[The Man Decree] A Man Like None Other Chapter 4186

[The Man Decree] A Man Like None Other Chapter 4186 – “President Su, Lu Qing and others found us, but they were all killed.”

Nie Lei said!

“What? Killed?” Su Tianshuo frowned: “That Chen Ping is only the sixth level of the Tribulation Realm, and the men and women around him are even weaker. How could he kill Lu Qing and others?”

“Did you help? Or did someone help Chen Ping?”

“President Su, we didn’t help, and no one helped Chen Ping, Chen Ping did it himself.”

“To be precise, it’s not called fighting. After Lu Qing and others approached Chen Ping, they were ignited by the sudden burst of fire from Chen Ping, burning them and screaming!” “

If it weren’t for my brother and I acting quickly, I guess they would have betrayed us and you!”

Nie Hong said!

Listening to Nie Hong’s words, Su Tianshuo didn’t calm down for a long time!

You know, Lu Qing and others are all cultivators of the seventh and eighth levels of the Tribulation Realm. Although this kind of person is not particularly outstanding in the Heavenly Realm, in the team of pharmacists, being able to cultivate to the seventh and eighth levels of the Tribulation Realm is definitely a master!

Moreover, several of them couldn’t even deal with Chen Ping, a cultivator of the sixth rank in the Tribulation Realm?

“It seems that I underestimated this Chen Ping!” Su Tianshuo said with a grim face!

At this time, Chen Ping had already approached the light curtain and slowly stretched out his hand!

“Mr. Chen, be careful!”

Nie Heng saw this and hurriedly reminded him!

“Chen Ping, don’t be reckless...”

Liu Ruyan stepped forward and grabbed Chen Ping!

So many cultivators were injured in the light curtain. If Chen Ping also entered the light curtain, I don’t know what would happen!

“Don’t worry, I know my limits. This so-called light curtain is just a test formation!”

Chen Ping smiled slightly, then broke free from Liu Ruyan and walked into the light curtain in an instant!

Chen Ping walked into the light curtain and his figure disappeared instantly!

At this time, Su Tianshuo saw that Chen Ping had actually entered the light curtain, and ran over immediately!

Diao Changmin and Bao Longxing also came over!

They didn’t understand why Chen Ping wanted to enter the light curtain!

After Chen Ping entered the light curtain, his body was instantly torn apart by a strange force!

Chen Ping wanted to control his body, but he couldn’t control it at all!

A series of sharp breaths kept Chen Ping’s body flying everywhere!

Even though Chen Ping activated the indestructible golden body, the power still made Chen Ping feel the blood surging up and his internal organs churning!

“What kind of breath is this? It’s so strange. It’s not spiritual energy, not fairy energy, nor demon energy. What on earth is it!”

Chen Ping was a little overwhelmed by the sharp breaths!

Because Chen Ping had never encountered the breath in this light curtain!

“It’s really strange. What the hell is this breath? Although it looks extremely sharp, it’s not very powerful.”

“Otherwise, you would have died long ago, and those pharmacists who broke in were all injured and went out, not dead!”

The Red Cloud Demon Lord was also wondering where this breath came from!

Just when Chen Ping’s body was like a ball, being hit and flying around by this strange breath, there was a sudden buzzing sound!

Suddenly, something flew out of Chen Ping’s storage ring, flashing with light!

“Shennong Ding?”

Chen Ping was stunned when he

saw the thing that suddenly flew out! The patterns on the Shennong Ding continued to emit light!

The strange auras in the light curtain were clearly visible at this moment!

Two auras flew in front of the Shennong Ding and were directly sucked into it!

Seeing this, the other auras moved away from the Shennong Ding and continued to attack Chen Ping!

Chen Ping was directly suspended above the Shennong Ding, and those strange auras were like mice seeing a cat, all circling around Chen Ping, but they no longer attacked Chen Ping!

[The Man Decree] A Man Like None Other Chapter 4187 – Chen Ping looked down and found that the two auras in the Shennong Ding were struggling and wandering in the Shennong Ding at this moment, as if trying to break free from the shackles of the Shennong Ding!

“Boy, catch all these auras into the Shennong Ding, what do you think will happen?”

asked the Red Cloud Demon Lord!

Chen Ping looked carefully at the two auras in the Shennong Ding. He didn’t know what would happen if all these auras were caught in the Shennong Ding!

But now he has the Shennong Ding, knowing that these strange auras are afraid of the Shennong Ding, Chen Ping is not afraid!

“Try it...”

After Chen Ping said this, he actually took the initiative to go towards those strange auras!

After Chen Ping broke away from the Shennong Ding, those strange auras began to attack Chen Ping again!

Chen Ping dodged while luring those auras to approach the Shennong Ding!

Then he was caught off guard and forced a breath into the Shennong Ding, and then was controlled by the huge suction of the Shennong Ding!

In this way, more than an hour passed, and there was no more aura in the light curtain, and all the auras were sucked into it by the Shennong Ding!

These auras twisted randomly, and seemed to be very scared!

Chen Ping gently pressed one hand on the Shennong Ding, and as the lines on it continued to emit golden light, the breath in the Shennong Ding gradually became quiet!

Soon these breaths began to merge, and streams of white mist continued to emerge from the Shennong Ding!

At this time, Liu Ruyan and Nie Heng, who were outside the light curtain, had been anxious!

Chen Ping had been in the light curtain for more than an hour, but he had not seen any trace, and even heard little movement! Liu Ruyan wanted to enter the light curtain to find Chen Ping many times, but was stopped by Nie Heng! Even Su Tianshuo and others were very curious, and didn't understand why Chen Ping

had been in the light curtain for so long without any movement! "President Su, we went in for only a few minutes, and we were all injured one by one and flew out. This guy has been in for more than an hour

, why is there no movement?" Bao Longxing asked in confusion! "Council member Su, we went in for more than an hour, why is there no movement?" Bao Longxing asked in confusion!

"Council member Su, we went in for more than an hour, why is there no movement?" Bao Longxing asked in confusion! "Council member Su, we went in for more than an hour, why is there no movement?" Bao Longxing asked in confusion! "Council member Su, we went in for more than an hour, why is there no movement?" Bao Longxing asked in confusion! "Council member Su, we went in for more than an hour, but he was still injured and flew out. Bao Longxing asked in confusion! "Council member Su, we went in for more than an hour, but he was still injured and flew out.

Bao Longxing asked in confusion!

“Could he have died in there?”

Bao Longxing asked in confusion!

Su Tianshuo looked at the light curtain in front of him. He had also personally felt the strange aura inside. It was very overbearing. They were forced out in a few minutes, and many people were injured!

Chen Ping has been in there for such a long time now, maybe he has died in there!

“It is very likely that he has died in there. So many of us didn’t hold on for a few minutes, and now it’s been an hour.”

“If this guy dies, the plan we discussed will have to change again.”

Su Tianshuo frowned.

Things always change, which gives him a headache!

“If Chen Ping dies, these two people can’t stay either!”

Bao Longxing said, looking at Liu Ruyan and Nie Heng with murderous intent!

Liu Ruyan and Nie Heng were concentrating on looking at the light curtain in front of them, but a dangerous murderous aura suddenly came, and the two of them turned back at the same time!

They saw that Bao Longxing was looking at them with murderous intent, and this murderous aura made the two people tremble in their hearts!

“Don’t do it first, wait and see. If Chen Ping doesn’t show up in a quarter of an hour, we will kill these two guys and then go around the mountain!”

Su Tianshuo decided to wait!

After hearing Su Tianshuo’s words, Bao Longxing put away his murderous intent!

“Miss, why do I feel that these guys have bad intentions?”

“The way they looked at us just now seemed to want to eat us up.”

Nie Heng whispered to Liu Ruyan!

“I also felt that these guys have murderous intent. I guess they want to kill us.”

Liu Ruyan said with a serious face!

“Didn’t they talk well with Mr. Chen just now? And we have no grudges against them, why do they want to kill us?”

Nie Heng was very puzzled!

[The Man Decree] A Man Like None Other Chapter 4188 – “You can know a person’s face but not his heart. Who knows what they are thinking? Let’s be careful.”

Liu Ruyan asked Nie Heng to be careful!

She was nervously looking at the light curtain in front of her, hoping that Chen Ping would appear!

But at this time, Chen Ping was concentrating on everything in the Shennong Ding!

At this moment, the surroundings had already been wrapped in mist, and a crystal pill appeared in the Shennong Ding. Inside the pill, there was white mist wrapped in it!

“What kind of pill is this?” Chen Ping took the pill out of the Shennong Ding.

After playing with it for a while, Chen Ping couldn’t tell what this pill was and what it did!

“No wonder I didn’t recognize those breaths just now. It turned out that they were transformed by this pill!”

“It can be transformed into breaths, which shows that the level of this pill is not low.”

“Could it be that this medicine god practiced it, and then the medicine god fell, and the pill slowly turned into fierce air here!”

said the Red Cloud Demon Lord.

“I don’t know either, but those auras just now were transformed from this elixir. If there was no Shennong Ding to collect these auras and then refine them into elixir again, I would never have thought that the elixir could actually turn into aura, and it also had a certain consciousness!”

Chen Ping said with emotion!

Although Chen Ping is also a pharmacist, and his medical skills are good, he can be regarded as a senior pharmacist!

But he never thought that a dead thing like elixir could be transformed into aura, and it also had a certain consciousness!

Otherwise, those auras would not know to dodge after encountering Shennong Ding. Since they dodged, it proves that they have a certain consciousness!

Chen Ping put the elixir away. Since he didn't know what this elixir was and what it did, Chen Ping didn't dare to take it casually!

At this time, Liu Ruyan, who was anxiously waiting for Chen Ping outside, turned pale!

Nie Heng held one hand on the long sword, ready to take action at any time!

Because the murderous aura was spreading again!

"That guy must be dead. Don't waste time. I'll kill these two people, and then we'll take a detour!"

Bao Longxing saw that the time was almost up and Chen Ping was still nowhere to be seen, so he decided to attack Liu Ruyan and Nie Heng!

Liu Ruyan and Nie Heng felt the murderous aura behind them, so they were also very nervous and prepared to resist!

However, their strength was too low, and they knew they were no match for these people!

But they couldn't just sit there and wait to die!

Just as Bao Longxing slowly approached Liu Ruyan and Nie Heng, there was a sudden bang!

I saw the light curtain hanging from the top of the mountain in front of me, like broken glass, directly shattered, and then slowly disappeared!

The light curtain disappeared, and everyone was stunned!

Then the scene behind the light curtain was also seen by everyone!

There was a light mist behind the light curtain, and Chen Ping was not far away from them!

In front of Chen Ping, there was also a furnace tripod placed on the ground! There

were all kinds of strange patterns on the furnace tripod, and it exuded a burst of ancient breath!

Chen Ping was also startled by the sudden disappearance of the light curtain, and hurriedly put away the Shennong Ding!

Shennong Ding is an ancient divine cauldron, the favorite thing of alchemists!

If these pharmacists knew that Chen Ping had a treasure like Shennong Ding in his hand, it would be more attractive than the hundred-year offering of the Demon Sealing League!

After all, this Shennong Ding is a priceless treasure for these pharmacists!

“President Su, did you see the medicine cauldron just now?”

Bao Longxing was the closest, and asked Su Tianshuo with a slight trembling body!

“I saw it...” Su Tianshuo’s eyes were also wide open!

“That is an ancient medicine cauldron, it is definitely a treasure among treasures.”

“I didn’t expect that Chen Ping actually had this kind of medicine cauldron in his hand.”

Diao Changmin showed greed in his eyes!

[The Man Decree] A Man Like None Other Chapter 4189 – At this time, Chen Ping had already walked out of the mist. The mist seemed to be blocked by something and did not float over the position where the light curtain was just now!

“Chen Ping, are you okay?”

Seeing Chen Ping coming out, Liu Ruyan hurriedly came forward and asked!

“It’s okay!” Chen Ping shook his head!

Seeing this, Su Tianshuo and the others also came over, and then looked at Chen Ping with a smile and said, “Fellow Daoist Chen, why did you stay in this light curtain for so long? And this light curtain suddenly disappeared, how did you do it?”

“This is just a formation. I know a little bit, so I broke the formation inside, so the light curtain disappeared!”

Chen Ping smiled slightly!

Chen Ping did not say anything about using Shennong Ding to refine those strange auras!

“Fellow Daoist Chen, can you let us appreciate the medicine cauldron you just put away? I feel that medicine cauldron is so special!”

Diao Changmin asked greedily!

“Yes, let us admire it. I didn’t expect that there is such a good medicine cauldron in the world of heaven and man!”

Bao Longxing saw this and hurriedly said!

Chen Ping didn’t expect that his Shennong Ding was seen by these people, but if these people wanted to see it, it would be fine to let them see it, and let them learn more!

Just when Chen Ping was about to agree and take out the Shennong Ding, Liu Ruyan suddenly pulled Chen Ping and said with an ugly face: “Chen Ping, I feel a little uncomfortable, can you help me take a look...”

“Ruyan, what’s wrong with you?”

Seeing this, Chen Ping hurried forward to support Liu Ruyan, and a spiritual power instantly entered Liu Ruyan’s body!

Following Chen Ping’s spiritual power, Liu Ruyan transmitted a voice: “Don’t take out your medicine cauldron, these guys are not good things.”

“Just now they wanted to kill us, fortunately the light curtain disappeared and you appeared, otherwise they would have done it.”

Chen Ping frowned when he heard Liu Ruyan’s voice transmission!

He didn’t understand, why did Su Tianshuo and others do this to Nie Heng and Liu Ruyan?

They have no hatred or resentment!

And with the strength of Liu Ruyan and Nie Heng, they can’t threaten them or anything!

But since Liu Ruyan reminded him, Chen Ping couldn’t take out the Shennong Ding!

“It’s just an ordinary medicine cauldron, nothing to see.”

“Now that the light curtain has disappeared, let’s go up the mountain as soon as possible, I’m leaving too!”

Chen Ping supported Liu Ruyan and said to Bao Longxing and others!

Seeing this, Su Tianshuo nodded: “Fellow Daoist Chen, let’s say goodbye...”

Chen Ping took Liu Ruyan and the others away and walked into the mist!

Nie Lei and Nie Hong followed closely behind!

“Chairman Su, what should we do? Let Chen Ping leave?”

Seeing Chen Ping leave, Diao Changmin said anxiously!

He was interested in Chen Ping’s Shennong Ding and wanted to get it!

“Let him go for now, and wait until he joins the Zhou family and the Zhen family, and we will catch them all in one fell swoop...”

“Otherwise, the Zhou family and the Zhen family will unite with other pharmacist associations, and we will be in trouble!”

Su Tianshuo said!

“Hey!” Diao Changmin sighed, but there was nothing he could do!

The group also entered the mist and began to head up the mountain!

“Mr. Chen, why do I feel that there is something wrong with this mist?”

Nie Heng suddenly said as he walked forward!

“There is a problem, what is the problem?”

Chen Ping’s face was full of surprise!

“I also feel that there is something wrong. This mist seems to be poisonous, but the toxicity is not great. It will only slowly corrode. We have only walked for a while, and I feel a little tired, and the spiritual power in my body can’t be mobilized!”

Liu Ruyan also said!

At this time, Nie Lei and Nie Hong also said: “There is indeed a problem with this mist. We are now feeling anxious and short of breath, and it is very uncomfortable...”

[The Man Decree] A Man Like None Other Chapter 4190 – There are five people in the group, and now four of them feel uncomfortable, only Chen Ping has no problem at all!

“Why don’t I feel anything?”

Chen Ping has a difference, is it related to his physique?

“There is indeed a problem with this mist. If you take out the pill on your body, you can probably feel the problem with this mist!”

Chiyun Demon Lord said to Chen Ping!

Chen Ping heard it, so he took out the pill and handed it to Liu Ruyan!

“Chen Ping, what kind of pill is this, it’s so strange...”

Liu Ruyan looked at the pill and asked curiously!

“I don’t know either, I picked it up!” After Chen Ping finished speaking, he slowly felt the surrounding mist!

Chen Ping found that there was indeed something wrong with this mist, which could slowly erode the human body!

When the problem is detected, it means that the body has suffered too many toxins!

“Look, why is there black mist coming out of my body!”

At this time, Liu Ruyan suddenly shouted!

I saw Liu Ruyan holding the unknown pill, and a wisp of black mist slowly emerged from her palm, and then was absorbed by the pill, and then purified and became white mist!

Chen Ping then realized that it was really about this pill. This pill can purify the toxins in the mist!

Although the toxins in the mist are not very heavy, if you stay for a long time, you will still feel it!

“Ruyan, give the pill to Nie Heng...”

Chen Ping said!

Nie Heng took the pill, and the toxins in his body began to be absorbed quickly!

Nie Lei and Nie Hong, brother and sister, also did it in turn, using the pill to absorb the toxins in their bodies!

After clearing the toxins, everyone was much more relaxed, and then continued to move forward!

Although they knew that there were toxins in the mist, they were not afraid with the pill!

But after walking for a while, Chen Ping suddenly stopped!

“Mr. Chen, what’s wrong?” Nie Heng asked!

“Someone is coming, you guys go first...”

Chen Ping noticed that someone was approaching them!

“How is it possible? Not to mention that no one knows our location, and this is all fog with toxins. Who can come straight to us?”

Liu Ruyan frowned. She was very puzzled. How can someone always find their location accurately!

“These people are very strong, you should go first, and I will find you later!”

Chen Ping also frowned slightly!

Because he realized that the other party was very strong, and there were even masters of the Mahayana realm, and the target was very obvious, that is, they came straight to them!

If it was just Chen Ping himself, Chen Ping could still deal with it, but Liu Ruyan and the others were here, and Chen Ping had to divide his energy to protect them, which would be troublesome!

“Okay, you should pay more attention to yourself!” Liu Ruyan also knew her own strength. Following Chen Ping would only drag him down, so it would be better to leave in advance!

“I know, you take this pill, otherwise it will be difficult for you to get out of here!” Chen

Ping gave the pill to Liu Ruyan!

“What are you going to do?” Liu Ruyan asked with concern! “Don’t worry, this little toxin can’t cause any harm to me at all.” Chen Ping smiled slightly! Indeed, Chen Ping’s strong body suffered much less damage from toxins than others! If it was an ordinary toxin, Chen Ping would have already reached the point of being immune to all poisons! However, this poison was obviously left by the Medicine God, and it was not an ordinary poison, which made Chen Ping unable to resist it completely! Liu Ruyan took the pill and quickly left with Nie Heng and the others! Not long after Liu Ruyan and the others left, Chen Ping saw a group of people walking out of the fog next to him! There were more than a dozen of these people, and most of them were at the level of the seventh or eighth level of the Tribulation Realm!
