[The Man Decree] A Man Like None Other Chapter 4206 – “Hahaha, chicken soup is really harmful. Hard work is nothing

compared to talent.” “The reason why some people ask you to work hard is that they just want you to be a cow and a horse.”

“Especially in the world of heaven and man, hard work is meaningless. These people are destined to become stepping stones for others.”

“If the strength of these people is transferred to you alone, you will break through quickly and then become famous in the world of heaven and man.”

“It is also possible to break through the world of heaven and man and ascend to the fairyland. This is a world where strength is respected. Without strength and talent, all efforts are to make wedding dresses for others.”

“As long as you worship me as your master, I can teach you to refine the Devouring Pill, and you can turn all the cultivation of these people into your own.”

“Everyone has his own unique features. As long as you absorb the advantages and strengths of these people, your strength will increase instantly.”

The God of Medicine said with his hands behind his back and a cold face!

It seems that these pharmacists on Yaoding Mountain can die at any time to improve their own strength!

“Devouring the power of others?”

Chen Ping frowned: “Isn’t this a technique that only evil practitioners can use?”

Chen Ping also knows how to devour the cultivation of others, but as his strength increases, it becomes more and more difficult to devour the other party.

Like the Star Absorbing Technique, it simply won’t work in the Heavenly Realm to devour the cultivation!

“Evil cultivator?” The God of Medicine smiled slightly: “The technique of devouring the cultivation of others is indeed defined as an evil cultivation technique, but what I teach you is to refine and devour the pill, not a technique, so it can’t be considered an evil cultivation.”

“And I’m not an evil cultivator either. I’m just telling you that if you practice hard, you may not necessarily become an immortal, and your realm may not necessarily improve, but if you seize the opportunity, you can’t help but improve!”

“This is what is called a pig standing on the wind, and it will be easily blown to the sky, but the premise is that the pig must know how to seize the opportunity.”

“If you worship me as your master now, that’s your opportunity. It won’t take long, I can guarantee that you will break through to the Mahayana realm!”

The God of Medicine tried his best to tempt Chen Ping to worship him as his master!

Chen Ping looked at the Medicine God in front of him calmly, and suddenly laughed: “Let me devour these people’s cultivation to improve myself. What’s the difference between this and the big devil? I can’t hurt others for myself.”

The Medicine God explained: “I didn’t ask you to hurt others. You only devoured part of the other party’s cultivation with the Devouring Pill, not to take the other party’s life. This is different from the Devouring Technique of the Demon Cultivator.”

“The people devoured by you will still be or, but their cultivation may be reduced, or they will never be able to improve. So it’s considered harming people.”

“Okay, don’t say anymore, I won’t take you as my master.”

Chen Ping interrupted the Medicine God directly!

“Aren’t you tempted at all? Didn’t you come for my inheritance after the test?”

Seeing that Chen Ping rejected him directly, the Medicine God asked in confusion!

“I did come for your inheritance, but I can’t take you as my master, and I won’t devour other people’s cultivation.”

Chen Ping said with a firm look in his eyes!

The Medicine God showed a trace of anger on his face, and asked in confusion: “Am I, an immortal from heaven, not worthy of being your master?”

“Do you think that I have fallen, with only this remnant soul left? Even if I become your master, I can’t help you much?”

“I tell you, I am not fallen, I just used the magic pill to return to heaven.”

“I worked hard for thousands of years to refine the magic pill and return to heaven. I originally planned to leave a remnant soul and look for someone with a predestined relationship to take him in as my apprentice.

## **[The Man Decree] A Man Like None Other Chapter 4208**

**[The Man Decree] A Man Like None Other Chapter 4208** – Chen Ping only felt his body shaking, and then he was wrapped in a ray of light. He disappeared in a flash!

When Chen Ping opened his eyes, he found that he was already at the foot of Yaoding Mountain!

The Yaoding Mountain in front of him was constantly spewing smoke, and rocks were flying everywhere. It was obviously about to collapse!

“It’s bad, Ruyan and the others are still on the mountain...”

Chen Ping was shocked when he saw this!

If Yaoding Mountain collapsed, Liu Ruyan and the others were still on the mountain. Wouldn’t it be dangerous!

Just as Chen Ping was about to rescue Liu Ruyan and the others, he saw a person running towards him in a hurry!

When the person approached, Chen Ping realized that it was Ouyang Wufeng!

After seeing Chen Ping, Ouyang Wufeng gasped and said, “Fellow Daoist Chen, where are the others? Let everyone leave Yaoshen Island quickly. The people from Zhantian Sect have attacked in advance.”

“My father has already taken people to resist, but I’m afraid they can’t hold out for much longer. He asked me to quickly notify everyone and leave Yaoshen Island as soon as possible.”

“What? The people from Zhantian Sect have already started attacking?”

Chen Ping was slightly stunned. It was originally said to be three days later, but now only two days have passed!

“Yes, they attacked too suddenly, so there is not much time left to leave Yaoshen Island.”

“And what’s going on with Yaoding Mountain? Why did it suddenly collapse?”

Ouyang Wufeng didn't understand. Yaoding Mountain has existed for thousands of years, why did it suddenly collapse!

"It's hard to explain it to you in one or two sentences. You should notify the others immediately. They are probably fleeing from Yaoding Mountain now!"

"I'll go meet the Zhantian Sect and lend a helping hand to Island Master Ouyang!"

Chen Ping had to help Ouyang Xing stop the Zhantian Sect, otherwise the Zhantian Sect would kill Yaoshen Island and collude with Su Tianshuo, and all the pharmacists would be in trouble! After

Chen Ping finished speaking, runes instantly flowed all over his body, and the strong wind was surging. His whole body turned into a flame and disappeared in an instant!

Chen Ping used the Fire Control Step to fly towards the direction where Ouyang Xing was!

Ouyang Wufeng looked at Chen Ping blankly, his face full of surprise!

"Too fast..."

Ouyang Wufeng said in shock!

At this time, everyone on the mountain ran down the mountain desperately!

The constantly collapsing rocks flew everywhere. Fortunately, everyone used their spiritual power to form a shield so that they were not hit by the rocks!

They ran to the foot of the mountain in one breath. Liu Ruyan and Chen Wenliang breathed a sigh of relief this time!

Then Zhou Qian and the Zhen family also went down the mountain!

Then came the people led by Su Tianshuo and Bao Longxing!

Looking at the collapsed Yaoding Mountain in front of them, everyone was in a state of confusion, not understanding why it suddenly became like this!

"Chen Ping should still be on the mountain, I want to find him..."

Liu Ruyan looked at the collapsed Yaoding Mountain and wanted to rush in to find Chen Ping in the ruins!

"Miss, with Mr. Chen's strength, he will definitely be fine. Maybe the collapse of Yaoding Mountain was also caused by Mr. Chen!"

Nie Heng grabbed Liu Ruyan and said!

Not long after Chen Ping disappeared, Yaoding Mountain collapsed. Maybe it was really caused by Chen Ping!

“With the strength of Fellow Daoist Chen, he will be fine, don’t worry!”

Chen Wenliang also persuaded Liu Ruyan!

Liu Ruyan calmed down, but her face was still worried!

“President Chen, why did Yaoding Mountain suddenly collapse?”

Zhen Yuandao and others came over and asked Chen Wenliang!

After all, Chen Wenliang and the others were almost at the top of the mountain, and they knew the strange phenomenon on the top of the mountain best!

“I don’t know either. At that time, a ladder leading to the top of the mountain appeared, but the ladder was oppressive and I couldn’t climb it.”

“Fellow Daoist Chen climbed up, and then he disappeared. After a while, the ground began to shake and Yaoding Mountain collapsed!”

Chen Wenliang said truthfully!

“Could it be that Chen Ping got the inheritance of the God of Medicine, so Yaoding Mountain began to collapse?”

Zhong Qing stepped forward and said!

The significance of Yaoding Mountain is the inheritance of the God of Medicine. If the inheritance is obtained by someone, Yaoding Mountain will have no meaning to exist!

So it makes sense that it collapsed!

## **[The Man Decree] A Man Like None Other Chapter 4209**

**[The Man Decree] A Man Like None Other Chapter 4209** – “It’s possible...”

Zhen Yuandao nodded. Since the inheritance was obtained by someone, it is also possible that Yaoding Mountain collapsed!

Chen Wenliang looked at Su Tianshuo and others who had already gone down the mountain, and then whispered: “Everyone, I have something to tell you. Please follow me to a hidden place!”

Chen Wenliang wanted to tell everyone that Su Tianshuo had joined forces with Zhantian Fazong to deal with all the pharmacists!

Whether Zhen Yuandao and the others believed it or not, he had to tell it!

Seeing this, Zhen Yuandao and others followed Chen Wenliang to the hidden place with puzzled faces!

At this time, Su Tianshuo looked at the collapsed Yaoding Mountain with a frown: "Damn, the inheritance of the God of Medicine has not been obtained, and no treasures have been obtained. It collapsed. It's really unlucky."

"President Su, I didn't see any of the people from the Diao family. Didn't all the Diao family members run out?"

Bao Longxing said!

Su Tianshuo realized that Diao Changmin and all the people from the Diao family really didn't show up!

Su Tianshuo's face turned ugly, and he said sternly: "No one from the Diao family is missing, it's not that they didn't run out, but they may have been killed before the collapse of Yaoding Mountain."

"Killed? Who can kill all the people in the Diao family?"

Bao Longxing was slightly stunned!

"We are plotting to kill others, isn't there anyone plotting to kill us?" After

Su Tianshuo finished speaking, he looked at Chen Wenliang and others!

He didn't know yet that Chen Wenliang already knew their plan!

"Everyone, now that Yaoding Mountain has collapsed, please leave Yaoshen Island as soon as possible. I have prepared the spiritual boat."

"Zhantian Fazong suddenly attacked Yaoshen Island, and my father has gone to stop it. Please leave quickly, it will be too late."

Ouyang Wufeng hurried to the front of the pharmacists and said loudly!

"What? Zhantian Fazong attacked Yaoshen Island?"

Many people were all stunned. They didn't know what was going on!

Su Tianshuo raised his mouth slightly: "I didn't expect that the Zhantian Sect was so trustworthy and attacked in advance."

"President Su, should we also take action?"

Bao Longxing asked!

"Wait and see what happens. Don't take action for the time being and see how these people react."

"Now that Yaoding Mountain has collapsed, Yaoshen Island has lost its meaning. If we take action now, what if the Zhantian Sect suddenly withdraws?"

"By then, won't we become the target of public criticism and have no place to stand in the Tianren Realm?"

Su Tianshuo analyzed!

Yaoding Mountain collapsed, Yaoshen Island was meaningless. If the Zhantian Sect knew that Yaoding Mountain had collapsed, they would definitely not go to great lengths for a deserted island!

If the Zhantian Sect withdrew, how could Su Tianshuo and his people deal with all the pharmacists in the Tianren Realm!

"President Su's analysis is correct. Let's wait and see what happens now."

Bao Longxing nodded!

"Just waiting and watching is only one of the options. Next, we need to urge these people to go and resist Zhan Tian Fa Zong."

"Only in this way will Zhan Tian Fa Zong take action against them. Now Yaoshen Island is no longer suitable as a battlefield."

"As long as we incite these people to resist Zhan Tian Fa Zong, we will be able to benefit from the conflict between the snipe and the clam."

Su Tianshuo said with a smug look on his face!

"Yes, yes, let Zhan Tian Fa Zong fight with these people, and then we will clean up the mess. President Su's method is really great."

Bao Longxing flattered!

At this time, Chen Wenliang had already told the Zhou family and the Zhen family about Su Tianshuo's conspiracy. When they learned that Su Tianshuo was colluding with Zhan Tian Fa Zong, many people were indignant!

But no one pointed it out at this time, and everyone pretended not to know!

“Mr. Ouyang, we came to Medicine God Island to hold the Pharmacist Conference. Now that the Zhantian Sect has attacked us, how can we run away with our lives?”

“Anyone can kill the evil cultivators like the Zhantian Sect. We are also duty-bound to do so. We must not let Medicine God Island bear it alone.”

“We should all work together to fight against the Zhantian Sect...”

Su Tianshuo stood up and said excitedly!

## **[The Man Decree] A Man Like None Other Chapter 4210**

**[The Man Decree] A Man Like None Other Chapter 4210** – “Yes, we can't just sit there and run away alone!”

Bao Longxing also raised his arm and called out!

Many pharmacists who were kept in the dark also began to respond!

Only Chen Wenliang and Zhen Yuandao and others looked at Su Tianshuo without saying a word!

Ouyang Wufeng was also very moved to see that Su Tianshuo was going to lead people to resist with Yaoshen Island!

“President Su, thank you for thinking about our Yaoshen Island, but my father said that you must leave Yaoshen Island safely.”

“The Zhantian Sect's magic is so powerful that we can't deal with it.”

Ouyang Wufeng said!

“Mr. Ouyang, even if we die, we will never let Yaoshen Island bear it alone.”

Su Tianshuo said righteously!

“Zhou Qian, Zhen Yuandao, why don't you say anything, do you want to run away?”

“It's still a famous medical family, I think it's bullshit...”

Bao Longxing saw that no one from the Zhou family and the Zhen family spoke, so he deliberately mocked!

“You...”

Zhen Yuandao and Zhou Qian were immediately angry and wanted to speak, but were stopped by Chen Wenliang!

Chen Wenliang saw that Su Tianshuo and others were obviously deliberately asking everyone to fight with Zhan Tian Fa Zong!

“Everyone, we at Yaoshen Island appreciate your kindness, but none of you need to go, so leave quickly.” “Daoyou

Chen went to help, I must stop him as soon as possible, so I can’t take you away!”

Ouyang Wufeng said, turning around and preparing to leave!

“Mr. Ouyang, you said that Chen Ping went to deal with the Zhan Tian Fa Zong?”

Liu Ruyan asked hurriedly after hearing it!

“Yes, when I rushed over, I met Daoyou Chen. After he heard about it, he hurried to help my father.”

“So I have to stop him as soon as possible, so that he doesn’t go to die in vain!”

Ouyang Wufeng said, and his body instantly jumped up!

Liu Ruyan looked at Nie Heng, and then the two of them chased after him!

Since they knew that Chen Ping had gone, they couldn’t escape alone!

Seeing this, Chen Wenliang followed Zhou Qian and Zhen Yuandao and said, “Since Fellow Daoist Chen has gone, we can’t just stand by and watch. Let’s go...”

Chen Wenliang and his men had been saved by Chen Ping, so now that Chen Ping was in danger, they would never ignore him!

Soon, everyone hurried to the port of Yaoshen Island, boarded the spirit boat, and headed straight for the battle!

At this time, Chen Ping had already used the Fire Control Step to quickly approach the sea area where the battle was taking place!

Boom!

With a loud bang, Chen Ping found a field of smoke in front of him!

Hundreds of people were wearing black robes, covering their faces, and constantly performing magic, while Ouyang Xing and many of the disciples of Yaoshen Island fought desperately!

Under Ouyang Xing and his men's feet, several spirit boats had already been destroyed, emitting billowing smoke!

Countless magics fell from the sky, constantly bombarding and killing the people of Yaoshen Island!

Ouyang Xing used countless golden beetles to continuously attack the magics around him. The bite force of this golden beetle was huge. Tens of thousands of golden beetles forcibly broke the magics one by one!

However, golden beetles continued to fall in large numbers, and the bodies of golden beetles floated on the entire sea!

If there were no golden beetles, Ouyang Xing and his men would have been unable to hold on!

Even so, disciples of Medicine God Island were constantly killed by magic attacks!

"Island Master, we can't hold on any longer. If we don't leave, we will all die here."

An elder said loudly to Ouyang Xing!

"We can't leave. We have to hold on a little longer. I don't know if the pharmacists on the island have left."

Ouyang Xing gritted his teeth. Even if they all died, he had to delay for a little longer!

If all the pharmacists were blocked on Medicine God Island, there would probably be no more pharmacists in the world of heaven!

"Old Ouyang, what's the point of your desperate struggle? It will only delay some time, and the result will be the same."

A masked guy taunted Ouyang Xing.
