

[The Man's Decree]

A Man Like None Other Chapter 4036 -

[The Man Decree] A Man Like None Other Chapter 4036-At this moment, Chen Ping frowned: "Is this really a place of death?"

"What a dead place! You believe what he says! This isn't what a dead place looks like. But this place is indeed a little special!"

Suddenly, a figure appeared beside Chen Ping!

The residual soul of the Red Cloud Demon Lord actually broke away from Chen Ping's sea of consciousness!

Elder Tu was also shocked when he saw that there was suddenly another person beside Chen Ping!

But when he saw it clearly, he was shocked and asked, "Demon Soul? Could this be the demon soul in your sea of consciousness? Is it the one who destroyed my demon souls?"

"Shut the fuck up, you deserve to be called a demon soul? Are you guys worthy of being called a demon clan?"

"I am the real demon. You are just demon cultivators at best. You don't have pure demon blood. I think you are just a mess, a combination of humans and demons."

Demon Lord Chiyun looked at Elder Tu with disdain and said!

This guy always claims that he is a demon, but there are not many people with real demon bloodline. Many demon cultivators are human, and they become demon cultivators because they practiced magic skills!

After development, these people founded their own sects and began to regard themselves as demons!

But they are not pure demons!

It will become increasingly difficult for such people as their strength grows, because those who are not of pure demon blood simply cannot practice the top demon techniques!

"Who are you? How dare you speak of me like that?"

Elder Tu glared at Demon Lord Chiyun!

He can be beaten and ridiculed, but to say that he is not a demon and that he is a skewer is too hurtful, and Elder Tu cannot accept it!

“Who am I?”

The Scarlet Cloud Demon Lord was stunned for a moment, then he laughed loudly and said, “I am the Scarlet Cloud Demon Lord of the Heaven Realm, as famous as the Fire Spirit Star Lord. This Divine Fire Mountain was formed by an item dropped by the Fire Spirit Star Lord.”

“Now do you think I still have any objection to what I said to you?”

Demon Lord Chiyun’s words left Elder Tu dumbfounded!

He didn’t know Demon Lord Scarlet Cloud, but he had heard of Lord Fire Spirit. According to legend, this Divine Mountain Fire was formed by something dropped by Lord Fire Spirit!

Just by dropping an item, a sacred volcano was formed, and a large sect like the Zi Yan Sect was born!

Needless to say, what is the status and position of the Fire Spirit Star Lord!

And the one in front of him was actually the Demon Lord who was as famous as the Fire Spirit Lord!

Elder Tu was almost scared to death. Now he finally understood why Chen Ping, who was only at the fourth level of the Tribulation Realm, was so difficult to deal with!

“Senior, your remnant soul can suddenly escape from my sea of consciousness. Does this mean that this cave is similar to the Demon-Swallowing Cave where you are?”

Chen Ping asked the Demon Lord Chiyun!

“Yes, it is similar in some ways. Otherwise, I would not dare to expose the remaining soul to the outside world. However, this also proves that this is not a place of death.”

Demon Lord Chiyun nodded and said!

“I understand!” Chen Ping nodded!

He took out the magic whip and started whipping Elder Tu.

The Demon Whip was aimed at the spiritual consciousness of the demons. Elder Tu was whipped by the Demon Whip and screamed in pain!

He could endure the physical pain, but Elder Tu could not bear this kind of mental and spiritual torture!

“I told you I’m going to beat you until you call me daddy...”

Chen Ping said while smoking!

But Elder Tu was stubborn and never called Chen Ping “Dad” from beginning to end!

Soon, Elder Tu was beaten unconscious. He had no hands or feet, and only his torso kept shaking!

Upon seeing this, Chen Ping tied up Elder Tu with the Magic Whip, then pulled him away by hand, and began to look for a way out of the cave!

As we walk along the way, there are traces of blood all the way behind us!

Elder Tu woke up and saw himself being dragged by Chen Ping like a dead dog. He completely collapsed!

[The Man Decree] A Man Like None Other Chapter 4037-Chen Ping didn’t care how Elder Tu howled and kept looking for a way out in the cave!

Fortunately, I have Demon Lord Scarlet Cloud by my side, so I don’t feel lonely!

The cave is very big, but it is completely dark. Even Chen Ping can only see a hundred meters away!

Moreover, there is no way to emit spiritual consciousness. Every time it is emitted, it will be blocked by an unknown force!

There is a lot of pressure in the cave, and heat waves come from time to time!

“Why do I feel more and more that this is not a cave, but more like the belly of a large monster?”

Chen Ping looked around and said!

The occasional heat waves at that time were like the breathing of some large monster, brought by every breath!

“Stop talking nonsense. What kind of monster can have such a big belly? There is no way such a huge monster can exist in a place like the Heavenly Realm.”

“Although anything can happen in this world, and anything can appear, there are still certain rules to follow.”

“The laws of heaven and earth have their own destiny. If such a large monster appeared in this small world of heaven and man, it would be a disaster.”

Demon Lord Chiyun said to Chen Ping!

Chen Ping was stunned, and then looked at the Scarlet Cloud Demon Lord in surprise: “How do you know this is the Heaven Realm? Could it be another world? Are we in some other unknown world?”

Seeing this, the Scarlet Cloud Demon Lord was immediately embarrassed, then he said with a smile: “I wanted to scare you, but I didn’t expect to let it slip.”

“This is the Heaven Realm, but you just didn’t observe carefully. Although you are talented, you are as stupid as a pig sometimes!”

“Have you not noticed that there are free filaments of flame on the stone walls around the cave?”

“Although these flame filaments are very weak and you cannot detect their aura, you can try to fuse them together.”

After listening to the words of Demon Lord Chiyun, Chen Ping looked carefully around the stone wall and indeed found many extremely fine flame filaments!

These thin filaments of flame had obviously penetrated into the cave little by little from the outside, but because they were too tiny, Chen Ping didn’t notice them at all!

Chen Ping tried to attract the thin filaments of fire on the stone wall to his surroundings little by little!

It took Chen Ping a while to collect a flame as big as a candle!

However, this little flame was enough for Chen Ping to detect the breath of the flame.

When Chen Ping felt the breath of fire, his eyes suddenly widened with disbelief in his eyes!

“This this.....”

Chen Ping was extremely shocked!

“How about it, do you feel anything now?”

The Scarlet Cloud Demon Lord asked with a slight smile on his face!

“This is... this is the flame of the Divine Volcano. Could it be that we have never left the Divine Volcano? Are we inside the Divine Volcano?”

Chen Ping looked at the Demon Lord Chiyun and asked!

He didn't dare to confirm it now, so he could only wait for the answer from Demon Lord Scarlet Cloud!

It is obvious that Demon Lord Chiyun knows everything, but just doesn't tell Chen Ping. Maybe he just wants to play a trick on Chen Ping and take revenge on Chen Ping for not letting him control his body!

“Yes, this is the inner cave of the Divine Volcano. We have not left the Divine Volcano. The void crack just now only sent us to the interior of the Divine Volcano!”

Demon Lord Chiyun smiled and nodded!

“Fuck, you fucking knew this a long time ago, and you didn't tell me?”

Chen Ping glared at Demon Lord Chiyun angrily!

“You won't even let me play with my body, so why should I tell you...”

Demon Lord Chiyun turned his head away angrily!

The dignified Demon Lord actually looks like an angry old man at this moment!

Chen Ping was speechless when he saw this. Are all these old guys in heaven so unique?

Elder Tu was half dead as he listened to the conversation between Chen Ping and Demon Lord Chiyun. He was completely confused!

[The Man Decree] A Man Like None Other Chapter 4038-Is this the Demon Lord of Heaven?

Is this Chen Ping's attitude?

“Okay, I was wrong. Can't I help you recover your body as soon as possible? Then tell me, how do you get out of this cave?”

Chen Ping could only apologize!

It must be said that even if only a wisp of soul remained of the Scarlet Cloud Demon Lord, his strength was much stronger than his own!

Chen Ping didn't notice the flame filaments at all, but Demon Lord Chiyun not only found them, but also detected the aura of those flame filaments!

This is the gap, the gap in strength!

"I don't know..." said the Red Cloud Demon Lord!

"Why are you still angry? Isn't it enough that I apologized?" Chen Ping said speechlessly!

"I really don't know. It's no use apologizing a hundred times. I haven't been here."

"If I had a physical body now, I could flatten the entire God Mountain, and then I could get out, right?"

"Or you can lend me your body..."

The Red Cloud Demon Lord said!

Upon hearing this, Chen Ping quickly waved his hand and walked forward quickly!

By the time the Sacred Mountain was flattened, my own body would have been reduced to ashes!

Chen Ping dragged Elder Tu forward, letting Elder Tu's body bump into things in the rugged cave!

No matter how Elder Tu shouted, Chen Ping pretended not to hear!

Soon, Chen Ping and his companions came to a fork in the road. There were four roads in total, and Chen Ping chose one based on his feeling!

Since he knew that this was the world of heaven and human beings, and inside the Divine Fire Mountain, Chen Ping was no longer panicked!

No matter which way you go, you will eventually be able to get out of the Shenhua Mountain!

But not long after walking, there was another fork in the road, and Chen Ping continued to choose one path and continue walking!

Although there is pressure in the cave, it is nothing to Chen Ping!

Since Demon Lord Chiyun is a remnant soul, he is not afraid of any pressure!

But Elder Tu, although only his torso was left, still had to endure the pressure and the humiliation of his body constantly bumping against stones and being dragged like a dead dog!

The thing Elder Tu hopes for most now is death!

He wanted to die so much, but unfortunately Chen Ping wouldn't let him die!

“How can you get out if you choose the route blindly without following any rules?”

Seeing that Chen Ping was just following his feelings, Demon Lord Chiyun asked helplessly!

“I just go by my feeling. If I can't get out, I'll just keep going. I can't see any rules!”

“How about you tell me which way to go?”

Chen Ping said calmly!

Demon Lord Chiyun looked at Chen Ping. He knew that Chen Ping did it on purpose and was forcing him to show him the way!

Chen Ping also understood the character of Demon Lord Chiyun. If he asked him directly, he would definitely not tell him!

So Chen Ping just left like this, and when Demon Lord Chiyun felt bored, he would take the initiative to speak!

Now Demon Lord Scarlet Cloud took the initiative to speak.

“I don't know how to get out of here either. But there are so many forks in the road. If you go by feeling, you will definitely get lost. And you can't emit spiritual consciousness here.”

“But I'll teach you a way to find the correct route!”

The Red Cloud Demon Lord said!

“What method?” Chen Ping's eyes lit up. He had been waiting for Demon Lord Chiyun's method!

“Of course, we're exploring the way. There are so many forks in the road, it's impossible for every road to be accessible, so you can explore the way first...”

The Red Cloud Demon Lord said!

“Explore the way? How can I explore the way by myself? There are so many forks in the road. It will take me forever to finish all of them by myself!”

When Chen Ping heard the method proposed by Demon Lord Chiyun, he immediately said in disappointment!

“Stupid, who asked you to explore the way? You could have let something else explore the way for you!”

Demon Lord Chiyun rolled his eyes at Chen Ping and said!

“something else?”

Chen Ping looked around and then set his sights on Elder Tu!

This guy has no limbs, how can he find the way?

Seeing that Chen Ping still didn't understand what he meant, the Scarlet Cloud Demon Lord had no choice but to say, “I'll teach you a set of secret methods. First, you collect the flame filaments in this cave, and then you'll have something to explore the way!”

[The Man Decree] A Man Like None Other Chapter 4039-When Chen Ping heard this, he was immediately delighted. He thought that what the Demon Lord Chiyun taught must be good.

Chen Ping was desperately collecting the flame filaments in the cave. This time, only after he had collected a ball of flame as big as his palm did Chen Ping stop!

“Drop your blood into this flame!”

The Red Cloud Demon Lord said!

Chen Ping hurriedly did as he was told. When a drop of blood fell into the flame, the flame began to dance with joy as if it had life!

Seeing this scene, Chen Ping hurriedly looked at Demon Lord Chiyun, wanting to know what to do next!

Demon Lord Chiyun leaned close to Chen Ping's ear and told him a mantra!

Chen Ping was muttering something, and then a ray of light appeared. The ball of fire suddenly split apart and turned into a dozen little mice burning with fire!

The red hair looks like burning flames, and these little mice squeak, which is very cute!

Chen Ping was stunned when he saw this scene, because he could clearly feel the presence of each little mouse!

And the vision of each little mouse will also appear in his mind!

“Don’t be surprised, this is just a small thing. When you help me recover my body, I can teach you more!”

“These red-haired rats are made of fire and contain your blood essence, so their actions are under your control.”

“Now you can let these red-haired rats explore the way, but they can only be used for exploration. After all, they are just a drop of your blood essence. You can’t let these red-haired rats have the ability to fight!”

“When your one drop of blood essence is consumed, these red-haired rats will disappear!”

Demon Lord Chiyun said to Chen Ping!

Chen Ping nodded and looked at the red-haired mice, thinking they were so cute!

Because these red-haired rats are formed by the flames condensed from the flame filaments in the cave, they do not feel the slightest discomfort with the environment inside the cave!

This is also the reason why Demon Lord Chiyun asked Chen Ping to collect the flame filaments!

Soon, Chen Ping directed the red-haired rat to go to different forks in the road, while Chen Ping waited there!

Chen Ping can accurately perceive the movements of every red-haired rat, and even the places seen by the red-haired rat can appear in Chen Ping’s brain!

Fortunately, Chen Ping’s sea of consciousness is vast enough, otherwise the information brought by a dozen red-haired mice would burst Chen Ping’s brain!

More than a dozen species of red-haired rats were moving extremely fast, constantly shuttling back and forth in the cave!

“Just wait. I don’t think there will be any results in a short time. I think while you are waiting for the results, you should carve a defensive magic circle around to prevent any ferocious beasts from appearing in this cave!”

After those red-haired rats left, Demon Lord Chiyun said to Chen Ping!

Chen Ping stared at Demon Lord Chiyun in a daze. He always felt that this guy must know something, but he just wouldn't say it!

Chen Ping didn't say anything, but carved a simple defensive formation around him!

After all, this cave is extremely quiet, there are no monsters or beasts there!

Drawing a defensive formation is just for psychological comfort!

After doing all this, Chen Ping was waiting for the result of the red-haired rat boredly. He picked up the magic whip and whipped Elder Tu from time to time, making Elder Tu scream!

Elder Tu was extremely regretful at this moment. Why was he regretting provoking Chen Ping?

This guy is a devil, he can torture himself like this!

Demon Lord Chiyun couldn't help but laugh when he saw Chen Ping beating Elder Tu for fun!

It seems that this guy is also petty, which makes Demon Lord Chiyun even more angry!

Just as Chen Ping was beating Elder Tu, he suddenly stopped and then frowned!

"Did you bump into something?"

Demon Lord Chiyun looked at Chen Ping and asked indifferently!

[The Man Decree] A Man Like None Other Chapter 4040-Chen Ping looked at the Scarlet Cloud Demon Lord with anger in his eyes and said, "Damn, you must have known about this and deliberately didn't tell me..."

As soon as Chen Ping finished speaking, he heard bursts of harsh sounds, and even the sharp sound of stones rubbing against each other!

The sound sounded extremely creepy, and Chen Ping got goose bumps all over his body.

At this time, Chen Ping had lost the breath and vision of those red-haired rats, proving that these red-haired rats were no longer there!

The sound was getting closer and closer, and Chen Ping looked around nervously, as if the sound was coming from all directions!

The defensive formation that had just been carved was also activated by Chen Ping at this time!

Now Chen Ping felt a little regretful. Why didn't he carve a more complicated defensive formation just now?

Looking at Chen Ping's nervous expression, Demon Lord Chiyun actually laughed!

"You're still laughing. After we get out, I won't let you enter my sea of consciousness. I'll make you stay here forever!"

Chen Ping looked at Demon Lord Chiyun who was still laughing, and said angrily!

"Don't be nervous. It's a blessing, not a curse. If it's a curse, you can't avoid it. At worst, you can become a remnant soul, and we can depend on each other for survival."

"Besides, you now have a Dharma body. Even if only a remnant soul is left, you can slowly recover!"

The Red Cloud Demon Lord said!

Chen Ping did not intend to pay any more attention to Demon Lord Chiyun, but instead observed his surroundings carefully!

"ah....."

Suddenly, Elder Tu screamed!

Chen Ping looked over and found that there were dark red worms crawling on Elder Tu's body!

These bugs look like small flames, but when many bugs gather together, they form a flame-like shape!

Chen Ping used the magic whip to roll Elder Tu into the defensive formation!

After those insects touched the defensive formation, they all fell off Elder Tu's body!

Elder Tu's entire body was now covered in bites from the bugs!

There was no way Chen Ping would feel pity for Elder Tu. The reason he saved him was to prevent him from dying easily!

Soon, there were more and more densely packed insects, and the dark cave became bright under these insects!

These insects surrounded Chen Ping and his group, and there was no way they could break into the magic circle!

Chen Ping saw that there seemed to be rising flames all around them, and there was a burning sensation!

“What kind of bugs are these?”

Chen Ping frowned slightly!

These insects may not seem very powerful, but when they gather together, the heat they emit is even more intense than the fire at the earth's core!

“These are red fireflies. They feed on the energy of flames. When they gather together, the energy of flames they emit is more intense than ordinary fire!”

Demon Lord Chiyun said to Chen Ping!

Hearing what Demon Lord Chiyun said, Chen Ping rolled his eyes at him. It was obvious that this guy knew everything but just wouldn't tell him!

Chen Ping summoned the Dragon-Slaying Sword, and as the sword light flashed, Chen Ping swung out sword energy towards the red fireflies!

boom!

Accompanied by several explosions, a large number of red fireflies were blown away, leaving a large gap around Chen Ping and the others!

However, these red fireflies that were blown away immediately gathered again, as if Chen Ping's sword light just now did not cause much damage to them!

Seeing this scene, Chen Ping couldn't help but be shocked and said, “Damn, such a small bug is too powerful. How can it be impossible to kill it?”

Chen Ping could never have imagined that the few swords he had just struck did not cause any damage to the red fireflies!

This is too outrageous. If this is the case, then they will all die here!

After all, Chen Ping's simple defensive formation couldn't last for long!
