

THE MAN'S DECREE

[The Man Decree] A Man Like None Other

A Man Like None Other Chapter 3996—“A man?” Zhu Ling was stunned. After taking a look at Chen Ping, she said, “Father, was he the one who helped you destroy the demon soul?”

“Of course it’s him. If I could kill him myself, I would have done it long ago.”

“You are such a fool, if there is something important like this in the future, you must tell me first.”

The old sect leader said complainingly!

“Big deal?” Zhu Ling was even more confused. She thought it was about bringing Chen Ping to see him, so she lowered her head and said, “Father, I’ll remember this. I won’t dare to do it again...”

“Okay, I don’t mean to blame you. This is your own choice. As a father, I must respect your choice.”

“It’s getting late. You should go back. If you wait until daybreak, you will be discovered.”

The old sect leader waved his hand and said!

“Father, now that you are okay, won’t you come out with us?”

Zhu Ling asked in confusion!

Now that everything is fine and you are no longer crazy, why don’t you go out? This is a good opportunity to take back Huo Yuanting’s position as the acting leader!

“Although the demon soul has been destroyed, my consciousness has been severely damaged and I must recuperate.”

“If I go out now and let Huo Yuanting know that I’m awake, he will definitely do something desperate.”

“After I recover, I will open the Divine Fire Mountain and let the Divine Fire Seal see the light of day again.”

“By then, my son-in-law will be able to use the Divine Fire Seal to comprehend the art of fire fusion!”

The old sect master said slowly!

“Good son-in-law?” Zhu Ling was completely confused!

Chen Ping was startled, and hurriedly pulled Zhu Ling and said, “Senior Sister, it’s almost dawn, let’s go quickly, otherwise it will be troublesome...”

Chen Ping didn’t dare to let Zhu Ling stay for long. If they continued chatting, it would be exposed!

Just like that, Zhu Ling was reluctantly pulled away by Chen Ping!

“Junior brother, what did my father mean by that? He seemed to call you his son-in-law? What did you two talk about?”

Zhu Ling looked at Chen Ping and asked in confusion!

“Oh, we didn’t talk about anything. We just discussed the method of fusing the lower world with fire. You just heard it wrong.”

“The old sect master was talking about casual chat. He meant that I would go and sit with him when I have some free time. The old sect master and I have similar personalities.”

Chen Ping could only give random explanations!

“Is that so?” Zhu Ling was full of confusion!

“Of course. Does Senior Sister think that the old sect master calls me son-in-law? Wouldn’t that make me Senior Sister’s husband?”

“If I had a dual cultivation partner like my senior sister who was as beautiful as a fairy and had a graceful figure, I would wake up laughing in my dreams.”

Chen Ping chuckled and said!

“Hmph, who will be your dual cultivation partner?” Zhu Ling rolled her eyes at Chen Ping, but it was obvious that she was not angry!

“Senior Sister, have you never thought about finding a dual cultivation partner? Or is there no man you admire?”

Chen Ping saw Zhu Ling’s expression and asked!

Chen Ping must persuade her slowly and patiently. If he can really practice dual cultivation with Zhu Ling, that would be great. Then it would be easier to get the Divine Fire Seal to recognize its master!

“Why are you asking these questions?” Zhu Ling looked at Chen Ping warily!

“I... I’m just curious about what kind of man can catch the eye of Senior Sister.”

Chen Ping said!

“There is a man who has always made me curious.” Zhu Ling said!

“Who?” Chen Ping asked!

“A guy named Chen Ping. I heard that he is only in his twenties, but he possesses unfathomable strength.”

“Moreover, the Demon Sealing Alliance offered a hundred years of sacrifice to kill Chen Ping, but Chen Ping escaped time and again, and there was nothing they could do to him.”

“I really want to meet this Chen Ping. What kind of person is he to attract so much attention from the Demon Sealing Alliance?”

There is admiration and fascination in Zhu Ling’s eyes!

It seems that she really wants to meet Chen Ping, the man who makes her curious!

A Man Like None Other Chapter 3997-Hearing Zhu Ling say this, Chen Ping laughed inwardly!

“Senior Sister, to be honest, I am the Chen Ping you mentioned...”

Chen Ping looked at Zhu Ling seriously and said!

When Zhu Ling heard this, she was stunned, and then she slapped Chen Ping with her palm: “If you dare to talk nonsense again, I will kill you. How could Chen Ping be a pervert like you?”

“You only know how to take advantage of girls. I haven’t settled the score with you yet...”

Just as Zhu Ling made her move, suddenly a flash of light appeared in the sky, followed by a loud roar!

Zhu Ling's face changed instantly, and Chen Ping also frowned!

It turned out that Zhu Ling had just accidentally touched the magic circle. Zhu Ling had a formation plate in her hand and could easily pass through the magic circle!

It's just that Zhu Ling was careless. When she took action just now, she accidentally touched the magic circle, which activated the magic circle!

As the magic circle was activated, more than a dozen auras were coming towards this side quickly!

"It's bad, it's bad, we're going to be discovered this time."

"Junior brother, hurry up and leave. If they catch you, you will be in trouble."

Zhu Ling urged Chen Ping to leave!

"Senior sister, what are you going to do?" Chen Ping asked!

"I'm fine. They don't dare to do anything to me. But you, as an inner sect disciple, will definitely be arrested if you come here."

Zhu Ling said anxiously!

"Sister, please go. I will stay here. If you are discovered by them, your formation plate will definitely be discovered, and your secret meeting with the old sect master will also be discovered."

"Maybe the old master's recovery and the destruction of the demon soul will be discovered, and that will be troublesome."

"I'm a new disciple, so I'm just wandering around out of curiosity. They shouldn't suspect anything."

Chen Ping analyzed the pros and cons to Zhu Ling!

"Junior brother, this..."

Zhu Ling also knew that what Chen Ping said was right, but she still felt a little embarrassed to let Chen Ping stay alone to bear it!

"Sister, I will be fine, please leave quickly!"

Chen Ping pushed Zhu Ling!

Seeing this, Zhu Ling could only nod and said to Chen Ping: “Junior brother, you should be more careful.”

“Don’t worry, Senior Sister. I’ll be fine.”

After Chen Ping finished speaking, he pushed Zhu Ling hard!

Zhu Ling passed through the magic circle and ran quickly towards her own courtyard!

When Chen Ping saw Zhu Ling leave, he felt relieved. Then he pretended to be panicked and kept touching the formation in front of him with his hands!

The formation was activated, and a series of defensive auras hit Chen Ping, directly knocking Chen Ping away!

This is exactly the effect Chen Ping wants!

Just when Chen Ping was knocked to the ground by the formation defense, more than a dozen figures appeared at the same time!

“How dare you to enter the forbidden area of Zi Yan Sect without permission!”

Huo Yuanting was suspended in the air and shouted angrily!

Beside Huo Yuanting were Huo Dong and several elders!

Elder Yu and Wei Qing are also among them!

When they saw that it was Chen Ping lying on the ground, they were all shocked!

They never thought that Chen Ping would come here!

It also touched the formation, activating it!

“Junior brother, why is it you? Why are you here?”

Wei Qing asked in surprise!

“Brother, I got up early and was bored, so I wandered around. How could I know that this is a forbidden place, and there is a formation protecting it.”

“I was knocked away by the formation, and now my whole body is in pain...”

“Since it’s a restricted area, at least put up a sign to warn people. I almost got hurt.”

Chen Ping said angrily!

Chen Ping broke into the forbidden area without permission and activated the formation, but he was still not happy!

Seeing Chen Ping say this, Elder Yu was both angry and amused!

A Man Like None Other Chapter 3998—“Elder Yu, is this your new disciple, the one who defeated Liu Shitong?”

Huo Yuanting looked at Elder Yu and asked!

“That’s right. Because of my poor teaching, my disciples got into trouble. I hope Master Huo will punish them.”

Elder Yu had no choice but to carry it for Chen Ping!

Huo Yuanting glanced at Chen Ping coldly, and then said to the elders: “You trespassed into the forbidden area, and your cultivation should be abolished and you should be expelled from the sect.”

“However, considering that this is his first offense and it was unintentional, I will punish him by sending him to the cliff to face the wall for three days.”

After Huo Yuanting finished speaking, he disappeared in a flash!

Huo Dong looked at Chen Ping coldly, and then left!

Elder Yu and Wei Qing came in front of Chen Ping, and Elder Yu’s eyes were full of displeasure!

“I’ve already said that I would definitely take you to see the old sect master if there was a chance, but you actually came here without permission.”

“Fortunately, Huo Yuanting has been busy with the opening of the sacred volcano these days and has not taken any real action, otherwise you would not have been imprisoned in the cliff for three days.”

Elder Yu knew that Chen Ping came here on purpose!

“I’ve already met the old master, so there’s no need to look for another opportunity!”

Chen Ping smiled faintly!

“What?”

Elder Yu and Wei Qing were both surprised!

“How is that possible? If you want to see the old master, you have to go through several formations, and there are several formations superimposed on each other at the end.”

“There is a killing formation in that formation. Even Elder Cui said that it is impossible to pass through it.”

“How can you possibly pass through these formations and see the old master?”

Elder Yu obviously doesn't believe Chen Ping!

“If you don't believe me, forget it. I did see the old sect master, and his symptoms of madness are gone. It's just that his consciousness is severely damaged now, and he needs to rest for a while.”

“Once the old sect master has recovered, he will take charge of the Ziyang Sect again.”

Chen Ping said!

“Junior brother, are you telling the truth? You are not lying to us, are you?”

Wei Qing asked excitedly!

If the old sect leader recovered and took charge of Zi Yan Sect again, they wouldn't have to endure Huo Yuanting's anger anymore!

“How do you prove that you have seen the old master?”

Elder Yu looked at Chen Ping. He really couldn't believe what Chen Ping said!

If what Chen Ping said was true, then it would be great news for them!

“I have nothing to prove, but I am telling the truth.”

“If you don't believe it, you can watch...”

After Chen Ping finished speaking, he stepped forward gently and was about to touch the formation in front of him with his hand!

“What are you going to do? If you activate the formation, it won't just be a three-day confinement in the cliff.”

Elder Yu didn't know what Chen Ping was going to do!

But Chen Ping still slowly touched the formation with his hand, accompanied by a flash of white light!

The formation was not activated, but a huge gap appeared instead!

Chen Ping passed through the gap and directly penetrated the formation!

In this way, Chen Ping walked back and forth three or four times!

Then Chen Ping waved his hand again, and the formation was restored, as if nothing had happened!

Elder Yu and Wei Qing looked at Chen Ping, both of them were stunned!

They couldn't understand why Chen Ping actually knew the art of formation?

Could it be that Chen Ping is also a formation master?

“Now you should believe that I can meet the old master, right?”

“In my eyes, these formations are no different from children playing house. They can't stop me at all.”

“But you must never tell anyone else what I said, lest Huo Yuanting finds out and launches a surprise attack out of desperation.”

Chen Ping said to Elder Yu!

“Don't worry, no one will know.”

Elder Yu looked at Chen Ping in shock, and then said, “But you must also stay at the Cliff of Repentance for three days. I can't plead for you.”

“This Zi Yan Sect doesn't even have a mountain, so where does the Siguo Cliff come from?”

“Besides, it's only three days, so I can practice in peace!”

Chen Ping didn't mind staying at the Cliff of Repentance for three days!

A Man Like None Other Chapter 3999-“Junior brother, the Cliff of Repentance is just a room, but staying in it is not an easy task.”

“If you can practice meditation in there, everyone would want to go.”

“There will be an aura in the Cliff that disturbs the consciousness and makes those who stay there feel pain.”

“And the divine consciousness will go through all kinds of hardships, just like they really happened!”

“You must be careful. Although these three days are not long and will not harm your life, it will definitely damage your body and mind. You will need to recuperate for a while.”

Wei Qing told Chen Ping about the Cliff of Repentance and told Chen Ping not to be careless!

“You don’t have to be too nervous. With your current abilities, three days of reflection on the cliff won’t do any harm.”

Elder Yu comforted Chen Ping!

Chen Ping nodded, and then followed Elder Yu and the others to the Cliff of Repentance!

Siguo Cliff is just a small shabby-looking cottage with a sign hanging on the eaves that reads “Siguo Cliff”!

Pushing the door open, Chen Ping walked in. There was almost nothing inside except a dirty-looking mat!

“This environment looks like no one has been here for a long time.”

Chen Ping looked at the fist, then sat upright on the mat!

Three days is a blink of an eye for a cultivator. As long as they enter the state of cultivation, time will not be a problem!

But just when Chen Ping sat down and closed his eyes to mobilize the spiritual energy in his body to prepare for cultivation, he suddenly felt a breath appear in his sea of consciousness, and this breath was constantly condensing!

This aura was not in Chen Ping’s body, and Chen Ping had no way to control it. However, Wei Qing had already said this in advance, so Chen Ping was not panicked!

This should be the Zi Yan Sect’s Siguo Cliff, used to control the aura in the sea of consciousness. Chen Ping did not deliberately resist!

As the breath filled his sea of consciousness, Chen Ping only felt a burst of heat in his body!

When he opened his eyes, he found that there was a towering mountain in front of him. The whole mountain was fiery red, just like the Flaming Mountain!

In front of where Chen Ping was sitting was a straight cliff with the words "Siguo Cliff" written on it!

At this moment, Chen Ping finally understood the origin of the Cliff of Repentance. It turned out that after entering the room, he would really be taken to the bottom of a cliff!

Just as Chen Ping was looking at the Siguo Cliff in front of him, suddenly, flames appeared on the top of the mountain and surged down like a flood!

Chen Ping wanted to dodge, but he couldn't dodge at all!

Soon, Chen Ping's body was engulfed by the flames!

For a moment, the intense burning sensation made Chen Ping feel extremely painful, and he hurriedly used the extremely cold ice flame to resist the heat!

But no matter how Chen Ping resisted, it was useless. The extremely cold ice flame seemed to have lost its icy aura!

"What's going on?"

Chen Ping was shocked!

"This is an illusion. Your extremely cold ice flame is of course useless. Everything you see and feel now is dominated by your spiritual consciousness. Since your sea of consciousness is controlled, you will feel whatever the other party wants you to feel."

The Red Cloud Demon Lord said slowly!

Chen Ping then realized that he should still be in that dilapidated room, but his consciousness was controlled, so he could only see everything in front of him!

Helpless Chen Ping could only use his body to withstand the scorching flames. Under the engulfment of the flames, Chen Ping felt anxious and as if he was going crazy!

"Look, look what's on the cliff..."

Suddenly, Demon Lord Chiyun reminded Chen Ping!

Chen Ping frowned and glanced at the cliff, only to find that there were only three words "Siguo Cliff" on the cliff, nothing else at all!

"Nothing, what did you see?"

Chen Ping asked in confusion!

“It’s a technique. Calm down and watch it carefully...”

Demon Lord Chiyun reminded!

A Man Like None Other Chapter 4000-Upon hearing this, Chen Ping took a deep breath and let the flames burn him. He stopped thinking about random things and chanted the Heart Cleansing Mantra, trying hard to clear his mind!

As Chen Ping slowly calmed down, the burning sensation on his body actually dissipated a lot!

Chen Ping looked up at the Cliff of Repentance in front of him. Through the blazing flames, words began to flash on the Cliff!

The calmer Chen Ping’s mind became, the clearer the words became, and soon the entire Cliff of Repentance was covered with words!

Looking at the words in front of him, Chen Ping was very excited, but he tried hard to restrain himself. He couldn’t let his emotions fluctuate too much!

“True Fire Dharmakaya? It’s actually a technique to refine the fire!”

After Chen Ping read through the exercises, he slowly closed his eyes and began to practice according to the exercises on the Cliff of Repentance!

Soon, in Chen Ping’s sea of consciousness, a phantom figure appeared. It looked exactly like Chen Ping, as if it was Chen Ping’s soul!

However, the soul will not appear in the sea of consciousness. Even the Red Cloud Demon Lord felt a little curious when he saw the figure that suddenly appeared!

However, Demon Lord Chiyun did not disturb him, but watched quietly!

This illusory figure looked very blurry and had no breath at all!

However, as Chen Ping practiced his skills, five balls of fire appeared around the figure. They were the five kinds of fire that Chen Ping mastered!

The five kinds of supreme fire circulated and actually began to purify. Originally, due to various reasons when Chen Ping was absorbing and refining, the supreme fire was not pure, but now these five kinds of supreme fire have become extremely refined!

At this time, the fire became extremely pure, and its power was greatly enhanced.

Along with the purification of the supreme fire, Chen Ping's body was also being tempered. The illusory figure was actually Chen Ping's True Fire Dharma Body, but Chen Ping had just started practicing and his Dharma Body was still in nothingness!

Along with the tempering of his Dharma body, Chen Ping's true body was also improved.

In this way, no matter what Chen Ping does in the future, he can let his Dharma body cultivate in his sea of consciousness, so that his own cultivation will also increase!

In this way, Chen Ping no longer needs to practice in seclusion. Even in battle, the practice of the Dharma body will be reflected in Chen Ping himself!

It's just that Chen Ping doesn't fully understand the True Fire Dharma Body yet!

He has just begun to comprehend the cultivation now. As his cultivation deepens, Chen Ping will definitely have a deeper understanding of the True Fire Dharma Body!

And just when Chen Ping was practicing the True Fire Dharma Body at the Cliff of Regret!

Elder Na Tian has gone to Liangyi Gate to invite a master of formations!

Since Elder Yu and the others do not agree to open the Divine Fire Mountain, Huo Yuanting will find a formation master to open the Divine Fire Mountain himself!

"Master, Elder Gu from Liangyi Sect has arrived..."

Elder Tian walked into the hall and said to Huo Yuanting!

"I didn't expect Elder Gu to come in person. I'm sorry for not welcoming you..."

Huo Yuanting stood up and greeted Gu Tianchao very respectfully.

If Chen Ping saw Gu Tianchao, he would probably recognize him at a glance. This guy was the one who harmed Elder Xia's daughter in Wantong Pavilion!

When the Ten Thousand Souls Formation was broken by Chen Ping, the remaining soul of Gu Tianchao escaped, but he still kept his life and said that he would settle accounts with Chen Ping in the future!

"Master Huo, you are too polite. Since there is something going on with your Zi Yan Sect, of course I have to come. Besides, Master Huo has always taken good care of our Liang Yi Sect."

Gu Tianchao said with a smile!

The killing formation that Huo Yuanting bought at a huge price was bought from the Liangyi Sect, so Huo Yuanting had some connections with the Liangyi Sect!

“Elder Gu, we are old acquaintances, so I will be frank. The reason I asked you to come here is because I hope you can help me open the God Mountain Fire.”

Huo Yuanting said!

Gu Tianchao was stunned for a moment, then said, “Master Huo, the Divine Fire Mountain is the sacred mountain of your Ziyan Sect. It has been imprisoned by a formation. If you want to open the Divine Fire Mountain, you must open the formation.”

“Don’t you have a formation master in Ziyan Sect who has the formation plate to open the Divine Fire Mountain? Why are you looking for me?”
