[The Man Decree] A Man Like None Other Chapter 4216 – “These people are from the Central Region Liangyi Sect. I have already notified them in advance, so they came here.”

Chen Ping smiled slightly!

“Central Region Liangyi Sect?” Chen Wenliang’s eyes widened, and he said in shock: “That is a very powerful magic sect. I am afraid that this Zhantian Fa Sect is not their opponent.”

“Could it be that the sect master they are talking about is Chen Daoyou?”

“It is me!” Chen Ping laughed!

Buzz!

Everyone’s head buzzed. They had no idea that Chen Ping, who was a sixth-grade cross-tribulation realm and a pharmacist, could become the sect master of a magic sect?

Even Liu Ruyan and the others were very curious. After all, Chen Ping had not told them that he was the sect master of the Liangyi Sect!

“No wonder Chen Daoyou is so confident and knows the formation like the back of his hand. He is actually the sect master of the Liangyi Sect. I am sorry for my disrespect!”

Zhou Qian came over and said politely when he heard it!

He didn’t believe Chen Ping just now, but now that he knew Chen Ping’s identity, he became respectful in an instant!

Other pharmacists also began to become respectful to Chen Ping. Even some people who had some ideas about Chen Ping in their hearts and wanted to take the hundred-year offering from the Demon Sealing League, now completely laughed at the idea!

Chen Ping not only has the Xiao Dynasty backing him up, but he is also the leader of the Liangyi Sect. How could they dare to move!

Now everyone finally understood why the Demon Sealing League wanted to take out a hundred years of offerings. After all, if the benefits were too low for someone of Chen Ping’s status, no one would probably make a move!

At this time, Su Tianshuo and others who were watching the battle in the distance were dumbfounded when they saw the people from the Liangyi Sect suddenly appearing!

“President Su, what’s going on? Why did so many people suddenly appear?”

“And these people seem to have very powerful magic. Are they here to save Medicine God Island?”

Bao Longxing asked with a frown!

“These are people from Liangyi Sect. They are all from the Central Region. Why did they suddenly come here?”

“Just now I seemed to hear them shouting for the Sect Master. Could it be that their Sect Master is also trapped here?”

Su Tianshuo was very puzzled. How could the Liangyi Sect, which was far away in the Central Region, come to the Western Region?

“The people trapped inside are all pharmacists. Where is the Sect Master of Liangyi Sect? It’s really strange.”

“Then what should we do? Do it?”

Bao Longxing asked!

“Why do we do it? I think Zhantian Fazong is going to be in danger. Let’s see the situation. If the situation is not good, we will withdraw immediately!”

Su Tianshuo didn’t know that people from Liangyi Sect had also come, so he didn’t dare to act rashly!

At this time, the people from Liangyi Sect and Zhantian Fazong were fighting in the dark, and all kinds of gorgeous magics kept exploding in the air!

Disciples from both sides suffered casualties!

“Gu Tianchao, we Zhantian Fazong and your Liangyi Sect have no grudges or hatred, and there is no grudge at all. Why did you come all the way to the Western Region to deal with us?”

Wang Qingshi roared at Gu Tianchao!

Victory was in sight, but the people from Liangyi Sect suddenly arrived, which instantly put the Zhantian Sect, which had already gained the upper hand, at a disadvantage!

“Wang Qingshi, you Zhantian Sect have no grudges against us Liangyi Sect, but you were blind and trapped our Sect Master in the formation, so don’t blame us for being rude!” Gu Tianchao

snorted coldly!

“Your Sect Master?” Wang Qingshi said in confusion, “Who is your Sect Master? The people I trapped are all pharmacists from the Pharmacist Association, so there is no Sect Master like you.”

“Chen Ping is the Sect Master of our Liangyi Sect, do you know that now?”

“Release our Sect Master, then kneel down to apologize and beg for our Sect Master’s forgiveness, and you will still have a chance to survive!”

Gu Tianchao said!

## **[The Man Decree] A Man Like None Other Chapter 4217**

**[The Man Decree] A Man Like None Other Chapter 4217** – Gu Tianchao knew Chen Ping’s ability. The magic of Zhan Tian Fa Zong was just garbage in Chen Ping’s eyes!

“It’s him?” Wang Qingshi was stunned, but he snorted and said, “Let me kneel down and apologize, it’s a daydream. Don’t think that your Liang Yi Sect is amazing. I still have helpers.”

After Wang Qingshi finished speaking, he looked at Su Tianshuo not far away. As long as Su Tianshuo brought people to help deal with Liang Yi Sect, Wang Qingshi would be sure to defeat Liang Yi Sect!

“President Su, at this time, do you still want to stand by and watch?”

Wang Qingshi asked Su Tianshuo loudly!

Su Tianshuo’s face was suddenly embarrassed. He agreed to cooperate with Wang Qingshi. Now seeing Wang Qingshi fighting with Liang Yi Sect, they stood by and watched!

At this time, Gu Tianchao noticed Su Tianshuo and others, and his brows frowned instantly!

He didn’t expect that the many pharmacists on the Lingzhou were actually with Zhan Tian Fa Zong!

If these people work together, Liang Yi Sect will be in trouble!

Su Tianshuo carefully analyzed the current situation, and then shouted: “Master Wang, how can we stand by and watch? I will take people now...”

Boom!

Before Su Tianshuo finished speaking, there was a loud noise!

The formation of Zhantian Fazong was broken!

Chen Ping, Chen Wenliang and others rushed out of the black net!

Seeing everyone rushing out, Su Tianshuo was stunned!

“Ouyang Island Master, President Chen, it’s time for revenge.”

Chen Ping smiled slightly after rushing out of the formation!

“Brothers, it’s time for revenge. Kill these beasts of Zhantian Fazong and avenge your brothers!”

Ouyang Xing shouted loudly!

Many disciples of Yaoshen Island roared and killed Zhantian Fazong!

Zhou Qian also rushed up with red eyes and roared. He wanted to avenge the children of the Zhou family.

“Fellow Daoists, fight...”

Chen Wenliang also roared and rushed up with everyone from the Central Region Pharmacist Association!

The Zhen family and other pharmacists all went to Zhantian Fazong!

If it weren’t for the Liangyi Sect, Wang Qingshi didn’t take these pharmacists seriously!

But now that the Liangyi Sect has come forward, all the magic of the Zhantian Sect has been broken as soon as it was cast, and for a while it couldn’t stop the attacks of these pharmacists at all!

“Escape...”

Wang Qingshi saw it, and roared, and took the lead to escape!

Seeing this, many disciples of the Zhantian Sect also began to flee.

“Want to run?” Chen Ping snorted coldly, holding the Zhanlong Sword, and instantly chased after him!

“You two stop him...”

Wang Qingshi asked the two elders to stop Chen Ping, and he ran for his life!

At this time, he couldn't take care of his disciples!

Although the two elders of the Zhantian Sect were unwilling, they had no choice but to stop and prepare to stop Chen Ping!

“Cut...”

Chen Ping slashed down with a sword, and the sharp sword light, as if it fell from the sky, directly cut an elder of the Zhantian Sect!

Seeing this, the two elders hurriedly cast magic to form a shield!

But it was useless. The sword light easily cut through the shield and then split one of the elders in half!

“The power of the Dragon Slaying Sword is getting stronger and stronger. I don't know how Zhongli is doing. It seems that I have time to go to the Refining Sect to completely restore the Dragon Slaying Sword, so that Zhongli will be free.”

Chen Ping looked at the Dragon Slaying Sword in his hand and couldn't help but sigh in his heart!

For such a long time, since the sword spirit Zhongli was injured and couldn't leave the Dragon Slaying Sword, the power of the Dragon Slaying Sword has also weakened a lot!

The most important thing is that Zhongli can't leave the Dragon Slaying Sword, which means Chen Ping has lost a helper!

If the sword spirit Zhongli recovers, then Zhongli will be a killer of Chen Ping. In the most critical moment, Zhongli can be separated from the Dragon Slaying Sword and attack alone!

## **[The Man Decree] A Man Like None Other Chapter 4218**

**[The Man Decree] A Man Like None Other Chapter 4218** – Seeing this, another elder of Zhantian Fazong was so scared that he peed his pants and turned around and ran!

Wang Qingshi also staggered and almost fell into the sea!

Wang Qingshi waved his palms, and a black mist appeared in front of him instantly. Wang Qingshi's body rushed into the black mist and then disappeared!

Chen Ping went to another elder of Zhantian Fazong!

Seeing this, the guy knew that he couldn't run away, so he crushed a rune, and a blood-red light appeared in front of him instantly!

In the light, there were runes shuttling through it!

Chen Ping sneered, waved his hand, and the blood-red light disappeared instantly!

Playing magic in front of Chen Ping is simply playing with a big knife in front of Guan Gong!

“This...”

The elder of Zhantian Fazong was dumbfounded!

Before he could react, a light flashed in front of his eyes, and his head moved instantly!  
After

killing the two elders of Zhantian Fazong, Chen Ping attacked the other disciples of Zhantian Fazong, and by the way, he looked for the trace of Wang Qingshi!

This guy definitely couldn't have opened the teleportation array and teleported himself away!

His current magic power is not enough to set up a teleportation array in an instant!

This guy must have used some kind of sleight of hand!

However, even if Chen Ping used his divine sense now, he couldn't detect the existence of Wang Qingshi!

The disciples of Zhan Tian Fa Zong were panicked and ran around everywhere!

Many pharmacists and people from Liang Yi Men chased these people from Zhan Tian Fa Zong like dogs chasing a lost home!

“Don't fight, don't fight, I surrender, we surrender, spare us...”

A disciple of Zhan Tian Fa Zong couldn't stand it anymore and desperately began to beg for mercy!

Puff!

But as soon as the voice fell, he was killed by a pharmacist from Yao Shen Island with a sword!

“You want to surrender now, we have lost so many brothers, you want to surrender, there is no way!”

Many pharmacists on Yao Shen Island had been killing madly!

Hundreds of disciples of Zhan Tian Fa Zong, at this moment only dozens of people were left, trapped in it!

Chen Ping slapped his head with a palm and all the disciples of Zhan Tian Fa Zong joined in, and finally fell in the sea of fire!

Su Tianshuo and others who were not far away were already scared silly at this moment!

It was not until this time that Su Tianshuo reacted: “Quick, turn around, turn around and escape...”

Su Tianshuo commanded the spirit boat to turn around!

Because the people of Zhan Tian Fa Zong died too quickly, Su Tianshuo hadn't reacted yet, Zhan Tian Fa Zong had been destroyed, and even Wang Qingshi disappeared!

But just as the spirit boat turned around, there was an extra person on the spirit boat!

This person was Wang Qingshi who had just used the black fog to escape!

He didn't run away, because he couldn't escape, so he could only temporarily use the shadow escape technique to escape to Su Tianshuo's spirit boat!

“Master Wang?”

Su Tianshuo was shocked when he saw Wang Qingshi!

“Su Tianshuo, you fucking bastard, we agreed to cooperate, but you stood by and watched?”

Wang Qingshi's face was full of anger, and he waved his hand to start!

He felt like he was being played by Su Tianshuo!

“Sect Master Wang, don't do it. We have to find a way to deal with those pharmacists as a matter of urgency.”

Bao Longxing saw this and hurriedly stopped Wang Qingshi!

“Sect Master Wang, let’s not have an internal fight now. We have to find a way to turn defeat into victory.”

Su Tianshuo didn’t expect that Wang Qingshi would appear in his spiritual boat, so he said!

“How the hell can we turn defeat into victory? All my people are dead!”

Wang Qingshi said angrily!

“Sect Master Wang, in fact, you should be able to find that these people now regard Chen Ping as their backbone.”

“As long as we find a way to kill Chen Ping, those people will become a pile of loose sand in an instant without a backbone.”

Su Tianshuo started to come up with bad ideas again, planning to kill Chen Ping first!

## **[The Man Decree] A Man Like None Other Chapter 4219**

**[The Man Decree] A Man Like None Other Chapter 4219** – “How to destroy him? This guy looks like he is only at the sixth level of the Tribulation Realm, but he is very powerful and knows magic.”

“At such a young age, he is the leader of the Liangyi Sect. He should not be underestimated!”

Wang Qingshi asked!

“Master Wang, don’t be scared by this guy. As the leader of the Zhantian Sect, your strength is above that of Chen Ping. How could you be afraid of him?”

“If we fight alone, Chen Ping will definitely not be Master Wang’s opponent!”

Su Tianshuo flattered Wang Qingshi!

“Yes, yes, Master Wang’s magic is unmatched. If it weren’t for the Liangyi Sect’s sudden attack, these people would have died in Master Wang’s formation.”

“Master Wang will definitely not be afraid of Chen Ping...”

Bao Longxing saw this and started to flatter him!

This time, Wang Qingshi was really flattered!

“Of course, I am the leader of Zhantian Sect, a second-grade master of Mahayana Realm, how could I be afraid of a mere sixth-grade cultivator of Dujie Realm?”

“But there are so many of them, if they come together, I am afraid I am not a match.”

Wang Qingshi frowned slightly!

“Master Wang, just name it and fight against Chen Ping. If they dare to start, we are not vegetarians either, we will help you block it.”

“As long as we kill Chen Ping, these people will collapse in an instant!”

Su Tianshuo fooled Wang Qingshi to fight Chen Ping!

Now Su Tianshuo hates Chen Ping the most. If it weren't for Chen Ping, their plan would have been perfectly presented long ago!

“Okay, I'll try. This guy killed so many of my disciples, I also want to avenge my disciples!”

Wang Qingshi was fooled and jumped directly from the spirit boat!

The black cloak fluttered in the wind, and the mask was still on his face!

“Wang Qingshi, this guy didn't run away...”

Seeing this, Ouyang Xing hurriedly shouted!

Everyone was also shocked. They didn't understand why Wang Qingshi didn't run away when all the disciples of Zhantian Sect were dead?

Wang Qingshi threw away his cloak and took off his mask!

Under the mask was a distorted face with cold light in his eyes!

The aura of the Mahayana realm on his body continued to burst out, making many pharmacists feel their breath stagnate!

“I didn't expect you didn't run away, but still waiting to die here!”

Chen Ping was also a little surprised to see Wang Qingshi appear! It

's not like this guy didn't see his strength, he actually dared to show up!

Chen Ping didn't know that this guy was fooled and showed up!

“Humph, I think you are the one who is looking for death. You killed so many of my disciples, I must avenge them.”

“Do you dare to fight me alone? Whether it’s a real sword or a magic fight, I can let you take action first.”

Wang Qingshi said!

“Chen Ping, don’t listen to him. This guy is too shameless. A Mahayana master actually shouted at a Tribulation cultivator to fight alone. Shameless!”

Liu Ruyan hurriedly stopped Chen Ping and said!

She didn’t want Chen Ping to fight alone. There were so many of them. If they attacked together, Wang Qingshi would definitely not be able to escape!

“Wang Qingshi, you are really shameless. How can you have the nerve to say that you want to fight alone?”

Ouyang Xing said to Wang Qingshi with contempt on his face !

“Humph, I just don’t want to see the lives of the living beings destroyed. If you all come together, it will inevitably cause a fight, and then those weak pharmacists will die.”

Wang Qingshi found a noble reason for himself!

“Bah, you are really shameless. You can even say such words!” Chen Wenliang spat at Wang Qingshi! “

Mr. Chen, don’t be fooled. This guy did it on purpose.”

Nie Heng said to Chen Ping!

Chen Ping just smiled, then looked at Wang Qingshi and said, “Since you want to fight me alone, I can help you. I will make you die with a sincere heart.

## **[The Man Decree] A Man Like None Other Chapter 4220**

**[The Man Decree] A Man Like None Other Chapter 4220** – “Hahaha, don’t talk big, just try it if you have the ability!”

Wang Qingshi was very happy when he saw Chen Ping agreed!

“Chen Ping, you are crazy, we...”

Liu Ruyan was anxious and wanted to stop Chen Ping!

After all, here, Liu Ruyan is the closest person to Chen Ping, after all, they have slept together!

“Ruyan, don’t worry, don’t you even trust your man?”

Chen Ping said to Liu Ruyan with a smile!

When Liu Ruyan heard it, her face was full of shyness, and she nodded and said, “I believe you...”

“Miss Liu, don’t worry, if Chen Daoyou is in danger, we will never stand idly by.”

Chen Wenliang said!

Many of them were saved by Chen Ping, so if Chen Ping is in danger, they will not sit idly by!

Chen Ping jumped up, holding the Dragon Slashing Sword, and instantly cut out a sword light, heading towards Wang Qingshi!

“Humph, a mere sixth-grade Crossing Tribulation Realm, dare to be presumptuous...”

Wang Qingshi snorted coldly, and his palm grabbed towards the void!

Suddenly, lightning was triggered, and then those lightnings were caught by Wang Qingshi and turned into a long sword!

Seeing this scene, everyone was shocked!

After all, this is too magical. As pharmacists, how could they have seen these!

Gu Tianchao on the side smiled coldly and said, “It’s just a bluffing technique. Our sect leader wants to trigger lightning. Just a thought will do it!”

Chen Ping has the origin of lightning himself. He only needs to think about it, and the origin of lightning will burst out, and lightning and thunder will flash between heaven and earth in an instant!

Chen Ping’s sword beams swarmed in, and Wang Qingshi began to resist passively!

Boom!

The sky was full of golden light, and Wang Qingshi’s body retreated instantly. The long sword transformed by lightning in his hand was also shattered in an instant!

Wang Qingshi was horrified. He was the second-grade strength of the Mahayana Realm. Although he was a formation master and had practiced to the second-grade Mahayana Realm, the power he burst out might not be as good as other cultivators!

But it is impossible that he cannot withstand the attack of a sixth-grade cultivator in the Tribulation Realm! No matter

how powerful Chen Ping is, how can he surpass his level by so much?

“Show your special skills. If you fight me head-on, your strength is not enough.”

Chen Ping said with a cold smile!

Wang Qingshi knew that Chen Ping was not bragging, so he did not dare to be careless. He took out a golden talisman paper that was more than one person tall from his arms!

The talisman paper was densely painted with runes. As the talisman paper burned, a golden giant appeared faintly behind Wang Qingshi, holding a giant sword in his hand!

“Using blood as a guide, people as food, heaven and earth as the respect, my life...”

Wang Qingshi was like a fool, muttering in his mouth, and his whole body began to slowly become transparent!

Wang Qingshi formed seals with his palms and slowly merged into the body of the hundred-foot giant!

Buzz!

In an instant, the giant trembled, and the whole person came alive.

The giant and Wang Qingshi actually merged together!

The breath emanating from the giant was exactly that of Wang Qingshi!

Everyone was shocked. Even Gu Tianchao frowned. He didn't expect that Wang Qingshi would know such a magic!

Seeing this, Chen Ping also frowned slightly. This kind of fusion magic was the first time Chen Ping had seen it!

“Hahaha, Chen Ping, it's your honor to die under the secret technique of our Zhantian Sect.”

Wang Qingshi laughed wildly!

As he said that, Wang Qingshi slashed at Chen Ping with a sword!

At this moment, Chen Ping was as weak as an ant in front of Wang Qingshi!

Seeing this, Chen Ping was no longer careless. His body instantly emitted golden light. The indestructible golden body covered his whole body, and the dragon crystal on his chest also emitted light!

A huge golden dragon slowly appeared behind Chen Ping!
