

## **[The Man's Decree] A Man Like None Other Chapter 4176**

**[The Man Decree] A Man Like None Other Chapter 4176** – “Of course, otherwise what else would it be for!” Ouyang Xing said with his eyes slightly fixed.

The sun shone on the land of Yaoshen Island, and the breeze blew gently, but it failed to calm the tense atmosphere at the moment.

“I don’t think so, right? You let everyone enter Yaoding Mountain, but you didn’t go in. I suspect there is a conspiracy.”

Chen Ping looked at Ouyang Xing with a firm gaze, and did not flinch. “You don’t want to take advantage of the pharmacist conference and suppress the pharmacists of the entire Tianren world, and want to dominate alone?”

Ouyang Xing frowned slightly when he heard Chen Ping’s doubts, and the smile on his face disappeared instantly.

Ouyang Wufeng on the side was furious and shouted, “Fellow Daoist Chen, what evidence do you have that my father wants to suppress the pharmacists of the entire Tianren Realm?”

His face flushed and he was very emotional. “Not only did my father not want to suppress them, he also took the initiative to offer the place where the Medicine God fell on the Medicine God Island, wanting to make the medical field of the Tianren Realm have greater development.”

“Now our Medicine God Island is facing the threat of destruction, and my father still insists on holding a pharmacist conference so that everyone can go to Yaoding Mountain to benefit. You actually still doubt him.”

“Wufeng...” Ouyang Xing hurriedly glared at Ouyang Wufeng, “Shut up, don’t say anything more!” There was a hint of majesty in his voice, trying to stop his son from continuing to argue impulsively.

Chen Ping said with a puzzled look on his face, “Threatened with destruction? What does this mean? Is the Medicine God Island going to collapse? Then won’t all of us die here?”

His eyes were full of confusion and suspicion, staring at Ouyang Xing closely, hoping to get a reasonable explanation from him.

Seeing Chen Ping still doubting, Ouyang Xing sighed and said, “Since you want to know, I won’t hide it from you!”

His eyes became heavy and serious, "To be honest, the Zhan Tian Fa Zong has also set its sights on the place where the Medicine God fell on the Medicine God Island. They have always wanted to capture the Medicine God Island!"

Ouyang Xing's voice trembled slightly, as if he recalled the terrible threat.

"This time, the Zhan Tian Fa Zong has gathered thousands of disciples to deal a devastating blow to our Medicine God Island!"

"It is estimated that they will arrive in three days, so I asked everyone to leave Yao Ding Mountain within three days!"

"No matter how many secrets in Yao Ding Mountain are discovered at this Pharmacist Conference, they are all great treasures of the entire Pharmacist world."

"After you leave, I will destroy Yao Ding Mountain. Even if it is destroyed, I will not let the Zhan Tian Fa Zong occupy it." Ouyang Xing's eyes were full of determination, as if he was ready to live and die with the Medicine God Island.

"Zhan Tian Fa Zong? That magic sect with strong magic?" At this time, Liu Ruyan said in surprise.

Her face turned slightly pale, and it was obvious that she had heard of the reputation of this sect.

"Ruyan, do you know this sect?" Chen Ping turned his head and asked anxiously.

Liu Ruyan nodded and said nervously: "This Zhantian Sect is a sect that specializes in magic, and all of them are magic cultivators. The disciples of Zhantian Sect are evil, but because their magic is too strong, many people can't do anything to them."

"This Zhantian Sect is not only specialized in magic, but also knows some medical skills, so they should want to occupy Yaoshen Island."

Liu Ruyan's voice trembled slightly, revealing her inner fear.

Ouyang Xing added: "They have coveted the resources of Yaoshen Island for a long time, especially the mysterious power and precious herbs contained in the place where Yaoshen fell, which are of great help to them in improving their magic and medical skills."

His eyes were full of worry, "And our Yaoshen Island has always been famous for its medical skills, and it is indeed relatively weak in magic defense."

**[The Man Decree] A Man Like None Other Chapter 4177** – "You are all demon cultivators on Yaoshen Island. Why do you want to not let this Zhantian Sect go even

though we are all demon cultivators?” Chen Ping asked curiously, frowning, trying to sort out the complicated relationship. After

hearing this, Ouyang Xing’s face suddenly became a little ugly. He glared at them and said loudly, “You said we are demon cultivators. Can you detect a trace of demon energy from us?”

His voice echoed in the air, with deep anger and dissatisfaction.

Chen Ping was stunned, and then his spiritual sense spread out, carefully exploring Ouyang Xing and Ouyang Wufeng beside him.

However, to his surprise, there was not a trace of demon energy on the two people! This made Chen Ping feel very strange, and he couldn’t help but fall into deep thought.

Chen Ping had heard that the pharmacists on Yaoshen Island were driven to Yaoshen Island because they practiced magic and became demon cultivators, leaving them to fend for themselves!

But now, Ouyang Xing and his son did not have a trace of demon energy on them, which proved that they did not practice magic at all!

“Why don’t you have any demonic energy?” Chen Ping asked in surprise, his eyes full of doubt and puzzlement.

“We are not demonic cultivators at all, so how can we have demonic energy? The reason why you heard that the pharmacists on Yaoshen Island are all demonic cultivators is just a rumor from a long time ago.”

Ouyang Xing’s face was ashen, and his voice was full of helplessness and grief. “Many of us were squeezed out to Yaoshen Island, not to practice demonic skills! They squeezed us out to Yaoshen Island, let us fend for ourselves, and made up lies and slandered us!”

Chen Ping realized at this time that the rumors about Yaoshen Island were all false, and they were all slanderous words passed down from the past!

He felt guilty and blamed himself for his previous misunderstanding.

“Ouyang Island Master, why don’t you explain it to everyone? We can help Yaoshen Island resist the enemy together.”

“Besides, your Yaoshen Island is also strong. It may not be so easy for Zhantian Fazong to occupy Yaoshen Island.” Chen Ping said.

Hearing Chen Ping say this, Ouyang Xing sighed lightly and said: “Hey, you don’t know at all, although Medicine God Island seems to be quite powerful, in fact many people come to Medicine God Island to seek refuge or seek medical treatment.”

“Once Medicine God Island encounters danger, these people will leave without hesitation. They will not risk their lives for Medicine God Island.”

“Many cultivators in the Heavenly Realm are selfish. This is also the result of the overall background of the Heavenly Realm. There is no way!”

His eyes revealed deep helplessness and disappointment.

“If the Zhan Tian Fa Zong really attacks, only the many children of our Ouyang family can resist. That’s why I didn’t let the children of the Ouyang family enter Yao Ding Mountain, in order to prepare for defense and welcome the attack of the Zhan Tian Fa Zong at any time!”

“Besides, the Zhan Tian Fa Zong are all people who know magic, and we pharmacists can’t deal with them at all. We don’t know much about magic, so we can only resist passively.”

“I don’t know how long we can resist, so you only have three days. What you can get depends on everyone’s luck. You should enter Yao Ding Mountain quickly, time is precious!” Ouyang Xing looked sincere, and it can also be seen that he is very dissatisfied with the selfish atmosphere of the Tianren World.

Seeing that Ouyang Xing didn’t seem to be lying, Chen Ping said, “Ouyang Island Master, I can help you. I also know some monks who practice magic, and I can ask them to help!”

Chen Ping’s eyes were firm. He decided to step forward and help Yaoshen Island survive this crisis.

“Really?” Ouyang Xing was immediately excited when he heard Chen Ping say that there were magic cultivators to help, as if he saw a ray of light in the darkness, “That’s great, with your help, our Medicine God Island may still have a chance of survival!”

**[The Man Decree] A Man Like None Other Chapter 4178** – “Of course, I just don’t know if they can arrive in three days. I’ll ask them to come as soon as possible!” After Chen Ping finished speaking, he did not delay any further, but directly contacted Gu Tianchao.

Chen Ping contacted Gu Tianchao with the sound transmission jade slip: “Gu Tianchao, Yaoshen Island is facing the attack of Zhantian Fazong. Quickly bring people from Liangyimen to support. You can use the teleportation array of the Pharmacist Association. Be sure to arrive as soon as possible!”

After receiving Chen Ping's order, Gu Tianchao immediately led people from Liangyimen to Yaoshen Island!

After Chen Ping said a few words to Ouyang Xing, he took Liu Ruyan and Nie Heng into Yaoding Mountain!

In three days, Chen Ping must make good use of every minute and every second!

Yaoding Mountain is mysterious and ancient, and the mountain is filled with rich spiritual energy and mysterious atmosphere.

After entering Yaoding Mountain, Chen Ping found that there were many fairy herbs around Yaoding Mountain, and the grade was very high! These fairy herbs flashed with strange light under the sunlight, as if telling their preciousness and mystery.

"Wow, so many immortal herbs!" Nie Heng shouted excitedly, his eyes full of greed and surprise.

Liu Ruyan was also attracted by the scene in front of her, and couldn't help but exclaimed: "This is really a treasure land of immortal herbs!"

Nie Heng and Liu Ruyan saw these immortal herbs and started picking them happily!

There were also many monks who were confused by the immortal herbs in front of them and stopped to pick them!

In this way, it would take a long time!

Some monks took a look and did not stop, heading towards Yaoding Mountain! They knew that there might be more precious treasures and inheritances hidden in the depths of Yaoding Mountain.

"Okay, don't pick them, we must hurry up!" Chen Ping said to Liu Ruyan and Nie Heng.

He knew in his heart that the purpose of entering Yaoding Mountain was to inherit the medicine god, not for this little immortal herb.

"Okay!" Although Liu Ruyan and Nie Heng were a little reluctant, they still listened to Chen Ping's words and stopped picking.

Just when Nie Heng saw a immortal herb and was about to pick it, the ground suddenly trembled!

With the roar of a demon beast, a huge black demon snake rushed out from the ground, opened its bloody mouth and rushed towards Nie Heng!

The demon snake was huge, its black scales flashed with cold light, and its eyes were fierce and brutal.

Chen Ping was quick-witted and grabbed Nie Heng and Liu Ruyan, and used the fire control step to dodge the attack of the demon snake!

However, there were still several monks picking immortal herbs happily, and the sudden appearance of the demon snake caught them off guard!

A monk was quickly swallowed by the demon snake! He didn't even have time to scream before he disappeared in the mouth of the demon snake.

"Demon beast, how could there be a demon beast here?" There were also hurried monks who were frightened and kept retreating, their faces pale and their legs weak.

"When entering Yaoding Mountain, Master Ouyang reminded that pharmacists with low strength should not enter Yaoding Mountain, it would be dangerous, but no one listened." An experienced monk said, his face full of helplessness and regret.

"It seems that there are many monsters on Yaoding Mountain. It's really dangerous if you don't have strength!" said another cultivator, his voice full of fear and regret. The

remaining cultivators were all embarrassed. Most of those who were attracted by the fairy grass and stopped were some weak pharmacists!

Originally, they didn't believe Ouyang Xing's words, but now the sudden appearance of the demon snake directly scared these people, and some even backed out!

"What should we do? Are we going to die here?" A timid cultivator said tremblingly.

**[The Man Decree] A Man Like None Other Chapter 4179** – "Don't panic, let's deal with this demon snake together!"

Chen Ping shouted loudly, trying to stabilize everyone's emotions.

However, the demon snake did not give them a chance to breathe and attacked again. Its tail swept over, bringing a gust of wind.

Chen Ping dodged the demon snake's attack with a flash, and at the same time, a ball of fire condensed in his hand and threw it at the demon snake.

The demon snake was hit by the flame and let out a painful roar, but it did not retreat, but attacked everyone more frantically.

In the end, Chen Ping saw the opportunity and stabbed the demon snake's vitals with a sword. The demon snake fell to the ground and turned into a ball of black smoke and disappeared.

“Finally solved!”

Everyone breathed a sigh of relief.

But this time, everyone also knew that the treasures in Yaoding Mountain were not so easy to take, and they might lose their lives!

“This Yaoding Mountain is full of dangers. If you feel that you are not strong enough, you should withdraw, so as not to worry about your life!”

Chen Ping kindly persuaded several pharmacists.

After this psychological struggle, several pharmacists had the intention to retreat. After thanking Chen Ping, they turned around and walked out of Yaoding Mountain!

Chen Ping took Liu Ruyan and Nie Heng and continued to go deep into Yaoding Mountain!

At this time, a man and a woman among the cultivators just now quickly ran towards Chen Ping!

“Daoyou Chen, wait a minute...”

A male cultivator shouted at Chen Ping!

Chen Ping turned his head and looked at the man and woman, and asked with some doubts: “Are you okay?”

“Daoyou Chen, we are also pharmacists in the Central Region and members of the Pharmacist Association. I see that you have a good relationship with our President Chen. I wonder if we can go with you?”

The male cultivator asked Chen Ping!

“Go with me?” Chen Ping frowned slightly!

Seeing this, the female cultivator hurriedly said, “We are following Fellow Daoist Chen, not to share things with him. Everything we get in Yaoding Mountain belongs to Fellow Daoist Chen!”

“We just hope to follow Fellow Daoist Chen and get some advice from him, which will benefit us a lot.”

“Yes, yes, Fellow Daoist Chen is young and promising, and he has cured the strange disease of Prince Xiao. We just want to learn some useful medical skills from Fellow Daoist Chen!” The male cultivator also hurriedly said!

Chen Ping did not speak, but his brows were still tightly knitted together!

Chen Ping knew that the more people he brought, the greater the pressure he would face. After all, the strength of these two pharmacists was not strong, and he had to protect them himself!

“If Fellow Daoist Chen is embarrassed, then we won’t bother you.”

The male cultivator said a little disappointedly when he saw this!

“President Chen also told us that he wanted us to learn more from Fellow Daoist Chen. After all, we are all members of the Central Region Pharmacist Association. Our strength has increased, which is equivalent to the strength of the Pharmacist Association!”

The female cultivator said!

Chen Ping was speechless, it felt like this was a bit of moral kidnapping!

Chen Ping did promise to follow the Central Region Pharmacist Association, not to mention that Liu Ruyan and Nie Heng had also joined the Central Region Pharmacist Association, so Chen Wenliang agreed without hesitation!

Now that these two people suddenly appeared, Chen Ping didn’t know what to do for a while!

After thinking for a moment, Chen Ping said, “Okay, you two follow me, but you also know the dangers of Yaoding Mountain. If there is really an accident, I will not be responsible.”

“No problem!” The two of them nodded happily!

Chen Ping reluctantly took the two of them on the road!

Liu Ruyan and Nie Heng had no objection, after all, they were all members of the Central Region Pharmacist Association!

Along the way, Liu Ruyan and Nie Heng talked with the two pharmacists. From the conversation, they learned that the two pharmacists were named Nie Lei and Nie Hong, and they were brothers and sisters!

They all had the strength of the seventh rank of the Tribulation Realm. Being able to cultivate to the seventh rank of the Tribulation Realm among pharmacists is also very powerful!

**[The Man Decree] A Man Like None Other Chapter 4180** – “Fellow Daoist Chen...”

Just as Chen Ping and the others continued to go deeper into Yaoding Mountain, they were suddenly stopped by someone!

Chen Ping looked over and found that it was Zhou Silang and Zhen Huan!

The two seemed to be waiting for him!

“Fellow Daoist Zhou, why haven’t you gone up the mountain yet?”

Chen Ping asked in confusion!

“Fellow Daoist Chen, my father wants to talk to you. My aunt and Zhong Yaozun are both here!”

Zhen Huan said to Chen Ping!

She was probably afraid that Chen Ping would not go, so she brought up Granny Zhen and Zhong Qing!

After all, Chen Ping came for Granny Zhen, so he should give her some face!

When Chen Ping heard that Granny Zhen and Zhong Qing were also there, he nodded and followed Zhen Huan and the others!

Liu Ruyan and Nie Heng, as well as the brother and sister Nie Lei and Nie Hong who had just joined, also followed!

Zhen Yuandao followed Zhou Qian and the others, waiting in a small forest not far ahead!

Seeing Chen Ping coming, Zhen Yuandao took the initiative to step forward: “Fellow Daoist Chen, why did you take so long to enter the mountain? You should know that those who reach the top of the mountain first will definitely have benefits.” “

I was delayed by some things. I wonder what the head of the Zhen family wants to see me for?”

Chen Ping asked!

“Fellow Daoist Chen, I’m looking for you to ask for a favor. I know that you have a good relationship with President Chen of the Central Region Pharmacist Association. Our two families hope to form an alliance with the Central Region Pharmacist Association.”

“This way, if there is anything on Yaoding Mountain, we can take care of each other...”

Zhen Yuandao said directly!

Chen Ping was slightly stunned. He looked at Zhen Yuandao and said, “Master Zhen, do you know what will happen in Yaoding Mountain? Otherwise, the strength of your Zhen family and Zhou family should not be underestimated. Why bother to unite with the Central Region Pharmacist Association?”

“And your Western Region Pharmacist Association has also participated. Even if we form an alliance, we should form an alliance with the Western Region Pharmacist Association, right?”

Chen Ping knew that Zhen Yuandao must have something to hide. After all, no one wanted to form an alliance at this time. After all, if there is one more person, one more share of the treasure will be given away!

“Fellow Daoist Chen, to be honest, the reason why we formed an alliance with the Central Region Pharmacist Association is to deal with Su Tianshuo and the others!”

“We got the news that Su Tianshuo has joined forces with the Diao family and the Bao family in Yongle City and is preparing to attack us in Yaoding Mountain.”

“The strength of our two families is not enough to deal with them, so we want to form an alliance with the Central Region Pharmacist Association through Fellow Daoist Chen.”

“You can tell President Chen that we will never treat him unfairly. The Central Region Pharmacist Association can take half of the treasures obtained in Yaoding Mountain!”

“And when we return to Yongle City, our two families will also give us heavy gifts...”

Zhen Yuandao also knew that if he didn’t come up with some substantial benefits, who would form an alliance with them!

Hearing this, Chen Ping frowned slightly. If many pharmacists in Yaoding Mountain fight internally, it would weaken a lot of their strength!

If the Zhantian Fazong really attacks Yaoshen Island at that time, how can they stop it?

“Master Zhen, is what you said true? How can you be sure that Su Tianshuo will deal with you?”

Chen Ping asked!

“Of course it’s true. Su Tianshuo secretly met with the heads of the Bao family and the Diao family, which was obviously aimed at us.”

“Our four major families are not harmonious to begin with. Sooner or later, there will be a war...”

Zhen Yuandao said!

“Master Zhen, can’t you say peace? Even if you can’t say peace, don’t fight on Medicine God Island.”

Chen Ping said with a very ugly face!

“Why?”

Zhen Yuandao asked puzzled!

Chen Ping sighed lightly, and then told Zhen Yuandao everything that Ouyang Xing had told him!

When they heard about the Zhantian Sect, everyone’s face changed instantly!

“The Zhantian Sect is actually going to capture Medicine God Island? I said that Ouyang Xing suddenly forced the Pharmacist Conference to be held on Medicine God Island, and there must be something wrong. “

“Now it’s good, this is going to tie up many pharmacists in our Tianren Realm with Medicine God Island, and follow them to fight against the Zhantian Sect!”

Zhou Qian said very dissatisfied!
