**[The Man Decree] A Man Like None Other Chapter 4191** – There are also several who have reached the ninth level of the Tribulation Realm!

There is even a master of the Mahayana Realm, and this Mahayana Realm master is Diao Changmin!

The head of the Diao family in Yongle City!

“Head of the Diao family?” Seeing Diao Changmin, Chen Ping seemed a little confused: “Aren’t you with President Su and the others?”

“I started to follow them, but now we are separated. I just want to see the ancient medicine cauldron of Chen Daoyou.”

“I don’t think Chen Daoyou will be so disrespectful as not to show it to me, right?”

Diao Changmin asked!

It turned out that this guy had been thinking about Chen Ping’s Shennong Ding. He secretly followed Su Tianshuo and others and separated, and brought everyone from the Diao family to find Chen Ping!

He wanted to get the Shennong Ding. If he worked with Su Tianshuo and others, it would be uncertain who would get the Shennong Ding!

“Oh, so you just want to see the medicine cauldron, isn’t that simple!”

Chen Ping listened and acted indifferent, and was about to take out the medicine cauldron!

Seeing this, Diao Changmin’s eyes lit up, and his eyes were full of greed!

As long as Chen Ping takes out the Shennong Ding, he will attack Chen Ping without hesitation. After killing Chen Ping, the Shennong Ding will be his, and the centenary offering of the Demon Sealing League will also be his!

After all, he can easily kill a small cultivator of the sixth rank of the Tribulation Realm with the elite of the Diao family!

Moreover, he is a master of the Mahayana Realm, and he is impossible to be afraid of Chen Ping!

Chen Ping flipped his hand and took out not a medicine cauldron, but a dragon-slaying sword!

The cold sword light shot out in an instant!

Seeing this, Diao Changmin retreated violently and barely avoided Chen Ping's sword!

But the two people behind Diao Changmin were not so lucky. They were directly hit by the sword light and their bodies were directly cut in half!

"You..."

Diao Changmin saw his own people being killed, and immediately glared at Chen Ping.

"Humph, you want to spy on my medicine cauldron, you dream, with you people, you still want to deceive me!"

Chen Ping sneered, his body suddenly jumped up, and ran quickly to the side!

"Damn it, you want to run, I must kill you today!"

Seeing that he was being teased by Chen Ping, Diao Changmin was furious, with murderous eyes, and led people to chase Chen Ping!

Chen Ping was in front and Diao Changmin led people behind, constantly shuttling in the fog!

Although Chen Ping's body was not invaded by toxins much, he had been shuttling in the fog, which made Chen Ping feel that the circulation of his spiritual energy was a little unsmooth!

Chen Ping actually didn't take these people seriously. The reason why he didn't fight with them was because of the fog around him!

If he really fought, the speed of the poison invading the body would be accelerated!

Even if Chen Ping killed Diao Changmin and others, he must have been poisoned. If he encountered a situation again, it would be troublesome!

Diao Changmin and others chased after him, and kept throwing pills in their mouths!

This is a detoxification pill. Although there is no way to completely eliminate the toxins in the fog, it can also temporarily slow down the speed of the poison invading the body!

Not long after entering the fog, they noticed the weirdness in the fog, so they began to take detoxification pills!

As a family of medicine, detoxification pills are something that is needed for a long time!

“Master, we don’t have many detoxification pills. If we continue to consume them like this, it will be troublesome!”

At this time, a middle-aged pharmacist next to Diao Changmin reminded him!

Diao Changmin frowned slightly, looking at Chen Ping not far ahead, and said in a puzzled way: “Damn, why hasn’t this kid been poisoned yet? I don’t think I saw him taking detoxification pills along the way!”

“Master, this guy is not immune to all poisons, right?” said the middle-aged pharmacist!

“Bullshit, the toxins in this mist are not ordinary toxins. Even if he is immune to all poisons, he can’t resist the toxins in this mist at all!”

“Our detoxification pills can also detoxify all poisons, but in the face of this kind of toxins, they can only delay, and there is no way to prevent the toxins from entering the body!”

Diao Changmin cursed!

## **[The Man Decree] A Man Like None Other Chapter 4193**

**[The Man Decree] A Man Like None Other Chapter 4193** – “I want to know, how did you find my location?”

Chen Ping was very puzzled. How could Diao Changmin know his exact location!

After all, Yaoding Mountain is very large. Several people in Yaoding Mountain are even smaller than ants!

If he didn’t rely on breath and consciousness, how could Diao Changmin know his exact location?

“Of course it’s our eyes. The brother and sister following you are our eyes. They will announce your location at any time.”

Diao Changmin sneered!

After hearing this, Chen Ping didn’t feel surprised. In fact, he also suspected the brother and sister Nie Lei and Nie Hong!

From the beginning, when the pharmacists found him accurately, Chen Ping actually had some doubts about the brother and sister!

But there was no definite evidence, and he didn’t say anything!

Now that Diao Changmin can rush towards him effortlessly, Chen Ping is even more suspicious!

The reason why he asked Diao Changmin was just to confirm his guess!

Diao Changmin was getting carried away, and he would definitely say everything!

Now Chen Ping can be sure!

“Thank you for telling me this!”

After Chen Ping finished speaking, a horrified aura suddenly burst out of his body, and the indestructible golden body wrapped around his body, emitting a dazzling golden light!

“Humph, it’s useless. Even if you have more means, you will definitely die today!”

Diao Changmin snorted coldly, and then roared: “Kill him...”

More than a dozen pharmacists burst out with all their strength and attacked Chen Ping!

They each used their most powerful moves!

For a time, the world shook, and the space roared!

Chen Ping was instantly wrapped in countless auras, and the whole person disappeared!

Seeing this, Diao Changmin sneered. With so many people attacking together and hitting Chen Ping, Chen Ping would have been wiped out at this time!

Boom!

A loud noise suddenly sounded, and then the pharmacists closest to Chen Ping screamed and flew backwards!

“What?”

Diao Changmin was stunned!

Then he saw the flames rising into the sky, followed by a dragon roar, and a golden dragon appeared on Chen Ping!

The whole body of the golden dragon was burning with flames, and the terrifying aura made everyone stunned!

The golden dragon roared, and the overwhelming fire went towards the pharmacists!

Wherever the golden dragon passed, the pharmacists were instantly knocked out, and several pharmacists with low strength were directly torn to pieces by the golden dragon!

The flames all over the sky made everyone terrified!

In just a moment, the dozen pharmacists brought by Diao Changmin all lost their combat effectiveness!

Even if there were immortals, they only had one breath left, lingering on!

“This...what’s going on?”

Diao Changmin’s face was full of disbelief!

He couldn’t believe that Chen Ping, who was only a sixth-grade cultivator in the Tribulation Realm, had such ability?

You know, he brought the elite of the Diao family, all of whom were eighth-grade and ninth-grade cultivators in the Tribulation Realm!

Logically speaking, it would be easy for these people to kill Chen Ping, but now it has become this situation!

Could it be that Chen Ping has hidden his strength? He is not a sixth-grade cultivator in the Tribulation Realm, but a Mahayana cultivator?

But such a young Mahayana cultivator is rare in the entire Tianren Realm!

As the fire slowly dissipated, Chen Ping stood there unscathed!

The golden body was still shining! The golden

dragon circled above Chen Ping’s head, roaring from time to time!

Looking at the golden dragon above Chen Ping’s head, Diao Changmin’s legs went weak and he almost fell to the ground!

“You...what is your strength?”

Diao Changmin asked loudly!

Although Diao Changmin was in the Mahayana realm, Chen Ping wiped out all the elite of their Diao family as soon as he made a move. Diao Changmin was also very frightened at this moment!

“Can’t you see that I’m only at the sixth level of the Tribulation Realm!”

Chen Ping smiled faintly!

## **[The Man Decree] A Man Like None Other Chapter 4194**

**[The Man Decree] A Man Like None Other Chapter 4194** – “Impossible, absolutely impossible. If you are only at the sixth level of the Tribulation Realm, how could you have such strength?”

Diao Changmin didn’t believe what Chen Ping said at all!

A sixth-level cultivator in the Tribulation Realm crippled more than a dozen pharmacists at the eighth and ninth levels of the Tribulation Realm. It was incredible!

“Believe it or not, but you can’t leave here alive today.”

After Chen Ping finished speaking, the golden dragon above his head roared and went towards Diao Changmin!

Diao Changmin was already scared at this moment, and didn’t dare to resist. Seeing that Chen Ping was about to take action, he turned around and ran!

He only wanted to save his life and didn’t care about face at all!

A Mahayana master was chased by a sixth-level cultivator in the Tribulation Realm. If someone saw it, it would be really embarrassing!

Diao Changmin didn’t care, and ran away desperately. The shielding magic circle he had laid was also released by him at this time!

“Master...”

Just when Diao Changmin turned around and ran away, the middle-aged pharmacist who was originally left to refine the detoxification pill came with people!

Seeing his own people coming, Diao Changmin shouted anxiously: “Stop him, stop him for me...”

The middle-aged pharmacist led his people, jumped up, and went straight to Chen Ping!

Diao Changmin secretly breathed a sigh of relief. As long as someone stopped Chen Ping, he could escape!

But just when the middle-aged pharmacist led his people to rush towards Chen Ping, Chen Ping suddenly swung the Dragon Slaying Sword in his hand!

The sword light in the sky covered the sky and the sun!

The middle-aged pharmacist and others were directly pierced through the body under the sword light in the sky, and countless blood holes appeared on their bodies!

Seeing this, Diao Changmin's legs softened and he fell directly to the ground!

Chen Ping pointed the Dragon Slaying Sword in his hand at Diao Changmin, his eyes full of murderous intent!

"Don't... don't kill me, as long as you don't kill me, I will listen to you."

"I can expose Su Tianshuo..."

Diao Changmin began to beg for mercy with a horrified face!

As the head of the Diao family and a cultivator in the Mahayana realm, he had to beg for mercy at this moment!

But Diao Changmin didn't care, he just wanted to be alive, as long as he was alive, everything was not a problem!

"I don't need you to expose it!" Chen Ping said coldly!

"I can give you all the resources of the Diao family, and I am even willing to surrender to the Zhen family, as long as you don't kill me!"

Diao Changmin begged Chen Ping desperately!

At this moment, Diao Changmin's face was pale and his body was uncomfortable!

After all, there was no anti-poison pill, coupled with the mental space, the toxins in the body would spread quickly!

"I don't need anything. From the moment you spied on the Shennong Ding on me, your fate was doomed!" After

Chen Ping finished speaking, he swung the Dragon Slaying Sword in his hand!

Diao Changmin's head flew out directly, and even his soul disappeared!

Diao Changmin's eyes were wide open, and his head rolled far away. He never thought that the matter of holding the hand would end up like this!

If he knew, he would never bring people to rob Chen Ping privately even if he was beaten to death!

It's too late to regret now!

There is no regret medicine in the world!

Puff...

After killing Diao Changmin, Chen Ping also spurted out a mouthful of blood! He held the Dragon Slaying Sword tightly

against the ground with both hands! Relying on the Dragon Slaying Sword to support his body, Chen Ping just tried his best, causing the poison in his body to spread rapidly! The reason why Chen Ping used all his strength as soon as he started was that he was afraid that once the poison took effect, he would have no chance! "You are seriously poisoned, quickly find the detoxification pills from these people and take them." "Although I can't help you detoxify, I can control the spread of the poison!" The Red Cloud Demon Lord said to Chen Ping! Chen Ping hurriedly found the detoxification pills from the dead pharmacists, and then swallowed them all in one go! After taking the detoxification pills, Chen Ping's body finally had a little strength!

## **[The Man Decree] A Man Like None Other Chapter 4195**

**[The Man Decree] A Man Like None Other Chapter 4195** – Although Chen Ping couldn't resist when he was ambushed, he still had no problem walking!

"You kid has really improved. You can kill so many people even though you are poisoned."

The Red Cloud Demon Lord praised Chen Ping!

Chen Ping did wipe the blood from the corner of his mouth, and laughed miserably, "These people are also poisoned. Although they are taking detoxification pills, they still have toxins in their bodies!"

"These toxins weaken the strength of these people, they just don't notice it."

"Otherwise, I wouldn't be able to kill these people so easily!"

Chen Ping had the pill at the time, protecting his body from being poisoned at all, and at that time, Diao Changmin and others began to be invaded by toxins!

In addition, Chen Ping's body is special, even if he is poisoned, the toxin spreads very slowly!

This means that although Diao Changmin and others took detoxification pills, the toxins still spread, and their strength is constantly declining!

In this way, Chen Ping took advantage of it, so that he could quickly kill these people while the other party was proud!

“Okay, you’d better leave this fog quickly, I don’t want to see you being poisoned to death here!”

said the Red Cloud Demon Lord!

Chen Ping smiled, then used the Dragon Slaying Sword as a crutch and began to walk forward step by step!

“Chen Ping……”

Just after Chen Ping took two steps, Liu Ruyan suddenly shouted!

At this moment, Liu Ruyan and the others rushed towards Chen Ping!

Seeing Chen Ping’s haggard appearance, Liu Ruyan knew that Chen Ping must have been poisoned!

So she hurriedly gave the elixir in her hand to Chen Ping!

When the elixir was in her hand, the toxins in Chen Ping’s body were quickly absorbed by the elixir!

Chen Ping’s complexion and strength were also recovering at a speed visible to the naked eye!

Nie Lei and Nie Hong, the brother and sister who followed behind Liu Ruyan, saw the corpses around them and the head of Diao Changmin that had been chopped off, and they were all dumbfounded!

The two of them were stunned on the spot and didn’t speak for a long time!

They didn’t expect that Chen Ping would kill all the people in the Diao family by himself, and even Diao Changmin was beheaded!

You know, Diao Changmin is a master of the Mahayana realm!

How could this happen?

And Nie Heng looked at the charred corpses all over the ground and asked Chen Ping: “Mr. Chen, who are these people? Are they targeting you?”

“These are all people from the Diao family in Yongle City. They want my Shennong Ding and want to use me to exchange for the Hundred Years of Offerings of the Demon Sealing League.”

“It’s a pity that their strength is not enough, and I killed them all!”

Chen Ping said lightly!

“It’s really strange, why can someone always find us accurately?”

Liu Ruyan frowned slightly, she also felt something was wrong!

This Yaoding Mountain is so huge that it is very difficult to find someone deliberately, but they have been found again and again!

Hearing Liu Ruyan’s words, Nie Lei and Nie Hong looked at each other with fear in their eyes!

Chen Ping doesn’t even take the Mahayana cultivators seriously. The strength of the two of them is probably not even an ant in front of Chen Ping! Chen

Ping glanced at the brother and sister, and the brother and sister hurriedly lowered their heads, not daring to look at Chen Ping at all, let alone look at Chen Ping!

“Why are we always found? We should ask these two siblings!”

Chen Ping walked towards Nie Lei and Nie Hong!

“The two of them?”

Liu Ruyan was puzzled!

Nie Heng frowned and said, “Mr. Chen, could it be that these two siblings secretly leaked our whereabouts?”

Nie Lei and Nie Hong panicked when they heard it.

“Daoyou Chen, don’t joke. How could we leak our whereabouts? Besides, we have always been together.”

Nie Lei hurriedly squeezed out a smile and said!

“Yes, we will never do such a thing. If you think we are a burden, just say it directly. Why bother to accuse us!” As soon as

Nie Hong opened her mouth, she put on the big hat of morality again!
