[The Man Decree] A Man Like None Other Chapter 4192 – “What should we do? Many of us have already started to show symptoms.”

The middle-aged pharmacist asked!

“Take a few people to stay, refine detoxification pills on the spot, and then catch up with us as soon as possible!”

Diao Changmin asked the middle-aged pharmacist to take people to stay and refine detoxification pills on the spot!

Fortunately, they all carried various immortal herbs, so it was easy to refine detoxification pills!

Diao Changmin led the rest of the people and continued to chase Chen Ping!

After running for a while, Chen Ping stopped directly!

He knew that he couldn’t run anymore. If he continued to run, the toxins in his body would accumulate more and more!

At that time, Diao Changmin and others would fall down without them doing anything!

People like Diao Changmin can refine detoxification pills, but Chen Ping can’t refine pills while running!

He has to kill Diao Changmin and others before the poison breaks out!

Diao Changmin saw Chen Ping stopped, and his face was not very good, and he smiled coldly: “Run, why don’t you run?”

“I thought you were immune to all poisons, but you are also poisoned?”

Diao Changmin smiled triumphantly!

Then more than a dozen Diao family members surrounded Chen Ping!

Then Diao Changmin threw out a formation plate directly, accompanied by a humming sound, a breath spread out to the surroundings, directly covering the area of dozens of miles!

This is a shielding formation, in order to shield the breath and sound of the monks in the formation!

In this way, Chen Ping has no way to call for help!

Diao Changmin did this to prevent others from noticing and coming to compete with him!

Chen Ping is very valuable now. Not counting the hundred-year offerings of the Demon Sealing League, he

also has an ancient medicine cauldron in his hand! Diao Changmin wants to take all these things for himself!

“Are you afraid that others will know that you killed me?”

Chen Ping saw that Diao Changmin had shielded the surroundings, so he smiled slightly!

“Of course, you are a hot commodity now, and everyone wants to take a bite, but many people dare not offend Xiao Huangchao, so they have been forbearing.”

“Now I kill you, and I don’t know who killed you in this place, so Xiao Huangchao wants to avenge you, but I don’t know who to find!”

Diao Changmin said very proudly!

“You do this yourself, aren’t you afraid that President Su and others will know?”

Chen Ping asked!

Diao Changmin was with Su Tianshuo and others. Now that he suddenly left, he would definitely be suspicious!

“Hahaha, so what if he knows? Besides, Su Tianshuo doesn’t have time to take care of these things.”

“His target is the pharmacist of the entire Tianren world. What he needs is to control the entire pharmacist world.”

“I don’t have such big ambitions. I just need the medicine cauldron in your hand and get the hundred-year offering of the Demon Sealing League.”

Diao Changmin laughed!

After hearing this, Chen Ping was slightly stunned: “Pharmacists of the entire Tianren world? What does this mean?”

“Since you are about to die, I might as well tell you. We have known for a long time that Zhantian Fazong is coming to attack Yaoshen Island.”

“And Su Tianshuo has also reached a cooperation with Zhantian Fazong. Zhantian Fazong occupies Yaoshen Island. What Su Tianshuo has to do is to use Zhantian Fazong’s hand to eliminate dissidents.”

“When the time comes, who dares not to obey orders?”

“You idiot, you thought we were only targeting the Zhou and Zhen families, so naive!”

Diao Changmin was so proud at this time that he told all of Su Tianshuo’s plans!

In his opinion, Chen Ping was doomed to die, so it didn’t matter even if he told Chen Ping!

Chen Ping frowned, with murderous intent in his eyes. He didn’t expect Su Tianshuo to be so vicious!

He was also deceived by Su Tianshuo. No wonder Su Tianshuo was very active in coming to Yaoshen Island to hold the Pharmacist Conference!
