

## [The Man's Decree]

### A Man Like None Other Chapter 4031

[The Man Decree] A Man Like None Other Chapter 4031-The endless flames around were madly absorbed by Chen Ping, and then merged into the red flames!

“die.....”

Murderous intent suddenly appeared in Chen Ping's eyes, and red flames suddenly burst out!

At the moment when the red flame was released, Chen Ping also used the origin of time. Although Chen Ping's origin of time could not stop time and space, he could slow down the flow of time in this area!

In this way, it would be almost impossible for Elder Tu to dodge Chen Ping's attack!

Chen Ping knew that when facing a Mahayana master like Elder Tu, he had to hit the target with one strike, only then would he have a chance of escaping!

He had no intention of killing Elder Tu. Chen Ping knew that a master in the Mahayana realm would not be killed so easily!

Elder Tu was different from Munaiyi. Munaiyi used a secret method to forcibly increase his strength and reached the Mahayana realm!

However, this Elder Tu is a master who has already entered the Mahayana realm for many years!

At this moment, Elder Tu only felt that his body movements slowed down, and the flow of time around him was getting slower and slower!

However, the attack launched by Chen Ping did not seem to be affected by the flow of time!

Elder Tu was shocked and looked at Chen Ping in disbelief!

But then he smiled and said, “I never thought that you, a mere fourth-grade cultivator in the Tribulation Realm, could actually master the origin of time. Many Mahayana masters have not mastered this.”

“But even if you comprehend the origin of time, you can never kill me, because you are not strong enough for it.”

After all, the gap in strength is huge, and now Elder Tu has used a secret method to let the ghost face possess him. Even if Chen Ping can control time and launch an attack, Elder Tu is not afraid!

Because Chen Ping’s attack could not hurt him, Elder Tu had absolute confidence!

Chen Ping looked at the confident Elder Tu, and he also knew that his attack could not hurt him!

Not to mention how powerful Elder Tu’s Mahayana realm strength is, just the ghost faces around him are like a solid wall of steel, protecting Elder Tu tightly!

Deep in this lava river, the surrounding flames could not cause any harm to Elder Tu at all. It was all caused by those ghost faces!

If Chen Ping didn’t have the Fire Spirit of the Lord in his hand, he would have collapsed long ago!

However, Chen Ping raised the corner of his mouth. The red flame he had just used was not to defeat Elder Tu!

What Chen Ping really wanted to use was this fire vortex. Now both of them were inside the fire vortex, and neither of them was afraid of the surrounding flames!

But there was one thing that both he and Elder Tu were afraid of, and that was the void crack caused by the vortex of fire!

If you are sucked into that void crack that leads to who knows where, you may never come back!

This is the reason why Chen Ping used the origin of time to slow down the flow of time!

And that ball of crimson fireworks was also meant to create a void crack in the vortex of flames!

The void crack will not be affected by the flow of time. After all, the time in the void crack is another unknown world and will not be affected by the flow of time in the heavenly world!

Chen Ping had planned this from the beginning just to make Elder Tu careless!

Now Elder Tu was indeed careless. He thought that Chen Ping's red flames could not hurt him at all, so he was not in a hurry!

However, as Chen Ping's ball of red flame exploded instantly, the void within the flame vortex suddenly became distorted!

Immediately afterwards, a void crack appeared in the center of the vortex and continued to grow larger!

Inside the void crack, there was darkness, like a bottomless abyss!

The void crack emits a huge suction force!

Elder Tu was closest to the void crack, and feeling the huge suction force, he began to panic!

**[The Man Decree] A Man Like None Other Chapter 4032**-He wanted to dodge, but the speed of time made it very difficult for him to move!

At this moment, Elder Tu knew that he had been fooled!

“Boy, you tricked me...”

Elder Tu glared at Chen Ping and roared loudly: “If you have the guts, come and fight me head-on, why are you playing such tricks...”

Elder Tu now knew that Chen Ping did not want to kill him, but wanted to suck him into the void crack.

By that time, Chen Ping will no longer care about his own life or death!

“ah.....”

Elder Tu roared angrily. At this critical moment of life and death, all the ghost faces around Elder Tu's body became terrifying!

Moreover, a large amount of essence and blood was constantly oozing out from between Elder Tu's brows and was absorbed by those ghost faces!

Chen Ping's body shook, and he felt a surge of evil energy running through his body, and suddenly a mouthful of blood spurted out!

This Elder Tu's struggle before death was truly amazing!

As Chen Ping spurted out a mouthful of blood, the origin of time he was using stopped instantly, and the flow of time returned to normal!

Elder Tu just felt his body relax and was about to escape the suction of the void crack!

But it was too late now. The crack in the void was like the mouth of a giant beast and had begun to swallow Elder Tu!

Elder Tu was shaking all over, feeling as if he had fallen into a bottomless abyss. No matter how hard he tried, he could not break free from the void crack!

Looking at Chen Ping's smug look not far away, Elder Tu was so angry that he almost died!

He roared madly, his heart filled with resentment!

He is clearly a master in the Mahayana realm, and he is clearly the hunter!

But now Chen Ping, his prey, can watch with pride as he is swallowed by the crack in the void!

He used a secret method to possess all the ghost faces and fed them with his own blood and essence, so he was no longer afraid of the flames!

But even so, the result is still like this!

Elder Tu was really unwilling to accept this!

Why, why did it become like this?

He couldn't understand it. It seemed like he hadn't done anything wrong, but the result turned out like this!

“ah.....”

Elder Tu roared in dissatisfaction, and dozens of ghost faces flew up from Elder Tu's body and headed straight for Chen Ping!

Elder Tu was planning to take Chen Ping with him before he died!

Dozens of ghost faces tried to wrap up Chen Ping and drag him into the void crack!

Seeing this, Chen Ping instinctively stepped back, but those dozens of ghost faces were very fast. They instantly exploded and wrapped Chen Ping, then desperately rushed towards the crack in the void!

“Fuck, let me go...”

Chen Ping held the Dragon Slaying Sword and attacked those ghost faces desperately, but he didn't know what those ghost faces were made of. They were chopped by the Dragon Slaying Sword without any damage at all!

Chen Ping once again burst out with the ultimate fire, trying to burn these ghost faces, but these ghost faces were not afraid of the ultimate fire!

“Hahaha, stop struggling, it's useless...”

Seeing this, Elder Tu burst into laughter. He had given up struggling. Without the protection of Ghost Face, Elder Tu's body quickly went towards the crack in the void!

At the same time, the fiery energy caused Elder Tu to suffer extremely painful torture!

But even so, he still sacrificed his ghost face and wanted to die with Chen Ping!

Chen Ping frowned and was pulled towards the crack in the void!

Soon, Chen Ping and Elder Tu were all swallowed up by the void crack. The two of them were like a lone boat in the vast ocean, falling into the endless darkness!

In the cracks of the void, there are sharp blades of time and space everywhere. The crisscrossing blades of time and space can cut through everything!

This huge void crack does not lead to one time and space, but to countless time and space!

The aura of each time and space is different, and the intersection of each time and space is a sharp blade of time and space!

In the crack of the void, the dozens of ghost faces on Chen Ping's body seemed to have lost their lives and fell off one after another!

**[The Man Decree] A Man Like None Other Chapter 4033**-Then they fell into different time and space, and some were cut in half by the sharp blade of time and space!

Chen Ping held his breath and concentrated, and an eye instantly appeared between his eyebrows. In front of Chen Ping's eyes, the endless black turned into a gray haze, and those sharp blades of time and space could also be seen clearly by Chen Ping!

The opening of the Tianming Eye allows Chen Ping to easily snatch those sharp blades of time and space!

When Elder Tu saw the eyes that suddenly appeared on Chen Ping's forehead, his face was filled with shock!

Immediately followed by a scream, Elder Tu's legs were instantly cut off by the sharp blade of time and space.

At this time, Elder Tu's legs had separated from his body and fell into a different time and space.

Although Chen Ping can now discover those sharp blades of time and space, which space is the way to survival?

Not every place that a void crack teleports to is another world!

The place where you are teleported to by a void crack is a dead place!

The whole world is a dead place, there is no life!

If you end up in a place like this, there is no other way out except death, and it will be a lonely death!

Chen Ping doesn't want to go to that kind of place!

"Senior, can you help me see which of these void cracks is the way out?"

Chen Ping had no choice but to ask Demon Lord Chiyun for advice!

"You are so terribly stupid. I don't know how you have managed to survive until now with such an idiot attitude."

The Scarlet Cloud Demon Lord rolled his eyes at Chen Ping, and then said, "There are different auras in every small void crack. If you don't want to leave here, find the one with the most similar aura to this place, and you will definitely not go wrong."

"Different spaces, different worlds, the aura cannot be the same unless they are in the same world!"

Demon Lord Chiyun's words suddenly enlightened Chen Ping!

If Demon Lord Chiyun hadn't said it, Chen Ping really wouldn't have thought of this!

"Thank you, Senior. I've really been enlightened..."

Chen Ping thanked Demon Lord Chiyun!

"What is there to be thankful for? When you reach my level, you will be able to control the aura of thousands of worlds, and you can tear through the void at any time to reach the world you want to go to."

"But the prerequisite is that you must control the aura of that world. Only in this way can you use the aura of that world to tear apart the void and reach the place you want."

The Red Cloud Demon Lord said!

Chen Ping was shocked. He thought that people like the Red Cloud Demon Lord could go wherever they wanted, but he didn't expect that there were restrictions. He had to control the aura of the world before he could use the void cracks to teleport there!

“Senior, if I want to go to a world but I don’t know the aura of that world, is there no way I can go there?”

Chen Ping asked curiously!

“Stupid, just because you don’t know doesn’t mean others don’t know either. Why don’t you ask someone to help you tear the void and create void cracks?”

The Scarlet Cloud Demon Lord was speechless!

When Chen Ping heard this, he was immediately embarrassed. It was such a simple thing, but he didn’t even understand it!

It’s like if you don’t know a place or the road, you can find a driver who knows the road to take you there!

Chen Ping actually asked such a simple question!

Embarrassed Chen Ping stopped talking and hurriedly explored the breath emanating from every crack in the void!

Soon, Chen Ping noticed a small void crack, because there was a familiar breath in this void crack.

The only auras that Chen Ping is familiar with now are the secular world and the heavenly world!

If this crack in the void does not lead to the heavenly world, then it must be the secular world!

If he really goes to the secular world, Chen Ping can go home and take a good look!

Seriously, he missed home!

Whether going to the secular world or the heavenly world, Chen Ping could accept it, so he rushed into the void crack without hesitation!

Accompanied by a huge explosion of power, Chen Ping rolled over, and then his brain went blank and he lost consciousness instantly!

**[The Man Decree] A Man Like None Other Chapter 4034**-After an unknown amount of time, Chen Ping opened his eyes and found himself in a huge cave!

The whole cave looks very huge, and there seems to be the sound of flowing water!

Chen Ping shook his head. He didn't know where he had been teleported to through the void crack!

"Senior, where are we now? Is this still the Heaven Realm?"

Chen Ping asked the Demon Lord Chiyun!

"Please, I can sense the outside world through you. You are unconscious, how can I know anything? What's more, I am just a remnant soul in the void crack, what can I know?"

Demon Lord Chiyun rolled his eyes at Chen Ping and said!

"If you don't know, then you don't know. Why are you so angry?"

Chen Ping muttered, it must be because he didn't let Demon Lord Chiyun control his body, this guy was angry!

My body is not a toy, how can I let the Scarlet Cloud Demon Lord control it at will!

Chen Ping looked around the cave, and at this moment he had an indescribable feeling in his heart!

He hoped that he would be teleported back to the secular world, but he was also worried about returning to the secular world!

After all, he still has a lot of things to do in the world of heaven and man!

There are people waiting for him in the secular world, and there are also people waiting for him in the heavenly world!

Chen Ping looked around and was surprised to find that the dying Elder Tu was also in the cave. They were actually teleported to one place!

However, Elder Tu at this moment did not look like a Mahayana master at all, but more like an old man in his twilight years!

The grimace on his face disappeared, and his aura was very weak. He no longer had the strength of a Mahayana realm!

He used secret techniques and had his legs cut off by the sharp blade of time and space. After suffering such a blow, it was lucky that Elder Tu was still alive!

Chen Ping went forward and mentioned Elder Tu, and sure enough, he was motionless, he must have fainted!

Seeing this, Chen Ping slowly squatted down!

“Boy, what are you going to do, wake him up?”

Seeing this, the Red Cloud Demon Lord asked!

“Save his ancestors. This guy has always wanted to kill me and die with me. How can I save him?”

“I just saw a storage bag on him. There should be something good in it, so I took it out to have a look!”

Chen Ping said coldly!

Chen Ping is not a saint. Anyone who wants to kill him deserves to die. How could Chen Ping save him!

But just when Chen Ping reached out to take off the storage bag from Elder Tu, Elder Tu suddenly opened his eyes!

“go to hell.....”

Elder Tu immediately stretched out his claws and grabbed Chen Ping’s neck fiercely!

Moreover, Elder Tu’s claw carried a sharp aura and moved at an extremely fast speed. If this claw had grabbed Chen Ping directly, Chen Ping’s neck would have been broken in an instant!

Seeing that Elder Tu was pretending to be unconscious and actually attacked him, Chen Ping did not move at all!

Elder Tu grabbed Chen Ping’s neck and was immediately overjoyed!

“Hahaha, kid, you’re going to die in my hands after all!”

After saying that, Elder Tu suddenly exerted force!

But no matter how hard Elder Tu tried, he just couldn’t break Chen Ping’s neck!

In the end, Elder Tu was so embarrassed that his face turned red and his neck became thick, but it still didn’t work!

Looking at Chen Ping, he looked at Elder Tu as if he was an idiot!

Chen Ping’s body has been tempered countless times. If Elder Tu is still a master in the Mahayana realm, he will definitely be able to break Chen Ping’s neck!

But now Elder Tu is extremely weak, and it is probably difficult for him to even reach the fusion realm!

With this kind of strength, you still want to break Chen Ping’s neck? Is that a joke?

“Don’t you know what kind of person you are now? Forget about breaking my neck. I’m afraid you can’t even break an ordinary stone if I give you one.”

Chen Ping grabbed Elder Tu’s wrist and with a little force, he moved Elder Tu’s hand away!

**[The Man Decree] A Man Like None Other Chapter 4035**-Elder Tu still wanted to resist, but saw Chen Ping exert force suddenly!

Snap!

Elder Tu’s entire arm was pulled off by Chen Ping!

“ah.....”

Elder Tu screamed!

Both legs are gone, and now an arm is lost!

“I thought I was a Mahayana master, bah...”

Chen Ping spat fiercely!

“I kill you.....”

Elder Tu waved his only remaining arm and roared loudly!

This guy, even at this time, is still thinking about killing Chen Ping!

Seeing this, Chen Ping kicked Elder Tu, instantly breaking his shoulder blade, and his entire arm flew out!

This time, Elder Tu lost both his hands and feet, leaving only a mouth, roaring continuously!

Chen Ping stepped directly on Elder Tu’s head, causing Elder Tu to whimper and become unable to make any sound!

“You keep shouting, keep shouting?”

Chen Ping looked at Elder Tu sarcastically!

Elder Tu’s face was distorted and he made an unwilling sound!

You know, at the beginning, he didn’t take Chen Ping seriously at all. As a Mahayana realm, he felt that he could kill Chen Ping with just a wave of his hand!

But what about now?

He was being stepped on by Chen Ping, but he had no way to do anything!

This feeling of going from heaven to hell made Elder Tu wish he could die immediately!

“Kill me, kill me...”

Elder Tu tried hard to utter a few words!

At this moment, he felt that death would be better than this!

“Want to die?” Chen Ping smiled: “The more you want to die, the more I won’t let you die. I will torture you well.”

“You forced me to run around everywhere, and finally brought me to this cave somewhere. If I don’t torture you and make you call me daddy, then I’m incompetent!”

Chen Ping did want to kill Elder Tu at first, but now he decided to keep him and torture him!

Chen Ping loosened his foot to avoid stepping on the guy to death!

“I will not be humiliated, absolutely not...”

Elder Tu roared, and his body suddenly swelled up!

You can tell at first glance that this guy is going to self-destruct!

Chen Ping was quick-witted and kicked him on the back. Elder Tu spat out a mouthful of blood and his swollen body instantly wilted!

“You want to self-destruct? That’s wishful thinking. I’ll destroy your Dantian and see how you can self-destruct!”

Chen Ping looked at Elder Tu with a sneer!

“Ah...kill me. If you don’t kill me, I will definitely kill you. We in the Ghost Face Sect will never let you go!”

Elder Tu roared in despair!

“Hahaha, I won’t kill you. Didn’t you say that I’d rather die than live? I want to see who’s worse off than dead!”

Chen Ping laughed loudly, then opened Elder Tu’s storage bag!

There are many treasures, elixirs, and various cultivation resources in the storage bag. As expected of an elder of the Ghost Face Sect, he has a lot of things!

But there is nothing particularly valuable!

But if you think about it, you can understand that the Ghost Face Sect, as a sect of the demon clan, has always been hiding. Even if you are an elder of the Ghost Face Sect, it is impossible for you to get anything of special value!

“I really don’t know how you managed to reach the Mahayana stage when you are so damn poor.”

After Chen Ping looked through the storage bag, he said to Elder Tu!

Elder Tu’s face turned red with anger, but he had no way to answer Chen Ping’s question!

He could only look at Chen Ping fiercely and said, “Boy, we are now teleported to an unknown area, and this should be a deadly place. Even if you torture me, you can’t leave this place.”

“Your fate is to die alone. When the time comes, you will be alone and fall into endless loneliness!”

“Is this a dead place?”

Chen Ping was stunned, and then sent out his spiritual sense to explore deep into the cave, but his spiritual sense was always blocked by an inexplicable force!

No data found.
