

## [The Man Decree] A Man Like None Other Chapter 4212

[The Man Decree] A Man Like None Other Chapter 4212 – Chen Ping glanced at the disciples of Medicine God Island. They were all covered in wounds, and there were many corpses floating on the sea!

Even so, none of the pharmacists of Medicine God Island fled and retreated!

“Ouyang Island Master, don’t worry, I will avenge you. Today I will wipe out all the bastards of the Zhantian Sect, leaving no one behind...” The

Dragon Slashing Sword slowly appeared in Chen Ping’s hand, and the terrifying murderous aura continued to rise from his body!

Many disciples of Medicine God Island were also excited by Chen Ping’s aura, and they said with red eyes: “Kill, kill, kill, avenge the dead brothers...”

Wang Qingshi frowned slightly, looked at Chen Ping and said: “Who are you, kid? This is my business with Medicine God Island. If you don’t want to die, get out...”

Just now, Chen Ping used the sky-high fire to directly burn dozens of people from the Zhantian Sect, and also broke the formation that trapped Ouyang Xing and others. This made Wang Qingshi a little curious about Chen Ping’s identity!

“My name is Chen Ping, and the affairs of Medicine God Island are my business.”

Chen Ping said!

“Chen Ping?” Wang Qingshi was stunned, then his eyes lit up and he said, “Are you the Chen Ping who was hunted down by the Demon Sealing League with a hundred years of offerings?”

“Hahaha, I’m really lucky today. Not only can I get the Medicine God Island, but I can also kill you and exchange it for a hundred years of offerings from the Demon Sealing League!”

“With you, are you worthy of killing me?” Chen Ping was not afraid of the Zhantian Sect!

“Boy, you are too arrogant. We have hundreds of people in the Zhantian Sect, but we can’t kill you, a little cultivator of the sixth level of the Tribulation Realm.”

“Look, I’ll trap you all to death in the formation...”

After Wang Qingshi finished speaking, he suddenly raised his palms to the sky!

In an instant, the sky was covered with dark clouds, and rolling waves were set off on the sea!

At this moment, Ouyang Wufeng hurriedly arrived.

“Father...”

Ouyang Wufeng shouted and approached Ouyang Xing!

“Feng’er, don’t come over, stay away...”

Seeing this, Ouyang Xing hurriedly shouted!

He couldn’t let Ouyang Wufeng be trapped in the Zhantian Sect’s formation!

But Ouyang Wufeng didn’t listen at all, and rushed directly into the sky covered by dark clouds!

Seeing this, Ouyang Xing could only sigh helplessly!

“Ouyang, now you and your son can be reunited.”

Wang Qingshi sneered!

“You beasts of Zhantian Fazong, don’t be rampant...”

Chen Wenliang shouted angrily!

I saw more than a dozen spirit boats approaching quickly!

On them were pharmacists from various regions of the Tianren Realm. These people kept approaching against the wind and waves!

Seeing that these pharmacists had come, Ouyang Xing blamed Ouyang Wufeng: “What’s wrong with you? Didn’t I ask you to notify everyone to leave Yaoshen Island immediately? Why are they all here?”

“I... I don’t know either. I asked them to leave, but I didn’t expect them to all come.”

Ouyang Wufeng said!

“Ouyang Island Master, since they are here, let’s have more helpers.” Chen Ping said!

“Fellow Daoist Chen, you don’t know that the magic of the Zhan Tian Fa Sect is very powerful. We are all just pharmacists and can’t beat these formation masters at all.”

“I fought hard here to resist, just to let everyone escape from Yaoshen Island, but who knew

it would turn out like this.” “God’s will, is this God’s will?”

Ouyang Xing’s face was full of frustration!

Wang Qingshi saw that all the pharmacists had come, and Su Tianshuo was among them, and he was immediately excited and said: “Hahaha, it’s great that you are all here, just in time to save me from killing one by one.”

“Today I will use the big formation to kill all of you, and there will be no more pharmacists in the whole Tianren world in the future.”

Wang Qingshi laughed wildly, and the dark clouds in the sky were getting lower and lower!

All the people of the Zhan Tian Fa Sect also muttered in a low voice, and I don’t know what spell they were chanting!

From the people of the Zhan Tian Fa Sect, black mist continued to slowly emerge, and then gathered in the black clouds!

## **[The Man Decree] A Man Like None Other Chapter 4213**

**[The Man Decree] A Man Like None Other Chapter 4213** – The black cloud slowly turned into a net and began to cover Chen Ping and his men!

“Retreat, retreat quickly...”

Seeing this, Ouyang Xing hurriedly yelled at Chen Wenliang and others!

Obviously, the people of Zhantian Fazong have set up a large formation to trap everyone. Now Chen Wenliang and his men are too stupid to enter the formation!

But Chen Wenliang and his men didn’t listen at all, and drove the spirit boat into the big net woven by the dark clouds!

“President Su, these fools actually fell into the trap. This time we can reap the benefits!”  
Bao Longxing

saw Chen Wenliang and his men rushing into the big net regardless of everything, and he said happily.

Su Tianshuo was also a little surprised. He didn’t expect that Chen Wenliang and his men would not fear life and death and rush in directly!

“If nothing unexpected happens, it seems that we don’t need to do it!”

Su Tianshuo stood at the bow with a sneer on his face!

He brought a group of pharmacists, and did not rush into the big net with Chen Wenliang, but watched from a distance!

He followed and waited and watched, and would not get involved!

“Chen Ping, are you okay...”

Liu Ruyan rushed to Chen Ping and asked with concern!

“I’m fine, it’s just the Zhantian Sect, I don’t take them seriously.”

Chen Ping smiled slightly!

Ouyang Xing couldn’t help but sigh when he heard Chen Ping say this!

He thought Chen Ping was just bragging. A sixth-grade cultivator in the Tribulation Realm didn’t take the Zhantian Sect seriously. Isn’t this a joke!

“President Chen, why did you rush in? Now we are all trapped in this formation. I’m afraid no one can rush out.”

Ouyang Xing looked at Chen Wenliang and said annoyed!

“Ouyang Island Master, you can resist the Zhantian Sect alone for us, and we can’t just stand by and watch them die.”

“As long as we work together, we may not be the opponent of the Zhantian Sect!”

Chen Wenliang said!

“Yes, as long as we work together, we don’t have to be afraid of the Zhantian Sect!”

Zhen Yuandao said!

“But the Zhan Tian Fa Zong is colluding with the Pharmacist Association, but I don’t know who they are colluding with.”

Ouyang Xing didn’t know who the Zhan Tian Fa Zong was colluding with!

“Following the Northern Territory Pharmacist Association, didn’t you see Su Tianshuo and his people? They didn’t follow us at all.”

Chen Wenliang looked at Su Tianshuo and others hiding in the distance!

At this moment, all the pharmacists looked at the spiritual boat where Su Tianshuo and his people were. Now they finally understood that Su Tianshuo had colluded with the Zhan Tian Fa Zong!

“Su Tianshuo?” Ouyang Xing frowned: “It turns out that this guy has been colluding with the Zhan Tian Fa Zong for a long time and wants to occupy the Medicine God Island. No wonder I talked to him about holding the Pharmacist Conference on Medicine God Island, and he agreed without hesitation!”

“It turns out that it was premeditated. This guy is so bad...”

“Su Tianshuo is really not a human being. He told us that because the strength of Medicine God Island is too strong, he had no choice but to agree to hold the Pharmacist Conference on Medicine God Island.” Zhong Qing said with gritted teeth!

Many pharmacists were cursing Su Tianshuo at this moment, but Su Tianshuo couldn't hear them at all!

Because the huge black net had enveloped everyone!

The cloudless sky turned into darkness at this moment, and you couldn't see your hand in front of you!

Under this black net, an inexplicable fear spread in everyone's hearts!

And there was also an extremely fierce sense of oppression that made people feel suffocated!

“Let's all work together to break this formation together...”

Chen Wenliang commanded everyone, wanting to work together to break this formation!

After all, there are so many of them, and if they work together, the power will definitely be huge!

“Okay, let's try...”

Ouyang Xing nodded!

## **[The Man Decree] A Man Like None Other Chapter 4214**

**[The Man Decree] A Man Like None Other Chapter 4214** – “No, this formation, even if we work together, we can't break it, and we will suffer backlash.”

Chen Ping hurriedly spoke up to stop everyone!

“Is it so powerful? Then what should we do?”

Ouyang Xing heard it and said with a worried look on his face!

“How is this formation possible? We can’t break it even if we work together. I don’t believe it. Our Zhou family will break it for you.”

Zhou Silang heard Chen Ping say this and suddenly didn’t believe it!

As the saying goes, a newborn calf is not afraid of a tiger. He has never seen any big formations. He doesn’t believe that so many people can’t break a formation together!

Even if they break a gap, they can all escape!

“Zhou family disciples, listen to my order, follow me to break the formation!”

Zhou Silang held a long sword, and the breath on his body continued to rise!

Zhou family disciples also stood behind Zhou Silang, ready to deal a fatal blow to the formation at any time!

Zhou Qian saw this, but did not stop it. He probably wanted his son to try!

If the formation is really broken, then their Zhou family will have face in front of many pharmacists, and their status will definitely rise!

“Old Zhou, don’t you stop it?”

Zhen Yuandao asked Zhou Qian!

“Young man, it’s good to practice. Even if you can’t break it, you can gain experience.”

Zhou Qian said.

“Didn’t you hear that if the formation can’t be broken, there will be backlash. Aren’t you worried?”

Zhen Yuandao reminded!

“What are you worried about? There can be no backlash. It’s just alarmist...”

Zhou Qian didn’t quite believe what Chen Ping said!

At this time, Zhou Silang and the Zhou family members were ready!

“Fellow Daoist Zhou, I advise you not to try it. It’s really dangerous.”

Chen Ping persuaded Zhou Silang!

“Fellow Daoist Chen, thank you for your reminder, but with so many of us, are we going to be trapped here to death?”

“After all, someone is going to take action. I’ll take the lead. I want to see what’s so awesome about the Zhantian Fa Sect!”

Zhou Silang was young and energetic, and he was not afraid at all!

Chen Ping could only sigh and said nothing more!

“Silang, you have to be careful!” Zhen Huan reminded!

“Huan Huan, don’t worry, I will definitely break the formation, and then all the pharmacists will look up to me.”

After Zhou Silang finished speaking, he jumped up and rushed to the formation with many children of the Zhou family! The big

net formed by the interweaving of black clouds wrapped everyone endlessly, and in the black clouds, there were flashes of light!

Zhou Silang rushed to the front with many children of the Zhou family, and burst out a fierce attack together!

“Break……”

Dozens of children of the Zhou family gathered all their strength and rushed straight to the black net!

Where the strength gathered, it was like the sun, bursting out with dazzling light, instantly illuminating the entire formation!

Seeing this scene, everyone praised it!

“The Zhou family is really strong, and the power of this combined attack is too great.”

“The Zhou family is worthy of being one of the four major families in Yongle City. This strength is really good.”

“The Zhou Zhoulang is young and promising, courageous and knowledgeable…”

Everyone praised, making Zhou Qian’s face full of pride!

“Get ready to save people with the elixir!” Chen Ping saw this scene and shook his head!

Zhou Qian was slightly stunned, and then looked at Chen Ping with some displeasure and said: “Fellow Daoist Chen, what do you mean? You have seen the power of our Zhou family’s combined attack now. Can’t you break this formation?”

“Even if it can’t be broken, can these people in our Zhou family still be injured?”

“Not injured, but dead. It is estimated that more than half of the dozens of people in your Zhou family will die.”

Chen Ping said slowly!

“Fellow Daoist Chen, you are a bit too much. How can you curse our Zhou family children like this?”

Zhou Qian was angry and looked at Chen Ping very displeased!

## **[The Man Decree] A Man Like None Other Chapter 4215**

**[The Man Decree] A Man Like None Other Chapter 4215** – “This is not a curse, it’s a fact...”

As soon as Chen Ping finished speaking, there was an explosion!

Boom!

With a loud bang, the light ball that hit the formation fiercely!

The black net shook for a while, and soon calmed down!

However, a black mist instantly gushed out of the formation!

Dozens of people from the Zhou family were instantly wrapped in the black mist!

“Ah...”

“Kill...”

For a while, roars and shouts of killing resounded through the sky!

Everyone looked at it with a confused look on their faces, because they were wrapped in black air and couldn’t see what was going on inside!

“Son, son...”

Zhou Qian was shocked and instinctively wanted to jump up, but was pulled by Zhen Yuandao!

Soon, the children of the Zhou family began to fall from the black mist!

Some people fell down, and their bodies were no longer intact, and they had no breath!

Some people were seriously injured, but they still had a breath!

These people all had traces of being bitten by something!

“Save people, save people quickly...”

Zhen Yuandao yelled!

Now the Zhen family is in an alliance with the Zhou family, so we can't just stand by and watch them die!

Zhou Silang also fell down, and there was almost no good place on his body!

But it was not fatal, as long as he was treated quickly!

Seeing his injured son and the dead children, Zhou Qian collapsed to the ground!

At this time, everyone's face was full of fear and shock!

Then all their eyes were on Chen Ping!

Since Chen Ping could understand this formation, there must be a way to break it!

Seeing that everyone was looking at him, Chen Ping said, “This kind of formation, if you want to break the formation from the inside, you must spend a long time, and it may not succeed.”

When everyone heard Chen Ping say this, they were all like eggplants hit by frost!

If Chen Ping can't break it, none of them can break it!

After all, they don't understand any formation at all!

“Fellow Daoist Chen, is there no other way to break the formation of the Zhantian Sect?”

“If we are trapped like this, we will be destroyed by the Zhantian Sect sooner or later.”

Chen Wenliang asked Chen Ping!

“It’s not that there is no way. Now as long as someone breaks the formation outside, it will be much easier, and it can also disrupt the formation of Zhantian Fazong, causing flaws in the formation.”

Chen Ping said!

“Chen Daoyou, are you kidding? Who can help us break the formation outside now? Can we rely on Su Tianshuo and those guys?”

Zhen Yuandao said helplessly!

Now they are all trapped here, who can help break the formation outside!

Su Tianshuo and the others will definitely not help, these guys wish all their pharmacists were dead!

“Don’t worry, someone will definitely help us!”

Chen Ping smiled slightly!

Just as Chen Ping’s voice fell, there was suddenly a flash of lightning and thunder outside!

“Master, we are here, and we will rescue you immediately!”

Only a roar was heard!

It turned out that Gu Tianchao of Liangyi Sect had arrived, and then the disciples of Liangyi Sect also began to use various magic methods to continuously bombard the disciples of Zhantian Fazong!

And Gu Tianchao also brought people to bombard the formation of Zhantian Fazong outside!

In terms of magic achievement, Zhantian Fazong could never be the opponent of Liangyi Sect!

After all, the Divine Pattern Ancestor of Liangyi Sect was an immortal from heaven, and the formations he taught were all high-level formations!

“Someone really came to rescue, and there are quite a few!”

Listening to the noise outside, everyone was very excited and excited!

“Master? Who is the master here?”

“Could it be Fellow Daoist Chen?”

“Who are these people who came? It seems that the magic they use is not weaker than that of Zhantian Sect.”

Everyone looked at Chen Ping curiously!
