Chapter 4251

[The Man Decree] A Man Like None Other Chapter 4251 – “The sect master is right. That kid was too arrogant just now. He was only at the sixth level of the Tribulation Realm, but he showed such strong strength. Apart from the huge power of the Xiao Dynasty, I don’t know who else can cultivate such a genius.”

A disciple of the Zhantian Fa Sect said!

“Yes, a sixth-level cultivator of the Tribulation Realm was able to make Elder Li suffer in one move. This alone is enough to prove that this kid is not simple.”

“Don’t think about it anymore. We have to find Elder Liu and the others as soon as possible!”

Mu Qiufeng said, and let the spirit boat sail quickly!

At this time, Chen Ping and the others were driving the broken spirit boat, constantly approaching the island!

The many pharmacists in the cabin were all sweating profusely. If the people of the Zhantian Fa Sect had forced their way in just now, they would definitely find them and be completely exposed, and a fierce battle would be inevitable!

Fortunately, Chen Ping showed up in time, and Gu Tianchao, this guy, was able to fool and fool the people of the Zhantian Fa Sect away!

“Fellow Daoist Chen, what should we do next? Are we going to that island?”

“That island is probably full of dangers!”

Chen Wenliang asked Chen Ping with lingering fear!

“Of course we have to go. Now we have killed many people from Zhantian Fazong, and now many people have gone to support them. I believe there won’t be many people on that island.”

“We can just attack the island now and occupy it completely.”

“As long as we occupy the island, we will take the initiative.”

Chen Ping explained!

“Fellow Daoist Chen is right. We only have this one way to go now, and there won't be too many people from Zhantian Fazong on the island.”

Zhong Qing also agreed with Chen Ping's opinion!

After everyone reached a consensus, the spirit boat headed towards the island!

Mu Qiufeng and the others also approached the storm sea area, and the huge storm was still roaring!

Mu Qiufeng didn't dare to let the spirit boat get too close. He just searched nearby and didn't find any spirit boats around!

You know, the spirit boat brought by Elder Liu is very huge, and there are many formations on it. It shouldn't be easily destroyed by the storm!

“Sect Master, Elder Liu's spirit boat is not found around here. I wonder if it was really sucked into the storm.”

The hunchbacked old man said to Mu Qiufeng!

“It shouldn't be the case. This is not the first time Elder Liu has come here. How could he not know the power of the storm and how could he be sucked in!”

Mu Qiufeng frowned slightly, not understanding what was going on!

“Sect Master, look, are there any bodies in that area?”

At this time, a disciple of Zhan Tian Fa Zong hurriedly shouted!

Everyone looked in the direction of the disciple's finger, and indeed saw a lot of bodies floating on the sea, and some spirit boat wreckage!

The most important thing was the body of a whale monster floating on the sea!

“Quick, go and have a look...”

Mu Qiufeng hurriedly commanded the spirit boat to go over!

When they saw clearly that the bodies on the sea were Elder Liu and his men, they were all stunned!

They didn't expect that the dozens of disciples of Zhan Tian Fa Zong brought by Elder Liu were all dead!

And it looked like the battle was very tragic!

There were fragments of spirit boats everywhere.

Especially the body of the whale monster, floating like a hill!

“What's going on? How could this happen?”

The hunchbacked old man was shocked!

“Sail the people out.”

Mu Qiufeng had a gloomy face and asked people to salvage the bodies of Elder Liu and the others!

Seeing the deaths of the disciples of Zhantian Fa Sect, many people couldn't hold it anymore!

“Sect Master, the whale monster has appeared. It seems that Elder Liu has taken the secret medicine.”

“Now Elder Liu is dead, even the whale monster is dead. It can be seen that the opponent is very powerful. It is definitely not something that can be done by a few pharmacists.”

The hunchbacked old man said!

“When Elder Liu and the others asked for help, did they say that there was a formation master among the other pharmacists?”

Mu Qiufeng asked!

[The Man Decree] A Man Like None Other Chapter 4252

[The Man Decree] A Man Like None Other Chapter 4252 – “Yes, that’s what he said!” The hunchbacked old man nodded!

“Array Master, Array Master...”

Mu Qiufeng frowned and muttered to himself!

Suddenly, Mu Qiufeng’s eyes widened and his expression became angry: “I know, Liangyi Sect, it must be those people from Liangyi Sect.”

“The spiritual boat they are driving is the spiritual boat of Elder Liu and his people, and there must be a pharmacist hiding in the cabin.”

“Only this group of people can get together to cause such great harm to Elder Liu and his people!”

After Mu Qiufeng said this, everyone also reacted!

“No wonder I feel something is wrong, and there is also the so-called prince of the Xiao Dynasty. That guy is not weak and can completely deal with Elder Liu.”

“We were all fooled. At that time, they prevented me from entering the cabin to check...”

said the hunchbacked old man!

“It’s bad, I also told them about the island and asked them to go to the island.”

“There are not many people guarding the island now. If these people really go to the island, it will be troublesome. Go back quickly, go back quickly...”

Mu Qiufeng reacted and roared loudly!

The spiritual boat under his feet quickly turned around and rushed towards the island!

Mu Qiufeng was so angry that he was shaking all over. He also tried his best to invite the other party to the island. Isn't this inviting a wolf into the house?

"Speed up, speed up, we must stop them before they land on the island!"

Mu Qiufeng shouted!

At this time, on the island, the disciples of Zhantian Fazong were guarding Su Tianshuo and others!

These pharmacists will become slaves of Zhantian Fazong in the future, and they will refine medicine for them endlessly every day!

"Feng Xing, you old man, as long as we have a chance to escape, we must kill you first."

Su Tianshuo was locked up in a dark dungeon and cursed at Feng Xing!

Now that the leader and elders of Zhantian Fazong have gone out, Feng Xing has directly become the biggest leader here!

Su Tianshuo and other pharmacists were directly locked up!

In fact, Feng Xing knew best that even if they were well fed and well treated, Su Tianshuo and others would not stay on this island to refine pills for Zhantian Fazong!

In order to prevent Su Tianshuo and others from escaping, Feng Xing directly locked them all in the dungeon! There are

several formations around the dungeon. Even if there is no one guarding, Su Tianshuo and others can't escape!

"President Su, what's the use of scolding me now? You'd better save some energy, otherwise when you refine the elixir, if you can't practice it, or waste resources, you will be very painful."

Feng Xing smiled coldly!

“Mr. Feng, I can be obedient. Can you let me out? I promise not to run away!”

Bao Longxing knew that if they were locked up, there would be no possibility of escape!

After all, these people are just pharmacists, and no one knows the formation!

Now I can only ask Feng Xing not to let myself suffer too much!

“You also stay in the dungeon honestly. When the remaining pharmacists and the body of Chen Ping are found, you people will start working!”

Feng Xing laughed and left the dungeon!

At this time, many pharmacists in the dungeon began to blame Su Tianshuo!

Bao Longxing was the one who blamed the most. He had already become a prisoner, so there was no need to hold Su Tianshuo!

“With your brain, how can you become the president? And you have negotiated cooperation with Zhantian Sect!”

“Now we are all prisoners of Zhantian Sect. I am afraid we will be exhausted to death here in the future.”

Bao Longxing said to Su Tianshuo angrily!

“Yes, it’s all because of you. You don’t act as the president of the Pharmacist Association, but you still want to dominate the pharmacists of the whole Tianren world. Who do you think you are?”

“Now we are finished. It’s all your fault. You have to take responsibility.”

“I am so angry, brothers, beat Su Tianshuo up...”

As soon as someone proposed, many people responded and attacked Su Tianshuo!

[The Man Decree] A Man Like None Other Chapter 4253

[The Man Decree] A Man Like None Other Chapter 4253 – Just when Su Tianshuo was being beaten, there were suddenly bursts of urgent bells outside, the sound was urgent and spread throughout the island!

Everyone hurriedly stopped and kept listening to the situation outside!

Now they were controlled by the formation, and their consciousness could not be released!

“What’s the situation outside? It sounds very urgent!”

A pharmacist asked!

“Is someone coming to attack this island? It’s better to kill all the beasts of Zhantian Fazong!”

Another pharmacist said!

Now these people wish that all the people of Zhantian Fazong would die so that they can be rescued!

“Don’t think about it. This place is far away from the mainland. Who would come here to attack Zhantian Fazong? We can only find a way to save ourselves!”

Bao Longxing sighed and said!

He regretted it to death now. Why did he work with Su Tianshuo, this idiot!

In the main hall of Zhantian Fazong, Feng Xing frowned and said, “What happened? Why did someone suddenly ring the bell?”

“Old Feng, there is an unidentified spirit boat approaching the island, so we rang the defensive bell. Now the sect master and the two elders are not here, and we dare not go out to check rashly!”

A deacon of Zhantian Fazong said to Feng Xing!

Although Feng Xing is not a member of Zhantian Fazong, his status is higher than that of this deacon, and he can be on equal footing with the elders of Zhantian Fazong!

“Isn’t it the spirit boat of Sect Master Mu? How could there be other spirit boats coming to this place?”

“Take me to see what’s going on...”

Feng Xing asked the deacon to take him to the seaside!

At this time, the entire island was shrouded in a colorful light, and more than a dozen disciples of Zhantian Fazong were waiting on the beach. A few

dozen miles away from them, a spirit boat was heading towards the island at a rapid speed.

Because the spirit boat was very shabby, it was obvious that it was not a spirit boat of Zhantian Fazong, so the defensive formation was activated!

Feng Xing came to the seaside, looking at the rapidly approaching spiritual boat, his brows furrowed slightly!

“How did such a shabby spiritual boat get here?”

Feng Xing didn’t understand. This place was far away from the mainland, how could such a shabby spiritual boat come here?

As the spiritual boat got closer and closer, Feng Xing’s brows furrowed deeper and deeper!

Soon, he found that it was Chen Ping and his men on the spiritual boat!

This made Feng Xing nervous. He thought that Chen Ping and his men had died in the storm vortex a long time ago, but he didn’t expect that they would run here!

Seeing the damaged spiritual boat, Feng Xing knew that Chen Ping and his men must have suffered heavy losses, and even the spiritual boat had become like this!

“These people are the pharmacists I mentioned. I didn’t expect that they didn’t die and found this place!”

“Attack quickly, don’t let them get on the island...”

Feng Xing said to the deacon!

The deacon was also shocked when he heard it. Elder Liu, Mu Qiufeng and others all went out to find these people. Unexpectedly, they actually ran to the base camp!

“Quick, release the poisonous insects, don’t let them get ashore...”

The deacon screamed loudly!

Soon, hundreds of black poisonous insects buzzed out from a forest in the center of the island!

One of the poisonous insects with light golden lines was directing these poisonous insects in the center, heading towards Chen Ping and his spiritual boat!

“Daoyou Chen, look, what’s going on?”

Chen Wenliang found the poisonous insects in the sky and said immediately!

“We have been discovered. This should be the poisonous insects released by the Zhantian Sect!”

Chen Ping looked at the black mass of poisonous insects in the sky pressing towards this side, and frowned slightly!

“It turned out to be poisonous insects. We don’t have to be afraid at all. I think the Zhantian Sect has forgotten what we do. We are pharmacists, and we are least afraid of poisonous insects!”

Chen Wenliang said confidently!

If they were afraid of some poisonous insects, wouldn’t they be laughed at?

[The Man Decree] A Man Like None Other Chapter 4254 -4255

[The Man Decree] A Man Like None Other Chapter 4254 – “It’s better to be careful. All of you go into the cabin and don’t come out easily!”

Chen Ping said, and the whole person jumped up!

Then Chen Ping waved his hand, and a huge palm appeared in the void in an instant, and then went to suppress the poisonous insects in the sky!

Just as Chen Ping's huge palm was suppressing it, the pale golden poisonous insect suddenly flapped its wings quickly, making a piercing sound!

Seeing this, the other poisonous insects followed suit, and the piercing sound became louder and louder!

And flapping their wings generated a huge force, which actually countered Chen Ping's palm!

"These guys actually have this kind of consciousness. It seems that this poisonous insect is not simple!"

Chen Ping said in surprise!

At this moment, Mu Qiufeng, who was hundreds of miles away, instantly noticed that the poisonous insects were released!

"It seems that those guys have approached the island, and the poisonous insects have been released!"

Mu Qiufeng frowned and said!

"So fast?" The hunchbacked old man was a little surprised!

"But fortunately, they have been discovered. It is impossible for them to sneak attack our base camp."

"Now that the defense array is open and the poisonous insects have been released, they will definitely be able to stop them for a while."

"Notify them, speed up, and get back as soon as possible!"

Mu Qiufeng ordered loudly, letting the spirit boat drive at the fastest speed!

And he pinched his fingers, and then flicked his fingers, and a ray of golden light instantly sank into the void!

Then, the light on the golden poisonous insect became dazzling!

“You killed my elders, and now you want to sneak attack my base camp, it’s simply unreasonable!”

The poisonous insect actually spoke, but it was Mu Qiufeng’s voice that came out!

“I didn’t expect you to know so quickly, it seems that you are not stupid.”

“Now you want to rely on these poisonous insects and the defense array to stop us, so don’t waste your energy.”

“Have you forgotten what we do? We have array masters and pharmacists here.”

“Whether it is poisonous insects or defense arrays, how can they stop us!”

Chen Ping said with a sneer!

“Boy, no matter who you are, your strategy and strength are pretty good. If you are willing to cooperate with our Zhantian Sect, I can give you half of all the resources here!”

Mu Qiufeng just wanted to stabilize Chen Ping now, because he also knew that relying on poisonous insects and formations alone, he really couldn’t stop Chen Ping and the others!

Only by stabilizing Chen Ping and the others first, and then waiting for them to come back!

How could Chen Ping not know Mu Qiufeng’s intentions, so he smiled coldly and said, “I will destroy you now, and all your resources are mine. Why should I give half?”

After Chen Ping finished speaking, he suddenly slapped out with an endless fire!

What these poisonous insects fear most is the fire!

Before Mu Qiufeng could say anything, the poisonous insects were instantly wrapped up by the fire!

At this moment, the poisonous insects were all in chaos, desperately fleeing everywhere, but it was useless!

The fire on the body can't be extinguished at all!

Hundreds of poisonous insects fell into the sea!

The golden poisonous insect flapped its wings, trying desperately to escape, but it couldn't escape at all!

Finally, under the gaze of everyone, the golden poisonous insect fell into the sea!

"Too abominable, speed up, speed up..."

Mu Qiufeng roared!

These poisonous insects are all treasures. For Zhantian Sect, taming these poisonous insects took a lot of energy!

Originally, these poisonous insects lived on this island all year round. It took Mu Qiufeng hundreds of years to tame them successfully!

Now Chen Ping directly burned them to death with fire!

Especially the golden poisonous insect, Mu Qiufeng spent a lot of resources to cultivate such a poisonous insect king!

And he also fed it with his own blood and established a connection with his soul!

But now, it's all over!

[The Man Decree] A Man Like None Other Chapter 4255 – Seeing those poisonous insects being killed by Chen Ping's palm, Feng Xing and those people from Zhan Tian Fa Zong were all shocked!

Especially Feng Xing, he knew that if Chen Ping and others landed on the island, they would definitely not let him go!

You know, it was his idea to lead Chen Ping and others into the storm sea!

As if seeing Feng Xing's nervousness, the deacon of Zhan Tian Fa Zong said: "Don't worry, Mr. Feng, even if the poisonous insects can't deal with these people, they can't think of landing on the island. There are defensive formations around the island."

"You don't know, these people are not all pharmacists, there are also people from Liangyi Sect among them, they are also masters of formations."

Feng Xing sighed lightly!

Feng Xing knew that the formation art of Liangyi Sect was also very powerful, and Chen Ping was also a very powerful formation master!

He saw Chen Ping subdue Wang Qingshi with his own eyes!

"What? People from Liangyi Sect are also among them?"

At this time, the deacon of Zhan Tian Fa Zong was a little panicked!

Originally, he thought that it was just a pharmacist who couldn't break their defensive formation at all, but now the other party actually has a formation master from the Liangyi Sect, so it's not certain whether their defensive formation can withstand it!

"Rush to the island quickly..."

Chen Ping ordered Gu Tianchao to urge the spirit boat and rush to the island quickly.

They must occupy the island before Mu Qiufeng and others come back!

Gu Tianchao led the people from the Liangyi Sect and desperately urged the spirit boat to rush to the island quickly!

Just as they approached the island, the spirit boat finally couldn't bear the burden and shook violently!

At this moment, the spirit boat swayed with the wind and was about to sink at any time!

"Abandon the boat quickly, everyone should stop getting on the spirit boat."

Seeing this, Chen Ping hurriedly shouted!

Everyone flew into the air one after another, and just as they rose to the air, they heard a loud bang!

After the explosion, the spirit boat slowly sank into the sea!

Now Chen Ping and his group were suspended in mid-air, and there was no way to get to the island. The island was surrounded by colorful spiritual light, and it was obviously covered by the formation!

“Gu Tianchao, break the formation...”

Chen Ping shouted!

He knew that they couldn't stay suspended in mid-air all the time, and there was no time. They had to occupy the island as soon as possible!

Gu Tianchao nodded, and then took the disciples of Liangyi Sect, and there would be a disciple of Liangyi Sect at every distance, surrounding the entire island!

Chen Ping himself flew to the sky above the center of the island. With a golden light from Chen Ping's fingertips, all the disciples of Liangyi Sect also took action!

Dozens of golden lights hit the defensive formation directly, and then collided with the colorful spiritual light, bursting out with dazzling light.

Chen Ping and his group were preparing to break the formation by force. If they looked for the eye of the formation and broke the formation slowly, Chen Ping could do it, but time didn't allow it!

Seeing Chen Ping and his group break the formation by force, many disciples of Fengxing and Zhantian Fazong were panicked!

They could feel the power that erupted from Chen Ping and the others, and this defensive formation could not withstand it at all!

The divine bell on the island shook involuntarily, emitting bursts of harsh bell sounds!

The bell sounded more and more urgent, and in the end there was no pause!

The pharmacists in the dungeon, listening to the bells outside, were all confused!

“The bells are so urgent, there must be someone attacking the Zhantian Sect, and I don’t know who it is.”

“It would be better to kill all the beasts in the Zhantian Sect, so that we can get out.”

“Could it be President Chen and the others?”

The pharmacists discussed one after another!

“It can’t be Chen Wenliang and the others. They are trapped in the storm. We saw it with our own eyes. They can’t get out of the storm.”

Bao Longxing shook his head and said!

At this moment, he really regretted it, but there is no regret medicine in the world!

[The Man Decree] A Man Like None Other Chapter 4256

[The Man Decree] A Man Like None Other Chapter 4256 – Listening to Bao Longxing’s words, many pharmacists fell silent. They had hope in their hearts. They hoped that Chen Wenliang and others would come to attack Zhantian Sect! If

they fell into the hands of Chen Wenliang and others, they would not become prisoners. After all, the culprit was Su Tianshuo. Now Su Tianshuo had been beaten and curled up in the corner, lingering on!

The angry pharmacists went over and punched and kicked him, but did not kill him. After all, this guy was still useful. When the time came, they could atone for their sins by handing him over to Chen Wenliang and others!

Rumble...

Suddenly, there was a ground-shaking movement, and the whole island shook!

The defensive formations around the island collapsed instantly, and the colorful spiritual light disappeared. The divine bell in the center of the island also shattered at this moment!

“Kill...”

Seeing the collapse of the defensive formation, Chen Wenliang immediately led many pharmacists to kill the people of Zhantian Sect!

These pharmacists fought hard and burst out all their potential, because they knew that if they could not occupy the island before Mu Qiufeng and others arrived, their lives would be in danger!

Under the pressure of death, these pharmacists burst out with extraordinary combat power!

Seeing this, many disciples of Zhantian Fazong had to stand up and fight, but the highest here was only a deacon, and the combat power was not the opponent of these pharmacists at all!

In addition to Chen Ping and the people of Liangyimen, the people of Zhantian Fazong were simply slaughtered one-sidedly!

“Don’t be merciful, don’t leave any survivors...”

Chen Ping ordered loudly!

Chen Ping knew that if he left any survivors, when Mu Qiufeng and others came, these guys would inevitably be ready to move, and then they would form a pincer attack on them, which would be troublesome!

Chen Ping is not a saint. If he threatens his safety, he must die!

“Kill... Don’t leave any!”

Chen Wenliang listened to Chen Ping’s order and roared loudly!

The people of Zhan Tian Fa Zong were killed and howled like ghosts and wolves, and Feng Xing was already scared to death when he saw this, and ran to the dungeon in a hurry!

He is still a pharmacist now, so as long as he mixes with pharmacists, his life will not be in danger!

He knows that Chen Wenliang and others will never kill all the pharmacists, after all, many of them have worked together!

Just catch the masterminds Su Tianshuo and Bao Longxing!

But when Feng Xing ran to the dungeon in a panic, he was dumbfounded, because he saw Su Tianshuo was beaten to death and curled up in the corner of the dungeon!

Bao Longxing and others saw Feng Xing running into the dungeon in a panic, and they were all excited!

“Hahaha, this guy is so panicked, there must be someone outside who broke in.”

“Kill those beasts of Zhan Tian Fa Zong, don’t leave any of them...”

“Old Feng Xing, you cheated us, and now you will get retribution.”

Many pharmacists gloated and shouted loudly!

Feng Xing didn’t expect that these pharmacists would be so hot-tempered that they would kill Su Tianshuo, the president of the Pharmacist Association!

Hearing the noise outside, Feng Xing had no choice but to find a cell and get in.

At this time, Chen Ping and his men had already killed all the people of Zhan Tian Fa Zong and began to look for Su Tianshuo and others!

“Fellow Daoist Chen, we have searched the entire island, but still haven’t found Su Tianshuo and others. Could it be that they are not on this island?”

Chen Wenliang said!

“Impossible, this place is far away from the mainland, and they have no other place to go except to this island.”

Zhong Qing retorted!

“President Chen, take someone to see if there is a basement, secret passage or the like in Zhan Tian Fa Zong, then Su Tianshuo and others must be here.”

“I will take the people of Liangyi Gate to arrange the defense formation on the island. When Mu Qiufeng and others arrive, there will be a defense formation, and they can still resist for a while!”

Chen Ping said!

“Okay, I’ll go and look carefully!”

After Chen Wenliang finished speaking, he took people to continue looking!

[The Man Decree] A Man Like None Other Chapter 4257

[The Man Decree] A Man Like None Other Chapter 4257 – Chen Ping led Gu Tianchao and others from the Liangyi Sect to set up a defensive formation!

The entire island is more than ten miles in area. It is very difficult to set up such a large formation in a short time!

So Chen Ping and his team were also working hard. Chen Ping first laid the eye of the formation on the island, and then Gu Tianchao led the people from the Liangyi Sect to draw the formation pattern around the island!

Chen Wenliang led all the pharmacists to search for secret rooms or secret passages on every inch of land!

Everyone was working hard, and no one was idle. They all knew that this was a race against time!

“President Chen, a secret room was found...”

At this time, a pharmacist shouted loudly!

Chen Wenliang immediately led people to rush over, and then walked into a dark tunnel!

It was dark and damp below, with only a faint firelight and rows of cells. It was obvious that this was a dungeon!

“President Chen, President Chen...”

Seeing that Chen Wenliang and others had come in, the pharmacist imprisoned in the dungeon was very excited and began to shout!

This scared Chen Wenliang. When he approached, he found that it was Bao Longxing and others!

Seeing this scene, Chen Wenliang was slightly stunned, and then he laughed!

“Bao Longxing, aren’t you with Zhantian Fazong? Why are you locked up in the dungeon at this time?”

Chen Wenliang laughed!

Bao Longxing was ashamed and hurriedly said, “President Chen, I was deceived by Su Tianshuo. All of us were deceived and listened to Su Tianshuo’s words. Now Su Tianshuo has been subdued by us. Please open the prison door quickly and let us out!” After Bao Longxing finished

speaking, he asked people to get out of the way and directly exposed the dying Su Tianshuo!

Looking at Su Tianshuo like that, Chen Wenliang felt relieved. It was this guy who made them what they are now!

“You are simply asking for it. Why don’t you cooperate with anyone else? You just cooperate with the people of Zhantian Fazong. They are extremely cunning, otherwise they would not be driven to such a place where no one is going to shit!”

Chen Wenliang snorted coldly!

“Yes, yes, President Chen is right. We deserve it. We know we are wrong. Please let us go.”

“Let’s join forces to destroy the beasts of Zhantian Sect.”

Bao Longxing begged!

“President Chen, let us go. We really know we are wrong.”

“Let’s kill the people of Zhantian Sect together and destroy this place.”

“President Chen, you and I have worked together for many years. Please...”

Many pharmacists began to beg Chen Wenliang!

Seeing this, Chen Wenliang couldn’t bear it, so he opened the prison door loudly!

But when he just stretched out his hand, a white light flashed and directly repelled Chen Wenliang out!

“President Chen, there is a formation here, and the formation must be broken.”

Bao Longxing reminded!

Seeing this, Chen Wenliang ordered people to find Chen Ping immediately. He couldn’t do anything to break the formation, so he had to let Chen Ping come!

Chen Ping had already made the eye of the formation, and he was just waiting for Gu Tianchao to bring the people of Liangyi Gate to perfect the formation!

When Chen Ping knew that Chen Wenliang was looking for him, he rushed over immediately.

“Fellow Daoist Chen, this dungeon is protected by a formation, and the formation must be broken.”

Chen Wenliang said!

Chen Ping glanced at the dungeon, and then looked at the many pharmacists in the dungeon!

When these people saw Chen Ping, they all lowered their heads and dared not look directly into Chen Ping's eyes!

Although Chen Ping was only at the sixth level of the Tribulation Realm, many of the pharmacists here were at a higher level than Chen Ping, but at this time they did not dare to look at Chen Ping straight in the eye!

The majesty of Chen Ping suppressed these people so that they could not raise their heads!

Although they knew that the Demon Sealing League would use a hundred years of offerings to hunt down Chen Ping, no one dared to move their minds at this moment!

They all saw Chen Ping's strength, from capturing Wang Qingshi to rushing into the storm, but rushed out unscathed!

[The Man Decree] A Man Like None Other Chapter 4258

[The Man Decree] A Man Like None Other Chapter 4258 – Now occupying this small island again, every step of Chen Ping deeply shocked them!

Chen Ping slowly stretched out his hand, and his palm soon touched a trace of resistance, and then the formation flickered, and a force attacked Chen Ping!

“Break...”

Chen Ping's palm suddenly burst out with a golden light, and the formation in the dungeon collapsed directly at this moment!

Like an eggshell, it shattered all over the ground, and then dissipated!

After the formation was broken, Bao Longxing and others saw this and suddenly hit it!

The door of the dungeon was directly knocked open. Without the formation, how could this ordinary prison door stop Bao Longxing and others!

“Thank you for saving us, Fellow Daoist Chen. We are ignorant and deceived by Su Tianshuo. We will never do such stupid things again in the future. We will follow Fellow Daoist Chen’s lead.”

Bao Longxing, the head of the Bao family, licked Chen Ping respectfully at this moment!

Chen Ping has heard a lot of this kind of flattery, so he didn’t care!

“Fellow Daoist Chen, what about Su Tianshuo?”

Chen Wenliang pointed at the dying Su Tianshuo and asked!

Su Tianshuo was covered in wounds at the moment, and his eyes were full of pleading: “Don’t kill me, let me go, please, please...”

Su Tianshuo just wanted to live at the moment, and he didn’t want to dominate the medical industry anymore!

But whether Chen Ping would let him live, that would depend on Chen Ping!

“When you were calculating your comrades, did you ever think of letting them go?”

Chen Ping’s eyes were cold, and there was no pity for such people!

Chen Ping waved his palm lightly, and a ray of fire instantly fell on Su Tianshuo’s body!

“Ah...”

Su Tianshuo screamed, and the cry was very creepy!

All the pharmacists were shocked when they saw this scene!

In fact, this is the effect that Chen Ping wanted. He wanted to intimidate these pharmacists, otherwise these pharmacists would be fence-sitters. If they turned against Mu Qiufeng and others when they fought, they would be in danger!

Under the gaze of everyone, Su Tianshuo was directly burned to ashes by the fire. From beginning to end, Chen Ping’s eyes were surprisingly cold!

“Let’s go, Mu Qiufeng and others are coming back, and a fierce battle is about to begin.” Chen Ping

said slowly!

“Fellow Daoist Chen, there is another person who must be solved!”

At this time, Bao Longxing hurriedly spoke!

“Who?” Chen Ping was slightly stunned!

This was led by Su Tianshuo. It would be enough to kill Su Tianshuo. He didn’t know who else had to be killed!

“It was Feng Xing. He was the one who came up with the idea and led you to the Storm Sea. He also brought us here and was locked up by the Zhantian Sect.”

“This guy is already a member of the Zhantian Sect...”

Bao Longxing hurriedly took Chen Ping and the others into the depths of the dungeon, and saw Feng Xing in the innermost cell!

“Bao Longxing, what nonsense are you talking about? It was obviously me who opposed you to harm your comrades and was isolated by you. Why are you pushing it all on me now?” Feng Xing

wanted to get away with it, so he hurriedly argued!

Upon hearing what Feng Xing said, many pharmacists began to blame Feng Xing, and some even insulted him, but Feng Xing acted very aggrieved and forbearing at this moment!

This made Chen Ping wonder who this guy was!

Feng Xing’s realm was not very high, only the ninth level of the Tribulation Realm, not outstanding at all!

When going to Medicine God Island, Chen Ping had not paid attention to this person!

“Feng Xing, you have been away from the Feng family for many years, I didn’t expect you to be here!”

At this time, Granny Zhen suddenly walked out of the crowd, looked at Feng Xing and said!

When Feng Xing saw Granny Zhen, his face suddenly became a little ugly!

“Granny Zhen, do you know this guy?”

Chen Ping asked puzzledly!

[The Man Decree] A Man Like None Other Chapter 4259

[The Man Decree] A Man Like None Other Chapter 4259 – “Of course, he is from the Feng family in the Central Region. He just likes alchemy and often travels to various pharmacist associations to study.”

Granny Zhen said.

When he heard that it was someone from the Feng family, Chen Ping immediately got angry!

Bai Qian’s Fox King City was occupied by the Feng family. Now when he met someone from the Feng family, Chen Ping wished he could slap him to death with one palm!

“Fuck it, come out...”

Chen Ping stepped forward and directly pulled Feng Xing out!

“What are you going to do?”

Feng Xing said nervously!

“Did your Feng family join the Demon Sealing Alliance and become their dogs?”

“Besides, your Feng family has occupied Fox King City. Today I am just going to take it out on you!”

Chen Ping stared at the letter fiercely and said!

“You...you dare, if you dare to touch me, the Feng family will...”

Before Feng Xing could finish his words, Chen Ping slapped him with his palm!

Feng Xing’s brain burst instantly, he was deader than dead!

Seeing this scene, all the pharmacists gasped!

This guy Chen Ping was too ruthless and decisive. He killed people before they could even finish a sentence!

“Master, the people from Zhan Tian Fa Zong have arrived!”

At this time, Gu Tianchao shouted outside!

Upon hearing this, Chen Ping rushed out of the dungeon with everyone and saw a spirit boat approaching quickly on the sea!

Just as the spirit boat approached, Mu Qiufeng and the people from the Zhantian Sect jumped up!

All the pharmacists looked at them with serious expressions!

Many pharmacists began to get nervous. After all, the strength of the Zhantian Sect was not weak!

These disciples of the Zhan Tian Sect released all their aura, and each of them was filled with murderous intent!

There are dozens of cultivators in the Tribulation Realm and Mahayana Realm, all of whom are proficient in the art of formation. These pharmacists are simply not able to deal with them!

What’s more, Chen Wenliang and his men had just experienced a battle and consumed a lot of physical energy!

Some pharmacists' bodies were trembling slightly. This would be a moment of life and death!

Whether you can leave the island alive depends on this battle!

Although the pharmacists have the advantage in numbers, their fighting power is no match for the disciples of the Zhantian Sect!

If it weren't for Chen Ping and the people from Liangyi Sect, Chen Wenliang and his men would have no chance of resistance at all!

These pharmacists placed all their hopes on Chen Ping and the people from Liangyi Sect!

Mu Qiufeng looked at the many pharmacists on the island and knew that he was still a step too late!

"Everyone, be careful and try not to hurt those pharmacists. They are the wealth of our Zhan Tian Fa Sect."

"Kill that kid and all the people from Liangyi Sect!"

Mu Qiufeng gave orders to the many disciples of Zhantian Sect!

In Mu Qiufeng's opinion, as long as Chen Ping and the people from Liangyi Sect were eliminated, the remaining pharmacists would not be a concern!

Chen Wenliang looked at the murderous disciples of Zhan Tian Fa Zong in the air and shouted, "Prepare for battle, everyone swallow all the pills!"

One by one, the pharmacists took out all the pills on them and swallowed them!

This is the fastest way to recover!

If they were really caught by the Zhantian Sect's people, all the elixirs on them would be looted, so it would be better for them to eat them themselves!

After these pharmacists swallowed the pills, their aura skyrocketed!

Mu Qiufeng frowned slightly, then waved his hand: "Break the formation..."

All the disciples of Zhantian Sect attacked the island's defense formation!

For a moment, the road roared and the earth shook!

The island began to sway from side to side!

“Master, I'm afraid this defensive formation won't last long!”

Gu Tianchao looked at Chen Ping and said!

This defensive formation was set up too hastily, there was no time at all!

If Chen Ping and his team have a month, Chen Ping will be able to set up this defensive formation that is as solid as a rock!

Chen Ping glanced at the many pharmacists who were swallowing pills to restore their strength, and then said: “Try to delay the time and give these pharmacists more time to prepare!”

[The Man Decree] A Man Like None Other Chapter 4260

[The Man Decree] A Man Like None Other Chapter 4260 – Gu Tianchao led the people of Liangyi Sect to desperately support the defensive formation!

But it was obvious that these guys from Zhantian Sect were also fighting for their lives, and rays of spiritual light kept hitting the formation!

Boom!

Finally, after a quarter of an hour, the defensive formation shattered and disappeared in an instant!

However, it was not bad that the defensive formation laid out in such a hurry could withstand such a long time!

The formation was broken, and many disciples of Zhantian Sect began to cast various spells and went towards Chen Ping and others, and one after another, they covered Chen Wenliang and others!

This was Mu Qiufeng's attempt to capture Chen Wenliang and other pharmacists alive!

"Fellow Taoists, the time to fight has come..."

Chen Wenliang shouted and began to fight back!

For a while, thunder rumbled on the island, the earth and the sky trembled, and various spells kept colliding!

Mu Qiufeng went straight to Chen Ping. No matter who Chen Ping was, he had to kill Chen Ping first!

Even if Chen Ping was really a member of the Xiao Dynasty, so what? He was dead and it was impossible to tell anyone!

Chen Ping looked at Mu Qiufeng coming towards him, and his body jumped up!

He couldn't follow Mu Qiufeng to fight on this island, fearing that this island couldn't bear it at all!

Chen Ping's body was suspended in the air, and wisps of flames began to appear around him, like a small spiritual snake, wandering around Chen Ping!
The

indestructible golden body tightly wrapped Chen Ping's body, and the Dragon Slaying Sword was also in his hand!

Facing Mu Qiufeng, Chen Ping didn't dare to be careless!

Seeing this, Mu Qiufeng tentatively raised his hand and directly shot out a shocking spiritual energy!

This rich breath was like a flash of lightning, instantly crossing the void and banging towards Chen Ping!

Rumble...

With an explosion, the flames around Chen Ping scattered, and the sky was full of flames, causing the entire sky to fall into a sea of fire!

However, Chen Ping's palm gently moved, and the flames gathered towards Chen Ping again, like fire snakes, surrounding Chen Ping, circling and flowing!

Seeing this, Mu Qiufeng's pupils shrank slightly!

I saw a figure faintly appearing behind Chen Ping. This figure was exactly the same as Chen Ping's body, except that flames were emanating from all around the body!

Chen Ping's body overlapped with the figure, emitting a brilliance of the ancient immortal!

From inside to outside, there was a kind of immortal aura, as if the immortal had descended!

At this moment, Chen Ping was suspended in the air, just like an immortal!

Every bone, every meridian, and even the blood vessels in Chen Ping's body could be seen faintly!

Chen Ping was only the sixth rank in the Tribulation Realm, but now he gave people the feeling of a god, and they dared not look directly at him!

"What kind of skill is this? There is such an aura?"

Mu Qiufeng looked at Chen Ping in front of him, and the whole person was stunned!

At this moment, he was more convinced that Chen Ping was the son of a big family. Even if he was not the prince of the Xiao Dynasty, his status must be high!

The more so, Mu Qiufeng couldn't let Chen Ping leave alive, otherwise they would be in a catastrophe for the Zhantian Sect!

"Boy, I don't care if you are a prince of the Xiao Dynasty or not, don't even think about leaving here today!"

Mu Qiufeng's eyes condensed slightly, and then he rushed towards Chen Ping!

"Just you, you want to stop me?"

Chen Ping's eyes were full of indifference. The True Fire Dharma Body had already started to work. Chen Ping wanted to let Mu Qiufeng feel the power of the Ultimate Fire!

One Ultimate Fire might not be able to deal with Mu Qiufeng, but Chen Ping had more than one Ultimate Fire!

Moreover, after having the True Fire Dharma Body, these Ultimate Fires were constantly tempered and fused!

Now the Ultimate Fire that Chen Ping played was not a single kind!

Seeing Mu Qiufeng who had already rushed in front of him, Chen Ping raised his arm and pointed at the void!

Boom!

Flames were like a flood, overwhelming and heading towards Mu Qiufeng.
