

[The Man Decree]

A Man Like None Other Chapter 4007

[The Man Decree] A Man Like None Other Chapter 4007-Seeing that the formation had opened a gap, Wei Qing led everyone to rush forward!

But just as they rushed forward, a white light flashed, followed by a terrible force that knocked everyone away!

“Hahaha, this formation has been strengthened by the elders of Liangyi Sect. How could it be broken so easily?”

An elder from Huo Yuanting’s lineage laughed loudly!

Huo Yuanting had actually been prepared for this. He knew that Elder Cui might favor the old sect leader, so after Gu Tianchao arrived, he asked him to strengthen the formation!

Zhu Ling frowned instantly when she saw this. The formation plate in her hand could only break the formation set up by Elder Cui. If there were other formations set up by others, she would not be able to break them!

Originally, she didn’t understand the formation, and relied entirely on the formation plate given by Elder Cui!

“What should I do?” Zhu Ling was a little at a loss!

“Senior Sister, let me break the formation!”

Chen Ping stepped forward and said!

“You?” Zhu Ling was stunned: “You know the art of formation?”

You know, when Zhu Ling took Chen Ping to see the old sect leader, Chen Ping pretended to know nothing and followed behind her obediently!

How come you know the art of formation now?

Chen Ping just smiled and didn’t say anything. Instead, he walked forward and gently pressed his palm on the magic circle!

In just a moment, the originally unbreakable magic circle shattered like an eggshell and disappeared completely!

Zhu Ling was stunned when she saw Chen Ping break the formation so easily!

The others were also stunned. No one had expected that Chen Ping actually knew the art of formation, and it seemed that he was at a very high level!

“Sister, I’m afraid my junior brother’s formation skills are not inferior to that of Elder Cui.”

Wei Qing stepped forward and said to Zhu Ling!

Only at this moment did Zhu Ling realize that Chen Ping was not only extremely powerful, but also had amazing formation skills!

At this moment, Zhu Ling’s heart was beating even more!

“What are you waiting for? Kill...”

Chen Ping glanced at Zhu Ling, then raised his arms and called out!

For a moment, the sound of killing shook the sky, and spiritual power continued to collide and bombard!

For a moment, it seemed like the end of the world between heaven and earth, and the entire void was shaking!

While the old sect master’s lineage was fighting with Huo Yuanting’s lineage, Huo Yuanting, Huo Dong and others had already arrived at the foot of Shenhua Mountain!

However, at the foot of the Shenhua Mountain, a river about a hundred feet wide with flowing magma blocked the way!

Looking at the lava river in front of him, Huo Yuanting frowned.

“What’s going on? How did a river suddenly appear?”

Huo Yuanting had also been to the Shenhua Mountain, but had never seen this lava river. Now the sudden appearance of such a river made him very confused!

“Father, could it be that the magma under the sacred volcano came out and formed the river?”

“We can cross this kind of river with just one leap. There’s no need to be afraid.”

Huo Dong said!

But just when Huo Dong was about to jump up, he was stopped by Huo Yuanting!

“Don’t be reckless.” Huo Yuanting said, glanced at the Zi Yan Sect disciple beside him, and then said: “You go first...”

“Yes!” Although the disciple of Zi Yan Sect was also afraid, there was nothing he could do!

The disciple of Zi Yan Sect leaped forward, and as his body passed over the river, it suddenly caught fire. With a scream, he fell into the river!

Seeing this scene, Huo Dong’s face instantly became extremely ugly!

Huo Yuanting frowned, he didn’t expect that after the Divine Fire Mountain was opened, a river suddenly appeared blocking the road!

Just when Huo Yuanting was at a loss, suddenly dozens of auras came towards them rapidly!

“Oh no, these guys are here so soon?”

Huo Yuanting thought that it was Elder Yu and his men who came to stop them from entering the Shenhuo Mountain!

[The Man Decree] A Man Like None Other Chapter 4008-But just when Huo Yuanting was about to take action, dozens of people with ghost faces appeared!

The auras of these people are very powerful, especially the leader, who exudes the aura of the Mahayana realm!

“Ghost Face Sect? Why are you here?”

When Huo Yuanting saw the person coming, his expression suddenly became nervous!

The Ghost Face Sect is also a large sect in the Central Region, and they also practice the Ultimate Fire, but the Ghost Face Sect is a sect of demonic cultivation!

For a long time, Zi Yan Sect and Gui Lian Sect have been fighting constantly, both wanting to fight for the right to use the Divine Fire Mountain!

After all, there are items dropped by the Fire Spirit Star Lord here. What’s more, by guarding the Divine Fire Mountain, you can also borrow the fire of the Divine Fire Mountain itself to improve your strength!

It’s just that the Ghost Face Sect, as a sect of demons, is suppressed everywhere by all the other sects, so they can’t defeat the Purple Flame Sect at all!

In the end, the Ghost Face Sect had no choice but to disappear and hide!

Now that the Ghost Face Sect suddenly appeared near the Shenhuo Mountain, and so many people came, Huo Yuanting had to become nervous!

“Master Huo, don’t be nervous, we are already a family.”

The leading member of the Ghost Face Sect said slowly!

“What nonsense are you talking about? Who are you a family with?”

Huo Yuanting snorted coldly!

“Hahaha, if you are a family, you can ask your son.”

The member of the Ghost Face Sect laughed loudly!

Huo Yuanting looked at Huo Dong, and Huo Dong walked straight to the member of the Ghost Face Sect and said respectfully: “Disciple Huo Dong, I pay my respects to Elder Tu...”

At this moment, everyone looked at Huo Dong in shock!

Even Huo Yuanting was surprised!

Although he knew that his son had practiced magic and refined the demon clan’s ultimate fire, he never thought that Huo Dong would actually join the demon clan and become a member of the Ghost Face Sect!

“Huo Dong, do you know what you are doing?”

Huo Yuanting glared at Huo Dong and questioned!

“Father, of course I know. The old sect master expelled me from the Purple Flame Sect. If the Ghost Face Sect hadn’t taken me in, I would have died long ago.”

“Now I control three kinds of fire, and my strength has reached the peak of the Tribulation Realm. What’s wrong with that?”

“And the magic soul you used was actually provided by the Ghost Face Sect, otherwise where would I find the magic soul for you to drive the old sect master crazy.”

Huo Dong said to Huo Yuanting!

When Huo Yuanting heard this, his expression became extremely complicated. Fortunately, everyone here was a disciple of his lineage, and no one would say anything!

If Elder Yu and the others were here and knew that it was him who used the evil spirit to harm the old sect leader, they would definitely fight to the death!

However, Gu Tianchao, who was standing by, was also very surprised after hearing this, but he pretended not to hear it!

After all, this is Zi Yan Sect's internal affairs. He has no right to interfere and doesn't want to interfere. As long as he can get benefits from Zi Yan Sect, that's enough!

“Master Huo, I am here to tell you something. Your old master has now escaped from the control of the demon soul, and the demon soul we provided has disappeared.”

Elder Tu said slowly to Huo Yuanting!

“What? Impossible. Did he destroy the demon soul himself?”

Huo Yuanting couldn't quite believe it!

He saw it a few days ago, and the old sect master looked crazy, and it didn't seem like he was pretending at all!

“He didn't destroy it by himself, but someone helped him destroy it.”

Elder Tu shook his head and said!

“How is it possible? Who can get in through the layers of formations?”

Huo Yuanting frowned. He really couldn't understand who could pass through the layers of formations, see the old sect master, and destroy the evil soul in the old sect master's body?

Suddenly, Huo Yuanting seemed to have thought of something!

He remembered that the formation was suddenly activated, and Elder Yu's newly recruited disciple was at the scene!

Thinking of Elder Yu's new disciple who defeated Liu Shitong with one move, Huo Yuanting narrowed his eyes slightly!

[The Man Decree] A Man Like None Other Chapter 4009-He began to suspect that Chen Ping was not a disciple recruited by Elder Yu at all, but a master invited from outside, who broke the formation and helped the old master to eliminate the evil spirit!

The reason why Chen Ping only seems to be at the fourth level of the Tribulation Realm is definitely to hide his strength and not be discovered!

“Damn it, I got fooled. It turns out they have been plotting to cure the old sect master.”

Huo Yuanting gritted his teeth, feeling that he had been fooled!

“The one who can pass through the layers of formations and destroy the demon soul is definitely not an ordinary person. I believe that even if Master Huo opens the Divine Fire Mountain this time, he may not be able to obtain the Divine Fire Seal.”

“The other party has obviously invited experts, and your old sect leader has come out. Do you think you still have a chance to sit on the position of sect leader?”

Elder Tu asked Huo Yuanting!

Huo Yuanting was silent. He knew that he would have no chance if the old master came out of seclusion, not to mention that the other party had already planned it!

After thinking for a moment, Huo Yuanting looked at Elder Tu and asked, “Tell me, what do you want?”

“Of course I want to cooperate with Master Huo.”

“We will help Sect Master Huo to clear the obstacles so that you can get the Divine Fire Seal and take the position of Sect Master.”

“Of course, Sect Master Huo will also have to take out some of the resources of the Divine Fire Mountain so that our Ghost Face Sect can live in the Purple Flame Sect!”

Elder Tu stated the conditions of their Ghost Face Sect!

“Let me think about it...”

Huo Yuanting frowned slightly!

If we agree to it, it would be like inviting a wolf into the house. After a long time, the entire Zi Yan Sect might become the Gui Lian Sect!

By then, even the Divine Fire Mountain will become a resource base for the Ghost Face Sect!

“I can give Master Huo some time to think about it, but I’m afraid the old master’s lineage won’t give you time.”

“I don’t think those people you left behind can hold out for long.”

Elder Tu said!

Huo Yuanting also knew that if he left a part of the army behind to stop Elder Yu and the others, it would only be a way to delay time!

Once he enters the Divine Fire Mountain and obtains the Divine Fire Seal, he will not be afraid anymore!

So he didn't leave behind many capable people!

Most of them were taken to the Shenhuo Mountain. After all, finding the Shenhuo Seal is the most important thing!

But now, a lava river suddenly appeared to block the way, and he also learned that the old master had recovered, Huo Yuanting was already in chaos!

“Okay, I promise you!”

Huo Yuanting gritted his teeth and agreed!

“Hahaha, Master Huo, this is the wise thing to do. Even your son is a member of our Ghost Face Sect. Then we will be a family and can communicate with each other.”

Then Elder Tu laughed loudly!

“Don't forget what you said. Help me get the Divine Fire Seal and become the leader of this sect.”

“Now I have to cross this lava river, and there are people blocking the old master's lineage.”

Huo Yuanting said!

“It's not a big deal. If I can come, I can definitely help you...”

After Elder Tu finished speaking, he reached out and took off his ghost mask and threw it away!

The ghost face suddenly grew bigger in mid-air, like a flying boat suspended in the air!

At the same time, Elder Tu's scarred face was also exposed!

“You can go up now and fly across the lava river. As for the disciples of the old master's lineage, I will take care of them.”

Elder Tu said!

Seeing this, Huo Yuanting nodded and led his men to jump onto the ghost face!

I saw Elder Tu shoot out a black mist, which carried a ghost face and went towards the other side of the lava river!

After seeing Huo Yuanting and others leave and reach the other side, Elder Tu's mouth curled up!

How could the Ghost Face Sect possibly be under the control of another sect? This is just the first step!

Sooner or later they will replace Zi Yan Men and completely occupy Shenhuo Mountain!

At this time, Elder Yu and his companions had defeated all the people from Huo Yuanting's lineage who had held back. Elder Tian was no match for Elder Yu and was defeated!

Because they were all disciples of Zi Yan Sect, they were not killed. Except for some injuries, no one was in danger of life!

[The Man Decree] A Man Like None Other Chapter 4010-Elder Tian had blood flowing from the corner of his mouth, but he said excitedly: "It's useless for you to catch up now. Sect Master Huo and the others should have entered the Divine Fire Mountain long ago, and perhaps they have already obtained the Divine Fire Seal."

"Accept your fate. If you choose to follow Master Huo now, I can still speak well of you."

"Bah! Even if Huo Yuanting gets the Divine Fire Seal, he won't be recognized as the master."

Elder Yu spat fiercely, then looked at Zhu Ling and said, "Miss, let's catch up quickly..."

"Okay!" Zhu Ling nodded!

The group quickly headed towards the Shenhuo Mountain, but just when they were about to reach the foot of the Shenhuo Mountain, suddenly dozens of auras came towards them!

"Could it be that Huo Yuanting and the others have already taken the Divine Fire Seal and returned?"

Zhu Ling said with a cold expression!

"It won't be so fast, right?" Elder Yu also frowned slightly!

He didn't believe that Huo Yuanting would get the Divine Fire Seal so quickly. It was a bit unrealistic!

But at this time, who would come from the direction of Shenhuo Mountain?

"This is not Huo Yuanting and the others. The ones who came are demon cultivators."

Chen Ping said with a stern expression!

“Demon cultivator?”

Elder Yu and Zhu Ling said in unison!

“Junior brother, why are there demon cultivators here?” Wei Qing asked!

“How should I know? I should ask you guys, but these people are indeed demon cultivators. I can sense their aura.”

Chen Ping said!

“Demon cultivator? Why would a demon cultivator come here?” Zhu Ling was also very puzzled!

“Could it be someone from the Ghost Face Sect? The Ghost Face Sect has been spying on our Divine Fire Mountain for a long time.”

“This time the Divine Volcano suddenly activated. Maybe the Ghost Face Sect’s people will come to seize the right to use the Divine Volcano!”

Elder Yu said a little nervously!

As soon as Elder Yu finished speaking, dozens of figures appeared in front of them!

Everyone was wearing a mask, they were indeed members of the Ghost Face Sect!

“Ghost Face Sect? It’s you guys...”

When Elder Yu saw the person coming, he subconsciously clenched his fists!

For so many years, the Zi Yan Sect has been fighting openly and secretly with the Gui Lian Sect!

“Elder Yu, you are in such a hurry to go to Shenhua Mountain. Is there an internal fight in your Ziyan Sect?”

Elder Tu smiled coldly!

Elder Yu felt sick when he saw the hideous face of Elder Tu from the Ghost Face Sect!

“This is our Zi Yan Sect’s business. It has nothing to do with you. If you don’t want to die, get out of here right now.”

Elder Yu spoke coldly to Elder Tu!

“How can it be irrelevant? I was invited by your Zi Yan Sect, and it was your Sect Master Huo who personally invited me. How can you say it has nothing to do with me?”

Elder Tu laughed!

When these words were spoken, Elder Yu and other people from Zi Yan Sect were all stunned, and then their eyes were filled with anger and they were extremely angry!

“This Huo Yuanting is so bold that he dares to openly collude with your Ghost Face Sect. He is not worthy of being the Sect Master, let alone the Acting Sect Master!”

Wei Qing roared!

Elder Yu also had a look of anger on his face: “I never thought that Huo Yuanting would betray Ziyan Sect and collude with you demon cultivators. This time it’s not just a fight for the Sect Master. We must eliminate the traitor Huo Yuanting.”

“Hahaha, you guys are really good at talking big. Once I kill you, Huo Yuanting will let our Ghost Face Sect stay in the Purple Flame Sect and use the resources of the Divine Fire Mountain.”

“By that time, it’s uncertain who will own the Divine Fire Mountain. Maybe even the Purple Flame Sect will no longer exist!”

Elder Tu laughed out loud!

“Damn Huo Yuanting, how dare he agree to such a request?”

When Zhu Ling heard this, her face turned red with anger!

“It seems that you have been connected for a long time. Huo Dong has your aura on him. He must have been driven out of the sect and taken in by your Ghost Face Sect.”

[The Man Decree] A Man Like None Other Chapter 4011-“And the demon soul in the old sect master’s body was also provided by your Ghost Face Sect, right?”

Chen Ping looked at Elder Tu and asked lightly!

Elder Tu had never looked at Chen Ping straight in the eye. After all, Chen Ping was too young and his strength was not very high. He thought Chen Ping was just an ordinary disciple of Zi Yan Sect!

“How did you know? You look so young, but you are only at the fourth level of the Tribulation Realm. I didn’t expect you to be such a careful observer.”

“Then Huo Dong was indeed taken in by us. We took him in in preparation for today.”

“And the demon soul was indeed provided by us, but it was destroyed by someone. I didn’t expect that Zi Yan Sect still has such a master.”

Elder Tu said!

“To be honest, I was the one who destroyed that evil spirit. If I can destroy your evil spirits, I can also destroy you.”

Chen Ping said calmly!

“It’s you?” Elder Tu looked at Chen Ping in disbelief. “How could you possibly do this if you are not at the fourth level of the Tribulation Realm?”

“Yes, I am at the fourth level of the Tribulation Realm, but I specialize in dealing with demonic cultivators. My strength is more than enough to kill you!”

Chen Ping laughed!

“Hmph, how shameless!” Elder Tu snorted coldly!

“Miss, Cheng Ping, the two of you go to the Divine Fire Mountain and stop Huo Yuanting from getting the Divine Fire Seal. I’ll take care of the people from the Ghost Face Sect!”

Elder Yu is going to take his men to fight against the Ghost Face Sect, and asks Chen Ping to accompany Zhu Ling to Shenhuoshan!

“None of you can leave!”

Elder Tu said!

Elder Yu suddenly jumped up, rays of spiritual light burst out from his body, and then he threw a punch, creating a fire dragon!

The fire dragon exploded in front of Elder Tu and the others, and the raging flames rushed towards the people from the Ghost Face Sect!

Elder Yu took the initiative in order to create an opportunity for Chen Ping and Zhu Ling to leave!

“Hmph, just a trifle...”

Elder Tu snorted coldly, then waved his hand. Suddenly, a huge hand appeared in the air and moved towards the sea of fire like a mountain!

With this palm strike, the burning sea of fire was instantly covered and the flames were extinguished instantly!

Elder Yu was stunned. It seemed that Elder Tu was stronger than him.

Seeing this, Chen Ping and Zhu Ling realized that if they didn't deal with the people from the Ghost Face Sect, they would never be able to escape!

Especially since the two of them went to Shenhuoshan Mountain, I'm afraid they would not be able to stop Huo Yuanting!

“Let's work together and kill the people from the Ghost Face Sect first!”

Zhu Ling shouted loudly, and then everyone from Zi Yan Sect rushed forward!

For a moment, the Zi Yan Sect and the Gui Lian Sect fought together, and Chen Ping took out the Demon Whip without hesitation!

At this moment, Chen Ping was not afraid of exposing his identity, and the magic whip in his hand was snapping!

The demon cultivators were beaten so hard that they screamed and shrieked!

After all, the Demon Whip is specifically aimed at demon cultivators, and it attacks the demon cultivators' spiritual consciousness, which gives the people from the Ghost Face Sect a headache!

Zhu Ling looked at the magic whip in Chen Ping's hand and was a little dazed for a moment!

She seemed to remember that Chen Ping had a magic whip in his hand!

Zhu Ling paid special attention to Chen Ping, after all, Chen Ping is her idol!

“Could he be Chen Ping?” Zhu Ling stared at Chen Ping blankly!

“What are you looking at? If you don't take action now, it will be too late to stop Huo Yuanting.”

Chen Ping saw Zhu Ling staring at him in a daze, so he said!

Zhu Ling reacted and quickly started to take action!

Just when Chen Ping was using the magic whip to kill people everywhere, suddenly a transparent beam of light shone towards him!

The light beam was so fast that there was no time for Chen Ping to react before it reached his head!

Only then did Chen Ping notice that a ghost face talisman had appeared in the air without him noticing!

The light is shining from this ghost face talisman!

And a man in long sleeves was looking at Chen Ping coldly!

His body was hanging in the air and his face was extremely pale, like a dead person!

[The Man Decree] A Man Like None Other Chapter 4012– The cold eyes and the half-smile expression made Chen Ping feel a little scared!

“You are only at the fourth level of the Tribulation Realm, but you actually have a magical weapon like the Devil Whip in your hand. If I am not mistaken, you should be the Chen Ping that the Demon Sealing Alliance has been hunting down with a hundred years of offerings, right?”

The man said coldly!

Chen Ping’s expression suddenly changed, and he quickly shook his head and said, “I am your grandfather, but who is Chen Ping? I don’t even know him!”

Chen Ping cannot admit it. If he admits it, there will be a lot of trouble later!

The man’s words startled Elder Yu, Zhu Ling, Wei Qing and others who were fighting!

They had also heard of Chen Ping’s name, and the Demon Sealing Alliance had used a hundred years of offerings to hunt down Chen Ping. This had long been known to everyone, and even the entire heavenly world knew about it!

Now that Chen Ping is right in front of them, how could they not be surprised!

However, Chen Ping did not admit it at all, which made them a little undecided!

“Hahaha, no matter if you are or not, I will take your head to the Demon Sealing Alliance to try.”

After the man finished speaking, he rushed directly towards Chen Ping!

“Junior brother...”

Seeing this, Zhu Ling was concerned about Chen Ping and wanted to help him, but she was entangled by the people from the Ghost Face Sect and had no way to escape!

Soon, black mist began to spread around Chen Ping, wrapping him up!

When others saw this scene, they were all worried about Chen Ping!

But they are all in trouble now, and no one can help Chen Ping!

Chen Ping was wrapped in the black fog, but he was not panicked at all. He was not afraid of the man in front of him. He was worried about other people!

If the fight continues like this, Elder Yu and the others will definitely be at a disadvantage, and they might even be wiped out!

This is not what Chen Ping wants to see!

“Brother, sister, I will help you fend off these people in a while, you guys hurry to Shenhushan, don’t look back, and don’t worry about me.”

“I have a way to escape. They can’t do anything to me...”

Chen Ping sent a message to Zhu Ling and others, asking them to escape as soon as possible!

There is no benefit for them to continue to waste time with the people from the Ghost Face Sect!

However, Zhu Ling and the others were very curious. They didn’t understand how Chen Ping, a fourth-level Tribulation Realm cultivator, could stop dozens of people from the Ghost Face Sect.

You must know that Elder Tu from the Ghost Face Sect is a master in the Mahayana realm!

Just when everyone didn’t know how Chen Ping would help them stop the people from the Ghost Face Sect, suddenly a figure rushed out from the black fog!

Seeing this, the man from the Ghost Face Sect slapped him with his palm. He thought it was Chen Ping who rushed out!

But after slapping the other person, the man from the Ghost Face Sect immediately regretted it!

Because he felt that this palm was like hitting a solid wall, and his arms were numb from the shock!

Upon closer inspection, I discovered that the figure was actually a puppet!

Just as he was stunned, the puppet punched out!

A giant flaming fist hit the man from the Ghost Face Sect and knocked him away!

Chen Ping waved his hand and the black fog dissipated instantly!

Everyone stopped at the same time and looked at Chen Ping's puppet in disbelief!

Such an awesome puppet, its strength is simply too strong!

They had no idea that the driving core of this puppet was the ultimate fire spirit of the Fire Spirit Star Lord!

This ultimate fire spirit is probably even more powerful than the divine fire seal of the divine mountain fire!

If this kind of thing is used on a puppet, how can the puppet not be awesome!

Chen Ping commanded the puppets to attack Elder Tu, then swung the Magic Whip in his hand vigorously, and flames burned around the Magic Whip!

“You guys go quickly...”

Chen Ping shouted!

Elder Yu and the others were stunned for just a moment, then they immediately jumped up and headed straight for the Divine Fire Mountain!

They also knew that if they were entangled by the Ghost Face Sect, they would not be able to stop Huo Yuanting from obtaining the Divine Fire Seal!

[The Man Decree] A Man Like None Other Chapter 4013-“Stop them, don't let them get away...”

Elder Tu yelled loudly, but he was entangled by the puppet and couldn't free his hands!

The other disciples of the Ghost Face Sect wanted to stop him, but were stopped by Chen Ping using his Magic Whip!

Moreover, the stars that were the origin of Chen Ping's illusion kept flickering, and a huge illusion array appeared!

Although the illusion array cannot harm these disciples of the Ghost Face Sect, it can stop their actions!

For a moment, all the disciples of the Ghost Face Sect were trapped in the illusion array and had no way to stop it!

Elder Yu and Zhu Ling led their men and quickly headed towards the Divine Fire Mountain!

Zhu Ling looked back from time to time, obviously worried about Chen Ping!

Seeing that the time was almost right, Chen Ping suddenly waved his hand and called the puppet back!

He didn't want his puppet to be damaged. If the fire spirit was hurt, it would be troublesome. Such a treasure could not be obtained at any time!

At the moment of recalling the puppet, Chen Ping activated the Fire Control Step!

I saw a flame burning under the soles of my feet, and then Chen Ping seemed to have disappeared out of thin air, tearing through the void and appearing several miles away in an instant!

The reason why Chen Ping dared to stay and resist alone was because he had the Fire Control Step. This was his reliance. Even if he couldn't win, he could still escape!

As the fire burned, Chen Ping's fire-controlling steps became more and more proficient, and he jumped in the space as if teleporting!

Elder Tu from the Ghost Face Sect looked at Chen Ping's space-jumping movement with a look of bewilderment on his face!

“What the hell kind of skill is this? How can it be so fast?”

Elder Tu rubbed his eyes!

Even though he was a master in the Mahayana realm, he couldn't reach such speed. Even if his speed was very fast, a trace of afterimage could be seen!

But Chen Ping could not see any afterimage at all. It was as if it disappeared in an instant and then appeared in another place in an instant!

This speed cannot be explained by just being fast!

Judging from Chen Ping's speed alone, a fourth-grade cultivator in the Tribulation Realm is far superior to those Mahayana masters!

Elder Tu tried his best to catch up, and some of the Ghost Face Sect disciples broke through the illusion and chased after Chen Ping!

Chen Ping smiled coldly. With the Fire Controlling Step, he was not afraid at all and could deal with the people from the Ghost Face Sect completely!

Chen Ping took out the Dragon-Slaying Sword, and then his body flashed and suddenly appeared in front of the Ghost Face Sect disciples!

Then he swung the Dragon-Slaying Sword, and a golden sword light flashed across, tearing the void.

Those disciples of the Ghost Face Sect had no time to dodge at all. They also didn't expect that Chen Ping didn't run away, but suddenly turned back and appeared in front of them!

Accompanied by several screams, the hurried Ghost Face Sect disciple was unexpectedly cut in half by Chen Ping's sword, and the smell of blood instantly filled the air!

Just after Chen Ping swung his sword, his body disappeared again!

Elder Tu was so angry when he saw this that his face turned red. He screamed loudly, "You are Chen Ping. You dare not admit it? I must kill you today."

The moment Chen Ping took out the Dragon-Slaying Sword, he understood that the other party would definitely be able to see through his identity!

But Chen Ping didn't care. After all, there were only people from the Ghost Face Sect here, and no one from the Purple Flame Sect!

When the time comes, no matter what the people from the Ghost Face Sect say, just don't admit it!

After all, the Dragon Slaying Sword is Chen Ping's personal magic sword. The moment Chen Ping took out the Dragon Slaying Sword, his identity was exposed!

"I am Chen Ping, what can you do to me? You idiot, you want to take my head to the Demon Sealing League to seek credit? Don't you know that the Demon Sealing League is specifically designed to deal with demon cultivators like you?"

Chen Ping deliberately angered Elder Tu in order to prevent him from cooperating with the Demon Sealing Alliance.

[The Man Decree] A Man Like None Other Chapter 4014-“Humph, the Demon Sealing Alliance openly kills us demon cultivators, but they have discussed cooperation many times behind the scenes.”

“The Feng family in the Central Region is a vassal family of the Demon Sealing Alliance. They have already discussed with us about killing you.”

“I didn't expect that you hid your identity and hid in the Purple Flame Sect. I encountered you today. It's a blessing for our Ghost Face Sect.”

Elder Tu snorted coldly, obviously not caring about Chen Ping's deliberate provocation!

When Chen Ping heard Elder Tu say this, he couldn't help but frown slightly!

He didn't expect that the Demon Alliance would actually start negotiating with the demon cultivators in order to kill him!

You know, in the past, the Demon Sealing Alliance would eliminate all the arrogant and disobedient demon cultivators and force them to submit!

And now, he actually started to negotiate with the demon cultivators!

“You can't kill me with your ability...”

Chen Ping smiled coldly!

“Really?” After Elder Tu finished speaking, he instantly jumped up, and the sky and the earth instantly became dark!

Immediately afterwards, countless black spiritual chains, burning with flames, rushed towards Chen Ping!

These spiritual chains, like tentacles, seem to have life!

In just a moment, it reached above Chen Ping's head!

The spiritual energy chains that covered the sky and the sun blocked all of Chen Ping's escape routes!

This is true even miles away!

Because Elder Tu saw that each time Chen Ping jumped through space, the distance was only a few miles, so this time he covered an area of several miles, so Chen Ping could not escape at all!

The speed of this spiritual energy chain was extremely fast, and it covered the sky and the sun, leaving Chen Ping no time to react at all!

Seeing that Chen Ping had no way to avoid it, Elder Tu raised the corner of his mouth!

In his opinion, Chen Ping was doomed to die!

After all, he is an expert in the Mahayana realm. If he cannot deal with a small cultivator of the fourth level in the Tribulation Realm, wouldn't he be laughed at?

However, Chen Ping looked at those spiritual chains without showing any panic.

Countless spiritual chains, burning with fire, came towards Chen Ping, but when they reached Chen Ping, Chen Ping's body trembled slightly!

A visible white light flashed out, and then the spiritual chains suddenly stopped moving, and even the supreme fire on them stopped beating!

It was as if the entire space and time had stopped.

“What? You actually know that time stops. Have you comprehended the origin of time?”

Elder Tu was horrified!

Chen Ping smiled coldly, his body disappeared instantly, and then appeared several miles away!

Chen Ping has comprehended the origin of time, but he is still unable to make time stop completely!

What he used just now was just the extremely cold ice flame!

The spiritual chains and the ultimate fire were just frozen, and it looked like time and space had stopped!

In this way, Elder Tu will become suspicious and dare not act rashly!

Being able to make time stand still is a method used by immortals, how could these cultivators from the celestial world be able to perform it!

Now Chen Ping actually used it!

Just when Elder Tu was a little dazed, the man who had been fighting with Chen Ping suddenly shouted, “Elder Tu, this is not time standing still, but the spiritual energy chain has been frozen.”

These words reminded Elder Tu, and sure enough, he felt a strong chill from the spiritual energy chains!

“This kid still wants to bluff me...”

Elder Tu narrowed his eyes, murderous intent bursting from his body!

I saw that Elder Tu’s eyes turned into a dark color, and black flames filled the air around him. In these black flames, several figures slowly appeared!

“Humph, no matter how fast you are, can you be faster than the Demon Soul?”

Elder Tu snorted coldly!

You must know that demon souls are not bound by any laws and can be very fast. After all, they do not have physical bodies, but only spirits!

[The Man Decree] A Man Like None Other Chapter 4015-Several demonic souls instantly rushed towards Chen Ping, so fast that they could not be seen clearly!

whoosh whoosh whoosh!

These evil spirits were like arrows, disappearing into the void in an instant, and then appearing in the distance!

Elder Tu followed closely behind, following these evil spirits!

Chen Ping frowned. He could feel a sense of danger coming. Then he activated the Fire Control Step and his body disappeared from the spot again!

But at the moment when Chen Ping disappeared, those demon souls had already appeared where Chen Ping had just stood, and those demon souls also disappeared instantly!

Chen Ping's face was cold, he didn't expect that Elder Tu from the Ghost Face Sect had such a method. At this moment, Chen Ping didn't know what it was, but its speed was not inferior to his at all!

Just as Chen Ping took a step forward and his figure reappeared, several demonic souls had actually appeared above Chen Ping's head!

“Demon soul?”

Seeing what followed, Chen Ping was a little surprised!

He couldn't imagine that Elder Tu could actually control several demon souls at the same time!

Several demon souls were roaring, looking extremely ferocious!

Although these evil spirits looked very scary, Chen Ping no longer had the same sense of crisis as before!

You must know that the only part of your sea of consciousness that can be harmed by the devil soul!

The evil spirit cannot cause any harm to Chen Ping's body, nor can it attack Chen Ping's body!

You can only attack Chen Ping's sea of consciousness, but Chen Ping's sea of consciousness is not so easy to attack!

In addition to the Red Cloud Demon Lord in the sea of consciousness, there is also the precious book Daluo Golden Classic!

“Senior, can you handle these demon souls?”

Chen Ping asked the Demon Lord Chiyun!

“What are you talking about? Are you trying to hit me in the face? How dare you ask such a question!”

“Don’t even mention these demon souls. Even if it’s the demon soul of the Lihuo Demon Lord in the Heaven Realm, I’ll beat the shit out of him!”

Demon Lord Chiyun said with disdain on his face!

“Senior, you are so mighty!” At this time, Chen Ping could only obey Demon Lord Chiyun. If he likes to brag, then let him brag a few times!

Several evil spirits surrounded Chen Ping and instantly poured into Chen Ping’s body!

Soon, it rushed into Chen Ping’s sea of consciousness!

Seeing that Chen Ping was possessed by the evil spirit, Elder Tu laughed triumphantly!

“Even if your sea of consciousness is strong, I don’t believe that I can’t subdue you with these demon souls together!”

Elder Tu slowly walked towards Chen Ping!

As Chen Ping looked at Elder Tu approaching, he suddenly came up with an idea. His eyes instantly became lifeless, as if his sea of consciousness was controlled!

But at this moment, those demon souls regretted one by one after entering Chen Ping’s sea of consciousness!

They all screamed in agony, and were frightened to death by a wave of the Scarlet Cloud Demon Lord’s hand!

This is not an opponent of the same level at all. Even though Demon Lord Chiyun is just a remnant soul at this moment, even so, he is not comparable to the souls of the demon cultivators in the Heavenly Realm!

Elder Tu walked up to Chen Ping at this time, and seeing that Chen Ping’s eyes were lifeless and his whole body was like a puppet, he couldn’t help but smile coldly!

“Elder Tu’s demon soul is still powerful. Even if this guy is very powerful, it will be useless if his sea of consciousness is not strong!”

The man from the Ghost Face Sect also caught up and then praised Elder Tu!

“This trip was really worthwhile. Not only did we negotiate terms with Zi Yan Sect, but we also managed to capture Chen Ping.”

“Now we can go to the Demon Sealing Alliance to exchange for a hundred years of offerings. You take this kid back to the sect now, and I will go after those guys from the old sect master’s lineage of the Purple Flame Sect. We must not let them cause trouble.”

Elder Tu said to the man!

After all, Chen Ping is now controlled by the evil spirit and is no different from following a fool, so anyone can take Chen Ping away!

“good!”

The man nodded, then walked up to Chen Ping and waved, “Come with me...”

Chen Ping took mechanical steps and followed the man!
