough?

"No, what else can I ask for!"

Chen Ping shook his head!

Seeing this, Zhu Ling's face turned a little unhappy. If Chen Ping peeped at her beauty and made some demands on her body, Zhu Ling would not be angry. Instead, she would be happy because she was charming!

But now Chen Ping didn't even mention it, which made Zhu Ling start to doubt whether her charm was gone!

Wei Qing, who was standing by, was getting anxious when he saw that Chen Ping didn't make any other requests. If it were him, he would ask Zhu Ling to take off her clothes and see!

"Miss, I came to see you this time because I have something else to tell you..."

Upon seeing this, Elder Yu quickly changed the subject!

"Elder Yu, has something happened again?"

Zhu Ling asked!

Elder Yu nodded: "Elder Hu was imprisoned for contradicting Huo Yuanting. He will be imprisoned for 30 years..."

"What? Imprisoned for thirty years?"

Zhu Ling was shocked: "This Huo Yuanting is too much. He is just the acting sect leader, but he is so presumptuous."

"Also, Huo Dong is back, Miss, you better be careful!"

Elder Yu said!

Zhu Ling frowned: "This guy actually dared to come back. If I see him, I will definitely kill him..."

"Miss, you have to be patient, otherwise there will be no hope for our Zi Yan Sect."

"The most urgent thing is that Miss, you need to speed up your cultivation. Once you break through the Mahayana realm, we can ask Elder Cui to open the Divine Fire Mountain and obtain the Divine Fire Seal. Then, Miss can become the sect leader."

“Huo Yuanting has always wanted to open the God Mountain Fire. He has talked to Elder Cui several times, but Elder Cui has never agreed.”

“Now that the old sect master is ill and his consciousness is unclear, the only way to allow Elder Cui to open the Divine Fire Mountain is with the approval of all the elders.”

“But don’t worry, young lady. We will not agree to open the Divine Mountain Volcano until you reach the Mahayana realm.”

Elder Yu followed Zhu Ling and said!

“Elder Yu, thank you for your hard work, especially Elder Hu. Please think of a way to rescue him.”

“If he is really imprisoned for thirty years, Elder Hu will be completely ruined.”

Zhu Ling said with a worried look on her face!

“Hey, let’s try our best, but it should be difficult!”

Elder Yu sighed, then asked, “Miss, have you seen the old sect master recently? Is his condition better?”

Zhu Ling shook her head: “Huo Yuanting sent people to guard him very closely, and I could only go to see my father at fixed times, but every time I went, my father was in a crazy state.”

After hearing this, Elder Yu remained silent, because the same situation occurred when they went to see the old sect leader!

He even suspected that Huo Yuanting did it on purpose, and deliberately let them meet when the old master was ill!

“Miss, please take care of yourself. As long as Huo Yuanting doesn’t get the Divine Fire Seal, we will have a way.”

Elder Yu said!

Zhu Ling nodded heavily. Now they could only rely on the Divine Fire Seal!

Elder Yu led Chen Ping and the others away, but Zhu Ling shouted to Chen Ping, “Little Junior Brother, wait a moment. Since I lost, I must show some appreciation.”

Chen Ping stayed there with a confused look on his face, not knowing how Zhu Ling would respond!

Wei Qing also had a look of envy on his face, but was pulled away by Elder Yu!

“Sister, how are you going to express it? If you want to sacrifice yourself, forget it. I’m not the kind of person who takes advantage of others in distress.”

After Elder Yu and Wei Qing left, Chen Ping asked Zhu Ling!

A Man Like None Other Chapter 3980-Zhu Ling rolled her eyes at Chen Ping and said, “Don’t be so proud. You saw me naked and hit me. I will remember this grudge.”

“But since I lost, I have to promise you one thing. You want to learn the Ultimate Fire Fusion. Although I can’t do it, my father can.”

“Senior sister, the old sect leader is now crazy and is under guard. I can’t see him casually. Even if he can, I can’t see him!” Chen Ping said speechlessly!

“Don’t worry, I have a way to take you to see my father. Although Huo Yuanting used the excuse of comforting my father to send people to guard and set up a formation to prevent people from seeing him casually, I have a way to see my father secretly.”

“No one knows this method, so I couldn’t tell it in front of Elder Yu and the others just now.”

“Come to me tonight and I will take you to meet my father. With your skills and abilities, you will definitely not be just an inner disciple in our Zi Yan Sect.”

“You can come in, I guess you gave Elder Yu a lot of money, right?”

Zhu Ling looked at Chen Ping and smiled faintly!

In fact, she had seen through it a long time ago. Chen Ping’s ability was not like that of an ordinary person. How could he possibly become a disciple of the elder and be brought in by him?

And it is well known to everyone that Elder Yu is greedy for money!

The more important point is the technique of ultimate fire fusion, which most ordinary disciples have never even heard of!

After all, it is already very difficult to master a supreme fire, and these disciples do not need to fuse the supreme fire!

Those who want to fuse the ultimate fires must at least master two kinds of ultimate fires!

Seeing that Zhu Ling had pointed it out, Chen Ping could only smile and say, “I came to Zi Yan Sect only to ask the old Sect Master for advice on how to fuse the Ultimate Fire. I have absolutely no other intentions!”

“Then can you tell me what kind of fire you just used? It looks very powerful.” Zhu Ling asked!

“The fire at the earth’s core...” Chen Ping said!

“Fire from the Earth’s Core?”

Zhu Ling was stunned, then shook her head: “I haven’t heard of it!”

“There are so many kinds of ultimate fire in the world, it’s impossible to have heard of all of them. I’ve never heard of or seen the ultimate fire of your Purple Flame Sect before.”

Chen Ping laughed!

“Then can you pass on some of the Earth’s Core Fire to me so that I can refine it?”

Zhu Ling asked carefully!

After all, asking others to refine the ultimate fire is not a trivial matter. After all, every bit of the refined ultimate fire is extremely precious!

What’s more, Zhu Ling and Chen Ping just met by chance and they have no relationship with each other. Why would he pass it on to you!

“Sister, it’s not that I’m stingy and don’t want to pass it on to you to refine, it’s just that this Earth Core Fire is so fierce and abnormal that you simply can’t refine it.”

“Maybe the two kinds of fire in your body will be devoured by the fire of the earth’s core, and then the loss will outweigh the gain!”

“But there is a way to pass the Earth’s Core Fire to you, and it can also reduce its intensity, making it easier for you to refine it.”

Chen Ping said!

“What’s the method? Tell me quickly!” Zhu Ling asked curiously!

“Dual cultivation, Senior Sister Zhu Ling and I can practice dual cultivation together. Our auras can merge. When the time comes, the Earth Core Fire will sense my aura and won’t resist too fiercely.”

“In that case, it will be easier to refine. There is no other way except this method.”

As soon as Chen Ping finished speaking, Zhu Ling rolled her eyes at him!

“You big pervert, if you want to sleep with me, just say so directly, why make up so many excuses?”

“I don’t want the Earth’s Core Fire anymore. I won’t let you sleep!”

Zhu Ling thought that Chen Ping deliberately made up this excuse just to sleep with her!

“If you don’t want it, I don’t want to give it to you...”

Chen Ping snorted coldly, turned and left!

“Remember, don’t forget to come see me at night...” Zhu Ling reminded Chen Ping.

Chen Ping didn’t say anything, but walked out of Zhu Ling’s yard.
