## [The Man Decree] A Man Like None Other Chapter 4211

[The Man Decree] A Man Like None Other Chapter 4211 – "Wang Qingshi, you are so secretive, don't I know it's you?"

"You, the Zhan Tian Fa Zong, can only sneak attack?"

"Didn't you promise me to give me three days?"

Ouyang Xing said angrily!

Originally, he was promised three days to let Ouyang Xing leave Yaoshen Island by himself, but now it hasn't been three days, and the people of Zhan Tian Fa Zong have come to sneak attack!

Fortunately, Ouyang Xing had already taken precautions and directly sent out sentries hundreds of miles away, so that he found the traces of Zhan Tian Fa Zong!

Otherwise, if they were really blocked in Yaoshen Island for a sneak attack, it would be troublesome.

What's annoying is that these guys are still masked, making it seem that no one knows their identities!

"The plan has changed, and I can't do anything about it. Anyway, you will all die in a few days, and it's the same whether you die early or late!"

Wang Qingshi smiled coldly, and then ordered loudly: "Attack with all your strength, leaving no one behind, kill all these people, and Yaoshen Island will be ours." "

There are still many pharmacists on Yaoshen Island now. If we kill these pharmacists, we can search for a lot of good things from them."

Boom boom boom...

Taoism continued to bombard the people on Yaoshen Island!

Ouyang Xing's face was very ugly, and he kept summoning golden beetles to break the spells, but the golden beetles were limited after all!

The disciples of Yaoshen Island kept wailing, and then fell into the sea!

At this time, Ouyang Xing was very anxious. He didn't know whether Ouyang Wufeng had conveyed it or not, and whether those pharmacists had left Yaoshen Island!

"All disciples of Yaoshen Island listen to the order, no one can retreat in the face of the battle, even if we die today, we will leave a name in the pharmacist world."

"I believe those pharmacists will not forget us, fight them..."

Ouyang Xing shouted loudly!

"Ouyang, you are ridiculous. You care about those pharmacists, but they want your life."

"To tell you the truth, I have already contacted many pharmacists. Let's work together to occupy your Medicine God Island."

"The reason why I attacked in advance is that I got the news. Now the pharmacists on the Medicine God Island are estimated to have been killed and injured."

Wang Qingshi sneered!

Ouyang Xing was stunned, and then frowned and said, "Who is it, who is it, cooperating with your Zhantian Fazong?"

Ouyang Xing didn't believe that these pharmacists would cooperate with Zhantian Fazong!

"Of course I can't tell you, I can tell you when you die!"

Wang Qingshi said!

"Su Tianshuo of the Western Region Pharmacist Association, he united some pharmacists and colluded with the people of Zhantian Fazong."

"But don't worry, Island Master Ouyang, I have notified the others, and Su Tianshuo will not succeed."

With a sound like a bell, everyone saw a red flame that directly penetrated the void and appeared in an instant!

The moment it appeared, the sky-wide fire covered the disciples of Zhan Tian Fa Zong!

"Hurry up and get out of the way..."

Wang Qingshi was shocked and shouted hurriedly!

Many disciples of Zhan Tian Fa Zong also changed their faces and began to dodge, but some disciples of Zhan Tian Fa Zong were casting spells and couldn't move at all!

Boom!

The sky-wide fire exploded instantly, and dozens of disciples of Zhan Tian Fa Zong were directly burned to ashes under this fire!

The formation that originally trapped Ouyang Xing and others also collapsed in this sky-wide fire!

"Fellow Daoist Chen..."

Seeing Chen Ping coming and being so shocking at the first move, Ouyang Xing was immediately moved!

"Ouyang Island Master, are you all right?"

Chen Ping asked in front of Ouyang Xing!

Ouyang Xing's eyes were full of tears. He glanced at his disciples and said sadly: "These are the only disciples left of Yaoshen Island. Two-thirds of them have been injured or killed..."
