

[The Man Decree] A Man Like None Other Chapter 4241

[The Man Decree] A Man Like None Other Chapter 4241 –

Elder Liu hurriedly brought all the disciples of Zhantian Sect to strengthen the formation, and countless spiritual vines continued to grow out!

“Hurry up and report to the sect master. Something has changed. There are actually some formation masters among these pharmacists. Ask him to bring reinforcements immediately.”

Elder Liu shouted loudly!

The young man beside Elder Liu quickly crushed the jade slip and passed the message on!

Gu Tianchao and the people from Liangyi Sect were also desperately controlling the formation, producing spiritual blades and harvesting the spiritual vines that trapped people!

However, the spiritual vines were growing faster and faster, and Gu Tianchao and his men were about to be unable to hold on!

“We can’t just sit there and wait, let’s rush out...”

Granny Zhen gave a loud shout and rushed towards the cabin first!

Now they have the support of the Liangyi Sect’s people, so they will not be bound by the spiritual vines. When Gu Tianchao and the others can’t hold on any longer, everyone will be bound and become prisoners!

“Let’s fight...”

Many pharmacists who were not restrained burst out with their strongest fighting power, intending to rush out in one go!

Granny Zhen slapped Elder Liu with her palm. As long as they rushed out, they would have hope!

If you are trapped in the cabin, it is easy to be restrained by the formation!

Seeing this, Elder Liu snorted coldly and said, "An old woman who is about to die wants to break out of my formation..."

Elder Liu instantly sent out a ray of spiritual light and headed straight for Grandma Zhen!

Grandma Zhen's strength is no match for Elder Liu, but Grandma Zhen is not afraid. Even if it means death, she will withstand this blow and then rush out!

Otherwise, everyone will be trapped and die in this cabin!

Just when Granny Zhen was determined to die, suddenly a ray of white light came and shattered Elder Liu's spiritual light!

Grandma Zhen was blown away by the aftermath!

"Zhen Ni....."

Zhong Qing suddenly appeared and stepped forward to support Grandma Zhen!

Chen Ping and Chen Wenliang also appeared in the cabin, and then said coldly: "I have known for a long time that you have bad intentions. It turns out that you have some intentions!"

Seeing Chen Ping and the others coming back, all the pharmacists were extremely excited!

Gu Tianchao was also delighted and said, "Master, they are embracing each other and trapping us to death..."

Chen Ping took a look at the formations around him and the spiritual vines that kept emerging. He raised his mouth with disdain and waved his hand lightly. Countless divine patterns covered the entire cabin, and the formations set up by Elder Liu and the others collapsed in an instant!

"This...is this a divine pattern?"

Elder Liu was horrified and looked at Chen Ping in disbelief, "You... who are you? How do you understand the divine patterns?"

“My name is Chen Ping...”

Chen Ping said calmly!

“Chen Ping? The Chen Ping that the Demon Sealing Alliance has been hunting down with a hundred years of sacrifice?”

Elder Liu was stunned!

“Yes, it’s me!” Chen Ping admitted it directly!

“Didn’t you say you died in the storm? How come you’re still alive?”

Elder Liu was very puzzled. Feng Xing and the others had said that Chen Ping had died in the storm and they wanted to look for his body!

But as soon as the words came out, he shut his mouth immediately, knowing that he had said the wrong thing.

“How do you know I died in the storm? Did Su Tianshuo and the others tell you?”

“Who are you? What is your relationship with Su Tianshuo?”

Chen Ping questioned.

“Don’t worry about who we are. Since you’re not dead, we can just kill you together.”

Elder Liu said in a cold voice.

“Even if you don’t tell me, I can guess that you are from Zhan Tian Fa Zong, right? The formation you used just now is similar to that used by Wang Qingshi and others.”

In fact, Chen Ping had just realized when he was breaking the formation that the formation set up by these people had many similarities with the formation set up by the Zhantian Sect!

What’s more, these people are obviously formation masters, not just a group of independent cultivators gathered together.

[The Man Decree] A Man Like None Other Chapter 4242

[The Man Decree] A Man Like None Other Chapter 4242 – “Hmph, you know what our identities are. Let me tell you, don’t think that you can be safe just by breaking the formation in the cabin. We have set up formations for the entire spiritual boat.”

“None of you can escape from this spiritual boat. When our sect master comes, we will arrest you all!”

After saying this, Elder Liu rushed out of the cabin with his men and reached the deck!

Chen Ping and the others also rushed out, but just as they landed on the deck, a huge forbidden force made everyone unable to move!

But Elder Liu and others were able to move freely and were not affected at all.

“Hahaha, you can’t escape from my palm!”

Elder Liu laughed!

“Really?”

Chen Ping smiled coldly and walked directly towards Elder Liu!

Seeing that Chen Ping could still move, Elder Liu’s pupils suddenly shrank, and he was very surprised. The formation on this entire spiritual boat was set up by their sect master himself!

And it was the secret method of Zhantian Fazong that was not passed on. How could Chen Ping not be affected at all?

Elder Liu once again urged his spiritual power to strengthen the formation!

But Chen Ping still walked slowly towards Elder Liu, not affected at all!

“That’s not right. Even if you know the divine pattern, it’s important to break the formation. You haven’t broken the formation, how can you not be suppressed?”

Elder Liu was confused!

The other people from the Zhantian Sect were also confused. They had never seen such a situation!

“Are you trying to say that this is the secret method of your Zhantian Sect, how can it not control me?”

“I tell you, Wang Qingshi also used the so-called secret method of your Zhantian Sect, but he was still beaten by me.”

“Your so-called secret method is a joke in my eyes!”

Chen Ping smiled coldly and suddenly raised his hand!

Boom!

At this moment, the scene suddenly changed, and the suppressive force on everyone disappeared instantly.

But for the people from the Zhantian Sect, waves of terrifying suppressive force continued to attack!

Elder Liu and others were horrified and instinctively wanted to leave the spirit boat, but the huge suppression force prevented them from flying at all. There were even disciples of Zhan Tian Fa Zong who were directly pressed to the ground by this suppression force!

Chen Wenliang and others who saw this scene were all shocked. Although they knew that Chen Ping was very powerful, they were still shocked again and again!

“Elder Liu, what’s going on?”

The young man asked Elder Liu with a confused face!

“This Chen Ping is obviously only a sixth-grade cultivator in the realm of tribulation. How can his attainments in formation be so high? It’s really strange!”

Elder Liu didn’t understand how Chen Ping did it!

With a casual wave of his hand, the formation was changed!

Elder Liu tried desperately to seize control of the formation. It was obviously the secret method of their Zhan Tian Fa Zong and their spirit boat, but now it was controlled by Chen Ping!

“Elder Liu, let’s close all the formations on the spirit boat, otherwise it will be over!”

said the young man!

They wanted to rely on the formation to control these pharmacists, but now the formation on the spirit boat has failed. Not only has it failed, but it has exerted pressure on their own people. All must be closed!

“Close all the formations, this spirit boat may not be able to withstand the destruction of the waves!”

Elder Liu hesitated.

After all, it is not easy for them to build a spirit boat in the Zhantian Sect. This vast sea seems calm, but if there is no formation to protect it, the spirit boat can be easily destroyed by the dark waves!

“Elder Liu, it’s time. If we don’t close the formation, we are afraid that we will all die.”

The young man urged anxiously!

Seeing this, Elder Liu could only take out a dark token from his body. With a light press, the black token instantly emitted a black light!

All the formations on the spirit boat disappeared instantly, and the people of the Zhantian Sect also lost the power to suppress!

But without the formation, the spirit boat shook instantly!

[The Man Decree] A Man Like None Other Chapter 4243

[The Man Decree] A Man Like None Other Chapter 4243 – The shaking spirit boat made everyone jump up and float in the air. Otherwise, they would always feel like they were sinking on the spirit boat!

“Boy, I must destroy you today...”

Elder Liu’s eyes were red, and his aura burst out, and he

rushed towards Chen Ping! Elder Liu slapped Chen Ping with one palm, and his palm instantly became dark, accompanied by black mist spreading from his palm, and the void was instantly torn apart, and he rushed towards Chen Ping!

These black mists were like sharp blades, and the void was cut off wherever they passed.

Seeing this, Chen Ping covered his whole body with an indestructible golden body, and the fire rose up. At the same time, he also slapped a palm, and the flames rushed out all over the sky!

Boom!

The black mist collided with the flames, making a deafening sound, and the world kept shaking!

“I didn’t expect that you, a formation master, are quite strong!”

Chen Ping didn’t expect that the strength of this Elder Liu was not weaker than Wang Qingshi!

Elder Liu was also shocked at this moment: “You are just a sixth-grade cultivator in the Crossing Tribulation Realm, but you can actually fight me with a palm without any injury?”

He thought that Chen Ping was just a strong array, but now, it is obvious that his strength is not weak!

But he didn't understand, Chen Ping was only at the sixth-grade realm of the Crossing Tribulation Realm, how could he burst out with such a powerful strength!

"Fellow Daoist Chen, we will help you..."

Chen Wenliang and Zhong Qing flew up in an instant and came to Chen Ping's side, intending to help Chen Ping deal with this Elder Liu!

"President Chen, Zhong Yaozun, you take people to destroy those disciples of the Zhantian Fa Sect, and leave this guy to me."

"Although he is quite powerful, it is not that easy to kill me."

Chen Ping said to Chen Wenliang and Zhong Qing!

Chen Wenliang and Zhong Qing also knew Chen Ping's strength. Although Chen Ping looked only at the sixth-grade Crossing Tribulation Realm, the strength he showed was not necessarily a match for the second-grade Crossing Tribulation Realm!

"Well, be careful!"

Chen Wenliang nodded, and then rushed towards those disciples of the Zhantian Fa Sect with Zhong Qing!

Other pharmacists and people from Liangyi Sect also swarmed up.

The disciples of Zhantian Sect relied on the art of formation to be stronger than this pharmacist, but now the art of formation cannot be used, because there are people from Liangyi Sect. As long as they use the formation, the people from Liangyi Sect can break it.

Now the disciples of Zhantian Sect are all livid and complaining!

Everything has changed too fast. Originally, they were hunters and looked down on these pharmacists!

But now, they are being chased and beaten by these pharmacists!

In mid-air, the melee has begun, and disciples of Zhantian Sect have been falling into the sea!

Seeing this, Elder Liu was extremely anxious and began to attack Chen Ping again and again. He had to get rid of Chen Ping first before he could save the other disciples of Zhantian Sect! The

black giant palm slapped out again and again, and the vibrating void trembled continuously, and cracks in the void appeared one after another.

But Chen Ping dodged again and again. Even if he didn't dodge, he would swing a palm at the same time to offset Elder Liu's power!

Seeing that he couldn't hurt Chen Ping for a long time, Elder Liu gritted his teeth, took out a porcelain bottle, and poured some disgusting black liquid into his mouth!

“Die for me...”

Elder Liu's eyes were full of ruthlessness, and he rushed towards Chen Ping at an extremely fast speed!

Chen Ping only saw a black light coming, and then he smelled a dizzy and disgusting breath!

Chen Ping instinctively wanted to dodge, but found that his movements began to slow down!

Bang!

Chen Ping was hit by a palm, and his body quickly flew backwards!

Elder Liu also quickly retracted his arm, his heart full of horror!

[The Man Decree] A Man Like None Other Chapter 4244

[The Man Decree] A Man Like None Other Chapter 4244 – Although he hit Chen Ping, his whole arm seemed to be useless, and there was a burning pain in the palm of his hand, as if it was burned by fire!

“Damn, what kind of armor is this kid wearing? It's so strong, and there is also fire self-defense. It seems that I can't fight him in close combat.”

Elder Liu felt the burning sensation from his palm, and he must not fight with Chen Ping in close combat!

After Chen Ping flew back for several miles, his body stabilized!

“What did this guy just drink? He actually exudes a breath that affects the mind.”

Chen Ping was very puzzled. The breath that Elder Liu just burst out actually made him dazed for a while, which allowed this guy to succeed!

If Chen Ping hadn't had the indestructible golden body to protect his body, plus his strong body, Chen Ping would have been seriously injured by that palm just now!

A solemn look appeared on Chen Ping's face.

He was a little too careless just now, and didn't take Elder Liu seriously at all, but he didn't expect that he almost fell into Elder Liu's trap!

This guy not only knows the art of formation, but also has this kind of strange medicine on him!

“Senior, did you notice that breath just now?”

Chen Ping asked the Red Cloud Demon Lord!

The Red Cloud Demon Lord was in his own sea of consciousness. Just now, when he was in a trance, his sea of consciousness must have reacted. The Red Cloud Demon Lord should also know it!

“The black liquid that this guy just drank should be a poison made from the oil of the whale monster. This kind of thing can slow down a person

's consciousness.” “Just now, I was a little careless, but there won't be a next time. I can still let people attack your consciousness while I am in your sea of consciousness. Isn't it too embarrassing for me.” The

Red Cloud Demon Lord said!

Hearing what the Red Cloud Demon Lord said, Chen Ping's heart suddenly became bold!

Then he performed the Fire Control Step and instantly arrived in front of Elder Liu!

“You guy, you actually used a dirty trick, but even if you use a dirty trick, don’t think about hurting me.”

Chen Ping said to Elder Liu with a sneer.

“Boy, I know you have armor to protect your body, but let me see how many times your armor can withstand my attacks.”

After saying this, Elder Liu slapped out with one palm!

The black palm print came towards Chen Ping with a strange breath!

This breath instantly poured into Chen Ping’s body and began to affect Chen Ping’s sea of consciousness.

However, the Red Cloud Demon Lord gently waved in Chen Ping’s sea of consciousness, and the breath of that breath disappeared instantly, without affecting Chen Ping at all.

Looking at the black palm print, Chen Ping gently turned his body to one side and dodged it directly.

Elder Liu was stunned, and then waved a few more palms, but Chen Ping dodged them every time. It seemed that Chen Ping was not affected at all.

“This...what’s going on?”

Elder Liu was confused, and didn’t understand why Chen Ping was suddenly not affected.

“Humph, you want to affect my mind, but unfortunately I have seen through it.”

Chen Ping smiled lightly.

“Boy, don’t be complacent, this is on the sea, we have lived in this sea area for many years, and have long become the master of the sea.”

After Elder Liu finished speaking, blood was forced out of his fingertips!

Blood kept dripping from the ten fingertips, and the blood dripped into the sea!

Soon, the sea water began to boil, raising waves, and the huge waves almost broke the spirit boat apart.

With the appearance of black shadows, ten huge whale monsters jumped out of the sea.

Each whale monster was as big as a hill, and the situation of jumping out of the sea at the same time was simply covering the sky and the sun.

The red eyes of these whale monsters lit up, and they let out a shocking roar, as if their minds were affected.

As soon as they jumped out of the water, they attacked Chen Ping!

The whale monster opened its bloody mouth, revealing sharp teeth, as if it wanted to swallow Chen Ping directly.

[The Man Decree] A Man Like None Other Chapter 4245

[The Man Decree] A Man Like None Other Chapter 4245 – Chen Ping's body seemed so insignificant in front of this whale monster!

Chen Wenliang and the others were all horrified when they saw this. They had never seen such a huge monster before.

“Chen Ping, run...”

“Mr. Chen, run, run quickly...”

Liu Ruyan and Nie Heng saw this and hurriedly shouted at Chen Ping!

So many huge monsters are simply too scary!

Many pharmacists were scared and retreated unconsciously!

Gu Tianchao was ready to rush over with the disciples of Liangyi Sect, and then set up a defensive formation to help Chen Ping resist the attack of the monster.

“Don’t come over...”

Chen Ping stopped Gu Tianchao and the others. He knew that even the defensive formation could not stop such a huge monster.

Chen Ping offered the Dragon Slaying Sword and went towards the ten whale monsters.

Seeing this, Elder Liu sneered: “You are looking for death. These whale monsters are not something you can kill.”

Chen Ping took the Dragon Slaying Sword and met a whale monster. The whole person was swallowed into the mouth of the whale monster in an instant!

The whale monster’s mouth was more spacious than a palace.

The huge suction force continuously sucked Chen Ping into its belly.

Chen Ping did not struggle, but followed the suction force and entered the belly of the whale monster!

Seeing Chen Ping being eaten by the whale monster, Elder Liu smiled triumphantly and said, “Haha, if you enter the belly of the whale monster, don’t think about living anymore.”

But as soon as the voice fell, a ray of light suddenly shot up from the back of the whale monster!

Chen Ping was emitting golden light, and the dragon-slaying sword in his hand rang out in waves!

The whale monster roared, screamed, and fell heavily into the sea, setting off huge waves.

A golden dragon slowly emerged behind Chen Ping in waves of dragon roars.

At this moment, the remaining whale monsters, with fear in their eyes, roared in fear, and quickly rushed into the sea, and disappeared in an instant!

Elder Liu, who was originally proud, was stunned when he saw this scene!

Before he could react, a golden light came!

Elder Liu's head was directly cut off by Chen Ping with the Dragon Slaying Sword.

After Elder Liu died, the remaining disciples of the Zhantian Sect were all scared and wanted to escape.

“President Chen, don't let these people escape, otherwise our whereabouts will be leaked and it will be troublesome.”

Chen Ping said hurriedly.

“Don't worry, no one can escape...”

Chen Wenliang led his men to chase and kill them. It only took a few minutes to slaughter the remaining disciples of the Zhantian Sect.

In this battle, many pharmacists were injured, and several were seriously injured.

This was with the help of the Liangyi Sect. If the Liangyi Sect did not take action, they would not be able to beat the disciples of the Zhantian Sect.

Everyone returned to the spirit boat. At this time, the spirit boat was already tattered and could barely be seen as a boat.

It was obviously impossible for this spirit boat to return to the Western Region Continent!

“Gu Tianchao, you take people to set up a formation immediately to protect this spirit boat from sinking. We now have to rely on this broken spirit boat to find the island.”

Chen Ping ordered!

Gu Tianchao led people to set up the formation, while Chen Wenliang said worriedly: “Fellow Daoist Chen, the island must be the home of the Zhantian Sect. If we go to the island again, won’t we be trapped?”

“We must find the mainland to repair now, and this spirit boat can’t support us back to the Western Continent, so we can only take the risk to go to the island.”

“And we just had a big fight, I think the people of the Zhantian Sect must have asked for help, so there shouldn’t be too many people from the Zhantian Sect on the island, as long as we are careful on the road and don’t run into the people of the Zhantian Sect again.”

Chen Ping said!

“Listen to Fellow Daoist Chen, we really have no other choice but to go to the island. There are still several seriously injured people, and most of the people’s resources have been exhausted, so they must be replenished.”

Zhong Qing agreed with what Chen Ping said, go to the island!

[The Man Decree] A Man Like None Other Chapter 4246

[The Man Decree] A Man Like None Other Chapter 4246 – “Okay, then we’ll go to the island. At worst, we can fight again!”

Chen Wenliang nodded when he saw this.

The broken spiritual boat began to move forward. This time, Chen Ping and his team didn’t need to look for the island specifically. They would definitely be able to see it if they went in this direction!

At this time, on the sea that Chen Ping and his team were facing, a huge spiritual boat was sailing fast against the wind and waves.

“Speed up, hurry up...”

On the deck, Mu Qiufeng, the leader of Zhantian Sect, looked at the sea with a serious expression. After receiving the information of support, he led his men to set off immediately.

“Sect Master, you don’t have to worry too much. Elder Liu and his team will be fine. Even if there are a few formation masters among these pharmacists, they must be doing it to better control the spiritual boat.”

“Maybe Elder Liu and his team have already subdued those pharmacists and are rushing here!”

A thin man comforted Mu Qiufeng!

“I’m not worried about those formation masters. Our spirit boat has many formations and the secrets of our Zhan Tian Fa Zong. Elder Liu and the others will be fine.”

“I’m just worried that they won’t be caught in the storm. This year’s storm is much stronger than in previous years. If they are really caught in it, I’m afraid it will be difficult to survive.”

Mu Qiufeng was not worried that Elder Liu and the others would be defeated by the pharmacists.

Even if there were a few formation masters among these pharmacists, they would definitely know that the spirit boat needs a formation master to control the spirit formation and then provide protection for the spirit boat. Without the protection of the formation master, the spirit boat would not be able to break through the wind and waves and travel such a long distance!

These formation masters could never be the opponents of Elder Liu and the others. Mu Qiufeng was worried that Elder Liu misjudged the power of the storm and was sucked into it!

“Sect Master, there is a boat coming...”

At this time, the Zhan Tian Fa Zong disciple shouted!

Mu Qiufeng looked over and saw a tattered spirit boat moving towards this side. The spirit boat looked like it was about to fall apart!

“Could such a broken spiritual boat have rushed out from the storm sea?”

someone said!

“Could it be our Zhan Tian Fa Sect’s spiritual boat?”

someone else said.

“Go and have a look. Few people come here. Let’s see who these people are.”

Mu Qiufeng waved his hand and said!

As the two spiritual boats kept approaching, Mu Qiufeng frowned and said, “This is not the spiritual boat of our Zhan Tian Fa Sect. The formation on this spiritual boat is wrong.”

Even if the spiritual boats are built the same, the formations that drive the spiritual boats and the formations that protect the spiritual boats are all different, so they can be distinguished by relying on the formations!

At this time, Chen Ping, who was on the spirit boat, was also called to the deck by Chen Wenliang: “Fellow Daoist Chen, look, there is another spirit boat coming in the distance. I wonder if it is the boat of Zhan Tian Fa Zong.”

Chen Ping took a look, felt the formation on the spirit boat, nodded and said: “It is the spirit boat of Zhan Tian Fa Zong...”

Chen Wenliang’s face tightened, and then said: “Then I will notify everyone to prepare for battle immediately.”

“No need for now, President Chen, take all the pharmacists to hide in the cabin, don’t expose your breath, and don’t make a sound.”

“If you can get away with it, then there is no need to fight.”

Chen Ping knew that if a fight broke out, it was estimated that many of these pharmacists would die.

“Okay!” Chen Wenliang nodded!

All the pharmacists hid in the cabin, and the formation was used to hide their breath around.

Chen Ping asked Gu Tianchao to take the people of Liangyi Sect, all of them stood on the deck, and went straight to the spirit boat of Zhan Tian Fa Zong!

Soon, the two spirit boats stopped face to face, dozens of meters apart!

Chen Ping's spiritual boat was tattered and looked much more shabby in front of the spiritual boat of Zhan Tian Fa Zong!

It was precisely because of this that the people of Zhan Tian Fa Zong did not recognize that this was the spiritual boat driven by Elder Liu!

[The Man Decree] A Man Like None Other Chapter 4247

[The Man Decree] A Man Like None Other Chapter 4247 – Chen Ping motioned Gu Tianchao to come forward and ask questions!

“Who are you? Why are you blocking our way?”

Gu Tianchao pretended not to know the identity of Mu Qiufeng and others, and asked loudly!

There was no trace of fear on Gu Tianchao's face, but he looked a little dissatisfied!

Mu Qiufeng glanced at Gu Tianchao, frowned slightly, but still asked politely: “This Taoist friend, who are you? Why are you here? This place is thousands of miles away from the mainland.”

“What are you talking about? This place is thousands of miles away from the mainland. Why are you here too? This is not your home. I can go wherever I want!”

Gu Tianchao directly scolded Mu Qiufeng!

Mu Qiufeng was stunned, but he didn't get angry. He was sure that the people in front of him were definitely not that group of pharmacists. When the pharmacists saw him, they would probably have been scared to death.

“Daoyou, you misunderstood. That’s not what I meant. I just saw that your spiritual boat was seriously damaged. If you travel far, I’m afraid it won’t be able to support it.”

“I think Daoyou should also be a formation master, right? Although your spiritual boat is tattered, it is protected by several formations.”

Mu Qiufeng asked!

“Yes, we are from the Liangyi Sect in the Central Region. I am Gu Tianchao, the leader of the Liangyi Sect. I originally took the spiritual boat to capture some monsters on the sea, but I didn’t expect a sudden storm to blow us to this place.”

“If it weren’t for our formation being relatively strong, I’m afraid this spiritual boat and us would have died in the storm long ago.”

“What a fucking broken place this is. I’ve seen a lot of strong winds and waves, but I haven’t seen such a terrible storm.”

“I advise you not to go. The storm hasn’t stopped yet. Be careful that you will be swept in!”

Gu Tianchao said with a curse.

“So you are the leader of the Liangyi Sect, Gu. I have heard of you. I heard that the ancestor of your Liangyi Sect knows divine patterns. It’s really amazing!”

Mu Qiufeng became polite when he heard about the Liangyi Sect.

Liangyi Sect is a well-known sect among the formation sects!

“I didn’t expect you to know our Divine Pattern Ancestor. Who are you?”

Gu Tianchao asked, pretending not to know!

“Oh, we are from Zhantian Sect. I am Mu Qiufeng, the leader of Zhantian Sect.”

Mu Qiufeng said with a folded hand!

“Zhantian Fazong?” Gu Tianchao pretended to think for a while, then said, “I heard that Zhantian Fazong was destroyed a long time ago? I haven’t heard any news about your Zhantian Fazong for many years.”

Mu Qiufeng looked embarrassed, and then explained: “We were not destroyed, but there was no place for us to settle down on the mainland, so we came from afar to live in this vast ocean.”

“Speaking of which, we have lived here for a thousand years, and now I have long forgotten what the mainland looks like.”

Gu Tianchao nodded in enlightenment, and then said: “So that’s the case. Since you have lived here for so long, you must know where there is a place to settle down nearby?”

“Our spirit boat needs to find a place to settle down and repair it...”

“Of course, there is a small island in front, we have been living there, you can go there to settle down, but I have something else to do, so I can’t take you there.” Mu Qiufeng said!

“That’s great, we can go there by ourselves, I don’t know what Master Mu has to do?”

Gu Tianchao asked casually!

But after asking, Gu Tianchao regretted it. Is there any need to ask? These people are of course going to reinforce Elder Liu!

“One of our spiritual boats encountered some difficulties, so we went to take a look. I wonder if Sect Master Gu has seen our boat along the way?”

Mu Qiufeng asked.

[The Man Decree] A Man Like None Other Chapter 4248 – 4249

[The Man Decree] A Man Like None Other Chapter 4248 – “I didn’t see it. Could it be that it was caught in the storm?”

Gu Tianchao was a little panicked!

He hated himself for asking so much!

“Maybe, I’ll go and see. You can go to the island to rest first...”

Mu Qiufeng waved his hand and let Gu Tianchao and the others leave!

Gu Tianchao breathed a sigh of relief and immediately ordered people to set up the spiritual boat to bypass Mu Qiufeng and their spiritual boat!

Seeing this, many pharmacists in the cabin also breathed a sigh of relief!

Even Chen Ping relaxed. He had been in the cabin, maintaining the shielding formation to shield the breath of these pharmacists so as not to be noticed!

But just this relaxation, at the moment when the two boats crossed, Mu Qiufeng frowned!

“Master, there are still people in this spiritual boat...”

A slightly hunched old man said to Mu Qiufeng!

“Master Gu, please wait a moment!” Mu Qiufeng stopped Gu Tianchao!

This time, Gu Tianchao’s heart was in his throat again!

“Master Mu, is there anything else?” Gu Tianchao asked!

“Master Gu, is there anyone else in your cabin?”

Mu Qiufeng asked directly.

“No, the spirit boat is broken like this, how could there be anyone else!”

Gu Tianchao shook his head!

“Humph, you still want to lie, there is someone in your cabin, but you say there is no one.”

The hunchbacked old man snorted coldly, and actually jumped towards Gu Tianchao’s spirit boat!

He was about to rush into the cabin, which scared Gu Tianchao!

If this guy was allowed to enter the cabin, all the pharmacists inside would be discovered!

Just when Gu Tianchao was at a loss, a cold voice suddenly came from the cabin!

“Where I rest, how can you enter?”

As the cold voice sounded, spiritual energy surged wildly in the cabin!

Boom!

An arrow condensed by the ultimate fire rushed out like a fire dragon, heading straight for the hunchbacked old man! The hunchbacked

old man was shocked, and his body was instantly hit by the ultimate fire, and the whole person flew out!

Chen Ping, on the other hand, put his hands behind his back and slowly walked out of the cabin!

Chen Ping’s eyes were filled with contempt and coldness!

Looking at the hunchbacked old man flying backwards, Chen Ping waved his palm gently, and a fire tornado formed instantly!

The sky and the earth changed color instantly, and the flames covered the sky and the sun!

The fire tornado directly rolled the hunchbacked old man into it, and then raged wildly on the sea!

Seeing this scene, everyone was stunned, especially Mu Qiufeng!

This hunchbacked old man is an elder of the Zhantian Sect. How could he be defeated by someone with the strength of the first grade of the Mahayana Realm?

And looking at Chen Ping’s young age, he looks like he is only at the sixth grade of the Crossing Tribulation Realm!

A sixth grade cultivator in the Crossing Tribulation Realm beat a first grade of the Mahayana Realm without any ability to fight back, and more importantly, the other party looks very relaxed!

“Who is this guy? The ultimate fire he uses is so pure. It seems that this guy’s ultimate fire source has reached perfection.”

Mu Qiufeng frowned and looked at Chen Ping!

Being able to activate the ultimate fire with a wave of his hand means that he must have realized the origin of the ultimate fire, otherwise he would not be so skilled.

But even if he realized the origin of the ultimate fire, a sixth-grade cultivator in the Tribulation Realm should not be able to burst out with such power?

Just when Mu Qiufeng was puzzled, Chen Ping said to Gu Tianchao with a cold face: “Gu Tianchao, how do you do things? Don’t you know that I don’t like to be disturbed?”

Seeing this, Gu Tianchao hurried forward and said: “Sir, I’m really sorry, I was careless.”

Seeing Gu Tianchao’s respect for Chen Ping, Mu Qiufeng was even more confused!

Liangyi Sect is also a large sect, and it is also a formation sect. The master of such a large sect is so respectful to a small cultivator of the sixth grade in the Tribulation Realm. There is only one reason, that is, Chen Ping’s identity is not simple!

[The Man Decree] A Man Like None Other Chapter 4249

At this time, Chen Ping inadvertently showed the token of Xiao Dynasty to Gu Tianchao, and Gu Tianchao instantly understood what it meant!

But before Gu Tianchao could speak, there was a loud bang!

The fire tornado exploded instantly, and the hunchbacked old man rushed out of the fire tornado angrily!

At this time, the hunchbacked old man was burned black, and his clothes were tattered, like a beggar!

“Boy, I’m going to kill you...”

The hunchbacked old man’s eyes were scarlet, his teeth were clattering, and he punched Chen Ping!

As an elder of the Zhantian Sect and a first-grade cultivator of the Mahayana Realm, he was ambushed and embarrassed, which made the hunchbacked old man very angry!

Chen Ping faced the attack of the hunchbacked old man, but he didn’t care at all, and there was a bit of disdain on his face!

Chen Ping’s body was filled with golden light, and the indestructible golden body began to cover Chen Ping’s body little by little!

Seeing this scene, Mu Qiufeng was stunned!

“Elder Li, stop...”

Mu Qiufeng leaped up and stopped the hunchbacked old man directly!

“Master, don’t stop me, I must get rid of this anger today!”

The hunchbacked old man was anxious!

“Elder Li, don’t be angry first, this kid’s identity is not simple, wait until the identity is confirmed.”

Mu Qiufeng stopped the hunchbacked old man and said!

The hunchbacked old man glanced at Chen Ping and found that Chen Ping was already in golden armor at this time, with a stern look and contempt in his eyes!

Seeing this scene, the hunchbacked old man stopped, and he also found that Chen Ping was indeed a little bit unusual!

How could a sixth-grade cultivator in the Tribulation Realm have such courage?

Unless he has a powerful family behind him!

They dare not provoke that kind of terrifying family. At that time, even if they escaped here from the Zhantian Law Sect, they would probably die!

“If you dare to provoke me again, I will peel off your skin and let you bury it in this sea!”

Chen Ping said to the hunchbacked old man!

“You...”

The hunchbacked old man got angry when he saw Chen Ping talking about him like that!

But he was stopped by Mu Qiufeng and couldn't do anything!

“Calm down, this kid's identity must be not simple, let me find out first.”

“If he doesn't have any identity, it's not too late for you to take action.”

Mu Qiufeng persuaded the hunchbacked old man!

The hunchbacked old man could only nod. Even if he was angry now, he could only listen to Mu Qiufeng!

“Fellow Daoist, our elder was presumptuous just now. I'm really sorry.”

“I just don't know what the identity of this fellow Daoist is? He is so young, but he has such a bad temper?”

Mu Qiufeng looked at Chen Ping and asked!

Chen Ping just glanced at Mu Qiufeng coldly and didn't say anything. That expression looked down on Mu Qiufeng from the bottom of his heart!

Mu Qiufeng was slightly stunned, and Gu Tianchao spoke at this time: “Master Mu, to be honest, we came to this sea area this time mainly to accompany the young master to experience it, but for safety reasons, we let the young master not come out of the cabin.”

“Oh? The person who can be called a young master by Master Gu of Liangyi Sect must be very powerful, right?”

Mu Qiufeng asked!

“Master Mu, I wonder if you have heard of the Xiao Dynasty?”

Gu Tianchao smiled slightly!

Mu Qiufeng’s face changed, and his expression became a little nervous. Then he nodded and said, “Of course I have heard of it. The Xiao Dynasty is the largest force in the Western Region Continent. Even in the Tianren Realm, the families that can compete with the Xiao Dynasty can probably be counted on one hand.”

“Hahaha, since you know the Xiao Dynasty!” Gu Tianchao laughed!

“What? Is this the prince of the Xiao Dynasty?”

Mu Qiufeng widened his eyes!

“Yes, this is the prince of the Xiao Dynasty. We are just doing things for money.” Gu Tianchao nodded!

[The Man Decree] A Man Like None Other Chapter 4250

[The Man Decree] A Man Like None Other Chapter 4250 – “I heard that the prince of Xiao Dynasty is ill, but this man doesn’t seem to be ill!”

The hunchbacked old man asked in doubt!

“Prince Xiao is indeed ill. We brought Xiao Dynasty to the deep sea this time to search for whale monsters and use the oil of whale monsters to treat Prince Xiao.”

Gu Tianchao said improvisationally!

He didn’t expect that the Zhantian Sect, who has been overseas for many years, actually knew that Prince Xiao was sick!

“You said he is Prince Xiao, so he is Prince Xiao? Is there any evidence?”

The hunchbacked old man was a little dissatisfied!

As long as he could confirm that Chen Ping was not Prince Xiao, he could take revenge. He must pay it back after being humiliated in public by Chen Ping!

“You want to see the evidence?”

Chen Ping stepped forward and asked!

“Of course, otherwise how do you know you are Prince Xiao.”

The hunchbacked old man nodded!

“Hmph, don’t you look at your own virtue? Are you worthy of seeing it?”

“If you want to see the evidence, I can show it to you, but you have to beat me first!”

Chen Ping snorted coldly, looking at the hunchbacked old man with disdain!

“You...”

The hunchbacked old man was angry and was about to attack Chen Ping!

Seeing this, Mu Qiufeng hurriedly stopped the hunchbacked old man, and then said to Chen Ping: “This Taoist friend, we just want to confirm it, there is no other meaning, we have actually admired the Xiao Dynasty for a long time.”

“Since you are still polite, I can show you...”

After Chen Ping said that, he threw the token in his hand to Mu Qiufeng!

This is the real token of the Xiao Dynasty, so Chen Ping is not afraid to see it at all!

After Mu Qiufeng took the token, he found that the token was indeed real, and there was a unique mark and breath of the Xiao Dynasty on the token!

Since he can hold the token of the Xiao Dynasty, Chen Ping's identity can be confirmed!

The hunchbacked old man looked at the token and was also scared. If he had just attacked Chen Ping, the consequences would be unimaginable!

"So it's really Young Master Xiao, we..."

Seeing that it was a real token, Mu Qiufeng returned it to Chen Ping, intending to be polite with Chen Ping!

But who knew that Chen Ping took the token and walked straight into the cabin, and didn't pay any attention to Mu Qiufeng at all!

As a prince of the Xiao Dynasty, it's normal to have some temper!

Seeing this, Mu Qiufeng felt a little embarrassed!

"Master Mu, this is the character of Prince Xiao, you don't have to care about it!"

Gu Tianchao said!

"No, of course I won't care. I'm really sorry for delaying Prince Xiao's time!"

How could Mu Qiufeng dare to care, this is the prince of the Xiao Dynasty!

The power of the Xiao Dynasty is definitely one of the best in the entire Tianren World.

Except for some sects that have been hidden for many years, or the power of the domain master, I'm afraid no one dares to provoke the Xiao Dynasty!

Even the Demon Sealing Alliance dared not provoke people from the Xiao Dynasty!

"Then Master Mu, can we leave now?"

Gu Tianchao asked!

"Of course, of course you can go. Please be sure to take Prince Xiao to our island for a visit."

“As for the oil of the whale monster, we have it in the Zhantian Sect, so there is no need to look for it everywhere.”

Mu Qiufeng wanted to curry favor with Chen Ping at this time. If they had a good relationship with the Xiao Dynasty, they would not have to live on this deserted island all year round!

“No problem!” Gu Tianchao nodded.

Soon, the spirit boat slowly began to move forward. Mu Qiufeng and others watched Chen Ping and their spirit boat slowly fade out of sight!

“Sect Master, was that man really the prince of the Xiao Dynasty just now?”

“I always feel that something is wrong?”

The hunchbacked old man frowned and said after seeing the spirit boat leave!

“The token is real, it should be correct, and it can be guarded by the leader of the Liangyi Sect in person, so the identity must be extraordinary.”

Mu Qiufeng said!
