

## [The Man's Decree]

**A Man Like None Other Chapter 3991**-When Zhu Ling heard this, she quickly stood in front of Chen Ping and said, "Father, you can't hurt him. He is Elder Yu's disciple. If you dare to hurt him, I will never talk to you again."

"Okay, okay, I won't hurt him. You said you had no feelings for him, but now you're ignoring your old father just for him."

"I'm just chatting with him. I won't do anything. I can't hand my daughter over to someone I don't know at all."

The old sect master said helplessly!

"Senior Sister, please go out. I believe the old sect master will not do anything to me. I will have a good chat with him!"

Chen Ping patted Zhu Ling's shoulder gently and said!

When Zhu Ling heard Chen Ping say this, she nodded and walked out!

As soon as Zhu Ling walked out of the hall, the old sect master's face suddenly became extremely gloomy, no longer as kind as before!

When Chen Ping saw the old sect leader's sudden change of expression, his heart couldn't help but tremble!

"Boy, who are you? Why are you approaching my daughter?"

The old sect leader asked in a cold voice!

"Old Sect Master, I am the disciple of Elder Yu, and now an inner disciple of the Purple Flame Sect. My name is Cheng Ping, and I did not approach Senior Sister on purpose."

Chen Ping pretended to be innocent and said!

"Humph, Elder Yu's disciple, how could Elder Yu recruit a disciple like you who can easily break the killing array."

"Your ability is probably not inferior to that of Elder Yu. How much money did you give Elder Yu? Why did you come to our Zi Yan Sect?"

The old sect leader directly pointed out Chen Ping's mistake!

Although Chen Ping had just reduced the power of the killing array without telling Zhu Ling, he was unable to hide it from the old sect master!

Chen Ping didn't expect that the old master could see through everything!

"Old Sect Master, I have no ill intentions, and I don't want to do anything to Senior Sister Zhu Ling. The reason I joined the Purple Flame Sect is to ask you for advice on how to fuse the Ultimate Fire."

Chen Ping said truthfully!

"Ultimate Fire Fusion?"

The old sect master looked at Chen Ping and said, "I do know how to fuse the fire, but do you think I will tell you? I don't even know your identity!"

"Although I entered the Zi Yan Sect through special means, I did not deceive the old sect master about anything else. My name is Cheng Ping, and I am just a casual cultivator!"

Chen Ping said!

Chen Ping didn't want to reveal his true identity. After all, his identity was too shocking and would also bring a lot of unnecessary trouble!

"Get out of here. Why should I teach you if you can't be honest with me?"

The old sect leader waved his hand and asked Chen Ping to leave!

"Old Master, why is this happening?" Chen Ping frowned!

"You hide your aura and change your appearance, but you say your identity is real. Do you think you are a three-year-old kid?"

"Since you have no sincerity, why should I teach you?"

The old sect leader snorted coldly!

When Chen Ping heard this, he was immediately overwhelmed. He didn't expect that this old sect leader was so observant that he could actually see through his hiding place!

Chen Ping knew that if he didn't reveal his true identity, the old master would definitely not teach him!

Chen Ping had no choice but to shake his body slightly and return to his original state!

“Old Sect Master, I had no choice but to deceive you. My original name was Chen Ping, but because I offended too many people, I had to change my appearance and aura to hide my identity.”

Chen Ping said helplessly!

“Chen Ping? The man that the Demon Sealing Alliance has been hunting down with a hundred years of sacrifice?”

The old sect leader looked surprised!

“You know me?” Chen Ping didn’t expect that the old sect master who was imprisoned here actually knew him!

“Hahaha, there are probably not many people in the entire world of heaven and man who don’t know your name.”

“He is only at the fourth level of the Tribulation Realm, but he is being hunted down by the Demon Sealing Alliance with a hundred years of sacrifice. It is indeed not simple.”

“It seems that you really should hide your identity, otherwise many people will not be able to bear the temptation of the Demon Sealing League’s hundred-year tribute and will kill you.”

The old sect leader laughed loudly!
