[The Man Decree] A Man Like None Other Chapter 4201 – Rather than dying here, it's better to run away one by one!

Chen Wenliang's face was full of embarrassment. He couldn't leave these pharmacists alone, but he couldn't stop them!

At this moment, Chen Ping looked up at the thunders condensed in the sky, and seemed to make a difficult decision!

“President Chen, I will attract those thunders myself, and you take people to leave this area quickly!”

Chen Ping decided to go to the air alone and attract the power of thunder!

He now has the power of the origin of thunder and lightning, and perhaps the power of thunder in these tests can't hurt him at all!

“Fellow Daoist Chen, you must not do that. If you resist those thunder powers by yourself, wouldn't you die in vain?”

Chen Wenliang hurriedly stopped Chen Ping!

Liu Ruyan was also shocked and said, “Chen Ping, don't make trouble. How can you resist these thunders by yourself!”

“Mr. Chen, don't worry about us, just go!”

Nie Heng said to Chen Ping!

“Don't worry, I won't die. You should hurry up and leave here!”

After Chen Ping finished speaking, his body jumped up!

In mid-air, lightning began to emanate from all around Chen Ping's body, like lightning snakes shuttling back and forth!

These lightnings continued to spread toward the sky, and began to attract the thunder to strike at themselves!

Everyone was stunned when they saw this scene!

“What are you still standing there for? Let's go...”

Chen Wenliang reacted and yelled immediately!

This is Chen Ping using his life to buy them time. If they delay any further, they will be sorry for Chen Ping!

The pharmacists reacted and hurriedly took the injured pharmacist and ran desperately outside the thunder!

Boom...

A deafening noise startled everyone!

Everyone was stunned instinctively, and then looked up at the sky!

I saw several extremely thick lightnings, which bombarded Chen Ping with a bang, and Chen Ping's entire body was submerged in lightning!

Seeing this scene, Liu Ruyan's tears instantly flowed out!

"Chen Ping..."

She didn't know what happened to Chen Ping, because she couldn't see clearly at all!

All the pharmacists were also nervous, praying silently, praying that Chen Ping was okay!

"Go, don't stop..."

Chen Wenliang suddenly pulled Liu Ruyan!

Stopping at this time would be courting death!

Everyone rushed again, and at this time Chen Ping, gritting his teeth, was even more aware of the thunder and lightning power in his body!

The raging thunder and lightning wandered around him, causing him great pain!

The origin space was opened, and the thunder and lightning origin star was desperately running, absorbing the thunder and lightning power in Chen Ping's body!

Boom...

Another few thunder and lightning struck, and Chen Ping's whole body was shaking!

Chen Ping's expression became ferocious, gritting his teeth, and his body began to swell visibly!

It seemed that the whole person was about to explode!

“Absorb quickly, quickly...”

Chen Ping shouted in his heart, asking the origin star to absorb faster!

Otherwise, these thunder and lightning powers would burst Chen Ping’s body!

It was just a test, Chen Ping didn’t understand why this medicine god was so powerful!

Didn’t he want people to inherit his heritage?

Chen Wenliang led his men out of the area covered by thunder, and everyone fell to the ground. The feeling of exhaustion and the feeling of surviving a catastrophe almost made them lose their strength!

Liu Ruyan looked up at the sky, looking at a ball of light in the sky that was brighter than the sun!

She knew that Chen Ping was in this ball of light, and she didn’t know what kind of pain he was enduring!

This kind of terrifying thunder would make people disappear into ashes!

Even a master of the Mahayana realm would lose a layer of skin!

After taking a breath, many pharmacists also looked at the sky nervously, and everyone was extremely nervous! After

an unknown amount of time, the blue light in the sky slowly faded, and the thunder and lightning slowly disappeared!

[The Man Decree] A Man Like None Other Chapter 4202

[The Man Decree] A Man Like None Other Chapter 4202 – The huge ball of light was also gradually fading, and finally only a figure was seen floating in the air!

“Mr. Chen, Mr. Chen is still here...”

Nie Heng shouted when he saw this!

“Miracle, what a miracle...”

Chen Wenliang couldn’t help but sigh!

With this kind of thunder, I’m afraid that people would have been wiped out long ago, but Chen Ping is still here!

I just don't know what happened to Chen Ping now, is he seriously injured, or is there only a body left!

Brother and sister Nie Lei and Nie Hong looked at Chen Ping in the air, their eyes full of shame. In order to protect them, Chen Ping could do his best and his life!

But the two of them betrayed Chen Ping for their own selfish interests and wanted to kill Chen Ping. Are they still human?

"Chen Ping..." Liu

Ruyan jumped up and went towards Chen Ping!

"Miss..." Nie Heng wanted to stop her, but failed!

Liu Ruyan rushed over regardless, but Chen Ping fell straight to the ground at this time!

Boom!

His body hit the ground heavily, and directly smashed a deep pit on the ground!

Liu Ruyan's face was full of tension, and she hurried to check!

The expressions of the others also suddenly tightened, and everyone in the surroundings held their breath and stared, their hearts beating.

They didn't know what happened to Chen Ping, and they were all worried about Chen Ping!

Liu Ruyan hugged Chen Ping, and saw that Chen Ping's eyes were closed, and there was a burnt smell on his body, and tears immediately fell like rain!

"Chen Ping..."

Liu Ruyan held Chen Ping and came to Chen Wenliang and others!

"Chen Daoyou..."

Seeing Chen Ping like this, everyone gathered around!

Chen Wenliang hurriedly checked, and then shouted loudly: "Everyone take out all kinds of herbs on your body and treat Chen Daoyou!"

Hearing what Chen Wenliang said, everyone opened their storage bags without reservation and took out everything that could be useful!

Chen Wenliang began to refine pills and threw these immortal herbs into the alchemy furnace!

He knew that Chen Ping was very weak now, and what he needed was a large amount of pills to replenish his spiritual power!

This kind of pill does not have any technical content, but it requires a lot of immortal herbs!

After giving Chen Ping the refined elixir, Chen Ping slowly opened his eyes!

“Chen Ping, you’re awake...”

Seeing Chen Ping wake up, Liu Ruyan said happily!

“Daoyou Chen, you’re finally awake. If anything happens to you, we will feel guilty for the rest of our lives.”

Chen Wenliang was relieved to see Chen Ping wake up!

“I said, I won’t die...” Chen Ping got up and checked his body. The lightning power in his body was absorbed by the origin star!

“Thanks to President Chen, I collected all the immortal herbs from everyone and refined the elixir for you, so you woke up!

Liu Ruyan said!

“This...” Chen Ping didn’t expect Chen Wenliang to do it!

“The lives of all of us were saved by Daoyou Chen. What’s the big deal about taking out some immortal herbs!”

Chen Wenliang smiled slightly and said!

“President, the injured people are starting to get worse now! “

At this time, a pharmacist came running and said to Chen Wenliang!

When Chen Wenliang heard it, he hurried over to check, and Chen Ping followed him!

More than a dozen pharmacists were injured by thunder. Although it was not fatal, if they were delayed like this, they would all be useless!

“Hurry up and treat them...”

Chen Wenliang said!

“President, we have taken out all our magic herbs, and now we have no way to treat them!”

A pharmacist reminded!

Chen Wenliang was stunned, and then he remembered that he had just given all the magic herbs to Chen Ping!

Chen Ping checked the injuries of the pharmacists, and said to Chen Wenliang: “President Chen, there is magic herbs on Yaoding Mountain. You take people to find some. It’s not too late now!”

“Okay, I’ll go now!”

Chen Wenliang nodded, and immediately took people to find the magic herbs!

[The Man Decree] A Man Like None Other Chapter 4203

[The Man Decree] A Man Like None Other Chapter 4203 – About a quarter of an hour later, Chen Wenliang brought people back. Although he did bring back some immortal herbs, it was not enough to treat the dozen pharmacists!

“We can save as many as we can, and the others can only leave it to fate!”

Chen Wenliang said helplessly!

“These immortal herbs are enough!” Chen Ping took a look and said!

“These are enough?” Chen Wenliang was a little surprised!

“It would be difficult to refine more than a dozen pills with these immortal herbs, right? Unless each one is a perfect pill, and there can be no failure.”

A pharmacist said!

After all, there is a certain chance of failure when a pharmacist refines pills, and the pills they refine are not very perfect, and the grades are different!

Therefore, it is often necessary to prepare several immortal herbs for one pill, and then rely on the number of immortal herbs to make up for the low grade of the pill! For

the same kind of pill, low-grade pills need to eat five to recover, while high-grade, or even perfect-grade pills, only one is enough!

But this kind of perfect-grade pill is not something that everyone can refine.

Chen Ping did not speak, but took out the Shennong Ding directly!

At this time, Chen Ping did not need to guard against anyone!

And after this incident, he also believed that these people would not take his Shennong Ding!

When they saw Chen Ping's Shennong Ding, everyone exclaimed!

They stood there in a daze, their faces full of disbelief!

They were all pharmacists, and they were familiar with this kind of medicine cauldron!

They could clearly feel that the Shennong Ding that Chen Ping took out was an ancient medicine cauldron!

Although they did not know that the medicine cauldron was the Shennong Ding, it was definitely not an ordinary thing!

Chen Ping threw the immortal grass picked by Chen Wenliang and others into the Shennong Ding!

With the flames of orchids burning in the Shennong Ding, a strong fragrance came to the nose!

About an incense stick of time, the flame in the Shennong Ding went out!

Chen Ping took out more than a dozen pills from the Shennong Ding!

Each one was very full, and the luster was dazzling!

"Perfect-level pills, it's really perfect-level..."

Everyone was excited when they saw the pills refined by Chen Ping!

"President Chen, give these pills to the injured pharmacists!"

Chen Ping gave the pills to Chen Wenliang, and then put away the Shennong Ding!

"Okay!" Chen Wenliang nodded!

After giving the pills to the injured pharmacists, it was obvious that these people looked much better!

However, it was impossible for these people to go up the mountain together!

If they encountered any danger, they would not be able to hold on at all!

So these people could only stay where they were, or go down the mountain together after they were fully recovered!

After explaining everything, Chen Ping followed Chen Wenliang and continued to go to the top of the mountain!

But after walking for a distance, they found that the Yaoding Mountain in front of them had turned translucent!

A stone staircase appeared in front of everyone. It seemed that if they wanted to climb to the top of the mountain, they could only take this stone staircase. Other places were all translucent, and no one dared to take a step forward!

“It seems that this should be the last test. If this stone staircase can be climbed up, you can find the inheritance of the God of Medicine.”

Chen Wenliang said as he looked at the stone staircase!

“Yes, but this is definitely the most difficult. Let’s try it first. If you are a pharmacist with a lower strength, don’t go up the stone steps.”

Chen Ping looked at the stone steps carefully and said!

“Let’s go up and try it first. If there is no danger, let others go up!”

Chen Wenliang took the initiative to call Chen Ping to go up the stone steps together!

Now Chen Wenliang is the strongest. Although Chen Ping’s realm is not the highest, his strength is unmatched!

“Okay!” Chen Ping nodded!

[The Man Decree] A Man Like None Other Chapter 4204

[The Man Decree] A Man Like None Other Chapter 4204 – After explaining it twice, Chen Ping followed Chen Wenliang up the stone steps!

As soon as they stepped onto the stone steps, the two of them suddenly felt a pressure from heaven and earth, and their originally relaxed bodies sank in an instant!

Chen Ping and Chen Wenliang looked at each other, and then the two of them walked up!

These stone steps are completely illusory, and it's like stepping on air when you step on them!

And they have to suffer the pressure

of heaven and earth! With this kind of unreal footing and the body under great pressure, people will soon collapse! It's

as if all the strength in the body can't find a point to release!

After walking about a dozen steps, Chen Wenliang couldn't hold on any longer, his body was short, and the whole person fell from the stone steps in an instant!

"President Chen..."

Seeing Chen Wenliang fall, everyone rushed up and helped Chen Wenliang up!

Chen Wenliang panted and said, "It's too difficult. If it's just the pressure from heaven and earth, I can still resist for a while, but there is no root under my feet, and my body can't exert force!"

Chen Wenliang's words also made many pharmacists who were eager to try give up the idea!

After all, Chen Wenliang couldn't climb up, so there was no need for others to try!

After taking a look at Chen Wenliang, Chen Ping continued to climb up!

Although the pressure from heaven and earth was heavy, Chen Ping's body had been able to withstand it. After walking for thousands of stone steps, Chen Ping stopped!

At this moment, in front of Chen Ping, the stone steps had become blurred, and the entire Yaoding Mountain seemed to have merged with the sky!

Chen Ping couldn't tell whether he was standing on Yaoding Mountain or floating in the air!

Soon, a golden light fell and wrapped Chen Ping up!

Chen Ping's whole body was emitting golden light, like an immortal, making everyone look up!

"Mr. Chen succeeded, he successfully reached the top..."

Nie Heng saw this and shouted happily!

“Fellow Daoist Chen really reached the top of the mountain. Did he discover the inheritance of the God of Medicine?”

Looking at the golden light all over the sky, Chen Wenliang was also very excited!

At this moment, everyone who was still halfway up the mountain couldn't help but look up at the direction of the top of the mountain!

“Old Zhou, has anyone reached the top of the mountain and found the inheritance of the God of Medicine?”

Zhen Yuandao looked up at the direction of the top of the mountain and said in surprise!

“It is very likely that we have to hurry up!”

Zhou Qian frowned slightly and quickened his pace!

Su Tianshuo and others also stopped at this moment, staring blankly at the golden light that suddenly appeared!

“President Su, what's going on? Has someone already reached the cave?”

Bao Longxing asked with a puzzled look on his face!

“I don't know either, but there must be a reason for the golden light on the top of the mountain. We have to go and see it!” After

Su Tianshuo finished speaking, his pace instantly accelerated!

As the golden light slowly dissipated, Chen Ping's figure also disappeared!

At this moment, Chen Wenliang, Liu Ruyan and others were all stunned!

“Where is Chen Ping?”

“Where is Fellow Daoist Chen?”

“Why is he gone?”

Everyone was at a loss, looking for Chen Ping everywhere, but they couldn't find Chen Ping at all!

Chen Ping appeared in the darkness at this time, and nothing could be seen around him. Only stone steps appeared under his feet!

However, the stone steps did not go upwards, but extended downwards. Chen Ping himself did not know where the stone steps extended to!

“Where is this?”

Chen Ping was speechless. He could not see where the stone steps led to. It was all dark!

It was as if it led to hell!

After calming down, Chen Ping walked down the stone steps!

Chen Ping himself did not know how long he had walked until he felt his feet touch the ground, and the stone steps in front of him disappeared!

There was some dim light around, and then a golden figure with his back to him slowly appeared!

[The Man Decree] A Man Like None Other Chapter 4205

[The Man Decree] A Man Like None Other Chapter 4205 – “Who are you?”

Chen Ping looked at the golden figure in front of him and asked carefully!

“You come to me and ask who I am. Isn’t it a bit strange?”

The figure slowly spoke and slowly turned his body around!

Chen Ping understood immediately after hearing this, and hurriedly bowed his hands and said: “Junior pays homage to Senior Medicine God...”

Chen Ping knew that the person in front of him should be a wisp of residual soul left when Medicine God fell.

“You are the only one who has seen me in so many years, so my inheritance will also be passed on to you.”

“However, if you want to get my inheritance, you must worship under my door.”

The figure slowly said!

“Still want to become a disciple?” Chen Ping frowned slightly!

He wanted to get the inheritance, but he didn’t want to become a disciple. Although the strength of this Medicine God was not bad, Chen Ping always felt that he was still a little short of being his master!

“What? You don’t want to?” The figure was slightly stunned!

If it were someone else, Medicine God would have happily knelt down on the ground if he had asked to become a disciple and accept the inheritance!

After all, in the eyes of these cultivators, Medicine God is an immortal, an immortal from heaven!

Being able to worship an immortal as a master is probably the dream of all cultivators!

But Chen Ping is different!

Chen Ping has met more and more people in the heaven, and each of them is extraordinary!

Just the God Pattern Ancestor and the Array Demon, I am afraid that their strength and status in the heaven are higher than this Medicine God!

Not to mention the Red Cloud Demon Lord in his sea of consciousness!

And the Wuji Holy Sect, that is also a sect in the heaven, and the entire world of heaven and man was opened up by the Wuji Holy Sect!

These are all immortals in the heaven, and Chen Ping didn’t worship them as a master. Now let him worship a small Medicine God, Chen Ping will definitely hesitate!

“Senior, you suddenly proposed to worship me, I haven’t thought about it for a while!”

Chen Ping said tactfully!

After hearing this, the God of Medicine was a little unhappy: “Boy, I am a straightforward person, so I like to be straightforward. If you hadn’t passed the test and had extraordinary qualifications, I would not accept you as my apprentice even if you knelt down and begged me.”

“And if you worship me as your master, I can give you a great gift, as well as my inheritance. At that time, your medical skills will be beyond the reach of everyone.”

“I can let you improve your medical skills and alchemy ability in a short time, and even improve your realm and impact a higher realm!”

“Don’t think that pharmacists can only make medicine and their realm will be slow to improve. That’s all because the current pharmacists are ignorant and incompetent!”

After the God of Medicine finished speaking, he raised his hand and swept it lightly. The surrounding darkness disappeared instantly, and rays of light fell from the sky, illuminating the place very brightly!

Chen Ping then discovered that the place where he was at the moment was actually the interior of Yaoding Mountain. The entire Yaoding Mountain was hollow. After climbing to the top of the mountain, you can see a bottomless abyss!

At this time, Chen Ping was in this abyss, and the light shone down from the top of the mountain.

Just as the entire bottom was illuminated, Chen Ping discovered that the entire Yaoding Mountain had become transparent!

He could even see Chen Wenliang, Liu Ruyan and others through the mountain!

There was also Su Tianshuo who kept climbing the mountain, and even the people from the Zhou and Zhen families appeared in front of Chen Ping!

All the pharmacists on Yaoding Mountain were presented in front of Chen Ping!

Their every move was seen clearly by Chen Ping!

However, none of them could have imagined that Chen Ping was actually inside Yaoding Mountain at this moment, observing them!

“Have you seen these pharmacists? They are all trash. There is no one with talent. Even if they practice for a lifetime, they will not achieve anything great.”

The God of Medicine glanced at the people on Yaoding Mountain, his face full of disappointment!

“Senior, everyone’s talent is of course different, but talent does not represent everything. Even if a person with dull talent is willing to work hard, he will succeed.”

Chen Ping obviously disagreed with the words of the God of Medicine!
