[The Man Decree] A Man Like None Other Chapter 4181 – “This Medicine God Island is so bad. If the Zhan Tian Fa Sect attacks, I don't know how many pharmacists will die.”

Zhen Huan also said angrily!

Everyone began to curse the Medicine God Island, feeling that they were all deceived!

“Everyone, you misunderstood the Island Master Ouyang. He didn't want everyone to help him resist the Zhan Tian Fa Sect. He just didn't want the many inheritances and treasures in the Medicine God's Falling Place to fall into the hands of the Zhan Tian Fa Sect!”

“So he moved the Pharmacist Conference to the Medicine God Island, and also to let everyone benefit from the Medicine God's Falling Place.”

“After three days, everyone must leave, because the Zhan Tian Fa Sect will attack the Medicine God Island in three days.”

Chen Ping helped Ouyang Xing explain!

“If that's the case, then we really don't have time to waste on fighting.”

“But now, if we don't fight with Su Tianshuo and others, they will probably not give up this opportunity.”

Zhen Yuandao said with a frown!

“That's easy. I'll tell President Su about this matter. I believe they will understand what to do.”

Chen Ping planned to tell Su Tianshuo about this matter.

As long as Su Tianshuo knew that Zhan Tian Fa Zong was going to attack Yao Shen Island, they would not waste time on the Zhou family and the Zhen family if they really only had three days!

But Chen Ping didn't know that Su Tianshuo had already known about Zhan Tian Fa Zong, and he had already reached a cooperation with Zhan Tian Fa Zong!

“Okay, I'll leave this to you, fellow Daoist Chen!”

Zhen Yuandao didn't want to fight with Su Tianshuo and others in Yao Ding Mountain!

After all, they came to the place where Yao Shen fell to try their luck. If they could get the inheritance of Yao Shen, they would be instantly successful!

"I'll do my best..."

Chen Ping nodded!

After saying goodbye to Zhen Yuandao and others, Chen Ping and others continued to head towards the mountain!

Yao Ding Mountain is very big. When they, nearly a thousand pharmacists, entered Yao Ding Mountain, they couldn't see anything at all!

Chen Ping himself didn't know whether he would run into Su Tianshuo and others, but if he did, Chen Ping would try his best to stop the fight!

Chen Ping didn't know yet that he had become the prey of Su Tianshuo and others, and he still wanted to stop the fight!

Not long after Chen Ping and others left, suddenly several breaths came towards them!

Although the distance was not very close, Chen Ping could sense that these breaths were coming towards them!

"Mr. Chen, what's wrong?"

Seeing Chen Ping suddenly stop, Nie Heng asked curiously!

"Someone is running here, I don't know who it is!"

Chen Ping said with a serious face!

Although all the people who entered Yaoding Mountain were pharmacists, Chen Ping couldn't know them all!

I don't know whether the people coming here are enemies or friends!

Now almost all pharmacists know Chen Ping's identity. The hundred-year offering of the Demon Sealing League is placed here, and it is inevitable that some people will have evil thoughts! Even

with the deterrence of Xiao Yuanshan, it is still inevitable that someone will take risks for the hundred-year offering of the Demon Sealing League!

As the saying goes, people die for money and birds die for food!

“Chen Ping, why didn’t we feel anyone coming?”

Liu Ruyan asked!

“Yes, we didn’t seem to feel anything!”

Nie Lei and Nie Hong also said!

“Don’t worry, they should appear soon!”

Chen Ping looked ahead with a serious expression!

Soon, several figures really appeared, and as soon as they appeared, these people surrounded Chen Ping and his men!

Looking at this scene, Chen Ping understood instantly!

“Who are you? What do you want to do?”

Nie Heng saw that these people had ill intentions, so he asked!

“Never mind your business, get out of here quickly, we are here to find this Chen Ping.”

One of the pharmacists in a gray cloth gown said!

They were obviously here for the Hundred Years of Offerings of the Demon Sealing League!

[The Man Decree] A Man Like None Other Chapter 4182 – Chen Ping took a glance and found that these people were all in the seventh or eighth level of the Tribulation Realm, and their strength was not weak!

“Daoyou Lu, why don’t you go to the mountain to look for treasures, and find Daoyou Chen?”

At this time, Nie Lei stepped forward and said to the gray-clothed pharmacist!

“Nie Lei, Nie Hong, you two brothers and sisters are here too.”

“I advise you two to stop meddling in other people’s business. We are only looking for Chen Ping, and it has nothing to do with you brothers and sisters.”

The gray-clothed pharmacist said!

“Do you want the hundred-year offering of the Sealed Demon League?”

Chen Ping asked!

“Yes, as long as you kill you, you can get the hundred-year offering of the Sealed Demon League. These resources are enough for us brothers to practice for a hundred years.”

The gray-clothed pharmacist said!

“Humph, just based on your virtue, you also want to kill me and get the hundred-year offering of the Sealed Demon League. It’s ridiculous!”

Chen Ping said with disdain on his face!

“You are a sixth-level cultivator in the Tribulation Realm, and you dare to be so arrogant. I don’t think we brothers are not your opponents!”

The gray-clothed pharmacist drew out a long knife!

Others also showed their weapons, ready to attack Chen Ping at any time!

Seeing this, Nie Heng and Liu Ruyan all took up their positions!

The brother and sister Nie Lei and Nie Hong also stood in front of Chen Ping!

“If you two don’t leave, do you want to die?”

The gray-robed pharmacist frowned and said!

“Since we have chosen to follow fellow Daoist Chen, we can’t just sit back and watch.”

Nie Lei said!

“Okay, then you will die together today!”

After the gray-robed pharmacist finished speaking, he was ready to take action!

“All of you get out of the way, I can handle a few little cultivators in the Tribulation Realm by myself!”

Chen Ping asked Liu Ruyan and the others to get out of the way

! Chen Ping didn’t even take the little cultivators of the seventh or eighth rank in the Tribulation Realm seriously!

Seeing Chen Ping despise the cultivators in the Tribulation Realm so much, Nie Lei and Nie Hong couldn't help but look ugly!

Chen Ping was only the sixth rank in the Tribulation Realm, and he actually said such words that despised the cultivators in the Tribulation Realm!

"Mr. Chen, then you should be more careful, don't splash blood..."

Nie Heng warned Chen Ping, and then hid aside!

Seeing this, Liu Ruyan also left!

With their strength, even if they helped, they couldn't help much, and they might distract Chen Ping!

They knew Chen Ping's strength. Several cultivators of the seventh and eighth grades of the Tribulation Realm could not kill Chen Ping!

But seeing this, Nie Lei and Nie Hong, the brother and sister, seemed a little overwhelmed!

"Brother Nie, you two brothers and sisters come here too, let Mr. Chen deal with it alone."

Nie Heng waved to Nie Lei and his sister and said!

Because they all had the surname Nie, Nie Heng was very close to the brother and sister!

Seeing this, Nie Lei and Nie Hong slowly retreated to the side!

Seeing that they had all dodged, the gray-clothed pharmacist's aura instantly spread, and the rest of the people were also full of vigor and gusts!

"Boy, you can only blame yourself for being too valuable, don't blame us..."

The gray-clothed pharmacist took the lead in attacking Chen Ping!

Chen Ping raised the corner of his mouth slightly, and he didn't dodge, nor did he take out his weapon, but a faint golden light began to emanate from all around his body!

Seeing this, the other guys also rushed towards Chen Ping together!

Just after the guys approached Chen Ping, Chen Ping's body seemed to explode!

Boom!

Suddenly, a burst of sky-high fire emerged from Chen Ping's body, and the red flame rushed straight into the sky!

The guys who were caught off guard were immediately ignited by the fire!

“Ah.....”

“Fire, it's on fire...”

“Burn me to death...”

Several guys were burning with flames, rolling on the ground desperately, but the flames could not be extinguished at all!

Liu Ruyan and Nie Heng were not surprised!

But the brother and sister Nie Lei and Nie Hong looked at the scene in front of them with shock!

Several cultivators of the seventh and eighth grades of the Tribulation Realm, each of whom was no worse than the two brothers and sisters, but now they were swallowed by the sudden outbreak of fire without even touching a hair of Chen Ping!

Horrible, it's simply too terrible...

[The Man Decree] A Man Like None Other Chapter 4183 – “How do you know my location?”

Chen Ping asked coldly, looking at the people who were screaming from the burning!

Yaoding Mountain was huge, and Chen Ping and his team were the last to enter. These guys could actually come straight to him from a long distance!

It was obvious that these people had known their location in advance, so they came straight!

Several pharmacists were screaming from the burning, and no one answered Chen Ping's question!

At this time, the brother and sister Nie Lei and Nie Hong looked at each other and instantly raised their swords!

“Hey...you...”

Seeing this, Nie Heng was about to speak, but the brother and sister had already rushed up!

Then they killed all the pharmacists in a few strokes!

“Humph, these guys are disrespectful to Fellow Daoist Chen. With this strength, they still want to get the Hundred Years of Offerings of the Demon Sealing League. They are really overestimating their own abilities!”

After killing a few people, Nie Lei snorted coldly!

“Why did you kill people? Didn’t you see Mr. Chen asking questions?”

Seeing this, Nie Heng frowned and said!

“These guys definitely won’t say anything, not to mention that they are all burning with flames. Even if they want to say something, I’m afraid they won’t have a chance.”

“It’s better to kill them. After all, as pharmacists, we can’t just watch them being burned to death so cruelly!”

Nie Hong started her moral speech again!

When Nie Heng heard it, he didn’t know how to answer!

“Okay, kill them. Even if they don’t do it, these people won’t survive.”

“Let’s go. There are only three days. Don’t delay!”

After Chen Ping finished speaking, he walked straight forward!

Several people followed Chen Ping behind, and they didn’t encounter any danger along the way!

But when they walked halfway up the mountain, they suddenly found a light curtain hanging down from the top of the mountain, and in front of the light curtain was a large flat open space!

On this open space, many pharmacists stopped, and some pharmacists were lying on the ground, obviously injured!

After Chen Ping got closer, he found that most of these pharmacists were from the Western Regions pharmacists who followed the Bao family and the Diao family!

There were also some pharmacists from other regions!

At this time, Su Tianshuo, Bao Longxing and Diao Changmin were looking at the light curtain in front of them with frowns!

“President Su, Chen Ping is here!”

At this time, someone came up to Su Tianshuo and whispered!

“What?” Su Tianshuo turned his head and saw Chen Ping and Liu Ruyan coming over!

“What are Lu Qing and the others doing? Didn’t they find anyone? Why did he come here?”

Bao Longxing said very dissatisfiedly when he saw this!

“Since he is here, he can’t run away. Our top priority is to find a way to break the light curtain in front of us.”

“If someone else climbs to the top of the mountain first and gets the inheritance of the God of Medicine, wouldn’t we have played in vain?”

Diao Changmin said!

“Don’t worry, even if they get the inheritance of the God of Medicine, don’t think about leaving the God of Medicine Island.”

Su Tianshuo sneered at the corner of his mouth, and then walked towards Chen Ping!

Chen Ping cured Xiao Feng and became a VIP of the Xiao Dynasty. He is also a celebrity!

“President Su...”

Seeing Su Tianshuo, Chen Ping took the initiative to greet him!

After all, he had to help the Zhou family and the Zhen family to make peace with Su Tianshuo!

They were all pharmacists and from the same place, so it would be best if they could mediate!

“Fellow Daoist Chen, I didn’t expect you to go in this direction. We are really destined to be together!”

Su Tianshuo said sarcastically!

Unfortunately, Chen Ping didn’t hear it, but looked at Bao Longxing and Diao Changmin behind Su Tianshuo and said, “These two should be the Bao family masters and the Diao family masters,

right?" "Yes!" Su Tianshuo nodded!

"President Su, I just have something to tell you!" Chen Ping said.

[The Man Decree] A Man Like None Other Chapter 4184 – "Oh? Tell me?"

Su Tianshuo was stunned!

He had no intersection with Chen Ping, and he didn't know what Chen Ping wanted to tell him!

"President Su, are you going to unite and attack the Zhou family and the Zhen family during this pharmacist conference?"

"In fact, the Zhou family and the Zhen family also know your intentions, so they asked me to unite the Central Region Pharmacist Association."

"If we really fight at that time, I'm afraid both sides will suffer."

"And there is one more thing, you may not know, there will be a disaster on Yaoshen Island in three days!"

"Zhantian Fazong will attack Yaoshen Island in three days. If you keep fighting, I guess no one will think of leaving Yaoshen Island."

Chen Ping followed Su Tianshuo and said truthfully!

When Su Tianshuo heard it, his face was immediately shocked, and even Bao Longxing and Diao Changmin were full of incredible faces!

After all, only a few of them knew about this matter, and other pharmacists didn't know it at all!

If they knew, many people would probably flee Yaoshen Island!

After all, no matter how good the treasure is, it is not as important as life!

"Fellow Daoist Chen, is what you said true?"

Su Tianshuo asked!

"Of course, it was Island Master Ouyang who told me personally, it must not be false."

"I just hope that you will not fight again during the Pharmacist Conference. After all, it is better to resolve a feud than to make one."

“What’s more, there are not many pharmacists in the Heavenly Human Realm, and they are still a vulnerable group. If there is an internal fight, the pharmacists of the entire Heavenly Human Realm will be even more vulnerable.”

Chen Ping persuaded Su Tianshuo!

Su Tianshuo frowned and did not answer Chen Ping’s words, but turned back to look at Bao Longxing and Diao Changmin!

Su Tianshuo did not expect that Ouyang Xing would take the initiative to reveal the news that Zhan Tian Fa Zong attacked Yaoshen Island!

In fact, Su Tianshuo and others also believed that Ouyang Xing forcibly moved the Pharmacist Conference to Yaoshen Island in order to tie himself up with many pharmacists and then fight against Zhan Tian Fa Zong!

So Ouyang Xing would never reveal this matter. If it was really revealed, it would cause panic among the pharmacists. I believe many people would choose to flee Yaoshen Island. Who would follow Ouyang Xing to resist Zhantian Fazong at that time?

But now, Ouyang Xing told the news to Chen Ping. In this way, the plans of Su Tianshuo and others must be changed!

They just want to join forces with Zhantian Fazong and kill most of the pharmacists, so that they can control the pharmacists of the entire Tianren world!

But now that Chen Ping knows this secret, I believe it won’t be long before other pharmacists will know it one after another!

If all the pharmacists run away, Su Tianshuo and their plan will be over!

Therefore, they must not let Chen Ping leak the news!

“Fellow Daoist Chen, I still have to discuss it with Patriarch Bao and Patriarch Diao. After all, they are the protagonists of this matter!”

Su Tianshuo said to Chen Ping very politely!

He has to stabilize Chen Ping first. Now Chen Ping doesn’t know their plan!

They are in the dark, and Chen Ping is in the light, so they have the opportunity to take action against Chen Ping at any time!

“Okay!” Chen Ping nodded!

Su Tianshuo called Bao Longxing and Diao Changmin aside!

“How could this happen? In this way, most people will probably flee before the Zhantian Sect arrives at Yaoshen Island.”

Bao Longxing said anxiously!

“What on earth is this Ouyang Xing going to do? Isn't he afraid that all the pharmacists will run away?”

Diao Changmin also said hurriedly!

“It seems that I have to notify the Zhantian Sect to take action in advance, but in the next few days, I must not let Chen Ping spread the news!”

Su Tianshuo knew that once the news of the Zhantian Sect's attack on Yaoshen Island spread, all the pharmacists would flee!

At that time, his plan would completely fail!

[The Man Decree] A Man Like None Other Chapter 4185 – “Then let's just kill Chen Ping now, he won't be able to spread the news, and kill everyone with him.”

Bao Longxing said!

“Killing Chen Ping is simple, but what about the Zhou family and the Zhen family? They all know about this.”

“It's impossible for us to slaughter all the people in the Zhou family and the Zhen family now.”

Diao Changmin frowned and said!

“Don't kill him for the time being, keep Chen Ping calm, and find a way to let him find Zhou Qian and Zhen Yuandao.”

“As long as we show our sincerity in not fighting, I think Zhou Qian and Zhen Yuandao will not be on guard.”

“Then we will catch them all in one fell swoop, so that we can prevent the spread of news and destroy the Zhou family and the Zhen family together.”

“And with Nie Lei and Nie Hong following him, we don't have to worry about not being able to find Chen Ping!”

Su Tianshuo whispered!

It turned out that Nie Lei and Nie Hong were sent to Chen Ping by Su Tianshuo!

The reason why Lu Qing's pharmacists were able to find Chen Ping accurately was also because of these two brothers and sisters!

"Okay, let's listen to President Su!"

Bao Longxing nodded!

"I agree too!" Diao Changmin also nodded!

He and the others agreed. As for the others, they didn't need to ask. Now everyone is on the same boat, and no one can escape!

Seeing that everyone agreed, Su Tianshuo walked towards Chen Ping!

"Fellow Daoist Chen, I just discussed it. The heads of the Bao family and the Diao family agreed that they can no longer cause trouble for the Zhou family and the Zhen family at this pharmacist conference."

"As for whether they will have another dispute after the pharmacist conference, this cannot be guaranteed!"

Su Tianshuo said!

"Okay, with President Su's words, I can tell the Zhen family head and them with confidence."

"But President Su, you should also pay attention. Don't stay in Yaoding Mountain for too long. It's best to leave as soon as possible before the Zhantian Fazong arrives!"

Chen Ping kindly reminded Su Tianshuo!

"I was thinking about leaving quickly, but unfortunately this light curtain blocked us and we couldn't get up the mountain at all."

"Just now, many people passed through the light curtain, but they were all injured and repelled by a mysterious force!"

Su Tianshuo sighed and said as he looked at the light curtain hanging from the top of the mountain!

"Is there such a thing?"

Chen Ping frowned slightly and looked at the light curtain carefully!

Although the light curtain did not cover the entire Yaoding Mountain, it would take a lot of time to bypass the light curtain!

Chen Ping felt that the light curtain was like a magic array set up by someone, but Ouyang Xing did not say that there was a magic array on Yaoding Mountain at the beginning!

“This Yaoding Mountain is by no means as simple as Ouyang Xing said. In addition to the beasts and the dangers here, there must be various tests set up by the Medicine God!”

“So if you want to get the inheritance of the Medicine God, you must go through the layers of tests he set up, otherwise no one on Yaoshen Island has gotten the inheritance of the Medicine God for so many years!”

Su Tianshuo expressed his doubts!

He suspected that this light curtain was actually a test set by the Medicine God before his death. Only after passing through layers of tests can one obtain the inheritance of the Medicine God!

“Maybe, I’ll go and take a look...”

Chen Ping slowly walked towards the light curtain!

Seeing this, Liu Ruyan and Nie Heng hurriedly followed behind Chen Ping!

Seeing Chen Ping going to observe the light curtain, Su Tianshuo winked at Nie Lei and Nie Hong!

The two followed behind Su Tianshuo calmly, and then found a hidden place!

“President Su...”

Nie Lei and Nie Hong shouted respectfully!

“What’s wrong with you two? Is the location given inaccurate? Didn’t Lu Qing and his men find you?”

Su Tianshuo asked angrily!

Now that Chen Ping appears here, it must be that Lu Qing and others did not encounter Chen Ping!
