

## [The Man Decree] A Man Like None Other Chapter 4198

---

**[The Man Decree] A Man Like None Other Chapter 4198** – Yaoding Mountain, halfway up the mountain!

Chen Ping led Liu Ruyan and the others to continue climbing to the top of the mountain!

On the way, they also met many pharmacists sparsely, most of whom knew Chen Ping and greeted Chen Ping!

But Chen Ping did not tell them about Su Tianshuo!

After all, Chen Ping did not know whether these pharmacists were Su Tianshuo's people, and even if they were not Su Tianshuo's people, Chen Ping said that the other party might not believe it!

Now Chen Ping had to find Chen Wenliang and Zhen Yuandao as soon as possible. Only by making these people believe it, and then slowly spreading the news, it would work!

“Friend Chen, I have been looking for you all the way, why are you so slow?”

Just as Chen Ping and the others were heading towards the top of the mountain, Chen Wenliang stopped him!

“President Chen, I was delayed by something, so I entered the mountain a little late!”

Chen Ping was relieved when he saw Chen Wenliang!

Now that he meets Chen Wenliang, he can tell him about Su Tianshuo's conspiracy first.

“No wonder I didn't see you along the way.” After Chen Wenliang finished speaking, he saw Nie Lei and Nie Hong, and asked curiously, “You two are actually with Fellow Daoist Chen. I sent someone to look for you two.”

“This Yaoding Mountain is not safe. With your strength, don't run around everywhere!”

“Got it, President!” Nie Lei and Nie Hong, brother and sister, were embarrassed and ashamed!

Just now they said that they were at the bottom of the Central Region Pharmacist Association and no one paid attention to them. Now Chen Wenliang not only remembered them, but also sent someone to look for them. It can be seen that he is not bad for the two of them!

“President Chen, I have something to tell you, come with me!”

Chen Ping called Chen Wenliang to a secluded place!

After all, Chen Wenliang also brought a lot of pharmacists with him, and Chen Ping didn't know if there were any of them who colluded with Su Tianshuo!

Like Nie Lei and Nie Hong, the two brothers and sisters, although they are also pharmacists of the Central Region Pharmacist Association, they colluded with Su Tianshuo!

“Fellow Daoist Chen, what's the matter, so mysterious?”

Chen Wenliang asked puzzled!

“President Chen, do you know what Su Tianshuo, the president of the Western Region Pharmacist Association, is up to?”

Chen Ping asked!

“Plan? What plan?” Chen Wenliang was stunned!

“Let me tell you the truth. Su Tianshuo colluded with Zhan Tian Fa Zong and wanted to take action against Yao Shen Island. He contacted many pharmacists and planned to reshuffle the pharmacist world in the Tianren World!”

“If we don't stop it this time, I'm afraid that many pharmacists will die on Yao Shen Island.”

Chen Ping said!

“What?” Chen Wenliang's eyes widened, his face full of disbelief: “You said that Su Tianshuo wanted to take action against the pharmacists of the entire pharmacist world? He doesn't have the courage, right?”

“And how did you know about colluding with Zhan Tian Fa Zong?”

Chen Ping knew that no one would believe it easily, so he told Chen Wenliang the details of what happened!

But even so, Chen Wenliang still couldn't believe that Su Tianshuo had such courage!

Chen Ping had no choice but to call Nie Lei and Nie Hong!

After Nie Lei and Nie Hong said it, Chen Wenliang believed it!

However, this also gave him a headache. After all, even if he said this, no one would necessarily believe it!

After all, everyone on Yaoding Mountain is a competitor. Perhaps everyone thinks that he is exaggerating and deliberately scaring everyone to leave Yaoding Mountain!

“I can only persuade the many pharmacists of the Central Region Pharmacist Association to be careful, but other people may not believe what I say.”

Chen Wenliang said!

“I understand. Now we go to the Zhou family and the Zhen family. If we convince them, we will have bargaining chips against Su Tianshuo and others.”

“Even if other pharmacists don't believe it at that time, Su Tianshuo will not be able to succeed at all.”

Chen Ping said!

“Okay, let's set off quickly without further ado!” Chen Wenliang nodded!
