

[The Man's Decree]

A Man Like None Other Chapter 4118

[The Man Decree] A Man Like None Other Chapter 4118 – However, Chen Ping still felt a little uncomfortable snatching it directly. After all, if he just became the leader of the sect, he would be disgusted by many disciples in the sect if he snatched his subordinates' things!

But Chen Ping liked this spiritual pen very much, and for Chen Ping, with this spiritual pen, he could get twice the result with half the effort when engraving the divine pattern!

Looking at Peng Wu who was constantly engraving the array pattern and laying out the large array, Chen Ping's eyes suddenly lit up!

“Master Peng, this kind of competition is not exciting at all, otherwise we can add some bets and make it exciting.”

Chen Ping said to Peng Wu!

“What bet?” Peng Wu stopped and asked Chen Ping when he saw him!

“I think the spiritual pen in your hand is good. Let's make a bet. I can break your three large arrays in one stick of incense.”

“If I break it in one stick of incense, you will give me the spiritual pen in your hand and I will be the leader of the sect.”

“If I don't break it, then the leader is still you, and I promise that the position of the leader of the sect will always be yours in the future.”

Chen Ping said!

“What did you say? Break my three formations in one stick of incense?”

Peng Wu's face was very ugly, and he snorted coldly: “Don't say one stick of incense, you may not be able to break my three formations in a day.”

“I can agree to your bet, but you are insignificant. You said that I can keep the position of the master forever. Does it count?”

Peng Wu didn't believe that Chen Ping could break his formation in one stick of incense, but he didn't believe Chen Ping's words!

After all, what Chen Ping of Liangyi Sect said didn't count, only the words of the God Pattern Ancestor counted!

"I said, of course it counts, Brother Bai is here to testify, if I lose, I will let the God Pattern Ancestor change the rules, and the position of the master will always be yours."

After Chen Ping finished speaking, he looked at Bai Ju and said, "Brother Bai, say something..."

Bai Ju knew what Chen Ping was going to do. He wanted the spirit coins, but he was embarrassed to rob them openly, so he made this bet!

"Master Peng, I can agree to Chen Ping's bet on behalf of my master."

Bai Ju said!

Seeing Bai Ju said so, Peng Wu's face suddenly showed a proud look!

It is impossible to break his three formations in one stick of incense!

"Okay, in this case, I promise you!" Peng Wu was full of confidence!

In the future, there will be no need to recommend the position of the master of the sect. As long as he wants to do it, it will always be his!

Seeing Peng Wu agreed, Chen Ping secretly breathed a sigh of relief. If this guy doesn't agree, then he can only rob it!

I saw the spirit pen in Peng Wu's hand waving again, and array patterns kept flashing in the void!

Soon, three formations appeared on the martial arts field! The

three formations kept flashing light, appearing and disappearing from time to time. It seemed that there were three independent formations, but they had hidden connections!

"Junior brother, these three formations are not simple. They seem to be independent, but they are connected. You have to be careful."

Bai Ju saw the wonders of the formation, and then whispered to Chen Ping!

Chen Ping just smiled, but didn't say anything!

Peng Wu said confidently: "Please, give me one stick of incense, I will see how you can break my three formations!"

“Light the incense...”

Peng Wu gave an order, and a stick of incense was lit!

Chen Ping jumped to the martial arts field and looked at the three formations. If he wanted to find the center of the formation and break these three formations, one stick of incense would not be enough!

Moreover, these three formations can hide the location of the center of the formation. Even if the location of the center of the formation is found, because the three formations are connected, after breaking one, the other formations will change immediately!

“Master Peng is worthy of being a genius in formations. These three formations seem independent, but they are closely connected. Breaking any formation will change the structure of the other two formations.”

“If you find the wrong location of the center of the formation, the three formations will change at the same time, and the work done at the beginning will be in vain.”

Chen Ping praised Peng Wu!

[The Man Decree] A Man Like None Other Chapter 4119 – Peng Wu smiled faintly and said, “Thank you for the compliment, but no one has been able to break my triple formation within one stick of incense.”

“You’d better stop chatting, one stick of incense will be up soon, break the formation quickly.”

Chen Ping shook his head, “No hurry!”

“What? Are you going to admit defeat directly?”

Peng Wu asked!

“Of course not, I just said that there is no hurry to break the formation. Although this formation is clever, I only need three breaths to break it.”

“I said one stick of incense just to give some face to Master Peng...”

Chen Ping said with a smile!

Chen Ping’s words immediately made Peng Wu’s face flushed with anger!

Three breaths?

Are you kidding?

“Don’t be so quick with your words, now one stick of incense has burned halfway.”

Peng Wu said coldly!

Bai Ju looked at Chen Ping’s pretentious look and laughed secretly!

This guy, if he wants to be capable, he really has real skills, but he just likes to pretend too much!

Gu Tianchao on the side had already become nervous at this time. If Chen Ping could not break the formation, then Peng Wu would always be the leader of the sect, and he would never have a chance!

Chen Ping was leisurely and not in a hurry, but Gu Tianchao was anxious!

“Mr. Chen, don’t waste time, break the formation quickly, it’s too late.”

“It’s been a waste of half an incense stick of time, please hurry up, please...”

Gu Tianchao was so anxious!

It’s true that the emperor is not anxious, but the eunuch is!

Seeing Gu Tianchao’s anxious look, Chen Ping laughed!

And Peng Wu looked at Gu Tianchao curiously and said, “Elder Gu, do you know each other? It seems that you are very anxious. Do you really hope that I lose?”

“No, I don’t...”

Gu Tianchao was embarrassed and stopped talking, but his fists were clenched and his palms were sweaty!

“Okay, seeing that someone is so anxious, I will break the formation.”

“Watch carefully, these three formations will be broken in three breaths!”

Chen Ping said, and with his right hand, he grabbed the Dragon Slaying Sword!

Seeing that Chen Ping actually sacrificed the sword to break the formation, Peng Wu frowned and said, “Why, do you want to break the formation by force?”

“Yes, it’s too time-consuming to find the eye of the formation. I want to break the formation by force.”

Chen Ping nodded!

After hearing this, Peng Wu laughed and said, "Boy, don't blame me for not reminding you. If you find the eye of the formation to break the formation, even if you can't break the formation, there will be no harm."

"But if you break the formation by force, you will suffer the backlash of the formation. If you get hurt, I will not be responsible."

"Don't worry, I won't let you be responsible." Chen Ping smiled slightly!

"Is this kid crazy? He is only at the sixth level of the Tribulation Realm, but he

wants to break the formation by force?" "I think he is crazy. If he is proficient in the art of formation, he can find the eye of the formation and break the formation. With his strength of the sixth level of the Tribulation Realm, it is impossible for him to break the formation by force!"

"Let's stay away. Be careful not to get involved with him."

When the people of Liangyi Sect saw that Chen Ping was going to break the formation by force, they immediately started to discuss!

None of them believed that Chen Ping could break the formation by force!

After all, Chen Ping's strength was only at the sixth level of the Tribulation Realm. How could he break the triple formation with this strength?

While everyone was whispering, Chen Ping made a move!

Chen Ping jumped up, and the Dragon Slashing Sword in his hand suddenly glowed with golden light!

As Chen Ping slashed with his sword, a dragon roar resounded through the world!

A huge golden dragon appeared and roared towards the formation!

"What is this? A golden dragon?"

"It's amazing! A sixth-grade cultivator in the Tribulation Realm can actually transform his sword energy into a golden dragon."

"It seems this kid has some skills!"

Everyone was surprised when they saw Chen Ping's sword coming out and the sword light instantly turned into a golden dragon!

Even Peng Wu's eyes widened, a little unbelievable!

But even so, he didn't believe that Chen Ping could forcibly break his formation!

[The Man Decree] A Man Like None Other Chapter 4120 – The golden dragon roared, and the earth and sky trembled!

Boom!

Accompanied by a flash of golden light, everyone was so bright that they couldn't open their eyes!

The whole mountain where the Liangyi Gate was located was shaking constantly, and the void became distorted!

When the golden light slowly dissipated, everyone opened their eyes and was surprised to find that there was no trace of the formation on the martial arts field!

Chen Ping, holding the Dragon Slaying Sword, stood quietly in the middle of the martial arts field!

The three formations were broken by Chen Ping's sword!

It was broken by force!

Everyone opened their mouths wide, and an egg could be stuffed in their mouths!

They couldn't believe that Chen Ping actually did it!

Even Bai Ju was a little shocked. He didn't expect Chen Ping to be so powerful and break three formations with one sword!

Don't mention Peng Wu. The whole person was dumbfounded. He stared at the martial arts field blankly, muttering to himself: "Impossible, this is impossible, how is it possible?"

"He is only a sixth-grade cultivator in the Tribulation Realm, how could this be possible?"

Peng Wu was very confused in his heart. He didn't understand how Chen Ping did it!

But the facts were before him, and Peng Wu had no choice but to believe it!

"Mr. Chen, awesome..."

Gu Tianchao jumped up with joy and cheered for Chen Ping!

In the entire Liangyi Sect, only Gu Tianchao shouted excitedly!

At this moment, Gu Tianchao no longer cared about Peng Wu's feelings. Anyway, Peng Wu would never be the sect master again, so Gu Tianchao was not afraid!

Chen Ping jumped down from the martial arts arena, walked in front of Peng Wu and said, "Master Peng, thank you for letting me, can you give me the spiritual pen in your hand?"

Peng Wu took the spiritual pen, which was his lifeblood, and gave it to Chen Ping like this. He was unwilling!

"You cheated, this is impossible, you can't forcefully break my formation."

"I don't believe you are so powerful, it must be Master Bai who is helping you behind the scenes."

Peng Wu, this guy, started to cheat!

He didn't believe that Chen Ping had this ability, it must be Bai Ju who was secretly helping behind the scenes!

"Peng Wu, are you cheating?"

Bai Ju frowned and said!

Feeling the terrifying aura on Bai Ju, Peng Wu shook his head and said, "Master Bai, I'm not cheating, but I don't believe he has the strength."

"Now you can let him lay down the formation, and I'll break his formation. That's what I said at the beginning."

"He broke my three formations in one stick of incense, and I can also break his three formations in one stick of incense."

Peng Wu didn't want to hand over the spirit pen, nor did he want to hand over the position of the master!

Now he can only cheat like this!

"Peng Wu, you weren't..."

Bai Ju wanted to refute Peng Wu, but was interrupted by Chen Ping's wave of his hand, and then he looked at Peng Wu with a sneer and said, "Okay, as long as you break one of my formations in one stick of incense, you win."

"That's what you said, set up the formation..."

Peng Wu was immediately spirited when he heard it!

He didn't believe that Chen Ping could lay down any profound formation!

In the martial arts arena, Chen Ping carved several formation patterns in the void with his hands, and then the formation patterns fell down with a bang, forming a formation!

Seeing that Chen Ping had laid out a formation so simply, this formation must not be too powerful!

Seeing this, Gu Tianchao's originally happy expression became nervous again!

Chen Ping and Peng Wu were competing, and Gu Tianchao was anxious and angry!

"It won't take me more than an incense stick of time to finish this formation."

Peng Wu saw the formation laid out by Chen Ping. It was a very simple formation, and this kind of formation was the easiest to crack!

Peng Wu jumped onto the martial arts field, and then his hands passed through the void, and rays of light lit up. He began to look for the center of the formation!

Soon, the position of the center of the formation was found by Peng Wu, and then Peng Wu happily stepped forward and gently slapped the position of the center of the formation with his palm!

At this moment, the formation suddenly dissipated!

"Hahahaha, this kind of formation is too simple..."

"I won, I won..."

"Hahaha..."

Peng Wu laughed crazily!
